GREETINGS:

The alumni of Fort Worth are eagerly anticipating the opportunity to be hosts to every SAE attending the Eighty-Fifth National Anniversary Convention, December 28, 29, 30 and 31, 1940.

Province Theta is indeed happy and proud to welcome the first national SAE convention to meet within its area.

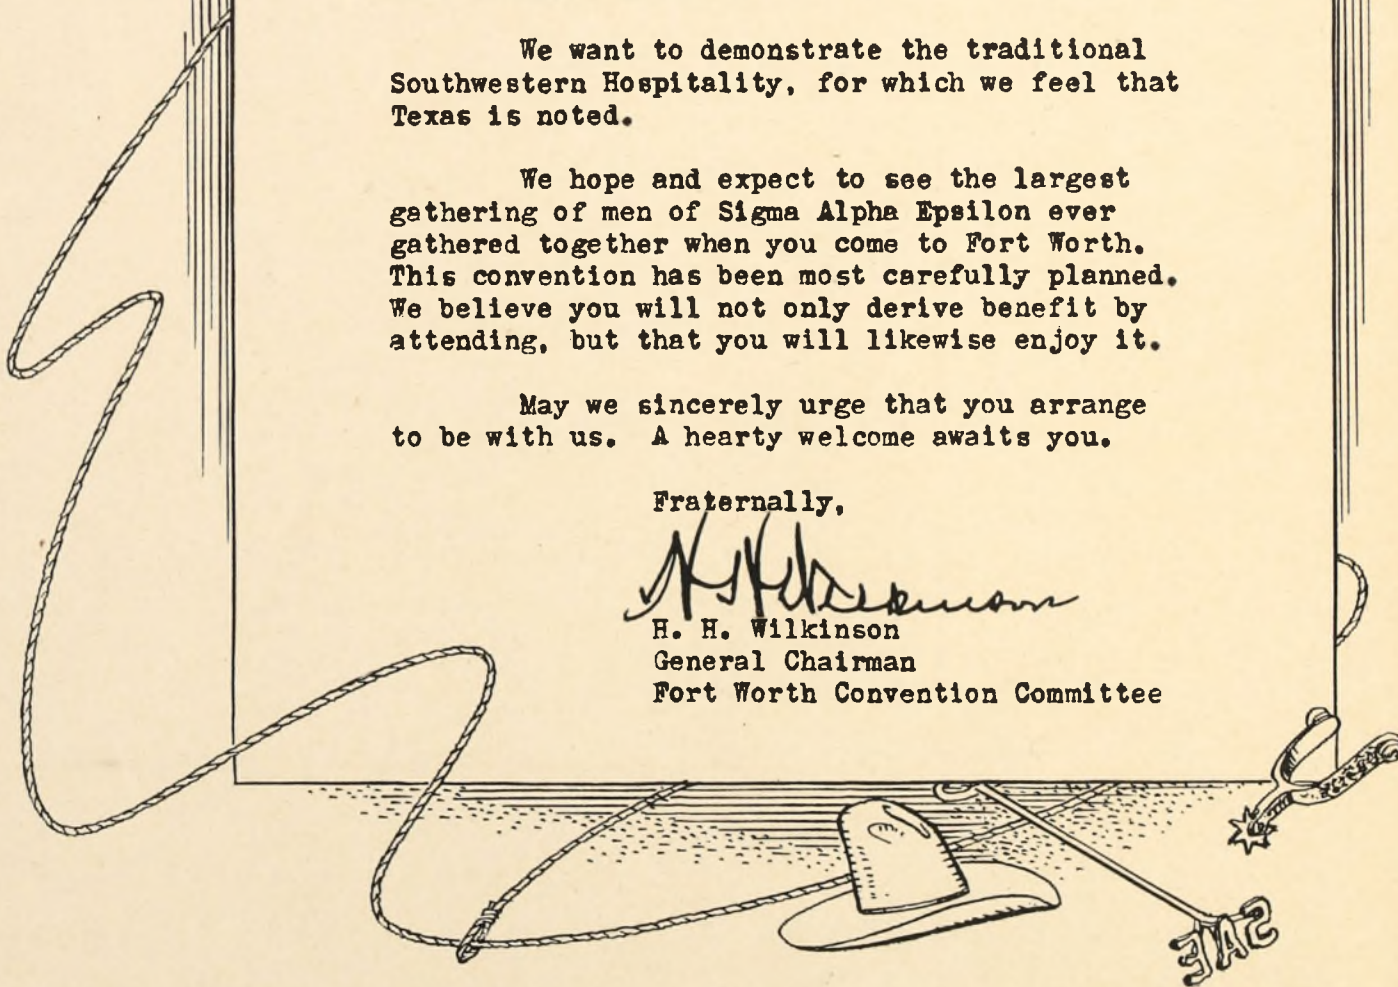

We want to demonstrate the traditional Southwestern Hospitality, for which we feel that Texas is noted.

We hope and expect to see the largest gathering of men of Sigma Alpha Epsilon ever gathered together when you come to Fort Worth. This convention has been most carefully planned. We believe you will not only derive benefit by attending, but that you will likewise enjoy it.

May we sincerely urge that you arrange to be with us. A hearty welcome awaits you.

Fraternally,

H. H. Wilkinson
General Chairman
Fort Worth Convention Committee

All Ready for Σ AE Round-Up at Fort Worth

By J. Lewell Lafferty, Past Province Archon

WITH only a few last-minute details to be arranged, plans are complete for the Eighty-Fifth Anniversary National Convention of Sigma Alpha Epsilon to be held at the Hotel Texas, Fort Worth, Texas, Saturday, Sunday, Monday and Tuesday, December 28-29-30-31, 1940.

The purpose of the Fort Worth alumni has been to make the gathering in Fort Worth a wonderful Σ AE Round-Up and the entertainment program will have, in consequence, a distinct Texas flavor.

The official program will give full opportunity for attention to the business of the Convention and also will provide delegates, visitors and their ladies ample time to enjoy the round of entertainments which have been arranged. Harry S. Bunting, *Tenn. Z '91*, Past Honorary Eminent Supreme Archon, will be the Convention's guest of honor and will be the principal speaker at the Banquet Sunday evening when his subject will be, "Making Σ AE Truly National." William B. Todd, *Tex. P '13*, will be the toastmaster.

The Memorial Service Sunday afternoon will be conducted by Bishop Wm. T. Capers of the Episcopal Church, *S.C. Δ '88*; Bishop Ivan Lee Holt of the Methodist Church, *Tenn. N '04*; and Rev. William L. Howse, *Tenn. H '26*, of Fort Worth.

Arrangements are in the hands of the alumni of Fort Worth, every man serving on a committee under the direction of a General Committee comprised of Harry H. Wilkinson, *Va. O '11*, chairman; J. Lewell Lafferty, *Ark. A-Y '26*, Past Archon of Province Theta, secretary; Dr. Charles W. Barrier, *Tex. P '11*; John S. Brown, *Tenn. Λ '07*; Raymond E. Buck, *Tex. P '17*; Marshall A. Fuller, *Tenn. K '06*; Dr. Will R. Gayle, *Tenn. Λ '07*; William A. Hanger, *Tenn. Λ '90*; George K. Taggart, *Colo. Λ '03*; William B. Todd, *Tex. P '13*; and William H. Tyler, *Va. O '10*. Sub-committee chairmen include: Don E. Weaver, *Ohio M '24*, Publicity; Everett B. Comer, *Tex. P '30*, Registration; George W. Parker, Jr., *Tex. P '29*, Reservations and Reception; Charles S. Taber, *Ohio P '11*, Memorial and Initiation; and Robert F. Snakard, *Tex. P '34*, Entertainment.

In accordance with the custom which has prevailed at National Conventions for many years, the registration fee for delegates and visitors has been set at \$10 by the Fort Worth alumni and this has been approved

by the Supreme Council. Payment of the fee will cover all entertainment features of the convention, including the "Round-Up" party Friday evening; the province luncheon Saturday and the tea dance that afternoon; the convention banquet Sunday evening; and the dinner dance Monday evening.

There will be no registration fee for the ladies but the entertainments arranged for them will include a luncheon at the Fort Worth Club on Saturday, a sight-seeing trip and tea Sunday afternoon, and the dinner dance Monday evening.

Fall clothing will be in order at Fort Worth at the time of the Convention but delegates should bring light top coats. It is very seldom that Fort Worth experiences real cold weather between Christmas and New Year's Day and, as there will be very little outside activity, there will be no need for heavy winter clothing. The dinner dance will be formal and dinner clothes should be brought for this event.

All applications for hotel reservations should be made to the Σ AE Convention Committee, P.O. Box 1570, Fort Worth, Texas. Rates at the Hotel Texas will be as follows: single rooms, \$2.50 to \$4.00 per day; double rooms (for two persons), \$4.00 to \$7.00 (\$2.00 to \$3.50 per person). Rates for suites consisting of one or two bed rooms and parlor will be quoted on request.

Under Section 106 of the National Laws, each Chapter Collegiate should elect one delegate and one alternate

to the Convention not less than thirty days prior to the Convention. Credential cards have been furnished by the National Office. These should be made out in duplicate, one of each forwarded to the E.S.R., and the other carried to the Convention by the delegate and alternate for personal identification. Each Alumni Association, meeting the requirements of Section 130 of the National Laws, is also entitled to one delegate to the Convention.

Under Section 110 of the National Laws, no chapter which is delinquent with respect to any report or sum of money, due either to the Eminent Supreme Recorder's office or the province in which it is located, is entitled to a seat in the National Convention or to a share of the convention fund. Section 13 provides that any delegate to the Convention who is absent at any roll call shall be fined \$1.00, such fines to be deducted from his share of the convention fund. The practice of the Supreme Council is to transfer all money received from such fines to the Student Loan Fund.

Six trophies will be awarded at the Fort Worth Convention, as follows: (1) the scholarship cup, offered by the Miami, Fla., Alumni Association, now held by South Carolina Phi; (2) the scholarship improvement cup, now held by Montana Alpha; (3) the chapter efficiency cup, now held by Ohio Rho; (4) the chapter publication cup, now held by Michigan Iota-Beta; and (5 and 6) the scrap book trophies, now held by Oklahoma Mu and Ohio Tau.

The chapter publication cup will be awarded to the chapter which has gotten out the best chapter papers during the period since the Chicago Convention of 1939. This award will be based on the number of papers issued, the appearance and proportions of the publications, and the quantity and quality of contents. Chapters desiring to compete for this trophy should send a full set of papers issued since September, 1939, to the National Office, marked "To Be Entered in Chapter Paper Contest," and should not rely on copies which have been sent in as they were issued. Late entries may be sent to the E.S.R., care Hotel Texas, Fort Worth, Texas, and will be received up to the time of the opening of the Convention.

Chapters which have given proper attention to their scrap books should have their delegates bring them to the Convention for the competition.

Trip to Mexico

For the accommodation of Convention visitors who wish to take advantage of the opportunity to visit Mexico, a post-convention sight-seeing trip to Mexico City and other points of interest will be operated, if a sufficient number are interested. Inquiries should be addressed to J. Lewell Lafferty, secretary of the General Convention Committee, c/o Fort Worth National Bank.

A Long Range Plan for Province Theta

By William Caudill, Province Theta Alumni Secretary

AS THE TWIG IS BENT—

Like a good kick in the pants, Province Theta was given a boost when Dr. John O. Moseley took the helm as Province Archon. This all happened about the time Brother John was saturating Oklahoma University students with Greek. At that time John had things on his mind other than exposing "Joe College" to a little culture—he was planning a long range program for the Province, a program that would make Province Theta an efficient, workable unit of our great Fraternity. John believed that the future of the Fraternity depended upon planning; that although planning was something of a gamble, refusal to plan made loss certain. He believed that in order to make Σ AE set pace for Greek letter fraternities, we must first solve our local problems. Thus he started on Province Theta.

SO GROWS THE TREE—

Brother Moseley's ideas of yesterday are actualities of today. The long range program is at last bearing fruit. Province Theta is proud she is an efficient workable unit of Σ AE. She is proud of the progress she has made in recent years. She is happy that she had the opportunity to carry out John's long range program.

When the National called John to serve on the Supreme Council, other capable men replaced him as Province Archon. Each of their administrations was a step in the right direction for John's plan. Progress was steady but rather slow, until Lewell (slave driver) Lafferty took over the situation as Archon in 1936. Banker Lafferty, known for his tireless energy, made things hum in this district. Financially weak chapters began to talk "money," and consequently, during his administration five chapters moved into new homes. New houses for remaining chapters are not far in the offing. Lafferty carried John's plan still further by stirring the alumni. Today eight of the nine chapters are sending out "dope sheets" for this cause. Supplementing these chapter organs, the Province has her own publication, *The Alumnus*, to create closer ties between the chapters and the many alumni associations evenly distributed over Arkansas, Louisiana, Mississippi, Oklahoma and Texas.

Still greater, Province Theta prides herself as being the host for the Eighty-Fifth Anniversary National Convention. It is the first time the Fraternity has condescended to have a national

Welcome to Province Theta

¶ The five hundred active members and pledges in our nine chapters and the Province Officers welcome you to Province Theta, the Host Province to the Eighty-Fifth Anniversary National Convention to be held in Fort Worth, Texas, December 27-28-29-30-31, 1940.

¶ Province Theta, comprising the states of Arkansas, Louisiana, Mississippi, Oklahoma and Texas, covers an area of 485,000 square miles and is our largest province. The universities and colleges represented by our chapters have a total enrollment of approximately 46,000 students.

¶ You will be greeted in Fort Worth by active members from Arkansas Alpha-Upsilon, Louisiana Epsilon, Louisiana Tau-Upsilon, Mississippi Gamma, Mississippi Theta, Oklahoma Kappa, Oklahoma Mu, Texas Delta and Texas Rho who will be anxious to make your visit a most enjoyable one, and the Province Officers will be at your service.

¶ The convention program includes entertainment of special interest to the ladies, so be sure and bring them along.

Fraternally yours,

GROVER D. STROTHER
Province Archon

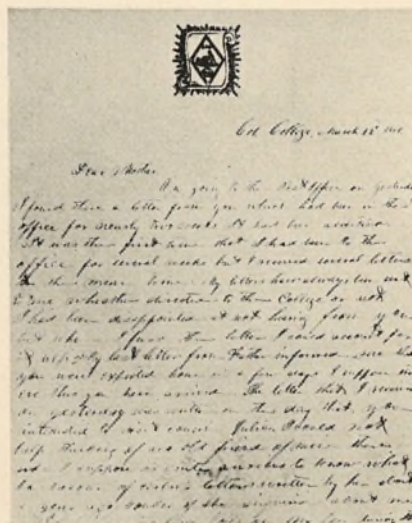

gathering in this district, indicating that it has noticed the remarkable progress of the Province. Credit goes to Brother Lafferty for bringing this convention to the Southwest. The actives and the alumni are ready to do their share in making the convention at Fort Worth the greatest in the history of Σ AE.

Grover Strother, the "old war horse" of the Province, relieved Lafferty as skipper of the Province last March. He offers this Province fresh

ideas based on years of experience in fraternal work. As a very close associate of Moseley, he is continuing to carry out his plan. Today every chapter has a board of trustees, working groups—not the static variety. Today all but three chapters have house mothers. Today most of the chapters have installed auditing systems. The 500 active men under Strother are striving to make this Province, and in turn Σ AE, a smooth running machine in efficiency and organization. Brother Strother, through the Province, is continuing Moseley's plan of improving the initiation. Every chapter is giving the initiation ceremony the dignity and reverence so essential to the perpetuation of our Fraternity.

Oh! if only the members of the old sub rosa chapter of Mississippi could see their Province now. Thousands of Σ AEs are dotting the five states, displaying their insignia in the open. In nine great schools Σ AEs are holding prominent places. Of course we cannot judge them too much by their own reports, but according to outsiders these conditions do exist. In business, in professions, and in politics, Σ AE alumni hold top rank.

These accomplishments didn't just happen. They were planned; planned by men who believed in the future; planned by men like John O. Moseley, who was willing and able to see beyond his nose!

Letter on Σ AE Stationery, Written March 22, 1861, by Edward Garland Sydnor, W.C. P '62, Found in the Archives of the University of Virginia by Vaughn M. Bryant, Mo. A '38.

Taking A Glance at Texas

TEXAS, where delegates to the Eighty-Fifth Anniversary National Convention of Sigma Alpha Epsilon will journey, occupies all the continent of North America except a small part set aside for the United States and Canada. Texas owns the north half of the Rio Grande, the only dusty river in the world; also the only one, with the possible exception of the Trinity, which is navigable for pedestrians and mud cats.

Texas is bounded on the north by twenty-five or thirty states and on the east by all the oceans in the world except the Pacific, and on the south by the Gulf of Mexico and South America and on the west by the Pacific Ocean, the milky way, and the Sidereal Universe. If Texas were chopped loose from the rest of the United States and the Panhandle, it would float out into the ocean, for it rests upon a vast subterranean sea of fresh water.

Life in Texas: The Wild Horse, The Rodeo and the Ranch. Here is a Bit of the Atmosphere Delegates to the Eighty-Fifth Convention Will Enjoy in Fort Worth, Texas, December, 1940.

Texas is so big that people in Brownsville call the Fort Worth people Yankees, and the citizens of El Paso sneer at the citizens of Texarkana as being snobs of the Effete East. It is 150 miles further from El Paso to Texarkana than it is from Chicago to New York. Fort Worth, the Σ AE Convention City, is nearer St. Paul, Minn., than it is to Brownsville, Tex. The United States with Texas left out would look like a three-

legged Boston terrier. Chief occupation of the people of Texas is trying to keep from making all the money in the world.

Texans are so proud of Texas that they cannot sleep at night. If a Texan's head should be opened, the map of the state would be found on his brain. Unless your front gate is at least eighteen miles from your front door, you do not belong to society, as constituted in Texas. Mrs. King's gate is 150 miles from her front door, and she

is thinking of moving her house back so that she won't be annoyed by the passing automobiles. Other Texas landlords have whole mountain ranges and rivers on their ranches. One Texan has forty miles of navigable river on his farm.

If the proportion of cultivated land in Texas were the same as Illinois, the value of Texas crops would equal that of the forty-seven other states combined.

IN HONOR of the all-time golf champion, Robert Tyre (Bobby) Jones, II, *Ga. Φ '22*, the new home of Georgia Phi under construction at Georgia School of Technology, Atlanta, Ga., will be called "Bobby Jones Hall."

Announcement of the name of the chapter house in honor of the illustrious alumnus of Georgia Tech was made at the groundbreaking ceremony, September 12, 1940, at which Robert F. Maddox, *Ga. B '90*, acted as chairman. Plans for the ceremony were arranged by Cobb C. Torrance, *Ga. B '21, E.S.H.*, and lifting the spade of earth for the new house was Robert Thompson, *E.A. of Georgia Phi*. Besides Mr. Torrance, the National Fraternity was represented by Albert J. Schoth, *Ore. A '18*, chapter supervisor. The Grand Slammer was represented by his father, Robert P. Jones, *Ga. Ψ '00*.

After many years of struggle Georgia Phi is getting a home of her own. While the new home is being constructed at the corner of Fourth Street and Fowler Drive with the Chi Psis and the Delts as neighbors, the members of the chapter are residing in a rented house at 714 Techwood Drive.

The new home is expected to be completed in February, 1941, and to be occupied in time for the formal initiation of neophytes on Founders Day, March 9th. Modern colonial in type, the house is being constructed

on a sloping lot and will have two stories at the front and three at the rear. The home is being built of brick with the center facade of stucco. Four massive columns will set off the entrance.

On either side of the entrance hall will be spacious identical rooms; one a chapter room and the other, a living room. A card room, house mother's room and the chapter officers' room will also be included on the main floor. Stairs leading to the basement and second floor will be at both the east and west wings of the house.

The basement, only one wall of

which is below the surface of the ground, will contain dining facilities, including a seating capacity of fifty, large kitchen, pantry and servants' room. The dining room, which has three exposures, opens onto a large flagstone terrace. The furnace and fuel rooms are on the opposite side of the basement. The remainder of the lower floor space will be used for a storage room until the chapter remodels it for a game room.

The second floor will contain ten bedrooms, each equipped with lavatory and closet space. Two men will occupy each room. Two large shower rooms will be located at the ends of the main hall. The attic space will be unused, but constructed for possible conversion into a dormitory or separate rooms.

The chapter house is being constructed and furnished at a cost of approximately \$35,000. Among the many alumni who have given assistance for the new house are Mr. Torrance, Bobby Jones, Rhodes Perdue, Henry Morgan, Mr. Maddox, Jack Glenn, Billy Glenn, and Lewis Crook, Jr., of Ivey and Crook, Architects.

Two days after Christmas in 1889, the thirty-fourth chapter of ΣAE, Georgia Tau, was founded. Three years later, March 23, 1892, the name of the chapter was changed to Georgia Phi. The late Floyd Furlow, '97, Past E.S.A., and the late Rev. G. Hendree Harrison, '95, Past E.S.A., were both members of Georgia Phi, as is Charles F. Stone, '03, Past E.S.T. Another prominent alumnus is Rear Admiral John H. Towers, '05, Chief of the Bureau of Aeronautics.

and alumni in Atlanta had the honor of having Col. Clarence Stowell, *Maine A '00*, Past E.S.R., and Past E.S.D.A., attend a special dinner. Col. Stowell was making a personal appearance in Atlanta where the March of Time feature, *The Ramparts We Watch*, was playing and in which he takes a leading part.

Mothers Help Tech Chapter

When members of Georgia Phi at Georgia School of Technology moved into their temporary home at 714 Techwood Drive, Atlanta, until completion of their new house, "The Bobby Jones Hall," the mothers of Atlanta members were on hand to assist in making things homelike. In cooperation with the new house mother, Mrs. Frances Eanes, the mothers provided curtains and other essentials and helped with the cleaning. Enthusiastically, the members "dug" with the mothers in anticipation of moving into the new house early in 1941. The Mothers club is made up of approximately twenty Atlanta ladies, supplemented by fifteen out-of-town members. Officers include Mrs. Frank Allcorn, president; Mrs. Eugene Ransom, vice-president; Mrs. Otis Barge, treasurer; Mrs. E. B. Irwin, corresponding secretary, and Mrs. M. J. MacNabb, recording secretary.

Light Authority Aids Defense

By O. K. Quivey, Past E.S.A.

DR. MATTHEW LUCKIESH, *Ind. B '09*, one of the world's foremost authorities on light, has invented a telescope of limitless range which picks up only ultra-violet rays and can be of service in time of war; consequently all but the barest details of how it is made are being kept secret.

When requested for information, Brother Luckiesh replied: "The press gave entirely too much notice to a casual remark of mine. However, the telescope will do all it is claimed for it. It can be useful in conveying darkened troopships, for the pilots could signal back and forth with ultra-violet light, free from possibility that submarines would see the signals. You can intercept the radio, telegraph and telephone, but you can't intercept ultra-violet signals without this device or one like it."

While his inventions, some of which are windowless houses, germ-killing lamps, X-ray diagnosis of materials

in industry, and a sunlight for a winter-time indoor tan, are known to people in every walk of life, Dr. Luckiesh continues to explore the undiscovered realms of the science of light.

"Scenes from past history," he says, "may be traveling through space in the form of patterns of electro-magnetic energy which can, with the aid of a super-telescope of enormous electrical manipulation, be brought to our screens—not merely events of today but of yesterday and of eons past. There may be new horizons in the offing that can bring us thrills even though we have become blasé."

Let the reader smile if he wishes, but, knowing this wizard of light as I do, if he says he can bring back the picture of Mark Antony saying "howdy" to Cleopatra in her barge on the Nile, I wouldn't laugh, I wouldn't even smile—I'd figure he could do it.

Singing Marks Sixth Leadership School

By Don M. Gable, Ohio Delta '35

SIGMA ALPHA EPSILON'S Sixth Leadership School was a song! Spontaneity to the Fraternity's songs at the opening of the School, August 25, 1940, marked the annual event at the Levere Memorial Temple, Evanston, Ill., as a "singing school."

One hundred and seventy-seven representatives from ninety-two chapters registered at the Temple on Sunday, August 25, and following Σ AE motion pictures by G. A. Ginter, E.S.Ch., and Dr. Burton Hoffman, past Archon of Province Beta, in the Panhellenic Room, the delegates adjourned to the Banquet Hall for a buffet supper. During the supper chapter leaders burst into song when Leo Terry of Chicago played fraternity songs on his Hammond organ.

Following the spontaneous singing, Dr. John O. Moseley, Past E.S.A., and Director of Leadership Training, welcomed the representatives to the school and introduced Jacob E. Hines, Ohio Σ '27, who directed the group in enthusiastic fraternity singing, which gained momentum throughout the School.

Dr. Moseley then introduced the national and province officers who had attended the joint session of the Supreme Council and Province Archons for two days prior to the opening of the Leadership School. They included George N. Short, E.S.D.A.; G. A. Ginter, E.S.Ch.; Dr. Fred H.

Turner, E.S.W.; Cobb C. Torrance, E.S.H.; Lauren Foreman, E.S.R.; Charles R. Allen, Archon of Province Gamma; Charles H. Barker, Province Mu Archon; Robert R. Haskell, Province Alpha Archon; Eric G. Johnson, Province Beta Archon; J. Henson Markham, Province Epsilon Archon; William J. Milliken, Province Kappa Archon; Emmett B. Moore, Province Lambda Archon; Grover D. Strother, Province Theta Archon. Others introduced were Albert J. Schoth, chapter supervisor; Don M. Gable, associate editor of *THE RECORD*, Jim Hastings, Calif. Γ '40, traveling secretary; Raymond C. Dein, counsellor of Minnesota Alpha, and Warren M. Turner, auditor of chapter accounts.

Province Archons who attended the joint meeting of the Supreme Council but were unable to remain for the Leadership School were Richard H. Habbe, Archon of Province Delta and Albert W. Hutchison, Archon of Province Iota.

The Sixth Leadership School officially opened on Monday morning, August 26, when Dr. Moseley welcomed the delegates and the chapter roll was called. After the "parade of chapters," the group adjourned to the chapel to hear an inspiring talk, "The Building of Σ AE," by Harry S. Bunting, Past Hon. E.S.A.

Following luncheon in Willard Hall of Northwestern University,

where the delegates were housed during the school, the delegates returned to the shrine to hear Lauren Foreman, E.S.R., discuss "The Chapters Collegiate and National Headquarters." A model chapter meeting playlet was presented by Dr. Fred H. Turner, Eminent Supreme Warden.

Monday evening the first of the series of four sectional conferences was held. The delegates were grouped into provinces for the conferences which were held on Tuesday afternoon, Thursday and Friday morning. A member of the Supreme Council served as chairman of each conference and the Province Archons were assigned to attend each session.

"The Shrine of Minerva" was presented by Lauren Foreman on Tuesday morning. A tour of the Temple followed. The various rooms were described as follows: DeVotie Tour Room, Dr. Moseley; Chapel, Lauren Foreman; Panhellenic Room, Albert J. Schoth; Library, Don M. Gable; Banquet Hall, Jim Hastings; Museum, Bertram B. Baum, Ill. Ψ - Ω '41, who was in charge of attendance records at the School. The tour was followed by another talk by Harry Bunting, who spoke in the absence of Albert M. Austin, Past E.S.A., who was unable to attend due to illness.

Tuesday evening a rushing party was sponsored by the Chicago Alumni Association. Prospective members

were introduced to the delegates from the various chapters. Entertainment included ΣAE motion pictures and tricks by Robert Lotz, Ill. B '27, outstanding amateur magician of Chicago.

Representatives to the School took another very definite part in the school program Wednesday morning when "The Founding of ΣAE," a playlet by Dr. George H. Kress, Ohio E '96, was presented dramatically by members from California Gamma at the University of Southern California and California Delta at the University of California at Los Angeles.

"The Founding of ΣAE" was appropriately followed by "The Vision of Noble Leslie DeVotie," by Dr. Moseley in the ornate chapel. Wednesday afternoon Dr. Moseley discussed the initiation procedure and instructed the delegates in proper presentation of the ritual. At this time he presented each chapter delegate with a copy of his "Initiation Manual." Chapter representatives took the limelight again with the presentation of "Mount Minerva." The playlet, with a touch of humor but ending in tragedy to discourage "hell week," was directed by Emmett B. Moore, Archon of Province Lambda.

The social highlight of the Leadership School was the informal dance

held in the Panhellenic Room of the Temple Wednesday night. Music was furnished by Leo Terry and his band. Dates for the occasion were arranged by Robert T. Storm, E.A. of Illinois Psi-Omega at Northwestern University.

"The Working Ideals of ΣAE" was presented by Dr. Moseley on Thursday morning. Judge Alfred K. Nippert, Past E.S.A., and chairman of the Building Committee, then de-

scribed the building and development of the national shrine. This was followed by a conference on scholarship by Dr. Robert R. Aurner, scholarship commissioner.

Following the scholarship conference the group adjourned to the Panhellenic Room where one of the most impressive initiations ever conducted in the Temple took place.

On the last day of the School the delegation heard the only guest speaker, L. G. Balfour, chairman of the National Interfraternity Conference. Following another scholarship conference and discussion meeting on the present status of Greek letter fraternities and the future of ΣAE, the members formed a pilgrimage to the grave of William C. Levere, Past E.S.A. and E.S.R., in Memorial Park Cemetery. As customary, the School presented a gift to the Temple, this year a sign identifying the national shrine.

The farewell dinner was held in the banquet hall of the Temple. Dr. Moseley served as toastmaster and introduced the "faculty" members who bid farewell to the chapter representatives. The feature of the banquet was singing, spontaneous singing which opened the School and brought the sixth session to a delightful close.

Martin Steps Up; Two More Federal Judges

SIGMA ALPHA EPSILON'S representation on the Federal Judiciary was further dignified and increased on August 6th when Hon. Robert L. Russell, Ga. Judge Martin who is the first ΣAE to sit on the Circuit Court has the distinction of being both a ΣAE son and father, being the son of the late John D. Martin, Va. O '79, and the father of John D. Martin, Jr., Va.

O '30. He has served as judge of the Western District of Tennessee since April 30, 1935. His appointment as judge of the Sixth Circuit was confirmed by the Senate on August 25th. Schindler Voted Most Valuable All-Star Player

By Don M. Gable, Ohio Delta '35

SIGMA ALPHA EPSILON not only led the national social fraternity representation on the 1940 All-Star football team which met with the Green Bay Packers in Soldiers Field, Chicago, Ill., August 29, but also the Fraternity had the distinction of claiming the man who was voted the most valuable All-Star player to his team.

The star of the squad was Ambrose Schindler, *Calif. Γ '40*, quarterback, Southern California, and ΣAE's other representative on the first string was James Logan, *Ind. Γ '40*, guard, Indiana University. But, two members on the first eleven were not all for ΣAE, as there were two other representatives of Minerva, Jim Reeder, *Ill. B '40*, tackle, University of Illinois, and Robert Waldorf, *Mo. A '40*, guard, University of Missouri, who now is coach at Simpson College. These two men were selected with Schindler and Logan to play in the All-Star game.

Other ΣAEs in the running for selection were Gene Britt, *Ind. B '40*, end, Purdue University; Ronald Alling, *Mich. Γ '40*, center, Michigan State College; John Rabb, *Ohio Θ '40*, full-back, Ohio State University, and Frederick Murphy, *Ga. Φ '40*, half-back, captain, Georgia School of Technology.

Britt, Alling, Murphy and Rabb received many votes but Schindler, Logan, Reeder and Waldorf remained in the final selection in the coast to coast poll conducted by *The Chicago Tribune* with the co-operation of 391 other newspapers and radio stations. ΣAE coaches in the running for selection were Francis Schmidt, *Neb. Δ-Π '07*, Ohio State University; Paddy Driscoll, *Ill. Ψ-Ω '18*, Marquette University; James Yeager, *Kans. B '30*, Iowa State College; Gerald A. ("Tex") Oliver, *Calif. E '21*, University of Oregon; Fred Thomsen, *Neb. Δ-Π '22*, University of Arkansas.

As Schindler's brilliant plays in the Rose Bowl game with the University of Tennessee on New Year's Day were still being discussed, he stepped into the All-Star game last summer and again stole the show. For being named the most valuable player to his team by the nation's newspaper men in attendance at the game in Chicago, he will receive the silver trophy emblematic of his election between the halves of the 1941 All-Star game.

When the four ΣAE All-Stars attended the Seventh Annual Interfraternity Club All-Star Football luncheon at the LaSalle Hotel in Chicago, August 22, they were greeted by Harry A. Ackerburg, *Ill. Ψ-Ω '14*, past president of the Chicago Alumni Association, who served for the third consecutive time as chairman of the Chicago Interfraternity Club function for the football players. Many Chicago alumni attended the luncheon.

House Mothers of Provinces Alpha, Gamma

By Don M. Gable, Ohio Delta '35

AS a result of the series of house mother articles appearing in THE RECORD during the past two years, the chapter hostesses yet to be presented are found in various parts of the country.

Introduction in this issue is made of the house mothers in Provinces Alpha and Gamma. Each of these Provinces has two house mothers. They are at Maine Alpha at the University of Maine and New Hampshire Beta at the University of New Hampshire of Alpha Province, and Virginia Sigma at Washington and Lee University and Washington City Rho at George Washington University of Province Gamma.

Records for long service as house mothers for ΣAE chapters are held by several hostesses already introduced to RECORD readers, but Mrs. Edith H. McCollum at the University of Maine is one of the leaders on this score as she has been with Maine Alpha for sixteen years. A native of Maine, Mrs. McCollum turned to this type of work because of her "great interest" in young people. "Opportunities for service are unlimited," she says. "It's like a mother with her family."

Mrs. McCollum is enthusiastic about the Minerva club she helped to organize a year ago. The group has thirty-five members who gather at the chapter house for dinner and meetings. House Mother McCollum assists the chapter with its plans for informal and formal dances, weekly victrola parties, faculty banquets and holiday parties. She lives in the house and inspects the rooms except the upstairs. Maid service is maintained, but members of the chapter clean the study rooms.

Mrs. Earl R. Donle is in her fifth year as house mother for New Hampshire Beta at the University of New Hampshire, having spent two years

with Alpha Chi Omega prior to joining ΣAE. According to information received from the various house mothers Mrs. Donle seems to be the only foreign-born hostess. She was born in Moulmein, Burma, Asia.

House Mother Donle has no ΣAE relationship, but a mother's pin was placed on her the first month at the ΣAE house, "and was I proud of it," she said. But Mrs. Donle has other fraternity relationships. Her husband was a member of Delta Tau Delta, she has a Phi Gam brother and two Lambda Chi sons! She is a graduate of Pembroke College at Brown University. Her local sorority there had been accepted by Tri Delt but the dean abolished sororities before she had the opportunity to be initiated.

Her love for a home full of young people led Mrs. Donle to house mother work. And about opportunities for service, she says: "One thousand and one little everyday things that come up in mothering from thirty-five to forty boys." Mrs. Donle is secretary of the Minerva club and bridge parties are held during the year to raise money. The club has contributed curtains, a guest book, and a divan to the chapter. One of the major projects of the club was the installation of a cement walk and steps with a brass plaque inserted. This year the club is working in regional groups with refurnishing of the living room as its aim.

Mrs. Donle has an apartment in the chapter house and she inspects the house daily, except the upstairs which she checks each week. House Mother Donle supervises the house man's work and members of the chapter assist with the cleaning. Among the social affairs planned by the house mother is a faculty guest dinner each week.

In Province Gamma is Miss Margaret Wilson with Virginia Sigma at

Washington and Lee University. House Mother Wilson is a native of the domicile of the chapter, Lexington, and she has been with Virginia Sigma for three years. She has no ΣAE kin, but her father was a Beta and she has two brothers in Pi Kappa Alpha.

Miss Wilson became tired of office work and hoped being a fraternity hostess would be a pleasant change. "And it is," she says. She claims that the opportunities for service are too numerous to mention! She lives in the house, inspects the entire quarters and does all of the food buying. She follows a definite budget and is in charge of the dining room help. House Mother Wilson helps plan the social events, but the chapter does not sponsor a Minerva club.

One of the newer house mothers is Mrs. Esther Ashton Wilson at Washington City Rho at George Washington University, Washington, D.C. She has been with the chapter one year and is the mother of Thomas Wilson, W.C. P '41. Mrs. Wilson was born in Nebraska and her home is in Wray, Colo.

"My day is not long enough," was Mrs. Wilson's reply to the question concerning the opportunities for service in a chapter house. She selected house mother work because she enjoys young people and it is a pleasure for her to serve them. Mrs. Wilson lives at the house and inspects the quarters regularly. She does the food buying and checks the bills. The Minerva club meets each month. The club contributes to the chapter through social events such as teas for rushees and parents. Mrs. Wilson also helps to plan the chapter social program which includes a pledge formal, Christmas charity party, New Year's ball, Founders Day banquet, spring formal and picnics.

As there is only one house mother in each of the Provinces, Beta, Kappa, Lambda and Mu, these will be grouped for presentation in the March, 1941, issue of THE RECORD.

"My Symphony"

■ "To live content with small means; to seek elegance rather than luxury, and refinement rather than fashion; to be worthy, not respectable; and wealthy, not rich; to study hard, think quietly, talk gently, act frankly; to listen to stars and birds, to babes and sages with open heart; to bear all cheerfully, do all bravely, await occasions, hurry never;—in a word, to let the spiritual, unbidden and unconscious grow up through the common.—This is my Symphony."—Wm. Henry Channing, *The Laurel* of ΠΚΣ.

Province Eta Convention

By George N. Short, E.S.D.A.

WITH perfect weather conditions, Province Eta convention was held at Colorado Zeta at the University of Denver, Denver, Colo., Friday and Saturday, March 15 and 16, 1940.

All chapters in the Province with the exception of Wyoming Alpha at the University of Wyoming were represented and the Province officers in attendance included John M. Coke, Archon; Charles F. Brannan, Deputy Archon, and R. J. McGlone, Past Province Archon.

With Province Archon Coke presiding the convention sessions started on Friday night and lasted until after midnight, adjourning until 10:00 A.M. on Saturday. The Saturday morning session was late in starting and closed at 2:30 P.M.

One of the principal subjects discussed was finances. The houses within the Province are valued at \$175,000, on which a total indebtedness amounts to approximately \$80,000, of which amount \$44,000 stands against Colorado Zeta at the University of Denver. All chapters reported reducing their debts.

A joint Province and Founders Day banquet was held Saturday night

at the University Club and 144 members attended. The principal speaker was Dan Carroll, *Calif.* A '16.

Detailed reports were given by chapter representatives. These included rushing, finances, intra-province relationship, pledge training, social training, collection of chapter accounts. The report of the committee on province laws and by-laws was approved and it was recommended that copies of the laws be sent to all chapters, national and province officers and the National Office.

Guests from the local fraternity, Phi Chi Psi at New Mexico State College, were entertained and the convention went on record as favoring the local fraternity as a possible new chapter of ΣAE.

The following officers were elected: Province Archon, Charles F. Brannan, *Colo. Z '29*; Deputy Archon, Gerald J. Henaghan, *Colo. X '28*; Recorder, John M. Coke, *Colo. Δ '28*; Treasurer, R. Rodney Hughes, *Colo. Δ '21*.

The convention closed with a memorial service in honor of members of the Province who had joined the Chapter Eternal since the last convention.

Congressman in March of Time

The Ramparts We Watch, the first full-length feature March of Time, presents people as they really are. One of the selections for the "natural" cast was Col. Clarence Stowell, *Maine A '00*, Past E.S.R. and Editor of *THE RECORD*. The story told by *The Ramparts We Watch* is that of a U.S. town and the people in it from 1914-18. It shows what they were like, what they did, felt, said, hoped, how they argued, worked, fought, lived, died, made war and made peace. Colonel Stowell, teacher and lecturer, takes the part of Congressman John Lawton, who said: "May they hold the ramparts of our democracy and freedom until kingdom come."

Colonel Stowell had never faced a camera until he applied for the rôle in the March of Time feature on a dare from fellow members of the Columbia University Club in New York City. He was active in the Spanish-American War and as a lieutenant colonel in the World War.

When *The Ramparts We Watch* was introduced in cities throughout the United States, Colonel Stowell appeared in person on the stage and gave many radio talks.

Two New Brigadier Generals

TWO alumni of Sigma Alpha Epsilon who received their early military training at Virginia Military Institute have recently been promoted to the rank of Brigadier General.

George Murrell Alexander, *Va. @ '09*, *Va. Σ '11*, Past Archon of Province Gamma, prominent insurance man of Lynchburg, Va., who made a brilliant record in France as an officer of the 166th Infantry of the American Expeditionary Force, has been promoted from Colonel of the 116th Infantry to Brigadier General in command of the Ninety-First Brigade of the Virginia National Guard.

Colonel Walter Read Weaver, *Va. @ '04*, commanding officer of Maxwell Field at Montgomery, Ala., was promoted to Brigadier General of the U. S. Army, September 27, 1940.

A graduate of the Virginia Military Institute and of Washington and Lee University, General Alexander was serving as captain of Virginia troops on the Mexican border when the United States entered the World War in 1917. He went to France as captain in the 116th Infantry and on

August 1st, 1918, was promoted to major as the result of distinguished service. He was severely wounded during the Meuse-Argonne offensive.

General Alexander has been an interested and active member of ΣAE since his initiation. He served as Recorder-Treasurer of Province Gamma and became Archon when T. Gibson Hobbs was elected Eminent Supreme Deputy Archon at the Pittsburgh Convention of 1916. He resigned when he was sent to the Mexican border in the summer of 1917 but, following his return from France, he was re-elected as Archon in 1920 and served a full term, retiring in 1922.

General Weaver is in command of army training schools in the Montgomery area. He has had a long and distinguished career in the Army in which he was serving as Captain when the United States entered the World War. He was promoted to Major in February, 1918, and later to Colonel. His service has been almost altogether with the Aviation branch of which he is one of the U. S. Army's leading experts.

Redefine Fraternities, Societies

■ As the result of considerable confusion on campuses concerning the character of the many organizations which function in the student body and purport to be educational in purpose, the forthcoming edition of *Baird's Manual of American College Fraternities* will attempt to bring order out of the present chaos. A recommendation was made by the special committee appointed by the National Association of Deans of Men and a specific request given by the Association of Honor Societies.

The name *Fraternity* will hereafter be confined to the social and professional organizations of both men and women. All other organizations will be called *Societies*. Phi Beta Kappa is leading the way in this reform by refusing to make any reference to itself as a fraternity. The term properly belongs only to such organizations as base election to membership primarily on personal qualifications, irrespective of any additional qualifications in the interests of stability and purpose.

The term *Honorary* will no longer be used. So many campuses list their honorary societies as honor societies that a clean-cut differentiation is needed. Consequently, all organizations which are not professional fraternities and do not qualify as honor societies will hereafter be called *Recognition* or *Departmental Societies*.

For the sake of further clarification, precise definitions have been formulated for each category. They are by no means perfect, and the editor of *Baird*, Alvan E. Duerr, invites suggestions as to their improvement, so that the definitions which will appear in *Baird* may represent the best thought of all who have an interest in this question.

IKA Memorial Building

■ Members of IKA convening in Chicago last August viewed the design for the proposed national headquarters, memorial and archives building for the fraternity. Complete new machinery for the handling of IKA Endowment Fund was adopted by the convention after seeing the plans for the proposed structure, which the trustees of the fund hope may be started in time for the 1943 Diamond Jubilee convention in Virginia. The fund available for the memorial structure had passed the \$6,000 mark last August. Cost of the building is estimated at \$75,000. No choice has been made of the city where the memorial will be located. The plan is for a two-story structure of brick, with stone trim, in Georgian Colonial style. It is to contain ten offices, mailing room, lobby, museum, art gallery, library and auditorium.

Recreation Hour During House Mothers Training School at Purdue University, June 17 to July 12, 1940. One Hundred and Twenty-Seven Women Representing Fifty-Four Colleges and Universities Assembled for the Second Successful Conference.

Second House Mothers School Successful

■ One hundred and twenty-seven house mothers representing fifty-four colleges and universities from coast to coast assembled at Purdue University's women's residence hall, June 17, 1940, for the second annual House Mothers' Training School. The course, which was originated under the direction of Dean Dorothy C. Stratton of Purdue, is rapidly making new openings in fraternity as well as sorority houses for these specially trained women.

Lectures on meal planning, techniques of management, and numerous phases of psychology were listed on the school's curriculum, and a staff of nineteen educational directors, each donating services, kept the house mothers busy every morning and afternoon during the four-week period.

A constant stream of distinguished visitors stopped at Purdue for a glimpse of this unique school. National officers from many of the twenty-seven Greek letter organizations which sent house mothers were among the first callers, and deans of women from the universities of Kentucky, Indiana, Arkansas, Northwestern, Kent State, Syracuse, DePauw, and New Mexico signed their names in the guest book.

Sigma Alpha Epsilon was represented on visitor's day and at the various teas given for the Purdue faculty heads by Eth Baugh, Ind. B '23, Alumni Secretary of Province Delta and Executive Secretary of the Purdue Alumni Association.

New Hampshire Conference

■ Sigma Alpha Epsilon took a prominent part in the Interfraternity Conference held at the University of New Hampshire, October 25-26, 1940. The event was sponsored by the Interfraternity Council on the campus and the "Purposes of the Conference" were discussed by Norman Alexander, N.D. A '19, dean of men. Appearing on the program was Lauren Foreman, Ga. E '01, E.S.R., who spoke on "Making the Pledge Training Program Effective." The National Fraternity was also represented by Albert J. Schoth, Ore. A '18, chapter supervisor. Robert R. Haskell, Mass. B-T '19, Archon of Province Alpha, also attended.

Resigns IKA Editorship

■ After serving *The Shield and Diamond* of IKA for sixteen years, K. D. Pulcifer has resigned because of the pressure of private business. His resignation marked the termination of a service that included five years as associate editor, two years as managing editor and nine years as national editor. The retiring national editor has been a journalist and advertising man all his life. His wife, Jessie O. Pulcifer, is editor of *The Alpha Xi Delta*. New editor of the IKA magazine is Richard G. Baumhoff.

Nine New Chapters of ΦBK

Charters were granted at the recent Council meeting for chapters at the following institutions: Albion College, Bucknell University, Catholic University of America in Washington, D.C., University of Denver, Elmira College, Milwaukee-Downer College, Wake Forest College, Wofford College and the University of Wyoming.

Cites Their Qualities

■ "The difference between college men and mature men is that college men can be talked to about their mistakes and know how to evaluate advice," says James G. Allen, Texas Δ '25, dean of men at Texas Technological College in Lubbock, Texas, and one of the youngest deans of men in the nation. Dean Allen has spent the past three years in hundreds of heart-to-heart talks with Tech male students regarding their everyday problems. He has found the average male student of the school uniformly a young man of inherently good manners which come from a genteel respect and a regard for the feeling of others. According to him, the most moving influence behind the young man is his parents whose attitude and sacrifices so often make him feel that he has an obligation he just simply can't turn down! Mr. Allen was appointed acting dean in 1937. After a year of graduate work at Southern Methodist University, he obtained his master's degree at Harvard in 1927.

The incident occurred May 28, when Mr. Price was given an *ordre de mission* at D'Alembert, the first auxiliary, surgical hospital of any consequence south of Soissons, the center of some of the bitterest fighting, to transfer several wounded soldiers, including three stretcher cases and the German aviator recovering from the amputation of his left arm eight days before, to Coubert for urgent evacuation purposes. ΣAE Round-Up in Fort Worth

GATHERING for the first time in national Convention in the great state of Texas, the sons of Minerva and their ladies who will meet in Fort Worth, December 28-31, for the Eighty-Fifth Anniversary National Convention, are promised a program which will be typical of the Southwest and the brand of hospitality for which that section of the United States is famous.

Arrangements for the Convention and the entertainment features have been worked out by a committee of Fort Worth alumni, headed by Harry H. Wilkinson, Va. O '11, president of the Continental National Bank, as chairman, with J. Lewell Lafferty, Ark. A-Y '26, Past Archon of Province Theta, vice president of the Fort Worth National Bank, at stroke oar as secretary. This general committee and various sub-committees have held frequent meetings and necessary attention has been given to the minutest details for making the Convention a success.

Harry S. Bunting, Tenn. Z '91, Past Honorary Supreme Archon, will be the Convention's guest of honor and will make the principal speech at the banquet Sunday evening, his subject the story of how Sigma Alpha Epsilon was made a great national fraternity. As one of the most active figures in this movement, he has been

called one of the grand old men of the Fraternity but his dynamic and youthful enthusiasm will surprise those who have not seen him and heard him before.

As a special compliment to the Southwest of which he is a product and in recognition of his outstanding work in ΣAE ritualism, Dr. John O. Moseley, Okla. K '16, Past Eminent Supreme Archon and Director of Leadership Training, has been invited to take the part of the Eminent Archon in the initiation ceremony, to be conducted by the Supreme Council, following the memorial service, Sunday afternoon. Chapters which wish to present neophytes for initiation at this ceremony should submit their names to the Eminent Supreme Recorder.

New Houses in Dixieland

ANNOUNCEMENT of new homes for three Chapters Collegiate of Sigma Alpha Epsilon—North Carolina Xi at the University of North Carolina, Georgia Psi at Mercer University, and Georgia Phi at the Georgia School of Technology—shows satisfactory progress for ΣAE in the land of its birth, the South, and brings the total number of houses owned to ninety-six.

North Carolina Xi, founded in 1857, the third chapter established, was one of the first to own its home but for some time its house has been inadequate for the needs of this fine

chapter. During the summer the house was rebuilt and enlarged so that with the opening of the school year, the members went into a practically new house which among other desirable features provides facilities for serving meals.

Georgia Psi, founded in 1870, has completed a lodge on the Mercer campus which is ideally suited to its needs and was the first chapter to take advantage of the plan of the University authorities for a new fraternity row.

Georgia Phi, founded in 1890, which has long been an outstanding chapter and has given ΣAE many famous alumni, though living in a rented house, now has its own home under construction and plans to dedicate it in March, 1941.

The new home for Texas Delta at Southern Methodist University which was announced in the September issue of THE RECORD was completed in time for the chapter to occupy it at the opening of the school year.

The addition of these new chapter homes should give ΣAE added prestige and make its position in the South even more secure than in the past.

THE BUILDER

By Will Allen Dromgoole

*An old man, going a lone highway
Came at the evening, cold and gray,
To a chasm vast, both deep and wide.
The old man crossed in the twilight dim—
The sullen stream had no fear for him,
But he turned when safe on the other side,
And built a bridge to span the tide.*

*"Old man," said a fellow-pilgrim near,
"You are wasting strength with building here,
Your journey will end with the ending day,
You never again will pass this way;
You've crossed the chasm deep and wide,
Why build you the bridge at eventide?"*

*The builder lifted his old gray head—
"Good friend, in the path I have come," he said,
"There followeth after me today
A youth whose feet must pass this way.
This chasm that has been as naught to me
To that fair-haired youth may a pitfall be;
He, too, must cross in the twilight dim—
Good friend, I am building this bridge for him."*

ternity was purely an affair of his college days and that when he became a man he put away childish things.

If there be any such among the readers of THE RECORD, their attention is directed to the poem, "The Builder," by Will Allen Dromgoole which is reproduced on this page. In his allegory the author has well expressed the attitude of the loyal alumnus who recognizes what the Fraternity has meant to him and takes pleasure in helping to pass its benefits on to the young men who are coming on year after year.

With the exception of the eight original Founders, all initiates of ΣAE have owed something to the men who went before them and builded for them. It is not too much to ask that they, in turn, do their part to make possible an even greater ΣAE for the young initiates who are coming after them.

Undignified Publicity

and posed photographs, giving an entirely false impression of American college fraternity

life, which have appeared in various magazines emphasize the care which should be exercised by all fraternity chapters to avoid sensational and undignified publicity of every character.

Doubtless, the fraternity men who let themselves be victimized by agreeing to become the subjects of these articles and by posing for the photographs thought that they were getting some very fine publicity for their chapters and fraternities. Far from accomplishing this result, they did themselves no good and rendered a distinctly harmful service to the whole fraternity system.

That publicity is a two-edged sword all experts agree and amateurs who undertake to employ this weapon are quite likely to inflict sorer wounds on themselves than on their adversaries. While local publicity in regard to the legitimate activities of fraternity men and their chapters is entirely proper, no publicity of a national character should be attempted without the approval of national fraternity officers or college authorities.

Even in purely local publicity, the undignified and sensational should be avoided and stress laid on the scholastic character and cultural aims and ideals of fraternities. Publication of a photograph, showing the members of a fraternity chapter hovering around some alleged Hollywood beauty queen, may be very good publicity for the theater running a picture in which she appears but it is very poor publicity for the fraternity.

North Carolina Xi Builds Addition to House

North Carolina Xi at the University of North Carolina now has what it considers a model chapter house. A four story addition, including the basement, has been built on the rear of the house, which has been entirely remodeled and redecorated.

On the second floor a complete transformation has taken place. Five large rooms have been torn away to make way for a hall running the east-west length of the house with nine study rooms opening off of it. The rooms have been equipped with maple bureaus and mirrors, heavy oak desks and chairs. The sleeping quarters consist of two porches separated by a large tiled bath on the second floor of the new addition.

The third floor of the addition also has a sleeping porch and one study room. A large study room and enlarged and redecorated chapter room are located on the third floor of the house proper. The dining room and entry hall paneled in pine are located in the basement. The modernized kitchen and pantry are also located in the basement. A new card room is at the rear of the living room on the main floor. Curtains and new furniture pieces were given by mothers of active members and alumni. Miss Ada Allen of Winston-Salem aided with the decorations and designed the ladies powder room, financed by the newly reorganized Mothers club. Architect for the new addition was George Watts Carr, N.C. Θ '14, father of George Watts Carr, Jr., N.C. Ξ '40.

Ohio Theta "Round-Up"

"The most original social function in the history of Ohio State University" was the compliment accorded Ohio Theta's "Fraternity Round-Up" on last Memorial Day by nine other fraternities and sororities attending the affair. It started as a vague dream of a few members of Ohio Theta and eventually blossomed into a Wild West holiday attracting nearly 500 members of ΚΚΓ, ΚΑΘ, ΠΒΦ, ΔΔΔ, ΔΓ, ΦΓΔ, ΦΚΨ, ΒΘΠ, ΣΧ. They came in cowboy and cowgirl outfits to enjoy an afternoon of softball, volley ball, square dancing and a barbecue. Atmosphere was enhanced when Pledge Kaighan in full cowboy regalia dashed around on horseback. Invitations on branded cowhide were delivered. The event was held at Fishinger Farm by the Scioto River. ΚΑΘ won the softball trophy and the tournament was umpired by Francis Schmidt, Neb. Δ-Π '07, Ohio State coach. Because of the success of the party, Ohio Theta has decided to make it an annual affair.

Va. Omicron Loses "Brother"

Virginia Omicron at the University of Virginia mourns the death of "Brother" Will Marshall, July 21, 1940, who had served the chapter in the capacity of janitor for more than fifty years. He is remembered by all members and alumni of the chapter. The chapter provided for "Brother" Marshall for several years after he became too aged to work. He always was present at parties and at the annual banquets, occupying a table for himself directly before the speakers table. He often was called upon to give a toast for "his boys."

Northwestern Star

Taking the football limelight for Illinois Psi-Omega at Northwestern University this fall was Paul "Sniffy" Hiemenz, first string center on the Wildcat team. He stepped into the spot vacated by All-American John Haman. The unusual playing of Hiemenz has attracted the attention of many sports writers and he has been referred to as All-American material. The chapter is also represented on the varsity squad by Nick Burke and Jack Funderberg. Burke was captain of the freshman team last year, and this year has made a fine showing as guard. Members of the freshman class who have shown great possibilities are Art Gabrielson, tackle; Casey Peifer, fullback, and "Bud" Hirsch, halfback.

Injured in Plane Crash

Robert Alley, Ga. Ψ '40, was injured critically in an airplane crash in Knoxville, Tenn., September 29, 1940. Alley had rented a plane with a chum who was a freshman at the University of Tennessee and who was killed in the accident. The mishap occurred near the stadium of the university. Alley suffered multiple fractures. Prior to the accident he had decided to enter the United States Army air force.

"Universal Brotherhood"

Alumni and chapter reaction to the Souvenir Edition of the May issue of THE RECORD was given on the editorial page of the September number. It is now appropriate that attention be called to the editorial which appeared in the October issue of *The Purple News*, monthly publication at Massachusetts Beta-Upsilon at Boston University. It read: "Sigma Alpha Epsilon this year paid a real tribute to every Greek letter organization. To the editors of THE RECORD every fraternity, collegiate and otherwise, should be indebted for an interpretation of the ideals, aims and intrinsic values of fraternal organizations. Primarily designed as a tribute to the growth of ΣAE from eight members who first united in this fraternal bond eighty-four years ago at the University of Alabama to the largest national fraternity in the world today and the possessor of Levere Memorial Temple, picturesque shrine of ΣAE—the gift of a man whose foresight envisioned what such an edifice could become to a fraternity. None the less, this souvenir edition of THE RECORD is a tribute to every Greek letter organization and for the same cause it is so dedicated. From the Temple Tower of ΣAE ring the chimes each day. Here the strains of 'Violets' and 'Friends' echo over Northwestern University campus. Temple Tower speaks a universal language—that of brotherhood. To this universal cause did ΣAE dedicate this Souvenir Edition of THE RECORD—a souvenir for all mankind."

Sweethearts of ΣAE Chapters: Miss Mary Louise Anderson, Campus Beauty, Selected by South Carolina Phi at Furman University; Miss Hannah Lee Childs, NBC Artist and Daughter of Lee Childs, Ind. A '10, Named "Dream Girl" of Indiana Alpha at Franklin College.

In Memoriam

RICHARD JOHN ELY
Virginia Omicron '36

To those of us who were his fraternity brothers, to those of us who knew him well, to those of us who were his friends, Richard John ("Dick") Ely was one of the finest young men we have ever known.

Like all of us, Dick had his weaknesses, his faults, but his genuineness of character and his real manhood so overshadowed these that they fell always in the deep background.

Unlike so many alumni, Dick was always one alumnus who took real and active interest in his chapter. Never once in the time he was an alumnus did he ever forget or neglect his brothers in the bonds.

Sigma Alpha Epsilon had truly engraved its symbol upon Dick. We, the active members of Virginia Omicron of ΣΑΕ mourn not only the death of a fraternity brother, but of a friend and true man.
