109th ANNIVERSARY NATIONAL CONVENTION IN ATLANTA, GEORGIA

Sessions To Be Held at Biltmore Hotel, June 20-23, 1965

FOR THE SEVENTH TIME Atlanta, Ga., is the site of Sigma Alpha Epsilon's National Convention. This, the 109th anniversary session will be held at the Biltmore Hotel, Sunday through Wednesday noon, June 20 to 23, 1965. Former conventions were in Atlanta in 1872, 1881, 1886, 1891, 1906 and 1924.

Co-chairmen of the Atlanta Convention Committee are John R. Maddox, III, and William A. Dunlap with the help of members of the Atlanta Alumni Association. The committee includes such outstanding Σ AE workers as Robert L. Cousins of the Extension Investigation Committee; Dudley L. Moore, Deputy Archon, and John B. Warren, Georgia Alumni Secretary of Province Epsilon.

Unique this year will be a complete change in convention procedure with the distribution of the officer, standing committee and financial reports in loose-leaf form at the time of registration. There will be panel discussions and presentation of awards during the business sessions. Details are being worked out by Rex A. Smith, ESR, and the National Office staff.

Registration will take place on Sunday morning, June 20, in the Petite Lounge on the lobby floor of the Biltmore. It is expected that some 400 registrants will receive certification, convention tickets and necessary material at that time.

Honorary ESA Ivan Allen, Jr., Mayor of Atlanta, will give the welcoming to the delegates at the opening session Sunday afternoon. That night at a buffet supper on the Garden Terrace Dr. Glen T. Nygreen, ESA, and the other members of the Supreme Council will be present to greet all Chapter and alumni representatives and their ladies.

The business sessions will commence Sunday afternoon and will conclude by noon on Wednesday, June 23, at which time convention mileage checks will be issued by the ESR and National Treasurer. Every delegate will be assigned to a committee and assignment information will be available at the time of registration.

Monday night all delegates and ladies will be the guests of Mayor Allen at an outdoor barbeque on his estate. Buses will be provided for all, thus autos will not be necessary.

On Tuesday night the convention banquet will be held at the Biltmore, followed by a dance. Banquet speakers will be announced in the May issue of THE RECORD. Dates for the dance will be provided for undergraduates by members of Georgia Beta, Epsilon, Phi and Psi living in the Atlanta area.

During the convention a special luncheon will be held for the ladies, followed by a tour of Atlanta and Stone Mountain. A hospitality room will be maintained on the mezzanine floor of the Biltmore during the three-day period for the ladies.

Information concerning hotel reservations and credentials will be sent directly from the National Office in April to those entitled to seats in the convention and others who plan to attend.

Convention Chapter Awards

Excerpt from the National Laws

TITLE XVIII—TROPHIES

ARTICLE 73.—HOW AWARDED.

Sec. 227. Trophies. At every National Convention, the following trophies shall be awarded to Chapters Collegiate selected from among those entering the several competitions and meeting the conditions prescribed:

(1) The Scholarship Cup, offered by the Washington Alumni Association, on the recommendation of the Scholarship Commissioner, said cup to become the permanent property of any chapter which wins it three times;

(2) The Scholarship Improvement Cup, on the recommendation of the Scholarship Commissioner, to become the permanent property of the Chapter which wins it at each Convention;

(3) The Chapter Efficiency Cup, on the recommendation of the Eminent Supreme Recorder, said cup to become the permanent property of winning Chapter at each National Convention;

(4) The Chapter Publications Cups, one for newspaper-type publication and the other for magazine-type publication, upon the recommendation of the Editor of THE RECORD to the Convention Publications Committee, said cups to become the permanent property of the Chapter or Chapters which wins or win them at each Convention;

(5) The Scrap Book Cup, on the recommendation of the Convention Scrap Book Committee, said cup to become the permanent property of any winning Chapter.

Chapters that have not already submitted copies of their publications since the 1963 Convention should do so prior to the June Convention. Chapters taking part in the scrap book competition must have their books on display at the Convention in Room 1007 at the Atlanta Biltmore Hotel.

1965 NATIONAL CONVENTION FUND

THE CONVENTION FUND, to be divided among eligible delegates in attendance at the 1965 Convention, will amount to \$30,737.48. As established in Section 38 of the National Laws, "Until June 30, 1964, twelve percent of all monies received from National Dues from Chapters Collegiate shall be set aside for a Convention Fund. After June 30, 1965, five dollars (\$5.00) out of each initiation fee received from Chapters Collegiate shall be set aside for a Convention Fund."

Delegates eligible to share in the Convention Fund include all Past Eminent Supreme Archons, the Supreme Council, the Eminent Supreme Recorder, the Honorary Eminent Supreme Archon, the Scholarship Commissioner, one delegate from the Board of Trustees, the Director of Leadership Training, the Chairman of the Extension Investigation Committee, Province Archons or Deputy Archons in the absence of the Archon, and one delegate from each Chapter Collegiate. Alumni Association delegates do not share in the Fund.

Each of the 183 delegates entitled to a share in the Fund this year will receive the equivalent of \$10 per day or a total of \$30.00. This \$30 will not be given to the delegate, but rather will be used to pay his Registration Fee. Registration Fees for the 183 delegates amount to \$5,490, which when deducted from the total Convention Fund, leaves a balance of \$25,247.48 to be distributed for mileage allowances.

Each delegate will receive a proportionate mileage allowance for the distance he travels in relation to the total distance traveled by all delegates. The *Standard Highway Mileage Guide* of Rand McNally & Co. was used to determine the one-way mileage to Atlanta from the delegate's home, or in the case of chapters from the city in which the chapter is located. The total mileage thus determined is 182,949 miles, allowing approximately 14 cents per mile.

Shown below is a breakdown of the Convention Fund:
 Total Convention Fund \$30,737.48
 Registration Fee; 183 delegates @ \$30 5,490.00
 Available for Mileage Allowances \$25,247.48
 $\$25,247.48 \div 182,949 = \$.14$ (Approximate figure)

The distribution of mileage checks will be made after adjournment of the final session of the Convention and they may be cashed at the Biltmore Hotel. Chapter delegates should be particularly aware that their mileage check will be made payable to the chapter and is the property of the chapter. The chapter should make arrangements with its delegate regarding any additional expense incurred or any unspent portion of the mileage check. Delegates should be prepared to pay their expenses to Atlanta and through the days of the Convention.

As stated earlier, the \$30 registration fee will automatically be paid by the \$10 daily allowance for delegates entitled to a share in the Convention Fund. However, Alumni Association delegates and alternate Chapter and Province delegates will have to pay the \$30 registration fee. Among other things, the registration fee includes the Sunday evening terrace buffet, the Monday evening bus transportation and barbecue, and the Tuesday night banquet and dance. The registration fee for ladies will be \$20.00, which includes the above events and the special luncheon and tour mentioned on the first page.

If a delegate does not attend or is not eligible to be seated in the Convention, his share of the Fund shall be forfeited to the Student Loan Fund as provided in the National Laws. Any chapter not represented at a National Convention by a regularly elected delegate shall pay a fine of \$25.00 unless excused by the Convention.

The checks given to delegates at the Convention will be for the amounts indicated in the table below:

Convention Committees

IN ALL deliberative assemblies, the preliminary work in the preparation of matter for their action is accomplished by means of committees. In order to acquaint the delegates to the 109th Anniversary National Convention of Sigma Alpha Epsilon with the committee structure which has evolved through the years, a short resume of some of the major committee functions is presented:

FINANCE—The Finance Committee examines the operating and financial statements for the biennium preceding and approves a budget presented by the Eminent Supreme Recorder for the next two-year period. It also examines the financial reports of the Board of Trustees. It reviews the overall financial management of the Fraternity and makes any suitable suggestions for increasing the amount of support and improving the general operations.

NATIONAL LAWS—All proposed changes to the National Laws which are presented in this Phi Alpha are considered by the National Laws Committee and a recommendation on each is made either for or against adoption.

STATE OF THE ORDER—This Committee considers matters presented at previous Conventions and by members of the existing Committee relative to the general welfare of the Order and makes recommendations for the continued advancement of the Fraternity.

EXTENSION—The eight locals that are petitioning the Convention will first be considered by the Extension Committee. A thorough investigation is conducted by this Committee and a recommendation either for or against granting a charter is presented to the Convention.

SCHOLARSHIP—From information supplied by the Scholarship Commissioner, this Committee selects the recipients of the various Scholarship Awards, reviews the scholastic position of the Fraternity, and makes suitable recommendations for improvement.

In addition to the above, other Committees appointed are: Alumni, Credentials, Convention Fund, The Levere Memorial Foundation, Publications and Scrapbooks, Reinstatements, Resolutions, Rules and Order, and Time and Place. All of these committees serve to expedite the work of the Convention.

If any delegate desires membership on a particular committee, he is asked to submit his request to the Eminent Supreme Recorder. Every effort will be made to honor such requests when the committee assignments are made.
