Memorable Convention at Los Angeles

By Lauren Foreman, ESR

● Most elaborately entertained gathering in the history of Sigma Alpha Epsilon, the 93rd Anniversary National Convention, held at the Biltmore Hotel, Los Angeles, Calif., Tuesday to Friday, September 6-9, 1949, will live long in the memory of every one who was fortunate enough to attend and the gracious hospitality of the alumni of Southern California and their charming ladies will always be held in grateful appreciation.

The Convention was notable for the large number of ladies in attendance, in keeping with the theme, "The SAE Family," which had been adopted for the Convention.

Delegates were present from 121 Chapters Collegiate and 39 Alumni Associations who, together with the 12 Province Archons, seven past ESAs, five members of the Supreme Council and four other National Officers, gave the Convention a voting strength of 188, a new high in this respect. The total registration of delegates, alternates and visitors was 738.

Past ESA Marvin E. Holderness, *Vanderbilt '02*, of St. Louis, Mo., was the guest of honor of the Convention and took an active part in all its proceedings.

Following immediately after the 15th Leadership School which had been conducted Tuesday to Monday, August 30-September 5, the Convention brought the delegates from the Chapters Collegiate and the members of the school faculty in from the University of Southern California campus at an early hour Tuesday morning. The Ballroom of the Biltmore Hotel had been rearranged so that voting delegates and officers were seated in a special section at the front of the room. Business sessions were held at the Biltmore Tuesday morning and afternoon, Thursday morning and afternoon and Friday morning with the final session Friday afternoon in the Embassy Room of the Ambassador Hotel where the business sessions of the 1932 Convention had been held. Wednesday was devoted entirely to entertainment.

Eminent Supreme Archon G. A. Ginter, *Cincinnati '07*, called the first session to order at 10:30 o'clock Tuesday morning. The invocation was pronounced by Rev. Edward F. Norton, *Fla. '28*, alternate delegate from the Lakeland, Fla., Alumni Association. Delegates and visitors were welcomed to Southern California in stirring address by Zack Lamar Cobb, *Ga. '99*, and fitting response was made by Charles F. Collins, *BU '22*, past ESA.

Due to the crowded entertainment program, all the business sessions were hurried but the delegates were prompt in attendance and attentive at all times and assisted ESA Ginter in pushing the reports of officers and committees and important business so that all had been given necessary attention before final adjournment.

Alumni Dues Increased

The most important change in the National Laws was the adoption of an amendment increasing the an-

nual Chapter National dues of Alumni from \$3.00 to \$6.00, effective January 1, 1950, with the provision that \$1.00 from each such payment shall be set aside for the memorial to the Founders to be erected on the campus of the University of Alabama at Tuscaloosa, Ala., until \$35,000 is on hand for this purpose. The remaining \$5.00 from each payment is to be credited on a Life Membership for the donor, as a result of which Alumni will become Life Members after making 10 payments.

Other amendments adopted were of a routine nature. Several controversial questions which had been expected to rock the Convention did not come on the floor for official action. The Convention authorized the appointment of a committee to make a thoro study of the "discrimination" question and report its findings to the 1951 Convention.

Three Charters Granted

On the recommendation of the Extension Committee, charters for Chapters Collegiate were granted to three petitioning locals:

Epsilon Eta, San Diego State College, San Diego, Calif., (installed as California Theta October 8);

Zeta Mu, Fresno State College, Fresno, Calif., (installed as California Iota October 15);

Rho Epsilon Chi (the Rex Club), Florida Southern College, Lakeland, Fla., (to be installed as Florida Gamma November 12).

Loyalty Fund Announced

The Thursday morning session of the Convention was thrilled by Alumni Secretary John O. Moseley's announcement that Judge Alfred K. Nippert, *Cincinnati '94*, past ESA, had offered to start a "Loyalty Fund." to serve the Fraternity in emergencies, with a gift of \$10,000, conditioned upon gifts of \$15,000 by others, so that the fund will get off to a flying start with \$25,000 in hand. At the dinner Thursday evening, subscriptions for Founders memberships at \$1,000 and Life Memberships at \$50, totaling approximately \$6,000, were announced. The majority of subscribers for Life Memberships were active members of Chapters Collegiate.

Award of Trophies

During the Convention, the award of trophies to Chapters Collegiate was announced as follows:

On the recommendation of the ESR, the Efficiency cup for the Chapter which had been most prompt in submitting reports and meeting financial obligations during the 1947-1949 biennium, was awarded to Pennsylvania Sigma-Phi, Dickinson College, with honorable mention for Alabama Mu, University of Alabama, and Illinois Beta, University of Illinois.

The report of the Committee on Scholarship showed

that Virginia Sigma, Washington and Lee University was the highest ranking Σ AE Chapter in 1947-48 and second in 1948-49 and that Minnesota Alpha, University of Minnesota was the highest ranking Chapter in 1948-49. The committee recommended that the names of both Chapters be engraved on the Scholarship cup, given by the Miami, Fla. Alumni Association, and that Minnesota Alpha be given custody of the cup during the year 1949-50. The Committee further recommended that hereafter this cup shall be awarded annually by the Supreme Council on the recommendation of the Scholarship Commissioner. The Committee recommended that the Scholarship Improvement cup be awarded to Georgia Phi, Georgia Institute of Technology, and that this cup be awarded annually by the Supreme Council on the recommendation of the Scholarship Commissioner.

The Committee also recommended that a special plaque be awarded to Washington Beta, Washington State College, as the highest ranking Σ AE Chapter during 1947-48, under the ranking of the National Interfraternity Conference, based on the all-men academic average for each institution. All recommendations of the Committee were approved by the Convention.

On the recommendation of the Committee on Publications, the Chapter Publication cup was awarded to

The Convention Social Side, A Brilliant Time

By Don Gable, Editor

No greater attention to convention social affairs has been given since 1932 when Sigma Alpha Epsilon convened in Los Angeles, Calif., until the 93rd Anniversary National Convention was held there again, September 6 thru 9, 1949, during which time Los Angeles experienced one of its warmest spells in the history of the city.

Fortunately when the thermometer hit 90 degrees and up on September 7, Los Angeles' hottest September 7 known, delegates, visitors, wives, families and friends were on an all-day outing and enjoying the breezes of Balboa Island and Newport Beach Harbor. In that morning a motor caravan arranged by Woodruff (Woody) De Silva, Syracuse '22, Transportation Committee, carried the entire delegation to Balboa Yacht Club for lunch and boat rides on some of the best craft available in that glamorous harbor, where many Hollywood stars spend their leisure hours.

After boating and swimming the group went to the Newport Beach Yacht Club for entertainment and a barbecue supper with Dick Drake, Iowa '23, Mayor of Newport Beach, as host, who had greeted the delegation upon their arrival at Newport City Hall that morning, under police escort and with the first car of the procession being that from Alabama Mu, the Mother Chapter, at the University of Alabama. After arrival greetings by the Mayor, a group photograph was taken on the City Hall lawn, and then the group proceeded to Balboa. It is interesting to note that during the "Play Day," the Alabama delegation of five was joined by more members who came by special plane!

Prior to the barbecue which attracted approximately 1,000 people, three young lady diving champions performed. Announcements and arrangements were made by Lloyd D. Mitchell, USC '27, publicity chairman, and Ralph O. Chick, USC '21, aide to the

general chairman, Jack D'Aule, BU '10, respectively. In the cool of the evening, typical of California, music and dancing by a Spanish troupe in colorful costumes, were enjoyed. The Orange County Alumni Association assisted in plans for the "Play Day."

However, "Play Day" on September 7, was not the beginning of the Los Angeles Alumni Association's entertainment program. An unforgettable experience was the Grand Ball in the Biltmore Hotel Ballroom on the previous night, September 6, and entitled, "Hollywood Nights of 1949," arranged by Dr. Charles A. Reagan, Nev. '22, who, with Mrs. Reagan, had entertained the National Officers and Province Archons with a breakfast at their lovely home, formerly owned by the late Earl Carroll, in Beverly Hills, on Sunday, September 4.

Rudy Vallee Entertains

Highlight of "Hollywood Nights" was the entertainment by Hubert Prior ("Rudy") Vallee, Maine '25, showman and Hollywood character actor. Vallee and his bride, the former Eleanor Kathleen Norris, KAΘ, were presented with a replica of the original badge of the Fraternity. Zack Lamar Cobb, Ga. '97, president of the Los Angeles Alumni Association, welcomed the crowd of approximately 1,400 dancers.

The Convention Banquet was held in the famous Biltmore Hotel Bowl on the night of September 8, and for the first time in years, the wives and lady friends of National and Province officers were invited. Presiding at the head table was G. A. Ginter, Cincinnati '97, immediate past ESA. Toastmaster was General Convention Chairman D'Aule, who introduced the dignitaries and their wives at the head table. "In Memoriam," was presented by Mrs. Boyd, national president of the Gold Star Mothers of Amer-

After messages from Past ESA Ginter and Emmett B. Moore, Mont. State '24, ESA, the address of the evening was given by Dr. August LeRoy Strand, Mont. State '17, president of Oregon State College, who spoke on "Fraternity—The Positive Side," and the guests thoroly enjoyed his subtle remarks and quick wit, particularly in reference to the "late hour for speech making." Alumni Secretary Moseley reported on the progress of the "Loyalty Fund," stating that almost \$6,000 in Founders Memberships and Life Memberships had been subscribed since the opening of the Convention. The Convention closed with the singing of "Friends." During the course of the dinner music was provided by Chuel Foster and his orchestra from the Rendezvous Room of the Biltmore.

The ladies of the Convention having been included in the aforementioned events, their activities really started on Tuesday, September 13, 1949. (Continued on Page 185)

Georgia Epsilon 1901

For exceptionally meritorious service to Sigma Alpha Epsilon as Archon of two Provinces, as a member of the Supreme Council, as Emergent Supreme Archon, and as a brilliant administrator for sixteen years in the office of Emergent Supreme Recorder. It was he, when Emergent Supreme Archon, who appointed the building committee under whose efficient supervision the Laura Memorial Temple was erected, and it was due to his zealous husbanding of the funds of the fraternity that the debt on the Temple was liquidated long before it was due. For more than fifty years he has faithfully and unselfishly served Sigma Alpha Epsilon, and has earned the love and respect not only of the brothers of his own Fraternity, but also of those many members of other Fraternities with whom he has come in contact in his long career.

15th School in Sunny California

● Sigma Alpha Epsilon's 15th Leadership School, the first "away from home," just 2,300 miles from the site of its origin, the Levere Memorial Temple in Evanston, Ill., was off to a good start on the University of Southern California campus in Los Angeles, Tuesday afternoon, August 30, 1949, with 266 delegates and visitors mostly in sport shirts under the warm California sun, from 117 of the 124 Chapters and 20 administration and faculty members. Early arrivals enjoyed a buffet luncheon at California Gamma Chapter house.

Following registration and room assignment at Elizabeth von KleinSmid Hall, under the supervision of Glen T. Nygreen, *U. of Wash.* '39, and assisted by Emmett B. Moore, *Mont. State* '24, ESDA and Assistant Director of Leadership Training; John H. Baugh, Jr., *Okla. A. & M.* '35, assistant Chapter Supervisor; young ladies from the university and the Chamber of Commerce, movies were shown in the Law Building. These were handled by G. A. Ginter, *Cincinnati* '97, Eminent Supreme Archon, and Dr. Burton Hoffmann, *Northwestern* '26, former Archon of Province Beta.

Immediately following a buffet supper in the Town and Gown Cafeteria, the delegation gathered in the lounge for a song fest with C. R. Samuelson, *Neb.* '24, at the piano, and songs were directed by leaders Roger S. Markee of Michigan Iota-Beta, Russell Saunders of Iowa Delta and Stewart P. Smith of Texas Rho. Dr. John O. Moseley, *Okla.* '16, *Stanford*, past ESA, Director of Leadership Training and Alumni Secretary, welcomed the delegates to the "family school," and indicated that all must cooperate in regimentation in view of activities in various buildings on the campus, away from the compactness of the Levere Memorial Temple.

By Don Gable, Editor

One of the features of the song fest was the presentation of a rushing song by members from Nebraska Lambda-Pi and Iowa Beta. Faculty members were introduced by Director Moseley. They were Edward G. Hathcock, *UCLA* '31, ESCh., host to the school and in charge of arrangements; Lauren Foreman, *Emory*

'01, ESR, in charge of details at previous schools; Assistant Chapter Supervisor Baugh; Past Province Beta Archon Hoffmann; Don Gable, *Ohio Wesleyan* '35 *Northwestern*, editor of *THE RECORD*; William R. Kenney, *Colo. A. & M.* '42, former Assistant Chapter Supervisor ESDA Moore; Barry McNulty, *Northwestern* '45, Assistant Chapter Supervisor; Albert J. Schoth, *Ore. Stresses Leadership

(Editor's Note: The following excerpts are from a talk given by Sam C. Bullock, of Los Angeles, Calif., Grand Consul of Sigma Chi, at the 15th Leadership School of Sigma Alpha Epsilon in Los Angeles, September 3, 1949.)

● "You are to be congratulated for a most progressive attitude that but speaks of enlightenment for your every member. You are doing much for the entire fraternity picture in these meetings. I am sure every one of us will get a better understanding of what fraternity really means when we take heed of the lessons so well advanced here, lessons which fraternity men everywhere will accept with understanding and approval. I congratulate Sigma Alpha Epsilon for providing a better understanding among all men in the Greek Letter World. I congratulate every man here for his interest and participation in these fine series of meetings. I congratulate you because in the college men of today we find the leaders of our nation tomorrow.

"We find the hopes of the generation ahead of us and those who will keep Democracy alive, the Democracy that we know and appreciate. And let me emphasize that of those college men who will constitute the bulk of the leadership of this nation tomorrow, the greater percentage will be fraternity men. You men, whether you know it or not, are the hope of America. Don't take that statement lightly. You are on the threshold of a great adventure. You are the promise of this great country of North America. Wherever you are enrolled in classes, wherever may be your alma mater, there you are engaged in building for the tomorrow that will but emphasize that great word 'Democracy.'

"The destiny of our democracy is in your keeping. You must guard it well. You must nourish it constantly. You must cherish it forever.

"There is nothing unreal about fraternities. Rather are they outstanding in their presentation of a philosophy of life. To many of us fraternity is little short of our religion. To gain the truths which fraternity would hold for us we must always strive for the highest attainment. We must remember, too, that to attain that pinnacle, we must give service. We must learn to sacrifice. Nothing is ever achieved without sacrifice.

"It would be well for us all to remember that the greatest asset of our fraternity is not our social prestige, not our age, not our great numbers, not our large endowment funds, not our beautiful Chapter houses, not our prominent members. Better should we remember that in building men, in building good citizens of this great country, are we emphasizing our right to be acknowledged leaders in the educational picture of American Collegiate life."

Initiation—Slightly Late

● After 50 years, Frank Lothrop Batchelder of Houghton, Mich., became a member of Sigma Alpha Epsilon when he returned to the University of Maine campus June 10, 1949, for his 50th reunion—50 years after he had founded the local Chapter, Iota Phi, now Maine Alpha of ΣΑΕ. Mr. Batchelder received considerable publicity due to this unusual occurrence and he was shown receiving congratulations from Thomas H. Collins, EA of Maine Alpha, on the front page of the *Portland Press Herald*. Mr. Batchelder was one of the three original founders of the local group which obtained a charter from ΣΑΕ in 1911. The other two founders were initiated at the time of the installation. The local was founded in 1898 and Mr. Batchelder was graduated in 1899.

Okla. Kappa Founder

● Dr. Edward Marsh Williams, *Chicago '06*, of Oskaloosa, Iowa, has retired from the medical field and is now located at his residence in Iowa. It is of interest to remind readers of THE RECORD that Dr. Williams, now 80 years of age, was largely responsible for the founding of Iota Tau local fraternity which became Oklahoma Kappa Chapter of ΣΑΕ at the University of Oklahoma in 1909.

For many years he had engaged in the practice of medicine and in state and local health organization work at Oskaloosa. The founding of Oklahoma Kappa grew out of most unusual circumstances. In 1904, when Paul A. Walker, *Chicago '05, Okla.*, was a student at the University of Chicago, he knew Edward Marsh Williams who was teaching in the LaGrange, Ill. High School. The two exchanged visits frequently on weekends and on one occasion, when Walker was presumed to be with the Williams family, his roommate, Charles Berta, *Chicago '05*, discovered a stranger in Walker's room at the Chapter house.

When accosted by Berta, the stranger inquired about Paul. When Berta surmised that Walker had gone to LaGrange, the stranger said that he was Williams, Paul's cousin. The stranger then borrowed \$10.00 from Berta and said that he would return the money thru Paul. Of course that was the last seen of Paul's "cousin" or the \$10 bill.

It seemed that the "cousin" was a swindler and had worked a similar racket at several other houses. The following Saturday a young man called to see Walker when both he and Berta were absent from the house. When he said that his name was Williams, Harry Mock, *Franklin '04, Chicago*, decided on a plan to keep the swindler in the house until Walker and Berta returned. When Walker came back, he was informed that the swindler had been caught. Imagine Walker's surprise when he walked into the dining room and found his friend Williams surrounded by most the Chapter members who were amazed to see Walker greet Williams.

In spite of the unusual circumstances, Williams never forgot the fine treatment he received nor did he forget the impressions made on him by the members of Illinois Theta. Later Williams was initiated by the Chapter. He then went to the University of Oklahoma as head of the pathology department. He was so fired with enthusiasm for his fraternity that he began casting about immediately for suitable material for the organization of a local fraternity pledged to petition ΣΑΕ.

Mr. Walker was then located at Shawnee, Okla., as principal of the City High School. The two often visited and talked about the desirability of establishing a Chapter at Oklahoma. Shortly thereafter Dr. Williams organized Iota-Tau which eventually became Oklahoma Kappa.

Editor's Note: Dr. Williams died at Mercy Hospital in Oskaloosa, Iowa, May 17, 1949, after an extended illness, according to word received from Paul A. Walker, Chicago '05, who contributed the above information and who had been in Paris, France, for the summer.

Mt. Union Reunion

● According to William H. McMaster, *Mt. Union '99*, of Coral Gables, Fla., there are six men and two women survivors of his class at Mount Union College and all six men are members of Sigma Alpha Epsilon. Five of them attended the 50th anniversary of the Class of 1899 at Mount Union this year. The members were Mr. McMaster, Kline F. Leet of Cleveland, Ralph L. Kline of Youngstown, Frank M. Shelton of Columbus, F. Lawson Teets of Bolivar, Pa. Milo Stuart Moore of Los Angeles, Calif., class poet, was not able to attend but sent the following in honor of the deceased class members:

Lost friends are like lost Hesperus

Faded away. In grief our heads we bow

Mourn not. That star with all its glory bright

Is now a jewel on the morning's brow.

CARE Asks Book Aid

● When shells destroyed the library of the University of Louvain, Belgium, 900,000 books were lost. The Research Institute of

Medical History at Charles University, Prague, Czechoslovakia, lost 16,000 of its prewar 20,000 books. The library of the University of Caen, France, was destroyed. More than 150,000 books were lost at the University of Vienna. The figures tell the story of the staggering wartime loss of books abroad, a loss that began with the Nazis' book-burnings, a loss that swelled when libraries were caught in the cross-fires of battle. These are the reasons that led CARE, the non-profit agency which has delivered millions of food and textile packages overseas, to add a book program thru which Americans can help rebuild the war-wrecked libraries of Europe and Asia. Because the education of future leaders is vital to the reconstruction of the world, CARE's book program is aimed at supplying educational institutions with gifts of new scientific and technical books. Universities, libraries and technical schools in 14 countries are submitting lists of their book needs to CARE. With the funds made available by organizations and individuals here, CARE is then filling those needs as closely as possible by purchasing the latest and best scientific and technical books published in English. This new CARE "Food for the Mind" plan has been approved by the State Department's Advisory Committee on Voluntary Aid and is being carried out in cooperation with UNESCO. No used books can be accepted. Sigma Alpha Epsilon members have been asked to aid in this movement. Organizations or individuals can send contributions in any amount for the book program to CARE, 20 Broad Street, New York 5, N.Y. or to any CARE office in the country. Donations under \$10 are pooled in a general fund. On donations of \$10 or more, donors may specify the institutions, country and category of books.

California Theta Installed at San Diego

By Walter M. Brewer, Ariz. '17

San Diego State College on October 7, 1921, became the home of Epsilon Eta and on October 7, 8 and 9, 1949, was host to Sigma Alpha Epsilon, as on October 8, 1922 active and 30 alumni members of Epsilon Eta were initiated into Sigma Alpha Epsilon, the 125th Chapter, and the 10th Province Kappa.

The weekend ceremonies started Friday evening, October 7, when initiates gathered at the San Diego Club for signing of biographical data and final instructions of initiation events before the Epsilon Eta men went to their Founders Day banquet and dissolved their local.

(Editor's Note: Walter M. Brewer, Ariz. '17, author of the San Diego installation article, has long been a dynamic worker for the Fraternity in Southern California and witnessed his 8th Chapter installation when he traveled to Fresno to see the installation of California Iota at Fresno State College, October 15, and to help his old friend, Louis A. Mudge, *Northwestern* '23. The San Diego Chapter was Brewer's 7th and he has been dubbed "Old Man Extension" around Southern California as he had a vital part in the founding of California Gamma at the

University of Southern California, California Delta at the University of California at Los Angeles, California Epsilon at Occidental College and his own Chapter at the University of Arizona. The emotional climax to Mr. Brewer's work came when, after he had loaned his saber of Marine days in World War I, to ESH Hathcock for the installation ceremonies, he unexpectedly presented the saber to California Theta to keep as a souvenir of the installation and to be used in future initiations. EA Finster accepted the handsome saber but everyone was too overcome to speak, until the entire Chapter broke ranks and thanked Mr. Brewer with tears in their eyes.)

At 9:30 o'clock Saturday morning, October 8, activities started at the San Diego Club by an assembly of those being initiated and a morning indoctrination course was offered. The meeting was called to order by Walter M. Brewer, Ariz. '17, and Emmett B. Moore, *Mont. State* '24, ESA, was introduced as dean and leader of the

Fresno Chapter Is 9th in California

By David Juenke, Fresno

● The 126th Chapter of Sigma Alpha Epsilon was added to the Fraternity October 15, 1949, when the former local fraternity, Zeta Mu of Fresno State College in California, became California Iota, the 9th Chapter in the State, and the 11th in Province Kappa.

Sixty-five men were initiated as a group with Eminent Supreme Archon Emmett B. Moore, *Mont. State '21*, taking the role of Eminent Archon and conducting the initiation rituals. The initiation was the climax of a three-day event.

The former Zeta Mu, after 27 years of solid leadership on the Fresno State campus, was granted a charter by ΣAE during the National Convention in Los Angeles, along with the local fraternity Epsilon Eta of San Diego State College and The Rex Club of Florida Southern College.

"A Cherished Dream"—Mudge

It was the fulfillment of a long cherished dream for the 50 active members, three sponsors and 12 alumni who were initiated. But more important, it was the reaching of a high goal by one man, Dr. Louis A. Mudge, *Northwestern '23*, president of the Fresno Alumni Association, who was almost single-handedly responsible for the establishment of the newest Chapter. It was he who told Zeta Mu of the merits of ΣAE; he who guided them thru the many steps of petitioning; he who achieved his goal when California Iota was granted a charter.

California Iota took its first step towards becoming an official Chapter of ΣAE October 14, when San Joaquin Valley members of the alumni association met with the 65 initiates at a smoker held on the Fresno campus.

The next afternoon, a two and one half hour Indocrination School was held in the large hall of the Elks Club in downtown Fresno. Walter Brewer, *Ariz. '17*, gave the neophytes the history of Sigma Alpha Epsilon; ESA Moore, the organization of the Fraternity; Edward G. Hathcock, *UCLA '31*, ESH, told the group what ΣAE expected of the new Chapter, and Rex Silvernale, *UCLA '33*, Province Kappa Archon, concluded the session with his talk about alumni and public relations.

The former Zeta Mus were then taken into the hall again, where ESA Moore, taking the part of EA, conducted the initiation. Other parts were taken by ESH Hathcock who acted as EP; Province Archon Silvernale as ECh.; Dr. Mudge as ER; William R. Kenney, Jr., *Colo. A & M. '42*, as EH; Secretary-Treasurer of Fresno Alumni Harlan Johnson, *U. of Mont. '43*,

as EW and past Honorary ESA George H. Kress, *Cincinnati '96*, who acted as Chaplain. At the conclusion of the initiation, the group adjourned to the Hotel Californian for a banquet.

The banquet, which proved to be a success, was arranged for by Dr. Mudge. G. Coyle Briggs, *USC '25*, acted as master of ceremonies. Main speech of the evening was given by ESA Moore. Other addresses were given by Mr. Silvernale, Dr. Mudge, John Coffman as EA of the new Chapter, Mr. Hathcock, Fresno State College Dean of Men Harold Beatty, who was an alumnus initiate, and Dr. Kress. A long list of heartwarming congratulatory messages was presented during the banquet.

Guests at the banquet were the several deans of Fresno State College, the president of the college and the presidents of the six other national and three local fraternities. National fraternities were Lambda Chi Alpha, Sigma Pi, Delta Sigma Phi, Phi Sigma Kappa, Theta Chi and Kappa Delta Rho.

Officers Installed

The first Chapter meeting of California Iota of ΣAE was called to order Sunday afternoon by ESA Moore. Installation of officers was held with the following men taking office: Coffman, EA; Robert Moore, EDA; John Toomasian, ET; James Magner, ER; Richard Johnson, EC; Galen Bowman, EH; David Hernandez, ECh.; and Bob Brigham, EW.

Immediately after the meeting, the members of California Iota were honored at a reception in the college social hall. Nearly 300 guests passed thru the receiving line. Former "Sweetheart of Zeta Mu" and now the first sweetheart of California Iota presided over the guest book. Punch and cookies were served by the presidents of Fresno State College's seven sororities, who were assisted by an additional member of each of the sororities. Representatives of nearly every major national sorority in the nation were in attendance.

Initiates Listed

New members are Coffman, Moore, Magner, Toomasian, Johnson, Hernandez, Brigham, David Juenke, James Anthony, Ernest Bachelor, Donald Bachman, Wilbur Beasley, Manuel Betten-court, Richard Biama, Normand Biglione, Ralph Bissett.

Texas Rho Drive

● Texas Rho Chapter at the University of Texas, Austin, recently purchased a lot for the location of a new house and a sustained drive is now being carried out thruout the state among alumni for funds to proceed with the building. The lot is 272 by 168 feet and occupies a central position on Fraternity Row. During the summer Stew Smith, EA of the Chapter, made a tour of Texas cities, speaking to alumni groups in the interest of the building campaign. To date, groups of the Chapter have traveled to San Antonio, Houston and Dallas.—Bill Gilmore, EC.

Ohio Theta Building

John M. Harris, Adviser

● In 1946, the veterans from Ohio Theta at Ohio State University, Columbus, returned to a rented house, a mortgage on two vacant lots, a small amount of money in a building fund, but a lot of ambition to build a new house. Three years later, on September 19, 1949, ground was broken for the new house which will be ready for occupancy on September 1, 1950. The debt on the lots has been reduced substantially, the building fund is up to its first goal and the Chapter has been able to contribute more than \$5,000 toward the new house. The Chapter has been able to prove that an abundance of energy is the only way to rebuild a Chapter and a new home. Several things have contributed materially to this progress. The Chapter's budget has been carefully supervised as a basis for the building program, and a course of action has been plotted for the next several years to enable the Chapter to become established as the best fraternity here. Careful planning and work are certainly beginning to pay off. It is of utmost importance that good pledges be obtained and then properly trained to perpetuate the present goals and spirit. This type of program will be the no. one objective for this school year. There are still a few items that must be further strengthened but they are all a part of the over-all program and will receive attention in the order of their importance. A lesson has been learned here and the word can be passed along. Find out your weakest point and make it the strongest. In time, it is inevitable that more successful operation will be the result.

Mo. Gamma House Going Up

Approved and financed by the college, the house is being constructed and paid for under the same arrangements as those granted to other national fraternities. The brick construction will house 48 men, not including two additional rooms for the housemother. Mrs. Hazel Jenkins of Jefferson City. The cost of furnishing the house has been generously taken care of by members and friends of the national fraternity and of the Chapter.

ation's Chapters Help

When William Rice of Illinois Psi-Omega at Northwestern University suffered a broken neck and bruised spine after diving into Lake Michigan in May, the strength and quality of the ties that bind members of ΣAE together clearly showed. In an emergency situation, when Rice developed into complete paralysis, involving terrific hospital expenses, other ΣAE Chapters came to the rescue. Their generous support to an appeal from the Northwestern Chapter was amazing. In the September issue of *Psi-Omegaphone* an expression of gratitude was given. The story in part read: "Never before had we seen the traditional character of our fraternity so piogantly demonstrated. The generous response has proven one of the most heart-warming expressions of fraternal spirit that our Chapter has ever witnessed."

Another Chapter of Sigma Alpha Epsilon has joined the Foreign Student Plan. Sigma Epsilon at the University of Cincinnati along with Beta Theta Pi and Sigma Phi Epsilon are providing room and board for students, Willi Ritter of Germany and Alfram Mauser of Austria. They are the

first representatives of a new plan for international friendship which has been developed by the university's YMCA. HELP, High Education for Lasting Peace, is the name of the program and thru its campaign the UC waived tuition in the case of the two students

and in the donating by campus fraternities, sororities and independent groups of money for books, fees and living expenses for one year. Willi and Wolfram were chosen after intensive screening of applicants in Europe by the Department of the Army.

"Editor's Lament"

Editor's Note: *The following article is from the January, 1949, issue of Delta Upsilon Quarterly and is reprinted as it is quite certain that most fraternity magazine editors and executive secretaries have had the same experiences. Alumni should find it of interest and assure themselves of a place "in this world."*

• "The penalty for manslaughter being what it is, the editor pleads guilty to two flagrant murders, and throws himself on the mercy of the court.

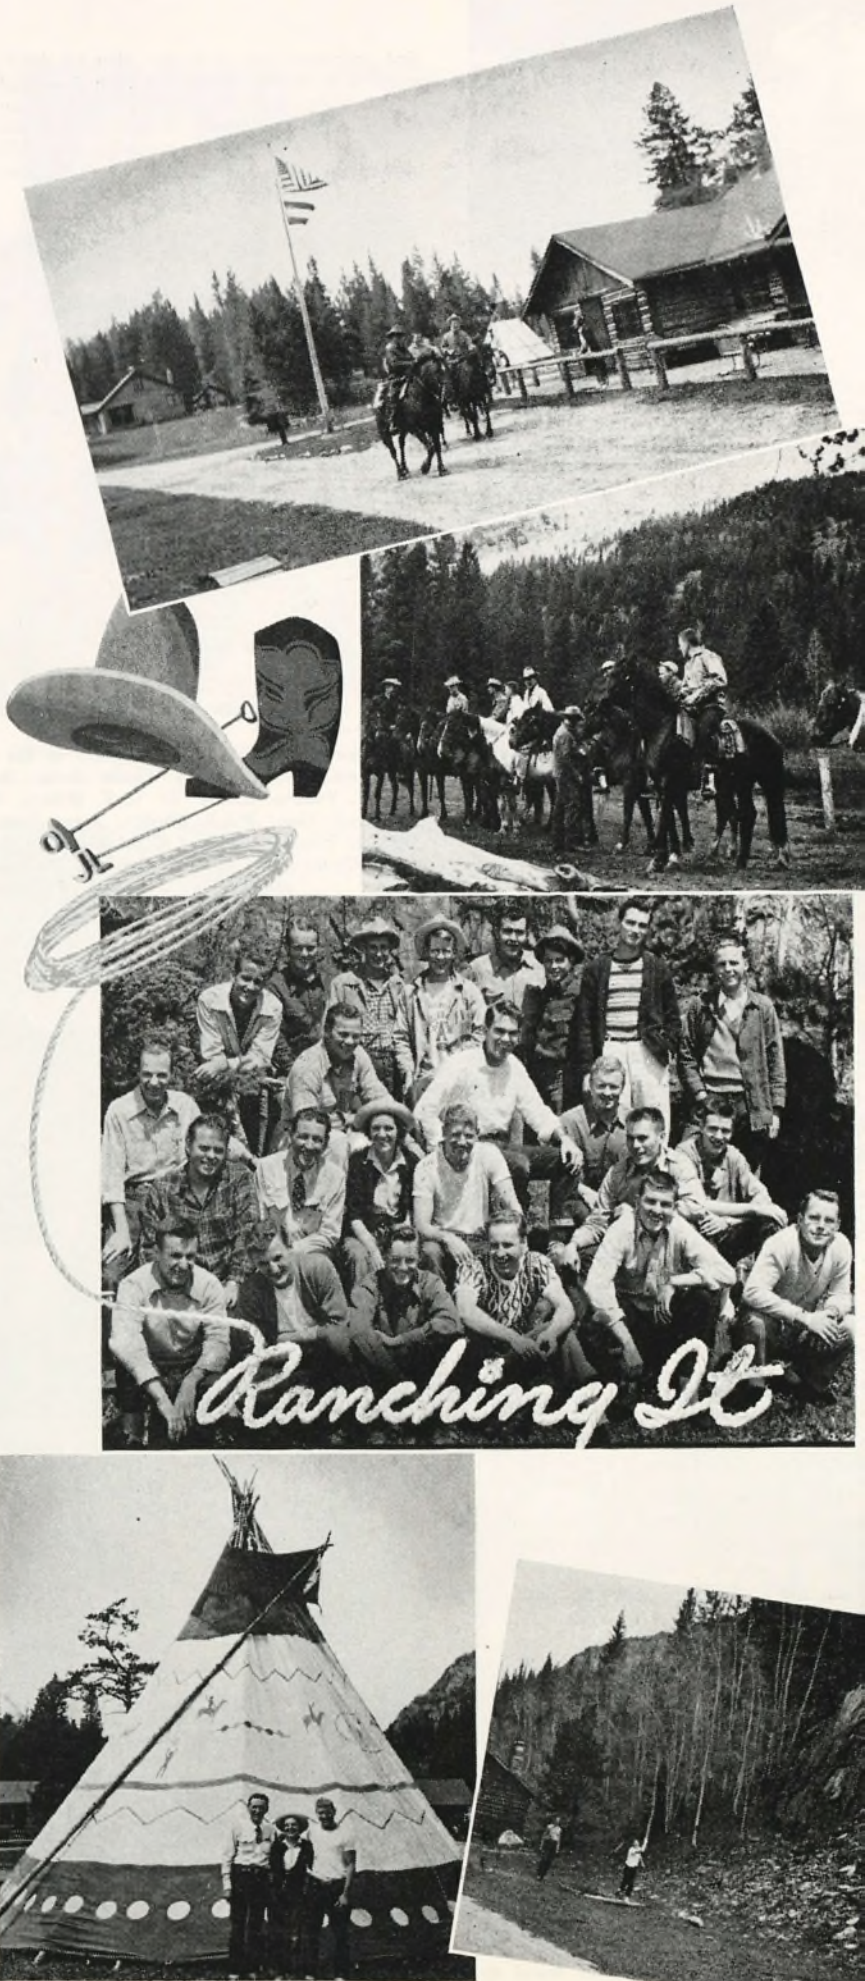

"Two good brothers buried in the obituary column of the *Quarterly* are, we have it now on good authority, hale and hearty. Consequently we hereby officially restore to life Brother John Bayles Applegate, *Brown '23*, and Brother Byron L. Mitchell, *Bowdoin '25*.

"If you are interested in excuses, we have these to offer: A letter sent to Brother Mitchell at his last known address was returned by the post office marked 'Deceased.' A search made by a Traveling Representative at the last known address of Brother Applegate received the same answer. Having always trusted the complete reliability and infallibility of our postal system, not to mention our traveling representatives, we listed the names 'Down Among the Dead Men' and they'd probably be there yet if Delta U's didn't have a habit of becoming alumni secretaries, and if alumni secretaries didn't have a habit of reading news about their school and checking the errors.

"From Brother Seward J. Marsh, alumni secretary at Bowdoin, we learned that those who prematurely mourned the passing of Brother Mitchell can address him at 31 Berkeley Street, Portland, Maine. Brother Chesley Worthington, alumni secretary at Brown, says you can address mail to Brother Applegate at 1 Newark Street, Hoboken, New Jersey, rather than care of, shall we say, St. Peter.

"Of course, there are a few morals here. One is, if you are going to be wrong, be plenty wrong! Another, aimed in another direction, is that it never would happen to any brother who kept his dues paid, or commuted his dues for life, and kept his mailing address up to date.

"Anyway, we have turned the photograph of our postmaster to the wall for 30 days, are devising suitable punishment for the other culprit, and have apologized profusely to all and sundry."

Death Takes "Ken" Quivey

By Lauren Foreman, ESR

● Oliver Kenneth Quivey, *Purdue '12*, Past Eminent Supreme Archon, ritualist, author, composer and the recognized authority on the music of Sigma Alpha Epsilon, known affectionately thruout the Realm of Minerva as "Ken" and "O.K.," died at his home in Baltimore, Md., at noon on Wednesday, July 21, 1949, after a long illness, and was buried in Rose Hill cemetery, Chicago, Ill., on Monday, July 26.

Funeral services, held at a funeral home in Baltimore on Saturday, July 24, were conducted by Rev. A. Brown Caldwell, *LaFayette '13*, assisted by the Rev. S. Carroll Coale, ΦΚΣ, pastor of the Wilson Memorial Methodist church, of which Mr. Quivey was a member. The National Office was represented by Lauren Foreman, *Emory '01*, ESR, and Province Gamma by Archon Harry G. Griswold, *Emory '15*.

On Sunday evening the family received

Besser-Lindsey Award

● Chapters having members of the 1949 senior class who can qualify for the Besser-Lindsey Award should send their credentials in as soon as possible, so that this honor may go to the deserving member and to the Chapter.

In 1924 this award was conceived by Edwin F. Besser, *Northwestern '16*, and J. Frank Lindsey, *Ind. '13*, who presented to Sigma Alpha Epsilon five hundred beautiful medals, handsomely engraved with suitable inscriptions, to be awarded at the fulfillment of the conditions to a senior in any Chapter. The donors were interested solely in promoting leadership in the three great phases of college life—scholarship, fraternity, and athletics. This award is one of the great honors that may come to a member of the fraternity during his four years of college life.

Qualifications: Only one senior per year in each Chapter is eligible for the award. There are three credentials necessary before the committee can pass upon the qualifications of any given candidate: (1) a statement from the athletic department of the college or university to the effect that the candidate has received two major letters in any given sport; (2) a statement from the registrar or corresponding officer of the college or university to the effect that the candidate has averaged 80 or thereabouts in scholarship during his college career; (3) a statement from the Chapter to the effect that the candidate has held office in the Chapter or has been an outstanding man on the campus and in the Chapter.

How and Where to Apply for the Award: All applications for the Besser-Lindsey Award should be sent to Sigma Alpha Epsilon, P.O. Box 1856, Evanston, Ill. The three statements listed above under *Qualifications* should accompany all applications for the Award.

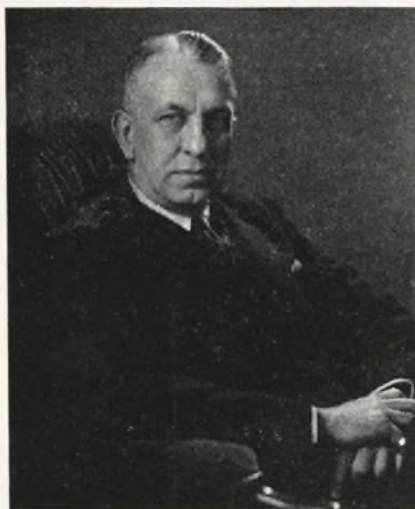

friends at the Hebblethwaite Funeral Home in Evanston. The services at the grave were conducted by the Rev. Erskine M. Jeffords, *Syracuse '18*, chaplain of the Levere Memorial Temple. The Fraternity was represented officially by G. A. Ginter, *Cincinnati '97*, ESA; ESR Foreman, Albert J. Schoth, *Ore. State '18*, Chapter Supervisor; Arthur H. Knox, *Northwestern '02*, architect of the Levere Memorial Temple; and Mrs. Florence W. Bertalot and Miss Ruth O'Malley, members of the National Office force. The services in Baltimore were attended by many alumni from Baltimore and Washington while many alumni from Chicago and Evanston and a large delegation of Indiana Beta alumni from Lafayette, Kokomo and other Indiana cities visited the funeral home on Sunday evening and attended the burial services on Monday. During the funeral service, the chimes of the Levere Memorial Temple were tolled and a musical program, including *Friends* and *Violets* was played. Mr. Quivey is survived by his widow, Mrs. Helen B. Quivey, and a stepson, Wayland G. Hier, *Pa. State '42*.

Initiated by Indiana Beta at Purdue University, April 3, 1909. "Ken" Quivey from that day until the day of his death gave generously of his life and his heart to ΣΑΕ. He was a Founder of the National Endowment Fund and had given liberal support to various undertakings of the Fraternity and his mother Chapter of which he was always an ardent supporter.

Almost his entire business career was with the Baltimore and Ohio Railroad of which he was general agricultural agent at the time of his death. He went with the B&O as agricultural agent immediately after his graduation and served in that capacity until 1918 when he resigned to enter the U. S. Army. Discharged in 1919 as first lieutenant, he went with the Kansas City Chamber of Commerce as agricultural commissioner. He gave up this place in February, 1921, to become grand secretary of the Fraternity but resigned in July of that year to return to the B&O. He was highly regarded in his field and had served as president of the Railway Development Association, a national organization of railway development officers.

Attended Many Affairs

He was a delegate to the Pittsburgh Convention of 1916 and attended numerous other conventions and celebrations. He was an accomplished ritualist and no initiation or Founders Day dinner at Indiana Beta was considered complete without him. On moving to Kansas City, he took a lively interest in the alumni association and was made vice president. When the Central Office was established at Evanston, he was selected by William C. Levere, *Northwestern '98*, ESR, as Grand Secretary, being the only man ever to hold this office. Altho his service in this office was brief, its value was recognized by his election as Eminent Supreme Herald at the Detroit Convention of 1922. He was elected Eminent Supreme Deputy Archon at the Atlanta Convention of 1924, altho illness prevented his attendance, and was re-elected by the Boston Convention of 1926. He was elected Eminent Supreme Archon by the Miami Convention of 1928 and served during the

years, 1929 and 1930. He was the installing officer for Rhode Island Alpha at Rhode Island State College February 23, 1929, and for Vermont Beta at the University of Vermont, March 2, 1929.

During his administration as ESA, construction of the Levere Memorial Temple was started and completed. He turned the first spadeful of earth at the groundbreaking on June 22, 1929, and presided at the dedication services, December 28, 1930.

(Editor's Note: Mr. Oakes, author of the above spontaneous words, is sales manager of the Central Manufacturing District in Chicago.)

Record and compiled the *Pledge Manual* which was issued in 1938, reprinted in 1942 and 1944, and has now been incorporated in *The Phoenix*. He was the editor of *The Songs of Sigma Alpha Epsilon*, the revised song book which was issued in 1948. This was his pet project and will be remembered as his life's great work for the Fraternity.

While "Ken" Quivey served ΣΑΕ in many capacities, it was in the musical field that he was pre-eminent. He was the author and composer of *Friends* and *Yours in the Bonds* and composed the music for the ΣΑΕ *Grace*, the words for which were written by Mr. Levere. He was an intimate friend of the late Harold Hill, Ill. '11, author of *Violets*, and Howard R. ("Hod") Green, Ill. '12, co-author with Harold Hill of *Hail to the Purple*. He did much to introduce the songs and to make them the most popular songs of the Fraternity.

He wrote and composed a number of other songs and knew the history of ΣΑΕ music as no one else did. His inspiring and illuminating talks on "The Music of ΣΑΕ" were a feature of each of the annual Leadership Schools. His love of music was doubtless a reflection of his kindly nature which endeared him to all who knew him and his presence at future serious and convivial gatherings of ΣΑΕs will be sorely missed by those who have had the pleasure of being with him on such occasions.
