California in '49

93rd Anniversary National Convention in Los Angeles, Calif.
September 6-7-8-9, 1949

By Lloyd D. Mitchell, Calif. Gamma '27

● "California in '49" is now the slogan of ΣAEs throuout the land. With the announcement of convention plans by the National Officers and the California Committee, unmistakable signs of the greatest convention attendance in ΣAE history is already evident. Building upon the great success of the previous Los Angeles Convention which was held at the time of the Olympics in 1932, the California Sons of Minerva promise to outdo themselves in preparing a program of the greatest interest to ΣAEs and their wives, sons and daughters.

Planned with the whole ΣAE family in mind, there will be a series of glamorous events in the best tradition of the Golden State. Famed for its hospitality, experienced in the role of host to all the world and, in 1949, in the midst of a great statewide celebration of its Gold Rush Centennial, California will be at its tip-top, postwar best and on September 6-7-8-9, the Hotel Biltmore in downtown Los Angeles will become the crossroads of the fraternity world.

A series of meetings of inspirational quality and dedicated to the continued development of ΣAE's role in the colleges and universities of the nation will feature the more serious side of the convention. Social and recreational features of the convention will be highlighted by a wide variety of activities designed to offer some of the best of California's famed scenic beauty and the pageantry and showmanship of the State's Centennials celebration.

Committee Chairmen Named

In announcing these plans and in naming committee chairmen who will have the responsibility of the myriad details, Chairman John F. S. D'Aule, *Mass. B-Y '10*, stated that he confidently expects this to be the greatest convention of its kind ever held by the Fraternity.

Committee assignments announced by Chairman D'Aule, whose able leadership and effective planning were important factors in the success of the 1932 convention, are as follows:

Deputy General Chairman—Alton E. Allen, *Wash. A '22*.

Aides to the General Chairman—Ralph O. Chick, *Calif. Γ '21*; Lucien Shaw, *Calif. E '30*; Philip Libbey,

Lloyd D. Mitchell, Calif. Γ '27, Publicity Chairman for Sigma Alpha Epsilon's Convention To Be Held in Los Angeles, Calif., September 6-7-8-9, 1949.

Mass. B-Y '22; William Warner, *Calif. Γ '38*.

Liaison with the Supreme Council—Edward G. Hathcock, *Calif. Δ '30*, ESCh.

Publicity—Lloyd D. Mitchell, *Calif. Γ '27*; **Registration**—William C. Burke, *Calif. Δ '33*; **Advance Registration**—William Warner; **Reception**—George A. Powell, *Ore. A '21*; **Hotel**—Clarence Fontius, *Colo. X '11*; **Transportation**—Arthur Beggs, *Calif. Γ '28*; **Banquet**—Eber Jaques, *Calif. Γ '30*; **Dance**—Charles A. Reagan, *Nev. A '22*; **Ladies**—Alton E. Allen; **Convention Hall**—William L. Murphey, *Ariz. A '22*, *Calif. A*; **Finance and Budget**—Lloyd L. Austin, *Calif. Γ '25*, *Ariz. A*; **Purchasing**—Philip Libbey; **Accounting**—John C. McCormick, *Pa. X-O '20*, *Pa. A-Z*; **Forms and Procedures**—C. Bur-

dette Sadler, *Iowa Δ '24*, *Iowa B, Ill. ©*; **Legal**—Zack Lamar Cobb, *Ga. B '99*.

In addition to the above committees one elected representative of each active Chapter in Province Kappa (Arizona, California and Nevada) and one representative of each chartered Alumni Association will constitute the General Committee, while a Policy Committee will include Dr. George H. Kress, *Ohio E '96*, honorary ESA; ESCh. Hathcock representing the Supreme Council; Rex T. Silvernale, *Calif. Δ '33*, Archon of Province Kappa; Calvin D. Smalley, *Calif. Δ '27*, Province Kappa Deputy Archon, and Chairman D'Aule, Allen, Austin, Mitchell, Sadler, Whited and Cobb of other committees.

Plans for Ladies

The Minerva Clubs in Province Kappa will be prominent in the plans and preparations for the convention because of the special emphasis placed on the participation of ΣAE wives and daughters, and the many special events designed for their enjoyment. Special significance will also be attached to the role of the Chapters at the University of California at Berkeley (Beta), Stanford (Alpha), UCLA (Delta), Occidental (Epsilon), University of Southern California (Gamma), San Jose State College (Zeta), Nevada (Alpha), and Arizona (Alpha), a total of eight Chapters in the Province. In anticipation of greatly increased interest throuout the area, a number of new Alumni Associations are being formed and they are expected to join

with existing associations for the discharge of responsible assignments. There are now more than 3,600 members of the Fraternity residing in California and an additional 248 in Arizona and 277 in Nevada.

So plan now, members thruout the realm, to follow the trails of the Argonauts of 100 years ago, that you, too, may find in California in

'49 a real bonanza of enduring rewards—in fun, friendship and inspiration thru the teachings of Sigma Alpha Epsilon. Details of the convention program will appear in the next issue of THE RECORD. Tentative plans are being made for the 15th Annual Leadership School to be held on the campus of the University of Southern California just prior to the convention rather than

at its customary location, the Levere Memorial Temple in Evanston, Ill., for 14 years.

Editor's Note: Mr. Mitchell, author of the convention article and Chairman of the Publicity Committee, is serving as Southern California Manager of the California Centennials Commission and has had wide experience in the publicity field.

Add 2 Founders, 26 Life Members

● Two Founders of The Levere Memorial Foundation and of the Chapter National of Sigma Alpha Epsilon and 26 Life Members have been added since June 10 when the list which appeared in the August issue of THE RECORD was compiled, thus bringing the total as of October 1, 1948, to 77 Founders and 4,343 Life Members. The two new Founders are:

No. 76, the late Dr. Arthur E. Brown, Ohio Δ '02, Past Eminent Supreme Archon and Past Archon of Province Beta;

No. 77, Audus W. Shipton, Wis. Φ '17, president of The Copley Press, Inc., of Springfield, Ill.

Payment of \$795 to complete the \$1,000 for the Founders membership for Dr. Brown was made by Province Beta, payments of \$50 for a Life Membership by Dr. Brown himself, of \$115 by individual members of the Fraternity and of \$40 by Pennsylvania Theta having been previously made.

All sums contributed for Founders or Life Memberships are permanently invested in the Levere Memorial Temple Sustaining Fund when checks are drawn in favor of The Levere Memorial Foundation and in the National Endowment Fund when checks are drawn in favor of Sigma Alpha Epsilon. The investments yield a constantly increasing income which helps to pay the operating expenses of the Fraternity which continue to mount as the alumni list grows. Donations to the Foundation are deductible from personal income tax returns but donations to the Fraternity are not so deductible.

Both funds are carefully guarded

by the National Laws and investments for them are made only on the advice of men skilled in the handling of such matters. Investments for the Sustaining Fund are made by the Trustees of The Levere Memorial Foundation on the advice of the Advisory Council, consisting of five alumni living in the vicinity of Chicago, while investments for the National Endowment Fund are made by the National Board of Trustees, consisting of five alumni, living in the vicinity of New York.

Members who pay the annual \$3.00 Chapter National dues are given a credit of \$2.50 on a Life Membership for each such payment and may become Life Members by paying the outstanding balances at

Big Brother Movement Features 14th School

By Don Gable, Editor

● Sigma Alpha Epsilon's 1948 Leadership Training School was not only the largest since its birth in 1935 but also it instigated a program which probably will influence the entire realm of the Fraternity for years to come.

The 14th Annual Leadership School attracted a capacity crowd beyond the 1947 School with 380 members in attendance, including 350 active Chapter members representing 114 of the 119 Chapters and 30 National and Province officers, faculty members and visitors. Last year the School had 344 members and represented 110 Chapters.

Prior to the 14th School held at the Levere Memorial Temple, shrine of ΣAE in Evanston, Ill., Sunday, August 29, thru Friday, September 3, the annual joint meeting of the Supreme Council and Province Archons was held, August 26-27-28, and features of the meeting included the presentation of a Merit Key thru The Alumni Program to Park W. Stickney, *N.H.* Α '08, member of the Levere Memorial Temple Building Committee and the election of Vallee O. Appel, *Ill.* Θ '11, to the Advisory Council of the Levere Memorial Foundation.

Theme of the 14th Leadership School was "The Big Brother Program of Province Kappa" introduced at the School on Tuesday afternoon, August 31, by Dr. George H. Kress, *Ohio* E '96, honorary Eminent Supreme Archon, of Los Angeles, Calif. He was introduced by Dr. Chester D. Lee, *Iowa* Γ '27, ESH, and chairman of The Alumni Program, after an announcement was made that 11 chapter members were "repeaters," having attended previous schools: They were Merlyn Jones of *Utah* Υ; Bill Williams of *Pa.* Θ; Bill Norton of *Neb.* Α-II; Drew Minter of *N.M.* T; John Perkins of *Colo.* Δ; Bob Collins of *Ill.* Δ; Jim Teckenbrock of *Ill.* Δ; George B. Foss, Jr., of *Ala.* I; John St. John of *Ind.* Α; Dawson Y. Davis of *Ky.* K and John LaVine of *Minn.* Α.

Program Supported

Honorary ESA Kress stated that "The Big Brother Program," introduced at the 1948 Province Kappa Convention in Los Angeles, was proposed to stimulate active Chapter-alumni relations and to "fill the great gap" in fraternity relations after a member leaves school and finds his place among active alumni. "The movement is putting into practice for alumni what has been transpiring in the Chapters for years," Dr. Kress commented. "The object of the movement is to interest an active Chapter man in an alumnus, as a 'Big Brother,' and the alumni to be interested in the Chapter members. Judge Alfred K. Nippert, *Ohio* E '94, past ESA, supported the program by enthusiastically stating that the Fraternity was at the threshold of a new era thru this plan and that Dr. Kress had presented the greatest idea and the most far-reaching since the origin of the Leadership School.

The program was further supported by Edward G. Hathcock, *Calif.* Δ '30, ESch., and a strong member of The Alumni Program. He commented: "'The Big Brother Movement' will be of great significance, as it

only takes two persons to make a fraternity." Literature on the program has been presented to the active Chapters and Alumni Associations. Other details will appear in the February, 1949, issue in a special article.

Moseley Started Plan

The 14th Leadership School got under way Sunday, August 29, under the direction of its originator, Dr. John O. Moseley, *Okla.* K '16, *Calif.* Α, past ESA and president of the University of Nevada in Reno. The ever-busy Dr. Moseley had arrived in Evanston the week before to give a series of talks at the silver anniversary session of the National Institute for Trade and Commercial Organization Executives on the Northwestern University campus. It is interesting to note that Dr. Moseley used as his theme, "The Big Brother in Fraternity," at his 3rd Leadership School. At that time a special effort was made to bring Chapter Advisers and alumni workers to the School. Thus the program presented by Honorary ESA Kress was an enlargement on the "Big Brother" idea created by Past ESA Moseley.

Rev. Erskine M. Jeffords, *N.Y.* Δ '18, ΣAE chaplain, gave a sermon for early arrivals in the Chapel of the Levere Memorial Temple on Sunday morning. Registration took place at Willard Hall on the Northwestern University campus. Registration of delegates was handled by Mrs. Florence Bertalot, keeper of records, in charge, and Miss Grace Johnson, cashier; Miss Ruth O'Malley, secretary to Lauren Foreman, *Ga.* E '01, ESR; Miss Edna Anderson, Mrs. Eva Hansen, Miss Janet Nilles, Miss Ruth Tharpe and Miss Leta Kling.

An informal lunch was held at Cooley's Cupboard followed by motion pictures by G. A. Ginter, *Ohio* E '97, ESA, and Dr. Burton A. Hoffman, *Ill.* Ψ-Ω '26, past Archon of Province Beta. When the buffet hour at the Temple arrived Sunday evening, more than 300 Chapter members had registered and 370 members and alumni attended the supper. Welcoming the guests were members of the Supreme Council, Province Archons, faculty members and Past ESAs Charles F. Collins, *Mass.* B-Υ '12, O. K. Quivey, *Ind.* B '12, and Dr. Fred H. Turner, *Ill.* B '22. Songs during the buffet supper were supported by Mr. Harold Anderson and his Hammond organ.

Following the buffet supper the Chapter members gathered in the Chapel and received the address of welcome from ESA Ginter. An impressive talk on the songs of ΣAE was given by Past ESA Quivey, who introduced the new songbook (1948 edition, first since 1929). Songs were directed by last year's leader, William Fawcett, *Ind.* B '44, associate editor of the songbook, and assisted by Roger Markle, *Mich.* I-B '49. That night first meetings of committees and activity groups were held.

When the School officially opened on Monday morning, August 30, the Panhellenic Room of the Temple was filled beyond capacity and the official roll was called by ESR Foreman, assisted by Miss O'Malley. Director Moseley stated that the delegation from the Chapters was the best-appearing group ever to attend a Leader-

ship School, and due to crowded conditions, each delegate should bear with the situation. "Altho a certain amount of regimentation is necessary under the circumstances, there would be no jeopardy on personalities," Director Moseley commented.

Following an introductory talk by Director Moseley, the delegates met in the Chapel to get impressions on the beauties of the Ritual, with the badge and crest of The Fraternity in the background of the Chapel. Prayers were offered by four Chapter delegates and the new "Sweetheart Song" was sung by members of Iowa Delta.

After lunch at Willard Hall on the Northwestern campus, where the delegates were housed, the group heard John Baugh, *Okla. M '35*, assistant Chapter Supervisor in the Chapel on the subject, "Chapter Reports and Paper Work." This was followed by a talk on "Publicity and Public Relations," by Don Gable, *Ohio Δ '35, Ill. Ψ-Ω*, editor of THE RECORD, who was introduced by Prof. Emmett B. Moore, *Mont. A '24, ESDA*, and who was introduced by Director Moseley as the assistant Director of Leadership Training. This was followed by a paper presented by Tom Wright, *Iowa Δ '48*, on the "Iowa Delta Foreign Student Aid Program." Wright was introduced by Roy L. Miller, *Iowa Δ '27, Archon of Province Zeta*. During the course of Monday's activities, Past ESA Quivey was busy in the library, autographing his "best-seller," the new songbook for Chapter delegates. The afternoon's work was completed with committee meetings on initiation arranged by Fairbairn Gilkeson, *N.Y. A '14*, honorary Archon of Province Beta, and rehearsal of the Leadership School chorus directed by Song Leader Fawcett.

Sectional Sessions

Following dinner at Willard Hall, delegates returned to the Temple for the first of a series of sectional conferences. Chapter Finances were discussed by Albert J. Schoth, *Ore. A '18*, Chapter Supervisor, and C. H. Freeark, *ΣΦΕ*, fraternity accountant of Columbia, Mo. Chapter Administration and Public Relations were handled by Assistant Chapter Supervisor Baugh

and A. C. Holler, *S.C. Γ '47*, assistant Chapter supervisor. Rushing and the Social Program were conducted by Barry McNulty, *Ill. Ψ-Ω '45*, assistant Chapter Supervisor. Pledge Training was discussed by William R. Kenney, *Colo. Δ '42*, former assistant Chapter Supervisor, and Ray C. Dein, *Neb. Δ-Π '30*, Recorder of Province Mu and Wisconsin Alpha Chapter adviser. These meetings were held in the various rooms of the Temple, and gave the delegates and visitors a chance to air their views on various problems and compare methods among the Chapters.

The second morning session, Tuesday, August 31, brought more organization to the large School and sectional conferences were again held thru-out the building. Later the delegates gathered in the Chapel to hear Director Moseley speak on "The Dream of Noble Leslie Devotie." The Chapel meeting started with sentence prayers by Chapter members, followed by a poem, "Born of the Sun," by Moseley. Following the presentation of "The Big Brother Program" by Honorary ESA Kress in the afternoon, the third of the series of sectional conferences was held during the evening.

On Wednesday ESR Foreman gave a talk on "The History of ΣΑΕ" in the Chapel. This was followed by photographs in the Court of the Archons of the Temple. Director Moseley took the delegation back to the Chapel for "Some Marks of Fraternity Leadership." Following lunch, a conference on

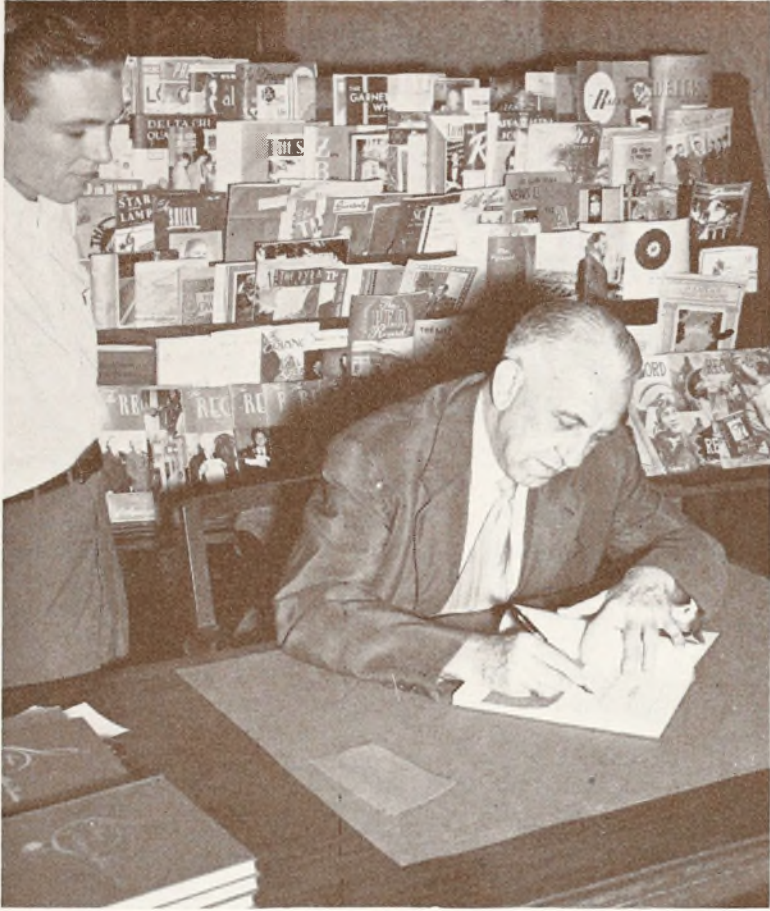

initiation procedure took place in the Panhellenic Room under the direction of Moseley, Moore, and Hathcock. Later that afternoon Province Delta held a meeting at Willard Hall in the interests of DePauw University. This meeting was attended by ESA Ginter, Joseph C. De Hority, *Ind. Γ '23*, Arthur M. Peck, Jr., *Ohio T '40*, George W. Trendle, Jr., *Mich. I-B '39*, Alumni Secretary, and Ohio Kappa members and Harley Joe Donnell, *Ind. A '49*, of DePauw. Other Ohio Kappa members and Ivan E. Lake, *Ohio K '23*, Chapter adviser and Province Recorder-Treasurer, arrived late that night and Thursday morning. Wednesday night was open to the Chapter members, many of whom enjoyed a date party near Evanston, arranged by Illinois Psi-Omega at Northwestern. Others enjoyed the Railroad Fair and other attractions in Chicago.

Foster Alter, *Pa. Ω '31*, Scholarship Commissioner, returned to the Temple again this year to give his visual report on scholarship in the Chapel, Thursday morning. He named the Chapters leading in scholarship and stressed the low rating, needing attention thru-out the Fraternity. He encouraged the Chapters to get away from "scholastic bums." He was assisted by Province Mu Recorder Dein. That afternoon final sectional conferences were held. Thursday evening a general conference on the informal initiation was conducted by Chapter Adviser Lake and several Ohio Kappa representatives.

A side feature of the School on Thursday was the participation of members at the luncheon meeting of the Evanston Rotary Club. Serving on the program were ESR Foreman, Director Moseley, Glen T. Nygreen, *Wash. A '39*, Province Lambda Archon, and Chapter representatives, Bill Williams, *Pa. Θ*, Drew Minter, *N.M. T*, Merlyn Jones, *Utah Y* and Gene LaFitte, *La. E*.

Portrait Unveiled

Friday, the final day, September 3, was one of many and varied activities. "The Building of the Temple," was the topic enlarged upon by Past ESA Nippert in the Chapel and his talk was climaxed with the unveiling of the portrait of ESR and Past ESA Foreman. Mr.

Past ESA Quivey, Author of the New Song Book, Autographed Hundreds of Copies for Delegates in the Temple Library.

Guest Speaker Kress

Nippert was introduced by Director Moseley and referred to as a "14 Stripper," having attended all of the Leadership Schools.

Mr. Nippert paid tribute to both Moseley and Foreman, respectively, on the Leadership School and the condition of the Temple. He also introduced Arthur H. Knox, III, $\Psi\text{-}\Omega$ '02, architect of the Temple and a member of the Building Committee. Mr. Nippert spoke of the Temple embellishment work of the late Johannes Waller, III, $\Psi\text{-}\Omega$ '35, referring to his first project for the shrine, the mural, "Sinking of the *Lady Elgin*," after he had been brought from Germany, and then listed the important portraits by Artist Waller. Mr. Nippert completed his talk on the members who died in the Civil War and World War I and II. The delegates passed the hat and more than \$200 was collected with instructions to apply the money toward wire-recording equipment for the Temple.

With beautiful weather in favor of the School, the delegates then witnessed "The Founding of ΣAE ," in the Court of the Archons by members of Tennessee Kappa in costume. The players were: Baxter Ragsdale, Jr., who took the part of the principal Founder, Noble Leslie DeVotie; Hugh Frantz Eakin as Rudolph; William E. Trickett as Kerr; Harold Lucas as Foster; Roy D. Cummins as Cockrell; Donald C. Snoddy as Patton; William F. Reeder as Dennis, and Pledge Paul Aycock as "Clem."

Following the playlet, written by Honorary ESA Kress, Director Moseley introduced Joseph C. Poulter of Iowa Beta, who in turn introduced Wally Ris of the same Chapter, 1948 Olympics Star in England who won the 100-meter free-style race and participated with the record-setting team for the 800-meter relay. Ris returned to the University of Iowa for his senior year. Among the guests at the playlet were Mrs. John O. Moseley and daughter, Margaret.

Friday afternoon the delegates boarded buses at Willard Hall for the pilgrimage to the grave of William C. Levere, III, $\Psi\text{-}\Omega$ '98, past ESA and ESR, in Memorial Park Cemetery. The memorial service, headed by Director Moseley, was short and impressive. "Violets" was sung by the Glee Club and the

invocation was given by Assistant Chapter Supervisor Holler. The Antiphonal Chant was given by Province Lambda Archon Nygreen. Prayers were given by Charles Davis of *Wash. A*; Gene Fortier of *Colo. Z*; Frank Cochran of *Fla. A*; Leonard Newton of *Mass. I-T*; Thomas Luster of *Miss. O*; Robert Rosenthal of *Mo. B*. The floral offering in purple and gold, the Fraternity's colors, was placed by Buddy Boyles of *N.C. A*; John Peterson of *Colo. Z*, and Richard Tiernan of *Texas I*. The memorial talk was delivered by Director Moseley who referred to "The Heroes" of ΣAE , and the ceremony ended with the singing of "Longing."

The group then returned to the Temple for a final meeting, summary and conclusion in the Chapel with Director Moseley. ESR Foreman presented the Supreme Council plan for a mail ballot for petitioning local fraternities. This was followed by an initiation ceremony in the Great Hall of the Methodist Church for 14 neophytes, under the direction of ESDA Moore.

The initiation parts were taken by the following: ESDA Moore, EA; ESCh. Hathcock, EP; William H. Norton, *Neb. A-II, ER*; Edgar P. McCollum, *Ala. M, ECh*; John W. Auld, *Ind. A, EH*; Lowell E. 351 Attend Banquet

The farewell banquet was held for 351 persons at the Evanston Woman's Club following the initiation ceremony. Delegates were seated according to Provinces arranged by Province Lambda Archon Nygreen. As the new initiates en-

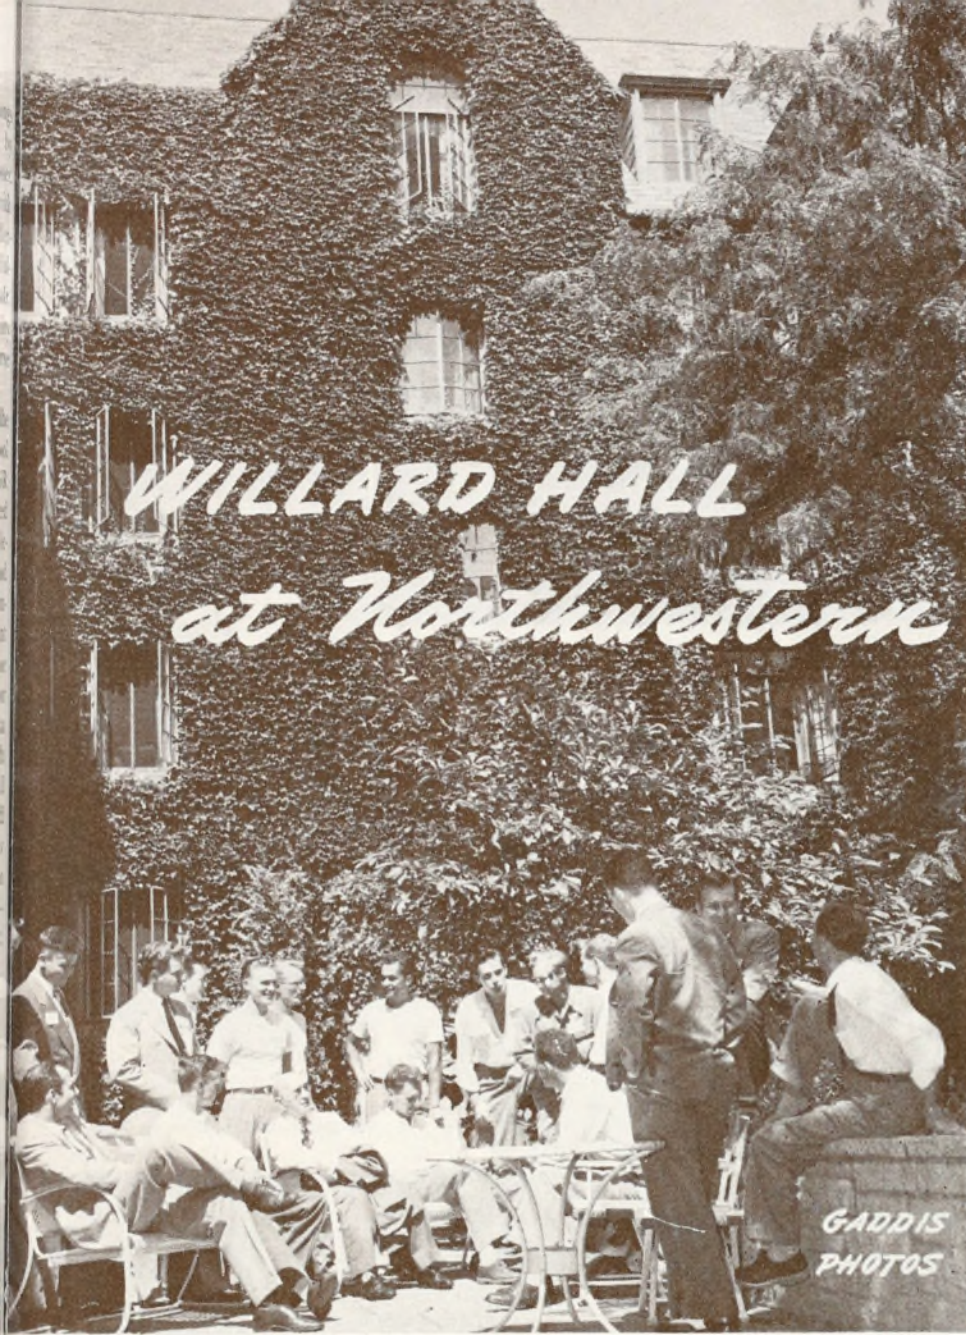

tered the banquet hall, special songs were sung in their behalf, led by Leader Fawcett. The Tennessee Kappa delegation sang a song, with the accompaniment of Mr. Anderson and his Hammond organ, followed by the Phi Alpha yell. Mr. Anderson gave forth with fraternity and popular tunes thru the course of the banquet.

Loud applause was given by the delegates for the Leadership School work of Director Moseley and ESR Foreman. Director Moseley stated that the banquet was for the delegates, "informal, unrehearsed and spontaneous." He thanked the initiation team for its magnificent performance and referred to the banquet as a welcome dinner for the new members. He quoted a poem in French and the English interpretation, with the general theme that "all life is hello and goodbye." He introduced the new members and each gave his reaction to being initiated into the Fraternity. Director Moseley stated that the 14th Leadership School was not only the largest but also the smoothest working machine of all. He asked for applause for the hard work of the faculty members.

During the banquet Director Moseley paid special tribute to the work of Bill Kenney, assistant Chapter Supervisor who had returned to serve on the School faculty and is now employed by the L. G. Balfour Co. in San Francisco. He also introduced visiting alumni including Temple Building Committee Member Stickney, Temple Architect Knox, Edwin O. Blomquist, III, $\Psi\text{-}\Omega$ '15, and Clifton H. Merry, III, $\Psi\text{-}\Omega$ '15, members of the Advisory Council of the Levere Memorial Temple, fathers of two of the new initiates and Norman Reynolds, Jr., *Okla. K '41*, president of the Oklahoma City Alumni Association.

Also Chapter delegates from the four corners of the country were introduced and gave their impression of the School. Director Moseley then called for general response to the School from members thru-out the banquet hall. Farewell words were given by Past ESA Nippert and Honorary ESA Kress. Diplomas were distributed by Honorary Province Beta Archon Gilkeson. Many faculty members and delegates left

To Select All-Americans

● Harry A. Ackerburg, III, Ψ-Ω '14, past president of the Chicago Alumni Association and an active man in interfraternity affairs in Chicago, again plans to compile material this fall for the selection of the 1948 Sigma Alpha Epsilon All-America Football Teams. Preliminary work started on this when details concerning the selections were presented to the Chapters at the 14th Leadership School in Evanston, Ill., last summer. Chapter delegates were asked to follow the directions and co-operate with Mr. Ackerburg in order to improve upon the method of selection and have reports from a greater number of Chapters. Those Chapters not responding within a reasonable length of time will receive further inquiry from Mr. Ackerburg. If Chapter members have any question concerning the project, they should write to Mr. Ackerburg at Shillinglaw, Bolger & Company, 120 South LaSalle St., Chicago 3, Ill.

Alumni Associations

L.A. Extensive Program

● Members of the Los Angeles, Calif. Alumni Association started right out in the fall with a wide program, beginning on September 10, 1948, when they heard reports from George Kress, *Ohio E '96*, honorary ESA, and Edward G. Hathcock, *Calif. Δ '30, ESCh.*, on the Supreme Council meeting and the 14th Leadership School in Evanston, Ill., in August and September. On September 17, Lloyd D. Mitchell, *Calif. Γ '27*, Southern California manager of the Centennials Commission talked on the "History and Pageantry in '49." Sheriff Eugene W. Biscailuz, chairman of the Centennials Advisory Committee talked on "Our California Heritage." A motion picture in Cinecolor on "California's Golden Beginning," was another feature. On September 24 Jeff Cravath spoke on "Prospects for Football This Year." Ralph O. Chick, *Calif. Γ '21*, executive secretary of the Southern California Olympic Association and who was in charge of the 14th Olympiad Tour to England and Paul Zimmerman of the *Los Angeles Times* discussed "The Olympic Games and What They Mean" at the October 1 meeting. Jack D'Aule, *Mass. B-T '10*, outlined the progress of the SAE '49 Convention at the October 8 meeting. Guest on October 15 was Edgar M. Wilson, vice president of the American President Lines. Arrangements for the University Club meetings were made by Dudley A. Warner, *Calif. Γ '36*, association treasurer, and Laurie Smith, *Ill. Θ '28*, secretary.

Long Beach "Ball Hitting"

● After the report on the extensive activities of the Long Beach, Calif. Alumni Association in the August issue of *THE RECORD*, John B. Wentz, president, has indicated again that the group is continuing to "hit the ball." The following activities have held the group together during the last six months: May 26, monthly dinner meeting with guest speaker, Dr. James Beveridge, formerly a major in the Air Corps and research analyst and historian of the U.S. Strategic Bombing Survey, showing a film "Japan, 1945," depicting in color the effects of the atomic bombing of Hiroshima and Nagasaki; June 30, informal summer meeting held in the Colorado Lagoon Club House, with W. M. Edmondson, *Tenn. N '16*, amusing the group with a command performance with his trained horse "Jeff"; July 28, informal summer meeting in the Lagoon Club House, with John Crocker, *Iowa Γ '40*, son of Thomas F. Crocker, *Iowa Γ '10*, discussing his experiences during a two-year tour of duty as a lieutenant colonel in the Air Corps in Japan; August 28, annual steak fry sponsored by Russ Sprong, *Iowa Δ '28*, and G. A. ("Gap") Powell, *Ore. A '21*, at Sprong's home; September 11, annual Rush Week dinner dance at the Lakewood Country Club, attended by 150, with actives and rushees of UCLA, USC and Occidental seated at

special tables with their dates, and the introduction of Edward G. Hathcock, *Calif. Δ '30, ESCh.*, and others as honored guests. The association has now extended its program of presenting trophies to outstanding high school men to the other two high schools in Long Beach. The program was instigated in 1926 at Wilson High School and this year cups were awarded for the first time at Poly and Jordon.

Outing Near Atlanta

● Members of the Atlanta Alumni Association held an outing for Georgia Epsilon at Emory University, Phi at Georgia Tech and Beta at the University of Georgia and high school graduates who expected to attend college in the fall at the Fritz Orr Camp on Nancy Creek Road, August 28, 1948. S. Russell Bridges, Jr., *Ga. E '33*, Georgia Epsilon adviser, served as chairman of the arrangements committee. Swimming and other outdoor sports were enjoyed prior to a barbecue supper.

Lake Charles Reorganized

● Rudolph E. Krause, *La. T-T '20*, secretary-treasurer of the Lake Charles Alumni Association, informed the National

Office that the Louisiana group has reorganized, having held a meeting, August 25, for election of officers. Edwin W. Freeman, *Fla. T '18*, was named president, Dr. G. E. Barham, *La. E '26*, vice president, and Mr. Krause was re-elected secretary-treasurer. According to Mr. Krause the group had not been active during the past several years because the principle officers were in service, including himself. The annual dinner meeting was held at the Green Frog Restaurant and 23 members attended. The association dropped the idea of regular monthly luncheons and decided to have the annual dinner meeting in August and about four events with ladies present, such as cocktail parties, barbecues and beach parties. The association plans to work in close cooperation with the Chapters in the area.

Founders Day Correction

● As a result of the report of Founders Day celebrations in the August issue of *THE RECORD*, Vernon R. However, the article on "That 50-Year Feeling" stated that six founders attended a 50th reunion in 1942. Mr. Covell claims there were seven at the celebration, one having died since, leaving six surviving founders. They are: Charles Lott; Frederick E. Kester, '95; Allen S. Pearl, '94, who received a 50-year Membership Certificate in Chicago; Emmett W. Stull, '94; William N. Zurfluh, '94, and Mr. Covell, who claims to be the oldest living founder. The seventh founder at the reunion in 1942 was Rush E. Manley, '94, who died in Columbus in September, 1942. Young Artist In Atlanta

By Parker Lowell,
Ill. Psi-Omega '10

● Cream of the crop of Atlanta's promising young artists is 24-year-old Jack Davis, Ga. B '50, who has made an enviable name for himself drawing weekly sports strips during the past two summer vacations—first for the *Atlanta Journal* and this year for the *Atlanta Con-*

stitution. Jack served three years in the Navy during World War II after being graduated from North Fulton High School and contributed comical caricatures to service publications.

No University of Georgia publication is considered complete without the distinctive handiwork of the prolific Son of Minerva who distinguishes many of his male characters by tabbing them with the familiar diamond badge. Last fall Jack designed and executed fraternity house decorations which won the annual Homecoming prize for Georgia Beta.

Beta Theta Pi has its Jay Norwood ("Ding") Darling, whose cartoons have appeared in the *Des Moines Register* for 40 years. Sigma Chi is proud of its comic strip star, Milton Caniff, and of the late John T. McCutcheon of *The Chicago Tribune*. Jack Davis is developing a bold style of his own which promises to give him a place with the best in the business, oldtimers say. On this page are samples of his work with ΣAE members as the principal "victims."

The *Atlanta Constitution* read: "The magic name of Jones which blazed across the sports pages until Robert Tyre Jones, Jr., retired from competitive golf following his famous Grand Slam of 1930, is back in the headlines again. This time it is not the Emperor of Golf but his 21-year-old offspring, Robert Tyre Jones, III, who is making the news. Maybe Bob Jones

merous international all-star fifteens, and while in college distinguished himself as one of the finest ruggerers Stanford has ever produced. In 1911, at the age of 18, young Wylie had his first experience with big-time rugby when he played for New Zealand against the Pacific Coast All-Stars from this country.

In 1912 he went on tour with the Australian Waratah, and the following year was a member of the New Zealand All-Blacks, the world's rugby champions. He had the distinction of being the only rugger ever to represent New Zealand and Australia in consecutive years. In 1914 he was honored by being selected to play with the British ruggerers in an all-star game between English and American teams.

Two years after Stanford returned to American football and rugby was maintained as a minor sport, Wylie returned as coach, a position which he has retained ever since. At the present he says there is an increased interest in the game, according to the large number of turnouts during the last season.

Coach at Rugby Helm since 1917

By Sewall S. Brown, Jr.,
Calif. Alpha '41

● The mention of rugby always brings to mind the name of Jim Wylie, Calif. A '17, as ever since 1917 he has been constantly at the helm of this sport. In 1917 he first served his alma mater, Stanford University, as rugby coach, but his connection with the game dates back to his early boyhood days in New Zealand, his birthplace.

During the course of his colorful career Wylie has played with nu-

Two members of California Alpha at Stanford are on the present team, one playing first-string scrum-half.

After learning about Mr. Wylie from *The Stanford Daily*, February 2, 1948, a little research in the National Office brought out the fact that rugby has been played on the Pacific Coast since 1906 and Σ AE always has been prominently identified with the game. In the December, 1913, issue of *THE RECORD*, an article by J. A. Stroud, Jr., *Calif. B '13*, was entitled "Rugby in California." The article revealed that James Lanagan, *Calif. A '00*, coached Stanford's first rugby team and was famous as never having lost a game. Mr. Stroud stated: "On the last Stanford team that Lanagan coached in 1908, there was a freshman, Ben Erb, '12, who was destined to be one of the greatest fullbacks the Coast was ever to know. On the Stanford '10 team Jack Partridge, '12, made his letter and Ned Corbett, '12, did likewise on the '12 team. Erb was the captain of the 1911 team at Stanford.

Mr. Stroud continued: "A member of the Australian team, Danny Carrol, is noted as one of the fastest '3/4's' in the world. He decided to go to Stanford, and was of such caliber that he now wears a Σ AE pin. On the first California rugby team were two Σ AEs, George Bell, '09, and Pete Freeman, '10. Bell was elected to captain the '08 team, but had to resign on account of injuries received. He was made assistant coach and served in that capacity for a year. Freeman played for three straight years on the team. The only California Σ AE representative on the varsity from '09 to '12, was the author, who captained the '12, varsity."

No doubt Mr. Wylie can recall some of these names and perhaps he played against them at one time. Mr. Stroud described in his article the competition with foreign teams, referring to Vancouver, British Columbia and Australia, just about the time Wylie was with big-time rugby.

Joins the Eagles

● According to a report received at the National Office at press time, Walter Barnes, *Iowa Δ '46*, signed up with the Philadelphia Eagles. He has taken part in games in California and Pennsylvania. Information came from his mother in Parkersburg, W.Va.

Brothers Meet in All-Star Game

● Sigma Alpha Epsilon had two members in the Annual All-Star Football Game between the College All-Stars and the Chicago Cardinals at Soldiers' Field in Chicago, Ill., August 20, 1948, and the unusual situation this year was the fact that one of the members on the College All-Stars played against his blood brother on the Cardinals' team.

Members of Σ AE on the teams were Knox Ramsey, *Va. K '48*, guard from William and Mary, of the All-Stars, and Marlin ("Pat") Harder, *Wis. A '44*, of Wisconsin, fullback for the Chicago Cardinals. Garrard Ramsey, also a guard from William and Mary in 1942, and brother of Knox, served with the Cardinals.

Knox Ramsey completed four straight seasons at William and Mary last year and was All-South selection for three years. He had more varsity minutes' playing time than any player in William and Mary history. He blocked three punts in 1945 against Maryland.

Pat Harder of the Cardinals led the Big Nine in scoring while at Wisconsin and topped National Football league in scoring last year with 102 points. He has kicked 44 out of 45 points after touchdown since the 35 to 28 victory over the Bears in the final game of the 1946 season. He was named All-Conference and All-American fullback in 1941 and was named the Big Nine's most valuable player in 1943 and Most Valuable in 1943 All-Star game. He holds the Cardinal record of scoring in 13 consecutive games and is in his third year with the Cardinals.

Is Baltimore Ace

● Charles B. Tichenor, *Minn. A. N.C. N '45*, captured the men's singles championship in *The Evening Sun* Municipal Tennis Tournament in Baltimore, Md., by defeating Nate Askin, 7-5, 5-7, 6-4, 6-3, in finals July 21, 1948. The triumph gave "Chuck" the distinction of winning both the city and municipal titles in the same season, the last to gain that honor was Tom Thaler, in 1941. The new titleholder, ranked fifth, eliminated the favored Thaler in quarter-final action the previous week. After winning the city's singles championship, Chuck together with

his partner Mickey Pardew won the men's doubles championship from Tom Thaler and Al Borleis. A native of Indianapolis, Chuck made quite a name for himself in sports events in the West and mid-West as a youngster and later at the University of Minnesota and Duke University. His first claim to fame was in table tennis, being a two-time winner of the national boys' championship. For three years, from 10 to 12 years of age, he won 125 table tennis trophies all of which, during the war, he donated to the scrap-metal drive. Tichenor captained the Indianapolis Shortridge High School net varsity for four years. His teams copped the state title each year. In 1941 he ranked third in tennis in the boys' division for the entire U.S. As an NROTC midshipman at Duke University, he captained the Blue Devil's netters for two years, won 16 starts and led them to the Southern Conference title in 1945. While at Duke he served as president of the student body, as Archon of North Carolina Nu and was a member of Ω Δ K. Upon being graduated from Duke, Tichenor was commissioned an ensign in 1945 and that winter was a member of the Norfolk Naval Training Station's basketball team which won the national service championship. Returning from a year in China, Chuck was released from service in July, 1946, in time to enter the University of Maryland for a year's post-graduate work where he met his wife, the former Suzanne Stevens of Baltimore. Tichenor is associated with his father-in-law, James W. ("Jim") Stevens, *Md. B '19*, as a member of Stevens Brothers, Maryland's oldest commission firm. Mr. Stevens is president of the Baltimore Alumni Association.—O. K. Quivey, past ESA.

University in New Orleans, La., moved into a newly acquired home at 1200 Broadway on September 1, 1948. During the summer a swift climax concluded years of planning and working for a Chapter house and almost overnight it happened. The Chapter and alumni awoke to the fact that they not only had a fraternity house but also it was the finest house and held the best location on the Tulane campus. The drive for the house had been placed in the hands of A. C. Brodie, W.C. P '19, in New Orleans. He started the drive in April and never slackened the pace. The house was purchased in June. Rudolph Krause, La. T-T 20, Wash. A, did the same work in Lake Charles as did Edley Jones, La. T-T '22, in Vicksburg. Alumni in Alexandria and Shreveport gave organized support. Robert Wiegand, Jr., La. E '45, president of the house association, organized and directed the entire campaign. The members moved in only 10 days before rush week. The house was completely repainted and redecorated by the Chap-

ter working with the Minerva Club until early hours in the morning. By the first day of rush week they had accomplished miracles. The paint and many of the furnishings were contributed by young alumni and the main floor was provided with a new set of leather furniture. The third floor is being completely reworked

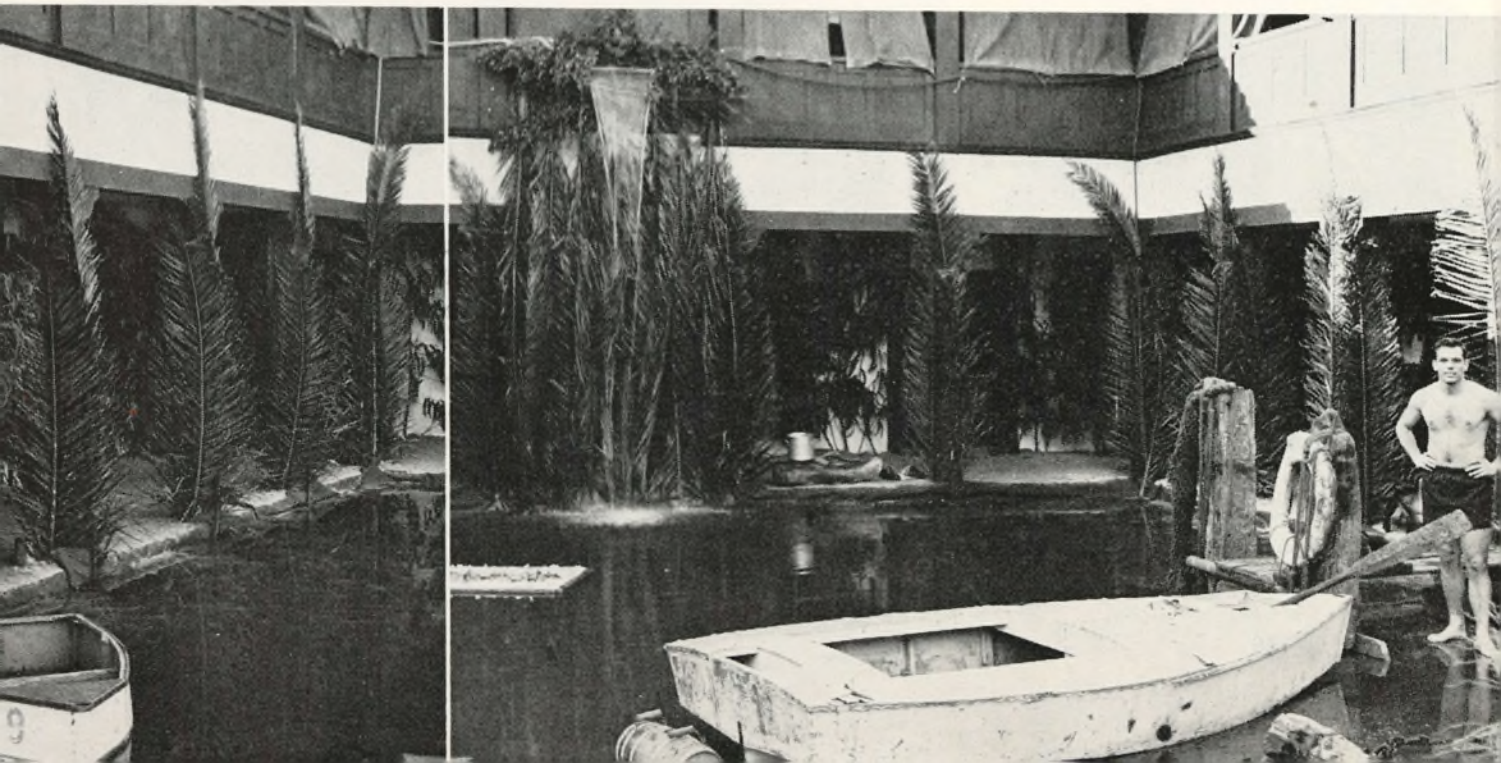

for a study hall and library. This will be the first library and study to appear in a fraternity house on the campus and be a most prized possession. The new house is considered a new era for the Chapter and the support given by alumni and National Office representatives is deeply appreciated. At the October 6 luncheon meet-

ing of the New Orleans Alumni Association the following were elected: Dave Bernhardt *La. T-T '44*, president; Cal Hadden, *La. T-T, '44*, vice president, and J. Fred Muller, *La. To Kitchen School

● George D. Lewis, N.Y. Δ '46, is enrolled in a new course at Syracuse University, and is learning with other fraternity house stewards how to run their own kitchens. The new course was initiated by the institution management department of the College of Home Economics. Lewis will receive college credit for taking the one-hour weekly class in problems of food management under Mrs. Marjorie Horton of the home economics faculty. The course provides instruction in menu planning, purchasing and storing food, care and use of kitchen equipment, employee relations and basic techniques in quantity food preparation.

N.C. Alpha Quarters

● During the fall North Carolina Alpha at North Carolina State College, Raleigh, moved into a large apartment near the college, according to a report made by Ted Williamson, EC. The apartment includes a Chapter room, living room, five bedrooms and two baths. The apartment is located at 12½ Horne St. The remainder of the house is expected to be obtained for Chapter use next spring. The Chapter was installed in October, 1947.

Letter of Appreciation

● Bill Williams, Eminent Archon of Pennsylvania Theta at the University of Pennsylvania suggested that a letter received by the Chapter from Dick Zeiner-Henriksen in Norway might be of interest to RECORD readers as it expresses a person's

feelings toward this country and the people. Dick served in the Norwegian Underground Army in his homeland during World War II and later as a member of the regular Norwegian Army in England. He came to the Wharton School of Finance and Commerce at the University of Pennsylvania in 1946. He was pledged by Pennsylvania Theta in December, 1946, and initiated, March 8, 1947. During the past summer several factors intervened to prevent his continuance in this country and he returned to his home country, leaving behind a long list of friends and admirers. His letter to the Chapter read:

Dear Brothers,

Nobody regrets more than I do that I have not returned to the United States, the university, the Fraternity and all my friends. But it has been impossible for several reasons. When I said a few words during the last meeting at the house, I had wanted to say so many things, but I was only able to express a few thoughts. I wanted to express my gratitude for the reception all of you gave me. Due to your unconditional acceptance of me as one of you, you made me feel more at home than I ever have in any other country. You didn't only make me feel more at home, but really at home. I never felt that I was a foreigner, and believe me, that is a wonderful experience when one is abroad. And it serves to your honor that it was so, because you offered me a friendship that I shall never forget and which I shall do

my utmost to return whenever I'll have an opportunity. I shall always remember the help I received with my studies and also in other cases. The invitations I got. The good times at the parties. The atmosphere at the meals. The experience of participating in the meetings. The talks at night. The coffee at the diner. And the genuine interest and openness which always met me. All of these things are now blended together into a pattern of unforgettable memories which have become the best time of my life. So let me thank you for all this and for the fine impression of your country and your countrymen you have all given me. I know that everything in the United States is not as it should be, but if we look for the things which may be criticized we most certainly can find them. However, I believe in looking for the good things, the typical features, and then I discovered all those qualities that I have learned to appreciate so much and which today make the United States the best and soundest country in the world. Especially I want to thank all of you with whom I came in closer contact. I will thank you for what you personally meant and mean to me and for the way you represented your country. I sincerely wish every one of you all the luck and happiness in life, and I also wish the Fraternity all prosperity in the years to come. I also hope that one day I may see some of you here, even if it is far away. Or anyway, I hope to return to the U.S. someday and then we'll meet again. And always know that no matter what happens, or perhaps especially if something does happen, you will always in me find a true and grateful friend of yourself and the United States of America.

With fraternal greetings,
your friend and brother,

Accomplishments, Conditions: The Chapter has already begun a very promising year, by having a highly successful rush. The Chapter pledged 38 men for the fall semester, having the largest pledge class of all the fraternities on the campus. Fourteen of the new pledges represent Tulsa, Okla., five are from Oklahoma City, five from Ponca City, and the remainder come from smaller towns all over the state. Almost completed is the new addition to the kitchen and dining room. With the dining room enlarged, it will have an approximate seating capacity of 90 men. Other improvements and additions to the Chapter properties will be continued thru-out the year. As fall approached, the entire yard was landscaped. A new lattice railing around the roof of the southern colonial type mansion will soon be built.

The Chapter is trying to win the intramural sports championship for the third consecutive year. Last year, ΣAE won the basketball, softball, and tennis championships, as well as placing in all the other events either second or third. The Chapter is on the way to the top in the Interfraternity Sing. In 1947, ΣAE won third place in this event. In 1948 the Chapter was second, and in 1949 the mem-

The Groom Wore White

• A marriage item should appear in THE RECORD thus: *Georgia Epsilon*—William Worth McDougald to Miss Charlotte Lorraine Ballenger at Gore, Ga., July 31, 1948. But this is the way the news appeared in the *Atlanta Constitution*, August 22, 1948, in the column, "In Our Town" by Bill Boring: With no feeling of guilt whatsoever we steal the following from *The Emory Wheel*, which, in turn, stole it from *The Bulloch Herald*. William Worth McDougald, the guy being written up, is an Emory student and ex-editor of *The Wheel*:

"Among the lovely social events of last week was the marriage early Saturday evening of William Worth McDougald and Miss Charlotte Lorraine Ballenger in the Pleasant Grove Baptist Church near Summerville.

"The groom, the oldest son of Mrs. Walter Edwin McDougald and the late Mr. McDougald, of Statesboro, was accompanied to the altar by John Horace McDougald, his half-brother. For his wedding outfit the groom was radiantly attired in a white tropical worsted suit, cut on the double-breasted style, with matching rows of buttons down the front. The buttons were a lovely coral to match the suit. He wore a sky-blue four-in-hand tie, caught up tightly at the collar of his white shirt. His socks, a left-over pair from his days in the Navy, were clear white, and were worn with white buckskin shoes tied at the center, relics, likewise, of service to his country.

"For his flowers the groom chose a white carnation, fastened with a borrowed pin to complete the 'something old, something new, something borrowed and something blue,' motif. He carried, as a sentimental piece, an empty billfold in his left rear pocket. His jewelry was simple, consisting entirely of a battered antique wrist watch some 15 years old.

"His hair was cut short, styled by Waters Tonsorial Emporium (below the Bulloch County Bank). It was slicked down with hair grease combined with water in equal parts, and parted slightly to the left of center.

"The bride wore some sort of white outfit."

In 1941 the Georgia section of the American Chemical Society selected him as the recipient of the Herty Medal. He was also presented with two

silver cups which he had won three times to gain permanent possession for analytical success on a series of check samples sponsored by the American Oil Chemists' Society. May Issue Well Received

● According to dozens of letters received at the National Office, the Gold Star edition of THE RECORD published in May, 1948, was worthwhile despite the high cost (such a project needed an angel). The issue in honor of the Fraternity's 850 Gold Stars reported at the time contained 850 reproductions of Gold Star photographs thru the cooperation of families and friends. Fifty-nine thousand copies were distributed and the Fraternity has kept a reserve of 1,000 for future requests. Naturally a majority of the fine letters came from parents of Gold Stars but on the other hand many were received from alumni, other fraternity editors and offi-

cers, etc. Since the May issue, eight more Gold Stars have been reported and photos of these have been obtained for supplementary pages for the bound volume of THE RECORD for 1947-48 which will include the Gold Star edition, and for specially prepared copies of the Gold Star edition containing the additional deceased members for the parents and families.

More Albums Available

● Due to the popularity of the Record Album of Sigma Alpha Epsilon Songs produced following the 13th Leadership School in 1947, another supply is on hand for sale to the Chapters and alumni. The

Record Album containing two 12-inch records with 18 songs in four-part harmony was the result of 60 voices in the Glee Club at the 13th Leadership School in Evanston, Ill., August, 1947, under the direction of Bill Fawcett, Ind. B '44. The recordings were made in the RCA Studios in Chicago and were ready for distribution before Christmas. The first order of 300 albums at \$4.50 each was exhausted just after the 14th Leadership School in 1948. Thus, an additional supply of 250 was obtained in the fall and albums are now available. Also copies of the new Song Book, edited by O. K. Quivey, Ind. B '12, and assisted by Mr. Fawcett, introduced at the 14th School, are available at \$2.00 each thru the National Office.
