Eighty-First Anniversary Convention Now History By Lauren Foreman, Eminent Supreme Recorder

CUCCESSFUL because of the favorable conditions under which it was held, an unprecedented representation of the active membership of the Chapters Collegiate, and the attendance and active participation of men who were the guiding spirits of the Fraternity more than half a century ago—the Eighty-First Anniversary National Convention of Sigma Alpha Epsilon, held at the Edgewater Beach Hotel, Chicago, Ill., and the Levere Memorial Temple, Evanston, Ill., Thursday, Friday and Saturday, August 26-27-28, 1937, will take a prominent place in the pages of ΣAE history. Attending as the guests of the Fra-

ternity were three of the surviving past grand officers who managed its affairs under the grand chapter system when Tennessee Omega at the University of the South, Sewanee, Tenn., was the last chapter to act in that capacity. Also in attendance were the first Eminent Supreme Archon and all living men, with one exception, who have served in that capacity; all members of the Supreme Council and other national officers; all the Province Archons and an encouraging number of junior province officers. Delegates were seated from 108 Chapters Collegiate and from twenty Alumni Associations.

Outstanding events were the dedication of the "Lions of Minerva," two handsome life-size bronze beasts, guarding the portals of the Levere Memorial Temple, the gift of Judge Alfred K. Nippert, Past E.S.A., and the model initiation, conducted by the members of the Supreme Council, with Dr. John O. Moseley, Eminent Supreme Archon, presiding, at which nine neophytes were inducted into the Fraternity with the most completely staged and elaborately arranged ceremony in its history.

Important among legislative acts of the Convention were the granting of charters to petitioning locals at the University of Richmond, Richmond, Va., and Massachusetts State College, Amherst, Mass., giving XAE 111 Chapters Collegiate in forty-two states; the adoption of many progressive amendments to the National Laws; and decision to hold the next Convention in the vicinity of Chicago in the summer of 1939.

The election of officers resulted in the selection of the following:

Eminent Supreme Archon-Charles Frederick Collins, Mass. B-Y '12, Advanced from E.S.D.A.;

Eminent Supreme Deputy Archon Dr. Arthur Edward Brown, Ohio Δ '02, Advanced from E.S.W.

Eminent Supreme Recorder-Lauren Foreman, Ga. E '01, Re-elected;

Eminent Supreme Warden-George N. Short, Ohio \triangle '05, Advanced from E.S.H.;

Eminent Supreme Herald—Dr. Fred H. Turner, Ill. B '22, Scholarship Commissioner and Former Archon of Province Mu;

Honorary Eminent Supreme Archon-Dr. John O. Moseley, Okla. K '16, Retiring E.S.A.;

Director of Leadership Training-Dr. Moseley;

Members of Board of Trustees; Elmer B. Sanford, Mich. I-B '03 (ten years), Frank K. Houston, Tenn. N '04 (eight years), Charles M. Carpenter, Mich. A '17 (six years), Leon C. Stowell, Mass. Γ'14 (two years), Col. William Mack, N.C. © '83, Trustee Emeritus for Life.

Principal social events were the buffet supper in the Banquet Hall of the Levere Memorial Temple Wednesday evening; the luncheon Thursday, the Convention Banquet Friday evening, and the Convention Ball Saturday evening, all held at the Edgewater Beach Hotel.

The three past grand officers and the first Eminent Supreme Archon fell into the spirit of the Convention producing an air of dignity and establishing a bond between the old and new school of fraternity men. The three men of the last Grand Chapter who honored the Convention were the Rev. James G. Glass, D.D., Tenn. Ω '84, of Ormond Beach, Fla., the only surviving Past Eminent Grand Archon; the Rev. Samuel B. McGlohon, D.D., Tenn. Q '86, of Savannah, Ga., Past Eminent Grand Treasurer, and the Rev. Alexander R. Mitchell, Tenn. Ω '85, of Greenville, S.C., past Eminent Grand Correspondent.

Past Eminent Supreme Archons in attendance were: Thomas S. Mell, Ga. B '78 (1885-90); General J. Washington Moore, *Tenn.* N '91 (1892-94); Albert M. Austin, *Ohio* \triangle '94 (1895-98); Judge Arthur J Tuttle, Mich. I-B '92 (1919-22); T. Gibson Hobbs, Va. O '09 (1923-24); Lauren Foreman, Ga. E '01 (1925-28); O. K. Quivey, Ind. B '12 (1929-30); Judge Alfred K. Nippert, Ohio E '94 (1931-32); and Judge Walter B. Jones, *Ala.* A-M '10 (1933-34).

After the Third Leadership School at the Levere Memorial Temple, August 23-25, came to a close with 201 delegates and visitors from 107 chapters in attendance, registration for the Convention opened at the Edgewater Beach Hotel on Wednesday, August 25, with employees of the National Office in charge. Many of the dele-gates transferred to the Edgewater Beach Hotel from Willard Hall on Northwestern University campus, the lodging headquarters during the Leadership School.

Dr. John O. Moseley, president of the Central State Teachers College, Edmond, Okla., and Eminent Su-preme Archon, tapped the gavel at 10 A.M. Thursday, in the ballroom of the hotel, thus officially opening the Convention. The Rev. Glass pro-nounced the invocation. The address of welcome was given by General J. Washington Moore, Tenn. N '91, Past E.S.A. Responses to the welcome were given by William G. Hulbert, Calif. A, and Wareing T. Miller, Fla. Y. Following the appointment of committees, Dr. Moseley gave the cus-tomary report of the Eminent Su-preme Archon in which he cited the improved financial conditions of the chapters, but stressed the need for better scholarship.

Members of the Supreme Council conducted an impressive model initiation in the Michigan Room of the hotel as the final event on the first morning's program. Those initiated were: Charles Lund Gandrud, Minn. A; Edwin Friss Gunderson, Okla. M; William Dane Fergus, Okla. M; Clyde Kenneth Harris, Okla. K; Robert Jess Beams, Okla. K; Gene Edward Pruitt, S.D. Σ ; John Robert Tellier, *Iowa* Γ ; John Timmons Higley, Ohio T; Arthur Minot Peck, Jr., Ohio T. Following the inspirational initiation ceremony the delegates attended the luncheon in the ballroom. The representatives of the chapters were seated by provinces with the province officers taking the honorary positions.

O '09, Past E.S.A.; O. K. Quivey, Ind. B '12, Past E.S.A.; Judge Walter B. Jones, Ala. A-M '10, Past E.S.A.; Second Row, Rev. Alexander R. Mitchell, Tenn. Ω '85, Past Eminent Grand Correspondent; Judge Arthur J Tuttle, Mich. I-B '92, Past E.S.A.; D. Moseley, Okla. K '16, Past E.S.A. and Honorary E.S.A.; Dr. Arthur E. Brown, Ohio Δ '02, E.S.D.A.; Third Row, Judge Alfred K. Nippert, Ohio E '94, Past E.S.A.; Albert M. Austin, Ohio Δ '94, Past E.S.A.; Philip H. Senior, Pa. Θ '05, Member of Board of Trustees; Lauren Foreman, Ga. E '01, E.S.R.; Charles F. Collins, Mass. B-T '12, New Eminent Supreme Archon; George N. Short, E.S.W. Sitting, Richard Thuss, Sculptor of Lions, and Arthur Howell Knox, Ill. Ψ - Ω '02, Architect of the Levere Memorial Temple.

The entire fraternity delegation then left the hotel by bus for the Levere Memorial Temple in Evanston for the dedication of the "Lions of Minerva." Visiting ladies to the Convention who attended a luncheon in the banquet hall of the Temple joined the delegation in the dedication.

After the Convention photograph was taken on the lawn at the east end of the Temple, the group gathered in the chapel for the second session which opened with a memorial service in honor of the 451 members of the Fraternity who had died since the Washington Convention of 1934. Federal Judge Arthur J Tuttle, Past E.S.A., delivered the memorial address while members of the Supreme Council occupied seats on the rostrum.

At this session eight murals by Mathias Noheimer of Cincinnati, Ohio, depicting four scenes from the Old Testament and four from the New Testament of the Holy Bible which had been placed in the panels around the balcony, were dedicated. Following the memorial service, business was resumed and the afternoon was devoted to the reports of members of the Supreme Council and the Province Archons.

Events at Evanston were concluded with a pilgrimage to the grave of ΣAE 's great leader, William C. Levere, *Ill.* $\Psi \cdot \Omega$ '98, Past E.S.A. and Past E.S.R., in Memorial Park Cemetery. With Dr. Moseley presiding, a brief ceremony was held. Past E.S.A. Mell placed a beautiful wreath, the gift of the Convention, on the gravestone which is adorned with badge of the Fraternity, pronouncing the following apostrophe:

"O, grave, death who ever loves a shining mark has made you the earthly custodian of the body of William C. Levere of blessed memory. We charge you to treasure it tenderly until the dawning of the resurrection morn. But death, in giving you his body, has freed his great soul from its cumbering clay and now it has become inextricably intertwined with the souls of those who knew him and loved him and those yet to come who will learn of him to love him. Brother William Levere, model man, model for men, good man, good counsellor, good guide, good friend, good com-rade, good bye. Sleep well."

The benediction was pronounced by Rev. Samuel B. McGlohon. As an additional floral offering, the Mothers' Club of Illinois Psi-Omega sent the beautiful flowers which had adorned the table in the banquet hall of the Levere Memorial Temple for the luncheon which was tendered to the visiting ladies.

From the cemetery the members of the Convention returned directly to the Edgewater Beach Hotel where the evening was given over to committee meetings so that reports could be prepared for submission on Friday and Saturday.

The session of Friday morning was opened with prayer by Rev. Alexander R. Mitchell, following which the E.S.A. introduced the Province Archons each of whom in turn introduced the junior officers of his province present. The E.S.A. then introduced the marshals of the Convention: Francis A. Schmidt, Neb. A-II '07, Chief Marshal, and Stewart Mark, Okla. K, Vernon J. Heffron, Ohio Θ , Leland Russell, Calif. E, Robert Innes, Ill. Ψ - Ω , and James R. Masterson, Jr., R.I. A, Assistant Marshals; and the Song Leaders, Raymond Westgate, Mich. A, and Norman Hanes, Ill. Δ ; and the E.S.A.'s Page, Earnest Harwell, Ga. E.

Following adoption of the report of the Credentials Committee, the Convention got down to business. The reports of the Province Archons were concluded; the reports of the Scholarship Commissioner and the Board of Trustees were submitted; and the report of the Finance Committee, submitted by Judge Arthur J. Tuttle, Past E.S.A., chairman, was adopted.

At the opening of the afternoon session, the roll of the Past Eminent Supreme Archons was called by the E.S.A. and those present responded by rising. A telegram from Marvin E. Holderness, *Tenn.* N '02, Past E.S.A., was read.

Election of officers which had been set as a special order for this time was then held, after which the hearing of committee reports was resumed and continued until the close of the session with the exception of a brief address by Paul A. Walker, $Ill. \odot$ '05, member of the Federal Communications Commission.

On motion of Charles H. Barker,

Archon of Province Mu, the charter of the Illinois Theta at the University of Chicago was placed in the hands of the Supreme Council for future disposition.

The Committee on Redistricting Provinces reported that it had been unable to reach an agreement and recommended that no action be taken at this Convention which recommendation was approved.

Friday evening was devoted to the Convention Banquet with Lauren Foreman, E.S.R., acting as toastmaster, and addresses by Rev. James G. Glass, Past Grand Archon; Harry S. Bunting, Past Hon. E.S.A.; Judge Alfred K. Nippert, Past E.S.A.; Benjamin O. Coleman, W.C. P; and Dr. John O. Moseley, Retiring E.S.A. Trophies were awarded to representatives of the chapters which had won them and the affair was closed with the introduction of the newly-elected E.S.A., Charles F. Collins, Mass. B-Y '12.

Saturday morning's session was opened with prayer by Hon. Thomas S. Mell, Past E.S.A., after which consideration of committee reports was resumed. The report of the Committee on Extension was considered by sections and brought out the usual animated discussion but after Pi Delta Sigma at the University of Richmond, Richmond, Va., and Kappa Epsilon at Massachusetts State College, Amherst, Mass., had been granted charters and Lawrence College, Appleton, Wis., and Utah State College, Logan, Utah, had been put on the approved list as fields for possible future extension, the report was unanimously adopted.

Committee on National Laws, T. Gibson Hobbs, Past E.S.A., chairman, consumed the greater part of the final session, Saturday afternoon. The report was long, as the result of the number and length of the proposed amendments but was presented with unusual clarity and considered with dispatch and comparatively little controversy. Among the most important provisions adopted were the following:

Sec. 37-Providing that any profit remaining in the hands of committees in charge of entertaining National Conven-tions be paid into the National Endowment Fund.

Sec. 39—Providing that the Convention Fund shall be divided on the basis of \$10 per day and mileage for each member eligible to share in the fund and that the share of any who fail to attend be paid into the Student Loan Fund.

Sec. 41-Empowering members of the Supreme Council to join with the members of the Board of Trustees in making conveyances of property acquired by foreclosure. Sec. 61—Bonding of Province Treasurers

for \$1,000 made mandatory. Sec. 71-Providing automatic affiliation

for all transfers in good standing and giving Chapters Collegiate original jurisdiction over all transfers attending their respective domiciles.

Sec. 76-Providing that Chapters Collegiate shall pay semi-annual National Dues for men initiated between November 15 and December 31 and between March 15 and June 30, just as for men initiated prior to those dates.

Sec. 114—Providing that membership in the Chapter National begins whenever mem-

bership in the Chapter Collegiate ceases. Sec. 133—Changing terms of office of members of the Board of Trustees so that eventually one trustee will be elected at each biennial National Convention to serve for a term of ten years.

Sec. 140-Providing additional powers for the Board of Trustees, enabling it to make conveyances of real estate acquired through

foreclosure and to take such other actions as may be necessary in connection with such foreclosures.

Sec. 140—Enabling the Board of Trustees to make loans from the Record Life Subwith Chapters Collegiate on second mort-gages, no such loan to exceed \$10,000 and the total of such loans not to exceed one

third of the amount of the fund. Sec. 143—Increasing the number of Founders of the National Endowment Fund to two hundred.

Sec. 158-Transferring the Student Loan Fund to the Levere Memorial Foundation. Sec. 178-Providing definitions of expul-

sion and suspension.

Sec. 221-Adding affirmative requirement that members must remain active members of the Chapter Collegiate while students unless permitted to become inactive on the recommendation of the Chapter Collegiate and with the approval of the Supreme Council.

Sec. 224-Creating the office of Director of Leadership Training and defining the duties of this office.

An interesting feature of the final session came when Harry S. Bunting, Past Hon. E.S.A., was given the privilege of the floor and paid a stirring tribute to Albert M. Austin, Past E.S.A., who replied with great feeling.

A resolution, expressing appreciation of the services of Dr. Carl J. Rice, Archon of Province Kappa, was adopted following announcement by him that he found it necessary to resign on account of the pressure of private business cares.

The business sessions of the Convention were brought to a close with a humorous and inspiring impromptu address by Rev. Samuel B. McGlohon, Past Eminent Grand Treasurer, with final adjournment at 5:25 P.M., Saturday, with the Convention Ball in the evening as the final social feature.

All arrangements for the Conven-

tion were made by the Supreme Council and handled by the personnel of the National Offices, this being in accordance with the mandate of the Washington Convention of 1934.

Collector of Records

Dudley K. French, *Ill.* Ø '05, has an unusual hobby in his home at 503 Haw-thorne Lane in Winnetka, Ill. This rare interest is the collecting of phonograph records, having accumulated more than 2,000 through the years. On certain eve-nings Mr. French holds open house for music lovers. Young and old come to listen to his treasures which mostly concite of sum to his treasures which mostly consist of symphonies. In the attic of his home Mr. French has rigged up an ingenious and effective phonograph equipment. The turn-table is placed in a corner where he can sit in his easy-chair and manipulate the mechanism at ease. Through his own efforts he has con-cealed a loud-speaker overhead. Previous to a concert in the vicinity of Chicago, the collector of records produces the program for his friends in order that they may become acquainted with the music and thus find more enjoyment at the concert.

The Social Side of the Convention

OMBINING the more than adequate social program planned by the Supreme Council with the matchless entertainment facilities of the city of Chicago, the Eighty-First Anniversary Convention left nothing to be desired in the way of social activities.

From the opening buffet supper at the Levere Memorial Temple on Wednesday evening through the last strains of "Violets" at the Convention Ball on Saturday there prevailed a wonderful spirit of camaraderie among all delegates and visitors. Age and dignity had been left at home as such oldtimers as "the boys from Sewanee," the Bunting brothers, and General J. Washington Moore moved on a plane of equality with the youngest delegates.

Festivities of the Convention opened with the buffet supper which also served as the final event of the Leadership Training School. Entertainment during the evening was provided by Graham Jackson, negro band-leader and self-styled "man of a thousand fingers" from Atlanta, Ga., and by informal songs on the part of the delegates.

for the Convention on Thursday the delegates were guests at the Convention luncheon, seated by provinces. At the same time the ladies of the Convention were entertained at a luncheon at the Temple where they were later joined by the delegates for the dedication of the "Lions of Minerva."

Friday's social program brought to the Convention high spots that even the wonderful ball on Saturday night could not equal. The visiting ladies left Chicago Friday morning for an all-day boat trip to Milwaukee where they were entertained by the local ΣAEs and their wives with drives to the points of interest in the city and a tour through the world's largest brewery.

While the women were steaming back to Chicago across the placid blue waters of Lake Michigan, the men were sailing into the past of their fraternity under the spell of Harry Bunting and Rev. James G. Glass and into the future under the inspiration of Judge A. K. Nippert and the retiring E.S.A., Dr. John O. Moseley. Toastmaster at this most enjoyable of all convention functions was Lauren Foreman, E.S.R., with members of the Supreme Counsel, Past E.S.A.s, and distinguished guests occupying seats at the speakers' table. The toastmaster opened the program by introducing Norman H. Pritchard, *Ind.* A '04, General Counsel for the Fraternity and the Levere Memorial Foundation; Dr. Fred H. Turner, *Ill.* B '22, the newly-elected Eminent Supreme Herald; and the three former grand chapter officers, Rev. James G. Glass, Rev. Samuel B. McGlohon and Rev. Alexander R. Mitchell, who were present as the guests of the Convention.

Dr. Glass spoke for the three past grand officers telling of the grand chapter system which gave way to the new Supreme Council system in 1885. "The Intimate Story of How Sigma Alpha Epsilon Went National" was given by Harry S. Bunting, Tenn. Z '91, with his characteristic spots of humor. Judge Alfred K. Nippert, Past E.S.A., gave a dynamic talk on "Sigma Alpha Epsilon of Today," in which he cited the dreams of the fraternity between now and 1956. "The Chapters Collegiate" was the topic of a speech by Benjamin O. Coleman, W.C. P '38. Dr. Moseley spoke on "Sigma Alpha Epsilon and the Port of Her Dreams."

Indiana Beta and Montana Beta at the University of Montana having tied for the statue of Minerva, offered by George N. Short, E.S.H., to the chapter securing the largest number of Life Memberships in the Chapter National, a coin was flipped and Indiana Beta was declared the winner. Dr. Harry E. Mock, *Ind.* A '04, and Edward O. Blomquist, *Ill.* Ψ - Ω '15, then announced that they would present a duplicate to Montana Beta.

The closing feature of the banquet was the presentation of Charles F. Collins, *Mass.* B-Y '12, the new E.S.A., who gave his greetings and promise of progress to the body amid cheers.

Entertainment was again furnished by Graham Jackson who provided music throughout the dinner and proved himself well acquainted with all the popular ΣAE songs and marches.

Throughout the convention there were private reunions in the rooms and halls of the Edgewater Beach and spontaneously formed parties on the beach and at Chicago night spots. Possibly the greatest incentive to delegates to attend future conventions was thus formed as they made private pacts to meet again in SAE.

The final and most carefree function of the entire session came with the convention ball Saturday night. Dates for many of the visitors had been procured by the aid of the boys from Illinois Psi-Omega and the hundreds of couples made the spacious Marine Ballroom of the hotel ring with merriment. Delegates from the North graciously yielded to the request that the dance be a cut-in affair and the Southerners returned the favor by demonstrating the Big Apple, which started out to be a dance and became an epidemic.

At midnight a delicious collation was served to the delegates and their dates. It was with a sense of deep regret that the dancers finally left the floor—many of them vociferously joining the plea of Roger G. Murray, Archon of Province Iota, that there be just one more dance.

From the Feminine Point of View

ROM a woman's point-of-view the highlights of the Eighty-First Anniversary National Convention of Sigma Alpha Epsilon in Evanston and Chicago, August 26-28, were the luncheon on Thursday at the Levere Memorial Temple and the boat trip to Milwaukee, Friday.

The women were delighted with the comfortable mode of transportation from the Edgewater Beach Hotel to beautiful Evanston and back to their destination. All were amazed at the real beauty of the Temple and the efficient appointments of the Banquet Hall. A delicious luncheon was served to approximately sixty guests including the wives, mothers, sisters and friends of members of ΣAE . The gorgeous floral table decorations of autumn flowers were taken to Memorial Park Cemetery as a tribute from the Mothers' Club of Illinois Psi-Omega chapter of ΣAE to the memory of "Billy" Levere.

Previous to the serving of the luncheon, the women were entertained at the organ in the Chapel by Graham Jackson, the colored keyboard artist of Atlanta, Ga., who played college songs and request numbers. During the lunch-hour, he rendered favorite selections from an accordian. Following the luncheon the women were

photographed in front of the Temple. They were then invited to witness the unveiling of the "Lions of Minerva," at which the son and daughter of Mrs. John Moseley, honorary chairman of the entertainment committee, took a part.

The cooling winds on deck of the "City of Grand Rapids" and the unusual glass-like surface of Lake Michigan made the boat trip to Milwaukee a most pleasant occasion. The views of the Chicago, Milwaukee and the North Shore skyline were a continued delight. The members of the Milwaukee Alumni Association distinguished themselves by their splen-

did hospitality. We were driven in comfortable cars through the beautiful boulevards along the North Shore and then conducted through the interesting Schlitz brewery.

The return trip by boat was the most beautiful of all. The exquisite sunset viewed from the deck, the placid waters and the varied cities' skylines made a fairyland never to be forgotten. All of the guests expressed real appreciation of their new friendships and entertainment. Much of the credit for the success of the Milwau-

kee trip was due to the efficiency and courtesy of Davis G. Harwell, Ga. E '33, who personally conducted the party and took care of all details. His constant and considerate attention made the voyage extremely pleasant. Members of the Mothers' Club of

Illinois Psi-Omega at Northwestern University were asked by the Supreme Council to make the arrangements for the entertainment of the visiting ladies but were really guests of the Convention themselves and enjoyed the entertainment fully as much as any of the visitors from distant points.

Mrs. Walker Jensen, Mrs. R. C. Harrer and Mrs. James E. Chapman were members of the committee in charge of the details of entertainment with Mrs. John O. Moseley, serving as honorary chairman.

The entertainment at Milwaukee was handled by a committee com-posed of Omar T. McMahon, chair-man, Floyd E. Nelson, Homer J. Bendinger, Phillip W. Gross, Edwin G. Kueninger, Harold Otten and Raymond Linehan.

RATERNITY symbolism took a definitely realistic turn on the afternoon of Thursday, August 26, 1937, the opening day of the Eighty-First Anniversary National Convention of Sigma Alpha Epsilon, when more than 500 convention delegates, visiting ladies and guests heard the dynamic roars of the "Lions of Minerva," the two stately bronze

By Don M. Gable, Ohio Delta '35

beasts guarding the portal of the Levere Memorial Temple which had been presented to the Levere Memorial Foundation by the Chairman of its Building Committee, Judge Alfred K. Nippert, Past Eminent Supreme Archon.

One of the outstanding features of the Convention was the dedication of these handsome figures by Dr. John

O. Moseley, E.S.A., the presiding offi-cer of the Convention by which he was elected Honorary E.S.A. The ceremony gained uniqueness and brought a gasp of surprise from the spectators when the handsome lions actually roared as John Nichols and Margaret Marie Moseley, son and daughter of the master of ceremonies, gracefully lifted the purple and gold

Dr. John O. Moseley, Eminent Supreme Archon of Sigma Alpha Epsilon, Dedicating the "Lions of Minerva," Guarding the Portals of the Levere Memorial Temple, Evanston, Ill., August 26, 1937, after the Lions Had Been Unveiled by His Children, Margaret and John Nichols, Shown in the Photograph with Dr. Moseley and Lauren Foreman, E.S.R.

veils from the beasts. It was the suggestion of Lauren Foreman, Eminent Supreme Recorder and convention manager, that the two Moseley children have the honor of taking part in the ceremony, as it would leave an impression on their minds to be long remembered.

The production of the "Roaring Lions of Minerva" was not an uncanny thing, but was purely the result of concealed modern mechanism. As "Jim," the Nubian lion of the Cin-cinnati Zoo, was the model for the beautiful animals that now stand at the entrance of the fraternity shrine, a recording of lions' roars was made at the Cincinnati Zoological Gardens. The transcription, presented to the fraternity by Lawrence J. Bradford, Ohio Σ '08, was transported carefully to the Temple where it was placed on a phonographic machine in the library. At the proper moment during the ceremony the roars of the lion were relayed through two large amplifiers concealed in the shrubbery on either side of the stone pedestals at the entrance. The applause of the crowd immediately following the unveiling rather muffled the initial roar. However, the roars gained volume and the spectators hushed as if the lions had suddenly become real beasts

from the jungle. To add to the interesting event, Richard Thuss, sculptor of the lions, famous for his creative works, appeared before the "mike" and related his appreciation of the ceremony in German. Judge Nippert, whose identity as the donor of the lions had not been revealed at that time, presented Mr. Thuss, paying a high tribute to his artistic ability, and spoke of the lions as being another step in the completion of the Temple.

The "Lions of Minerva," cast by Amos Massolini through an intricate process in the fiery furnace at the bronze foundry in Yellow Springs, Ohio, arrived at the Temple, August 4. Mr. Massolini directed the placing of the figures, which weigh approximately 600 pounds each. The bronze tablets on the surface of the Temple were removed and retouched at the Ohio foundry. They then were placed at the base of the lions.

The symbolic beasts will guard faithfully the Temple throughout its life, representing the strength, glory and prestige of Sigma Alpha Epsilon, as Dr. Moseley pointed out in his dedication speech. The lions add another touch of beauty to the shrine. They will sit there, "as if ready to speak," as one spectator said, but will roar no more as the recording has been placed in the museum where the plaster model of "Jim" is located on an oak pedestal and appropriately labelled "The Lion of Minerva."

Illinois Dean Is New E. S. H.

By Robert H. Wilson, Illinois Beta '35

FRED H. TURNER, *Ill.* B '22, dean of men at the University of Illinois, who has taken over his duties as the new member of the Supreme Council of Sigma Alpha Epsilon after being elected Eminent Supreme Herald at the Eighty-First Anniversary National Convention in Chicago, needs little introduction to the collegiate world as he is known widely among fraternity and educational leaders throughout the country.

Sigma Alpha Epsilon is fortunate in obtaining the services of Dean Turner as one of its national officers. Always a defender of the fraternity system on the college campus, Dean

Dr. Fred H. Turner, *111*. B '22, Eminent Supreme Herald.

Turner has been interested basically in scholarship, giving his service in this respect to the Fraternity while serving as Scholarship Commissioner of ΣAE from 1930 until the time of his election as E.S.H. Appearing before many fraternal groups, Dean Turner constantly has supported the fraternity system as the best for the individual college man, and stressing fraternities to place more emphasis on scholarship.

Dean Turner always has been a leader in the fraternity since his grad-uation from Illinois. He served as Archon of Province Mu from 1926 until 1932, having been elected to the post at the Province Mu Convention, March 12, 1926. For several years assistant dean of men at the University of Illinois, Dr. Turner was appointed to the deanship upon the resignation of Thomas Arkle Clark who retired in 1931 after 30 years of service. He received his Doctor of Education degree the day his appointment was announced publicly. Dean Turner was named Scholarship Commissioner of **SAE** at the 1930 National Convention at the Levere Memorial Temple in Evanston to succeed Prof. Charles Richardson, N.Y. Δ '92.

• A staunch supporter of the fraternity system on the college campus, Fred H. Turner, *Ill.* B '22, dean of men at the University of Illinois and Eminent Supreme Herald, was one of the main speakers at the Seventeenth National Convention of A2Φ held at the Eta chapter house in Champaign, Ill., September 8-11.

The Final Day of the Third Leadership School Brought More than 200 Delegates and Visitors into the Court of the Archons at the Levere Memorial Temple for This Picture. Included Are Several Prominent Alumni Who Arrived at the Temple in Preparation for the Opening of the Eighty-first Anniversary National Convention at the Edgewater Beach Hotel on the Following Day.

Third Leadership School Breaks Records

By Don M. Gable, Ohio Delta '35

WITH an attendance of 201 men, representing 106 Chapters Collegiate, the Third Leadership School of Sigma Alpha Epsilon, held at the Levere Memorial Temple, Evanston, Ill., Monday, Tuesday and Wednesday, August 23-24-25, 1937, just preceding the Eighty-First Anniversary National Convention, set a new record for total attendance, number of chapters represented and interest displayed.

The theme of the School was the "Chapter Advisory System" and the program, prepared by Dr. John O. Moseley, Eminent Supreme Archon, was built around this topic and presented by men who have had practical experience as alumnus advisers of the Chapters Collegiate of ΣAE . This subject was naturally complementary to the themes of the First and Second Schools, "Rushing" and "Pledge Training," respectively.

The faculty included the members of the Supreme Council; Past Eminent Supreme Archons Alfred K. Nippert and O. K. Quivey; Dr. Fred H. Turner, Scholarship Commissioner; Albert J. Schoth, Traveling Secretary, Ray Dein, Adviser of Nebraska Lambda-Pi; Warren M. Turner, $N.Y. \Delta$ '19, Auditor of Chapter Accounts; and the following province officers: Emmett Moore, Archon of Lambda; Charles H. Barker, Archon of Mu; Dr. Burton A. Hoffman, Recorder-Treasurer of Beta; Robert R. Aurner, Deputy Archon of Mu; Don. W. Fry, Deputy Archon of Lambda; Richard H. Habbe, Recorder-Treasurer of Delta; and Grover D. Strother, Recorder-Treasurer of Theta.

The following alumni were also present and took an active part in all sessions: G. A. Ginter, *Ohio* E '97; Paul Heinrichsdorf, *Ohio* E '93; and R. K. G. "Dutch" Rice, *Pa*. \triangle '22.

Delegates and visitors to the School were quartered in Willard Hall and other dormitories of Northwestern University and in the Illinois Psi-Omega house and meals for all were served in the cafeteria of Willard Hall. Board and lodging for one representative from each Chapter Collegiate was furnished by the National Fraternity and arrangements were made so that visitors secured both quarters and meals at very moderate cost.

Due to the fact that the program for the School had to be compressed into three days, to make way for the Convention, there were no social affairs other than the buffet supper Sunday night, the rushing party Monday night, and the buffet supper Wednesday night which was the opening event of the Convention as well as the closing session of the School.

Delegates began to pour into Evanston on Sunday morning, although a few from the more distant points had arrived previously. Due to the helpful cooperation of the administrative officers of Northwestern University, rooms were assigned quickly and without confusion and delegates and visitors were all back at the Levere Memorial Temple when word was given that the buffet supper was about to be served. This was a purely informal affair with substantial food to cheer the travel-worn arrivals.

The School program started promptly at 9:00 A.M. Monday with an address of welcome by E.S.A. Moseley and introduction of notables. The roll of the chapters in the order of their founding was called by E. S. R. Lauren Foreman, the official delegate responding and introducing the visitors who accompanied him.

Rolf Haugen, Minn. A '34, counsellor of the Minnesota chapter, who was attending his third School, led a discussion of "Leadership School Traditions," assisted by the following who were attending for the second time:

Richard B. Harwell, Ga. E '37; John H. Anning, Ind. B '39; Franklin E. Ferguson, Mass. B-Y '38; James B. Lund, Minn. A '38; J. Stewart Mc-Clendon, Minn. A '37; Robert C. Thornton, Neb. A- Π '38; Edward C. Carrico, N.H. B '38; Robert Hatch, N.Y. P '39; Henry F. Betz, Ohio P '38; Maurice N. Manning, Ore. B '36; James B. Caldwell, S.C. Γ '36; Joseph S. Marshall, S.D. Σ '38; Roger Sullivan, Tex. P '40; and Benjamin O. Coleman, W.C. P '38.

At 11:00 A.M., the assembly moved into the chapel where, after an organ recital, Dr. Moseley delivered an inspiring address on "The Working Philosophy of Our First Big Brother, Noble Leslie DeVotie."

After lunch in Willard Hall, the first conference on the Chapter Advisory System was held in the Panhellenic Room with addresses, as follows: "A Big Brother and Chapter Scholarship" by Dr. Fred H. Turner, *Ill.* B '22, Dean of Men of the University of Illinois and Scholarship Commissioner of ΣAE ; "A Big Brother and the Rushing Problem" by Ray Dein, Neb. Λ - Π '30, Scholarship Adviser of the Nebraska chapter; "A Big Brother and the Social Program" by Dr. Robert R. Aurner, Iowa B '20, Deputy Archon of Province Mu. A panel discussion in which all chapter advisers took part was an interesting feature.

Monday evening more than 100 high school graduates of the Chicago area were guests at a model rushing party, held in the Banquet Hall. This was sponsored by the Chicago Alumni Association with Emory D. Stoker, $III. \Psi - \Omega$ '23 acting as rush captain. The guests were introduced to the active men from the chapters at the institutions where they expected to enroll and were entertained by them during the evening.

Motion pictures, showing the ΣAE houses and other campus scenes at colleges and universities he has visited, were displayed by Albert J. Schoth. Entertainment was also furnished by Robert F. Lotz, *Ill.* B '27, an acomplished amateur magician.

Tuesday morning a conference on the National Laws was held with Lauren Foreman, E.S.R., leading the discussion and explaining the intent of amendments to be submitted to the Convention. After an organ recital in the chapel, the chapter leaders heard an address on "Brotherhood and the Ritual" by Dr. Moseley. Tuesday afternoon was devoted to a conference on the formal and informal initiations, led by the members of the Supreme Council. The second conference on the Chapter Advisory System was held Tuesday evening, the discussion being led by Warren M. Turner, Grover D. Strother and Albert J. Schoth.

The final conference on the Chapter Advisory System was held Wednesday morning with Charles F. Collins, Eminent Supreme Deputy Archon, leading the discussion, following which an address on "Brotherhood," was delivered in the chapel by Dr. Arthur E. Brown, Eminent Supreme Warden. In the afternoon, after photographs and motion pictures had been taken in the Court of the Archons, O. K. Quivey, Past E.S.A., gave an address on "The Brotherhood Songs of ΣAE ." Judge Alfred K. Nippert, Past E.S.A. and Chairman of the Building Committee, then spoke on "The Shrine of Minerva" and personally conducted those attending the School through the Levere Memorial Temple. Final

adjournment with the Grip Circle followed a session in the Panhellenic Room after which delegates and visitors gathered in the Banquet Hall for the buffet supper which marked the close of the School and the opening of the social side of the Convention.

All chapters were represented at the School except California Beta, Kentucky Kappa and Massachusetts Gamma. Georgia Epsilon had the largest representation with ten, Minnesota Alpha was second with seven, and Georgia Beta third with six. Epsilon had the largest delegation of any of the provinces with twenty-seven, followed by Theta with twenty-five and Delta with twenty-three. The representation of the other provinces was as follows: Alpha 12; Beta, 19; Gamma, 19; Zeta, 17; Eta, 5; Iota, 10; Kappa, 10; Lambda, 14; Mu, 18.

Dr. Robert Ray Aurner, Iowa B '20, Scholarship Commissioner of **SAE**.

NE of the most responsible positions in the official organization of Sigma Alpha Epsilon, that of Scholarship Commissioner, has been accepted by Dr. Robert Ray Aurner, Iowa B'20, professor of business administration in the School of Commerce of the University of Wisconsin and Deputy Archon of Province Mu. He was elected by the Supreme Council to fill the vacancy caused by the election of Dr. Fred H. Turner, *Ill.* B '22, dean of men at the University of Illinois, as Eminent Supreme Herald by the Eighty-First Anniversary National Convention.

The position of Scholarship Commissioner is one that requires constant striving toward an ideal and one that calls for responsibility because it involves the scholastic standing of the entire fraternity. Dr. Aurner has undertaken a task which was admirably carried out by Dr. Turner for eight vears.

Dr. Aurner holds B.A., M.A., and Ph.D. degrees and has been a member of the Wisconsin faculty since 1925. He is a member of ΦBK , $\Delta \Sigma P$, former vice-president of the National Association of Teachers of Marketing, member of the Speakers' Bureau, Advertising Federation of America, Eastern Commercial Teachers Association, and a member of the Business Department of the National Education Association.

Since 1928 Dr. Aurner has been director of the Aurner Correspondence Counsel, advising approximately eighty clients in Chicago, Milwaukee, and Madison. Formerly he was the public relations and merchandise counselor for the following organizations in Madison, Wis.: First National Bank, Central Wisconsin Trust Company, State Bank, Paul E. Stark Company and others. He also has been broadcast lecturer on a schedule of twelve weeks over station WTMJ of NBC on topics of sales promotion and business education. Dr. Aurner is also author of several books in the field of sales promotion and a contributor to the twelve volumes of American Business Practice. He is author of a number of monographs and articles on business education, merchandising and social and economic phases of advertising sales promotion.

Dr. Aurner has been chairman of the Board of Directors of the Wisconsin Division of the American Automobile Association since 1935. He is a member of the University of Wisconsin Lecture Bureau, being a frequent speaker at state and national conventions. During the past year he has been elected president of the Motor Club Mutual Insurance Company, home office, Madison, Wis. Most of Dr. Aurner's professional work is in the field of the Economics of Distribution. Subdivisions of his work are, therefore, the marketing of manufactured goods and national services, the economics of merchandising, and business communication.

Dr. Aurner has been active in ΣAE affairs since his initiation and has served as an officer of Province Mu since 1932 when he was elected Recorder-Treasurer in which position he served until 1936 when he was elected Deputy Archon.

Fred G. Hodgson, Jr., Ga. B '31, has returned to Atlanta, Ga., after making his home in Korea for the past five years.

Gilbert Brown, Ohio Δ '37, is studying economics at the University of Chicago.

Ray Dein, Neb. A-II '30, Scholarship Adviser of Nebraska Lambda-Pi.

Eminent Supreme Archon Takes the Reins

W ITH the election of Charles Frederick Collins, Mass. B-Y '12, as Eminent Supreme Archon of Sigma Alpha Epsilon at the Eighty-First Anniversary National Convention in Chicago, August 26-28, the first New Englander to head the Fraternity, immediately began active service in his new position by making several chapter visitations.

Beginning as a leader in his chapter by holding the position of E.A., Mr. Collins has served his Fraternity continuously in various offices since leaving college, having been advanced to Eminent Supreme Deputy Archon at the National Convention in Washington, D.C., in 1934. He started his career as a national officer of the Fraternity when he was elected Eminent Supreme Herald at National Convention in Los Angeles, Calif., in 1932.

Because of his business position as Assistant Superintendent of Agencies for the United States of the New England Mutual Life Insurance Company, Mr. Collins always has been able to visit many of the chapters of the Fraternity. Following his election as national president, he visited Tennessee Nu, Georgia Phi, Georgia Epsilon, Georgia Psi and Washington City Rho. His first official visit as E.S.A. was at Vanderbilt University, home of Tennessee Nu chapter. He attended his first chapter meeting at Georgia Epsilon, Emory University. His chapter visits included meetings with alumni.

In Nashville he visited Tennessee Nu with Lee Hunt, Tenn. N '24, president of the alumni association, and Gen. J. Washington Moore, Tenn. N '91, Past E.S.A. While visiting Georgia Phi in Atlanta, Mr. Collins attended a ΣAE luncheon arranged by Major R. J. Guinn, the New England Mutual's general agent. The event was held at the Atlanta Athletic Club and was attended by a group of prominent ΣAEs , including Robert P. Jones, Ga. Ψ '00, president of the club, and Cobb C. Torrance, Archon of Province Epsilon.

E. S. A. Collins also visited $\Pi\Delta\Sigma$, at the University of Richmond, Richmond, Va., which will be installed as Virginia Pi of ΣAE in February. While in Richmond, he visited the president of the college, and had dinner at the home of Sterling King, Va. K '26, Past Archon of Province Gamma. Previous to the installation of Massachusetts Kappa at Massachusetts State College, Amherst, Mass., the E.S.A. visited the local Kappa Epsilon chapter.

Following his graduation from Boston University, E.S.A. Collins attended the graduate school of Business Administration of Harvard University where he received his M.B.A. Immediately upon graduation, he joined the New England Life Insurance Company at Boston where he has gained many promotions. His most recent honor was the awarding to Mr. Collins the designation of Chartered Life Underwriter by the American College of Life Underwriters.

By Albert J. Schoth, Oregon Alpha, '18

In connection with the Fraternity Mr. Collins has served as honorary archon of Massachusetts Beta-Upsilon, chairman of its board of trustees, chairman of the building committee and alumni adviser. He has served as director, secretary-treasurer and president of the Boston Alumni Association. He was financial chairman of the Boston National Convention in 1926. He was Recorder-Treasurer of Province Alpha, and was in his third term as Province Archon when he was elected Eminent Supreme Herald. He has attended many Province and National Conventions, and has probably visited more chapters of SAE than any other member outside of the National Office. Mr. Collins is unmarried and lives in his native city, Boston. He is a member of the Harvard Club of Boston, the Harvard Club of New York, the University Club of Boston, Exchange Club of Boston and the Oakley Club.

 Rev. William S. Stoney, Tenn. Ω '20, rector of Grace Episcopal Church in Morganton, N.C., recently was elected president of the Kiwanis Club of that city.

With the resignation of Charles M. Carpenter, Mich. A '17, as Archon of Province Beta, after his election as a member of the National Board of Trustees at the Eighty-First Anniversary Convention in Chicago last Summer, John M. Crandall, Mich. A '25, was named Archon of Province Beta.

Mr. Crandall was formerly Deputy Archon, and Dr. Burton A. Hoffman, *Ill.* Ψ - Ω '26, was elevated to this position from Province Recorder-Treasurer. Eric G. Johnson, *Pa.* X-O '23, who had been Alumni Secretary, was named Recorder-Treasurer. The new member of the Province official group is Richmond B. Shreve, *N.Y.* A '31, who was nominated as Alumni Secretary at a Province Beta Council meeting at Hotel Harrisburg, Harrisburg, Pa., and approved by the Supreme Council. Floyd W. Smith, *N.Y.* P '09, is editor of the Province Beta Bulletin. Eber E. Jaques, *Calif.* Γ '30, is the new Archon of Province Kappa and Dr. Carl J. Rice, *Minn.* A '15, is Deputy Archon. The new Board adopted resolutions expressing its appreciation of the long and faithful services of Rudy S. Uz-zell, Colo. Z '03, who was succeeded by Mr. Carpenter. Mr. Stowell was elected to fill a vacancy created by the resignation of Col. William Mack, N.C. O '83, who was named Trustee Emeritus for Life by the Chicago Convention. Both Mr. Carpenter and Mr. Stowell live in New York which is a requirement for membership on the Board of Trustees. Mr. Carpenter is an attorney and has long been active in Province Beta, which he was serving as Archon at the time of his election as a member of the Board of Trustees. Mr. Stowell is executive vice president of the Underwood-Elliott-Fisher Co. and was formerly president of the Dictaphone Corporation of America.

The Board of Trustees as elected by the Convention is as follows: ElR. Allen, W.C. P '18, was named Deputy Archon, the position formerly held by the Rev. Mr. Holler. Mr. Allen had served as Province Alumni Secretary. A. Mason Gibbes, N.C. Ξ '35, remains as Recorder-Treasurer.

mer B. Sanford, for a term of ten years; Frank K. Houston, eight years; Charles M. Carpenter, six years, and Leon C. Stowell, two years. Moseley Honored in Resolutions

IGH esteem for Dr. John O. Moseley, Okla. K '16, was shown in many ways by the members of the Eighty-First Anniversary National Convention of Sigma Alpha Epsilon over which he presided. On his retirement as the active executive head of the Fraternity, he was elected Honorary Eminent Supreme Archon, an unusual honor for a man just leaving the Supreme Council and one that is usually reserved for a man who has brought distinction to the Fraternity in some unusually high station outside its organization. He was also elected Director of Leadership Training, a position created by the Convention to carry on the work of conducting annual schools for training men as leaders of the Chapter Collegiate which was inaugurated by Dr. Moseley.

As further concrete evidence of its high regard the Convention adopted with great enthusiasm the following resolution, offered by the committee of which Judge Walter B. Jones, Past E.S.A., was chairman:

WHEREAS, Brother John O. Moseley, at the conclusion of this session of the National Convention, retires from the position of Eminent Supreme Archon, and becomes the Honorary Eminent Supreme Archon of the Fraternity, and

WHEREAS, Brother Moseley's services as executive head of the Fraternity have been marked by distinguished ability, great loyalty and farsighted planning, and

alty and farsighted planning, and WHEREAS, As a result of the intelligent and devoted labors of Brother Moseley our Fraternity is stronger today than it has ever been in the history of the Fraternity, and looks forward to the future with greater confidence; now, therefore, be it

Resolved, By the Eighty-First Anniversary National Convention of Sigma Alpha Epsilon, that we extend to Brother Moseley the thanks of the Convention for his distinguished and faithful services, and especially do we commend him for the lasting and able work he has done in conceiving and carrying into execution leadership training schools; and

WHEREAS, Brother Moseley's services to the Fraternity during a long course of years have always been marked by fidelity, ability and character, and WHEREAS, Brother Moseley as a presiding officer of our Eighty-First Anniversary National Convention has presided over its deliberations with impartiality and fairness and courtesy; now therefore, be it

and courtesy; now therefore, be it Resolved, By the National Convention that we extend to Brother Moseley the thanks of the Convention and of every chapter, province and member of the Fraternity for his able, intelligent and faithful services; and be it further

Resolved, That the Eminent Supreme Recorder transmit a copy of this Resolution to Brother Moseley and publish same in THE RECORD.

Massachusetts Kappa Added to **ZAE** Roll

By Franklin Ferguson, Mass. Beta-Upsilon '38

Watter Charles F. Collins, Eminent Supreme Archon, acting as installing officer and members of the other New England Chapters Collegiate filling the places on the initiating team, Massachusetts Kappa at Massachusetts State College, Amherst, Mass., became the 110th chapter of Sigma Alpha Epsilon on Saturday, October 30, 1937, when twenty-nine active members and twelve alumni of Kappa Epsilon were initiated into ΣAE under the authority of the charter granted by the Eighty-First Anniversary National Convention.

The week-end was a real holiday on the ΣAE calendar in Province Alpha as representatives of the Chapters Collegiate gathered in Amherst on Friday for the preliminary festivities and preparation for the ceremony to take place on the following day. The neophytes proved their quality as mountain climbers and showed ability as students by passing the examination on ΣAE history in splendid fashion.

National and province officers arriving Saturday morning included Charles F. Collins, E.S.A.; Lauren Foreman, E.S.R.; Philip H. Senior and Leon C. Stowell, members of the Board of Trustees; Wallace E. Campbell, Archon of Province Alpha; Robert R. Haskell, Recorder-Treasurer; and Silas G. Small, Alumni Secretary. Dr. Edward Mellus, *Mass.* Γ '95, former editor of THE RECORD, was an honored guest.

After a delightful buffet lunch at the chapter house, the visitors were the guests of the members of the new chapter at the Massachusetts StateAmherst football game and at 5:00 P.M. the formal initiation ceremony was held in the Masonic Temple which provided the proper setting for a beautiful and impressive exemplification of the ritual of ΣAE .

The initiating team was composed of the following: E.A., Charles F. Collins, E.S.A.; E.D.A., Paul Shaw, Mass. F; E.R., Franklin Ferguson, Mass. B-Y; E.Ch., Vincent Barry, R.I. A; E.W., Sanford Hollis, R.I. A; E.H., Leonard Looby, R.I. A. Minor parts were taken by Joseph Johnson, Colo. Z and Mass. F; Harris G. Watts, Mass. B-Y; Pierre deBeaumont, Mass. F; Charles Baldwin, Mass. F; and Robert Lucas, R.I. A. Lauren Foreman, E.S.R., and the officers of Province Alpha, Archon Wallace E. Campbell, Recorder-Treasurer Robert R. Haskell, and Alumni Secretary Silas G. Small, assisted the installing officer.

At the conclusion of the initiation ceremony, the new and old brothers adjourned to the banquet hall of the Masonic Temple where they were joined by the eighteen pledges of Massachusetts Kappa who can not be initiated until the spring of 1938. A sumptuous dinner was served and greatly enjoyed by all. Leon C. Stowell, Mass. Γ '14, mem-

Leon C. Stowell, Mass. Γ '14, member of the Board of Trustees and a strong supporter of Kappa Epsilon in its petition for a charter from ΣAE , acted as to astmaster and put the assemblage in the proper frame of mind by explaining how the nickname, "Twink," came to be applied to him and announcing that this is his official title in ΣAE .

A welcome to the new chapter on

behalf of the old chapters of Province Alpha was extended by Franklin Ferguson and Herbert Tetreault responded for the members of Massachusetts Kappa. The principal address of the evening was delivered by E.S.A. Collins, his subject being, "Opportunities and Responsibilities in ΣAE ."

Short talks on the problems the new chapter will face and the practical methods of solving them were made by E.S.R. Foreman, Archon Campbell and Recorder-Treasurer Haskell, the last-named also proving himself a capable song leader. Impromptu talks and introductions brought the program to a close. A roll call showed representatives present from sixteen chapters, as follows: Maine Alpha, Massachusetts Beta-Upsilon, Massachusetts Gamma, Massachusetts Delta, Massachusetts Iota-Tau, Vermont Alpha-Sigma Pi, Vermont Beta, Rhode Island Alpha, New York Delta, Alabama Alpha-Mu, Georgia Epsilon, Colorado Zeta, Pennsylvania Sigma-Phi, Texas Rho, Virginia Omicron and Wisconsin Alpha.

The first formal meeting of the new chapter was held at 9:00 A.M., Sunday. The charter was formally presented and officers installed by E.S.A. Collins. The pledge ritual was then given to the former pledges of Kappa Epsilon who were given ΣAE pledge pins and paragraph histories and declared pledges of Massachusetts Kappa of ΣAE . The new chapter begins its life

The new chapter begins its life under the most favorable circumstances and all those who attended are confident in its success.

Corner Stone of New Miami House Laid

ARKING the opening of a new era in the history of Ohio Tau chapter of Sigma Alpha Epsilon at Miami University, Oxford, Ohio, the cornerstone of the chapter's new home was laid with appropriate ceremonies Saturday, November 6, 1937.

The new house is located on the new Fraternity Row on which the University hopes to have all the fraternities situated in time. It faces the athletic field and its location is convenient with respect to all university activities.

The exterior of the house has been modeled after "Sulgrave Manor," the ancestral home of the Washington family in England, and its interior will contain features and conveniences which are new to fraternity house construction. It will be a fireproof structure and will furnish ample facilities for housing the chapter's full membership.

Coinciding with home-coming day and the annual Miami-Ohio Wesleyan football game, the cornerstone laying attracted a large crowd of alumni and friends of the chapter. Marvin Clark, Ohio T '19, president of the Chapter House Association, acted as master of ceremonies and, after the invocation by Dr. Eliot Porter, introduced Dr. A. H. Upham, president of Miami University, who expressed pleasure over the fact that **SAE** is now in position to build a modern home on the new Fraternity Row in which the university authorities are greatly interested.

Short talks were made by Lauren Foreman, E.S.R., representing the Supreme Council; Archon Arthur H. Harris, representing Province Delta; Edward W. Nippert, *Ohio* T '22, rep-

Entomologist Heads College By Gardner C. Waite, Mont. Alpha '30

D.R. A. L. STRAND, Mont. A '17, assumed his new duties at the opening of the 1937-38 school year as president of Montana State College, Bozeman, Mont., after his election by the state board of education to succeed Dr. Alfred Atkinson, who resigned following eighteen years of service to accept the presidency of the University of Arizona.

Dr. Strand had served as head of the entomology department of Montana State College for six years prior to his elevation to the capacity as leader of the school. As head of the entomology department and as state entomologist Dr. Strand played an important part in the control of insect pests in Montana. He was at the helm of control campaigns against grasshoppers and other insects and conducted experiments in the use of poisons, traps and other methods of control.

Known to his classmates as "Skook," Dr. Strand entered Montana State College in 1913. In 1914 he was initiated into Kappa Nu, a local fraternity petitioning Sigma Alpha Epsilon. He was graduated in 1917 with a B.S. degree and then went into Naval Air Service during the World War. In 1919 he returned to Montana State as Assistant State Entomologist. It was in this year that ΣAE granted a charter at the college and Dr. Strand was one of the first initiates. In 1923 he went to Pennsylvania State College as extension entomologist. Taking advanced work at the University of Minnesota, he received a master's degree in 1925 and a doctor's degree in 1928. In 1931 he returned to Montana State College to become head of the entomology department and entomologist for the Montana Agricultural Experiment Station. He was the first graduate of Montana State College to become president of the school.

Dr. Fred C. Whitcomb, *Ind.* A '00, Alumnus Adviser of Ohio Tau, who has been a consistent friend of the chapter since its installation in 1919, spoke on "The New Lodge," as the consummation of plans which have long been in the making. Bruce Brandt, *Ohio* T '38, Eminent Archon, accepted the house for the chapter.

The cornerstone was then laid, mortar being applied by Dr. Whitcomb, Bruce Brandt, and Louis Nippert, representing his father, Judge Alfred K. Nippert, Past E.S.A., who has played a great part in making the new house possible but was unavoidably absent from the ceremonies.

Construction is proceeding rapidly, the foundations having been completed and it is expected that the house will be under roof before the weather becomes cold enough to interfere with outside work.

Strauss Finishes Bridge Project

SINCE his great achievement, the completion of San Francisco's beautiful bridge spanning the Golden Gate, Joseph B. Strauss, *Ohio* E '92, has resigned his position as chief engineer.

After being a target of slander and abuse for several years and having worked on the project for 19 years including four years of building, Mr. Strauss, the designer, delivered the bridge to the district at a cost \$40,000 less than his original estimate. This was in spite of the \$400,000 for military replacements in Presidio, \$400,000 for the district's share of the extravagant Sausalito lateral, \$135,000 bonus to Bethlehem Steel Company, \$150,000 for the Lyon-st outlet, and \$80,000 for a safety net that saved nineteen lives.

Upon his resignation, Mr. Strauss took a much-needed vacation. His work was done. The bridge speaks for itself. It breaks all records with the longest span in the world and architecturally it is the most beautiful. From an engineering standpoint it was the most difficult to erect, with that record-breaking span, and a pier built in the open sea. In appreciation of Mr. Strauss and his great work in completing the Golden Gate Bridge, a resolution in his honor was adopted by the Eighty-First Anniversary National Convention of Sigma Alpha Epsilon in Chicago, August 26-28, 1937.

Directs Census of Country's Jobless

John D. Biggers, Mo. B, Mich. I-B '09, President of Libby-Owens Glass Co., Chosen by President Roosevelt as Director of Census of Unemployed. A GREAT task was placed on the shoulders of John D. Biggers, *Mo.* B, *Mich* I-B '09, president of Libby-Owens-Glass Company, when he was chosen by President Roosevelt as director of the census of the unemployed in United States.

Believing that the census could be made more valuable in an eventual solution of re-employment, Biggers started the work immediately after his appointment in September. Announcement of the appointment followed a conference at the White House between President Roosevelt and Biggers. Congress, in providing for the enumeration, called for a count of the partially and totally unemployed, and a listing of their previous occupations, incomes and their dependents. It was intended the information should be used "in the formulation of a program for re-employment, social security and unemployment relief."

In carrying out the tabulation, Biggers employed a voluntary registration system. He has been working with his assistants, a federal committee composed of the secretaries of commerce and labor, the Works Progress Administration, the chairman of the Social Security Board, the director of the Census Bureau and the head of the Central Statistical Board.

President Roosevelt gave Biggers "adequate authority" and approved an expenditure up to \$5,000,000 for the project. The new administrator stated that he intended to keep within that figure without slighting thoroughness, however. It was arranged that the Postoffice Department handle the distribution, collection and preliminary check of registration cards which were sent to 31,000,000 homes in the nation carrying a brief message over the President's signature. The project is to be completed this month.

G. E. Advertising Manager By G. T. Mascott, Mass. Beta-Upsilon '30

HESTER H. LANG, Mich. I-B '15, is handling all advertising and sales promotion work of the General Electric Company since his promotion to advertising manager from the publicity department. He is also manager of broadcasting for the company which owns stations WGY, Schenectady, N.Y.; KGO, Oakland, Calif., and KOA, Denver, Colo.

Lang's association with printer's ink began as a member of the staff and finally associate editor of the University of Michigan Daily. For a short time after his graduation he was with Washburn and Crosby Company of Minneapolis, leaving that company to join the Army. After serving over-seas as a First Lieutenant of Field Artillery with the 35th Division, he was employed by the General Electric Company as a traveling auditor. In 1922 he was made assistant manager of the publicity department, serving in that capacity until 1926, when he was appointed Comptroller of the Budget. At that time he devised a sales direction plan and record system which has proved to be very effective in aiding in the planning and operation of the General Electric sales departments.

In 1932 Lang returned to the publicity department as manager. His combined experience in the financial, sales and advertising phases of business has given him a fine background for directing General Electric's pro-

motional activities. He has served as director, president and chairman of the Advertising Federation of America and is also a member of the Association of National Advertisers and of the Association's governing committee of the coöperative analysis of broadcasting. At Schenectady he is a member of the board of managers and vice-president of Ellis Hospital. He is also a member of the board of managers of the Schenectady County Airport, and for several years has been a trustee of Brown School of Schenectady.

Calkins Appointed to Deanship

Robert DeBlois Calkins, Va. K '25, Dean of the College of Commerce of the University of California, Berkeley, Calif.

A MONG other SAEs who have acquired positions in the realm of higher education is Dr. Robert DeBlois Calkins, Jr., Va. K '25, Dean of the College of Commerce of the University of California. Dr. Calkins recently was appointed dean by the president of the University to succeed Dr. Henry F. Grady who resigned to accept a position as a member of the United States Tariff Commission.

Iris Beds for Twenty Chapters

W HEN the flowers bloom in the spring of 1938, purple and gold iris blossoms, transplanted from the beds in the Court of the Archons of the Levere Memorial Temple at Evanston, Ill., will adorn the premises of twenty Chapters Collegiate of Sigma Alpha Epsilon, extending from Massachusetts to California and from Georgia to Washington, and the lot in Linwood Cemetery at Columbus, Ga., in which Noble Leslie DeVotie, Ala. M '56, principal Founder of ΣAE , is buried.

These bulbs are the descendants of bulbs planted by Sir Walter Scott at Abbottsford, Scotland, and presented by him to Washington Irving who brought them to America and planted them at his home at Sunny Side on the Hudson, N.Y. In turn, they came into the possession of the family of Professor John Uri Lloyd, noted author and scientist of Cincinnati, who presented them to the Levere Memorial Temple through Judge Alfred K. Nippert in 1932.

As the result of natural multiplication, it was necessary to take up the

In 1932 Dean Calkins joined the faculty of the University of California as assistant professor of economics and in 1935 was named chairman of the Department of Economics, a position he is retaining while serving as dean. During the past three years at various times he has acted as chairman of the San Francisco Regional Labor Board, local representative of the Consumer's Advisory Board of the N.R.A., senior agricultural economist of the Consumer's Counsel of the A.A.A., and frequently as impartial arbitrator for labor disputes. Last spring Calkins was appointed by the Secretary of Labor as Federal Arbitrator of disputes between the employers and longshoremen in the Port of San Francisco.

After receiving his B.S. degree in business administration at the College of William and Mary in 1925, Dean Calkins joined the staff of the Food Research Institute at Stanford University as statistician and did graduate work in economics. He received his master's degree in economics in 1929 and a Ph.D. in 1932. He was on the research staff of the Food Research Institute for four years. Following two years' on the teaching staff in economics and citizenship at Stanford University, he began his activites at the University of California.

Alabama Alpha-Mu at Auburn, Alabama Iota at Birmingham-Southern, Alabama Mu at Alabama, California Beta at California, Georgia Beta at Georgia, Georgia Epsilon at Emory, Illinois Beta at Illinois, Iowa Gamma at Iowa State, Iowa Delta at Drake, Kentucky Epsilon at Kentucky, Massachusetts Beta-Upsilon at Boston University, North Carolina Xi at North Carolina, Ohio Rho at Case, Oklahoma Kappa at Oklahoma, South Dakota Sigma at South Dakota, Tennessee Nu at Vanderbilt, Tennessee Omega at the University of the South, Texas Delta at Southern Methodist University, Virginia Omicron at Vir-ginia and Washington Beta at Washington State.

After a few years the process of separation will have to be repeated and in time all the Chapters Collegiate of ΣAE should have beds of these beautiful flowers.

Honored at St. Louis Event

MISS EUNICE JACKSON HOL-DERNESS, beautiful debutante daughter of Marvin E. Holderness, *Tenn.* N '02, Past E.S.A., served as special maid of honor to His Majesty, the Veiled Prophet, at the Fifty-Eighth Annual Ball, inaugurating the Fall social season of St. Louis, Mo.

The gala October event was staged in the St. Louis Municipal Auditorium which was transformed into an impressive and colorful court, and the social leaders of St. Louis paid homage to His Majesty, the Veiled Prophet of mystic Khorassen, and His Court of Love and Beauty.

Miss Holderness' mother is vicepresident of the St. Louis Woman's Club, a member of the Colonial Dames, and a leader among the younger matrons of that city. Mr. Holderness, is vice-president of the First National Bank in St. Louis and is widely known in banking circles throughout the country.

The attractive maid of honor at the celebration which stirred interest over a wide area because of its spectacular elaborateness was graduated from Mary Institute in St. Louis after which she attended Vassar College. During a North Cape cruise last summer she was entertained at the embassies of Russia, Denmark and Finland.

Chapter Supervisor

LBERT J. SCHOTH, Ore. A '18, who has served as traveling secretary of Sigma Alpha Epsilon since August 1, 1936, was promoted to Chapter Supervisor, effective September 1, 1937, by the Supreme Council at its meeting immediately following the Eighty-First Anniver-sary National Convention in recognition of his effective service as a visiting officer.

Mr. Schoth who was formerly Recorder-Treasurer of Province Zeta served for many years as Alumnus Adviser of Kansas Beta while he was connected with the Extension Department of Kansas State College. His experience, knowledge of chapter problems and aptitude for dealing with college men qualify him for visitation work in an unusual degree. He spends his entire time during the college year in visiting chapters and alumni groups.

From Gridiron to Dean's Office

William C. "Kayo" Lam, Colo. X '36, Colorado quarterback who earned hon-orable mention on the 1935 All-American team, is now assistant to the dean of men at the University of Colorado. He was an All-Rocky Mountain choice for two years while enrolled at Colorado and broke the world's record for ground-gaining. Besides his football achievements Lam sang and directed a popular dance-band, as well as competing sensationally in three track events in 1935. He also was outstanding in wrestling and was E.A. of Colorado Chi.

Hon. Edward J. Daly, N.Y. A '14, Justice of the Supreme Court of Connecticut.

TONORING Justice Edward James Daly, N.Y. A '14, former attorney general of Connecticut and recently appointed as a member of the Superior Court branch of the Supreme Court of that state, thirty-seven collegiate and alumni members of Sigma Alpha Epsilon, representing twenty Chapters Collegiate, gathered at an informal dinner at the Hartford Club, Hartford, Conn., Friday, October 29, 1937. Among those present were two members of the Supreme Council, two members of the Board of Trustees and three officers of Province Alpha.

Harold E. Mitchell, Wis. A '23, president of the Hartford Alumni Association presided and glowing tributes were paid to Justice Daly, the most touching being that by John F. Forward, Conn. A '96, whose law office the new justice entered when he left college and whose partner he remained until appointed to the bench.

The dinner was in reality a curtainraiser to the installation of Massachusetts Kappa at Massachusetts State College the following day and Charles F. Collins, E.S.A., and Lauren Foreman, E.S.R., appealed to the alumni to give their continued support to the new chapter. The cosmopolitan character of the gathering which is typical of **SAE** is indicated by the chapter representation, as follows: Connecticut Alpha, 1; Maine Alpha, 2; Massachusetts Beta-Upsilon, 4; Massachusetts Gamma, 6; Massachusetts Delta, 4; Colorado Zeta, 1; Georgia Epsilon, 1; Georgia Phi, 1; New Hampshire Alpha, 3; Wisconsin Alpha, 1; Michigan Alpha, 1; Michigan Iota-Beta, 1; Iowa Gamma, 1; Pennsylvania Theta, 3; Pennsylvania Alpha-Zeta, 1; Pennsylvania Sigma Phi, 1; New York Alpha, 2; New York Delta, 1; New York Sigma-Phi, 1; Washington City Rho, 1.

Boston Alumni Honor E.S.A.

EMBERS of the Boston Alumni Association of Sigma Alpha Epsilon tendered a testimonial dinner to Charles F. Collins, Eminent Supreme Archon, of Sigma Alpha Epsilon at the Parker House, November 8, 1937. A large and enthusiastic band of brothers-undergraduates and alumni-gathered to show the deep regard and esteem in which the new national leader is held.

President C. Stuart Wood, Jr., presented the honored guest who spoke briefly expressing his appreciation to the Boston Alumni Association for the kind thought. He urged the group to continue living up to the high standards of fraternity ideals and loyalty, and to attend these periodic, spirited social gatherings in Boston.

The meeting was the first of the 1937-1938 season. The series, this year, will be of a highly interesting and informative nature. Each month the Boston SAEs can look forward to an evening of high entertainment and warm friendship.

Moving Forward in Washington

DONALD H. McNEAL, Colo. X '22, is Technical Director of the Federal Home Loan Bank Board, Washington, D.C., a title obtained after his steady steps forward during the past three years at the Capital.

In 1934 McNeal was asked by the chairman of the Federal Home Loan Bank Board to join the organization after Congress amended the Home Owners' Loan Corporation Act to provide 200 million dollars for the rehabilitation of homes of those who were eligible to borrow money from the Home Owner's Loan Corporation. Thereupon, McNeal secured a leave of absence from the National Home Finance Corporation of which he was vice-president and general manager to go to Washington as special representative of the Corporation. Shortly after this, he was made director of reconditioning, and within a month a complete procedure was designed and a nucleus organization formed throughout the country to carry out the rehabilitation plan. Over 500,000 contracts for reconditioning have been completed at an over head cost of less than six per cent with less than twenty cases in litigation.

In 1935 McNeal was appointed

deputy general manager of the Home Owners' Loan Corporation and the appraisal division was also placed under his supervision which has made more than five million appraisals and conducts probably the most thorough national appraisal operation ever devised. During the operations of the Reconditioning Division, it was apparent that this extensive and specially trained organization could, without much additional overhead cost, provide a service which would contribute materially to the improvement of small home construction and assist the Federal Home Loan Bank System to establish sound minimum construction standards as a basis for making home mortgage loans. The cooperation of the American Institute of Architects was secured and a program was organized and designated as the "Federal Home Building Service Plan" designed to provide complete architectural service for the small home owner for a fee which he can afford to pay. Owners of homes that are built according to the requirements of this program are given a certificate of registration, recording the name of the supervising technician, the lending institution and the approval of the Federal Home Loan

Climbs Toward Movie Stardom

PORTER HALL, the rising star of motion pictures, is Clifford Porter Hall, Ohio E '11. When the Motion Picture Guild recently awarded Hall the much coveted prize for the best work of the year by a male in a supporting part, it was professional recognition of the highest order. This also was gratifying to those who have followed closely the splendid climb that Porter has made in his profession.

Hall was graduated from the University of Cincinnati in 1911. His intimate nick-name "Tuffy" was earned on the baseball diamonds of Hughes' High School and of the University whose teams he captained for eight years. What a ball-player! His passion for horse-hide, however, left room for his passion for footlights while still in school and this latter he translated into a career.

When you see Porter Hall's splendidly smooth and authentic work in the flickers and consider his rapid advance to the position of a featured player all within three years in pictures, it looks easy. Actually it represents the present fruit of a vine that has taken over twenty years' arduous cultivation. An inquiry as to Porter Hall's present activity brings the statement that-"I have never moved quite so fast in my life; and I am all tangled up in hard work, cameras, incandescent blondes, publicity agents, super-colossals and plain ordinary sweat.'

Soon after leaving college, Hall began his theatrical career in stock, during some seasons with his present celluloid colleagues Spencer Tracy

and Pat O'Brien. Later he played New York and toured for a number of years in Shakespearean repertoire with Robert Mantel and Fritz Leiber. Thereafter on Broadway he appeared in numberless plays and was playing in Alec Woolcott's "Dark Tower" when he was invited by Metro-Goldwyn-Mayer to Hollywood to play the part of the villain in "The Thin Man" starring William Powell. Cliff's work there won him instant professional recognition in the movies. However, he returned to the stage for a long season in the musical "As Thousands Cheer" and then he returned to the movies not less than three years ago. In the meantime he had done a great deal of radio work and was a featured player on the air in dramatic

pieces being featured by Rudy Vallee, Paul Whiteman, March of Time and innumerable programs.

Now he is happily settled in the movies and in a lovely home in Beverly Hills with his attractive wife, with whom he played years ago in stock, and their handsome young son David. He is at present under contract with Paramount, and for them and Warners and Metro-Goldwyn-Mayer, has appeared in a great many pictures, the best known of which are probably "The Petrified Forest," "The Life of Louis Pasteur," "The General Died at Dawn" and "The Plainsman." In the last named he gave a faultless performance as Jack McCall, the dirty little snake who shot Wild Bill Hickock in the back of the head. Just now he is finishing work in "This Way Please," a musical featuring Buddy Rogers, Ned Sparks and a flock of radio talent. He recently finished two other pictures, "Souls at Sea" and "Wild Money," now ready to be released. He is now considering an invitation from Cecil B. de Mille for a big part in a picture starring Frederick March. It is supposed that this will be a new play by Clifford Odets to be called "Gettysburg."

A busy career has been Porter Hall's (Cliff or Tuffy to you) and a very interesting one. Throughout the years his oldest and his most faithful personal contacts have been with brother $\Sigma \Lambda Es$ and perhaps his most enjoyable method of relaxation today is to sit with one of his $\Sigma \Lambda E$ friends to chew the fat about the "good old days."

Oliver Hinsdell, Creator of Stars

THE next time you see Myrna Loy tripping lightly through murders as a spectator, instead of plotting them as an exotic oriental, remember that it was Oliver Hinsdell, III. Ψ - Ω '13, dramatic coach for Paramount formerly of Metro-Goldwyn-Mayer, who advised her to change type. You might look for the Hinsdell touch, the next time you see Jean Parker, Robert Montgomery, Dolores Del Rio, Virginia Bruce, Robert Young, Dorothy Jordan or a score of others, who owe at least a part of their talent to the brilliant coaching of Mr. Hinsdell.

His department is known about the studio as the "talent laboratory" with Hinsdell the master chemist. Into and through this laboratory troop the stars who crowd the box offices—and also the would-bes who almost, but not quite, make the grade.

He was graduated from Northwestern University in 1913, after having participated in every form of dramatic enterprise offered to undergraduates. Deciding to be an actor, he jumped to New York and before long he was part of the company of the great David Belasco, playing with such stars as Margaret Anglin, Lou Tellegen and Jane Cowl. In a later company he played in a smash hit, "Experience," with another young man, who was in 1927 to come into the bonds of Sigma Alpha Epsilon— Conrad Nagel, *Cal.* F '27. When the United States entered the War, Mr. Hindsell enlisted in the Navy. The War over, he returned to Northwestern University, where he founded the Department of Play Production, which has expanded to become the famous Northwestern School of Speech.

From there, he became director of Le Petit Théatre du Vieux Carré in New Orleans, the first Little Theatre in that city. His fame spread and in 1923 he was lured to Dallas, Tex., to the directorship of a new Little Theatre there. After winning the Belasco trophy for three years in a row, Dallas decided to build him a new theatre, and there he stayed for eight years more.

Came the advent of "talkies" and with them the frantic search by picture magnates for actors who could

Oliver Hinsdell, lll. Ψ - Ω '13, Talent Director for Paramount Studios, Maker of Many Stars in the Motion Picture World.

talk and coaches who could keep speechless stars, already built up by expensive publicity, in the running with the hordes from the legitimate stage. Hinsdell was whisked to Hollywood by Louis B. Mayer, and until the first of 1937, when he went over to Paramount, he remained with Metro-Goldwyn-Mayer.

During his stay with Metro, he at some time or other, coached almost every important star on the lot. Some he created. He lifted Jean Parker off a float in the Pasadena Rose Festival parade, before the Tournament of Roses game, and tutored her into stardom.

As talent director of the Paramount Studios, Mr. Hinsdell is carrying on his job of looking them over and building them up.—And what about the average movie-struck girl's chances in Hollywood?

"My advice to them would be to stay away," Mr. Hinsdell advises, "Most of them have no talent; they're just mesmerized by that state of mind, called Hollywood. More and more producers of both stage and screen are realizing that their greatest source of talent is the Little Theatre."

Landlord of "Little City"

• At a comparative early age, 36, Frank B. Dorman, Ore. B '24, is manager of the largest government-operated housing project in the United States. When Williamsburg Houses, the PWA's mammoth residential center in Brooklyn, N.Y., is completed he will be the landlord to many families. Twelve blocks of old tenement houses were razed to make way for the twenty reinforced concrete and brick buildings in the Williamsburg development. Last June Dorman was hired from the New York City housing authority by the PWA to become manager of the project--the mayor of a "little city" of more than 5,000 residents with 1,622 homes, a school, a playground and fifty stores. Dorman has been in the work relief program since its beginning, starting in 1933.

THE LEVERE MEMORIAL

By Sherlock L. Banks, Ohio Delta '16 (Written after his first visit to the Shrine of Minerva, September 22, 1937)

They've reared a golden niche in Evanston, A safeguard for a name; They've touched it with the warmth of Founders, And tempered it with fame; They've crowned it with a sacred rendezvous, A shrine with hearth of old, And labeled there the tome—"How can I warm Thee if thy heart be cold."

From Tuscaloosa into Evanston, A great fraternal trail— Preserved in art, in gift, in printed page— Holds memories we hail! They've pictured ties created 'round the world By gold and purple touch; Have faithfully portrayed the finer dream, That which man needs so much.

We'd heard the Judge's tale of Evanston, Of the temple builded there;
It tugged day after day at the heartline; It fired a passion rare!
'Twas a rebound from Leslie DeVotie, A Founder living again!
And longing gave birth to desire to see The painted visions of men.

God! Safeguard our Tuttles and Nipperts, Our others of Founding power, Who bring ∑ A E its fulfillment of A glorious southern hour! As we honor but know not the Founders In the band of long ago, We thrill to the new inspirations The living Founders show!

ΣAE Aids All-Star Victory

A RECORD mass of fans, some 84,000, witnessed the All-American football squad score a 6 to 0 victory over the Packers of Green Bay, Wis., 1936 champs of professional football, at Soldiers Field in Chicago, on the night of September 1.

An alert All-Star defense was responsible for that victory and in the line-up were Sam Francis, Neb. Λ - Π '37, and John Drake, Ind. B '37, driving fullback from Nebraska and halfback from Purdue.

A Chicago Tribune sports writer said in his front page story on the morning following the battle under powerful lights:

And of all those who made this defense impregnable, none was more superb than John Drake of Purdue. At least four times Drake came tearing up to knock down the ball or tackle the receiver before he could advance a step. Don Hutson, fleet Packer left end, failed to break away for a goal line

Credit for this largely goes to hard driving John Drake of Purdue, one of the defensive stars of the game. In particular, Drake's tackle of Hutson on the All-American threeyard line for no gain after he had taken Herber's pass, may be said to have saved the game. For that play, on fourth down, crushed the Packers' spirit. Seldom have they been stopped from scoring when they have gained such an advantageous position.

The All-Americans consisted of sixty-six top players from colleges and universities throughout the country. Sam Francis, who kicked off at the great battle, joined the Chicago Bears when the All-Stars broke camp. John Drake signed a contract with the Cleveland Rams, new member of the National Professional Football league. Drake, who had refused to accept the first Cleveland contract offered, said he had reached a satisfactory agreement following his brilliant performance in the game with the Packers.

Stresses Fraternity Aid

Placing of responsibility on students' shoulders should be stressed more by colleges, and this necessity today can be aided by fraternities. This was the thought stressed by Stringfellow Barr, president of St. John's College, who addressed the Baltimore Alumni Association in October. The association headed by Edwin E. Tanguy, Pa. A-Z '12, was encouraged to keep in close contact with the chapter so that the members could have a steadying influence that they need.

Lula Gives Account of Her Stewardship Province By Robert C. Stone, Kentucky Epsilon '39 Convention

DANIEL in the lion's den and Moses on the mountain-top will both know Lula, when she arrives at the pearly gates to give an account of her stewardship, because for 16 years Lula has loyally and valiantly served Kentucky Epsilon chapter of Sigma Alpha Epsilon.

Kentucky Epsilon moved into its present home in the spring of 1922, and that fall, J.H. "Boogie" Layman, chapter steward, made a lasting contribution to the Fraternity when he employed the faithful Lula, who, through succeeding years has become, in addition to her duties as cook, the memory expert, official alumni greeter, and loyal stewardess to the boys of Kentucky Epsilon.

of Kentucky Epsilon. When a Kentucky Epsilon man marries, he usually receives a gift of Lula's own handiwork; when an alumnus returns to visit the chapter, although he knows none of the active brothers, he always feels at home after he has grasped Lula's faithful black hand and been called by name. She runs the kitchen; manages Kentucky Epsilon's camping parties on the Kentucky river; presides over the check-room at chapter parties; and makes an annual address to alumni and brothers gathered at the chapter

Will Marshall of Virginia

HEN alumni of Virginia Omi-cron at the Universit ginia return to visit the chapter, their first inquiry is about Will Marshall, negro butler who has served the chapter and its members since the memory of man runneth not to the contrary. There is considerable argument as to whether Will's connection with the chapter began fiftythree years ago, as he claims, or only thirty-three years ago as some of the modern iconoclasts aver but, regardless of that, he is held in the highest affection by all men who have worn the badge of Sigma Alpha Epsilon at Virginia. He is blessed with a remarkable memory and rarely fails to identify a returning alumnus, no matter how long he may have been absent. He is always provided a special table at Founders Day dinners and no such affair is considered a success without a recitation by Will of his famous toast, "Let My Name Be Kindly Spoken." Several years ago when Will became too feeble for active

house to celebrate Founders Day. She rejoices at the Chapter Connubial, grieves over her boys in Chapter Eternal, and in the dignified yet humble manner of the true Southern negro, she maintains an inviolable place in the hearts of Kentucky Epsilon men.

duty, the members of Virginia Omicron added an extra dollar to their monthly dues for the "Will Marshall Fund" to provide the faithful retired servitor a comfortable living and this has been kept up by the members of the chapter, each succeeding year.

Province Convention Dates

Arrangements for Province Conventions, announced to date are as follows:

Alpha with New Hampshire Alpha at Dartmouth College, Hanover, N.H., Friday and Saturday, December 10-11, 1937;

Epsilon at the Tutwiler Hotel, Birmingham, Ala. Monday and Tuesday, December 27-28, 1937;

Delta at the Cincinnati Club, Cincinnati, Ohio, Friday and Saturday, March 4-5, 1938;

Lambda with Oregon Alpha at Oregon State College, Corvallis, Ore., spring of 1938, exact date to be announced later;

Zeta with Iowa Beta at the University of Iowa, Iowa City, Iowa, December, 1938, exact date to be announced later.

Believe It or Not

BELIEVE it or not, as Cartoonist Ripley would say, the houses of California Delta at the University of California at Los Angeles and of California Epsilon at Occidental College, both located within the city limits of Los Angeles, are more than twice as far apart as are those of Washington Beta at Washington State College, Pullman, Wash., and Idaho Alpha at the University of Idaho, Moscow, Idaho.

To put an end to protracted arguments over this question, Dr. Carl J. Rice, deputy archon of Province Kappa, and Emmett B. Moore, archon of Province Lambda, were requested to supervise official measurements and the results fully substantiate the California claim to supremacy.

fornia claim to supremacy. Archon Moore found the distance between the houses of Washington Beta and Idaho Alpha to be only 9.6 miles while Dr. Rice found the distance between the houses of California Delta and California Epsilon to be 21.6 miles. Dr. Rice also found that a journey of 43.1 miles would be required to make the circuit of the three Los Angeles chapters, the distance between each of them being as follows:

From California Gamma at the University of Southern California to California Delta, 12.2 miles; from California Delta to California Epsilon, 21.6 miles; from California Epsilon to California Gamma, 9.3 miles, total 43.1 miles.

 Bertram C. Kurman, Ind. Г '23, is state superintendent of the Saint Paul Mercury Indemnity Company, Saint Paul, Minn. He is now located at 825 N. Jefferson Street, Milwaukee, Wis.

Receives Carnegie Award

 John F. Hansen, Mo. A '35, was one of thirty-eight men throughout the United States to receive an award for heroism from the Carnegie Hero Fund Commission at its annual meeting in Pittsburgh, Pa., in October, 1934. On August 3, 1931, Hansen saved Miss Helen J. Keleman from

drowning in the Gasconade river near his home town of Hermann, Mo. Miss Keleman had endeavored to swim the river, but had become exhausted by the strong current when little more than half way across. Hearing her cries of distress, Hansen jumped from the ferry on which he was crossing the river and swam to her aid, carrying her to the shore where he hung on to a willow branch until help arrived.

Wyoming Alpha Cowboys

 Undoubtedly Wyoming Alpha chapter is one of the most unusual in respect to athletics for many years as it has eleven men on the first-string varsity football squad at the University of Wyoming, topped off with three of the four members topped on with three of the four members of the Wyoming coach staff being members of $\Sigma A E$. The eleven Wyoming cowboys are Fred Hladky, Barney Dyke, Clarence Ham-by, Warren Crinklaw, Faye Thomson, Ken-neth Sturman, Sam Fratto, Marty Krpan, Odwin Nipper, August Moncini and Claton The her The structure is memory to be been structure. Secretaries and an Editor

Arthur R. Priest, for many years executive secretary of $\Phi\Delta\Theta$, has been elevated to the office of Executive Secretary Emeritus. His successor is Paul C. Beam, who formerly was in charge of the Urbana, Ill.,

office of a fraternity accounting service. Edward E. Ruby was appointed editor of The Scroll, the magazine of $\Phi\Delta\Theta$ to succeed the late Frank Mitchell.

The Archons of $\Phi\Gamma\Delta$ selected Alan W. Johnson, as a field secretary and visitation officer. He is the fifteenth member of $\Phi\Gamma\Delta$ to serve in that capacity.

Scholarship Pays Mortgage

The University of Texas chapter of $\Phi\Gamma\Delta$ recently had a distinguished alumnus, H. J. Lutcher Stark, make it a present which amounted to about \$30,000, principal and interest. Mr. Stark had promised to tear up the mortgage if the chapter would show itself serious in purpose by placing first or second in scholarship in the next school year. That ranking had not been held for some time, but by a campaign of "Save the old homestead" the chapter tied for first place. Mr. Stark fulfilled his prom-ise, and incidentally achieved mention of this act in an article about his benefactions for the University of Texas which recently appeared in The Saturday Evening Post.

Engagements Are Off!

• A brief announcement concerning the missing lists of "Engagements" in the Adelphean. They were omitted in the Summer issue because of space limitations after which it was decided to eliminate the list-ing entirely. Several sorority publications have adopted this policy. When a maga-zine is published quarterly, often the an-nouncement is "out-of-date" before it ap-pears in print. Wedding Bells have rung for many As for the others - not that we for many. As for the others-not that we are insinuating that sorority girls are fickle, but you know how romantic the campus moonlight is.—The Adelphean of $A\Delta\Pi$

Leadership Schools

Following the First Leadership School of **SAE**, other fraternities have adopted similar ideas for internal development. Notable among them is the school for chapter treasurers and stewards which was held by AXP early in September at its Cornell chapter house at Ithaca, N.Y. Advice to Chapters

1 Think it over and talk it over in your chapter. The alumni want to help you, but we are busy at our respective jobs. Yet if we know about your hopes and as-pirations, if we hear from the "live crowd" in the old chapter, if you tell us about things you are doing and trying to do, how we might help you if we had the money or could find the time, some of us are going to step forward eventually and surprise you.

Best of all, we shall be complimented with your attention and our hearts will be warmed by honest affection for our lucky younger brothers in our active chapters.-The Scroll of $\Phi\Delta\Theta$

Did You Know?

That KKF has purchased a house at Winter Park, Fla., which is to be the first "Hearthstone," a club house for Kappas "who may be alone towards the close of life's journey." A trust fund to provide such club houses was established recently by this sorority.

That Clarence A. Dykstra, $\Delta\Upsilon$, gave up a \$25,000 a year job as city manager of Cincinnati to become president of the Uni-

versity of Wisconsin at \$15,000 a year? That last May members of ZBT pre-sented President Roosevelt with the Got-theil Medal, given annually to the Ameri-

That co-operative buying of foods, fuel and supplies for twenty-nine fraternities at Ohio State resulted in a savings of 11 per cent in 1936?

Candid Camera Rushing

Observing the large number of cameras, candid and otherwise, in evidence at the Training schools each summer, we quote the following from The Delta of Σ N. Be sure the orchestra leader is an **DAE**, otherwise the advice is excellent for some new thoughts on rushing.

Always a rich field, that of news photography is a particularly attractive one for the fraternity man in college who can, by following his brothers around with his camera and maybe a few photoflash hulbs, obtain interesting candid and action shots that not only prove valuable as records but will be found to prove their worth many times during rushing season. The usual group picture is best done by the professional who makes up the college annual, so may I suggest: A flashlight picture of the *big* fraternity social function.

A fashight picture of the *big* fraternity social function. Candid shots of the various brothers and their dates (if not blackmail). The orchestra leader if he is a Sigma Nu. Athletic heroes, in action if possible. Bull sessions—by all means. Any brother who brings distinction upon himself or the fraternity. Anyone else: studying, taking a bath, or just acting naturally, but not posed. The point to be considered is human and fraternity interest. Let the pictures help acquaint prospective pledges with present members and with activities of the fraternity. Let technical quality take care of itself as far as possible.

Building Boom

A new trend in construction seems to be in the air. Montana State College has constructed, with the aid of the W.P.A., a quadrangle housing both sorority and nonsorority units. Each organization has a separate house, individual in appearance, although the houses are all joined together. The plan is similar to the one in operation for some time at Northwestern, with this important exception: the entire Quadrangle has a central kitchen from which the food is taken to each individual dining room. No longer will the Delta Gammas be able to have chicken at their rushing luncheons while the Pi Phis have something less exciting.

The Fraternity Month, which reports at length on the novel building development, says that there are disadvantages, although house bills of \$33.00 per month for board and room, with no building fund to worry about, seem very reasonable.

Also planned, according to Fraternity Month, is a similar project at Louisiana State University. This one, however, will include fraternities, and there will be approximately twenty small units.

RIBUTE to the builder of "the Stanford Spirit," James F. Lanagan, *Calif.* A '00, famous Stanford University coach, who died at Applegate, Calif., August 6, 1937, will be paid when the Lanagan Memorial is held in Stanford War Memorial Hall on the campus, December 12.

Coach Lanagan, the man who created a tradition of fine sportsmanship during the pioneer decades that has continued to the present day, will be honored, not only by Stanford University, but by educational institutions through eleven western states as the Memorial Service will be broadcast by the National Broadcasting Company to reach every university in the Western Conference, including Vancouver, B.C. Among the several outstanding

Among the several outstanding leaders in the field of education who will speak in behalf of Lanagan will be Dr. Ray Lyman Wilbur, president of Stanford University. His tribute will be "James F. Lanagan—Character Builder." Dr. Robert Gordon Sproul, president of the University of California, will speak on "Common Traditions That Cement the Friendship of California and Stanford." Dr. Sproul's address will be delivered by remote control from Los Angeles, as arranged by the National Broadcasting Company.

cess on the athletic field, but few realized his widespread influence in molding persons into useful citizenship. From 1903 until 1908 Coach Lanagan led the Indian football teams to an unbroken string of victories over the University of California, and his 1904 and 1905 varsities are reputed to be among the finest in Farm history.

In 1909 he gave up coaching to practice law. When the United States entered the World War, he joined the forces to fight overseas. Over there, he contracted a serious lung illness from which he never fully recovered. In recent years he lived on a ranch in the Sierra Nevada. He was ever a strong member of the Fraternity. His brother is Frederic R. Lanagan, *Calif.* A '08. The Memorial to Lanagan will be an attempt of the alumni and leading football players to express adequately the ideals for which he stood.

SAE Loses Friend in Passing of Mrs. Nippert

SIGMA ALPHA EPSILON and the Levere Memorial Foundation lost a faithful and generous friend in the death at Cincinnati, Tuesday, October 12, 1937, of Mrs. Maud Gamble Nippert, wife of Judge Alfred K. Nippert, Ohio E '94, Past E.S.A. and Chairman of the Building Committee of the Levere Memorial Temple, and mother of the late James Gamble Nippert, Ohio E '22, and Louis Nippert, Ohio E '28.

Though Mrs. Nippert had been ill for the past year as the result of a heart ailment, she had recently shown improvement and her death came as a great shock to the members of her Alfred K. Nippert, Ohio E '94, and Louis Nippert, Ohio E '28, wish to extend their deep appreciation of the many kindly messages of sympathy and condolence which they have received from brothers, chapters and alumni associations of ZAE in the great loss they have sustained in the passing of Maud Gamble Nippert, October 12, 1937.

family and wide circle of friends. A native of Cincinnati, Mrs. Nippert had contributed generously to many of its civic and philanthropic institutions, Christ Hospital in which she died having been one of her chief interests.

 Σ AE had been the beneficiary of the generosity of Mrs. Nippert in many ways. The handsome home of Ohio Epsilon, given in honor of James Gamble Nippert, was the donation of Mrs. Nippert and other relatives. Less than two months before her death she donated the \$27,500.00 outstanding bonds of the Levere Memorial Foundation to the Foundation for the benefit of the Student Loan Fund. With characteristic modesty she requested that the name of the donor not be made public and, although the gift was announced at the Eighty-First Anniversary Convention, it is only since her death that announcement can be made that this magnificent gift came from her.

Under its terms, the interest may be used to amortize the mortgage bonds until they are paid off after which the principal will be reinvested and the interest added annually to the Student Loan Fund. In this way the principal of the gift will be kept intact forever while the interest will be available each year for loans to deserving students under the regulations of the Student Loan Fund as contained in the National Laws.

The members of Ohio Epsilon attended the funeral in a body. The Supreme Council was represented by Albrecht F. Leue, *Ohio* E '98, Past E.S.D.A.; G. A. Ginter, *Ohio* E '97; and Lawrence J. Bradford, *Ohio* E '98. Albert M. Austin, Past E.S.A., was one of the pallbearers. Floral, tributes and expressions of sympathy were received from Chapters Collegiate and individual ΣAEs all over the United States.

Loyal SAE Leader Dies By Dr. Carl Rice, Minnesota Alpha '15

SIGMA ALPHA EPSILON FRA-TERNITY lost a loyal brother and a staunch worker when Dr. George Porter Shidler, Neb. A-II '03, died suddenly of a heart ailment at his home in Torrance, Calif., September 12, 1937.

An active worker in Province Kappa for several years, Dr. Shidler was recognized as a fraternity leader, and just before his death, upon the resignation of myself as Archon of Province Kappa, he was made Archon by the new members of the Supreme Council. Those of us who have worked for the fraternity in Province Kappa were pleased greatly to have the Council take this action and to have Dr. Shidler accept the position for we knew he would carry on the work and bring it his fine personality and ability as a successful worker among young men. He had been a steady supporter of the Los Angeles Alumni Association and was a member of the faculty of the Second Leadership School at the Levere Memorial Temple in 1936. He was one of the fraternity leaders who brought success to the 1932 National Convention in Los Angeles.

During Dr. Shidler's 50 years he built his life upon friendship and all of his acquaintances soon learned of his exceptional fairness and of his strength of character. He leaned towards strong cultural education and in all his work for the fraternity and the many organizations to which he belonged, he was a pillar of strength. Dr. Shidler was an eternal worker for Minerva and in rearing three sons for the fraternity, he was kept very close to our order. He knew all of our leaders for the past thirty years and our great Billy Levere was his ideal and close friend.

Although Dr. Shidler had been honored by scores of organizations, he valued best his membership in ΣAE and his work among boys for Rotary International. In the latter organization he was a national figure and headed committees on boys' work. While at Nebraska he founded the organization known as "Innocents." He was a member of "S of A," a Mason, an Elk, and a member of $\Phi P\Sigma$. He was kept busy by our fraternity not only as a loyal worker but as a speaker before alumni luncheons, Founders' banquets and interfraternity work.

After attending the University of Nebraska, Dr. Shidler went to Michigan where he affiliated with our Michigan Iota-Beta chapter and began his schooling in medicine. Following his graduation at Northwestern Universitv in 1907, he took his internship at St. Luke's Hospital in Chicago. Later he moved back to Nebraska where he was professor of pathology at the University, and while engaged in medical work, he became the first man to quarantine a patient suffering with infantile paralysis. He gained an enviable reputation in his profession in Nebraska and then in 1923 he moved to California and located in Torrance.

Dr. Shidler is survived by his wife, Mina, and four sons. George, Neb. Λ - Π '32; John, Calif. A '32; Fred, Calif. A '34, and John, who was married the night before his father's death. A true and loyal son of Minerva has joined the Chapter Eternal with his old pal, Billy Levere.
