The Chapter's first house was built in 1913. Details of the new \$270,000 house were carried in the May issue of The Record.

FLORIDA BETA—This young Chapter of six years was installed at Florida State University, Tallahassee, Fla., on March 5, 1949, and was in the limelight on a national scale in March this year in connection with the presentation of a diamond-studded badge of Florida's new governor, LeRoy Collins, Tenn. Lambda '31 (Cumberland). Within three years of the installation the Chapter moved into its unusual home and within three more years was the site of a resention for a governor attracting 400 people.

the Chapter moved into its unusual home and within three more years was the site of a reception for a governor, attracting 400 people.

CALIFORNIA DELTA—This Chapter was chartered on March 9, 1929, at the University of California at Los Angeles, and the present house, photographed by Thelmer Hoover, California at Los Angeles, and who has provided innumerable photographs for the fraternity, was formally opened with a reception and dedication on June 16, 1940, after plans for a new home had been made as far back as 1930. The new home appeared on the front cover of The Record in September, 1940. The mortgage on the house was burned on May 20, 1950. Among the Chapter's prominent alumni are Edward G. Hathcock, '31, ESDA; Rex Silvernale, '33, Honorary Archon of Province Kappa, and Calvin Smalley, '27, Deputy Archon of Province Chi.

BACK COVER

OHIO DELTA—This 68-year-old Chapter was chartered at Ohio Wesleyan University, Delaware, Ohio, on November 16, 1888, and lived in the same house for nearly 50 years until the new one was built in 1955. Dedication details are carried elsewhere in this issue. The Chapter is the only one in the entire fraternity that has claimed three Eminent Supreme Archons. They were Albert M. Austin, '94, of New York City, and the late Arthur E. Brown, '02, and George N. Short, '05. Mr. Austin attended the dedication of the new home on June 4 and received a Founders Membership in the National Endowment Fund from Province Delta. Photograph, Apple & Cryder, Delaware.

ARKANSAS ALPHA-UPSILON—This Chapter was chartered at the University of Arkansas, Fayetteville, July 8, 1893. A huge, rambling house was purchased in 1922 with nearly a block of ground around it. In 1938 the house was remodeled with the surrounding porches removed. The remodeled house with its many oak trees around it appeared in The Record in 1941. Plans for a new home at a cost of \$267,000 and overlooking a beautiful Ozark valley were approved in May, 1953, and construction was started immediately. The house was dedicated on November 15, 1954.

My Fraternity—Creed For Sigma Alpha Epsilon

"A Creed for Sigma Alpha Epsilon" which appeared in THE RECORD in

1930 by Ivan Lee Holt, Tenn. Nu '04 (Vanderbilt), now Bishop of the Methodist Church, is worth repeating in the magazine after 25 years. Attention to it was called by Lauren Foreman, Archivist. It read:

"My fraternity! Each of those words can stir the heart! What is fraternity? It is brotherhood, and brotherhood is possible only where selfishness is subordinated to heart-felt interest in another man. But fraternity is more than brotherhood because it is brotherhood with a purpose. It seeks ever to promote that fine thing we call loyalty! Loyalty to itself? Far more than that it means by loyalty. Amid life's conflicts there come sometimes clashes of loyalties, and a fraternity must teach its members in every such crisis to be loyal to loyalty! There are certain ideals of life, goals of living, which emerge each year one lives, and a fraternity in its fellowship, its ritual, its program is ever stressing them, and leaving in the hearts of its members a distressing dissatisfaction with petty, or selfish, or mean conduct. A fraternity is a brotherhood whose philosophy of life is loyalty. My fraternity! I can make a fraternity mine by saying: This day I will think of that other one who needs the clasp of my hand! This day I will know that all wisdom is not in my learning, and that I need to seek it from all sources I can find! This day I will remember that living demands honesty, discipline and straightforwardness! Suppose I will not say all this? Then the fraternity may be some one's fraternitybut it is not mine. My name may be on its roll but I have no right to call it 'My Fraternity'."

Member Expresses Ideas On Interfraternity Relations F. Bunting, III, Tenn.

According to Robert

State), of Toronto, Canada, he visited New York Mu at Columbia University some years ago and noticed the front of several fraternity houses on the street in very bad shape. Since then he has seen such sights on many occasions in many different locations. Mr. Bunting goes on to say:

"This is a very childish type of amusement. It seems to me that when young men have reached an age to attend college they should have matured enough to express their feelings in a more manly means. Today most fraternities belong to the Interfraternity Conference. It would appear to me that while young men within a fraternity are brothers, through their fraternities belonging to the Conference they can look upon those of another fraternity as cousins.

"We do not go about damaging and messing up our cousin's property. Why should we do it to those who through the Conference are literally cousins of ours in the Greek letter family of fraternities? I am sure that most, if not all the fraternities are built upon a common bond—the promotion of better, higher education, a nobler manhood, and good citizenship. Certainly damaging the property of others does not reflect very highly upon the principles upon which the fraternities are built. I would suggest very strongly that this matter be taken up at the next Interfraternity Conference."

Advertising as Viewed By Graphic Arts President

Because there are so many pros and cons concerning advertising

in fraternity magazines, not only by fraternity executive secretaries, editors, other national officers and alumni, the following is quoted from the President of The American Institute of Graphic Arts, by Dr. M. F. Agha, and this might give a broader view by those who seem to think advertising in fraternity magazines is out-of-place and what have you.

"Any crow-hunter will tell you that a crow is very hard to hit, because a crow is mostly squawk and feathers, with very little crow inside.

"Prosperous magazines are like that: only 30 or 40 pages of their tremendous bulk are pure crow (or solid editorial matter)—the rest is advertising.

"As a rule, prosperous magazines with a lot of advertising are the ones that excel in the field of graphic arts. Magazines which manage to have prosperity without advertising, or fine formats without prosperity, are pleasant exceptions that confirm the rule.

"Historically speaking, advertising is the largest single factor in shaping the graphic destinies of our magazines. There were times when no magazine would accept advertising; they preferred to stay pure though poor; later, advertisements were printed on colored paper, to make it easier to separate the sheep from the goats; some magazines offered special editions (at slight extra cost) with all advertisements carefuly cut out.

"But advertising was there to stay: under its influence, the magazines, as the years went by, became larger, acquired illustrations, better paper, better printing, profuse color—because advertisers wanted larger, more pictorial, more colorful ads.

"Today, as you can see in our MAGAZINE Show, the editorial pages themselves are affected by this advertising thinking: the trend is towards more spectacular and poster-y treatment, which competes with advertising fireworks for readers' attention.

"A contemporary reader is scarcely able to distinguish between editorial and advertising pages: to him a magazine is a homogenous blend of both. A magazine with all advertisements cut out would look, today, as strangely incomplete as a plucked crow.

"This is one of the reasons why this year, for the first time, we will include FIFTY BEST ADVERTISEMENTS OF THE YEAR in our DESIGN AND PRINTING FOR COM-MERCE SHOW."

Editor's Note: The above arctic message is used primarily because of the editor's belief in and campaign for advertising.—Don Gable.

Faulkner Wins Pulitzer Prize

♦ William Faulkner's A Fable, featured in the May issue of The Record, won him, Miss. Gamma '19 (Mississippi), his first Pulitzer Prize in Literature in New York on May 2, 1955. Faulkner, who won the 1949 Nobel Prize in Literature, wrote an allegory of mutiny in the trenches of the first World War. Mr. Faulkner was selected to write "Land of the Pharaohs," a Cinema-Scope and Warner-Color opus filmed in Egypt and Rome with a cast that included several thousands extras and 1,600 camels.

Power-House (Dick) Powell!

Dick Powell, Calif. Epsilon '24 (Occidental), is now director of film productions with his wife, June Allyson, who are incorporated under the name of Pam-Rick Pictures. Powell was featured in the Chicago Tribune Magazine in February, 1955, and Hedda Hopper referred to him as "former crooner, who made good as a radio, movie, and television actor, now a director of huge

film productions." He has been in show business for 23 years but he won't head a major studio, although Howard Hughes tried his best to persuade him to take over RKO. Stated Powell: "I will do one picture a year for Hughes, then make my own films. It's more fun to produce and direct one picture than to run a studio." Three years ago Dick, Charles Boyer, David Niven and Don Sharpe started the "Four Star Playhouse" on TV. They also have "The Star and the Story." Powell produced "The Conqueror" last spring and did four more TV shows before he and June took off to Sun Valley for a rest. June was named SAE sweetheart at the all-state Founders Day celebration in Columbus, Ohio.

Internal Revenue Counsel

♦ John Potts Barnes, Ala. Mu '22 (Alabama), who for many years has been practicing law in Chicago, Ill., and living in Evanston, has been named as Chief Counsel to the United States Internal Revenue Bureau.

Reunion in Venezuela

According to C. F. Lindsley, Jr., Calif. Epsilon '40 (Occidental), of the Creole Petroleum Corporation, a reunion of 11 members of the fraternity was held in Carcas, Venezuela, on Founders Day, March 9, 1955. It was a dinner at the American Club and is believed to be the first ΣAE meeting in Venezuela. The members from seven Chapters and their wives were: Mr. and Mrs. Robert T. Brinsmade, Mr. and Mrs. Gustavo de la Rose, Mr. and Mrs. Howard Duncan, Mr. and Mrs. J. R. Goode, Mr. and Mrs. F. C. Hendryx, Mr. and Mrs. C. F. Lindsley, Jr., Mr. and Mrs. Tom Lumpkin, Mr. and Mrs. J. J. McClendon, Mr. and Mrs. W. H. Phelps, Jr., and Dick Valley and Tom Drew-Bear. Plans are being made to celebrate the fraternity's 100th anniversary in 1956.

tary and former president of the Atlanta, Ga. Alumni Association, a new association has been chartered in Americus, Ga. The 35 charter members are from Americus and five other towns within a radius of 35 miles. By capitalizing on the idea of organizing alumni in a geographical area it is hoped to eventually include a high percent of alumni in Georgia in the alumni program, according to Mr. Cousins. Mr. Powell was selected as the first president. James H. Hawkins is secretary-treasurer. Quarterly meetings are called by the president.

New Association in Austin

♦ An alumni association has been chartered in Austin, Texas, and an initial meeting was held on April 7, according to Dan Moody, Jr., secretary-treasurer. President is Harry S. Pollard, Texas Delta '29 (SMU), and Robert C. Heidrick is vice-president. The group meets on the fourth Monday of each month.

Puerto Rico Alumni Association

Application for an alumni association in Puerto Rico has been made through the efforts of Milton Zapata (Ramirez), Texas Delta '47 (SMU), and other members on the island. An organization meeting was held on April 2 and at that time it was decided to apply to the National Fraternity for a charter. Any members who have not been contacted and are interested in the association should contact Mr. Zapata at Box 528, San Juan, or telephone 2-3400 or 8-1489. Notices have been issued to different English-speaking radio stations on the island.

"Showdown at Ford"—Bugas

♦ John Bugar, Wyo. Alpha '30 (Wyoming), played a prominent role as vice-president of Ford Motor Company when Ford made its counter-offer to the United Auto Workers' demands for the general annual wage in May. The Ford offer brought no cheers from the union and contained no G.A.W. Nevertheless, it was what Bugas

called "as challenging and comprehensive a single package offer as ever made in our industry." In place of G.A.W., the Ford company made three new proposals designed to increase the security of workers, including a stock purchase plan, an "income stabilization plan," and severance pay. Both the stock and severance-pay plans were completely new in the auto industry.

"Old Timers Party" Planned

♦ Iowa Gamma alumni of Iowa State College, Ames, will stage their annual "Old Timers Party" at the Chapter house and the El Rancho Motel south of Ames, October 13-14-15. According to Durwood W. Moss, Iowa Gamma '17, president-secretary of the Cedar Lumber Company in Cedar Falls, reservations should be made directly with the El Rancho Motel immediately.

Columbia. More than 25 attended the affair including wives of members. Mr. Jordan cited Mr. Trice's years of service to Missouri Alpha as adviser and to Province Zeta. It was pointed out that Trice was instrumental in organizing the alumni association in Columbia which through circumstances has remained small but never-the-less quite active since its inception nearly two years ago. Presentation was arranged by Roy L. Miller, Province Zeta Archon, but he was unable to attend the ceremony.

Honored by French Government

Carl G. L. Schaefer, Calif. Delta '31 (UCLA), head of Warner Bros. Studio International Department, was inducted as Chevalier of the French Legion of Honor by Raoul Bertrand, French consul general in Los Angeles at a meeting of the Foreign Trade Association of Southern California at the Biltmore Hotel. In making the presentation on behalf of President Coty of France, the consul general cited Schaefer for his work in international relations during the last 20 years at Warner Bros., for his contributions to France as president and chairman of the Board of the Foreign Trade Association and for his work during World War II with the Office of Strategic Services (OSS) on a pre-D Day project for the French underground. At the meeting Mr. Schaefer gave a report on his recent trip to Europe during which he made stops in Paris, Marrakech and French Morocco.

Reflects Successes at 83—Kenan

 William R. Kenan, Jr., N.C.Xi '94 (North Carolina) a Founder of the National Endowment Fund of ΣAE, was featured on the front page of the St. Augustine Record, St. Augustine, Fla., Sunday, May 1, 1955. The headline read: "William R. Kenan, Jr., Looks Back on Successful Career on 83rd Birthday." The article stated that Mr. Kenan's connection with St. Augustine and Florida has covered a span of 55 years and Hotel Ponce de Leon has been his winter home during most of this time. He looks back over a life filled with successes along many lines, and anticipated many more happy and useful years. He is an inventor, discoverer, businessman, engineer, scientist, chemist, philanthropist, industrialist, financier, dairy farmer and cattle breeder. He has written and published a number of books. Most of these books are in the library of the Levere Memorial Temple in Evanston, Ill. Mr. Kenan has been a longtime contributor to the SAE Leadership Schools.

Ends Hospital Stay

Lawrence R. ("Larry") Wagner, Kan. Alpha '44 (Kansas), of Kansas City, Kan., has ended a two-year hospital stay after being crippled by bulbar and spinal polio. After being a patient at the Bethany Hospital, he and his family made plans for a trip to the Ozarks where he said that he would "fish by proxy." Mr. Wagner left Kansas City in June to attend the state meeting of the Kansas Association of Wildlife. He is past president of the organization. The trip by car required an apparatus at his throat for a portable respirator. Mr. Wagner was in an iron lung for six months. Local members of SAE and Pi Beta Phi presented Mr. Wagner with a TV set as a Christmas remembrance.

GE Vice President Retires

♦ Chester H. Lang, Mich. Iota-Beta '15 (Michigan), has retired as vice president of General Electric and now he says he may run for Congress. Mr. Lang, long-time member of Sigma Alpha Epsilon's Extension Investigation Committee, attended his last meeting with the GE advisory committee in New York in June. He was honored by GE Colleagues at a New York dinner. He was further honored at a testimonial dinner in the Edison Club in Schenectady. Mr. Lang had been a vice president since 1941. After having been manager of sales, apparatus department, he took overall charge of GE public relations in June, 1951.

Radio, newspaper and magazine publicity worthy of the occasion has been planned. All the members mentioned above will be guests of the Chicago Alumni Association.

Dr. Bunce is in charge of all the special arrangements. Any information desired can be directed to him at Armour Research Laboratories, 1425 West 42nd Street, Chicago, 9.

The Lanier family of four generations of direct descent, all members of Sigma Alpha Epsilon: LEFT TO RIGHT, Clifford Anderson Lanier, IV, of Montgomery, Ala., who was initiated by Alabama Mu on March 9, 1955; his father, Clifford A. Lanier, III, Ala. Mu '31 (Alabama); grandfather,

the late Clifford A. Lanier, Jr., Tenn. Omega '91 (Sewanee), Va. Sigma (Wash. & Lee), and great grandfather, Clifford A. Lanier, Ga. Eta '60 (Oglethorpe, quiescent). Ransom J. Jackson, Jr., Ark. Alpha-Upsilon '47 (Arkansas), Texas Rho (Texas), third baseman for the Chicago Cubs. He was on the 1954 All-Star National League team which played the Amercian League All-Stars last July. He hit 19 homeruns last year. DECENTRALIZATION:

THE CHAPTER ADVISORY SYSTEM

ON THIS PAGE was proposed a watchword for ΣΑΕ for the next hundred years: DECENTRALIZATION. Probably the word DECENTRALIZATION was chosen unwisely because it created confusion in the minds of some brothers. "How," they ask, "can you recommend weakening the National Office after so many years of intensive effort to give prestige, stability and authority to it?" Other brothers equally interested wrote in, "What do you mean by 'centralization first and then decentralization.' Doesn't that say that you are building up only to tear down?"

Yes, this does sound like a contradiction of terms! But anyone acquainted with the amazing growth of the fraternity system knows that the building of strong chapters depends upon the development of strong influences close to the Chapter. This is the

Big Brother idea in a nutshell.

Decentralization may be defined as the placing by the central authority of ever more power, prestige and responsibility on the local level. The first and most natural act of decentralization is the strengthening of the CHAPTER ADVISORY SYSTEM. College fraternities have had advisors, both official and otherwise, ever since they have been in existence. At first the Chapter Advisor was a sort of godfather to the Chapter and probably represented the only alumnus in the college town, or at least the only interested alumnus. He would be invited to the fraternity functions, would attend a Chapter meeting or two during the year and would occasionally take a part in the initiation. He usually served as long as he lived or until he moved to another town and when he did retire, if he ever did, the Chapter waited around until some selfappointed successor gravitated into his place. The development of this relationship to the Chapter Collegiate is a most interesting one and worthy of an entire essay. A few traces of the old-time CHAPTER ADVISOR are still to be found in some localities; but not often where great Chapters abide.

With the coming of Chapter houses came HOUSE CORPORATIONS; and this phase of decentralization is today about as confused and confusing as CHAPTER ADVIS-ORY SYSTEMS were about 30 years ago. The latest agency of decentralization to appear is the ALUMNI COMMISSION.

In the next two articles HOUSE COR.-PORATIONS and ALUMNI COMMIS-SIONS will be discussed. Let us use our remaining space to talk about the CHAP-TER ADVISORY SYSTEM. The most notable characteristic of the CHAPTER AD-VISORY SYSTEM is that it is the creation and the creature of the Chapter Collegiate. The Chapter Advisors are elected by the

Chapter annually, generally at the last or next to the last formal meeting of the year. In this they differ from HOUSE CORPO-RATIONS, whose directors are composed of alumni and members of the Chapter Collegiate. They are elected for a term of years by the members of the HOUSE CORPORA-TION at each annual meeting. The ALUM-NI COMMISSION is appointed by the Supreme Council. It derives its power solely from the Supreme Council and reports directly to the Supreme Council. Of course, it works with Chapter Advisors and HOUSE CORPORATIONS and with any and all interested alumni; but to the Supreme Council alone it owes an accounting of its acts.

Chapters Collegiate which still have just one Chapter Advisor on an indefinite tenure are on a par with the old-time one horse shay as compared with an eight cylinder motor car. The number of Advisors is usually limited only by the number of alumni who are available and will serve. On the day that the active Chapter takes as much interest in selecting and moulding an AD-VISORY SYSTEM as they do in building a softball team or preparing a social program will be the day they are beginning to enter into true greatness.

Below are listed some suggested names and duties of Chapter Advisors:

1. SCHOLARSHIP ADVISOR. The Scholarship Advisor and the Financial Advisor are the two most important advisors in the Advisory System. If a Chapter has only two men, certainly these functions should be emphasized and the other functions carried by the two men as best they can. The Scholarship Advisor should promote and preserve high scholarship within the Chapter and encourage a genuine love of learning among the members. He should work with the Scholarship Committee in planning the study program and with the Pledge Training Committee in setting up a Pledge Training Program with the proper emphasis on scholarship. He should regularly check the members of the Chapter Scholarship Committee to keep them on the job keeping the Chapter informed of brothers who are in scholastic trouble and withdrawing the flunkers from college before their failing grades count against the Chapter. It is the duty of this Advisor to provide a stimulus and an inspiration to the Chapter to do all of the little things that they should do which are enumerated in the various books; but above all to turn out wearers of our badge who can truly add the word "scholar" to the word "gentleman."

2. FINANCIAL ADVISOR. It is an old fraternity saying and worthy of full acceptation, that if you are down in scholarship and down in finance you are down in every-

thing else. The Financial Advisor has a great responsibility. He may do much or may do little, but everything that he does do should be in a spirit of helpfulness. He will earn his salt if only he can get the Treasurer and Assistant Treasurers to do what, under the Chapter laws, they are supposed to do.

3. RUSHING ADVISOR. This is a phase of Chapter operation in which alumni take great interest and sometimes do more harm than good. That is why it is all-important to have an alumnus to coordinate the activities of the alumni with the regular Chapter rushing program. The Rushing Advisor is also useful in ironing out difficulties which might arise between alumni and active chapter, in soothing wounded feelings in regard to rejects and in keeping the Chapter busy with rushing at all seasons of the year. Upon the Rushing Advisor falls the duty of preserving a sane outlook in the handling of the legacy problem.

4. SOCIAL ADVISOR. Here is one department in which everybody's business is nobody's business. The only sensible solution is to appoint a brother whom the Chapter trusts and likes and then to follow his advice. A good Social Advisor who has right ideas and is on the job will not only save the Chapter from the many mistakes which can and do bring it into disrepute; but also will insist on the many things that give it high standing on the campus and with the public.

5. INTRAMURAL ADVISOR, Under this heading are placed all of the Chapter activities which have to do with competition with other fraternities, such as athletic events, the University Sing, Homecoming and campus skits. He should be a man who is not too far removed from these activities in either time or inclination to be of great assistance in producing winning and sportsmanlike competition.

6. CHAPTER HOUSE ADVISOR. If the Chapter has sufficient manpower it would be mighty well to have one of the Advisors who would be willing to undertake periodic inspection of the Chapter house, the lawn and of other Chapter property in order to insure their proper upkeep. This brother might well be a member of the House Corporation, probably the Secretary or Assistant Manager, in order that he might report Chapter needs to the House Corporation and secure the funds for maintenance and repair.

7. CHAPTER ADVISOR. This Advisor should be a brother who is primarily interested in the internal workings of the Chapter Collegiate. He should love to attend Chapter meetings, he should keep abreast of everything that is going on inside the Chapter and be available at all times to make constructive suggestions, soothe wounded feelings and reconcile individual differences, and promote harmony and Chapter spirit within all ranks of the Chapter members.

8. ALUMNUS ADVISOR, It is the duty of this Advisor to see to it that the Chapter maintains good public relations with its alumni. He should be able and willing to advise on mattters concerning the Minerva Club, to assist in planning and organizing public functions, such as Founders Day banquets, alumni meetings and especially

initiations. It is part of his duty to see to it that the alumni lists are kept up to date, accurate and complete.

9. FACULTY ADVISOR. Fortunate is the Chapter who has at its command the services of a member of the faculty in keeping the active Chapter informed about University policy, the operations of the Dean of Men's Office and the attitude of the administration toward College Fraternities.

Of course, not many Chapters will have as many as nine Advisors. However, some may have even more. There are many other duties and other titles that could be given to any older brother who really wants to work with the Chapter. By the same token many of the duties and titles enumerated

NEW FOUNDER—Albert M. Austin, Ohio Delta '94 (Ohio Wesleyan), of New York, N.Y., who became Founder No. 34 in the National Endowment Fund when Province Delta transferred its Founders Membership in his name.

above will have to be combined in the case of those Chapters not having more than four or five aumni active and willing to serve them.

Whether the list of Advisors is long or short, one of them should be elected at the beginning of the year as the Coordinator. In addition to the duties designated under his title, he has added the responsibility of calling up at least two Advisors every meeting night to see if they are going to attend the meeting according to their turn. If they are not going to be there, then he should call on the next Advisor on the list and so on down the line until he is satisfied that at least two of the Advisors will be present at every active Chapter meeting.

How long should a Chapter Advisor serve? The answer to that question depends upon the Advisor. Three years is a normal length of time, but if the Advisor doesn't wear out and keeps working he should be elected several additional terms and probably as long as the Chapter can get something out of him. The reason for the annual election is to enable the Chapter to get rid of the Advisor who cannot find time to come to Chapter meetings and is unwilling to do the hard work connected with his department.

The above treatise has two drawbacks which can be converted into stepping stones. First of all, it is too brief. Let then the imagination of every devoted fraternity worker supply new duties and operations as they may occur to him. Secondly, this article is too advanced or, shall we say, idealistic. If every one of our 136 Chapters would put into practice just a part of these principles of the CHAPTER ADVISORY SYSTEM we would have twice as many great Chapters as we have now and ten times as many who are approaching greatness on that well-known Glory Road.

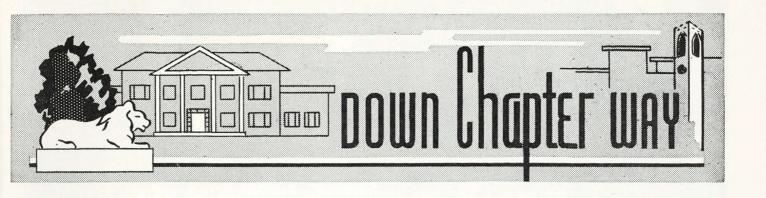

Yours in Phi Alpha!

DELIGHTFUL . . . DEDICATION OF OHIO DELTA NEW HOME

OHIO WESLEYAN CHAPTER MOVES TO ANOTHER "23"

By DON GABLE, Editor

MEMBERS of Ohio Delta Chapter at Ohio Wesleyan University, Delaware, proudly welcomed alumni and friends to their beautiful new home at 23 Williams Drive on Saturday, June 4, 1955, at which time an impressive dedication service was held in the living room overflowing with approximately 175 persons at four o'clock in the afternoon.

The Chapter had not experienced such an event since the 50th anniversary in 1938 when more than 200 people attended the affair at the old Chapter house at 23 North Washington Street, the address known affectionately for many years as "Ol' 23."

Appropriately presiding at the dedication was Andrew P. Martin, '10, president of the Ohio Delta Chapter House Company and Life Trustee of Ohio Wesleyan University. Mr. Martin immediately introduced the untiring workers for the new house, William F. Bigelow, '05, and Harry E. Campbell, '21, both of Delaware, who with Mr. Martin, Arthur H. Harris, '15, former Archon of Province Delta, of Springfield, made the Chapter's dreams for a "New 23" come true.

Mr. Martin also presented the following men who gave a few words: Robert E. Lambert, '56, Eminent Archon; John Schoolev. Ohio Theta '23 (Ohio State), architect; Don Hornberger, Ohio Wesleyan treasurer; Dr. Frank J. Prout, Ohio Wesleyan interim president, and Dr. Arthur S. Fleming, OWU president on leave, who spoke of the Chapter's outstanding contributions to the university over the years and now was in a position to contribute even more. Don Gable, '35, Ill. Psi-Omega (Northwestern), editor of The Record, of Evanston, Ill., was then introduced and he reflected on the Chapter's 50th anniversary in 1938 and his 20th class reunion on the new house dedication weekend.

Main speaker was Dr. W. Emory Hartman, '21, minister of the Bexley Methodist Church, whose topic was "Old Stuff in the New House." He spoke of the objectives of fraternity and life in general and stated that the level of the individual would be lifted thru the new Chapter home.

A surprise came in the midst of the dedication when former Province Archon Harris introduced Albert M. Austin, '94, Past ESA, of New York, N.Y. Dr. John O. Moseley, Okla, Kappa '16 (Oklahoma), Calif. Alpha (Stanford), Eminent Supreme Recorder and Past ESA, of Evanston, Ill., presented Mr. Austin with a Founder Membership in the National Endowment Fund of ΣAE. Dr. Moseley explained that the membership had been in the name of Province Delta and that \$1,000 had been paid by the Province several years ago. It was agreed that the membership be transferred in the honor of Mr. Austin, who already had provided Founder Memberships for two other

Moseley Leads Dedication

Formal dedication of the home was made by Dr. Moseley who served as interlocutor with audience participation from a manuscript he had prepared especially for the occasion and which was presented in the handsome dedication program of purple and gold. His opening sentences were "To the glory of God and for the upbuilding of character, culture and scholarship of the youth of America;" audience, "We dedicate this house." Interlocutor: "For the maintenance and safeguarding of the stability and prestige of Sigma Alpha Epsilon and of Ohio Delta;" audience, "We dedicate this house." . . .

Prior to the dedication and initiation was held in the Chapter room at 9:30 a.m. Alumni attended luncheon by classes at Edwards Gym at 11:45. Following the dedication, dinner was served at the Chapter house while some alumni attended class reunion dinners. At the 20th reunion din-

ner were Editor Gable, Samuel E. Hill of New Rochelle, N.Y., Dr. Lawrence E. Young of Rochester, N.Y., William B. O'Neal of Birmingham, Ala., Kent Fleet Dillon and wife and children of Bellevue, and William W. Carson of Delaware. Six of the 11 men initiated into Ohio Delta in February, 1932, and of the class of 1935, returned for the weekend. Regrets were sent by a seventh member, Scott Turner Ritenour, of Philadelphia, Pa., who was enroute to the West Coast at the time. At the class dinner of 75 people, Gable was elected Class Agent.

Building Committee for the new house consisted of Leslie D. Stauffer, chairman, Vincent T. Adams, Mr. Bigelow, Mr. Campbell, Mr. Harris and Gardner H. Townsley. These men were responsible for the Chapter moving from "Ol' 23" which was bought for \$5,200 more than 50 years ago into the lovely new home, costing approximately \$200,000. The home is located near the new Phi Gamma Delta house not far from Stuvvesant Hall, freshman women's dormitory, and about three blocks from Gray Chapel on the main campus. The house was made possible thru the financial co-operation of OWU, the university having bought the old house and leasing property for the new one.

Among the alumni were: Ernest W. Hill, 'Ol, of New Rochelle, N.Y.; Floyd Rittenour, 'Ol, of Kingston, Ohio; Leon W. Miller, '15, of New York, N.Y.; Ellis Kerr, '29, of Troy. Ohio; Harry E. Shilling, '33, of Troy; Charles W. Young, '33, of Bowling Green; Joseph M. Thatcher, '34, of Bexley; Clifford D. Rosencrans, '36 of Lebanon; Robert B. Ferguson, '38, of W. Carrollton, Ohio, and John Szabo, Ohio Gamma '36 (Ohio U.). Also representing the university was Herman Shipps, alumni secretary, and Dr. Ralph Sennett; also representing the National Office was John M. Harris, Ohio Theta '45, National Treasurer.

Ala. Iota Boasts of Good Year

Alabama Iota at Birmingsam-Southern College, Birmingham, started its year with the largest pledge class on the campus and scholastically the Chapter ranked third out of the seven fraternities. Paul Franke was president of Omicron Delta Kappa and also was president of the senior class. Calvin Hopkins was elected secretary-treasurer. Bob Porter and Jim Sanders were on the Executive Council while Steve Kimbrough and Denson Hinton will serve this fall. Jim Sanders is president of the Honor Council and Bob Porter is a member. Porter served as president of the Triangle Club. New members are Clay C. Long, Steve Kimbrough, vice president, and Jim Ensor. The Chapter took first place in the interfraternity sing, directed by Tommy Pinion. Four members were on the varsity basketball team including Harold Faught, ca tain, Denson Hinton and Jim Ensor, all from Jasper, Ala. The Chapter took second place in intramural football. Bill Mitchell was the horse shoe champion and Richard Mc-Clung was badminton champion. Harold Faught took the honors in tennis. The Chapter won a trophy for paddle ball. Ken Williams coached the Chapter into the softball championship. Members of the team were Jim Ensor, Gary Parks, Charles Ter-rill, Steve Kimbrough, Bill Woods, Bill Standifur, Brad Fulkerson, Bill Mitchell, Bob Porter, Bill Porter, Denson Hinton, Harold Faught and Ken Williams. Leadership in Family

Keeping campus political leadership in the family is the pride of Mrs. C. E. Christofferson of Santa Barbara, Calif. In 1951 Bob Christofferson, Calif. Eta '52 (Santa Barbara), was elected president of the Associated Students of the University of California-Santa Barbara College. At the same time, his younger brother, John '56, was accorded the same honor at Santa Barbara High School. While Bob was serving his term of office, his vice president was Marie Allen. Bob and Marie found that they worked so well together that they might as well make it a lifetime proposition so they were married. Marie's brother George had arrived on the scene at the college, and set about building a name for himself in campus politics. The culmination of his fine efforts came when he was elected president of Associated Students for the past school year. The cycle was completed in May when John Christofferson was also elected to the highest student office at Santa Barbara-president of Associated Students.

Fla. Beta Takes First Place

Florida Beta at Florida Southern College. Lakeland, won the Founders Week float competition last fall as well as taking the all-sports trophy for a second time. During Founders Week Miss Effie Fairchild was crowned queen, and this was an honor to the Chapter as she is engaged to Howard Smith, past editor of Off The Record. The winning float built in co-operation with Phi Mu sorority was 26 feet long and 11 feet wide to 13 feet high. The Chapter, like last year, took the track meet by 10 points ahead of the closest contender. The relay team set a new record in the 440 yard relay by going the distance in 47.8 seconds. Chuck Foley won the trophy for the outstanding athlete in the intermural sport of track. Sonny Campbell was awarded for the second year the intramural trophy for golf. Dean Gallo and Art Eberly sparked the intramural team to the semi-finals in vollyball and the Chapter tied for third place with Lambda Chi Alpha. The Chapter won the football trophy for the first time. Another honor came to the Chapter when Tom Mooney, last year's vice president of the junior class, was elected president of the senior class. Keith Lowe was named vice president.

Indiana Takes Trophy

Indiana Gamma at Indiana University, Bloomington, was awarded the large campus scholarship trophy at the eighth annual Greek Week banquet. Dick Johnson, EA, accepted the trophy for scholastic achievement last year. The trophy is so large that Rob Perkins of the Chapter was on hand to help carry it. Last fall Indiana Gamma staged a unique rush party by having it in the Governor's Mansion. Among 70 Chapter members and alumni was John Craig, son of the Governor of Indiana and a member of Indiana Gamma.

members of Iowa Gamma at Iowa State College were cheered by the song as they worked on board and did other odd jobs for spring clean-up at the home. The elderly people gathered around as the men mixed cement. The shuffleboard was a project to develop hobbies for the old folks. The efforts of the men were reproduced in the newspaper with a large front page picture, showing them mixing cement as the home folks look on. The Ames Tribune carried a large group picture of the Chapter men who helped. It was the Chapter's annual service project. The shuffleboard is 42 feet long by six feet wide.

N.M. Phi Takes Four Trophies

New Mexico Phi at New Mexico State College captured four of the six major trophies awarded on the campus during the year. All four were won during the spring semester. The All-Greek Stunt Night trophy was won in April with a singing skit in which the history of the American Ballad was traced across the country. The Chapter annexed the trophy representing Annual Rodeo Parade Float contest with a float entitled "The Cowboy's Saturday Night Chore." In May the Chapter took

side over Alpha Psi Omega, drama fraternity, as president and vice president.

N.Y. Epsilon Campus Leaders

New York Epsilon at Rensselaer Polytechnic Institute, Troy, boasts of several campus leaders. Bill Highleyman was elected vice president of Tau Beta Pi, national engineering honorary. Jack Dausend was chosen president of LCR, electrical engineering social fraternity. Blair Lawson served as manager of the Orchestra while Fred Schubert held a similar position with the Glee Club. Both were reappointed for the fall semester. Dick Schmidt was president of the Luther Club and is president of Eta Kappa Nu, national electrical engineering society. Bill Verge is secretary and Gordon Wenner is treasurer of Pi Tau Sigma, mechanical engineering honorary. The Chapter showed well in intramurals during the year. Among the social events was a rush party at which Sigma Kappa of Adelphi, L.I., attended with 36 members.

Ohio Rho Issues History

Georgia Psi first prize winning float on Bear Day at Mercer University, Macon. It was the Chapter's second first place win in two years.
