the RECORD

COVER—FRONT

PENNSYLVANIA ALPHA-ZETA—This 63-year-old Chapter was chartered at Pennsylvania State College, State College, Pa., May 13, 1892. The pretentious home was built in 1926 and it was first shown in THE RECORD in 1926 and 1929. It then was selected for presentation in the Souvenir edition of THE RECORD in 1940. The home was not chosen for color reproduction until this time due to the heavy amount of foliage around the house. Recent landscaping allowed for a beautiful picture. The Chapter is well-known for its impressive Chapter room which appeared in the magazine in 1940. Among the Chapter's alumni are the names of the late famous coach, Andy Smith; the "All-American" Chapter Adviser, Paul B. ("Dutch") Breneman, a Founder of the National Endowment Fund; Earl E. Le Van, E. T. McCleary, noted chemist, and Francis W. Jessop, manufacturer.

COVER—BACK

JOHN O. MOSELEY

FRATERNITY LEADER SUCCUMBS SUDDENLY

INTERFRATERNITY WORLD AND FRIENDS THROUGHOUT COUNTRY SHOCKED BY PASSING AWAY IN CHICAGO, ILL., OCTOBER 10, 1955

By DON GABLE, Editor

IMMORTALITY embedded in the minds of many is the man Moseley—as John O. Moseley, age 62, *Okla. Kappa '16* (Oklahoma), *Calif. Alpha* (Stanford), Eminent Supreme Recorder, Director of Leadership Training, Past Eminent Supreme Archon and Past Honorary ESA, of Sigma Alpha Epsilon, died suddenly at Presbyterian Hospital in Chicago, Ill., late Monday afternoon, October 10, 1955, just one month after he had served as director of his 21st Leadership School at the Levere Memorial Temple, Evanston, Ill., the shrine of Σ A ϵ , and had served as manager of the 99th Anniversary National Convention at the Edgewater Beach Hotel in Chicago.

Dr. Moseley, a Rhodes Scholar, former president of the University of Nevada, dean of students at the University of Tennessee, president of Central State College, Edmond, Okla., and professor of Latin and tennis coach at the University of Oklahoma, first suffered a minor stroke in New York City while on Chapter and alumni work last November, 1954, just prior to the National Interfraternity Conference in Philadelphia,

Pa. He had been awarded the NIC "Man of the Year" Award for his fraternity work at the Conference in New York City in 1947.

Well known throughout the country as a speaker and a national fraternity leader, he came to Evanston as Eminent Supreme Recorder of Σ A ϵ on July 1, 1950, after being elected to that position at the Los Angeles, Calif. Convention in 1949. While serving as president at the University of Nevada, he was named Alumni Secretary by the Supreme Council, taking office on July 1, 1949, thus carrying out the mandate of the 1947 National Convention at Mackinac Island to employ an Alumni Secretary to conduct a campaign to raise funds which could be used to assist Chapters in building houses on a more liberal basis.

Upon announcement of his death late Monday, October 10, telegrams of condolence to the fraternity and his widow, Marie Moseley, came in from all over the Nation. The funeral was held in the Chapel of the Levere Memorial Temple on Thursday, October 13, and burial took place in

Memorial Park Cemetery, Evanston, near the grave of William C. Levere, III, *Psi-Omega '14* (Northwestern) who had served as Eminent Supreme Archon and Eminent Supreme Recorder, dying while in office as ESR in 1927.

The Moseley services were conducted by Dr. Harold Blake Walker of the First Presbyterian Church of Evanston, to which the Moseley family belonged. A special fraternity tribute was given by Edward G. Hathcock, *Calif. Delta '31* (UCLA), Eminent Supreme Archon, of Beverly Hills, Calif., who had become ESA at the Chicago Convention in September. Illinois Psi-Omega Chapter at Northwestern University sang "Violets," "Longing," and "Friends," accompanied at the Chapel organ by Ben Penix of Illinois Psi-Omega.

Pallbearers were members of the Supreme Council, including ESA Hathcock; Leo S. Cade, *Okla. Kappa '22*, of Oklahoma City, ESDA; Howard P. Falls, *Va. Tau '33* (Richmond), of Richmond, Va., ESW; Arthur L. Beck, *Pa. Phi '22* (Carnegie), of Buffalo, N. Y., ESH; Dr. Glen T. Nygreen,

Alpha (Stanford), of Red Wood City, Calif., former Eminent Archon of California Alpha; a daughter, Mrs. Wm. J. (Margaret) Newman, of Getchell Mine, Nev., and two sisters, Mrs. Mildred Moseley Stewart of De Tour, Mich., and Mrs. W. W. Trout of Lufkin, Texas, and two grandsons.

Dr. Moseley's Career

Dr. Moseley was born in Meridian, Miss., on Oct. 21, 1893, the son and grandson of Presbyterian ministers. He lived in various places in Tennessee and Mississippi, attending the public schools in Mississippi and entering Southwestern Presbyterian University at Clarksville, Tenn., in 1908, where he studied for two years. He was graduated at Austin College, Sherman, Texas, in 1912 with A.B. degree; and graduated at Southeastern State Teachers College, Durant, Okla., in 1913; and the University of Oklahoma in 1916 with the M.A. degree; he was elected a Rhodes Scholar from Oklahoma in 1916 and held two degrees from Oxford University, Oxford, England. He studied two years in the Graduate School of Stanford University, Palo Alto, Calif., as the holder of a Royall Victor Fellowship. He attended one summer session at the University of California, Southern Branch, and Columbia University, New York City, and also studied for a brief time at the English Academy at Athens and the American Academy in Rome. The LL.D. degree was conferred upon him by Austin College in 1936.

Dr. Moseley had more than 35 years experience in teaching in public schools and institutions of higher learning. He taught Latin and English and coached athletics in the Durant High School for three years. He was also principal of the old Henry Kendall College (now Tulsa University). For nearly 20 years he was professor of Latin and tennis coach at Oklahoma University. For four years he was president of Central State College at Edmond, Okla.

Dr. Moseley served as dean of students at the University of Tennessee for five years and it was during this time that he gave a great contribution to ΣΑΕ, through writings and serving as Director of the Leadership Training School which he created in 1935 while serving as ESA of the fraternity. From 1935 through 1955, more than 5,000 young men have come to Evanston to study fraternity leadership under his direction. After leaving Tennessee, he became president of the University of Nevada and

served until 1949, when he decided to make fraternity work his life's career. He established "Greek Week," which became popular on many campuses, and he was often called to a particular campus, to give the opening address for the occasion.

He served two and one-half years in the Army during World War I, spending one and one-half years overseas in the AEF, and was discharged with the reserve status of Captain. He traveled extensively over the world, his last long trip being in 1953 when he went to Europe with his wife, Marie, as a representative of the Evanston Rotary Club at the International Rotary Convention in Paris, France, as a visitor during the Coronation of Queen Elizabeth in London, England, and as a representative to the first reunion of Rhode Scholars in Oxford, England. He returned in time to take part in the College Fraternity Secretaries and the College Fraternity Editors Association meeting in July, 1953, at Atlantic City, N.J.

Dr. Moseley was a member of various learned societies and fraternal organizations. He had served as a member of the permanent committee of the National Interfraternity Conference. He was a member of the co-ordinating board of the State of Oklahoma and served for a time as President of the Oklahoma State Council of Christian Education.

He was author of many manuscripts, appearing in *Fraternity Month* and *Greek Exchange*, being a constant column contributor to the former. He prepared many manuals for ΣΑΕ covering many subjects, including the *Pledge Ritual*, *Province Convention Procedure*, etc. In 1954 he published a rushing brochure, a publication of 50,000 copies, which had been desired by the fraternity in general for many years. His great love for the fraternity was the Ritual in which he excelled in performance all over the country. He loved ΣΑΕ's initiation ceremony and left this earth in the full belief of his description of the coat-of-arms and badge of the fraternity to which he had devoted his life.

One of the greatest honors came to Dr. Moseley at the Mackinac Convention in 1947

when he was one of seven members to receive the Distinguished Service Award and Citation, awarded for the first time through The Alumni Program of ΣΑΕ. These awards for meritorious service to the fraternity went to four Past ESAs including Dr. Moseley.

Dr. Moseley's citation read: "For exceptionally meritorious service in the establishment, maintenance, and direction of the Leadership School of Sigma Alpha Epsilon. John Ohleyer Moseley, battling against almost overwhelming odds, established the first Leadership School in 1935 in the early months of his administration as Eminent Supreme Archon and thereby created an institution unique in the Greek World, the envy of all Minerva's rivals, and throughout the years which have followed he has steadily built the Leadership School into a powerful force for the growth and development of Sigma Alpha Epsilon. (Done at Evanston this 15th day of August, 1947.)"

Moseley Initiated in 1915

Dr. Moseley started his fraternity career back in 1915 when he was initiated by Oklahoma Kappa. Holding various offices in the Chapter and old Province Theta he became Archon of Theta in 1924 and served until 1931. He began his fraternity writings in 1929 while serving as Archon. "Will You Make a Fraternity This Year?" appeared in THE RECORD in September, 1929. This article was based on the Zero-Nero-Hero type of fraternity man, and was reprinted in various publications for many years.

One of his many lectures to become famous was on the "Chalice of Antioch" which fascinated and inspired audiences everywhere.

His Supreme Council career started at the Evanston Convention in 1930 when he was elected Eminent Supreme Herald. This convention was marked by the dedication of the Levere Memorial Temple. In 1932, Moseley as ESH, assisted in the installation of California Epsilon at Occidental College. He became Eminent Supreme Deputy Archon at the Los Angeles Convention in 1932. He was elected Eminent Supreme Archon at the Washington, D.C., Convention in 1934 and served from 1935 through 1937. At the Chicago Convention in 1937 he was named Honorary ESA and Director of Leadership Training.

Dr. Moseley's hope was to attend the fraternity's 100th Anniversary celebration at Tuscaloosa, Ala., on March 9, 1956. The script which he had written will be used at the centennial's nationwide telephone hook-up, and his belief and trust in the organization of ΣΑΕ will be immortalized forever.

Probably one of the greatest tributes that can be paid to Dr. Moseley were from the remarks by President T. S. Clyce, Emeritus, in conferring the honorary degree of LL.D. at the June 1936 commencement at Austin College. It read: "Child of the manse; worthy of Austin College in the class of 1912, Master of Arts from the University of Oklahoma; Rhodes Scholar; College Professor of scholarship and distinction; national leader in college fraternity life; president of the oldest teachers college in his state; teacher of teachers; guide of youth and leader of men."

ACTING ESR—Lauren Foreman, Ga. Epsilon '01 (Emory), of Evanston, Ill., who has been appointed Acting Eminent Supreme Recorder of Sigma Alpha Epsilon.

SUPREME COUNCIL NAMES ARCHIVIST LAUREN FOREMAN, GA. EPSILON '01 (EMORY), PAST ESA AND ESR, AS ACTING EMINENT SUPREME RECORDER

Dear Brothers in Sigma Alpha Epsilon:

It is extremely difficult and indeed it shall never be possible to reconcile ourselves to the absence from our mystic circle of Brother John O. Moseley, ESR, and Past ESA, who on October 10th, was called to our Chapter Eternal. With his bonds unbroken he has joined hands with our Founders and some 10,000 other brothers of our order, several thousands of whom he knew personally, where in Phi Alpha's dawning he shall lead and direct our work ever more and more unto the perfect day.

But we all know that notwithstanding the great loss to ΣΑΕ of Brother John's personal services, its great work must and will go forward. The good Lord and its own provident program of fraternity administration has always blessed ΣΑΕ with leadership of the right sort at the right time! The present emergency created by ESR Moseley's passing is no exception!

Brother Lauren Foreman, Past ESA (1925-1928) and Past ESR (1933-1950) who retired from the latter position as of June 30th, 1950 at age 70 to become ΣΑΕ's Archivist and bring our History up to date, still in excellent health and hale and hearty as ever, was summoned by the Supreme Council and responded, ready, willing and able, to answer the call to command Minerva's most important post.

Brother Foreman was, therefore, appointed by the Supreme Council at its emergency meeting held on October 13, 1955, to serve as Acting Eminent Supreme Recorder, thereby suspending his duties as Archivist, pending further action by the Supreme Council.

It is unquestioned that the wisdom, ability and experience of Brother Foreman in the field of National Fraternity Administration exceeds by far that of any living member of ΣΑΕ, and his availability to act as ESR at this time is truly a Godsend to the Fraternity.

Therefore, henceforth, pending further instructions from the Supreme Council, all official correspondence and matters pertaining to the National Office should be directed to: Brother Lauren Foreman, Acting ESR, Box 1856, Evanston, Illinois, who is now in full charge and command at Headquarters. I bespeak for him your loyal and enthusiastic support and fraternal cooperation.

With a prayer for our continued progress and all personal good wishes, I am

Sincerely yours in the Bond

Ed Hathcock

Eminent Supreme Archon

WHEREAS, he conceived and founded the Leadership School of Sigma Alpha Epsilon in 1935, personally soliciting and securing the funds necessary to initiate and hold the First Leadership School, and had for 21 consecutive years conducted the School as Director of Leadership Training and thereby made the most outstanding contribution toward the advancement of the spiritual progress and general welfare of ΣΑΕ of any member in the annals of our noble order, and,

WHEREAS, in addition to its great value to our own Fraternity, the development and demonstrated benefits of the Leadership School have been widely recognized by the American College Greek Letter Fraternity World to the extent that many leading national fraternities now hold similar schools each year, and,

WHEREAS, he originated and fostered the idea of Greek Week at the University of Tennessee more than 15 years ago, which has become a widely accepted and adopted interfraternity institution in the American College Fraternity System whereby many of the unsavory and destructive practices perpetrated by Collegiate Chapters in the name

of fraternity initiations and pledge training have been eliminated and replaced by constructive programs of fraternity orientation and activity that have greatly advanced the cause and recognition of such Greek Letter fraternities as true and valuable adjuncts to the college educational system of our country through the good will and favorable attention thus engendered and attracted in many channels of public relations, and,

WHEREAS, he was cited and honored for this and other "distinguished service to youth through the American College fraternity" by the National Interfraternity Conference in 1947 by the presentation to him of the annual Gold Medal Award, and,

them new. I shall not presume to say which are the most important. And I shall firmly resist the great temptation to suggest how some of them should be solved. Instead, I shall content myself with expressing the earnest hope that whatever you do about the many questions you will be called upon to consider, you may at all times display the consideration, the courtesy and the thoughtfulness—in short, the true fraternal spirit—that has always characterized our great order."

L. Buchanan Loser, *Ga. Psi '29* (Mercer), Deputy Archon of Province Iota, of Nashville, Tenn., gave the response. Mr. Loser commented: "We again welcome the opportunity to visit Chicago, not only because it is one of the great cities of the world but since it is so near and in such close proximity to the fountainhead and shrine of Sigma Alpha Epsilon, the Levere Memorial Temple. The fraternity system is an American institution established on the basis that the individual may have the opportunity to select his own companions and be guided by the standards thereof. Sigma Alpha Epsilon represents a large segment of American manhood and with our leadership in the Greek letter world well established this Convention is charged with the serious and solemn obligation of maintaining these democratic principles and ideals."

ESA Lee Reports

Late Sunday afternoon ESA Lee gave his report, reviewing his activities while in office for two years. He stated in part: "As ESA I have had the honor of visiting many of our Chapters in all the various sections of the country. Certainly no one can be physically able to visit all the Chapters one would like to in a two-year period. Each Chapter is different, has different problems and different ways of doing things. Each Chapter presented a new challenge and each Chapter visited became an inspiration to me."

Other reports given at the opening session were those of the ESDA, ESW, ESH, ESCh., and the Archivist.

The invocation of the Monday, September 5, session, was given by L. Ray Ashworth of Virginia Tau. The "Marching Song" was led by Tom Bushell of Washington Alpha. This was followed by the official roll call and then the report of the Eminent Supreme Recorder who gave a complete resume of his term of office of the past two years.

Moseley Gives Report

ESR Moseley reported that the total Chapter membership was 6,472 as of March 15, 1954, and 6,666 on March 15, 1955. He stated that the figures represented a slight gain over the corresponding years in the previous biennium, "however, our membership is still below the previous all-time high marks of 7,913 in 1948." He reported on the four new Chapters installed after the last Convention; the Chapter Eternal including Gold Stars; alumni activity; the Leadership School; publications; the Convention Fund of \$24,134.73, a total smaller than the all-time high of \$27,969.44 in 1949; appointment of W. E. ("Ted") Baker, Pa. Chi-Omicron '50 (Pitt), of Pittsburgh, Pa., as new National Treasurer, replacing Jack Harris, who had accepted a new position in Springfield, Ohio; contributions of alumni for the biennium 1953-1955 reaching \$67,591.16, including combined gifts from alumni, Chapter National dues, Life Memberships and Founder Memberships; progress in the fraternity's assets, showing \$1,058,058.00 as of June 30, 1955; names of new Founders through 119, with 10 being given by Past ESA

Ginter, and thus allowing the completion of the William Leslie French membership; the Loyalty Fund; Daughters of Minerva with a total of 30; the DeVotie Memorial; Visitation and the fraternity's shrines.

Following luncheon in the Polynesian Village of the Edgewater Beach Hotel on Monday, the afternoon session was again held in the Ball Room. Jere L. Felker of Tennessee Nu gave the invocation. The report of the Permanent Committee on the National Laws was given by Counsel Pritchard, followed by the report of the Credentials Committee by Province Eta Archon Steinhauer. Board of Trustees President Carpenter then gave his report. Scholarship Commissioner Nygreen gave his report with the distribution of 1953-1954 summaries. He stated: "Our general scholarship picture is not very good. Thirty-eight percent of our Chapters during the year 1953-1954 ranked above the all-men's average on their campuses. This means more than 61 percent or more than three-fifths of our Chapters are below the all-men's average. Of the 61 fraternities of the National Interfraternity Conference Sigma Alpha Epsilon ranks 33rd." Said Nygreen: "Now there has been some improvement and

the improvement has been slow but it is growing all the time." He then went on to outline how bigger improvement could be made.

Labor Day Dinner Party

The Tuesday, September 6, session took place following a dinner party in the Ball Room Monday night. Entertainment was provided by Leo Terry at his Hammond Organ. Special tribute was paid to Past ESA Moore, and many fraternity and university songs were sung. More than 300 persons including wives, relatives and sweethearts attended the affair.

The invocation on Tuesday morning was given by Jack R. Hotaling of Washington City Rho. ESR Moseley gave a report on plans for the opening of the second session of the 21st Leadership School in the Levere Memorial Temple, Wednesday night, September 8, and invited as many National and Province officers who could stay for the occasion. He also referred to the adoption of the Supreme Council of the new Mystic Scroll for the Chapters. He presented Merlyn Jones, Chapter Supervisor, giving him credit for the art work for Convention hall, including color sketches of the Founders.

This was followed by other committee reports and the acceptance of the two locals previously mentioned following the report of Past ESA Turner, chairman of the Extension Investigation Committee.

Cups Awarded at Lunch

At the Tuesday noon luncheon in the Polynesian Village of the Edgewater Beach was featured by the presentation of Chapter trophies by the National fraternity and the Provinces, mostly stressing scholarship. The Washington, D.C. Alumni Association traveling scholarship trophy was presented to Montana Beta and accepted by Milton Wordel for the highest scholarship for 1953-55, and was given by Scholarship Commissioner Nygreen. The scholarship improvement trophy presented by the National was given to Arizona Alpha for 1952-53, and the improvement cup for 1954-55 to Mississippi Theta, by Nygreen. The scholarship trophy for the best record in one year was given to Indiana Gamma which was 20 percent above the all-men's average, and this cup having been awarded at the 21st Leadership School.

Province Pi Archon Clark presented the scrap book trophy to Ohio Epsilon with Indiana Delta and Texas Alpha ranking second and third. Because this trophy was in a bad condition from travel since 1937, it was engraved for Ohio Epsilon and retired, while a new traveling trophy was ordered for the new winning Chapter.

The best magazine type trophy was presented to California Epsilon at Occidental by Bob Clark, representing the Publications Committee, and second and third place being taken by Kentucky Epsilon and Wyoming Alpha. The trophy for the best newspaper type publication rested as no Chapter met the requirements of the competition rules and specifications.

ESR Moseley stepped forward for the presentation of the Chapter efficiency trophy and that went, as a result of much deliberation of the National Office as the judge, to Oklahoma Mu at Okla. A. & M. College. This trophy is for efficiency of relations with the National Office in reports and other correspondence.

Provinces presenting trophies and plaques were Iota and Zeta. The Iota scholarship trophy presented by Archon Selards went to Kentucky Epsilon for 1953-54, and accepted by Charles Taylor, EA. The Zeta plaques, presented by Archon Miller, went to Iowa Beta for highest scholarship, and Kansas Alpha for greatest improvement.

Gavel Given to ESA

At the luncheon the gavel of ESA was presented by ESR Moseley to ESA Lee for his services as presiding officer of the Convention, serving as ESA for 1953-55. The luncheon head table included a long list of dignitaries, including Past ESA Moore, Past ESAs Holderness, Foreman, Moseley,

Elections, Petitioning Locals

The Tuesday afternoon session of the Convention, September 6, was one of the big events when the election of officers was held, as the results have been previously reported. At this session the two successful petitioning locals were given seats, but had no voice nor vote, and ESR Moseley announced that they were invited to the banquet that night. William Adams of Michigan Iota-Beta gave the invocation at the election session.

Prior to the election a hearing was granted to Jerry Slaughter of the Houston, Texas, Alumni Association in regard to the technical difficulties in the petition of Kappa Delta Kappa. This was followed by the report of the Extension Investigation Committee as presented by Past ESA Turner.

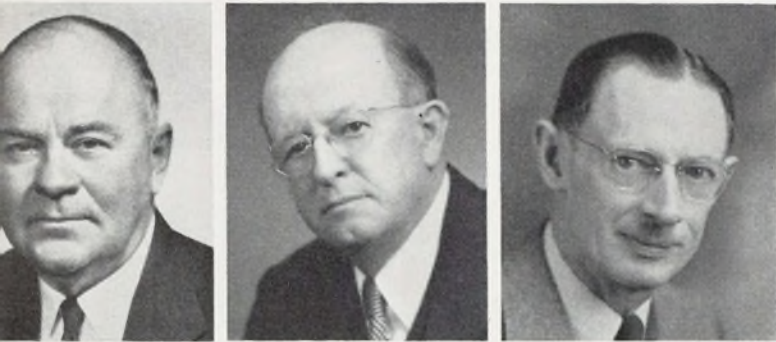

Then followed the report of the Finance Committee by James A. Nicholson of the Toledo Alumni Association. Among the recommendations were that \$12,500 be provided for new address equipment in the National Office, the approval of a new plan to present the post convention issue of PHI Alpha to save money, and that certain proposals to changes in the National Laws be applied to July, 1957, rather than January, 1956, if passed, for the benefit of the Chapters, etc. This was followed by the report of the Scholarship Committee and the report of the State of the Order Committee.

Next Convention Site?

The Time and Place Committee report resulted in a wide discussion on the site of the next National Convention in view of the Leadership School. Place suggested for 1957 was New Orleans, and subsequent conventions, Atlanta, Cleveland, Cincinnati, Denver, Detroit, Kansas City, Memphis, Minneapolis, St. Louis and Toledo, in view of wide alumni participation. The decision of the Chicago area or another site was left to the discretion of the Supreme Council.

Tuesday night, the celebration occurred for the election of results, introductions of dignitaries and their ladies and speeches. This event took place in the Ballroom of the Edge-

water Beach, with the banquet program being called to order at 9 o'clock after a sumptuous dinner, highlighted by a three-tier head table arrangement.

Three Tiers of Guests

Retiring ESA Lee introduced some of the guests in the tiers, including the "brass hats,"—"some a little tarnished and some not," (quoting Lee); Past ESA Aurner (immediate) and Mrs. Aurner; Past ESA Torrance, "the fighting Phi from Atlanta, Ga.;" Past ESA Foreman and Mrs. Foreman; Past ESA Emmett B. Moore and Mrs. Moore; Past ESA Fred Turner; J. Washington Moore, "the old granddaddy of Past ESAs;" Past ESA Holderness; Past ESA Moseley and Mrs. Moseley; ESH Art Beck and Mrs. Beck; Past ESA Collins (guest of honor); Hon. ESA Walker and Mrs. Walker; ESW Falls and Mrs. Falls; ESDA Leo Cade; new ESCh. Glen Nygreen.

Following the introduction ESA Lee installed the new members of the Supreme Council. The main speaker was then introduced, Mr. Sanderson of the National Gypsum Company by Retiring ESA Lee immediately after he presented his wife Betty and daughter Ann.

"It was 41 years ago, in 1914, when I had the privilege of attending a National Convention of Sigma Alpha Epsilon in this city," stated Mr. Sanderson. "We had our pictures taken down on the steps of the Art Institute, I believe it was, where there are two lions flanking the sides of the picture. That evening I heard an address. I do not know who the man was now, but I do remember lots that he had to say. So be it. I do not care whether you remember my name or not, but please remember some of the things I have to say and take them home with you.

"We are 99-years old and almost 90,000 strong. $\Sigma A E$ is a very successful business. You may think it odd that I call a great college fraternity such as $\Sigma A E$ a business. I like to look at everything from a businessman's viewpoint.

"Those of us who graduated from college before the war will remember that surprisingly large numbers of people considered fraternities more 'monkey-business' than anything else. In the roaring '20's and the desperate '30's, a great many educators, journalists, parents and businessmen literally gloated over newspaper stories of riots, midnight snowball battles and scandalous parties. Fraternities, they said, should be abolished.

"But you know, just as many things have changed since the war, that feeling about fraternities has changed. It has changed so much that I can sit down with a group of hard-headed businessmen that believe that life in a fraternity is the best possible training for success in business, and that think a college fraternity is a business.

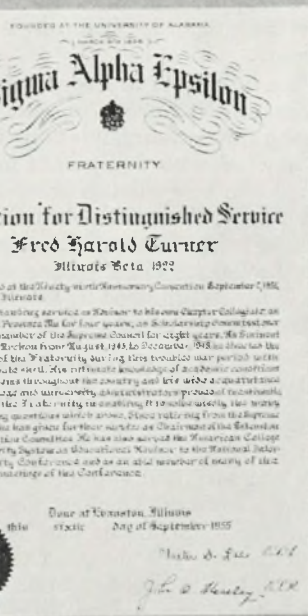

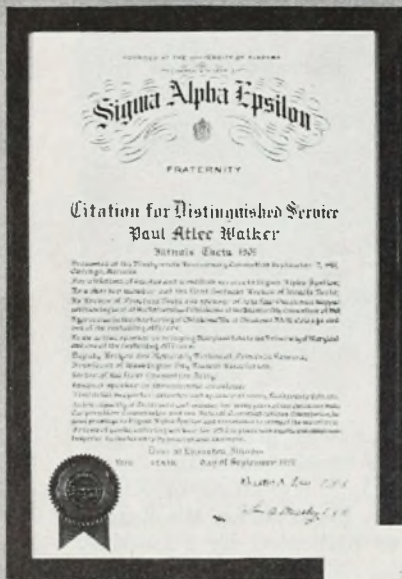

Changes Realized

"The opinion has been changed because the principles and the operations of all the fraternities have changed. The fraternity men have realized their responsibility and have measured up to the challenge of these times—that challenge being to build better men morally, spiritually and physically through comradeship, leadership and faith, establishing community and mass interests. What better place is there to build better men than in the fraternity?"

Mr. Sanderson's elevating talk was followed by the presentation of the Distinguished Service Awards under the direction of ESW Howard P. Falls, as previously announced. Mr. Falls stated that under The National Alumni Program created in 1947, the Distinguished Service Award appeared and that it is the highest award that can be presented to a member of the fraternity. "To date there have been only 13 recipients. There will be three more added tonight." The awards were made to Past ESA Turner, Paul A. Walker and President of the Board of Trustees Carpenter.

Retiring ESA Lee then gave an inspiring "swansong," stating, "it has been one of the greatest things that could have happened to anyone, after referring to completing 26

New ESA Speaks

Upon the introduction of the new ESA, Hathcock, ESR Moseley read a telegram congratulating Hathcock from the Los Angeles Alumni Association, signed by Calvin Smalley,

Deputy Archon of Province Kappa. New ESA Hathcock in turn presented the "Daughter of Minerva," his wife Agnes. "Sigma Alpha Epsilon has come a long way since its birth, of course, but I think that we all recognize the fact that there is yet much to be accomplished, and God willing, with His help we shall accomplish it in the years ahead," Hathcock said in part. "During this administration for the next two years I hope to lay stress upon the enforcement of the National Laws, because I truly believe that that is the way to bring our fraternity into proper recognition of the individual obligations that are imposed upon each and every man of

us as we accept that Badge of our fraternity. This fraternity is a society dedicated to individuals. It can never progress merely by group strength. Unless each one of you will sense deeply and have the fortunate and the mental and moral courage to first define, if you do not already know, what that obligation means, then to carry it into action every day of your lives, Sigma Alpha Epsilon can never be great." ESA Hathcock ended with the formation of plans for the 100th birthday in 1956, details to be outlined the next day.

The Wednesday morning session, the final one, September 7, opened at 9:10 o'clock under the direction of Retiring ESA Lee. The invocation was given by Hugh Hamilton of Idaho Alpha. The main event of the morning was the presentation of Distinguished Service Medals around the shoulders of the three men, Fred Turner, Charles Carpenter and Paul Walker, who had received their Distinguished Service Citations the night before, and again as handled by ESW Falls. ESR Moseley then outlined the qualifications of the Merit Key Award, none having been made at this Convention, this award being available for other fraternity workers, including Province officers, Chapter advisers, etc., honored at Founders Day banquets and other occasions represented by alumni.

"Flat Fee" Proposed

Then came the report of the Committee on National Laws presented by Archivist Foreman, covering proposals among others in the laws having to do with a "flat initiation fee" for the benefit of the Chapters and the National Fraternity.

The greater part of the final morning session was devoted to the discussion of the National Laws with the following results as reported by Foreman:

"Section 139 was amended so as to provide that the National Board of Trustees in making loans to corporations affiliated with Chapter Collegiate from either the National Endowment Fund or the Record Life Subscription Fund, may base such loans on either the cost of the property or its present fair value, regardless of which is lesser.

"Section 190 (Paragraph 5) was amended to provide that the mail ballot shall not be used for voting on petitions for charters for Chapters Collegiate 'unless it is impossible for the petitioning group to present its petition to the next National Convention.'

"A number of amendments proposed by Scholarship Commissioner Nygreen for clarifying and simplifying the laws dealing with penalties for Chapters Collegiate low in scholarship were approved.

"Flat Fee" Has Merits

"Considerable time was devoted to discussion of amendments which would have substituted a flat fee, to be paid at the time of initiation by the Chapters Collegiate, for each initiate in place of the present initiation fee, Record Life Subscription fee and semi-annual dues, but same were not approved. The Committee on National Laws reported that its members found much merit in the proposals but felt that they should be given further study before adoption and, therefore recommended that they not be approved at this Convention."

State of the Order

Then came the report of the State of the Order by Province Zeta Archon Roy Miller. He reported among other things that The Committee on The Alumni Program had made excellent progress during the past two years and it was urged that the committee increase its contacts with the Chapters in an effort to help them improve co-ordination between the Chapters and their alumni; that the Supreme Council study the scholarship and student loan fund operations with a view toward recommending at the next Convention a liberalization of the use of these funds to give financial aid to members; that more thought be given to the attendance of Chapter Advisers to the Leadership School; that more thought be given to the duties of housemothers in advance of employment; that more attention of the Chapters be given to the National Laws; more attention be given, particularly financially to the attendance of alumni associations at Conventions; that more information of petitioning locals be given, with the recommendation that a standard form be prepared by the Supreme Council; that *Phi Alpha* issue a brief summary of actual resolutions and recommendations after the convention for easy reference, etc.

A discussion followed on the distribution of the Chapters among the 20 Provinces. It was approved that, following a request by Province Nu Archon Gilkeson, that the boundary line of Province Beta and Province Nu be changed by splitting the State of New Jersey on a line drawn from Trenton, N.J. to the Atlantic Ocean, giving Southern New Jersey to Province Nu, in order to place more men on the Province Nu Council.

After considerable discussion on the requests for the National Office to publish a Directory of Membership, the matter was defeated due to the cost of such a publication and its value immediately following publication. As a result it was recommended that \$12,500 be appropriated to the National Office for new address equipment to provide better

Centennial Plans—ESA

The 99th Anniversary Convention came to a close on Wednesday, September 7, with the presentation of plans for the 100th Anniversary celebration plans as presented by the new ESA, Edward G. Hathcock. He asked for the reaction of the Chapters to the plans proposed by the Supreme Council. The plans include "the need for a public relations committee that knows what it is doing and a continued program to be carried out along the lines best designed to tell the story in 1956 of what we are doing and what we have done during our 100 years of progress; presentation of a national sweetheart ('Miss Minerva or Her Loveliness'), a dream girl; two initiations at Alabama Mu on March 9, 1956, by Province Epsilon and Alabama Mu; a luncheon and reception followed in the evening by a banquet; a closed telephone circuit from the American Telephone and Telegraph Company to broadcast the program throughout the country, setting up 85 outlets to reach most of the Chapters, alumni associations which wish to plug in and hear the broadcast, having until December 1 to decide on this project; general format, a production committee, a program committee, handling the production of the broadcast and being done on tape ahead of time in order to achieve perfection in a radio presentation; program directed by a competent producer, a member of professional talent; use of a script prepared by ESR Moseley for the talking parts, and him as MC, identifying the participants including Alabama Mu as host, followed by a trip around the World of Minerva by air having greetings from many prominent members including Governors, Senators, etc., giving the impression of the fraternity in public life; repeating the history of the founding of the fraternity as the dramatic heart and core of the program with an outstanding narrator such as Conrad Nagel of pleasing voice, or Bob Young, with underscore with music; presentation of the development of the fraternity, bringing it down to the present day; recognizing the 'old war horses and the elder statesmen' of the fraternity with their words of wisdom, and closing with a dramatic feature of singing and possibly the words of Noble Leslie DeVotie."

New Badge Presented

Before the Convention closed the Official Badge of the ESA for the first time with the inscription year was presented by Retiring ESA Lee to the new ESA, Mr. Hathcock, the badge to be handed down to each succeeding ESA. Said Hathcock: "I think Brother 'Chick' has instituted what will become a wonderful tradition in our national fraternity as it is in our local Chapters, and I accept this badge as a symbol of my high office and will wear it proudly on all occasions." Scholarship Commissioner Nygreen expressed the appreciation of the reign of Retiring ESA Lee and moved that the Convention adjourn, with a rising vote to Dr. Lee and the singing of "Friends." ESA announced the close of the Convention.

Alumni Association representation at the Convention was considered good in view of 24 representatives being in attendance.

SIGMA ALPHA EPSILON'S CENTENNIAL CELEBRATION

MARCH 9, 1956

By EDWARD G. HATHCOCK, ESA

AS SIGMA ALPHA EPSILON'S 100th birthday approaches, all eyes and hearts turn toward Tuscaloosa and elaborate plans for the grand centennial celebration are rapidly taking shape and nearing completion.

The fraternity's spirit and enthusiasm are running high throughout the Realm of Minerva since the 99th Anniversary Na-

Johnson's School House

tional Convention in Chicago in September, when some of the plans for the historic celebration to take place on March 9th were announced by the Centennial Committee Co-Chairman, the new ESA. Further details of the planning and arrangements had been unfolded by the late John O. Moseley, ESR, and Tom McClellan, EDA of Alabama Mu, of the Centennial Committee, and definite outlines of the big event are ringing clear.

Tuscaloosa Bound

The main event will, of course, be held at Tuscaloosa with Mother Mu Chapter, Alabama Mu, acting as host for a two-day celebration on March 9-10, 1956. Members of ΣAE, young and old, active and alumni, from all points of the country will make the trek to the Founding Shrine for this sentimental and historic occasion. Advance estimates based on reservations and commitments already received indicate that the gathering will exceed 400. Many of the Southern Chapters plan to attend en masse, traveling by bus, etc., and many alumni are planning to pilgrimage with their families. Since accommodations in Tuscaloosa are definitely limited, it is obvious and necessary that those who expect to attend must make reservations in the very near future. (A reservation blank is found with this article; please note, clip and send at once.)

Preceding the celebration the Supreme Council will arrive in Tuscaloosa to hold

its annual winter meeting in Alabama Mu's DeVotie Memorial Hall on March 7 and 8. Council members will take part in the other events planned to commemorate the founding of the fraternity. Registration of guests arriving in Tuscaloosa will start at the Chapter house on Thursday, March 8, and continue through Friday morning, March 9. The festivities for Friday, March 9, include the following:

Alabama Mu traditional March 9 initiation at 11:00 a.m.

Buffet luncheon at Chapter house at 12:30 p.m.

Province Epsilon model initiation at 2:00 p.m.

Chapter reception at Alabama Mu at 3:30 p.m.

Centennial banquet in Student Union at 6:00 p.m.

Other activities planned for Friday, March 9, but not yet scheduled at the time include a trek to Johnson's School House to view the founding marker and a pilgrimage to the grave of Newton Nash Clements, Alabama Mu and the fraternity's first pledge.

On Saturday, March 10, there will be a pilgrimage via bus to Selma, Ala., to dedicate a monument at the grave of Col. John B. Rudolph, one of the eight Founders and designer of the ΣAE badge. The grave stone, appropriately inscribed, is being provided by the Oklahoma City Alumni Association. Participating in the dedicatory ceremonies

will be Dr. John Rudolph Little, Okla. Kappa '26 (Oklahoma), and James Monroe Little, Okla. Kappa 54, grandson, and the great grandson of Colonel Rudolph.

Featuring the centennial celebration at Mother Mu on March 9 will be the banquet at 6 p.m., and the highlight of the program will be an hour "broadcast" beginning at 8 p.m. (CST), which will be carried on a closed circuit telephone line to Chapters Collegiate and Alumni Associations in the midst of Founders Day banquets at 85 outlets all over Minerva's Realm!

The broadcast will be under the direction of Lloyd D. Mitchell, Calif. Gamma '27 (Southern California), of Los Angeles, chairman of the Centennial Program Committee, who has a distinguished record as a producer and director of professional programs in the West. “AN EVENT OF THE GREATEST IMPORTANCE TO SIGMA ALPHA EPSILON”

FIRST APPEARANCE OF *THE RECORD* IN MARCH 1880; PUBLISHED
CONTINUOUSLY FOR 75 YEARS AND NOW WITH A CIRCULATION OF 70,500 . . .

EDITOR'S NOTE: *This article was requested by Fraternity Month as a salute to THE RECORD during its 75th anniversary year. The feature will appear with illustrations in the December issue of that publication.*

By **DON GABLE, Editor**

ACCORDING TO VOLUME 1 of *The History of Sigma Alpha Epsilon* in 1911 by the late William C. Levere, famous ΣΑΕ Eminent Supreme Recorder in Evanston, Ill., and well-known in the interfraternity world, the first appearance of the ΣΑΕ RECORD was an event of the greatest importance.

Chapter 33 of Levere's First Volume History read: "One March day the fraternity awoke to find it had a magazine. To quote the very first words of the publication: 'The Sigma Alpha Epsilon RECORD is a fact.' The cover was as follows: 'The Sigma Alpha Epsilon RECORD/A/Quarterly Journal of the Fraternity/R. H. Wildberger, Editor-in-Chief; J. H. Alexander, Assistant/Vol. I, March, 1880, No. 1/ Subscription Price, One Dollar Per Annum/ Frankfort, Ky.; Printed at the Kentucky Yeoman Office; Major, Johnston and Barrett; 1880,' the whole surface being surrounded by a triple-ruled black border. The magazine had 40 pages exclusive of cover. The editors declared in their salutatory: 'In the first place, as this is the official organ of the fraternity, gathered by it, and by it to be supported, its first allegiance is, and ever shall be, due to the fraternity. Our columns shall contain a record of the order's progress as the years roll by. They will contain also, sketches of living and dead, ΣΑΕs, notes from active, and reminiscences of extinct Chapters, historical sketches, and personal matters of interest to members. In a word, any and everything properly relating to the order, and likely to be of interest to ΣΑΕ readers, shall be diligently collected and carefully prepared.

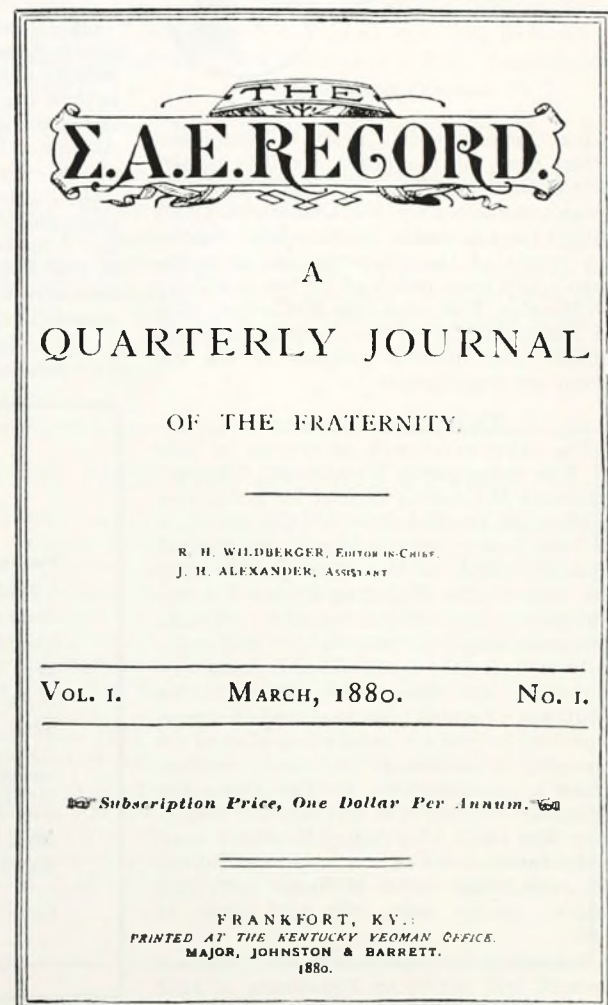

A Friend of Education

"In the second place, since our order is peculiarly the friend of education, since it had its inception in the shadow of an educational institution, and has continued for more than a score of years fostered within the four walls of colleges; and since education is eminently necessary for our perpetuity, this magazine shall be the exponent of a broad, liberal, progressive and intelligent system of popular and general education.

"In the third place, we propose to make of THE RECORD a literary journal for the culture and refinement of its readers. Twenty-eight of the 40 pages were taken up by the account of the Nashville Convention of 1879. This is the first time an extensive account of a convention had ever been circulated in the fraternity, and it was of utmost value, for it had brought every active man and many of the alumni

in intimate touch with the national organization. Its historical value, too, was of the greatest, as it preserved in a manner never before attempted, the current activities of the fraternity life of that day. The second number of THE RECORD appeared in May, 1880. It was even more valuable to the fraternity than the first issue. The article on the first page was on Noble Leslie DeVotie, the first sketch the fraternity had ever had of its founder."

THE RECORD OF YESTERDAY

20th Year Noted

According to Levere's History, on March 1, 1900, THE RECORD was 20 years old. "For two decades this magazine had been invaluable in its work for the fraternity, and even the expectations of its founder, Robert H. Wildberger, had been exceeded by its growth and improvement. THE RECORD had had 12 editors in its life, beginning with Wildberger, who had served as editor of Vol. 1 and of the first half of Vol. 2. He was succeeded by J. H. Young of Kentucky Chi. Young continued as editor until the appearance of Vol. 3, No. 3, when the name of William A. Guerry of Tenn. Omega appeared at the head. The Eminent Grand Treasurer, James G. Glass, persuaded Piromis H. Bell of Ga. Beta, to assume the editorship, which had only been held temporarily by Guerry, who at that time was serving as Eminent Grand Archon, until a successor to Young could be found. Bell's first number was Vol. 4, No. 2, and it appeared in June, 1884. He remained at the head for five numbers. The Nashville Convention of 1885 made Davis Freeman of Ga. Beta, editor, who held the job until May, 1886.

"The next editor was A. J. Smith of Ga. Epsilon. At the 1886 convention it was decided to make THE RECORD a monthly. The first issue as a monthly under the editorship of Smith was a double number, bearing the date of October-November 1886. There were really only five numbers issued during the year it was a monthly. Smith's year as editor closed with the April, 1887, edition. Thomas M. Cunningham, a senior at Ga. Beta, then became editor, who only edited one issue. John G. Capers of S. C. Lambda became editor and he handled 11 issues. In 1890 H. H. Cowan of Mich. Alpha was named editor and he did the work for three years. The next editor was H. C. Burger of Ohio Sigma for three years followed by Herbert C. Lakin of Mass. Gamma and Edward Mellus of Mass. Gamma." Other editors were Champe S. Andrews, Henry Sydnor Harrison, Charles P. Wood, Elmer B. Sanford, Noel T. Bowling, William C. Levere, James E. Chapman (acting), Eric Dawson, Lauren Foreman and Don Gable.

For the 9th time a national convention was convened in Nashville, December 26, 1912, and there, where THE RECORD was created in 1879, The Life Subscription Plan for the magazine was adopted and the Eminent Supreme Recorder was made the traveling secretary of the fraternity, and Elmer B. Sanford of New York City, was named editor of THE RECORD. Mr. Sanford later became a member of the Board of Trustees.

Under the Life Subscription Plan of 1912, each member initiated into the fraternity received a life subscription of \$10.00 along with his initiation fee to the national organization. This plan has survived through the years as the fraternity has grown and now there are more than 90,000 initiates with 51,000 alumni receiving the magazine on the Life Subscription Plan as of August, 1955, the magazine's 75th year, with 15,000 in the deceased list and approximately 15,000 listed as "lost," with no current addresses.

Printed in Nashville

Today THE RECORD has expanded into a \$9,000 per issue publication with Chapter houses being reproduced in color on the covers, and oddly enough being printed in Nashville, Tenn., since 1951, where the magazine was created at the 1879 convention. Interesting is the fact that the present printer is a member of ΣΑΕ, William A. Benson, Jr., of Tenn. Nu. The Life Subscription Plan Fund now totals more than \$768,000, but due to the calibre of the publication and its circulation, this fund does not cover its cost and the difference is drawn from the general funds of the fraternity.

THE RECORD TODAY!

THE RECORD, now with a circulation of more than 70,500 copies features Chapter houses in color (a three-color process) on the covers and inside pages. As of this issue 59 houses have been presented since February, 1951, when the magazine's production was moved from Menasha, Wis. to Nashville, Tenn.

Publication of THE RECORD went to Evanston, Ill., during the regime of Mr. Levere and Eric Dawson, Eminent Supreme Recorder, after the centralization plan had been adopted in 1920, and the ESR was responsible for publications. During the 17 years of the service of Lauren Foreman as Eminent Supreme Recorder, the magazine was published in Menasha, Wis., until 1951. Don Gable acted as associate editor in 1937 and in 1940 produced a souvenir edition of the magazine, presenting a pictorial and graphic description of the Levere Memorial Temple, shrine of the fraternity since 1930, and the dream of Mr. Levere who died in 1927. After being named editor of the magazine in 1947, Gable edited an 88-page edition with a five-color cover, reproducing the photographs of 850 Gold Stars of World War II. Later a supplement of 15 members who had lost their lives in service was added to the bound volume for 1947-1948 for the Chapters.

Despite the fraternity's 75 years of constant publication, there only have been 21 editors of THE RECORD. After the Centralization Plan in 1920, the editing job was left in the hands of the Eminent Supreme Recorder (Executive Secretary) who has and does to this day serve as editor-in-chief of publications. To this day that plan still exists and the Acting Eminent Supreme Recorder is Lauren Foreman who delegates the editing of the magazine and certain other publications to Editor Gable. The magazine is handsomely bound every two years and is given to the Chapter libraries. All this is in view of the fraternity's 100th Anniversary coming up March 9, 1956, at the University of Alabama, Tuscaloosa. (\$250,000 new Chapter house dedicated to Noble Leslie DeVotie, principal founder).

J. Washington Moore, Tenn. Nu '91 (Vanderbilt), Past ESA—No. 110.

William C. Harris, Ohio Epsilon '12—No. 111.

As a result of seven of the Founders already being Life Members, the balances allow a Founders Membership to be completed for Mr. French. DECENTRALIZATION

II THE HOUSE CORPORATION

EDITOR'S NOTE: This article and another which will appear in the February, 1956, issue of THE RECORD were prepared by John O. Moseley just prior to his untimely death.

Nations and men seem automatically to fall into two classes: THE HAVES and THE HAVE NOTS. Fraternity chapters likewise fall into one or the other of the two classes, some fraternities having more of one kind and less of the other. What makes the difference? Of course, there are many factors which enter into the situation, but, by and large, you can put it down as a maxim of fraternity life that chapters which have strong House Corporations generally fall into the HAVE class and those which have weak House Corporations, or none at all, are consigned to the HAVE NOTS.

The mere possession of a House Corporation does not make a fraternity chapter a HAVE chapter. Just as the possession of an American flag does not make a man patriotic, so some of our chapters, weakest in material possessions, have House Corporations of long standing. But a close scrutiny of these organizations reveals that they are formal in nature, self-perpetuating, and depend upon the activities of some one man, who is usually a rubber stamp for the actions of the Chapter Collegiate. It takes a great House Corporation to nurture a great Chapter!

In the next 100-year program of DECENTRALIZATION the chapter House Corporation is going to play a large part. Decentralization means putting ever more prestige, authority and responsibility on the local level. The local level in this case is a little higher than the chapter level, inasmuch as the House Corporation is composed of active men and alumni. Therefore, putting more authority on the local level here means building it up by taking some away from the Chapter Collegiate and some away from the National Office. This may sound a bit involved to the average fraternity man, but if you have ever served on a House Corporation, you will know immediately what I mean.

The National Laws of Sigma Alpha Epsilon provide as follows:

(1) House Corporations shall have not less than five directors who shall elect officers from their own membership including a president, a vice-president, a secretary and a treasurer, except that the offices of secretary and treasurer may be combined, if considered desirable.

(2) Each such House Corporation shall make an annual report, as of June 30 of each year to the Supreme Council on a form prescribed by the Supreme Council, such report to be forwarded to the Eminent Supreme Recorder not later than July

15 of each year and a copy of such report shall be furnished to the Chapter Collegiate.

(3) Each treasurer of a House Corporation shall be under corporate security bond of not less than \$1,000.

Section (3) above is complied with 100% by every House Corporation because the treasurer is automatically placed on a Position Bond and the Chapter Collegiate is billed by the National Office for the premium. Section (2) is complied with in a desultory manner, some House Corporations making a report every year; some House Corporations making a report in some years, and some House Corporations making no report in any year. Section (1) above is complied with in an apparently satisfactory manner from the standpoint of outward appearances. But the Good Book tells us that man looketh on the outward appearance, but God looketh at the heart. It is the heart of an Alumni Corporation which will answer the great question of survival in the next 100 years.

Let us then look briefly at those things which go to the heart of the matter:

1. Every House Corporation should be chartered under the laws of the state as a non-profit organization.

2. Every Corporation should meet as a corporation at least one time annually to receive reports and elect officers.

3. Experience indicates that seven is an ideal number for the Board of Directors, of which three should be members of the active Chapter, the EA and ET ex-officio, and one Director nominated by the active chapter, preferably a younger member. If the Trustees or Directors number five, then two should be members of the active chapter. Experience points out that it is a serious error not to have at least one member of the Board a member of the active chapter.

4. The question of tenure is debatable, but in general the following has been found to be good policy: a. The Secretary-Treasurer is the working officer and should be retained for a number of successive terms, presumably as long as his fraternity spirit is high, his interest keen and his service outstanding; but even so, not too long to dampen the ardor of a good younger man who might be available to step in his shoes and to do a better job. b. The Presidency is more of an honorary position and should be a rotating job and held not more than two or three terms at most, unless in the case of an exceptional man, who is definitely needed on the Board. This business of rotation in the Presidency will happily provide an open spot for a Secretary-Treasurer when it becomes time to promote him. c. Since active Chapter members lack continuity of service and quickly leave the active Chapter, they should in no case be

elected as officers of the Board of Directors of the Corporation.

If the Secretary-Treasurer is a good and safe man to handle the money but does not or cannot get around to the house very often to discuss Chapter needs with the Chapter—then the wise thing to do would be to retain him as Treasurer and elect a fourth officer, i.e., a Secretary-Manager. He should be possibly a young, aggressive alumnus in constant contact with the Chapter. As Secretary he keeps the minutes of the meetings and other records. As Manager he finds out what ought to be done for the Chapter, wins the approval of the Board of Directors, orders the work done and pays for it with a check signed by the President and Treasurer.

5. There is considerable confusion and lack of uniformity in practice regarding the membership of the Corporation. Some Corporations seems to have only five members who serve as Directors and are self-perpetuating. This is bad practice. The best procedure is as follows: a. Every man initiated by the Chapter, and in some instances every ΣΑΕ residing in the town which is the domicile of the Chapter, or even in the state in which the Chapter is located, are automatically members of the Corporation. Members of the Corporation elect the Directors at the Annual Meeting, and in some instances, in order to make it legal, annual dues of 25 cents are charged, and only those members who pay the annual dues are entitled to vote.

6. What does the House Corporation do? A book could be written on this subject. It is possible only to state ideal practice, which is to:

- (1) Collect all pledge fees from the ET.
- (2) Collect all initiation fees from the ET, except the \$15 initiation fee and \$10 Life Subscription to THE RECORD, which is sent to the National Office.

I realize fully that this will create consternation in some quarters; but it is sound business practice. Too many Chapters have in the past danced off of these initiation fees. In some instances they have even used them to pay for food and drink bills. In a few instances—and let us relate this to a dark and ancient period—they have even used initiation fees to make up the deficit from the preceding year! The very idea of employing sacred money to pay for some Brother's back board bill! This is contrary to every sound and good tradition of ΣΑΕ. Every Chapter should pay its own way. Initiation money belongs not to this year's Chapter, or the Chapter of the year before, but to all Chapters, present, past and future. It is the money which maintains the integrity and prestige of Sigma Alpha Epsilon on each particular campus where we have a Chapter Collegiate. This is the point where "running a racket" leaves off and "running a social fraternity" begins.

- (3) Collect all room rents.
- (4) Collect all house notes, insurance policies, donations, and similar funds, which should go into the permanent assets of the Chapter.
- (5) Use the above monies in the following order of importance:

NORTHWESTERN UNIVERSITY

By **DON GABLE**, *Editor*

DESPITE dripping brows from humidity the 21st Leadership School of Sigma Alpha Epsilon got off to an enthusiastic start at the Levere Memorial Temple in Evanston, Ill., Sunday, August 28, and began a series of fraternity activities that were to continue until Monday, September 12, involving two sessions of the Leadership School and the 99th Anniversary National Convention at the Edgewater Beach Hotel in Chicago.

For the first session of the School delegates registered in Northwestern University's new men's dormitories, Bobb Hall, overlooking Lake Michigan, and Foster Hall. Registration in the Bobb Hall lobby was handled by Miss Norma Coon, bookkeeper; Mrs. Florence Bertalot, Keeper of the Archives; Miss Leone Littlehales, of Northwestern, in charge of housing, and Mrs. Roberta Gregg; Assistant Chapter Supervisors John Baugh and Merlyn Jones; Ryan Sartor of La. Tau-Upsilon, and Harlan Peterson, S.D. Sigma, Sectional conference leaders. Dr. Chester D. Lee, *Iowa Gamma '27* (Iowa State), ESA, was on hand to greet the Chapter members, many of whom immediately donned swim shorts and took advantage of Lake Michigan after traveling.

During registration, those handling School material and presenting identification badges at the Temple were Albert J. Scotho, Chapter Supervisor; Miss Ruth

O'Malley, secretary to the ESR; Don Gable, Editor of *THE RECORD*; Joe Walt, Recorder-Treasurer of Province Iota, and Bob Blanchard, of *Wyo. Alpha*. John O. Moseley, *Okla. Kappa '16* (Oklahoma), *Calif. Alpha* (Stanford), ESR, was on hand to greet the delegates at the Temple.

First activity was the showing of ΣΑΕ motion pictures of previous schools donated by G. A. Ginter, Past ESA. The well-known Leo Terry was at his Hammond organ for a songfest prior to the opening dinner in the Temple Banquet Hall. At the main table were the faculty members and others including ESA Lee, ESR Moseley, Lauren Foreman, *Ga. Epsilon '01* (Emory), Archivist and Past ESA and ESR; Glen T. Nygreen, *Wash. Alpha '39* (U. of Wash), Scholarship Commissioner; J. Frank Lindsey, *Ind. Gamma '13* (Indiana), co-donor of the Besser-Lindsey Award; Editor Gable, Chapter Supervisor Scotho, Assistants Baugh and Jones; Conference helpers, Jay Beck of Ohio Mu, Don Bushell, Jr., of Wash. Alpha, Jim McCarthy of Ohio Lambda, and Peterson, Sartor and Blanchard; Province Iota Recorder-Treasurer Walt and William K. Fawcett, *Ind. Beta '44* (Purdue), song-leader.

Following the family style dinner for 241 ESR Moseley introduced the faculty, five members of Sigma Epsilon Chi, petitioning local from Long Beach State College, five members from the local, Kappa Delta Kap-

pa, petitioning from the University of Houston, Texas, six pledges to be initiated at the School, Conference helpers including Beck, Blanchard, Bushell, Albert R. Frederick, Jr., of Fla. Upsilon, Peterson and McCarthy, assistant song leader.

Following short talks by Baugh, Fawcett, Foreman, Gable, Jones, Mr. Lindsey, whose son Jay was introduced, Nygreen, Sartor, Scotho and Walt, ESA Lee officially welcomed the delegates to the School. Said he: "These schools are held to develop leaders now and after. These leaders contribute something to the country. Each year the group I see looks 'brighter and sharper.' Most important is to obtain good sound basic ideas to take back to the Chapters for betterment."

Memorial Service Held

Following the dinner a memorial service was held in the Chapel for those who had joined the Chapter Eternal since the last Leadership School. Presiding was ESR Moseley. Taking part in the series of prayers were Bill Brinkman of Ind. Alpha, Patrick Henry of Calif. Theta, Robert E. Fowler of Tenn. Nu, James P. McCarthy of Ohio Lambda; roll call, John B. Gray of Mass. Gamma; tributes to John Edward Slaughter, *La. Tau-Upsilon '58* (Tulane), by Elmond Webb of La. Tau-Upsilon; to Harry Agganis, *Mass. Beta-Upsilon '52* (BU), by E. Kevin O'Connor, of Mass. Beta-Upsilon,

LEADERSHIP SCHOOL

and to Admiral John H. Towers, *Ga. Phi '06* (Ga. Tech.), by Archivist Lauren Foreman.

The second prayer series included James D. Patton of N.C. Xi, Theodore J. Mesmer of Neb. Lambda-Pi, Robert C. Olsen of S.D. Sigma, and Bill Shirley of Texas Rho. Following memorial remarks by ESR Moseley a third prayer series was held including contributions by Albert R. Frederick, Jr., of Fla. Upsilon, James R. Varshay of Pa. Alpha-Zeta, Dale W. Adams of Utah Upsilon, William DeLoach of S.C. Delta and Jerold K. Smith of Kan. Beta. The memorial closed with the singing of "Friends," directed by Song Leader Fawcett.

Following the memorial service the more than 200 delegates proceeded to organization of activity groups, including The Initiation under the direction of Dr. Nygreen; Glee Club with Fawcett; Pledge Training with Baugh; *The Hustler*, school newspaper, with Editor Gable, Administration with Sartor, Work Projects with Schoth, and Luncheon Programs with Jones. Coordinators were Beck and Peterson.

Editor Gable named two separate staffs for *The Hustler* for two issues. They were Don Barney of N. Y. Delta, editor for the Wednesday, August 31 issue, and Duane Alvord and Tom Murdock of Ore. Gamma as co-editors for the Friday, September 2, issue. Other staff members for the two issues were Jerry Gaff of Ind. Delta, John Houx of N.Y. Rho, Bob Logan of Tenn. Kappa, Pete Maier of N.Y. Delta, Grant Mitchell, Vt. Alpha-Sigma Pi; Bill Knup of Pa. Delta, Calvin Webster of N.Y. Epsilon, Frank Butler of La. Tau-Upsilon, Robert Logan of Tenn. Kappa, Bob Jones of Mont. Alpha, William Milan of Wash. Alpha, and Robert Barnett of La. Tau-Upsilon.

The School officially opened on Monday morning, August 29, with the roll call in the Panhellenic Room. The roll was handled by Baugh and Sartor. ESR Moseley introduced the 14 two and three

"Stripers," who had attended previous Schools. The roll call showed 229 representatives from 85 Chapters. Largest Chapter representation was from South Dakota Sigma with eight men, followed by Alabama Alpha-Mu with seven, and Wisconsin Alpha with seven. Introduced at the School was George F. Newbrough, advisor to Vt. Alpha-Sigma-Pi at Norwich University. After various introductions and announcements, the delegates adjourned to the Chapel for a model pledging ceremony.

After presenting the proper requirements of a pledging ceremony by ESR Moseley, seven neophytes were brought into the Chapel by Pledge Trainer Baugh. The pledges were Kenneth E. Gould, Calif. Theta; Alan J. Schwind, Fla. Gamma; William S. MacNaughton, N.Y. Delta; Lloyd R. Larsen, N.D. Beta; C. Craig Tisher, S.D. Sigma; Donald W. Knobloch, Vt. Alpha-Sigma-Pi.

Taking part in the ceremony besides Moseley as Eminent Archon were Sartor as ER, Nygreen as ECH., Gable as EH, and Schoth as EW. Merlyn Jones presented the "True Gentlemen." Also the "Big Brothers" of the pledges were presented. They were John R. MaMahon, Pa. Chi-Omicron, Robert B. Barnett, La. Tau-Upsilon; Ellson Stanley, Pa. Zeta, Donald Freeman, Neb. Lambda-Pi, William E. Kugler, Colo. Chi, Robert Fowler, Tenn. Nu, Charles E. Murphey, Tenn. Kappa, John E. Cook, Fla. Upsilon, Allen H. Kitchen, Ark. Alpha-Upsilon, Jerry L. Belden, Wash. Alpha, Robert R. Taylor, Pa. Omega, Wilson F. Sweeney, Va. Kappa, Wilber R. Meredith, Ohio Rho and Stephen G. Nason, Ore. Gamma.

Late Monday morning ESA Lee gave his formal talk to the School, after being presented by ESR Moseley as "Chick" Lee, "a fraternity man's fraternity man." Said Moseley: "No Johnny come lately, he has been an ardent worker ever since he put

on the badge of ΣΑΕ, and as an alumnus has served as Chapter adviser, officer of the House Corporation, in all Province offices, and all chairs on the Supreme Council."

Stresses Scholarship

"Scholarship is one of the most important things in the fraternity and is the only way a fraternity can get solid with the administration of the college is to have a good scholarship record," ESA Lee stated. "If ΣΑΕ is as selective as we claim we are and if our selection is good and what we claim it is, then the Chapter's average should be no problem. Scholarship must be emphasized more and more, in order to make the place of fraternities secure and the Scholarship Commissioner asks that you make the all-men's average. The Leadership School is your golden opportunity to really get something that will be a life-long inspiration. You must breed good alumni through pledge training while in school."

The Monday afternoon session, following lunch at Sargent Hall on the NU campus was devoted to the very important subject of scholarship under the direction of Scholarship Commissioner Nygreen and dean of men at Kent State University. Assistant Director of Leadership Training, Nygreen pointed out the strong and weak Chapters and referred to the seriousness of certain Chapters, with responsibilities to the Supreme Council for the Chapters' particular status. He presented a 32-page report, thoroughly covering the scholastic situation. Following the report activity groups met.

Monday night started the first of a series of sectional conferences. These were led by Schoth and Sartor on finances, Baugh on Chapter Administration and organization, Walt on Rushing, Jones on Pledge Training and Peterson on Public Relations. Fortunately, just prior to the delegates' first dinner at Sargent Hall Monday night, a

storm came to break the humidity, and steady showers lasted during the evening.

The second sectional conference was held on Tuesday morning with the delegates shifting in five previously arranged groups by Chapter and type of institution with common problems.

After the conferences, the delegates had the pleasure to hear Dr. George Bowman, Sigma Nu, president of Kent State University. President Bowman quoted from a report he had made sometime ago in which he stated that the hope of the fraternity system lies on the shoulders of undergraduates and young graduates. He said that the fraternity system had improved but was certainly not perfect. Improvement has been in eight fields: relations with the college administration, scholarship, improved relations among fraternities, quality of professional fraternity leaders, abolition of hell week, quality of membership and financial assistance to undergraduate members.

"Fraternities only belittle themselves when they are content with only meeting the all-men's average on the campus," Dr. Bowman commented. "More stress should be placed on scholarship to go above that mark." After touring the Temple, Dr. Bowman had lunch at Sargent Hall with Dean Nygreen, Archivist Foreman, ESR Moseley, ESA Lee, James P. McCarthy of Ohio Lambda at Kent, and Conference Leader Sartor. During lunch Norman Hackett, retiring executive secretary of Theta Chi, stopped by to greet ΣAE while enroute to his fraternity's convention in Highland Park, Ill.

"The History of ΣAE" was presented by Archivist Foreman in the Chapel Tuesday afternoon. This was followed by a quiz for the delegates, ratings to be announced later. Editor Gable then gave a visual illuminated report on THE RECORD, after being presented by Scholarship Commissioner Nygreen. Gable had a display of Chapter publications and discussed their value and content. He announced that 133 Chapters had been represented in THE RECORD since the 1953 Convention and was disappointed that he could not make a 100 percent report. Sectional conferences were repeated Tuesday night.

Member Is Stricken

New visitors to the School on Monday night and Tuesday were Andy Hays of Utah Upsilon who had attended Schools in 1952 and 1953 and had served as editor of *The Hustler*, and Ed Pellowe, *Mich. Alpha '44* (Adrian), former traveling secretary with his wife and daughter. On Tuesday it was announced that Peter Martin, *Utah Phi '57* (Utah), had been fatally injured in an accident while working for the Utah Public Works Department, August 19. Also it was reported that Charles B. Gulley, of La. Tau-Upsilon, had been stricken with appendicitis at Bobb Hall and rushed to the Evanston Hospital early Tuesday morning for a successful operation.

Eye-opener for the third day, Wednesday, August 31, was the appearance at breakfast at Sargent Hall of the second edition of *The Hustler* of six pages. It was well planned and well edited by Don Barney of N.Y. Delta, as editor, assisted by Bob Logan, Tenn. Kappa, Bob Burnett, Pa.

SECTIONAL CONFERENCES

Delta, Jerry Gaff, Ind. Delta, Pete Maier, N.Y. Delta, Bob Clemmer, Phi Alpha Club, Bill Knup, Pa. Delta, Bill Milan, Wash. Alpha, Jack Houx, N.Y. Rho, Pledge Bill MacNaughton, N.Y. Delta, and Grant Mitchell, Va. Alpha-Sigma-Pi.

Wednesday's program started with section conferences, and later that morning ESR Moseley gave his famous talk on "The Escutcheon of ΣAE." A conference on the Initiation was staged by Scholarship Commissioner Nygreen in the afternoon. The group photograph was then taken, prior to the annual pilgrimage to the grave of William C. Levere in Memorial Park Cemetery.

In the cool of the late afternoon Song Leader Fawcett lead the delegates in "Violets" at Billy Levere's grave. A prayer in his memory was given by Ray Ashworth of Va. Tau, with Assistant Director Nygreen naming the participants. The memorial talk was given by Archivist Foreman who gave a resumé of Levere's life and his great devotion to ΣAE. Being a friend of Billy's for many, many years, Foreman pleasantly referred to some of Levere's unusual characteristics. The wreath in purple and gold was placed at the Levere headstone by Harold Allen, Jr. of Calif. Theta, Albert Frederick, Jr. of Fla. Upsilon, Thomas Dolan of Vt. Beta and Jerry Selden of Wash. Alpha, these men representing states in the four corners of the country. The group then sang "Longing," preceding a closing prayer by Ernest R. Bull, Jr. of S.C. Delta. The delegates slowly left the cemetery, singing "Friends."

"The National Program" was the theme of the Wednesday night session in the Chapel of the Temple, under the direction of ESR Moseley, whose first topic was "Decentralization," followed by discussion by the delegates. Other national problems were discussed including the "Flat Fee" membership plan proposed for the coming Convention. This brought considerable discussion among delegates how the plan would apply to a particular campus, due to

the variation in local initiation fees and other contrasting factors.

Thursday morning brought the last of the series of sectional conferences. These were followed by a talk on "The Faith of the Founders" by ESR Moseley. He was given a rising ovation for his inspirational talk. In the afternoon the Temple work projects were directed by Chapter Supervisor Schott with several undergraduate supervisors. The work included dusting the library books, washing the bookshelves and library ornaments, assembling addressed Chapter National appeals by states for September 15th mailing, stapling Scholarship reports, etc. The evening was open for delegates to go to musicals, entertainment in Chicago, etc.

Early Arrivals

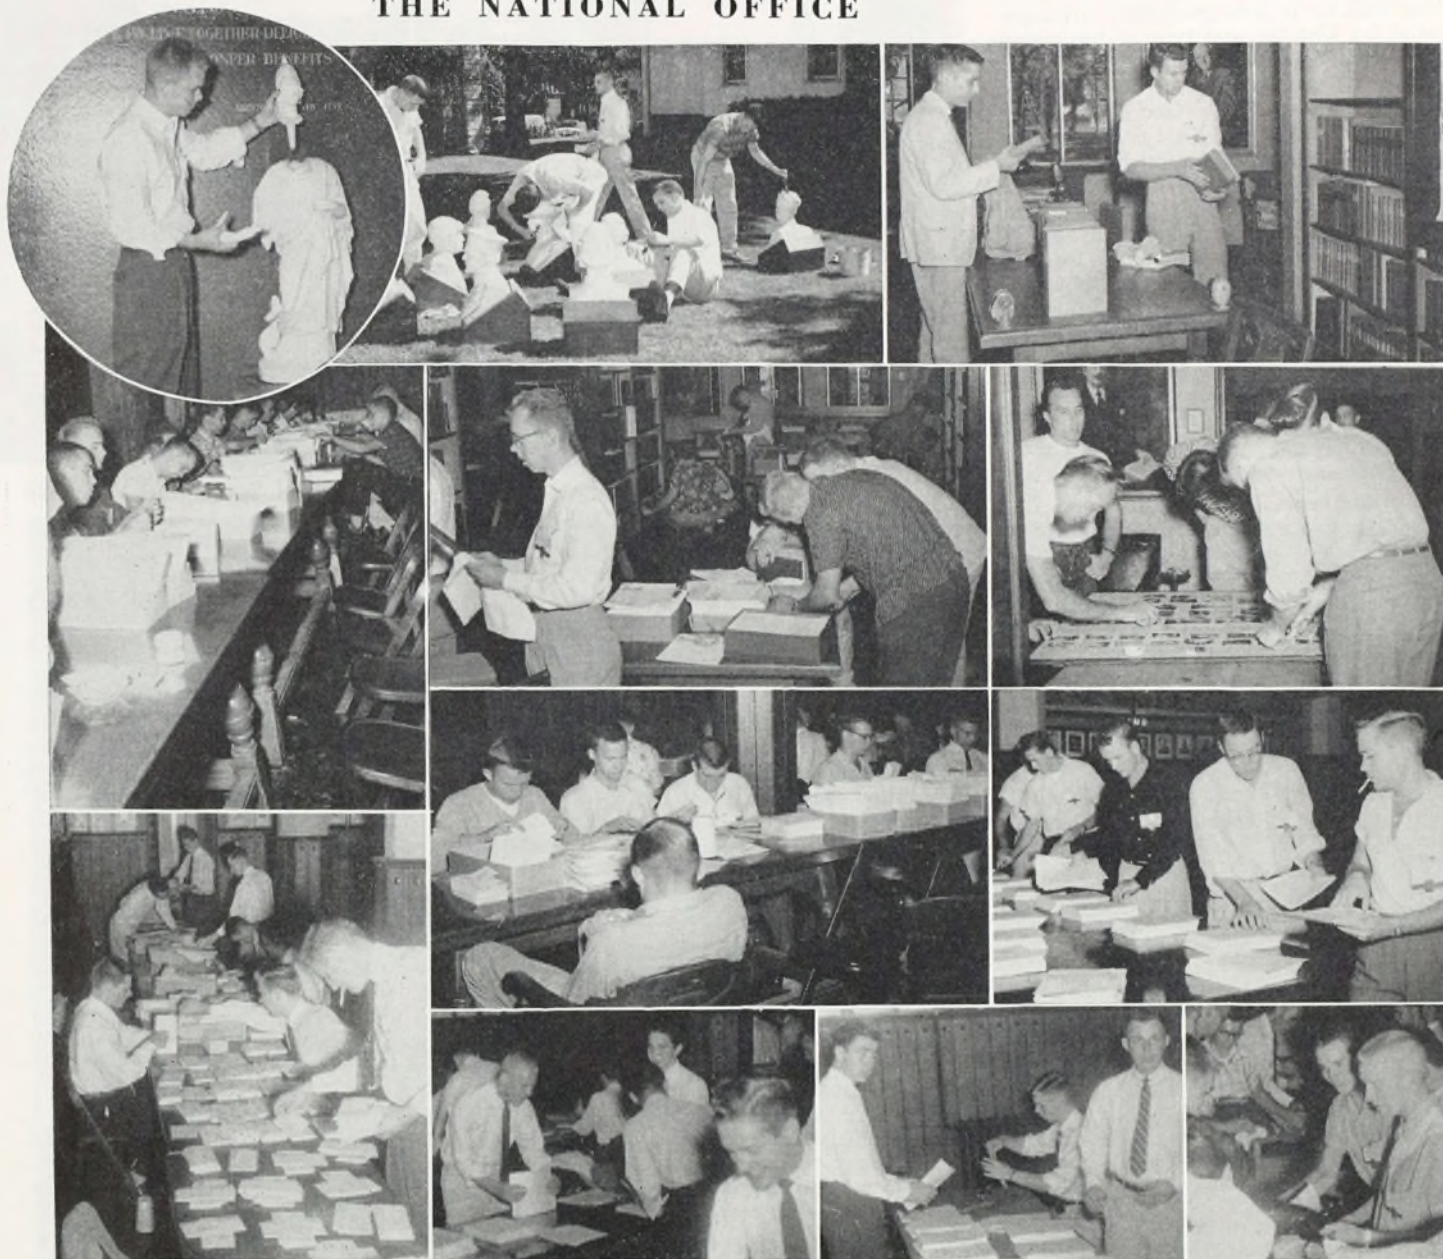

Early arrivals Thursday for the coming convention were William A. Benson, Jr., *Tenn. Nu '38* (Vanderbilt), of Nashville, Tenn., printer of THE RECORD, and his wife, Jeanne; Gene Donohue, Archon of Province Upsilon, of El Paso, Texas, and Roy Miller, Archon of Province Zeta, of Des Moines, Iowa.

On Friday morning, the closing day of the School, when Past ESAs usually "take the show," ESR Moseley referred to some of the "old-timers" who were unable to come. They were Albert Austin of New York who was confined to the hospital; Alfred K. Nippert of Asheville, N.C., who had invited any members in the area to a rushing party at his lodge on September 3; G. A. Ginter of Cincinnati; and several of the deceased such as Harry Bunting and Ken Quivey. The only Past ESAs attending were Lauren Foreman and Moseley. The ESR then introduced Leo S. Cade, *Okla. Kappa '22* (Oklahoma), ESW, of Oklahoma City; Howard P. Falls, *Va. Tau '33* (Richmond), ESH, of Richmond, Va., and Province Zeta Archon Miller. ESA Lee was also present.

This was followed by the presentation of "The True Gentle Man" by Kenneth E.

The delegates then adjourned to the Court of the Archons to witness the playlet, "The Founding of ΣΑΕ," under the direction of Joe Walt. The cast included: Riley Green of Ala. During the course of the playlet, visitors to the Temple included Frederick Harold Freman, Calif. Beta '01 (California), of Beverly Hills, Calif., Founder No. 108, and his sister.

Friday afternoon a final meeting, summary and conclusions were held in the Panhellenic Room. There the members

were given an opportunity to record their impressions of the School. This was followed by a formal initiation at the First Methodist Church under the direction of Dr. Nygreen and ESR Moseley. The initiation team included: Hugh Hamilton of Idaho Alpha, EA; Estell Brunnfield of W.Va. Alpha, EP; George Meyer of Utah Phi, ER; Stanley Ellson of Pa. Zeta, ECh.; Leonard Rise of Calif. UNDER THE DIRECTION OF CHARTER SUPERVISOR ALBERT J. SCHOTH

Peter Maier of New York Delta, Ray Burrill of Ohio Sigma, William Owen of Tenn. Kappa, sceneshifters; Walter Harris of Ala. Iota, sound effects man.

Well-Organized Dinner

A very well organized farewell dinner was held at Sargent Hall Friday night. At the head table of 24 people were: Director and Assistant Director Moseley and Nygreen; Past ESA Foreman and Charles F. Collins, *Mass. Beta-Upsilon '12* (Boston) of Boston; ESA Lee, Edward G. Hathcock, *Calif. Delta '31* (UCLA), ESDA, of Beverly Hills; ESW Cade; ESH Falls; Arthur L. Beck, *Pa. Phi '22* (Carnegie), of Buffalo, N.Y., ESCh.; Province Archons Miller, William W. Paddock, *W. C. Rho '06* (Geo. Wash.), Archon of Province Alpha, of Boston; Donohue; Fairbairn Gilkeson, *N.Y. Alpha '14* (Cornell), Archon of Province Nu, of Philadelphia, Pa.; Luther F. Taylor, *Pa. Omega '38* (Allegheny), Honorary Archon of Province Nu; Rev. Erskine M. Jeffords, *N.Y. Delta '18* (Syracuse), Chaplain of the Levere Memorial Temple; Editor Gable, Chapter Supervisors Scoth, Baugh and Jones; Province Iota Recorder Walt; Song Leader Fawcett; Conference Leader Sartor and Jack Harris, *Ohio Theta '45* (Ohio State), of Springfield, Ohio, former National Treasurer.

Entertainment was given by the Glee Club under the direction of Fawcett. Songs were lead by Walt Sullens of Calif. Delta, Don Bushell of Wash. Alpha and Tom Kramer of Wis. Alpha. Applause was given to Willard Buntin, Miss Littlehales and Miss Weaver of the Northwestern University staff for their co-operation. Faculty members were asked by Nygreen to stand for applause for their work during the week. Nygreen then introduced members of the Supreme Council and others at the head table. Others introduced were the new initiates, who gave reactions to their experiences of the School, supervisors of the work projects, playlet cast, etc.

The trophy for the best scholarship in a Chapter for the school year, 1953-54, was presented to Martin Bassett, Jr., representing Indiana Gamma, which ranked first in 26 fraternities on the Indiana University campus. The Chapter also was approximately 20 percent above the all-men's average. A permanent plaque was also presented to this Chapter as the trophy is rotating, formerly being held by S.C. Delta.

Nygreen then introduced "Judge" Newbrough, Vt. Alpha-Sigma-Pi adviser. He stated that the School had brought a vision, referring to the sectional conferences, lectures, etc., as a combination of concrete ideas and inspiration to take back a "vision" to Vt. Alpha-Sigma-Pi. "This 'vision' should help the Chapter with its present problems in a military school and may solve some of its difficulties under the present circumstances."

Representatives of the petitioning locals at Texas Christian, Rippon and Long Beach were asked to give their reactions to the School. This was followed by the introduction of Clifford Anderson Lanier, IV, of Ala. Mu, of Montgomery, the fourth in a family line of members of the fraternity with the same name. He was presented by Archivist Foreman.

Among the delegates whom Nygreen se-

lected at random to give their reactions to the School was Estil Grant Brumfield of W.Va. Alpha, who stated: "My definition of ΣAE and the School is 'undefinable emotionalism'."

Giving his swansong as retiring ESA as far as the Leadership School was concerned, Dr. Lee stated that the delegates were the best group he had seen thus far. "You have been more attentive, more interested, and you have found an important contact, an association with members throughout the country that can do nothing but help the Chapters," Lee said.

Prior to issuing diplomas for attendance, ESR Moseley called for a tribute to Assistant Director Nygreen as the man who had "worked night and day." Then birthday greetings were extended to ESA Lee whose anniversary came the following day

but he stated in his thank-you that he was only "39." Leo Terry at his Hammond organ and who claimed he was a ΣAE "by habit" was given applause. The first session of the 21st School closed with "Friends" led by Songleader Fawcett, a "six striper" at the schools.

The third issue of volume six of *The Hustler* appeared Friday morning and consisted of eight pages. It featured the initiation, banquet and introduction to the Convention. Editors applauded at the farewell banquet were Duane Alvord and Tom Murdock of Oregon Gamma along with their staff.

SPEAKERS, VISITORS - ΣΑΕ INTERFRATERNALLY

September 7, with 119 members in attendance and amidst cool breezes at the Levere Memorial Temple, with 135 members being served at the dinner at 6 o'clock, following the close of the 99th Anniversary National Convention at the Edgewater Beach Hotel.

Following a songfest accompanied by Leo Terry at the Hammond organ, ESR Moseley, who had been re-elected at the Convention, introduced the veterans of the School, conference leaders and helpers, including a new one, Gilbert Haslam, of Okla. Kappa, five pledges (three to be initiated), the faculty including Chapter Supervisor Baugh, the new ESH, Art Beck; Cade, the new ESDA; Past ESA Foreman,

Editor Gable, Chapter Supervisor Jones; Arthur H. Knox, III, Psi-Omega '02 (Northwestern) architect of the Temple, who stated that his daughter was the first person to be married in the Temple and had become a "Daughter of Minerva" during the current convention and that his granddaughter had also been married in the Temple; Nygreen, new member of the Supreme Council as Eminent Supreme Chronicler; Conference Leader and Convention Parliamentarian Sartor; Chapter Supervisor Scoth, and Park Stickney N.H. Alpha '08 (Dartmouth), Chairman of the Levere Memorial Building Committee, who in turn introduced:

Richard W. Baldwin, Calif. Gamma '34 (Southern California), a retired Navy man of many experiences who stated: "The Lamp of Youth will never go out as long as we have another school of instruction"; Jack Harris, former National Treasurer; Ralph Carlin, Archon of Province Sigma; Charlie Blake, Tenn. Kappa '20 (Tennessee), and Organist Leo Terry.

The final introduction by Moseley was the new ESA, Edward G. Hathcock who referred to the Leadership School as the greatest institution of the fraternity. Said ESA Hathcock: "In this School, get more ΣΑΕ into the men, not more men into ΣΑΕ. The 'Old Guard' as you look around

this table gives you a heritage of leadership that you can't get without the School."

The banquet closed with the singing led by Don Bushell of Wash. Alpha. The delegates then adjourned to the Chapel for a memorial service under the direction of ESR Moseley, and in honor of those members who had joined the Chapter Eternal since the 20th Leadership School. A series of prayers were given by Thomas B. Gorman of Ind. Gamma, William J. Adams, Mich., Iota-Beta, Robert B. Sims of Tenn. Eta, Homer Brown of Okla. Mu; roll call of the Chapter Eternal by James Arbaugh, Ohio Nu; and a second series of prayers led by Arthur L. Rich, Georgia Psi, Robert F. McCoy, Ohio Lambda, John Snyder, Md. Beta, Edward B. Ging, Pa. Theta, followed by "Longing."

The third series of prayers was led by Ross J. Smyth, N.C. Theta; Hugh Coomer, Ky. Kappa, Armand Norehad, Ind. Beta, Robert P. Narkis, N.H. Beta, James H. Beadle, Mont. Beta, followed by voluntary prayers. "Friends" was led by Songleader Bushell and the delegates recessed from the Chapel.

After the Chapel Service the delegates met for organization of activity groups. Initiation was in charge of ESCh. Nygreen, Glee Club by Don Bushell, Pledge Training by John Baugh, *The Hustler* by Editor Gable, Leadership School Administration by Ryan Sartor, Work Projects by Schoth and Luncheon Programs by Merlyn Jones. Co-ordinator of the groups was Harlan Peterson.

After a meeting with those who wished to work on *The Hustler*, Editor of THE RECORD Gable named James Owen Williams, of Tenn. Eta, as the editor of the two forthcoming issues of the School newsheet. Assistants included Armand Norehad, a

"three striper," of Ind. Beta, Ross J. Smyth of N.C. Theta, Charles S. Meyer of Ohio Epsilon, Robert Bell Sims of Tenn. Eta, James Malcolm Price of Texas Alpha (a journalistic major), Donald V. Miller, Wis. Alpha, Paul Hanna, Colo. Chi, and Jim Hudson, Tenn. Eta.

Pledges Presented

Thursday morning's session, September 8, started with the roll call in the Panhellenic Room of the Temple, with Chapter Supervisor Baugh and Sectional Conference Leader Sartor. This was followed by a model pledging ceremony in the Chapel led by ESR Moseley and assisted by ESCh. Nygreen, Schoth, Gable, Baugh and Sartor. The five pledges were Robert S. Vivian, Jr. of Fla. Gamma with his "Big Brothers" Walter Wilcox, Mich. Iota-Beta, and Robert Coker, Okla. Kappa; Thomas T. Thomas, Ind. Alpha, and big brothers Hon Daniel, Calif., and Wesley Thomas, W.C. Rho; Charles R. Perkins, Tenn. Eta, with Scott Pence, Ohio Theta, and Thomas L. Webb, Okla. Kappa; David Alan Jeffries, Ohio Gamma, with Sidney E. Briley, Jr., N.C. Alpha, and Rickard W. Powers, Pa. Omega, and Jack Chandler, Texas Alpha, with Jerry Butler, Tenn. Sigma, and Rod Kirk, Tenn. Omega.

The first morning session came to a close with the welcome address by ESA Hathcock. In the afternoon a conference on Scholarship was held by ESCh. Nygreen. That evening the first of the series of sectional conferences were held with Schoth, Baug, Jones, Sartor, and Peterson.

Friday morning, September 9, the sectional conferences were repeated with the delegates shifting rooms to cover other subjects on Chapter administration, rushing, pledge training public relations and fi-

nances. In the place of Joe Walt, Bob Blanchard, conference helper, took over the section on "rushing."

Analyzing the roll call of the two sessions of the 21st School, it was learned that for the two sessions there were 348 representatives from 126 of the 136 Chapters, the first session attracting 229 from 85 Chapters and the second totaling 119 representatives from 58 Chapters. Chapters not represented at either one of the sessions were California Iota, Florida Alpha, Massachusetts Kappa, Michigan Alpha, New Hampshire Alpha, New Mexico Tau, New York Mu, Pennsylvania Sigma-Phi, Rhode Island Alpha and Virginia Omicron, 10 in all.

on general fraternity policy and the fraternity's relation to the college and university. In the afternoon, despite the sudden change from cool weather to prohibitive humidity, Archivist Foreman spent an hour on the history of the fraternity. After a history test, directed by ESR Moseley and John Baugh, the delegates then heard Editor Gable with his illuminated illustrations of details concerning THE RECORD. He discussed qualifications of material for the magazine and made a general issue of

Chapter publications. The evening was spent with another round of sectional conferences.

The Saturday morning session opened with the presentation of *The Hustler*, Vol. 6, No. 5, under the supervision of the Editor Jim Williams, Tenn. Eta, and his staff. The fourth of the series of sectional conferences was held. Then came "The Escutcheon of ΣΑΕ" by ESR Moseley, which was enthusiastically received.

Temple work projects were held in the Temple Saturday afternoon under the direction of Chapter Supervisor Schoth. The members formed "chain gangs" to assemble and staple multilithed copies of the pledge test, packaged them and sorted and bundled the Chapter National appeals for mailing on September 15.

The projects were slightly interrupted in order to have the group photograph taken in the Court of the Archons before rain. Because of showers the pilgrimage to the grave of William C. Levere was postponed until Monday, September 12, following the planned initiation. The evening was open for the members' own entertainment.

"The Faith of the Founders" was the title of ESR Moseley's talk on Sunday morning, September 11, in the Panhellenic Room. Attendance was small due to the previous night being open and the fact that many members attended church services of their various denominations, including the St. James English Lutheran Church which holds regular services in the Temple Chapel each Sunday.

"The word faith is the keynote of my talk on the Founders," ESR Moseley stated, "as the Founders depended on faith. Man by himself can do nothing, but he who is bound by fraternity affection can go for-

ward," the ESR said. "Fraternity is made up of men who can differ without a real difference. That is real fraternity. The Founders, altho very young, set a tradition of scholarship, which we should follow."

Sunday afternoon a conference on The National Program was held in the Chapel. The session started off with words by ESR Moseley and was followed by ESA Hathcock who discussed the "Initiation Flat Fee" which had not been successful at the Convention. He pointed out the history of the flat fee system and stated how it had been proposed from the beginning and its progress. It was indicated that it was a step in the right direction for the future.

Later in the afternoon (Sunday) ESCh. Nygreen led an illustrated discussion on the initiation assisted by Conference Helper Peterson and various Chapter representatives who donned the initiation robes. The afternoon closed with a sound movie of the Olympic Games provided by Doug Wilson of the Committee on the Big League. Reference was made to Avery Brundage, III, Beta '09 (Illinois), head of the American Olympics Games Committee.

Monday, the closing day of the second session, started off with a talk by ESR Moseley on the "Essentials of Leadership." Highlight of the morning was the presentation of Richard Kinney, *Ohio Sigma '54* (Mt. Union), blind and deaf, who was graduated last June with honors, and one of the highest point averages in the history of the school. He gave a stirring message to the delegates on how the fraternity had helped him with his handicaps. Later he was interviewed by National Officers and Chapter members in the office of the ESR with the aid of a typewriter transcription machine which he placed on his knees. The typing sensation thru his body allowed him

to converse with members. He has been invited to return to the School next year.

Present "True Gentlemen"

Late Monday morning five members gave "The True Gentlemen" and were presented with framed certificates by ESA Hathcock. They were: Robert R. Vivian of Fla. Gamma, Thomas T. Thomas of Ind. Alpha, David A. Jeffries of Ohio Gamma, Charles R. Perkins, Tenn. Eta, and Jack D. Chandler, Texas Alpha.

In the afternoon a final meeting, summary and conclusions were held under the direction of the ESA, ESR and the ESCh. A model initiation was held for three neophytes at the 1st Methodist Church. Those initiated were Robert Vivian of Fla. Gamma, Charles Perkins of Tenn. Eta, and Thomas T. Thomas, III, of Ind. Alpha, son of Chelsey H. Thomas, Ind. Alpha '25 (Franklin), Ind. Gamma (Indiana), who placed the badge on his son.

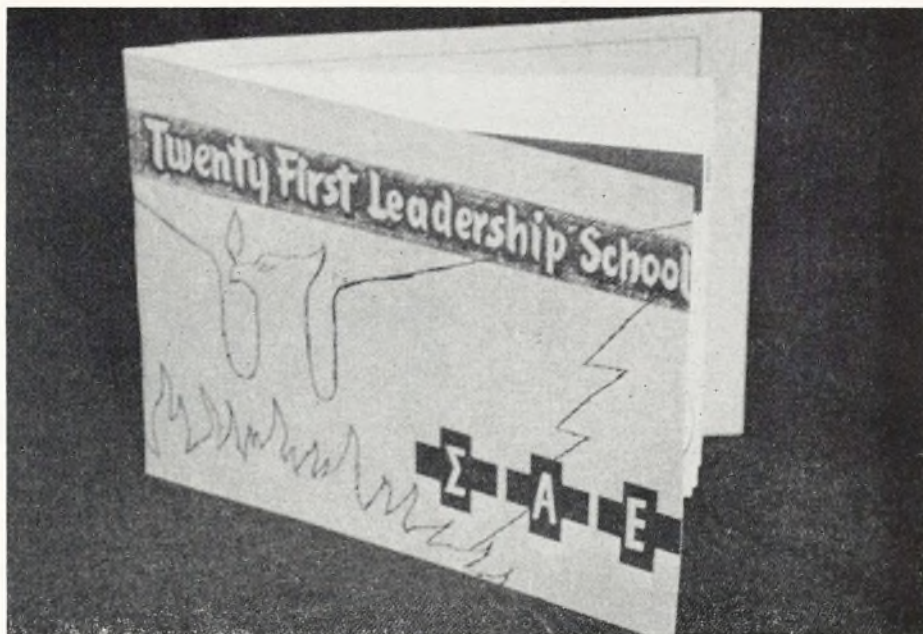

These new members were welcomed at the farewell dinner in Sargent Hall Monday night. ESR Moseley referred to the Leadership School as a happy occasion of "hellos and goodbyes." He then called on ESCh. Nygreen to present the initiation team and Conference Helper Peterson who so capably assisted Nygreen in preparation for the initiation. The team consisted of Bob Sims of Tenn. Eta, EA; Jim Hudson of Tenn. Eta, Hon. EA (the Oath); Jim Beadle of Mont. Beta, EP; Bill Adams of Mich. Iota-Beta, EH; John Miller of Ohio Tau, EW; Ramon Booth of Pa. Omega, ER; Fred Mills of Okla. Kappa, ECh.; Alex Fakadej of Va. Kappa, Chaplain; C. A. Smith of Kan. Alpha and Charles Jobe of Okla. Kappa, handclaspers; Ron Orndorff of Wis. Phi and Bill Ainsworth of N.Y. Alpha, expellers; Gary Schneider of Mich. Iota-Beta, expellee; Wally Wilcox of Mich. Iota-Beta, corpse; Bob Hantel of Ill. Delta, yell leader; Ed Ging of Pa. Theta and Ted DuBois of Wis. Phi, Bill Elliott of Mich. Iota-Beta and Don Wood of Calif. Gamma, sceneshifters.

ESR Moseley then referred to the work projects and thanked the delegates for their contributions to the Temple airconditioning fund (the first session had collected \$145.00 and the second session raised \$76 prior to the Monday afternoon initiation, and the ESR reported more than \$3,000 in the fund). Jim Williams of Tenn. Eta, editor of *The Hustler* staff was presented and Williams expressed his thanks to his helpers and Editor Gable. The sixth issue of *The Hustler* and the second edited by Williams appeared Monday morning.

Scholarship Winner

The ESR then introduced Alex Fakadej of Va. Kappa, winner of the 1955 Lt. Fred E. Hummel, Jr., Memorial Scholarship award from Mr. and Mrs. Fred E. Hummel in memory of their son, Lt. Fred E. Hummel, Jr., Va. Kappa '48, the fraternity's 34th Gold Star in the Korean War.

ESR Moseley introduced Bob Kirk of Tenn. Omega who had made the first contribution to the Newton Nash Clements Founder Membership. Clements, Ala. Mu '58 (Alabama), was the fraternity's first pledge. Moseley then introduced the faculty at the head table including Gable, Blanchard, Schoth, Arthur Knox. Nygreen, Baugh, Jones, Bushell and Peterson. He asked the School to recognize Gable, Pe-

terson and Blanchard for their work as photographers.

Appreciation of the School was expressed by Milton Wordal of Mont. Beta, Art Rich of Ga. Psi, Bill Evans of Calif. Alpha, C. A. Smith of Kan. Alpha, Ray Thibault of Maine Alpha, Bill Adams of Mich. Iota-Beta, Jim Hudson of Tenn. Eta, pointing out that his Chapter had a total of nine delegates to the Leadership School and Convention.

The School gave a salute to ESR Moseley for having originated the Leadership School Training plan and he in turn gave credit to his assistant director Nygreen who referred to the School as being a two-way proposition and encouraged delegates to give courtesy and attention to college and university administrators and tell them about the work of the School. Nygreen also referred to how the meeting of Blind Dick Kinney had touched him, showing what ΣΑΕs could do for others.

Hathcock Acclaimed

Main speaker for the final banquet was ESA Hathcock who gave an inspiring message. Said he: "I have attended some 13 or 14 Schools, and each time I get a little more from them. Here you find the National and Province officers and others working in the interests of the fraternity in a democratic process. Knowing how to be leaders is not enough, you must have the spirit to do the job. Ideals pull us through our tasks. Ideals are like stars which you can't reach but they serve as a guide to us toward our goal. The School makes you go back home with a clearer view of fraternity." ESA Hathcock's message met with long standing applause.

The Glee Club under the direction of Don Bushell sang several songs including "When Our College Days Are Through," by Stanton Rice, II, Wis. Alpha '54 (Wisconsin). Thanks were expressed to Leo Terry, "our adopted brother," with his Hammond organ, and the school closed with "Friends" and the issuing of Leadership School diplomas.

No doubt in the next 100 years there will be changes in the procedures and policies of Fraternity House Corporations. Perhaps even the question of membership will be of concern. Or this difficult and delicate problem may very well be shared with the Chapter Collegiate by an Alumni Commission, which is the subject of the next article in this series on DECENTRALIZATION. After all, it is a fraternal organization which we are trying to maintain. What affects one affects all. The Big Brother in the alumni ranks should be just as much interested in maintaining the prestige of the badge wherever that badge is worn and by whom it is worn as the Brother in the active Chapter. By the same token, he should be equally solicitous of his chapter's financial stability, good housing, scholarship, and character development. Such is the task of the House Corporation of the future!

Yours in Phi Alpha,

John O. Moseley

In order to assist delegates in travel problems to the 99th Anniversary National Convention in Chicago last September Quality Courts United of Myrtle Beach, S.C., provided 1955 Quality Courts United Guide Books to the Eminent Archons of ΣΑΕ Chapters and to National Officers. The books were accompanied by a letter to the EAs, congratulating them on the fraternity's 99 years of continuous constructive organization which has made ΣΑΕ one of America's leading fraternities. Mrs. Constance Humphrey Cole suggested this service to William A. Kimbel, Quality Courts Director of Public Relations. Mrs. Cole comes from a ΣΑΕ family as her husband is Cecil D. Cole, *Pa. ger's brother Eric, are all alumni of *Pa. Chi-Omicron*. More than 450 Guide Books were distributed.

Hear Those Beautiful Songs!

With Christmas just around the corner, here is a timely suggestion that the official record album of Sigma Alpha Epsilon songs makes an ideal gift for ΣAEs, their parents and that special friend.

The album of record songs is exceptionally well done and contains such ΣAE favorites as "Violets", "Friends", "Hail to the Purple", "Sing, Brothers, Sing", "Dear ΣAE", "Yours in the Bonds", "ΣAE Sweetheart", "ΣAE Grace", "Illinois Theta Marching Song", "Longing" and "Come Sing to Sigma Alpha Epsilon".

The album with its attractive four-color jacket is available in 45 RPM, 33 $\frac{1}{3}$ RPM, and 78 RPM speeds and sells for \$3.95, which includes taxes and postage.

A coupon for convenient ordering is on this page, or one can write direct to SONGS OF ΣAE, 861 Seward Street, Hollywood, California.
