**INDIANA BETA**—This 62-year-old Chapter was chartered at Purdue University in Lafayette, Ind., May 18, 1893, and thus the Chapter is having a birthday this month. The huge home high on a hill materialized in 1922-23 when the old house was torn down. "The Mansion" as it was called in early days cost \$48,000 unfurnished. The Chapter, established just 31 years after the founding of Purdue, has grown with the university and among its list of prominent alumni are such names as the late O. K. Quivey, Past ESA; the late Matthew Luckiesh, lighting wizard; Etheridge B. Baugh, executive secretary of the Purdue Alumni Association; Willis B. Dye of Kokomo, Ind. The Chapter has produced many football stars including Johnny Drake, '37, of professional fame.

**COVER—Back**

**IDAHO ALPHA**—This Chapter was chartered at the University of Idaho in Moscow on November 1, 1919. The house built on a large tract of land overlooking the campus was completed in 1933. The architect's drawing appeared in *The Record* in September of that year. Among the Chapter's prominent alumni are U.S. Representative Sam H. Coon, '25, of the 2nd Oregon District; Richard H. Kube, '43, Archon of Province Phi, and Maj. Reginald R. Myers, '41, Congressional Medal of Honor winner.

# DIAMOND BADGE PRESENTED TO GOVERNOR COLLIN OF FLORIDA

**FLORIDA BETA RECEPTION  
AT FLORIDA STATE,  
TALLAHASSEE, ATTRACTS 400**

Hoop Tebault

Hon. LeRoy Collins, Tenn. Lambda '31 (Cumberland), Governor of Florida, placing a fraternity badge on his wife, Mary Call Collins, Alpha Delta Pi, at a reception at Florida Beta Chapter house, Florida State University, Tallahassee, while John O. Moseley, ESR, of Evanston, Ill., looks on.

## FOSS RECEIVES SIMILAR AWARD IN SOUTH DAKOTA

A diamond badge was also presented to Gov. Joe Foss, S.D. Sigma '40 (South Dakota), by Dr. Chester D. Lee, ESA, of Ames, Iowa, at a banquet in the Union Building at the University of South Dakota, Vermillion, on Sunday, April 17, 1955. Details of the event will be carried in the August issue of THE RECORD.

**T**HE BIGGEST event in the young history of Florida Beta at Florida State University, Tallahassee, took place on March 22, the month of the Chapter's sixth birthday, when a diamond studded badge of Sigma Alpha Epsilon was placed over the heart of the new governor of Florida, LeRoy Collins, Tenn. Lambda '31 (Cumberland).

The presentation for the National Fraternity was made by John O. Moseley, Okla. Kappa '16 (Oklahoma), Calif. Alpha (Stanford), Eminent Supreme Recorder, of Evanston, Ill., representing the Supreme Council. It is customary for the fraternity to present a jewelled badge to each new governor who is a member of  $\Sigma A E$ .

ESR Moseley arrived in Tallahassee on Sunday, March 20, prior to the ceremony, to visit with Governor Collins and help organize the ceremony with the Chapter. On Monday night he presided at the initiation of Carmen Battaglia of Niagara Falls, N.Y.

Presentation of the badge was made at a banquet in the Suwanee Banquet Hall of Florida State University in the presence of 150 invited guests. Among the guests were Province Epsilon officers, Eminent Archons of Chapters in

Florida, rushees and members of Florida Beta. Dr. Doak S. Campbell, president of the university, gave a welcoming speech. Others representing the university were Dr. A. B. Martin, vice president and Drs. Ray and Taylor. Other guests were J. Lee Ballard, Tenn. Lambda '09, chairman of the Florida Board of Control; Tom Privette, Archon of Province Epsilon; Leonard Wesson, Province Epsilon Treasurer and Elmer Smith, Tenn. Nu '96 (Vanderbilt), who was the first football coach at FSU.

ESR Moseley gave a brief presentation speech in which he emphasized the importance of striving toward a standard of achievement and service such as had been set by Governor Collins. "The True Gentleman" was recited by Kent Hearn to exemplify the life of the governor. Upon receiving the badge Governor Collins gave a brief but inspiring talk about the universality of  $\Sigma A E$  and the uncountable benefits both material and mental which can be reaped from membership. Following the banquet a reception for approximately 400 people was held. Minerva Club members and Chapter sweethearts acted as hostesses.

# from the NATION'S RECORD

## Stassen Named Arms Adviser

◆ Harold Stassen, *Minn. Alpha '29* (Minnesota), former governor Minnesota, has taken over the task of working out the policies which will guide the United States in disarmament matters in the atomic weapons age. He was appointed to this position by President Eisenhower on March 19. Stassen has the title of "special assistant to the president." He was foreign operations administrator at the time of the new call but continued with this despite immediately taking over the additional duties. This lasted until he gave his mutual security program to Congress in April. FOA will expire in June unless Congress extends its life.

## Caffery Quits after 44 Years

◆ After 44 years of diplomatic service, which started out as a "lark," Jefferson Caffery, *La. Tau-Upsilon '06* (Tulane), has retired from his most recent post as ambassador to Egypt. He retired on February 28 after serving in most of the world's hot spots and coming close to death "only twice," as he puts it. At 68 Caffery looks like only a slightly mellowed version of the adventure-seeking youngster who quit Louisiana plantation life in 1911 to roam the globe. He held the rank of ambassador longer than any other man—20 years. He plans to return to his home in Lafayette, La., temporarily and write a book.

**NEW JUSTICE**—Earl B. Smith, *Idaho Alpha '19* (Idaho), who was recently named a justice of the Idaho Supreme Court. He practiced law in Idaho from 1923 until 1954 when he was appointed justice. He served as commissioner of the State Bar from 1942 until 1948 and was president in 1945 and 1948.

Ansgar Johnson, Boise, Idaho

## WILL HEAD AMERICAN BAR

**E**NOCH SMYTHE GAMBRELL, *Mass. Gamma '22* (Harvard), distinguished attorney of Atlanta, Ga., has been nominated to the presidency of the American Bar Association and will be formally elected at the meeting of the Association, to be held in Philadelphia in August.

A native of Belton, S.C., Mr. Gambrell has practiced law in Atlanta for 33 years. He has held high positions in the American, Georgia and Atlanta Bar associations and has also taken a prominent part in civic affairs, having served as president of the Georgia State Chamber of Commerce.

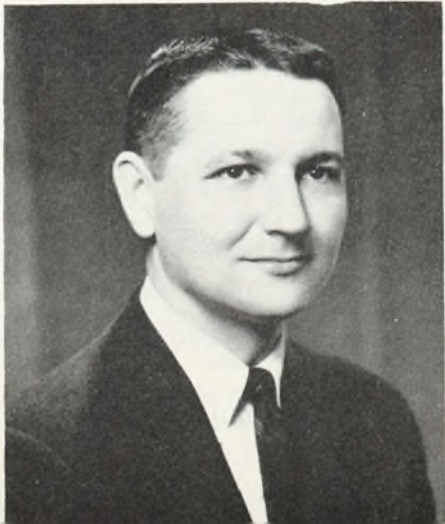

He has two ΣAE brothers, Wm. H., *Mass. Gamma '23*, and Chas. G., *Mass. Gamma '27*; and two sons, Rob't Haggood, *N.C. Theta '48* (Davidson), *Ga. Beta '49* (Georgia), and David Henry, *N.C. Theta '49*. He also has several cousins in the Fraternity. He attended the University of South Carolina when fraternities were under the ban but went to Harvard for graduate work and was initiated.

A remarkable thing about his family is that his name, those of three brothers and his one sister are all shown in the current issue of *Who's Who*. A coincidence of interest is that three members of ΣAE are now serving as the presidents of state bar associations: Judge Walter B. Jones, Past ESA, in Alabama; Jack J. Flynt, *Ga. Beta '36*, in Georgia; and Karl C. Williams, *N.H. Alpha '23* (Dartmouth), in Illinois.

**E**NOCH SMYTHE GAMBRELL  
*Mass. Gamma '22* (Harvard)

**FOREIGN OFFICER** — Jay W. Gildner, *Minn. Alpha '49* (Minnesota), who is information officer with the U.S. Information Agency. Prior to a foreign assignment he spent a two-month orientation period in Washington, D.C. For four years he had been advertising and sales promotion manager of 16 Gildner stores in Minnesota, Iowa and Wisconsin.

**VICE PRESIDENT**—Claud B. Barrett, *Ga. Epsilon '18* (Emory), *Ga. Beta* (Georgia), who is vice president in charge of sales of The Texas Company with headquarters in New York. He was in the automobile business until he joined The Texas Company in 1927 as a salesman in Atlanta, Ga. He held positions with the firm in Dallas and Houston before going to New York in 1953.

Fortune Gordian, Minn. Alpha '51 (Minnesota), world record holder in the discus throw, set a new Pan American games record in Mexico City when he hurled the discus 175 feet, 2½ inches, and beat the mark of 160 feet, 4 inches set at Buenos Aires by Jim Fuchs. The picture was taken in Houston, Texas, on March 9, 1955.

### Becomes Brigadier General

◆ Brig. Gen. Fred G. Rowell, Ky. Kappa '34 (Centre), is now commanding general of the 111th AAA Brigade of the National Guard at Santa Fe, N.M. He was promoted from colonel to brigadier general when he took over his new duties in April. He had been brigade executive officer and former commander of the 515th group. His mother is Mrs. Elizabeth Rowell of Roswell, N.M., former house mother of ΣAE. General Rowell will maintain his Roswell, N.M. address.

**CONSULTING ENGINEER**—Dr. Phillip L. Merritt, Minn. Alpha '28 (Minnesota), who is with E. J. Longyear & Company, Minneapolis consulting mining engineers. He formerly was chief of the uranium exploration program for the atomic energy commission (AEC). He heads the Longyear New York offices. He helped develop the Rhodesian copper fields in Africa.

Brookhaven National Laboratory

### 1st "Presidential Candidate"

◆ Merle Thorpe, Calif. Alpha '05 (Stanford), former editor of *Nation's Business* and now executive of Cities Service Company was nominated as a candidate for the "presidency of the United States" by the Alfalfa Club of Washington, D.C., at a dinner in January. The club has entertained its members and guests for 42 years with the annual "Alfalfa Party" and stages a mock political convention to nominate a "candidate." The nomination is followed by an acceptance speech from the nominee who spoofs the Administration, its "loyal opposition," and Washington affairs in general. President Eisenhower was at the head table with members of the Cabinet. Mr. Thorpe's acceptance speech was printed in the *U.S. News & World Report*, February 11, 1955.

### Heads Engineering Firm

◆ Dr. James Hodge, Ohio Rho '21 (Case), is president of the Wellman Engineering Company in Cleveland, Ohio, having been named to this position in November. He stepped up from the executive vice-presidency of Wellman which he joined in 1940 and succeeds Alfred E. Gibson, Ohio Theta '09 (Ohio State), who retired as president but remains as a consultant. Dr. Hodge has devoted much time to the fields of metallurgy and industrial welding processes. Mr. Gibson will devote a lot of his time to YMCA work. He has done much international Y contact work on his world travels.

### Three Pan American Wins

◆ William Kerslake, Ohio Rho '51 (Case), of Cleveland, Ohio, won the heavyweight wrestling championship of the Pan American games by defeating Eruro Meneses of Mexico in one minute and 25 seconds, in March. Kerslake became the first ever to win three consecutive national AAU heavyweight wrestling titles. He finished fifth in the 1952 Olympics. Franklin ("Bud") Held, Calif. Alpha '50 (Stanford), world record holder in the javelin from Los Angeles, won the javelin event with a toss of 228 feet, 11 inches, shattering the Pan-American record of 223-4¾ set by Ricardo Heber of Argentina in 1951. Fortune Gordian, Minn. Alpha '51 (Minnesota), hurled the discus 175 feet, 2½ inches, to win the event and a new Pan-American games record in Mexico City.

### A Young Man of the Year

◆ Ben Carpenter, Texas Rho '48 (Texas), executive vice president and director of the Southland Insurance Company, was among five young Texans to be selected by the Texas Junior Chamber of Commerce as the state's outstanding young men of 1954. The Southland Insurance Company is one of the largest in the country and soon will build a center in Dallas comparable to Rockefeller Center in New York. In World War II Mr. Carpenter won a combat award, the Silver Star, as an officer in the China-Burma-India theater. He is also president and general manager of The Crockett Company, general manager of extensive farm and ranch properties in six Texas counties and a director in the American Brahman Breeders Association, the National Finance Credit Corporation and the Texas Livestock Marketing Association.

**VICE PRESIDENT**—Porter A. Bywaters, Jr., Texas Rho '25 (Texas), who recently was elected vice president of Employers Casualty Company in Dallas, Texas. His brother, W. Gerald Bywaters, Texas Delta '25 (SMU), is art director of the Dallas Museum of Fine Arts. Homer Mitchell, Mo. Alpha '95 (Missouri), is chairman of the board of Employers Casualty Company and Texas Employers' Insurance Association. Mr. Bywaters who is now in charge of accident and sickness first joined the Casualty Company in 1930 as hospitalization salesman. He has served as president of the Dallas Association of Accident and Health Underwriters. In 1953 he was given the distinguished service award of the Texas Accident and Health Underwriters Association.

### Smathers—Best Dressed Senator

◆ U.S. Senator George Smathers, Fla. Upsilon '36 (Florida), of Florida, was voted the "best dressed member of the Senate" in a poll of 194 newspaper men and women of the Senate Press Gallery in Washington.

**PHARMACEUTICAL DIRECTOR**—Dr. John A. Ellegood, Wash. Alpha '28 (U. of Wash.), is director of Quality Control of Sharp & Dohme, Division of Merck & Company, Inc., in Philadelphia, Pa. He also is a Director of the Philadelphia Drug Exchange and a past president of the Philadelphia branch of the American Pharmaceutical Association. He joined Sharp & Dohme in 1942 as assistant director of Pharmaceutical Control. Sharp & Dohme Photographic Library, Philadelphia

## From Missouri to Idaho

♦ Charles E. Irvin, *Ga. Epsilon '41* (Emory), for several years head of the Department of Acquisitions in the Library of the University of Missouri, Columbia, Mo., has resigned to accept a position with the Library of the University of Idaho, Moscow, Idaho, as head of Technical Processes, effective April 1, 1955.

## Oldest Member Entertained

♦ Piromis Hulsey Bell, *Ga. Beta '82* (Georgia), oldest living member of Sigma Alpha Epsilon known today and the oldest alumnus of the University of Georgia, was aided in the celebration of his 97th birthday on March 19, 1955, by a delegation from the Atlanta Alumni Association. A special dinner was brought to him by his friends, Mr. and Mrs. Ashton Holland of Decatur, Ga. Bell, former editor of *THE RECORD*, spent the winter in a rest home in Decatur. He is nearly blind.

## What's in a Name—Faulkner?

♦ The famous name Faulkner has caused confusion in the National Office of Sigma Alpha Epsilon for many years as the fraternity has quite a list of members by the name of Faulkner or Falkner (spelled without the "u"). The well-known writers, William Faulkner, *Miss Gamma '19* (Mississippi), and John W. T., Faulkner, III, *Miss Gamma '29*, spell their name with the "u," and the fraternity's current records are labeled accordingly but both names appear in the 1929 Directory as Falkner. Why all this confusion has never been explained. However, a recent newspaper article featuring the mother of William and John as a famous painter in her own field may

throw some light on it. The article read: "It is no mistake that she (Maud Falkner) spells her name 'Falkner' while her writing sons spell it 'Faulkner.' Col. William Clark Falkner, grandfather of Mrs. Falkner, dropped the 'u' many years ago. He was the railroad builder, lawyer and politician who wrote as a hobby, and his long novel, *White Rose of Memphis* is still read in the mid-south. Mrs. Falkner who is 82 estimates she has painted about 500 pictures since 1941 and has sold most of them." She earns her own living and lives alone in the big house built by her late husband in Oxford, Miss. William Faulkner's controversial novel, *A Fable*, won the National Book award at the sixth annual awards ceremonies in New York in January. His *Collected Stories* won the award in 1951.

## Oregon State Coach

♦ James Thompson Prothro, Jr., *N.C. Nu '42* (Duke), is head football coach at Oregon State College, having taken over the job in February. He had been back-field coach at UCLA since 1949. He was promised a three-year contract. Tom Prothro was a blocking back at Duke. He played in the Rose Bowl during his last year at Duke and he is the son of Tom Prothro, former manager of the Philadelphia Phillies of the National (Baseball) League.

## Organized in Charleston

♦ Members in the Charleston, W.Va. area met last December and organized an alumni association with the help of Howard P. Falls, ESH, of Richmond, and Robert vanBlaricom, former president of the Huntington Alumni Association. William P. Palmer, *Va. Omicron '49* (Virginia), was named temporary chairman of a committee composed of Joseph E. Holland, *Ky. Ep-*

Reunion in Berlin: LEFT TO RIGHT, Charles Monte Reese, *Utah Upsilon '56* (Utah State), with the Air Force, and Wolfgang Hanel, III, *Psi-Omega '50* (Northwestern), of Berlin-Wilmersdorf, Germany, who had not seen any members of the fraternity since he was an exchange student at Northwestern and who received a visit from Reese who had been sent to Wiesbaden in West Germany for a fencing match. The picture shows "The Brandenburg Gate with the red flag, indicating where the Iron Curtain begins.

*silon '48* (Kentucky); Ray E. Craumer, *Pa. Alpha-Zeta '09* (Pa. State); R. T. Schideler, *Kan. Beta '24* (Kan. State); B. M. Blackwell, *Iowa Gamma '08* (Iowa); William Dooley, *Va. Tau '38* (Richmond); Sidney P. Davis, Jr., *Ariz. Alpha '54* (Arizona), and William H. Zerkle, *Va. Omicron '50*. The committee drafted by-laws for presentation at a February meeting. Contact man for the new organization is Frederick W. Goshorn, *Va. Sigma '01* (Wash. & Lee). James N. Bailey, *Ky. Epsilon '49*, conceived the idea of organizing the alumni. Contacts are being made with other members in the area.

Temple of Minerva at Tebessa Algeria, south of Constantine: Tebessa was the headquarters of one of the Railway Operating Battalions, 727th, of Maj. Gen. Carl R. Gray, Jr., *Mo. Beta '11* (Wash. U.), III. *Beta* (Illinois), during World War II. General Gray, now retired from service and located at Hudson, Wis., was at Tebessa many times. It is on a narrow gauge railroad which runs from Ouled Rhamoun southeasterly towards Stax and Gafsa in the far southeastern portion of Algeria. The original picture is the property of General Gray.

Lockheed Aircraft Corp., Marietta, Ga. Man-of-Year Award: Roy L. Simmons, Jr., *Tenn. Eta '50* (Union), Tenn. Kappa (Tennessee) LEFT, of Atlanta, Ga., has been named "Man-of-the-Year" by the Georgia Lockheed Management Club. He is seen receiving a Lockheed C-130 Hercules desk set from R. C. Sawyer, 1954 Management Club president, at the annual Christmas party at the Atlanta Biltmore Hotel. The selection was made by the 1,900 member group who are supervisory employees of the aircraft factory. David O. Kelly, *Ga. Phi '50* (Ga. Tech.), Ala. Alpha-Mu (Auburn), received the August, 1954, Man of the Month award and was runner-up for Man of the Year. He recently was elected as the vice president of the Lockheed Management Club for 1955.

Governor of Guam: TOP, the new government building at Agana, Guam; BOTTOM, Ford Q. Elvidge, Wash. Alpha '20 (U. of Wash.), governor at his desk in the recently opened headquarters. The \$300,000 mansion is a one-story typhoon-proof structure built on a hillside. The Governor and Mrs. Elvidge opened the Governor's annual charity ball on Guam, December 11, 1954. Governor Elvidge was featured in newspapers last fall in connection with elections on the island. One article stated: "Guam natives, who are citizens of the U.S., but can't vote in our general election, will have their own island election on November 2 to pick 21 legislators. Approved bills become law on Guam after they are approved by the legislature and signed by Governor Elvidge, a Seattle lawyer who received his appointment from President Eisenhower in March, 1953."

### Temple King-Size Color Card

◆ Sigma Alpha Epsilon now has a king-size color postal card showing the front of the Levere Memorial Temple in Evanston, Ill. This jumbo card, six by nine inches, was produced by Mike Roberts Color Production in Berkeley, Calif., through the Benson Printing Company, Nashville, Tenn., printers of THE RECORD. Head of the Mike Roberts firm is Richard F. ("Dick") Bellack, Wis. Alpha '24 (Wisconsin). This firm has produced three other postal cards of regular size for the fraternity. They include the portraits of William C. Levere,

Ernie Pyle and Judge Alfred K. Nippert. Attention to the fact that Mr. Bellack is a member of ΣΑΕ came after the cards were produced. This information was given by Dr. Robert R. Aurner, past ESA, of Carmel, Calif., after he had received one of the jumbo cards.

### Becomes Insurance President

◆ Edward H. Crump, Jr., Va. Omicron '25 (Virginia), is president of E. H. Crump & Company in Memphis, Tenn. The presidency became vacant upon the death of Crump's father, E. H. Crump, Sr., last Oc-

tober 16. President Crump joined the firm in 1923, two years after it was founded. He stepped up from vice president and general manager to head the business which the late Mr. Crump built into the largest insurance agency south of Philadelphia. The company has spread from two employees to 150 men and women. Mr. Crump also succeeds his father to the presidency of the Southern American Insurance Company, Memphis Bond & Mortgage Company and Crump Underwriters Company. More than 40 insurance companies embracing all forms of insurance are represented by E. H. Crump & Company.

Founding date of Sigma Alpha Epsilon, 1856, on the auto license of Leo S. Cade, ESW, of Oklahoma City. This license eventually will be placed in the Museum of the Levere Memorial Temple in Evanston, Ill., where there is a collection of 1856 plates provided by alumni.

### Salute to 'Mr. Atlanta'

◆ Robert F. Maddox - - -

Under the above heading, *The Atlanta, Ga., Constitution* of April 5, 1955, carried the following editorial about Robert F. Maddox, Ga. Beta '90 (Georgia), former mayor of Atlanta, former president of the American Bankers Association, and father of N. Baxter Maddox, Ga. Phi '22 (Ga. Tech), N.Y. Alpha (Cornell), Va. Omicron, (Virginia):

"Robert F. Maddox, mayor of Atlanta in 1909 and 1910, yesterday celebrated his 85th birthday in his office on the seventh floor of the First National Bank building, of which bank he is director.

"He was born April 4, 1870, at the corner of Peachtree and Ellis Streets when Peachtree was a wide and stately street of homes, trees, broad, deep lawns, wrought-iron fences, hitching posts and mounting blocks.

ing; RIGHT, Edward G. Hatchcock, ESDA, looks on as EA Hinchliffe accepts the fraternity coat-of-arms from Henry H. Johnson, Calif. Beta '30 (California), the artist, and Retiring President Sage. EA Hinchliffe was one of the first recipients of the William R. Staats Scholarship in Economics on January 22. He is student assembly chairman and a nationally known badminton player, rated among the top ten in the country. The scholarship was established last December by the Staats Company (investments), together with a visiting lectureship in economics and finance.

The horse-drawn street car was there, too, placidly moving along at a pace then regarded as fast.

"Robert F. Maddox has been a part of all that has transpired in our city. Various phrases are used to describe him—"Father of the City," and "Mr. Atlanta." Suffice it to say that he is one of our pioneers and one of our present strengths. He has given always to his city the best that was in him. We are privileged to join his friends in love and affection and to wish him many more happy, busy birthdays."

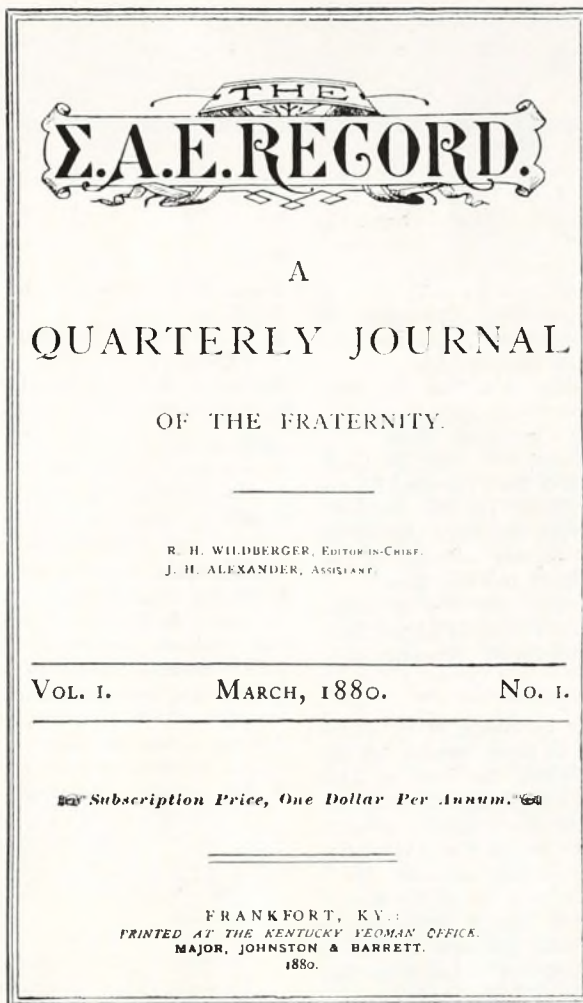

### Benezet Heads Colorado College

◆ Dr. Louis T. Benezet, N.H. Alpha '36 (Dartmouth), one of the youngest college administrators in the country and president of Allegheny College since 1948, has been elected the eighth president of Colorado College, Colorado Springs, Colo. He will assume his new position at the start of the new academic year this fall. He is completing his seventh year as Allegheny's 15th president. Colorado College, oldest college in the state of Colorado, reportedly is a liberal arts school of about the same size and philosophy as Allegheny. The enrollment is 1,035 including 550 men.

### "Freedom of the Press"—Jones

◆ After Judge Walter B. Jones, Ala. Alpha-Mu '10 (Auburn), past ESA, delivered an address on "Freedom of the Press" at a meeting of the Alabama Associated Press Association in Mobile, January 9, 1955, he received wide attention throughout the country and his address was printed in the *Congressional Record*. The address was quoted in practically every newspaper in the country and Korea. A PERSON CANNOT stand watching the tremendous power being generated at Niagara Falls without also realizing that much of it is not being used. Likewise, as we look at the tremendous power we have among the unused alumni in Sigma Alpha Epsilon, do we realize that something must be done about this part of fraternity activity.

At our last national convention your National Alumni Committee was instructed to take immediate steps to formalize a program that would lead to the eventual enlistment of every possible alumnus in an effective working relationship with our active Chapters. To that end the committee was appointed from every part of Minerva's realm.

During the past six months many general bulletins and letters have been issued to Alumni Associations and Chapters soliciting their help in establishing new alumni associations and reactivating old ones at the same time outlining the proper procedures. A goal has been established for each present alumni group to found at least one new association by the 100th Anniversary of Sigma Alpha Epsilon on March 9, 1956.

Since the reorganization of our Provinces last year many more Province Alumni Secretaries have been elected. These members have elected in many cases to have Alumni Secretaries in each state selected to carry on in a more effective manner. In order to assist these many members in their efforts, the National Office has supplied a great many lists of alumni by towns and cities so that we can find where our members are living currently and so that we may contact them in forming new units of work.

Many Chapters have appointed an alumni chairman, whose responsibility it is to bring up-to-date his own Chapter's

alumni roll and issue a current directory. This part of the work has been very important as we have many thousands of alumni who are in our lost files. As these addresses are corrected we again hope to see these brothers become active and start receiving once more their copies of THE RECORD which must of necessity have been discontinued.

More and more of our Chapters are turning to the use of the Chapter Advisory System. Under this plan a Chapter uses a number of interested alumni to advise the Chapter officers and members in their various duties and obligations. Special attention is given to such things as rushing, pledging and pledge training, finances, scholarship and Chapter administration. Many hours of counseling and advice have been given cheerfully and advisedly. Many weak Chapters have been strengthened materially and in some cases strong Chapters have been prevented from slipping into the sickly class.

Under the impetus of the stepped-up Alumni Program more and more brothers are paying up their Life Memberships in the Chapter National. Any brother, by writing to the National Office, can find what his balance is. The income from the investment of these Life Memberships is a source of very effective income in the running of our national organization.

The members of the Supreme Council and the National Alumni Committee are intensely interested in making this program useful, helpful and effective. As requests are received for help, every effort is made to see that the requests are granted. Such a program of enlistment and cooperation reaches out to every loyal initiate whether he be young or old. Each Founders Day finds some re-awakened brother ready to start again.

## DECENTRALIZATION:

### THE WATCHWORD FOR THE NEXT HUNDRED YEARS

A FRIEND RECENTLY asked, "What is the next big forward step in fraternity work?" Without hesitation I replied, "Decentralization." "Why! we are decentralized NOW," he said, "our fraternity is just now getting centralized." "That's just it," I assured him, "first of all you have to build up a strong central organization and then you can begin to decentralize. Centralization, and then decentralization, as the slogan makers would put it."

I have thought about that conversation many times lately. It does seem like a foggy idea that you must be strong centrally before you can build up strength locally. That is just exactly what Sigma Alpha Epsilon has been doing during the past forty years. Oh, yes, I know that we have had elements of strength locally through these years, some stronger in some places than in others. I thought of my friend and his aspirations for a strong central government for his fraternity. His fraternity is not a newcomer to the Greek letter field by any means, but somehow or other it never has built up a very strong central organization. Very properly he and the other national officers of that fraternity are thinking in terms of central office building, Chapter supervisors and the many other things that go along with building up a central government for a national college fraternity.

No doubt about it, Sigma Alpha Epsilon can claim to have a strong central organization. Perhaps it would not be too much to say that ΣAE is probably the most closely supervised of all national college fraternities. It all goes back to the Nashville National Convention of 1885, where the Supreme Council Form of Government was inaugurated, and to the St. Louis Convention of 1920, where the Centralization Plan was put into effect, and to the outstanding work of our first full time General Secretary, William C. Levere.

I think often of the work which Billy Levere did in building a national spirit in Sigma Alpha Epsilon. In addition to running the Central Office as Eminent Supreme Recorder, he was also the Editor of THE RECORD, the National Treasurer, a member of the Supreme Council, and in addition to all of these duties, managed to visit every Chapter in the Fraternity at least once every two years. Someone will say that the Fraternity was small at that time. It is true that it was smaller, but not small. The Fraternity was just as widespread as it is now and travel was more time consuming and tedious than it is now. No wonder Billy went to an early grave in trying to keep up with everything that can happen in an aggressive, wide awake, modern college fraternity.

Just exactly what is this decentralization which is to be the watchword of the second

hundred years? In brief, it means the taking away of much responsibility and authority from the Central Office and placing it on Province, state and local levels, where it properly belongs. It is absurd to think that a Central Office, no matter how completely and efficiently manned, can maintain the prestige of Sigma Alpha Epsilon in every section of the country. It can't even keep down the pagan practices of hell week, or keep up a decent standard of scholarship—to say nothing of seeing to it that local tradesmen are promptly paid their just debts.

It has long been observed that the so-called great Chapters of ΣAE have very close ties with their alumni, both in an official capacity as Chapter advisors and as just plain, old fashioned, interested alumni who are willing to work without office, or title, or praise, or even thanks. By the same token, it has been noticed time without end that the Chapters which habitually get into trouble scholastically and financially do not have local alumni to keep them in the straight and narrow path. In addition to the regularly appointed Chapter advisors, every Chapter needs to have a solid corps of hard working alumni, who are willing to rush to the scene of every disaster to put out the fire when one happens to the Chapters which they serve. It's these buck privates in the rear ranks who really do the work. I believe that I can count on my fingers and toes the Chapters of ΣAE which really have such a fire squadron as I have just described. It will not suffice to enumerate the prominent and interested alumni possessed by a Chapter. Nor is it the same thing to count some alumnus who has a great name for being a fraternity worker and yet allows a Chapter next door to him to go badly into debt.

Let us consider some of the preparatory steps taken by ΣAE in this next great progressive movement toward decentralization. First of all, the Leadership School in its true nature is simply an attempt to standardize many of the operations of the Fraternity and many Chapter practices, but above all, to put men in the various localities who have had this training and experience and will be able to pass these traditions on to the Chapters to which they owe loyalty. The multiple Chapter Advisory System, about which much has been written in recent years, is another attempt to put more workers in the field at the scene of action. I hope to devote an entire page in some succeeding issue of THE RECORD to this definite step toward decentralization.

Reorganized and revitalized House Corporations constitute another step toward decentralization. I would dearly love to see the day when every Chapter of Sigma

Alpha Epsilon has a well organized House Corporation with Constitution and By-Laws; with a charter from the state, and a Board of Directors elected annually and on the job every day. I do not ever expect to see it, but at least you can't keep a fellow from wishing. Often the question is asked, why is it that some Chapters have big, fine houses and are able to pay their bills promptly and, by the same token, promptly and regularly collect the money which is owed to them. One does not have to look far for the answer to that question. It is in the House Corporation. Everyone knows that Chapters which have good House Corporations, and have had them for thirty or forty years, have very little financial trouble; and those Chapters which struggle along with some quiescent corporation, or none at all, are always the ones which are calling on their alumni in a scattered and diverse fashion to help them with contribution to pay for dead horses.

At the last National Convention, one great forward step toward decentralization was taken, namely the division of the Provinces. Some further division should be made now; and of course as the years roll on we will see much more province division as Chapters are added to the Fraternity.

The final answer to the problem of decentralization is wrapped up in the phrase: "The Hero Alumnus." Decentralization is not something that is done all at once. As I told my friend, the patterns of centralization have been fairly well crystallized by the various fraternities; and that can come on without too much delay. Then I told him that I would be very happy if in the next one hundred years we would be completely decentralized. By that I mean, every Chapter with a metiple advisory system, a realistic House Corporation, a devoted house-mother, an auditor with authority, a Province Archon near at hand, and above all, that strong corps of hard-working alumni, who are ready to step in at a moment's notice and solve the problems of a Chapter Collegiate.

And so we see that decentralization comes slowly. It also will come in spots one locality at a time. Every ΣAE takes real pride in the pin which he wears. He wants every wearer of it to represent in his person all of the attributes of the True Gentleman. Is it not a worthy project for the second hundred years that we should build around every ΣAE Chapter those coercive influences which will guarantee that it will not slip from the straight and narrow path leading toward the ideals of the Founders? Then for the third hundred years, we can really start climbing toward those ideals.

Yours in Phi Alpha

Eminent Supreme Recorder

# ANOTHER FOUNDER, NO. 108, AND 133 NEW LIFE MEMBERS

## Three More "Daughters of Minerva"

◆ Since the last issue of THE RECORD three more "Daughters of Minerva" have been listed, placing the total at 30. Daughters of Minerva memberships may be acquired with the payment of \$50.00 to the Chapter National. The new members are Mrs. Frederick H. (Myrna B.), wife of Frederick H. Freman, Calif. Beta '01 (California), of Beverly Hills, Calif., Founder No. 108; Mrs. Joseph A. Schatz, daughter of Dr. Donald I. Kirk, Pa. Chi-Omicron '12 (Pitt), and Mrs. Charles G. Whinfrey, Jr., daughter of Dr. Kirk.

**EDITOR'S NOTE:** The following reports on Founders Day celebrations were gleaned from material sent to the National Office from March 9 thru April 15. If a Chapter or Alumni Association is not represented, it means there was no response to the magazine's solicitation for reports and photographs or material arrived too late. The information given this year is arranged according to Provinces.

## MOTHER MU INITIATES FOURTH GENERATION

When Clifford Anderson Lanier, IV, of Montgomery, Ala., was initiated by Alabama Mu, the Mother Chapter of the Fraternity, at the University of Alabama, March 9, he was the fourth member of his family in direct descent, bearing that name, to become a member of ΣΑΕ. His father is Clifford A. Lanier, III, *Ala. Mu '31*; his grandfather was Clifford A. Lanier, Jr., *Tenn. Omega '91* (Sewanee), *Va. Sigma* (Wash. & Lee); and his great grandfather was Clifford A. Lanier, *Ga. Eta '60* (Oglethorpe).

It is an interesting coincidence that the great grandson of a member of one of the Fraternity's ante bellum Chapters, now long extinct, should have been initiated on its 99th birthday. Judge Walter B. Jones, Past ESA, is a near neighbor of the Lanier family and has known personally all four of the ΣΑΕs in this interesting line of descent. The first Clifford A. Lanier was a brother of Sidney Lanier, the famous Southern poet, and was a poet of distinction himself.

## Ill. Psi-Omega Honors 1st Pledge

Illinois Psi-Omega at Northwestern University honored its first pledge at a dinner at the Chapter house in February when a testimonial was held for James E. Chapman '97, former acting ESR and Grand Treasurer, for the National Fraternity, who received a citation outlining his years of service to the fraternity by James Myers, EA, and a Merit Key from The Alumni Program, by Lauren Foreman, Archivist. Each year the Chapter will present one of its pledges the James E. Chapman Award. Among the guests at the dinner were John O. Moseley, ESR; Chester Grover of Evanston, the Chapter's first initiate; Edwin O. Blomquist and Clifton Merry of Evanston, members of the Advisory Board of the Levere Memorial Foundation; Arthur H. Knox, architect of the Levere Memorial Temple, and Dr. Robert W. Johnson, Evanston dentist and of the Chapter House Corporation; Barry McNulty, of Chicago, Archon of Province Mu; Bill Hovan, of Chicago, Chapter advisor; Harry A. Ackersburg of Park Ridge, former president of the Chicago Alumni Association; Archie Brown of Wilmette, president of the Chapter House Corporation, and William C. Baker of Kenilworth.

## Trustees Praises La. Tau-Upsilon

According to the report of the Board of Trustees of Sigma Alpha Epsilon following a meeting at Columbia University Club, New York City, in February, Louisiana Tau-Upsilon at Tulane University has paid off its second mortgage in full and has reduced the first house mortgage by \$700, altho no principal payment on the first mortgage is due until November, 1955. Celebration of the mortgage burning was held on Founders Day in New Orleans by the Alumni Association and Chapter. At the board meeting the trustees resolved that the secretary of the board be directed to send a copy of its resolution on Louisiana Tau-Upsilon to the Chapter and to the National Fraternity with the request that the latter give the adoption of the resolution publicity throughout the fraternity. The resolution read: ". . . extend to the members of Louisiana Tau-Upsilon its appreciation and commendation for their splendid action in voting from their own funds sufficient monies to retire the second mortgage on the Chapter house property, and in addition, making payment of \$700 in reduction of the principal amount of the first mortgage, months in advance of the due date of such payment."

California Alpha at Stanford University received a visit from Harold Stassen, Minn. Alpha '29 (Minnesota), Director of the Foreign Operations Administration, January 31, 1955, when he was on the campus to deliver a lecture on President Eisenhower's foreign policy: **TOP**, Stassen greeting Lee Facto, EA with Jenny Lehner in background; **BOTTOM**, John Gregg, Stassen and EA Facto; **RIGHT**, Stassen at the front of the Chapter house with Leo, the lion. ## Minervas Aid Austin Chapter

Texas Rho at the University of Texas, Austin, has moved into its beautiful new \$250,000 home. According to Mrs. Bernice Stephen of Eastland two open houses have been held, one for the faculty and one for all of the house mothers. The Minerva Club has assisted with the furnishings and has secured 400 books equipped with ΣΑΕ bookplates for the 1,000 volume library. The annual meeting of the Minerva Club was held March 19-20 in conjunction with Parents Day. The Chapter held a tea on Saturday afternoon, a party preceding the banquet a bunch on Sunday morning and get-together of all the parents afterwards. Mrs. Stephens was appointed publicity chairman for the Minerva Club. Formal dedication of the house was held on April 17.

### Minnesota Basketball Stars

Two members of Minnesota Alpha have completed their basketball careers at the University of Minnesota. Dick Garmaker and Doug Bolstorff both starred at forward positions for Minnesota during the past two seasons. Last year Garmaker broke the university's record for the most points scored in one season and again broke that record this season. He finished second in the Big Ten Conference for total points scored and was named to most All-American teams. Bolstorff has been a consistent clutch scorer and playmaker for the Gophers. Garmaker played with the College All-Stars against the Harlem Globe Trotters and plans to play professional basketball. Reported by Jerry Line, EC.

### Montana Scholarship Record

Montana State University's Beta Chapter of Sigma Alpha Epsilon has set a campus record in scholarship by leading all other fraternities for the eight consecutive quarters. Every quarter the Chapter has been above the all-university and non-fraternity men's average. The Chapter ranked fourth among all ΣAE Chapters in 1953. Five members of the Chapter are members of Kappa Tau, scholastic honorary. Pat Eyer, a graduate student in political science from Billings, became Montana's first Rhodes Scholar in four years. He was selected last December in the Spokane finals for District VIII, comprising six states.

### N.Y. Delta February Parties

New York Delta at Syracuse University held two interesting parties during February. On Saturday, February 19, the Minerva Club held its annual card party at the Chapter house and more than 100 people attended, being treated to refreshments and being entertained by Chapter members in addition to receiving many door prizes. The party grossed more than \$100 which will be used for the annual Mothers Day tea. Fifty dollars of this profit will be awarded to a freshman pledge for scholarship attainment, the D. Walter Morton award which has been available since 1938 and has been financed by the mothers since 1947. The second party was held on Friday, February 25, when 25 boys from a children's home were entertained in conjunction with Kappa Alpha Theta. The party was under the supervision of John Brockman and Bill Searle.

50th year of affiliation with Sigma Alpha Epsilon. The local, Sigma Rho, received its charter from the National on February 18, 1905. Planning the weekend has been done in conjunction with the Case Alumni Weekend, which commemorates the school's 75th anniversary.

The festivities will get under way at 2 p.m. with an informal get-together of the active members and alumni of the Chapter as well as members of the Cleveland Alumni Association. At 4 p.m. the charter members will be honored, and from 4:30 to 5:430 p.m. the group will adjourn for a buffet dinner. A general open house following the dinner will be the time for hilarity, back-slapping, and reminiscing with brothers not seen in years.

A history of the progress of the Chapter has been written and will be presented to the alumni. Items of interest pertaining to the Chapter's history will be on display. The activities will take place at the Chapter house, 11116 Magnolia Drive, Cleveland.

Seven hundred and three men have been added to the ranks of Minerva by the Case Chapter since its founding. Ohio Rho has developed along with Case. From its humble beginnings in 1880, the school has grown to become one of the leading technical institutions in the country.

The Chapter, too, has grown. Starting with a small house accommodating only six men, the Chapter has been located at five other addresses. In all of these places, the ΣΑΕs have maintained a house which has been the center of campus importance and the heart of local alumni activity. The present house is capable of holding 40 men.

The Chapter now numbers 64. Every honorary on campus boasts of Ohio Rho men on its rolls. Publications, sports, student government, and the other campus activities also claim a large share of ΣΑΕs.

The Chapter is especially proud of its fine Minerva Club, which has given untold help to the members.

May 21 will serve not only as an occasion to present the Chapter to all the alumni, but also to give Ohio Rho a chance to show its sincere appreciation for the heritage that has kept the Chapter strong and ΣΑΕ prominent at Case.

### Takes Honors at Oklahoma A.&M.

Edwin Dick Fisher of Oklahoma Mu at Oklahoma A.&M. College, Stillwater, is not the well known crooner, but is winning honors equal to his musical namesake thruout the southwest. A junior in the School of Agriculture, he has often made

the Dean's List and he belongs to many honorary Agricultural fraternities including Alpha Zeta, Block and Bridle and the Aggie Society. He is a member of the Future Farmers of America and represented the Oklahoma division at the National Izaak Walton League Convention. He is central district vice president. Fisher is a Junior Master Farmer, America Farmer, State Star Farmer and a Governor's Award winner. He also is a member of the College Livestock Judging Team. He and Vic Carey and Bill Hancock led the A.&M. team to victory in the Oklahoma City Judging Contest for students of agriculture in Alpha Zeta. Fisher was the individual champion of the Fort Worth Southwest Exposition and Fat Stock Show. He had the highest point total of more than 800 competitors. He has served as Chaplain and Eminent Recorder of Oklahoma Mu and he is active in the YMCA and the Wesley Foundation. He is a member of Blue Key, national leadership fraternity. Reported by Robert Penick.

### Tenn. Kappa Suffers Fire

A fire broke out at the Chapter house of Tennessee Kappa at the University of Tennessee in Knoxville at approximately 4:40 p.m. Tuesday, March 29, 1955. The cause of

Founders of Ohio Rho at Case Institute of Applied Science, Cleveland, in 1905: FIRST ROW, Albert J. McCann, '06 (deceased), Robert W. Blazé, '08, Lyman A. Davidson, '05, Clair C. Duan, '06.

the fire is as yet undetermined in that when the blaze was first discovered on the third floor of the fraternity house, the smoke was so dense that it was impossible to ascertain the origin. The members and members of neighboring fraternities formed a human chain to remove as much furniture and contents as possible during the fire. Loss is tentatively estimated on contents at \$4,000.00, although no accurate figure can be given until an appraisal and inventory are completed.

Loss to the three story brick veneer structure is estimated from \$35,000.00 to \$45,000.00, although a complete investigation may reveal different figures. The house is covered by \$88,000.00 fire insurance and contents are insured to approximately \$6,000.00. Greatest loss was suffered on the third floor, which was almost completely gutted. The heavy slate roof collapsed in several places leaving the house exposed to the weather. A temporary roof was installed immediately.

The Chapter house underwent extensive improvement last summer, at which time a new dining room, kitchen, shower room and quarters for the housemother were added. Most of the new portions of the house escaped damage and, aside from minor water damage to these parts, the new sections can be used again immediately. All sleeping quarters with the exception of one room on the second floor over the loggia and the new housemother's quarters were left unfit for occupancy. The dining room operations, however, resumed on Thursday, March 31, through the competent and strenuous work of the housemother, Mrs. B. H. Barrett, and the Chapter members and pledges. Plans for rehabilitation of the house were begun by the House Corporation headed by H. M. Harton the day after the fire.
