DOING DOUBLE DUTY

For Fraternity Men and Women

In the ARMED FORCES

From the Aleutians to North Africa, from Pearl Harbor to Panama, from Iceland to Australia, from Germany to the Philippines, Balfour jewelry has brought together fraternity men in all parts of the world.

Although the badge is not worn on a uniform, the fraternity man's crested ring or identification bracelet is quickly recognized and is the means of making many fine and lasting friendships.

WAR PRODUCTION

Our factory is proud of the part it has played during these war years in the furnishing of vital war materials for the protection and aid of the men in the armed forces.

Such articles demand the precision, exactness and high standards of craftsmanship which have always been the standard of Balfour manufacture.

In SCHOOLS and COLLEGES

The customary prompt and complete service guaranteed under your official contract has protected the many fraternity members and is proof of our sincere desire to keep faith with those we serve under contract.

We have taken pride in surmounting many of the difficulties and restrictions of war production and we take additional pride in the 130 men and women of our company serving in the armed forces.

AWARDS

The new trend in awards is to present some useful gift to the winner—such as a fine billfold mounted with the sport insignia and gold stamped with the individual's name.

Engrossed Citations or Scrolls are used as awards for special honor or unusual service. Custom-made in the style of an old manuscript beautifully illuminated in color.

1945 BALFOUR BLUE BOOK

Rings, identification bracelets, lockets, billfolds, gifts for men and women in Service.

Presenting . . .

THE COVER: Two prominent ΣAEs check the dates for the \$10,000 Iron Lung Golf Tournament in Atlanta, Ga. At left is Cobb C. Torrance, Ga. B '21 (University of Georgia), president of the Buckhead Lions Club and ΣAE's ESDA (vice president), and at right is Robert Tyre ("Bobby") Jones, Ga. Φ '22 (Georgia Tech), Grand Slam golf champion. Dates for the War Bond event were loaned by the Augusta National Golf Club—those of the Famous Masters Tournament—April 5-6-7-8. Jones, who is president of the Augusta National Golf Club and who was recently released from the Army after a two-year tour of duty in England and France, may play in the 1945 bigtime affair. He is also shown on the cover (top), demonstrating his famous swing, taken by fast camera.

THE FEATURE: Again pictures of Gold Stars take a large part of the magazine. In this issue are more than 40 reproductions of photographs of members who have given their lives in service. Parents and families of Gold Stars are requested to send photographs for the magazine and for permanent framing in the Gold Star Gallery in the Levere Memorial Temple, shrine of ΣAE, in Evanston, Ill.

■ Sgt. Edgar Raymond Attebery, Wash. A '46, paratrooper with the Army in France, was killed in action, September 27, 1944. He had been overseas since May, 1944, at first based in Italy. He took part in the airborne invasion of Southern France, August 15. His mother in Seattle, Wash., received a letter from him, dated only one day before his death. His father, Lt. Col. E. Raymond Attebery, died in New Guinea while serving as chaplain with the 41st division.

LT. VEREEN BELL
(294)

■ Lt. Vereen McNeill Bell, N.C. O '32, author of *Swamp Water* and the son of Supreme Court Chief Justice R. C. Bell of Georgia, died of wounds when his ship, the *Gambier Bay*, was sunk by the Japanese in the second battle of the Philippines, October 26, 1944. He had been reported as missing in the December, 1944, issue of THE RECORD. He was serving as a Naval air combat intelligence officer and had volunteered for the Navy in 1943. His ship was an escort aircraft carrier and was sunk off San Bernardino Strait during a surprise attack by the Japs. His latest story was "Sis," published in *Collier's* November 11, 1944, and depicted an anxious father whose son was missing in action. Lieutenant Bell was reported missing in action by the Navy Department on November 14. His novel *Swamp Water* was produced as a movie. Lieutenant Bell is survived by his wife and two sons, aged 10 and 5, in Thomasville, Ga. He had participated in the following invasions:

Saipan, Tinian, Guam, Peleliu, Ulithi Atoll, and Leyte. A memorial service for Lieutenant Bell was held at the Presbyterian Church in Thomasville, January 21, 1945, and the Rev. John H. McKinnon, N.C. Θ '32, of Concord, N.C., delivered the memorial address for his former classmate at Duke University.

**CAPT. LAURENCE B. BONNER
(333)**

■ Capt. Laurence B. Bonner, W.C. P '33, company commander, was killed in action on Saipan, June 17, 1944. He was awarded the Purple Heart posthumously and the amphibious tank battalion received a Presidential citation. Captain Bonner entered the Army in June, 1942, and was commissioned at Fort Knox, Ky., in December. He was promoted to first lieutenant in August, 1943, and became a captain in January, 1944. He had participated in battles in the Marshall Islands, Kwajalein and Eniwetok.

**PFC. HECTOR COFFIN
(278)**

■ Pfc. Hector Coffin, III, Tenn. K '43, died at the Kennedy General Hospital in Memphis, Tenn., September 12, 1944. He was buried in Knoxville on September 14, his 23rd birthday. While a student at the University of Tennessee he volunteered for service and was placed in the Army dentistry school. Death was due to a heart ailment. He was the son of Hector Coffin, Jr., Tenn. K '06, and the brother of Midshipman Charles Coffin, who was a pledge at Tennessee Kappa, and James P. Hector of Tennessee Kappa.

**LT. RICHARD COZENS
(312)**

■ Lt. Richard Cozens, Wash. B '45, died in a Fort Worth, Texas, hospital, August 17, 1944, as a result of injuries received in a plane crash near Breckenridge, Texas, August 5. ■ Lt. Merwin W. Jacobson, *N.C.* N '43, co-pilot of a B-24, has been reported as missing in action over Italy, but it is believed that he may be a prisoner as reports from crew members stated that all landed safely after bailing out of their crippled ship. Seven of the crew of ten have been accounted for, two of which are prisoners and five have returned to their base. Lieutenant Jacobson's parents in Baltimore, Md., have heard directly from one pilot.

LT. JOHN L. MASON

■ 2nd Lt. John L. Mason, *Ohio* E '45, has been missing in action since December 16, 1944, according to word from his father in Cincinnati, Ohio, who received an official statement from the Government. Lieutenant

LT. WILLIAM C. ARTHUR

■ 2nd Lt. William C. Arther Jr., *N.Y.* A '46, co-pilot of a Flying Fortress, has been missing in action since July 19, 1944, after being shot down near the target of Augsburg, Germany. It has been reported that five of the crew of nine are prisoners of the Germans but no report concerning Lieutenant Arther has been received. He won his wings in January, 1944, at the Columbus Army Air Base.

CAPT. RICHARD E. BOHANNON

■ Capt. Richard E. Bohannon, *Va.* K '41, pilot of a troop carrier in the Army Air Corps, has been reported as missing in action over Holland since September 17, 1944, according to the War Department. Captain Bohannon holds the Air Medal with two Oak Leaf Clusters and a Presidential citation

Mason's division arrived at the front line approximately December 13 at the point where the German break-through occurred on the 16th. Seven thousand men were listed as missing and Lieutenant Mason's infantry regiment was reported cut off and isolated at the beginning of the attack. Lieutenant Mason was inducted more than two years ago and went overseas in October, 1944. He served as Eminent Archon of Ohio Epsilon at the University of Cincinnati.

LT. CHARLES MISKEVICS

■ Lt. Charles Miskevics, Pa. O '38, B-24 navigator, has been missing over Germany since July 7, 1944. He was stationed at a heavy bombardment base in England and had participated in 20 combat missions. He had taken part in the aerial bombardment of the French coast before D-Day. On his last mission he also was acting as bombardier as the regular man had been wounded on a previous mission. Lieutenant Miskevics failed to return from a mission over Bernburg, Germany, and no report has been received concerning his plane. He holds the Air Medal.

PFC. WILLIAM G. MIZE

■ Pfc. William G. Mize, Jr., Miss. F '45, has been reported as missing in action in Germany since December 17, 1944. He was in France on December 7, in Belgium on December 10 and in Germany, December 13. He was in a division in which 1200 were wounded, 400 killed and the remainder reported missing. Before going overseas last October, he was at Camp Atterbury, Ind.

MAJ. GEORGE J. OXRIDER

■ Maj. George J. Oxrider, Va. O '40, has been missing in action over Poland since April 9, 1944. He was pilot of a B-17 Flying Fortress and had participated in many major engagements. He holds the Air Medal with three Oak Leaf Clusters, the Distinguished Flying Cross and the British Distinguished Flying Cross. On March 20, 1944, as co-pilot of the plane "Lady Stardust II," he managed to release by hand bombs which were stuck in the bay of the ship. He first won public acclaim when he brought a B-17 back to safe landing in England after the crew had bailed out on his orders. This episode happened in February, 1943, when the plane was returning from a raid on the enemy submarine pens at Brest. In England since October, 1942, Major Oxrider had participated in every major raid.

CAPT. ROGER E. PARRISH

■ Capt. Roger E. Parrish, Jr., Tenn. H '41, in command of a B-29 Superfortress in the China-Burma-India theater since June, 1944, has been reported missing in action while on a bombing mission over Japanese held territory since December 7. His parents in Jackson, Tenn., received a report from the War Department, December 16. Captain Parrish entered the Air Forces in December, 1940, as an aviation cadet. He received his training at Lakeland, Fla., Gunter Field, Ala., and Barksdale Field, La. He was assigned to the transport command at Long Beach, Calif. In November, 1941, he received his four-engine transition training at Albuquerque, N.M. Later he entered B-29 combat training at Clovis, N.M., and then was based in India.

LT. COMDR. ROBERT H. PRICE

■ Lt. Comdr. Robert H. Price, Ind. B '37, air officer aboard an aircraft carrier on duty in the Pacific, has been listed by the Navy Department as missing at sea after being reported as washed overboard during a typhoon, December 18, 1944. It was re-

ported unofficially that he was swept from the flight deck while fighting a plane fire, but the Bureau of Personnel has informed his wife in Shelbyville, Ill., that no details in connection with his disappearance have been received. He was a regular Navy officer for eight years and held the Distinguished Flying Cross and Air Medal. In the December, 1944, issue of *THE RECORD*, an article told of his rescue after 11 days on a raft. Commander Price was initiated at Purdue University and after one year there, he went to the University of Illinois for three years. He was stationed as a Naval observer in Singapore at the start of the war. He participated in almost all of the major Pacific actions from the Wake Island raids of October, 1943, to the Bonin Island raids in June, 1944.

SGT. ALBERT R. TILLOTSON

■ Sgt. Albert R. Tillotson, Jr., Colo. A '43, crew chief of a C-47 transport (Skytrain), has been missing over France since June 6, 1944, according to word received from his brother in Tampico, Mexico. Sergeant Tillotson who goes by the name of "Bob" was sent overseas in February, 1944, as an assistant crew chief in a troop carrier squadron. He was given complete charge of a C-47 as crew chief in May. On June 6 his plane was in a group which left a base in England on a paratroop mission to the East coast of Cherbourg Peninsula. When the group of planes entered an overcast near Barneville, France, Tillotson's plane did not reappear. Ten of the 22 men aboard the plane have been reported as killed in action.

SGT. GLENN W. BORDNER

■ Sgt. Glenn W. Bordner, Ind. Γ '43, is a prisoner of the Germans in Stalag Luft No. IV, according to word received from the War Department by his wife in Fort Wayne, Ind., November 2, 1944. He participated in an important bombing mission against enemy ground installations somewhere in Hungary on August 29, 1944. His Liberator crashed and burned but the crew was able to bail out and land near Mahacs, Hungary, along the Danube River. He received the Purple Heart for wounds received as a result of enemy gunfire and the Air Medal and Oak Leaf Cluster for outstanding performance in line of duty.

LT. EARL W. CARLSON

■ Lt. Earl W. Carlson, N.D. A '42, paratrooper who participated in the Normandy and Holland invasions, has been a prisoner of the Germans in Oflag 64 since December 9, 1944, after being reported missing in action September 17. He entered service in 1942 and was assigned to the armored

division, but was accepted for paratroop duty in 1943 and trained at Fort Benning, Ga., and Camp McCall, N.C. He went overseas in February, 1944. He received the Presidential citation for extraordinary heroism and outstanding performance of duty against the enemy in Normandy. Lieutenant Carlson has informed his parents in Minneapolis, Minn., that he is "with many fine fellows."

LT. J. FRED EDEN, III

■ 2nd Lt. J. Fred Eden, III, *Ga.* Ψ '40, son of J. Fred Eden, Jr., *Ga.* Ψ '06, is a prisoner of the Germans in Stalag Luft No. III, Stalag Luft No. I, after being reported as missing in action over enemy territory February 20, 1944. He was a navigator on a B-24 Liberator and went overseas in October, 1943. He was awarded the Air Medal in October, 1944 at Cochran Field, Macon, Ga. The medal was given to his mother with appropriate ceremonies.

LT. EVERETT C. KAMPS

■ 2nd Lt. Everett C. Kamps, *Ohio* Δ '45, is a prisoner of the Germans in Stalag Luft No. III after being missing in action follow-

ing raid over Ploesti, Roumania oil fields, May 31, 1944. He was a navigator on a Liberator and was reported missing, June 14, but news was received on July 10 that he was a prisoner. His plane was hit by flak over the target but it managed to return as far as the coast of Yugoslavia where the plane was hit by flak again. The crew was forced to bail out and only the pilot escaped. Lieutenant Kamps holds the Air Medal and an Oak Leaf Cluster and his unit had received three Presidential citations. He was based in Italy. Word from him at the prison camp said that he was well.

LT. DICK J. WHITE

■ 2nd Lt. Dick Jones White, *Ark.* A-T '45, co-pilot on a B-17, missing over Germany since November 21, 1944, has been reported as a prisoner of the Germans in Stalag Luft No. I, according to a short wave message, January 8, 1945. His message to his parents in Blytheville, Ark., said: "I am safe, well and uninjured and a prisoner of the Germans." Lieutenant White was on his ninth mission when his plane was shot down. He was awarded the Air Medal after his first eight missions.

Whereabouts Unknown

■ Capt. John R. Richardson, *Mont.* A '38, who was reported missing at Mantos in the Philippines, November 11, 1942, and later reported as a prisoner of the Japanese in Military Prison Camp No. II, is now listed as "whereabouts unknown" by the War Department, according to his wife, 2nd Lt. Henrietta F. Richardson, Army Nurse Corps, located at Station Hospital, Baer Field, Fort Wayne, Ind. Mrs. Richardson reported that she had been informed in November, 1944, that Captain Richardson was aboard a Jap freighter being transferred from the Philippines to Japan and the ship was bombed and sunk. Some of the prisoners escaped, some were lost and others were recaptured. It is believed that Captain Richardson was recaptured. The Red Cross and War Department are attempting to find out more about his fate. He is still listed in the ΣAE records as a prisoner of the Japanese.

The Government of Sigma Alpha Epsilon

THE GOVERNMENT of Sigma Alpha Epsilon, along with the growth of the Fraternity, has come to be a complicated structure. Most of you are familiar with the names of the various parts; some of you understand how these parts fit together into the pattern which is the unity, Sigma Alpha Epsilon. Many of you have rather vague ideas in regard to some of these parts and functions. The purpose of this address is to describe the government of our Fraternity, to describe its parts, to define and explain the functions, and to clarify some of the vagueness and misunderstanding by showing how the various parts and functions are fitted together into the national unity.

The material will be divided into four general sections:

- I. A simple statement about the Fraternity.
- II. A description of the governing bodies, agencies, and officers of the Fraternity, with organization charts.
- III. A description and discussion of the funds of Σ A.E.
- IV. A discussion of the nature of the government of Σ A.E.

I. A Simple Statement About the Fraternity

With all of its complexity, it is possible to make a rather simple statement about the Fraternity, Σ A.E., which for general purposes of description might suffice. It is a Greek letter fraternity, founded in 1856, at the University of Alabama, with Chapters in 113 colleges and universities in the United States of America. There are Chapters in 45 of the 48 states, but no Chapters have been placed in Canadian institutions. At present there are about 60,000 initiated members. Ninety-five of the Chapters own houses, and the evaluation of these Chapter houses is approximately \$3,000,000. The Fraternity also uses a debt free general headquarters, known as the Levere Memorial Temple, which together with its various funds and investments make a total of nearly \$1,000,000.

The Fraternity publishes a quarterly magazine, *THE RECORD*, which has a circulation of 46,000 copies, the largest circulation of any fraternity magazine, also a confidential publication known as the *Phi Alpha*, which is published on occasion. It has an organized alumni group, made up of 59 Founders, 2,850 Life Members, and several thousand annual members of the Chapter National. It has an amazing record in the Second World War, with 12,300 members in uniform, and a Gold Star list of 242 members who have given their lives. Finally, Σ A.E. has an unusual, unique, democratic form of government.

This simple statement gives the general picture without any of the details.

Eminent Supreme Archon
(Delivered before the Tenth Leadership School, August 24, 1944)

II. A Description of the Governing Bodies, Agencies, and Officers of the Fraternity, with Organization Charts

Three charts have been prepared to give a visual demonstration of the organization of Σ A.E. These are numbered Charts I, II, and III. **No. I** is a simple, line chart, of the six units which are most commonly considered in thinking of the governing bodies, beginning with the National Convention, then dropping down through the Supreme Council, the Eminent Supreme Recorder, the Province Archons, the Chapters, and finally the individual members.

Chart II is more complicated, but essentially a simple chart showing the working organization and the chief units which function between conventions. To it are added the Board of Trustees, the Levere Memorial Foundation, *THE RECORD*, the Chapter Supervisor, the Alumni Associations, and the members of the Chapter National with lines of authority to show the connections between these various units.

Chart III is a more complicated chart, placing before you the complete organization of the Fraternity, with all of the various parts in relation to each other and the Fraternity as a whole. At the top is the National Convention. The law is perfectly clear in this matter, Section 7 stating, "The supreme power of the Sigma Alpha Epsilon Fraternity is vested in the National Convention." The duties of the National Convention are many, and include: the receiving of reports of officers and committees; the election of the Supreme Council, the Eminent Supreme Recorder, the Board of Trustees, and the Director of Leadership Training; amending or changing the National Laws; granting charters; setting the time and place of the next convention; doing any other special work which the times and the needs of the Fraternity may produce. Σ A.E. is essentially governed by laws, which are made by the National Convention. Its officers, in the interim interpret and administer these laws, but may not change them.

At the left of the National Convention and down slightly, connected with both the National Convention and "Administration" is the Board of Trustees. This Board, residing in New York City, has numerous duties, chiefly devoted to the investing and handling of certain funds of the Fraternity. It receives, holds, and invests the National Endowment Fund and *THE RECORD* Life Subscription Fund. It reports on its transactions to the Supreme

Council and to the National Convention. It pays over income from its investments to the Supreme Council to be used in the publication of *THE RECORD* and in the general operation of the Fraternity, all in accordance with the provisions of the National Laws, and is subject to audit and examination at any time.

Directly under the National Convention and also joined to the Board of Trustees is a large box marked Administration. Inside this box are three names, the Supreme Council at the left, the Directors of Sigma Alpha Epsilon (Corporate) and Trustees of the Levere Memorial Foundation. The reason for this method of description is that the Supreme Council serves, by National Law and simultaneously, as all three of these bodies, the duties of each being different. These duties will be described, showing how the Supreme Council functions in each capacity.

First, as Supreme Council, the duties are defined by law. The Supreme Council is made up of five members. Its duties according to the law are: Section 21, "The Eminent Supreme Archon is the chief executive of the Fraternity. He shall preside over all meetings of the National Convention and all meetings of the Supreme Council." Sec. 41-5, "The Supreme Council . . . shall generally formulate the policy upon which the business details of the Fraternity shall be conducted from the National Offices."

Each member of the Supreme Council has special duties assigned to him. The Eminent Supreme Archon is the presiding and executive officer. The Eminent Supreme Deputy Archon assists the Eminent Supreme Archon and performs such other duties as are assigned to him. The Eminent Supreme Warden gives special attention to the finances of the Fraternity. The Eminent Supreme Herald is especially concerned with alumni supervision. The Eminent Supreme Chronicler is given special duties as they arise. The Eminent Supreme Recorder sits with the Supreme Council, acts as its secretary, and performs the duties delegated to him by the Supreme Council and the National Laws. He has no vote on the Supreme Council.

Council Duties

Some of the many duties of the Supreme Council, between conventions are as follows: represent the National Convention between sessions; propose plans of action; appoint the Secretary, Treasurer and other officers; fill vacancies in National and Province offices between conventions; formulate and supervise the business details; work with the Eminent Supreme Recorder; grant alumni charters; assist Chapters with trials and hear appeals; take a specific part in the extension procedure; suspend charters; supervise publications; appoint the Collection Attorney; appoint the Scholarship Commissioner; approve the plans for the Leadership Schools; appoint the Legal Counsel; appoint such committees as are needed to carry out the mandates of the National Convention; study the general policies and progress of the Fraternity. The Supreme Council meets every six months at the National Headquarters in

Evanston, usually for three days, and conducts its business sessions in the Supreme Council Room of the building. At each meeting, one Province Archon and one active Chapter representative attend as observers.

Under the Supreme Council, connected directly with it and by dotted line directly to the National Convention, is the Eminent Supreme Recorder. The Eminent Supreme Recorder shares this box with the Central Office, which is under his direct supervision. The Eminent Supreme Recorder does the work of the Fraternity. He is elected by the National Convention. He works under the direct supervision of the Supreme Council. On the chart, and directly under the Eminent Supreme Recorder are the Chapter Supervisor, the Visitation Officers, the Office Staff, and Publications. The chief duties of the Eminent Supreme Recorder, as defined by law, include: *Secretarial*—records, correspondence, forms; *Editorial*—Editor-in-Chief and Business Manager of THE RECORD and *Phi Alpha*; *Financial*—all collections, disbursements, and financial operations; *General*—visitation and Chapter supervision. This is only a brief outline of the numerous duties of the Eminent Supreme Recorder, whose duties are covered under Section 26 of the National Laws.

Province Officers

On the line which connects the Eminent Supreme Recorder with the Supreme Council, is the next administrative unit, namely the Province Convention and the Province Officers. To be entirely accurate, the chart should show the 12 Provinces, with the conventions and officers, but this skeleton chart shows them as a single general unit. The duties of the Province Conventions and Province Officers are the regional and district duties which the conventions and officers establish for their particular needs, also such duties as are forwarded to them by the National Convention and Supreme Council.

Below the Province Conventions and Archons are the Chapters Collegiate. Again to be exact, the 113 chapters should be shown, but that is impractical in this chart. Here are the working units of the Fraternity. Under the Chapters Collegiate are the officers and individual members of the Chapters, the House Corporations, which are the holding corporations for the chapter houses, the Chapter Advisers, the House Mothers, the Counselors, and the Minerva Clubs.

This establishes the general lines of authority, as in Chart I, from the National Convention down to the individual member, but with numerous additions showing the rounding out of the organization in its component parts.

Next is shown the line of authority for the Director of Leadership Training and the Leadership School. This is connected directly with the Supreme Council which approves programs submitted to the Supreme Council by the Director of Leadership Training, and by dotted line to the National Convention, since the Director is elected by the National Convention. The duties of the Director of Leadership Training are to formulate and plan with the approval of the Supreme Council, programs for the Leadership School.

A third main line of authority drops from the Supreme Council division of administration, to four officers and committees which are closely related in their functions to the Supreme Council. These in order are:

The Extension Investigation Committee, a permanent committee appointed for the purpose of considering institutions which might be likely localities for future Chapters of the Fraternity, also for study of local groups which might at some future date apply for charters of the Fraternity. This committee is given authority by law to make very specific recommendations in regard to educational institutions and local organizations, in other words, to clear them for positive action or to recommend that consideration be postponed or dropped.

The Legal Counsel, as his name implies, is the general counsel for the Fraternity, and gives legal opinions on any matters referred to him by the Supreme Council, or calls attention to any seeming misinterpretations of the National Laws by the Supreme Council.

The Chaplain of the Levere Memorial Temple is the recognized religious officer of the Temple, who meets with the Supreme Council, or with other groups meeting in the National building. He is available for memorial services, or any other ceremonial in which a religious element is present.

Scholarship Stressed

The Scholarship Commissioner is the official registrar of all Chapter academic ratings. He studies the scholastic standing of our various Chapters, presents reports for study by the Fraternity, and makes specific recommendations in regard to Chapters which are in need of scholastic assistance, or deserving of special praise for excellence.

The fourth main line of authority from the Supreme Council goes to the Alumni Associa-

tions, the Alumni Program, and the Key Men of ΣAE. Alumni Associations are recognized alumni units, organized in accordance with the National Laws, and eligible for representation in National Conventions. The Alumni Program is the new program, headed by Dr. Robert Aurner, and ably assisted by Harry Griswold. This Alumni Program, which is one of providing opportunities for many alumni to participate in the work of ΣAE, in a whole new field of activity for the Fraternity; the men who have demonstrated their qualifications to be so honored are being designated as the **Key Men** of ΣAE, an organized group of alumni laymen in ΣAE, who do not hold National or Province offices, but who by their interest and activities have been recognized as especially deserving of honor.

This completes the description of the Supreme Council phases of administration. The second phase of the administrative work is that of the Directors of Sigma Alpha Epsilon (a corporation). By National Law, the members of the Supreme Council also serve as the Direc-

(CHARTS I AND II, STREAMLINED VERSIONS)

tors of ΣAE, a corporate structure, organized and officially registered under the laws of the State of Illinois. This entity is merely to satisfy the Illinois Law, and the corporation meets as required by state law, elects its officers, reports the officers to the Secretary of State, and its duties are completed.

The third phase of administration, with the Supreme Council serving in a third capacity, is as Trustees of the Levere Memorial Foundation. Under this phase will be found two units, the Advisory Council and the Levere Memorial Foundation Building Committee. The Supreme Council's duties as Trustees of the Levere Memorial Foundation include the care and maintenance of the Levere Memorial Temple, the handling of trust funds of the Foundation, including the scholarship, loan and sustaining funds of the Foundation, and to handle any other business or funds which may be referred to it. When sitting as the Trustees of the Levere Memorial Foundation, the Trustees are aided by an Advisory Council, which is a committee of residents in the vicinity of Chicago, who advise and assist in the investing of the funds of the Levere Memorial Foundation. Also, the Trustees are aided in their care and maintenance of the Temple, by the Levere Memorial Foundation Building Committee which constantly examines the Temple building, watches for failures of construction or equipment and makes such recommendations as are necessary, in order to maintain the building in first class condition at all times. Repairs, improvements and additions all come from this committee.

In short, there is the National organization, from National Convention to individual member, with all of the various parts connected to make the unity which is the National Fraternity, ΣAE.

III. A Description and Discussion of the Funds of Sigma Alpha Epsilon

Eight General Funds

There are eight general funds of the Fraternity, administered by three different units of the National Organization. These are listed below, along with the amount as of this date, and the administrative unit which deals with each:

Name	Administered By	Amount
I. General Funds	Supreme Council	\$30,315.44
II. Convention Fund	Supreme Council	13,955.49
III. National Endowment Fund	Board of Trustees	32,156.24
IV. RECORD Life Subscription Fund	Board of Trustees	440,483.54
V. Levere Memorial Temple Sustaining Fund	Trustees of Levere Memorial Foundation	12,043.75
VI. Student Loan Fund	Trustees of Levere Memorial Foundation	6,558.77
VII. Special Scholarship Fund	Trustees of Levere Memorial Foundation	28,360.70
VIII. Property Assets (Temple)	Trustees of Levere Memorial Foundation	423,517.21
	TOTAL	\$987,391.14

This would indicate that as of this date, the assets of the National Fraternity stand at a figure just under one million dollars and at the time of the next report, will undoubtedly be over that figure. Each of these funds will now be discussed, from the standpoint of source, how it is used, and any special comments which may be appropriate.

I. The General Funds of the Fraternity

These funds, amounting to \$30,315.44 are the working funds of the Fraternity, the cash on hand at this moment. The total changes daily, as income is received and bills are paid. The source of this fund is multiple. Ten dollars from each initiation goes into it, the semi-annual dues of active Chapter members, Chapter National dues from alumni, a percentage from the sale of merchandise, royalties from jewelry, and income from the National Endowment Funds are the chief sources. The principal is expended as it is needed to meet general running expenses, and the Supreme

Council is the administrative unit which authorizes expenditures from it.

At the moment, this fund represents only three percent of the assets of the Fraternity, compared with an operating fund of 10 to 20 percent of total assets in cash for average business operations. It represents income from both active Chapter men and alumni. A comparison of the source of this fund in the years 1942-43 and 1943-44 shows how important has been the contribution of the alumni in the latter year when the war has driven the income from active Chapters to the lowest figure in years. In tabular form, this comparison is as follows:

	1942-43	1943-44
Active members		
Initiation fees	\$28,670	\$13,520
Dues	37,560	13,345
Total	66,230	26,865
Alumni members		
Investments from gifts	14,000	14,200
Chapter National Dues	11,446	16,505
Total	25,446	30,705

How fortunate ΣAE has been, that its governing body, and particularly its ESR, has sought and secured the assistance of the alumni in these trying times.

II. The Convention Fund, \$13,955.49

This fund, by law is derived from 12 percent of all dues and the \$10 initiation fee paid by the initiate. All is accumulated until a convention is held, when all is used to pay for the costs of the convention. The great proportion goes to the delegates of the active Chapters, to pay their traveling expenses to and from the meeting, and their living expenses during the convention. It is administered by the Supreme Council and the Convention Fund Committee of the National Convention.

III. The National Endowment Fund

This fund, amounting to \$32,156.24, is derived from Founders and Life Memberships in the Chapter National, and from special gifts. It is administered by the Board of Trustees, only the interest from its invested funds is available for use, and this income is forwarded to the National Headquarters and added to the general funds for operations. This fund comes almost entirely from alumni and its in-

come is used almost entirely for the benefit of the active Chapters.

IV. THE RECORD Life Subscription Fund, \$440,483.54

This, the largest single fund of ΣAE, represents the wisdom of our earlier officers and conventions, when they established this fund as the permanent fund devoted to the publication of THE RECORD. Ten dollars from every initiation fee is forwarded at once to the Board of Trustees, added to this fund, and invested. The income from these investments is used to pay for the publication of THE RECORD. Each initiate gets back more than his contribution in his life subscription to THE RECORD.

It is interesting to note that over \$150,000, nearly one third of the National Endowment and RECORD Life Subscription Fund has been lent to Chapter House Corporations, in the form of mortgage loans, which pays a reasonable income from the investment angle, and provides loans for Chapter houses at low rates.

This is a splendid service which the National Fraternity has rendered to local Chapters.

V. The Levere Memorial Temple Sustaining Fund, \$12,043.75

This fund is derived from gifts of any kind especially made to this fund, almost entirely from alumni. It is invested, and only the interest from investments may be used to improve or maintain the Levere Memorial Temple. It is administered by the Trustees of the Levere Memorial Foundation, and as it grows it will relieve the general funds which must be used in part to provide housing for the National Offices.

VI. The Student Loan Fund, \$6,558.77

This fund, the smallest single fund, comes from gifts, fines, earnings from loans, and small remnants from the Convention Fund. At this stage, both principal and interest are used for loans to students. It is handled by the Trustees of the Levere Memorial Foundation, and like most student loan funds, is rather inactive at the present time. It is entirely for the benefit of men in the active Chapters.

VII. The Special Scholarship Fund, \$28,360.70

This fund represents a single gift from a single alumnus, who designated it as a special fund for loans or scholarships. It is administered by the Trustees of the Levere Memorial Foundation and to date has been inactive as a beneficiary fund.

VIII. Property Assets, \$423,517.21

The figure represents the value of the building, land, and furnishing and equipment of the Levere Memorial Temple. Gifts from alumni met the major portion of the cost, and it is entirely debt free, one of the most remarkable achievements in the fraternity world today. It houses the National Offices and provides facilities for numerous fraternity meetings. It is rapidly becoming a center for the benefit of ΣAE and for the entire Greek letter world. It is the only building of its kind in the world, and its fame has spread throughout the world. It is administered by the Trustees of the Levere Memorial Foundation.

These funds of ΣAE make a grand total which is truly imposing. It has been the general policy of the Supreme Council to return to the active Chapters through services rendered every dollar the active Chapters put into the National Fraternity, plus a considerable dividend from alumni support. It would seem at first glance that this is a great sum of money, and that special aids might easily be available, but it must be remembered that the general funds represent only a small percentage of the total funds, and that all except the general funds are ear-marked for special purposes, and that, from most of them, only the interest from invested funds may be used for the purposes stated by our national laws.

IV. A Discussion of the Nature of the Government of Sigma Alpha Epsilon

It seems proper to make a statement in concluding this discussion of the government of ΣAE, a statement in regard to the nature of the government which we have made for our Fraternity. I have mentioned that we have a unique and unusual form of government.

What is this government like? The National Laws are perfectly clear on this point—"The Supreme power of the Sigma Alpha Epsilon Fraternity is vested in the National Convention" (Sec. 8). Consequently, no matter of great concern can be settled except by and at the national conventions. Furthermore, the system of elections of officers of ΣAE, on a basis of merit, with specific periods of office holding make it practically impossible for any small group to secure the power of the Fraternity unto themselves and by self perpetuation, retain themselves in office permanently.

Our Province officers are not appointed by the Supreme Council—instead they are elected by the representatives of the Chapters making up the Province in the Province conventions.

System Is Unique

No other Greek Letter fraternity utilizes a system of election of members to its Supreme Council, or whatever it may call its administrative group, advancing them through various positions of importance, until they reach the top, then requiring them to retire from office so that other experienced and deserving men may have their opportunity to prove their worth. No other fraternity has provided such an opportunity for service with the development of our various administrative units and now our new Alumni Program.

In viewing our form of government, which places the Supreme Power in the National Convention, we are forced to make a choice between two forms of administration:

1. A strong central control, leaving most of the government to a small group, making for efficiency of operation, but with loss of democracy.
2. A democratic plan, such as we have, with less efficiency, with slower and more ponderous mechanisms, but with a completely representative form of government.

We have chosen the latter form. We are hedged with checks and balances, which we have provided for ourselves. We are sometimes critical of our officers because they seem to move slowly in matters which at first glance should seem to move more rapidly. But remember, always, that the Supreme Council merely administers and interprets the National Laws. The National Laws are made by the convention, and every member of the Supreme

Council is sworn to uphold the National Laws to the best of his ability and to the satisfaction of his conscience. Ours is a government of laws, and the laws are made by our own members after careful consideration.

Another choice which we must make in the nature of our government is its nature from the standpoint of benevolence. Should the governing body of ΣΑΕ be a great charitable organization, ready with funds and personnel to come to support the individual Chapter which is in need of assistance? Or should the government take the stern attitude that it exists to govern rather than to give? Should it say to the individual Chapter, in no uncertain terms—"yours is a local problem. Put your house in order, if you expect to retain your benefits from participation in this National Fraternity"?

One of the Presidents of the United States expressed in clear terms the attitude which has been the prevailing philosophy of the Supreme Council of ΣΑΕ on this point when he said: "It cannot be denied that . . . selfish and private interests . . . are related to, if they are not responsible for the sentiment which prevails among some people that the General Government is the fountain of individual and private aid; that it may be expected to relieve with paternal care the distress of citizens and communities, and that from the fullness of its treasury it should, upon the slightest possible pretext of promoting the general good, apply public funds to the benefit of localities and individuals. The lesson should be constantly enforced that though the people support the Government, the Government should not support the people. The Government is not an almoner of gifts among the people, but an instrumentality by which the people's affairs should be conducted upon business principles, regulated by the public needs."

The Supreme Council has interpreted the National Laws of the Fraternity for many years with just this principle in mind, that the National Government of ΣΑΕ exists to govern. It should be supported by the Fraternity, but does not exist to support the Fraternity. If the day comes when this is reversed, then on that day will end our progress which has been the greatest of any Greek letter fraternity.

Democratic Form

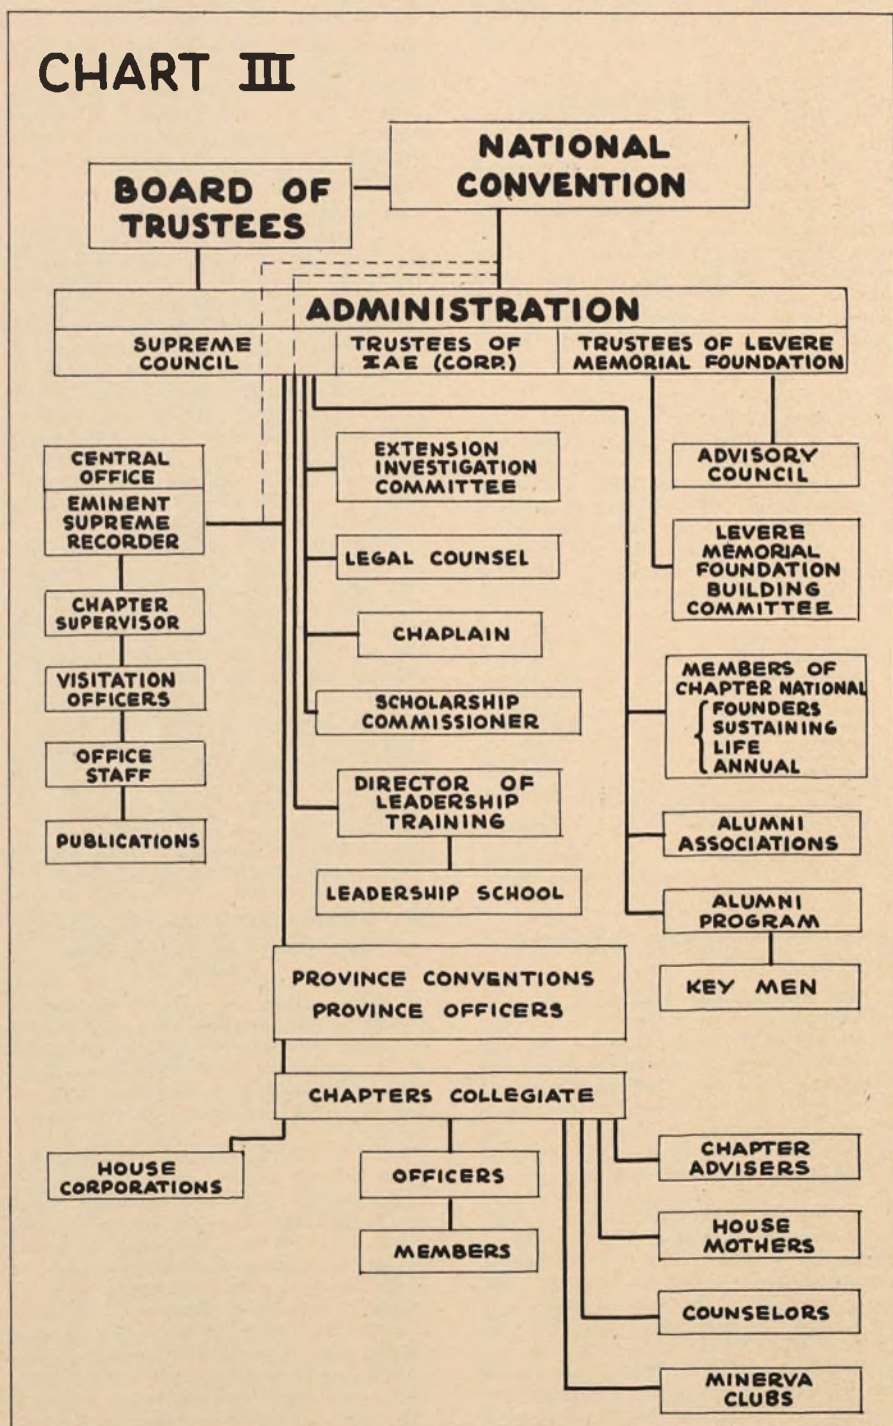

Ours is not a perfect government. Whenever we reach perfection, what goal will we have and for what will we strive? We believe that it is a good government, and we believe that it is the best government for us. It is truly democratic. It is a government of laws.

I have stood before you on this occasion as the Eminent Supreme Archon of ΣΑΕ. You, the individual member, and I will eventually attend the next national convention of our Fraternity. When that day comes, the Eminent Supreme Archon and you the member, as the delegate from a Chapter Collegiate, will each have one vote in the convention, and the votes will have equal value. We hope that we may continue to have this form of government.

You have listened carefully and patiently to this address. Your Eminent Supreme Archon hopes that you will leave with three things clarified and more easily pictured in your minds:

1. The organization of the government of ΣΑΕ.
2. The financial structure of ΣΑΕ.
3. The philosophy which lies behind the form of government which we have chosen for ΣΑΕ.

The Fraternity . . . in Service

Maj. Gen. Wooten ... In South Atlantic

A BLAZING career in the Army has been made by Maj. Gen. Ralph H. Wooten, Ky. I '14, and since May, 1944, he has been in command of the United States Army Forces in the South Atlantic Theater. One of his most recent activities was to make an inspection tour of all the Allied fighting fronts.

Maj. Gen. Wooten started his Army career back in 1917 as a second lieutenant in the infantry, but transferred to the aviation section of the Signal Corps in 1918 and received flying training at Kelly Field, Texas, later being assigned as flying instructor and squadron commander at Love Field, Dallas, Texas, where he remained for the balance of World War I. After receiving orders for overseas service, he was stopped at the port of embarkation when the Armistice was signed.

In May, 1919, he was transferred to Hawaii and while there assisted in establishing Luke Field and Wheeler Field, and was one of the first officers of the Air Service to make flights to all the islands of this group. In 1922, General Wooten was transferred to Langley Field, Va., where he served as Post adjutant and as a student in the Air Corps Tactical School, graduating in 1924.

As a Captain he was on duty in the Office, Chief of Army Air Services, Washington, D.C., from July, 1924, until July, 1928. Then he was transferred to Fort Crockett, Texas, where he served as Operations Officer in charge of flying activities of the Third Attack Group. In 1929 he was assigned to duty as Military and Air

Gen. Beightler Leads 1st Troops into Manila

Maj. Gen. Robert S. Beightler, Ohio Θ (Ohio State) '13, leader of the 37th or Buckeye division, comprised mostly of troops of the Ohio National Guard, was the first divisional officer to enter Manila when the capital city fell to the Americans, February 4, 1945. General Beightler personally led his division on the day for which American troops had been fighting for three years. It was just 26 days after the initial Luzon invasion that the American forces speared the heart of Manila and freed thousands of civilian war prisoners, seized the governmental palace and pressed against little more than sniper fire. General Beightler's division entered Manila from the north, capturing Grace Park airdrome and pushed toward the Pasig river which runs through the center of the city. When the Filipinos saw two stars on Beightler's helmet they greeted him like a god. General Beightler was Σ AE's cover man for the August, 1941, issue of THE RECORD, at the time he was on duty at Camp Shelby, Miss., and showed him receiving the "scroll-of-honor" from Lt. Forrest F. Baldwin, Ohio Θ '40, after Beightler had been selected as the "Man of the Year" by his Chapter at Ohio State.

Attache with the U.S. Embassy in Santiago, Chile, where he remained until 1933.

Then General Wooten went to Command and General Staff School, Fort Leavenworth, Kan., and was assigned to the General Headquarters, Army Air Force, Langley Field, Va. Next he attended the Army War College in Washington and was assigned to G-3 Division, War Department General Staff. In 1938 he again went to Chile as Military and Air Attache at the American Embassy where he remained until 1941. General Wooten became Air Officer on the Staff of General Headquarters Army, Washington, D.C. In February, 1942, he was promoted to Brigadier General and in March, was assigned to develop and command the Army Air Force training activities at Miami Beach, Fla. After developing these activities to capacity, he was transferred to command the Air Force at Boca Raton, Fla., and ordered overseas in January, 1943, where he was assigned to command the Sixth Air Force Service Command. In November, 1943, General

Maj. Gen. Robert S. Beightler, Ohio Θ '13, Who Led the 37th Army Division into Manila, February 4, 1945.

Wooten assumed command of the Sixth Air Force and remained on this duty until May, 1944, when he was assigned to his present task in the South Atlantic.

General Wooten's decorations have been numerous honors in Brazil, Bolivia, Colombia, Cuba, Chile, Ecuador, Nicaragua, Paraguay and Peru.

Gray's Men Busy

Thousands of tons of ammunitions and supplies for the Seventh Army have been transported from the Riviera to the German frontier by Army railway units and this has been accomplished by THE RECORD's December cover man, Brig. Gen. Carl R. Gray, Jr., Mo. B '11, III. B, director general of Allied Force Military Railway Service. After the Germans heaped destruction on the railways, Gray's men put back a large percentage of the Southern France lines in action with the help of French railroad workers. The first trains were operated two days after the Southern France D-Day. Gray's railroaders have won 77 Purple Hearts, 32 Soldier's Medals, 31 Legion of Merits, four Silver Stars and three Bronze Stars since operating in Africa and Italy. General Gray received the Distinguished Service Medal for exceptionally meritorious service to the government in a duty of great responsibility from October 20, 1943 to November 1, 1944.

From Out of Nowhere

Capt. Elliott E. Dent, Jr., Ala. M '45, Army flier, who was referred to as the "Ghost of Ormoc Bay," returned to his home on leave in Birmingham, Ala., after having made 235 missions over enemy territory in the Pacific and surviving a 20-minute dogfight with four Jap Zeros, shooting down three of them. He spent 14 days with Filipino guerrillas on Ormoc Peninsula, Leyte, after bailing out of his disabled P-38 plane. He was escorted back to his own base through Japanese lines by the guerrillas. He fooled the Japs while he was in the water . . . they thought his head was a floating coconut. He wears the Distinguished Flying Cross, the Air Medal with four Oak Leaf clusters and the Purple Heart for wounds received in combat.

Lt. Atlas H. Molnar, Ga. Φ '42, Prisoner of the Germans in Stalag Luft No. 1, since April 2, 1944.

Called Bataan Ace

In the book *Bataan*, Lt. Earl Reynolds Stone, Calif. Δ '40, Σ AE's 37th Gold Star, who was killed in action at Bataan Peninsula, March 24, 1942, is referred to as the leading ace. His brother, 1st Lt. Westcott B. Stone, Calif. Γ '42, has returned to the States after 32 successful missions over Germany. He wears the Distinguished Flying Cross, the Air Medal with three Oak Leaf Clusters and two Bronze Stars. His B-24 Liberator bomber called "The Mad Monk III," was the first bomber to return to England after the D-Day bombing of Normandy. He is now an instructor in advanced flying at the Laredo Air Base, Texas, after taking an aerial statistics course at Harvard University.

Commands New Sub

Last December Lt. Comdr. William Reynolds Smith, Jr., Mich. I-B '36, took command of the Navy's newest submarine, the *USS Bantedmor* which was launched at the Electric Boat Company yards in New Haven, Conn. Commander Smith returned to the States in October after serving as executive officer and navigator aboard a submarine in the Pacific. Smith rode the new ship down the ways after it was christened. Although he has been in the submarine service since 1939 and on duty in the Pacific since Pearl Harbor, this is his first command.

Three Years in Pacific

Maj. James T. Swann, Jr., Fla. T '38, returned to his home in Tampa, Fla., in January after spending almost three years in the Southwest Pacific. He left for overseas in January, 1942, to spend a year at Port Moresby, New Guinea. As group intelligence officer he established the first group intelligence office at a time when enemy aerial attacks and the close proximity of enemy troops greatly endangered operations. He was awarded the Army's Legion of Merit and won three Presidential citations.

In Hospital in England

Pfc. Howard D. Broomhall, Tenn. K '44, who was wounded in action in France, September 19, 1944, is recuperating in a hospital somewhere in England, according to information received from his mother in Lynchburg, Va. The last report from the War Department stated that he was recovering normally. Capt. Fred Oettinger, Pa. Θ '38,

Brig. Gen. Saunders Wants Back in Fight

WITH one leg in a third cast Brig. Gen. LaVerne G. ("Blondie") Saunders, S.D. Σ '22, who has been confined to Walter Reed Hospital in Washington, D.C., after his plane crashed in India, hopes to get well soon so that he can get back in the thick of things.

As reported in the December, 1944, issue of *THE RECORD*, General Saunders, who led the first raid of B-29's over Japan's industrial centers, was flown from India to America for treatment. His injuries were received September 17, 1944, when both engines of his twin-engine bomber failed. He lay in his wrecked plane all night, unable to move because of compound fractures of both legs and his right arm. He was rescued the next day, but infections had set in which required his removal to this country for proper care. He was flown to Washington from India by way of Iran, Iraq, Palestine, Egypt, Libya, Tunisia, Algeria, French Morocco, the Azores and Bermuda. Five stops were made enroute to check his condition, change flight crews and refuel the plane.

From a bed in Walter Reed Hospital not long ago General Saunders dictated a letter to his fraternity brothers at the Bell Aircraft Bomber plant in Marietta, Ga., where he was stationed early in 1943, to report that he was "progressing satisfactorily." The letter was dictated because his right arm was still out of commission.

General Saunders' crash in India was his second. The first occurred over Shortland Island late in 1942 when his B-17 was shot down. The pilot was killed and the co-pilot wounded. The General took over the controls and landed the bomber on the ocean although he himself was wounded. Launching a rubber lifeboat, he dragged the injured co-pilot aboard, only to watch his companion die before shore was reached.

General Saunders entered West Point from the University of South Dakota and played such a smashing game at tackle that he was named All American. He was a Major at Hickam Field when the Japs stung Pearl Harbor. Going into action immediately, he became bombardment group commander for Admiral William F. Halsey in the South Pacific. He has been awarded the Distinguished Flying Cross, the Navy Cross, the Distinguished Service Medal, the Silver Star and the Purple Heart.

is somewhere in England, after being wounded in action in Germany, according to word received from him in December, 1944. Captain Oettinger stated that he was "coming along fine" and expected to be back in the line soon. 1st Lt. John T. Eiter, Jr., Wis. A '37, was with the first unit to hit the beach on D-Day and has been in a hospital in England twice as a result of wounds received in combat. He was hospitalized the first time on July 28, 1944, and he received injuries again on December 2. Tom H. Clower, Ky. E '35, was in France and in January was reported in a hospital in England. Sgt. Leonard R. Face, Jr., Colo. Z '46, was wounded at St. Lo, France, July 12, 1944, and is now a physical training instructor at a rehabilitation center in England. Pfc. Richard E.

2nd Lt. Dick Jones White, Ark. A-T '45, Prisoner of the Germans in Stalag Luft No. 1.

Norris, Mich. I-B '30, was seriously wounded in Germany, September 21, 1944, and according to word received in December, he was hospitalized in England and was expected to return to the States at the first of the year. He was inducted in the Army in January, 1944. Lt. William Richard Humber, Ky. E '32, was reported in January as being in a hospital in England as a result of injuries received on Christmas morning while in Luxembourg, Germany. 1st Lt. Edward Phillips, Tenn. A '44, who was awarded a Bronze Star at the Battle of Aachen, was hospitalized in England after the Battle of Huertgen Forest.

Receives Severe Wound

George N. Peck, Mass. K '19, considers it a miracle that his son, S/Sgt. Arthur Peck, Mass. K '45, is still alive. Sergeant Peck was severely wounded in France, November 30, 1944. He was hit by shrapnel under the left shoulder. The shrapnel broke a rib, went through his left lung, ruptured the diaphragm and came out through the abdomen. In a letter to his parents in January Sergeant Peck said that he could be in a wheel chair for ten minutes after spending five weeks on his back. George Peck's younger son, S/Sgt. Donald Peck, Mass. K '47, has received the Bronze Star for gallantry in action. Recently he received the Combat Infantryman's badge and a 48-hour pass to Paris. Mr. Peck is a Life Member of the Chapter National. Word was received late in January that Pfc. Walter H. Brown, Pa. Z '46, was injured in France, November 10, 1944, but was expected to be discharged from the hospital and returned to his company.

Hospitalized in France

Pfc. Paul E. Gilbert, Jr., W.C. P '44, has been in a base hospital in France after receiving leg wounds in action, November 24, 1944. He was sent overseas early in October. He spent one year in Military Police at Fort Custis, Va., after volunteering for the Army in March, 1943. In March, 1944, he volunteered for the infantry and was trained at Fort Bragg, N.C. D. M. Aughenbaugh, Tenn. K '44, was wounded in France, November 15, 1944.

Wounded on Saipan

Word was received in December that Lt. Harry A. Taylor, Mich. I-B '29, was undergoing treatment at the Everglades Hospital in Miami, Fla., following his participation in the Saipan campaign.

Travis at Grand Island

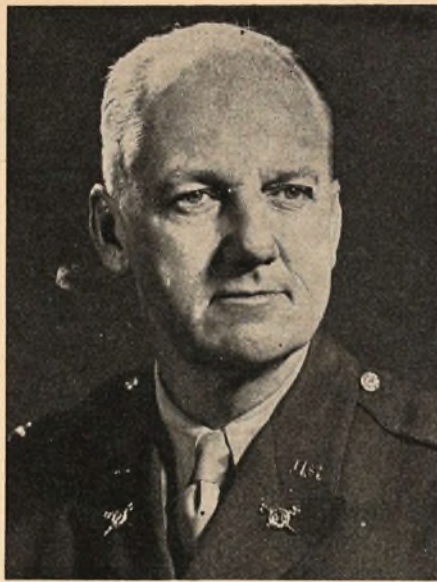

■ Brig. Gen. Robert F. Travis, *Ga. B '27*, recently returned from the European theater of operations, where as a combat wing commander he personally led 30 missions over Germany, has been named commander of the 17th Bombardment Operational Training Wing Headquarters at the Grand Island, Neb., Army Air Base.

Wounded in Belgium

■ Pvt. John McFarlin, *Fla. T '47*, was wounded in Belgium, January 3, 1945, according to word received from his mother, Mrs. Joree McFarlin, house mother of Florida Upsilon at the University of Florida. Private McFarlin left the States in December, 1944, as a paratrooper and is now in a hospital. Mrs. McFarlin who attempts to keep track of all Florida Upsilon members in service also reported that she had heard from Lt. Donald Dunwody Blackburn, *Fla. T '38*, for the first time since the fall of Corregidor. Lieutenant Blackburn was saved by the Filipinos and has been in the hospital suffering from malaria and starvation for a year. Prior to that he was fighting guerrilla warfare with the Filipinos.

His Life Saved

■ Capt. Robert W. Preucel, *Wash. A '42*, is recovering from serious wounds received when he was in the center of the bulge of the German drive. Captain Preucel was taken prisoner, but he escaped and crawled several miles, and after 24 hours, he managed to flag an American ambulance. He was taken to a hospital and the doctors saved his life. He was wounded in both legs. Captain Preu-

cel's division received special praise by Field Marshal Montgomery for its gallant stand.

Injured in Germany

■ Lt. F. O. Gray, *Mont. B '42*, was injured in action in Germany, December 4, 1944, while fighting in the woods against the Germans. He has been overseas since December,

Memorial to Gold Star

■ As a memorial to a Gold Star of Sigma Alpha Epsilon, the parents of Lt. Clyde Parker Baugh, *Utah T '43*, Army Air Corps, who was killed in a P-38 plane crash at San Diego, Calif., August 30, 1942, have presented \$10,000 to the Utah State Agricultural College in a trust fund to be used as scholarships for students in need of financial help. Lieutenant Baugh was SAE's 76th Gold Star and his parents are Mr. and Mrs. W. F. Baugh of Logan. Four senior students, selected on a basis of established scholarship and leadership by a faculty committee to which will be added the trust officer of the Cache Valley Banking Company, will receive financial help each year. The late Lieutenant Baugh's brother is Lt. Dean C. Baugh, *Utah T '46*, Air Corps, stationed in Rapid City, S.D.

1943, and led an infantry group in one of the Normandy campaigns during the summer where German suicide squads were strongly dug in to block a drive southward in the direction of Lessay. Maj. George Stallings, *Ga. B '39*, has been wounded in action, according to word received by his mother in Athens, Ga. Sgt. Albert S. Fabian, Jr., *N.Y. A '44*, has been hospitalized in Belgium after being wounded while leading his squad in a drive. Lt. George Arthur Austin, Jr., *Ala. A-M '42*, was seriously wounded in Luxembourg, December 19, 1944. He became a Life Member of the Chapter National, February 8, 1945.

Decorated . . . for Gallantry

■ Capt. Walter N. Attebery, *Ore. A '44*, Marine Corps, Air Medal for meritorious performance of duty in the Central Pacific; praised for scoring a direct hit on a Jap radio station on Jaluit Island.

■ 2nd Lt. Sam Bailey, *Utah T '42*, Purple Heart, after being wounded in action in France.

Two Governors Get ... Diamond Badges

By Lauren Foreman, ESR

ELECTION of Fred G. Aandahl, *N.D.* A '21, as Governor of North Dakota and of Robert D. Blue, *Iowa* Δ '22, as Governor of Iowa in November, 1944, added two to the long list of members of Sigma Alpha Epsilon who have served as chief executives of States, and the Fraternity followed its traditional custom of presenting them with diamond badges which each of them wore when inaugurated.

Presentation of the badge to Governor Aandahl took place at a dinner held in the Commons building of the University of North Dakota at Grand Forks on the evening of Saturday, December 9, 1944, at which there were 80 persons, including alumni, active members of *N.D.* A and *N.D.* B, members of the Fargo and Grand Forks Mothers' Clubs, and University representatives.

Fred H. Loomis, *Kan.* B '13, chairman of the committee on arrangements, acted as toastmaster. The badge was presented by Lauren Foreman, ESR, as the official representative of the Fraternity, and accepted by Mr. Aandahl in a graceful speech. Other speakers were: President John C. West of the University of North Dakota; Dr. W. G. Bek who was the Adviser of the local which became North Dakota Alpha; Mrs. G. E. Hariman of the Grand Forks Mothers' Club; Mrs. O. A. Stevens of the Fargo Mothers' Club; Dr. Ernest D. Coon, *N.D.* A '20; Dr. Orin G. Libby, *Wis.* A '01; Dr. David O. Berge, *N.D.* A '23; and David Johnson, Eminent Archon of North Dakota Beta at North Dakota State College.

Over 150 alumni gathered at a dinner at the Fort Des Moines Hotel in Des Moines, Iowa, for the presentation of the badge to Governor-Elect Blue on the evening of Saturday, January 6, 1945. Arrangements were in the hands of Morris O. Penquite, *Iowa* Δ '28, president of the Des Moines Alumni Association, and Roy L. Miller, *Iowa* Δ '27, Deputy Archon of Province Zeta. William K. Niemann, *Mich.* I-B '17, acted as toastmaster. The Fraternity was represented by Dean Wilber J. Teeters of the University of Iowa, Honorary Eminent Supreme Archon; Dr. Robert R. Aurner, Eminent Supreme Chronicler, and Lauren Foreman, Eminent Supreme Recorder, Province Zeta was represented by Archon Chester D. Lee and Deputy Archon Miller. Dr. Aurner spoke as the official representative of the Supreme Council and called on Lauren Foreman to tell of the Fraternity's custom of presenting badges to incoming governors, and on Dean Teeters to make the

actual presentation of the badge. Governor Elect Blue responded with a speech which brought the program to a fitting close.

Prior to the presentation of the badge The Alumni Program was explained by Dr. Aurner. Dr. Lee and Mr. Miller told of the detailed work to be undertaken in Province Zeta.

Both the new Governors are Republicans and are the first alumni from Chapters founded since World War I to be called to the governorship of their States. Governor Blue's Chapter, Iowa Delta at Drake University, was established in 1921 and Governor Aandahl's Chapter, North Dakota Alpha at the University of North Dakota, was established in 1923. It is a further coincidence that Governor Aandahl's name is the first on the Fraternity's alphabetical roll.

Governor Aandahl is a charter member of North Dakota Alpha and a Life Member of the Chapter National. He is a farmer and lives on the farm near Litchville, *N.D.*, where he was born. Following his graduation he taught school for five years. He served in the state senate for six years.

Governor Blue is a charter member of Iowa Delta. He is a lawyer and lives at Eagle Grove, Iowa. He has served as speaker of the House of Representatives and was Lieutenant Governor at the time of his election as Governor.

- Clarence E. Armstrong, *N.Y.* P '22, is superintendent of schools, fifth district, St. Lawrence County, Canton, *N.Y.*
- C. Lewis Rawlins, Jr., *Utah* T '41, charter member, is assistant supervisor of the flight service division of the Lockheed Aircraft Corp., British Isles.

Paul Porter Named ... FCC Chairman

PAUL A. PORTER, *Ky.* E '27, is chairman of the Federal Communications Commission, having taken the oath of office on December 21, 1944, following the recess appointment by President Roosevelt to fill the unexpired term of former Chairman James Lawrence Fly who resigned on November 15 to enter private law practice. Mr. Porter's term of office as a member of the FCC will expire June 30, 1949.

Mr. Porter won the recess appointment after serving as Democratic National Committee publicity chief during the 1944 campaign. In 1933 he served as a special assistant and publicity director in the Agricultural Adjustment Administration. He remained in Washington for four years as a special counsel to Chester Davis, AAA administrator. From 1937 to 1942 Mr. Porter was Washington counsel for the Columbia Broadcasting System and in March of 1942 he was appointed administrator of the Office of Price Administration in charge of organizing the nationwide rent control program. He left that post in June, 1943, to become associate administrator of the War Food Administration and in July, 1943, he was named associate director of the Office of Economic Stabilization.

Many members of SAE have been with the Federal Communications Commission. Two members of long standing are Paul A. Walker, *Ill.* Θ '05, and Judge J. Fred Johnson, *Ala.* M '15, the latter of the legal department.

Stassen for Senator

■ A powerful group in Minnesota has indicated that Lt. Comdr. Harold E. Stassen, Minn. A '29, on duty with Admiral Halsey in the Pacific, and ex governor of Minnesota, will be backed for U. S. Senator in 1946 to replace Senator Shipstead. The plans include preparations of the former governor as a presidential candidate in 1948, as recorded in the December, 1944, issue of THE RECORD. The primary moves in the behalf of Commander Stassen were taken without his knowledge.

DeHority Alumni Secretary

■ Joseph C. DeHority, Ind. Γ '23, of Indianapolis has been elected by the Supreme Council as Alumni Secretary of Province Delta to fill a vacancy, on the recommendation of Archon Arthur H. Harris.

Takes Collector's Post

■ Nigel D. Campbell, Ill. B '20, became collector of internal revenue for the northern Illinois district, December 31, 1944, upon the resignation of the former collector. Mr. Campbell became assistant to the collector in 1942 after working his way up from a deputy collector's job in 1933. During the first year in the department, Campbell won three promotions. After being graduated from the University of Illinois, he was western branch manager for E. R. Crowe & Co., New York.

Coffey to Retire

■ Dr. Walter C. Coffey, Ind. A '01, seventh president of the University of Minnesota, will retire from office on June 30, 1945, and will be succeeded by James Lewis Morrill, president of the University of Wyoming. Dr. Coffey became president in November, 1941, after having served as acting president since June 30 of that year. He was former dean of the Minnesota Department of Agriculture. In 1941 the Board of Regents unanimously elected him to serve as president until the retirement age of 68.

Lion Sculptor Dies

■ Richard Thuss, nationally known sculptor, who created the lions which guard the entrance of the Levere Memorial Temple in Evanston, Ill., died at the home of his son, Dr. Otto Thuss, in Cincinnati, Ohio, January 13, 1945. A native of the German province of Saxony, Thuss went to Cincinnati from Vienna in 1926 after acquiring fame throughout Germany as a sculptor. The lions cast in bronze were presented to the ΣΑΕ shrine by Judge Alfred K. Nippert, Ohio E '94, past ESA, and Mr. Thuss appeared at their dedication at the Fraternity's national convention in 1937.

Heads Press Club

■ William Edward Jamieson, W.C. P '32, is president of the National Press club in Washington, D.C., and he is one of the youngest men to be elected to this distinguished position.

Paul A. Porter, Ky. E '27, Chairman of the Federal Communications Commission, Washington, D.C.

State Senator 7th Time

■ Thomas C. Desmond, Mass. I-T '09, was re-elected on the Republican ticket as New York State Senator from the 32nd senatorial (Orange-Rockland County) district with the largest plurality ever received by a candidate from that district. He entered the New York State Senate in 1930 and has been re-elected seven times, each time with an increasing plurality. State Senator Desmond is author of articles for various magazines. *Magazine Digest* for January contained his article, "Coming—Careers of Crime for Our Children." In the December, 1944, issue of *Read Magazine* appeared "Your Town Versus Tooth Decay." The November, 1944, issue of *American Forests* carried Mr. Desmond's story of "The Balmville Tree." "Studying Foods in School" appeared in the February, 1945, issue of *Hygeia*. He is chairman of the New York State Legislative Committee on Nutrition.

Predicts Building Boom

■ Harry D. Watts, *Md.* B '04, chairman of the board of James Stewart and Company, New York engineering and construction firm, predicts that America will experience her greatest construction boom in the five years following the war. The James Stewart company, celebrating its centennial, built war plants worth more than \$250,000,000 in the last three years. Mr. Watts said in an article in December: "The American construction industry is ready to start work tomorrow on schools, bank buildings, hospitals and other institutions on order throughout the country, with the further possibility that a large number of war factories will be entirely rebuilt to handle postwar conversion jobs."

On Planning Board

■ Isaac B. Tigrett, *Tenn.* H '98, president of the Gulf Mobile and Northern Railroad, has been named as a member of the Tennessee State Planning Commission. He was appointed by Gov. Prentice Cooper. Mr. Tigrett resides in Jackson.

Contributes to Agriculture

■ Maurice P. Moore, *Ala.* M '26, owner of Circle M Polled Hereford Ranch, Senatobia, Miss., and large cotton producer, has been elected as a member of the Champion Farmers' Association of America, sponsored by the Firestone Company. The association is composed of 126 farmers who have made outstanding contributions to American agriculture. Mr. Moore has made a big contribution to the South as well as to the cattle industry by proving that good beef cattle can be produced in the South. For two years his ranch has broken the world's record for the breed, and its show record of having bred or exhibited a champion for the past five years against national competition is a notable achievement. Mr. Moore has been recognized as a pioneer in changing the agriculture pattern of the South by encouraging diversified farming instead of single crop culture of cotton. He is past president and director of the Panola-Tate Livestock Association and the Northwest Mississippi Livestock Association, past president, director and executive committee member of the American Polled Hereford Association, and president of the Oxford Production Credit Association.

10 Members . . . In 79th Congress

JHREE Senators and seven Representatives make up the delegation of Sigma Alpha Epsilon in the 79th Congress as the result of the election held in November, 1944.

Senators: John H. Bankhead, *Ala.* M '91, Alabama; Richard B. Russell, Jr., *Ga.* B '18; Georgia; Millard E. Tydings, *Md.* B '10, Maryland.

Representatives: Peterson B. Jarman, *Ala.* I '12, 6th Alabama; Edward Eugene Cox, *Ga.* Ψ '02, 2nd Georgia; Sherman Adams, *N.H.* A '20, 2nd New Hampshire; William G. Stigler, *Okla.* K '14, 2nd Oklahoma; Thomas J. Murray, Jr., *Tenn.* H '14, 8th Tennessee; Clifford Davis, *Miss.* Γ '18, 10th Tennessee; Charles A. Plumley, *Vt.* A-Σ-II '96, Vermont-at-Large.

Senators Bankhead and Russell are hold-overs while Senator Tydings was re-elected. Representative Adams is the only freshman in the House group, the other six having been re-elected. The ΣAE delegation is predominantly Democratic, Representatives Adams and Plumley being the only Republicans. Two Republicans who served in the 78th Congress, Thomas Byron Miller, *Pa.* Σ-Φ '12, 12th Pennsylvania, and Edward G. Rohrbough, *Pa.* Ω '00, 3rd West Virginia, won the Republican nominations in their districts but lost to Democratic opponents in the election.

Representative Adams served in the New Hampshire House of Representatives from 1940 to 1944 and was speaker of the 1943-44 term by unanimous election. He was a delegate to the 1944 Republican National Convention, held in Chicago.

New Books In Temple Library

BRAVE MEN (Henry Holt & Co.)—Soon after Ernie Pyle, *Ind.* Γ '23, ace war correspondent, returned from the war in Europe, his third book *Brave Men* was published and copies sold like hot cakes because the book tells the human side of our fighting men. *Brave Men* is a larger collection of his famous columns than in his *Here Is Your War*. The book covers the invasion of Sicily, fighting in Italy,

the Anzio beachhead, England just before the invasion of Normandy, the invasion of France and the liberation of Paris. Ernie shared all the hardships of G.I. Joe and tells you about it. The book contains character sketches of hundreds of American soldiers and you are certain to read about someone you know.

Book reviewer Harry Hansen of New York, *Ill.* Θ '09, said of Ernie: "He has the ability to be one of the men, thinking things out as they do, making the best of a situation in their fashion. . . . When the historians of the future want to know what sort of an army fought for us in '43 they will be thankful for Ernie Pyle." Now, Ernie is in the Pacific, and probably another book or two will come out of his experiences there. Before going to the Pacific, he stopped off in Hollywood to pose with his cinema self, Burgess Meredith, who plays the part of the famous war correspondent in the film, "G.I. Joe," taken from Ernie's *Here Is Your War*. Another Pyle contribution was made to the library by D. A. Grant, *Ind.* Γ '17. This is a pamphlet, entitled *Army Ordnance Supplement* by Mr. Pyle, with a picture of the correspondent on the cover.

MISCELLANEOUS—A bound volume of the "Addresses and Papers" of Judge Walter B. Jones, *Ala.* A-M '10, past ESA, has been contributed to the library by the author. The papers cover 30 years and are arranged for convenience under the following headings: Confederate, Fraternity (ΣAE), general, historical, law, memorial and religious addresses. *Head Writing Made Easy* is an interesting pamphlet of 44 pages for the journalist to improve his headline writing. The pamphlet with many illustrations and some "Do's and a Don't" was contributed by the author, Lucien Kellogg, *Wash.* A '11, of Salt Lake City. A pamphlet "More about Soybean Fertilization" by Morrill T. Vittum, *Mass.* K '39, and R. R. Mulvey of the Agronomy Department, Purdue University, and other paper work on fertility experiments by Mr. Vittum and others have been contributed.

Famous War Correspondent Ernie Pyle, *Ind.* Γ '23, Received the Honorary Degree of Doctor of Humane Letters at His Alma Mater, Indiana University, November 13, 1944. It Was the First Degree of Its Kind Awarded in the 125-Year History of the University. Five Thousand People, the Largest Gathering in the University Auditorium, Attended the Ceremonies. Ernie Is Shown Receiving the Diploma from President Herman B. Wells, Right, while Dean Fernandus Payne of the University's Graduate School Presents Him with the Doctor's Academic Hood. The War Correspondent and Author of *Brave Men* Visited His Chapter, Indiana Gamma, on the Campus and Was Given a Reception by Active Members and Alumni.

First School Held For Alumni

By Lauren Foreman
ESR

WITH a registration of 88 and an actual attendance of over 100, the first Alumni Indoctrination School of Sigma Alpha Epsilon was held in the Statler Hotel, Washington, D.C., Sunday November 26, 1944, as a feature of The Alumni Program which is being given a test run in Province Gamma.

Of the 88 men registered, 47 were alumni, 29 actives, and 12 pledges, representing 38 Chapters Collegiate. Among the alumni present were three members of the Supreme Council, two Past Eminent Supreme Archons, the Eminent Supreme Recorder; three present officers and five Past Archons of Province Gamma; and 19 who have accepted appointment as Key Men.

The program was prepared and arrangements made by Harry G. Griswold, Ga. E '15, in the dual capacity of Archon of Province Gamma and Vice Chairman of the Committee on The Alumni Program. Morning and afternoon sessions were held with only a short time taken out for lunch. The morning session was opened on schedule at 11:00 o'clock and the initiation ceremony, the final feature of the program, was completed in time to permit adjournment at 6:00 P.M.

With Archon Griswold presiding, the morning session was opened with the invocation by Rev. Adlai C. Holler, Mass. F '26, Past Archon. Dr. Robert R. Aurner, Eminent Supreme Chronicler and Chairman of the Committee on The Alumni Program, gave an inspiring talk, outlining the background and purposes of the program. Dr. Fred H. Turner, Eminent Supreme Archon, spoke on "The Government of ΣAE" and was followed by Lauren Foreman, Eminent Supreme Recorder, who gave a supplementary statement of the practical workings of the organization of the Fraternity.

At the afternoon session, Cobb C. Torrance, Eminent Supreme Deputy Archon, talked on "The Perpetuation of ΣAE," outlining the part alumni should play in assisting the Chapters Collegiate to get desirable pledges and how they can be most helpful in the work of re-establishing the Chapters which have become temporarily inactive as the result of the war. The ESA spoke on "The Financial Strength of ΣAE" and the ESR gave a history of the ritual of ΣAE with suggestions as to how its presentation could be made most effective. Dr. Aurner talked on "The Future of ΣAE," after which there was an hour of general discussion.

The closing feature was an initiation ceremony, with the ESR taking the part of the Archon and the neophytes being furnished by Washington City Rho and South Carolina Gamma.

The School was pronounced an unqualified success and a fine example for the other Provinces to follow by all those in attendance and Archon Griswold was roundly praised for his fine work of organization.

Founders Day

SIGMA ALPHA EPSILON will celebrate its 89th birthday during the week of March 9, and despite war, the anniversary will be observed by many Chapters and Alumni Associations. With more than 13,000 members in the armed forces, celebrations will take place all over the world, so-to-speak, but those celebrations will have their solemn moments when the ΣAEs pay tribute to the more than 300 members who have lost their lives in service, to the more than 80 members who are missing in action and to those who are prisoners of war.

During the past year the National Office in Evanston, Ill., has received many letters from men overseas who have met each other through their common bond of ΣAE and many are expected to celebrate their fraternity's founding in some way, even on the fighting front.

In the States one of the biggest celebrations will be held in Washington, D.C., March 9. The main speaker for the event will be Dr. Fred H. Turner, Ill. B '22, ESA. The celebration in Washington will draw together many of the members who have been selected as "key men" in The Alumni Program underway to rebuild the Fraternity to pre-war status.

Judge Walter B. Jones, Ala. A-M '10, past ESA, reports that the recently reorganized Montgomery, Ala., Alumni Association will celebrate Founders Day on March 12, and ESA Turner plans to attend. Alumni members from Prattville, and Wetumpka and active members from Alabama Alpha-Mu at Alabama Polytechnic Institute have been invited. The banquet committee includes Charles W. Rittenour, Ohio Δ '06; Judge Robert T. Simpson, Ala. M '15, of the Supreme Court, and A. Key Foster, Ala. M '16, vice president of the First National Bank, Montgomery.

The Chicago Alumni Association will celebrate Founders Day at the Chicago Real Estate Board on Thursday, March 8. Plans are also being made for celebrations at Richmond, Va., Buffalo, N.Y., and Philadelphia, Pa.

OLT John S. Holten, Minn. A '47, located at Stockton Field, Calif., and other members stationed under the Naval College Training program at the College of Pacific are planning a banquet for Founders Day. Holten plans to contact alumni members residing in Stockton to join in the affair.

Ralph J. Blanz, Ohio T '20, president of the Milwaukee, Wis., Alumni Association, informed the National Office of plans for celebrating Founders Day in Milwaukee for members located there and in Racine. Rev. R. J. Wolf, Pa. Δ '14, stated that plans for a Founders Day banquet at the Penn-Harris in Harrisburg, Pa., March 10, were underway, and that members in surrounding towns have been contacted. Ed Landes, Minn. A '41, reported that he and several members in Omaha, Neb., were making plans for a celebration.

To Establish Chapter At Bowling Green

ACTING under legislation enacted by the Evanston Convention of 1943, Sigma Alpha Epsilon has voted a charter to the Five Brothers Fraternity for the establishment of a Chapter Collegiate at Bowling Green University, Bowling Green, Ohio, and the installation will take place during the week-end of May 25-27.

The new chapter will be named Ohio Kappa in honor of the late Dr. Clayton C. Kehl, for 18 years a member of the Bowling Green faculty, who was the guiding genius of the Five Brothers Fraternity during its formative years.

At its meeting in August, 1944, the Supreme Council directed that the question of granting a charter to the Five Brothers Fraternity be submitted to the electorate of ΣAE for a direct vote, as provided in Section 190 of the National Laws. The Supreme Council later approved a ruling by the Eminent Supreme Archon that a three-fourths affirmative vote of the bodies and individuals entitled to vote on the question would be required to grant the charter.

This meant that 99 ballots must be cast in favor of granting the charter, this being three-fourths of the 132 eligible to vote, consisting of 78 Chapters Collegiate, 20 Alumni Associations, and 34 individuals. Actually 117 ballots were cast, 113 affirmative and four negative.

The ballots were sent out from the National Office in October, and November 30 was set as the deadline for receiving votes. The ballots were officially counted on December 5 by a Canvassing Committee, consisting of Edwin O. Blomquist, Ill. Ψ-Ω '15, Chairman; Park W. Stickney, N.H. A '08, John T. Mock, Ind. A '27, and Robert B. McNulty, Ill. Ψ-Ω '45, and the result reported to the Supreme Council.

Bowling Green University previously had been approved as a desirable domicile of a chapter of ΣAE by the Permanent Extension Investigation Committee and by the 1944 Convention of Province Delta, held at Columbus, Ohio, to which this question had been submitted by the Supreme Council.

Bowling Green University is a state institution, receiving liberal support from the State of Ohio, and has made rapid progress, especially since it was given university status. It has a splendid plant and the administration is favorable to the fraternity system. ΣAE will be the third fraternity to go on this campus, chapters of Alpha Tau Omega and Pi Kappa Alpha having been established. Both the institution and the Five Brothers Fraternity were heartily approved by members of the Supreme Council and other officers of ΣAE who have visited Bowling Green.

The radio announcer was a former dough-boy. He said: We want to stage a liar's contest. What are your qualifications?

Applicant: I used to be a Marine.
Announcer: Nix, pal, this contest is for amateurs only.

New Founder . . .

248 Life Members

WILFRED S. WEBSTER, Va. K '26, of Terre Haute, Ind., has become Founder No. 60 of the National Endowment Fund, and 248 names have been added to the list of Life Members of the Chapter National of Sigma Alpha Epsilon since October 31, 1944, when the list which was printed in the December issue of THE RECORD was compiled. As of January 31, 1945, there were 3,102 Life Members.

Of the new Life Members, 42 are serving in the armed forces, many of them overseas or on ships at sea. The majority of the new Life Members took advantage of the plan by which members who have paid annual Chapter National dues have a credit of \$2.50 for each year they have paid and may become Life Members by paying the balance of the \$50.00 fee after deducting this credit. Information as to the amount standing to the credit of any member will be furnished by the Eminent Supreme Recorder on request. Parents of several members serving in the armed forces have taken out Life Memberships as a gift for them.

The National Laws provide for 200 Founders at \$1,000 each and an unlimited number of Life Members. Receipts from both Founders and Life Members are credited to the National Endowment Fund when checks are drawn in favor of Sigma Alpha Epsilon and to the Levere Memorial Temple Sustaining Fund when checks are drawn in favor of The Levere Memorial Foundation. Donations to the foundation are deductible from Federal income tax returns but donations to the Fraternity are not so deductible.

13,725 IN SERVICE

Up to January 15, 1945, the names of 13,725 members of Sigma Alpha Epsilon who are serving in the armed forces had been reported to the National Office, 425 having been reported since November 1, 1944, when the list which was carried in the December issue of THE RECORD was compiled. The new names are listed herewith and also the names of 762 (indicated by asterisks) who have been promoted or transferred.

Because of censorship regulations THE RECORD does not use the names of outfits or units and their locations in combat areas but the service man as an individual may be listed as in a specific area without including the name of his outfit, etc. Also names of ships on which men are serving are not printed in THE RECORD and service men overseas, or about to embark are not identified or linked with their ships or units.

Men in service, their parents and friends are requested to give information which will aid the National Office in holding a complete file, regardless of what may be printed in the magazine. The magazine can be sent overseas if their APO or Fleet address is given for our files but THE RECORD may not be forwarded from their home addresses.

Those submitting names of men in service are requested to give the CHAPTER AFFILIATION AND YEAR OF GRADUATION if possible to aid the clerks in the constantly increasing records work in the National Office. Address information to Sigma Alpha Epsilon, P.O. Box 1856, Evanston, Ill.

Merger in Honoraries

■ Pi Delta Epsilon, honorary journalism fraternity, has announced that the women's journalism fraternity, Alpha Chi Alpha, has been merged with ΠΔΕ. This makes the former men's fraternity co-educational and gives ΠΔΕ 47 chapters in 13 States.

NIC and Post War

■ At the annual meeting of the National Interfraternity Conference, held in New York City, Friday and Saturday, November 24-25, 1944, Sigma Alpha Epsilon was represented by Dr. Fred H. Turner, ESA, Cobb C. Torrance, ESDA, and Lauren Foreman, ESR, as delegates; Floyd W. Smith, Past Archon of Province Beta, and Fairbairn Gilkeson, Archon of Province Beta, as alternates. Frank J. Gilliam, Va. Σ '17, Dean of Men at Washington and Lee University, sat with the ΣΑΕ delegation at all sessions.

Dr. Turner presided over one of the round table discussions of the Conference Post War Plan and was one of the six speakers at the panel session Friday night. He also responded for the Deans and Presidents in attendance at the luncheon

given for them by the officers of the Conference on Friday.

It was generally felt that the meeting of the Conference was one of the best held in years. Much time was spent in discussing constructive post war problems. There were present 306 delegates and representatives.

At the meeting of the College Fraternity Secretaries Association, held on Wednesday, November 22, Lauren Foreman, ESR, who had served as Secretary-Treasurer during the past year, was elected Vice Chairman for the ensuing year.

of civilian life spreading before him, he will find careful plans ready and waiting to bring him in his return to the class rooms and laboratories at Maine, according to the January issue of the *Maine Alumnus*. An article in that issue stated: "that in essence is the purpose of the Office of Veterans' Education, under the direction of Dr. G. William Small, for 15 years member of the English Department and recently returned to the campus from service as Colonel of Coast Artillery. In the pleasant, friendly atmosphere of the Bureau's offices in South Stevens, home of the School of Education, the welcome mat is already out for returning veterans. A sympathetic understanding of the problems of returning servicemen and a detailed knowledge of the opportunities and privileges available to the veteran are the tools in trade with which Dr. Small has begun the task of re-introducing the veteran to educational opportunities." One of the first moves in the program by Dr. Small was to send a questionnaire to the alumni in foxholes on distant fighting fronts and in training camps. The brief questionnaire sought information about the post war education plans of the individual in a tentative effort to outline the scope and nature of the problems to be faced. A remarkable number of replies rolled in. Eighty-four percent of the returns indicated definite plans to return for further study. The Office of Veterans' Education now has the job of working out an evaluation system of credits for the returning students.

Fraternity Zeal

■ In *The Fraternity Month* for December, 1944, Dr. John O. Moseley, University of Nevada's president and ΣAE's past national president and Director of Leadership Training said in his column, "Greek-Say:" "It is axiomatic in fraternity philosophy that you can't make an A-1 chapter out of C-3 material. What then is A-1 material? Where should it be sought? How may it be recognized?"

"Fraternity zeal is the one and only distinguishing characteristic which marks the builders of the fraternity structure and sets them apart from those who are more or less rapidly tearing it down and those who just live there. Fraternity zeal is like red hair; you either have it or you don't; and it is

just about as easy to discern. Once in awhile a skilful make-up will pass for the real thing; but inevitably a line appears where the false leaves off and the true begins.

"Does your man come from a line of builders? Has he been nurtured in a home which believes in the reality of Divinity, the brotherhood of man, and the development of the individual? Has he been taught by his elders that the abundant life is only for him who gives abundantly of himself to it? Do his school activities reveal that he is a 'put' rather than a 'take'? Does he approach fraternity membership with the attitude of getting a chance or of conferring a favor? Does he have powers of perception sufficient to discover the best in life and the will to pass it on to others?"

"These traits may seem obscure; but in a fraternity gathering they show up like headlights. Bring such a man to your chapter's altar and if there is a spark of fire on it, he too will burn with fraternity zeal."

Nevada Alpha Goes

... Into Action

By Ralph Phelps

Calif. B '02

ONE of Sigma Alpha Epsilon's outstanding initiations of World War II was held in Reno, Nev., November 19, 1944, under the sponsorship of the Reno Alumni Association. This initiation was in line with the Fraternity's general program of reactivation of quiescent Chapters.

Nevada Alpha became inactive at the beginning of the War when all of the members enlisted in the armed forces. Plans for the ceremony to restore the Chapter to active life at the University of Nevada were made by Silas E. Ross, Nev. A '09, and members of the Reno Alumni Association. Emmett B. Moore, Mont. A '24, ESH, traveled from Pullman, Wash., and Edward G. Hathcock, Calif. Δ '30, Archon of Province Kappa, flew from Los Angeles, Calif., to assist in the initiation at which 21 members of the former local fraternity, THPO, were inducted. Also making the trip to the event was Ralph L. Phelps, Calif. B '02, from San Francisco.

Dr. John O. Moseley, past ESA and Director of Leadership Training, who was recently inaugurated as seventh President of the University of Nevada, conducted the initiation. Others assisting with the ceremony in the Reno Masonic Temple were Melvin E. Jepson, Nev. A '11, president of the alumni association; Bill A. Ligon, Nev. A '30, treasurer; Ed P. Caffrey, Nev. A '18, Harold Luce, Nev. A '22.

One of the features of the initiation was the presence of two members of Nevada Alpha to place the ΣAE badge on their fathers. They were Dr. J. LaRue Robinson and his son John E. Robinson, '37, and John E. Sweatt and his son Lt. Harold E. Sweatt, '44, USMC. Besides the 21 THPO men, many of whom are prominent in their fields, 10 students on the campus were initiated.

The THPO alumni inducted were: Hon. William T. Orr, chief justice of the Supreme Court of Nevada; Dean Stanley G. Palmer, dean of the college of engineering at Nevada; Dr. Cecil W. Creel, director of agricultural extension at the university; Raymond B. Callahan, investment banker; Edward W. Chism, manufacturer; Harold P. Dayton, Sierra Pacific Power Co. official and father of Harold P. Dayton, Jr., and John B. Dayton; Robert Griffin, assistant comptroller at Nevada; Hugh P. Herd, merchant; H. Hamer Holloway, comptroller of Ross-Burke Company; Lewis Hymers, commercial artist; Carl Johnson, manufacturer and air flight instructor; Chauncey L. King, junior high school director of athletics; William C. Miller, professor of English at the University of Nevada; James McCutchan, physicist, U. S. Navy; William McKnight, Judge, Nevada Second District; Russell Mills, architect; Dr. J. LaRue Robinson, physician and surgeon; Irving H. Cowles, stockman; John E. Sweatt, real estate; Walter Tobin, president, Se-

curity National Bank, Reno; Dale B. Pruett, State Highway department.

Among the alumni of Nevada Alpha and former members of THPO who were able to return to Reno for the initiation and banquet were A. M. Smith, '00, State Highway engineer; Dudley Homer, '10, mining engineer of Cuba and New York; Roy A. Hardy, '10, mining engineer; Robert A. Allen, '14, State Highway engineer; Wm. M. Kearney, '04, attorney; Robert P. Farrar, '14, life insurance; Thomas R. Gibson, '10, broker, and Robert M. Brambila, '97, retired Colonel of the U. S. Army.

Down Chapter Way

Okla. Kappa Inducts Air Corps Officer

Although Oklahoma Kappa at the University of Oklahoma has been inactive since June, 1943, due to fraternities being frozen on the campus for the duration, alumni of that Chapter arranged an initiation for Lt. Bob Eugene Baublits, '42, and the ceremony was held in the Oklahoma City home of Grover D. Strother, Okla. K '14, Archon of Province Theta, December 16, 1944. Baublits had been a pledge in 1942 but

was called into service before completing his pledgship. Archon Strother conducted the ceremony with the aid of Leo Cade, Okla. K '22, Deputy Archon; John Cantrell, Okla. K '20; Richard Fentem, Okla. K '45; Pfc. William G. Husband, Jr., Okla. K '45; Pfc. Donald Clements, Okla. K '45, and Frank Hladky, Okla. M '43. Following the initiation the trustees held a dinner for the new initiate and members at the Oklahoma Club. Others attending were James S. Boyle, '46; W. K. ("Shug") Humph-

reys, '47; John D. Kennedy, Kan. A '45; Maj. Charles Mooney, '34, on leave from Africa, Sicily and Italy; Robert Berry, '46; Robert E. Lee, Okla. M '41, Okla. K; Lt. M. Stanley Lee, '45; Ensign William B. Duncan, '45, and Pfc. Joe H. Sharpe, '46. Lieutenant Baublits is on Air Corps duty at Liberal, Kan.

Tenn. Lambda House Mother Succumbs

Mrs. Kate Grissim Moss of Lebanon, Tenn., house mother of Tennessee Lambda at Cumberland University for 20 years, died in a hospital in Lebanon, November 7, 1944, following a brief illness. Mrs. Moss was affectionately known to members of Tennessee Lambda as "Mother Moss." A feature of initiations of Tennessee Lambda was breakfast at her home near the campus following the Sunday Ritual, after which she accompanied "her boys" to church. Her home was a gathering place for Cumberland students for more than 40 years. Members of SAE

won the hands of two of her daughters, Mrs. J. Carr Arnette of Davenport, Iowa, and Mrs. Albert C. Haley. A third daughter, Mrs. Ramon Sasley, was SAE Queen at Cumberland. Mrs. Moss is also survived by her husband, Albert Moss, a brother and a

Take Fourth Estate Laurels at Utah

■ Premier rulers in the field of journalism at Utah State Agricultural College seem to be the men of Utah Upsilon of Sigma Alpha Epsilon, with four out of five consecutive editors of the college paper, *Student Life*, listed on the active rolls of the Chapter. The editors have been Bryant Kearl, '41, Sam Bailey, '42, Calder Pickett, '44, and Harry Bonnell, '46. Bonnell was named to the editorial post early in the fall.

An additional honor came to both the college and to ΣAE when Editor Pickett produced the first All-American edition of *Student Life* in the history of Utah State. The rating, given by the Associated Collegiate Press, is the highest honor which can come to a college newspaper in the United States. Bryant Kearl, first of the ΣAE string of editors, succeeded to the position after serving as news editor. Kearl, now an Ensign was active in college debating and dramatic circles in addition to his work in journalism, and was a member of Blue Key and ΑΣΝ. Second of the editors, and Kearl's immediate successor, was Sam Bailey, now a second lieutenant in the infantry, serving in France. He was recently awarded the Purple Heart after being wounded in action. Bailey had served as associate editor and was also a member of Blue Key and ΑΣΝ.

Calder Pickett, winner of the All-American rating, had been sports editor. He also re-

ceived the college award for outstanding citizenship, presented the senior address, was a member of Blue Key and ΑΣΝ and is now instructor of journalism at the college. Last of the present line of ΣAE editors, Harry Bonnell, a junior, who recently appeared in a campus Little Theater production, "Return Engagement," is a member of Blue Key, and had served as sports editor of *Student Life*.

Tenn. Kappa Initiates Three Posthumously

■ Three former pledges of Tennessee Kappa at the University of Tennessee, who lost their lives in service, became members of that Chapter when they were initiated posthumously, November 12, 1944, and the badge of ΣAE was presented to their families.

The three men honored were 1st Lt. Christopher G. Agee, '43, killed over North Africa, January 30, 1944 and who was the National Fraternity's 309th Gold Star; Pvt. Duncan McDonald Sheats, '43, killed in a plane crash near Austin, Texas, September 6, 1944, and recorded as ΣAE's 296th Gold Star; 2nd Lt. Joe A. Summers, Jr., '43, son of Joe A. Summers, *Tenn. K '10*, who was killed at Williams Field, Chandler, Ariz., September 25, 1943, and was ΣAE's 300th member to give his life.

The ceremony at the Chapter house was also held in the honor of Dr. John O. Moseley, *Okla. K '16, Calif. A '30*, past ESA, former dean of students at Knoxville and now president of the University of Nevada, and Judge Alfred K. Nippert, *Ohio E '94*, past ESA. A portrait of Dr. Moseley was dedicated and a picture of Judge Nippert was unveiled.

Badges for the men initiated posthumously

were presented to relatives by Judge Nippert. He also unveiled the portrait of Dr. Moseley. Judge Nippert's picture was presented by Edward J. McMillan, *Tenn. K '10*. A copy of the Moseley portrait by Mathias Noheimer, painted in Knoxville, hangs in the Levere Memorial Temple in Evanston, Ill. Following the unveiling President James D. Hoskins of Tennessee briefly acclaimed the presentation of the badges and the accomplishments of Dr. Moseley while at the University. Attending the ceremony were faculty members, ΣAE alumni and families, and presidents of the campus fraternities and sororities. The Minerva Club members decorated the house for the occasion and served refreshments. (Editor's Note: Details concerning the initiates are given elsewhere in this issue.)

Texas Minerva Club Extends Hospitality

■ Members of the Minerva Club of Delta Delta at Southern Methodist University, Dallas, have gone on record for the duration of extending their hospitality to members of ΣAE in the armed forces. At the December, 1944, meeting the members resolved, in behalf of their sons, to open their homes to members and their friends, and it was further resolved that each Minerva club member do everything possible to activate and fulfill the above resolution. Any member of ΣAE desiring hospitality in Dallas may either call the Chapter house (Phone L-0052) or Mrs. Earl Jackson, president, (L-3613). Notices for the convenience of ΣAEs in the service in Dallas have been posted at USO centers, various camps and in service publications.

Fraternity Suffers Loss of Judge Tuttle

ONE of Sigma Alpha Epsilon's greatest losses came December 2, 1944, when Hon. Arthur J Tuttle, Mich. I-B '92, past Eminent Supreme Archon, and federal judge in Michigan's eastern district for 32 years, died at the Henry Ford Hospital in Detroit, Mich., after an illness of two months.

Judge Tuttle, who was a staunch supporter of the Fraternity in the years after serving as national president (1919-1922), had the distinction of attending 50 consecutive Founders Day celebrations at his chapter, Michigan-Iota at the University of Michigan, Ann Arbor.

As a prominent jurist, his most famous case was the trial of Max Stephan, the first person convicted as a traitor in the United States since 1794. Judge Tuttle sentenced Stephan but Stephan, convicted of aiding in the escape of Hans Peter Krug, German flyer, from a Canadian prison camp, received a Presidential commutation of sentence to life imprisonment.

Born on a farm in Ingham County, Mich., Judge Tuttle received his law degree from the University of Michigan and he served in the State Senate for two years before he became United States District Attorney in 1911. He was appointed to the Federal bench the following year. His two daughters, Mrs. H. Blair Freeman and Mrs. Thomas J. Bailey, hold law degrees. Judge Tuttle served as president of the People's Bank of Leslie, Mich., his home, was a member of the Sons of the American Revolution, and belonged to many civic and fraternal organizations. He was known as a lawyer, farmer, a banker, furniture dealer, casket salesman, fire insurance agent, a hunter and a "joiner." He often laughingly remarked that his principal hobby was belonging to organizations. His name was on the roster of 44 fraternal, civic, benevolent, patriotic, law and scholastic societies.

Funeral services for Judge Tuttle were held at the North Woodward Congregational Church in Detroit, December 5, and Federal judges served as pallbearers. The Supreme Council of ΣΑΕ was represented by G. A. Ginter, Ohio E '97, ESW, of Cincinnati. Otis A. Sinsel, Mich. A '02, and other members of the Detroit Alumni Association, attended. The Fraternity's songs "Violets," and "Friends" were played at the services. Burial took place in Leslie.

SEABORN T. WHATLEY Alabama Mu '07

Seaborn T. Whatley, Ala. M '07, vice president of the Aetna Life Insurance Company, died at the Hartford Hospital in Hartford, Conn., December 1, 1944, after an illness of a month. He was one of the most widely known men in the life insurance field and was prominently identified with the movement for the better education and training of underwriters. He was a trustee of the American College of Life Underwriters. He joined Aetna in 1923 at which time he became Chicago general agent and was made

vice president in 1933. Mr. Whatley was a former president of the National, Chicago and Pittsburgh Life Underwriters associations.

JOHANNES OTTO WALLER Illinois Psi-Omega '35

Johannes O. Waller, Ill. Ψ-Ω '35, artist of the Levere Memorial Temple at Evanston, Ill., who spent ten years painting portraits and murals for the national shrine of Sigma Alpha Epsilon and doing decorative work on its walls, died at his home in Chicago, February 12, 1945, after an illness of six months. Funeral services were held in the Chapel of the Temple, February 14, conducted by Rev. Charles H. Heimsath, Texas P '22, pastor of the First Baptist Church of Evanston and Chaplain of the Temple. Seven members of the Fraternity, including Eminent Supreme Archon Fred H. Turner, Ill. B '22, acted as pallbearers. He is survived by his widow, the former Miss Eleanor I. Ellis, to whom he was married September 14, 1944.

GEN. BENJ. F. CHEATHAM Tennessee Omega '86

Maj. Gen. Benjamin Franklin Cheatham, Tenn. Ω '86, retired, who served as quartermaster general of the U.S. Army from 1926 to 1930, died at the Army's Fitzsimons General Hospital in Denver, Colo., December 2, 1944. He had been under a doctor's care at the hospital since August. General Cheatham entered the Army in 1898 as a member of the First Tennessee Infantry and retired in 1930. In 1931 he served as a member of a Federal advisory committee which passed on State recommendations for loans to drought stricken farmers.

General Cheatham received the French Legion of Honor and the Distinguished Service Medal for his work in France during World War I. As quartermaster general he introduced movies on Army transports in 1926. In 1929 he drafted plans for pilgrimages of Gold Star mothers to European cemeteries. During part of his period of retirement General Cheatham lived in Washington. He also was

resident superintendent at Stratford, the birthplace of General Robert E. Lee, in Westmoreland County, Va., historic shrine established by the Robert E. Lee Memorial Foundation. General Cheatham's portrait hangs in the Levere Memorial Temple, ΣΑΕ shrine in Evanston, Ill. Also his portrait hangs in Tennessee Omega chapter house at Sewanee, University of the South. Funeral services were held at the Post Chapel at Fort Myer, Va., December 8, and burial took place at Arlington National Cemetery. The Fraternity was represented by Rear Admiral Harry G. Hamlet, Mass. I-T '95, Ret., and Col. Philip R. Faymonville, Calif. A '09. General Cheatham had long been a member of the Washington Alumni Association.

ALLEN J. SHAFER, JR. Wisconsin Alpha '48

Allen J. Shafer, Jr., Wis. A '48, was fatally injured in the Wisconsin-Iowa football game, November 11, 1944. A pledge of Wisconsin Alpha at the University of Wisconsin at the time, he was initiated posthumously by the Chapter on the day of his death. James F. McIntosh, Wis. A '45, EA, and Dr. Robert R. Aurner, Iowa B '20, ESCh., placed the badge on his lapel. Shafer, 17 years old, was a scholar and participated in several campus activities. The University set up a scholarship in his name.
