ESR HOTALING WEDS

The First Congregational Church of DeWitt, Iowa, was the scene July 10 of the marriage of Eminent Supreme Recorder Jack R. Hotaling and the former Virginia Anne Hilmers.

As you might well imagine, Sigma Alpha Epsilon was well represented in the wedding party.

Brother Richard W. Hotaling, brother of the bridegroom, served as Best Man. Brothers James D. Peterson and Carl P. Kimball, Archons of Provinces Rho and Chi respectively, served as Groomsmen. Ushers included the following Brothers: ESDA Joseph A. Mancini, Province Eta Archon Rod Morris, former Chapter Consultant Richard L. "Skip" Moore, Jr., Chapter Consultant W. Charles Witzleben, and Leslie H. Read.

The organist for the ceremony was Province Beta Archon Dr. Fred D. Phelps. The soloist was Mrs. Thomas R. Kee, wife of Province Archon Tom Kee.

Mr. and Mrs. Hotaling are residing in Evanston.

Our very best wishes for a lifetime of happiness.

RUFFLED FEATHERS

This interesting letter was received by yours truly from Brother Bill Friel, a member of our fine Pennsylvania Delta Chapter at Gettysburg College. It reads:

"I am writing to you regarding an article that was placed in The Record. The February issue, volume 91, has an article entitled, 'Ohio Sigma . . .First in the North' on page sixteen. It was stated that the Pennsylvania Delta Chapter at Gettysburg College has been disbanded and re-

turned its charter. The truth is that Pa. Delta was founded in 1883 but it is very wrong that we have been disbanded. We are and always have been the 'first' in the North, not Ohio Sigma. We are proud of that honor and wish that the error be corrected.

"As far as our chapter being active, I will state a few examples to verify this. First of all, the Eminent Supreme Archon, Brother Jacob, spent Founders Day weekend with us and replied that he enjoyed himself. Don Cramer, a member of our chapter, has just flown to Auburn, Mississippi, to wrestle in the NCAA Championships. He has recently won the Middle Atlantic Conference Championship at 177 lbs. As our house as a whole is concerned, we've just received the 'All Sports' trophy regarding intramurals at Gettysburg, by defeating thirteen other fraternities.

"In closing, I just wanted to wake you up concerning the situation at Pa. Delta. I'm sure you can see why some feathers were ruffled after reading your article. I hope this letter will clear things up!!!"

I certainly appreciated your letter, and I will attempt to clarify what I have written. I acknowledge that Pennsylvania Delta was founded two years before Ohio Sigma. But I would like to call your attention to pages 181 and 182 of The Phoenix, the Pledge Manual of SAE. It states, and I quote, "I early learned also that our first Northern chapter at Gettysburg had died because the convention at Athens, Ga., in 1884 had debated violently whether Pa. Delta's charter should be withdrawn and Northern extension be abandoned. There was then present as the first delegate from a Northern chapter to an SAE Convention a member of Pennsylvania Delta who had traveled a thousand miles. Although the attack was defeated the sting was still there, his spirit was chilled, he returned home discouraged, his chapter disbanded and returned its charter."

If you read on, you will see that Ohio Sigma did not disband, and although the Pennsylvania Delta charter was returned later, I'm sure you will agree that Ohio Sigma has been the oldest existing Northern chapter in the Realm of Minerva.

If any feathers were ruffled, I sincerely apologize. And I acknowledge that our Gettysburg chapter is one of the finest in Minerva's wide realm. Phi Alpha!

FUND IS ESTABLISHED

The Brothers of California Alpha at Stanford University have established the Jimmie Justus Brown Memorial Book Fund. Brother Brown joined the Chapter Eternal last October after a two-year battle with cancer.

Under the fund, for each donation received, a new book will be placed on shelves of the Stanford Library, with a bookplate bearing the inscription "Given in Memory of Jimmie Justus Brown by—name of contributor." At least one book will be plated for each contribution received regardless of the amount.

Contribution can be sent to the Jimmie Justus Brown Memorial Book Fund, Stanford University, Stanford, California 94305. All contributions will be acknowledged by the Library.

CONVENTION REPORT

NEW SUPREME COUNCIL ELECTED, SIX CHARTERS GRANTED BY DELEGATES AT 115TH ANNIVERSARY NATIONAL CONVENTION IN RICHMOND, VIRGINIA

Convention Chairman C. A. "Jack" Wharton, Jr., Tulane '37 (La. Tau-Upsilon), has a reason for the big smile. The long months of planning allowed the Convention and the many activities to go off without a hitch. Thanks, Brother Wharton, for a job well done.

The 115th Anniversary National Convention of Sigma Alpha Epsilon is history.

Highlight of the four-day meeting that brought undergraduate and alumni delegates from 46 states to the John Marshall Hotel in Richmond, Va., was the passing of the reins of the Fraternity from a Starkville, Miss., educator to a Kalamazoo, Mich., businessman.

Robert P. van Blaricom, Ohio State '33 (Theta), was unanimously elected Eminent Supreme Archon, succeeding Paul B. Jacob, Jr., Mississippi State '44 (Theta), during the Tuesday afternoon session.

Joseph A. Mancini, Cincinnati '35 (Ohio Epsilon), of San Francisco, was elected Eminent Supreme Deputy Archon, and Russell P. Heuer, Jr., of Philadelphia, was elected Eminent Supreme Warden. Both ran unopposed.

A story concerning the election of two new members to the Supreme Council appears elsewhere in The RECORD.

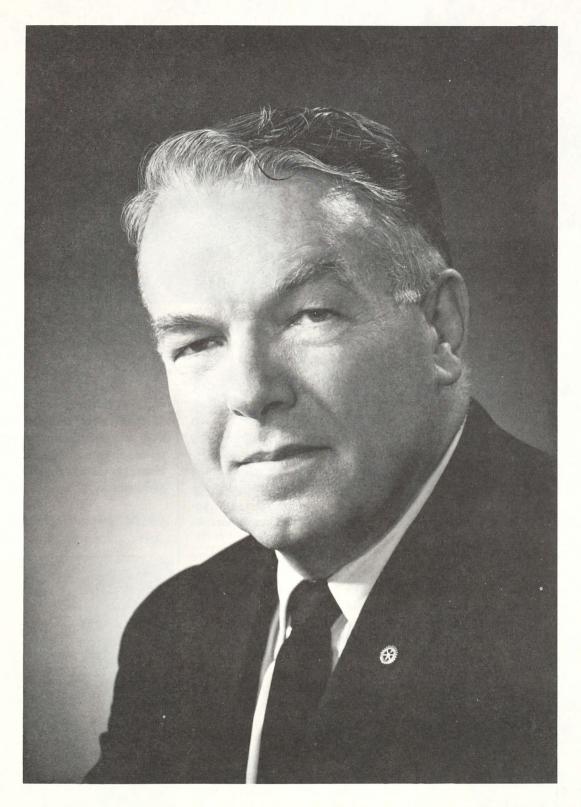

Before getting into the details of the Convention proceedings a special word of thanks must go to the Richmond Alumni Association, Convention Chairman C. A. "Jack" Wharton, Jr., Tulane '37 (La. Tau-Upsilon), and Mrs. Elsa Falls, Minerva Club President and wife of Province Gamma Archon, Donald P. Falls, for providing an outstanding array of banquets and special activities for delegates and wives.

Registration for delegates began Sunday morning. Early arriving Archons, Past ESAs, and National officers and staff met Saturday afternoon in an informal session before departing for Hollywood Cemetery in Richmond to visit the grave of Founder Abner Patton. Past ESA Roy L. Miller, Drake '27 (Iowa Delta), gave a brief talk, a prayer was offered by Hootie Johnson, delegate from Alabama Mu, and a wreath was laid on the grave by Past ESA Jacob.

The welcoming address opening the 115th Anniversary National Convention was delivered by Brother W. Stirling King, William and Mary '26 (Va. Kappa), former Mayor of Richmond and Archon of Province Gamma from 1932 to 1937.

The convention floor is a busy place, as delegates move about seeking out votes for a particular candidate, a friend from last year's Leadership School, or the morning paper to catch up on the latest baseball scores.

EMINENT SUPREME ARCHON ROBERT P. VAN BLARICOM

Nothing like a song to get things started. Here, former Chapter Consultant and now Province Mu Archon Tom Kee strikes up "Come Sing To." ESA van Blaricom lends his voice too.

Response to Brother King's remarks were made by Past Honorary ESA Norman H. Pritchard, Franklin '04 (Ind. Alpha).

Dr. Charles Wellborn, who was initiated at the 1969 chartering of Tennessee Beta at Middle Tennessee State University, delivered a stirring keynote address. He is presently a Professor of Religion at Florida State University.

Brother Jacob then announced the formation of a special committee, to be chaired by Past ESA Gurnett Steinhauer, to study and recommend action on the problem of the shocking decline in the number of initiates per chapter SAE has been experiencing in recent years.

It was noted that a decline of approximately eight (8) members per chapter had been noted during the last five years. The financial loss to the National Fraternity was said to be approximately \$110,000.

The report of this committee will appear in a later issue of The RECORD.

The Chapter Publications and Scrapbook Committee, co-chaired by Province Omega Archon Ralph L. Recor and Stephen A. Lieberman, Colorado School of Mines (Lambda) awarded the trophies to the following Chapters:

Sigma Gamma Sigma Brothers from Morehead State University have just been told they have been granted an SAE charter. Good wishes are shown being extended by Province Iota Archon Dr. William Hourigan. Six new charters were granted, and each time the reaction for each group was the same as is shown here.

Scrapbook Cup, Fresno State (Calif. Iota). Honorable mention was accorded Eastern New Mexico (Alpha).

Alumni Newsletter Cup, Bowling Green (Ohio Kappa). This Chapter also won this cup at the 113th Anniversary National Convention in San Francisco in 1969.

Rush Brochure Cup, Westminster (Mo. Gamma).

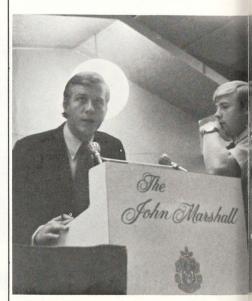

In other presentations, Dr. James B. Puryear, Mississippi State '60 (Theta), National Educational Advisor, made the following awards to Chapters for outstanding scholastic achievement:

The Washington, D.C. Alumni Association Scholarship Cup, University of California at Santa Barbara (Calif. Eta).

The Scholarship Improvement Cup, Little Rock University (Ark. Beta). Honorable mentions were accorded the University of Nevada (Alpha), Bowling Green (Ohio Kappa), University of Cincinnati (Ohio Epsilon), and Texas Tech (Alpha).

Former Chapter Consultant John H. Baugh presented the Chapter

Efficiency Cup, awarded to the Chapter who completes promptly and returns the many reports required by the National Office, to Kentucky Epsilon at the University of Kentucky.

Credentials and Rules of Order Co-Chairmen Neal T. Peterson, left, UCLA '72 (Delta) and Province Eta Archon Rod Morris confer as a question concerning a delegate's right to vote is raised from the convention floor.

For the second straight convention, Ohio Kappa at Bowling Green State University won the trophy for the best alumni newsletter. Accepting the cup from Steve Lieberman, left, is Brother Henry Dunnick.

Six local fraternities petitioned the Fraternity and sought charters at Richmond. After careful deliberation by the Extension Committee, cochaired by Past ESA Emmett B. Moore and Thomas R. Bump, General Motors Institute (Mich. Epsilon), and discussion on the floor of the convention, delegates approved charters for the following:

Sigma Gamma Sigma at Morehead State University, Morehead, Ky.

Sigma Phi Alpha at New Mexico Highlands University, Las Vegas, N.M.

Sigma Alpha Theta at Drexel University, Philadelphia, Pa.

Delta Pi Mu at Villanova University, Villanova, Pa.

Phi Alpha, a Colony at Hampden-Sydney College, Hampden-Sydney, Va

Phi Alpha at Oglethorpe University, Atlanta, Ga.

It is always a dramatic moment when each group is called down to stand before the convention delegates, and this year was no exception. Tears streamed down some of the faces of our prospective new Brothers as Past ESA Jacob told them of their acceptance and granting of a charter.

By virtue of an amendment to the national laws passed in 1967, it is the duty of the delegates to select a site for the convention four years hence.

These three Brothers were kept busy during the convention ruling on parliamentary procedure. Left to right are Past Honorary ESA and Legal Counsel to the Fraternity Norman H. Pritchard, and Convention Parliamentarians Duncan Low, Stanford '30 (Calif. Alpha), and Charles A. Sevier, Southern Mississippi '72 (Sigma).

Past ESAs earn front row seats. Shown here are, left to right, Emmett B. Moore, Dr. Robert Aurner, Leo S. Cade, Roy L. Miller, and Gurnett Steinhauer. Not shown, but present for the convention were Dr. Chester D. Lee, Howard P. Falls, Dr. Glen T. Nygreen, and Dr. Fred H. Turner.

A battle of words was waged between the forces representing Denver, Colo., and Boston, Mass., and when the smoke cleared, the delegates voted to hold the 119th Anniversary National Convention in 1975 in Denver. The 117th Anniversary National Convention will be held in 1973 in New Orleans, La.

Among the many surprises at the Convention Banquet Tuesday evening was the unveiling a color portrait of Past ESA Dr. Fred H. Turner, Illinois '22 (Beta), retired Dean of Students at his alma mater and ESA from 1943 to 1945. The portrait will be hung in the Levere Memorial Temple.

Educational Advisor Dr. James B. Puryear, Mississippi State '60 (Theta), holds the Washington, D.C. Alumni Association Scholarship Cup that was awarded to California Eta at the University of California at Santa Barbara.

Eminent Supreme Herald Dr. Louis E. Smith, Jr.

Eminent Supreme Chronicler William P. Brickle

TWO ARCHONS ELECTED TO SUPREME COUNCIL

Delegates to the 115th Anniversary National Convention elected two new members to the Supreme Council.

Due to the resignation of Dr. Neal R. Berte, Cincinnati '62 (Ohio Epsilon) from the Council because of business reasons, it became necessary to elect two members instead of the customary one.

Elected to the position of Eminent Supreme Herald was Dr. Louis E. Smith, Jr., Drake '51 (Iowa Delta), Archon of Province Tau and Registrar and Director of Admissions at Simpson College, Indianola, Iowa.

Elected to the position of Eminent Supreme Chronicler was William P. Brickle, Wofford '60 (S.C. Gamma), Archon of Province Omicron. He is associated with the South Carolina Rehabilitation Department in Columbia, S.C.

Brother Smith has served as Province Tau Archon since 1968, after serving two years as province Recorder. He holds a Master of Arts degree from Drake University

and a Doctor of Education degree from Colorado State College.

Before joining the Simpson College staff in 1966, he served as a teacher at Alleman High School, Alleman, Iowa, for two years, and principal of Indianola High School for 10 years.

Brother Brickle has been a long-time member of the Leadership School faculty, and is actively involved in the Summer Intern Counseling program of the SAE Leadership Foundation. Brothers who participate in the program work directly with Brother Brickle and the South Carolina Vocational Rehabilitation Department in Columbia.

As Archon of Province Omicron, a position he was appointed to by the Supreme Council before recently being elected to a full two-year term, Bill was directly responsible for the chartering of S.C. Nu at Clemson University.

Brother Brickle is a U.S. Army veteran and is single.

SAE Service Award Given Three Brothers

The Distinguished Service Award, the highest and most prestigious award the Fraternity can bestow, was awarded to three Brothers at the 115th Anniversary National Convention in Richmond, Va.

Selected for the high honor were Grover D. Strother, Oklahoma '11 (Kappa); Duncan D. Low, Stanford '30 (Calif. Alpha); and Gurnett Steinhauer, Denver '31 (Colo. Zeta).

Brother Strother, a resident of Oklahoma City, Okla., has an unparalleled record of continuous service and dedication to the Fraternity. Among his many SAE activities have been organizer of the Oklahoma City Alumni Association, Archon and Recorder-Treasurer of "old" Province Theta, and an organizer of the University of Oklahoma Interfraternity Council.

A pledge roommate of Brother John O. Moseley, Brother Strother has devoted his entire SAE life to Oklahoma Kappa. He was a member of the Oklahoma Kappa Board of Trustees from 1938 to 1970, and served as secretary-treasurer for nearly 30 years. He helped organize the Oklahoma Kappa Memorial Foundation, and still serves as controller. He continues to serve as financial advisor to the Chapter, preparing the budgets and audits.

Brother Strother was given the Merit Key Award in 1957, and in 1969 Oklahoma Kappa dedicated its formal living room in his honor and hung his portrait there as a symbol of gratitude.

Brother Strother retired from the First National Bank and Trust Company of Oklahoma City in 1956, but continued an accounting practice until 1970. His only business activity

now is the management of the Oklahoma Kappa Memorial Foundation.

Duncan D. Low, parliamentarian at the 111th, 113th and 115th Anniversary National Conventions and an assistant at several others, has devoted more than 40 years of his life to Sigma Alpha Epsilon.

Brother Low, who also holds a law degree from Stanford, organized the California Alpha Alumni Association in 1936 and has served as its secretary to this date. He has also served as Alpha's advisor since 1936, and has on many occasions chaired fund raising campaigns.

In 1945, Brother Low helped reorganize the San Francisco Alumni Association and is a former president. He served ten years as treasurer of Province Kappa, and is presently the Deputy Archon.

Brother Low is a practicing San Francisco attorney, and has taught full-time in the Hastings College of Law, an affiliate of the University of California. He is active in San Francisco civic affairs, and is a member of the Olympic Club and the Bohemian Club. His hobbies include travel, swimming and singing.

Gurnett Steinhauer served as Eminent Supreme Archon from 1965 to 1967. A resident of Golden, Colo., he is Vice President for Business Affairs at the Colorado School of Mines.

Long active in SAE affairs, Brother Steinhauer served two terms as Archon of Province Eta, 1953 to 1957.

A former Golden city councilman, Brother Steinhauer remains active in both political and civic affairs. He is a member of the Masonic Order and is active in the affairs of his church.

So What, SAE, So What!

AN ADDRESS GIVEN AT THE 115TH ANNIVERSARY NATIONAL CONVENTION

Sigma Alpha Epsilon . . . the largest Greek letter organization in the world, with more than 144,000 initiates.

SAE . . . the oldest lasting southern fraternity.

SAE . . . with 89.8 per cent of its chapters ranked in the upper half in prestige on their campus.

SAE . . . the first fraternity to hold a leadership school.

SAE . . . the fraternity with the largest endowment fund of any fraternity.

SAE . . . with 176 chapters located in 46 states. SO WHAT!

I can't help but wonder if Noble Leslie DeVotie were able to be a delegate to the 115th Anniversary Convention of SAE would he not look at the above statistics and rankings and say, so what, SAE, so what.

Would he not be a little disillusioned with the mechanics of this convention and say, so what? I believe he would, because I believe that Noble Leslie DeVotie would judge us with a different type of measuring device.

I don't think he would care about how large we had grown, how much money we had, or where our convention was being held.

I believe he would rather judge us by whether or not we are serving as an aid to the educational process

I have been fortunate over the past year to have had an inside look into Sigma Alpha Epsilon. Prior to this year, I believe that I would have judged SAE by its size, its age, and its money. Prior to this year I would have been disillusioned by the mechanics and politics of this convention. That was all prior to this year.

But now, I hope I look at Sigma Alpha Epsilon in a different light; the light of an aid to the educational process.

I hope that I could say to delegate DeVotie, look Brother DeVotie, I have something else to show you that might be of interest in making your judgment.

I think I would tell him first of SAE's Summer Intern Program, with Brothers working in South Carolina and San Francisco with underprivileged youth. Then I would tell him of our Tudor-In-Residence Program. Then the Student Loan Program. Then the SAE in the Socially Sensitive Seventies Program.

Then I think I would take delegate DeVotie to meet Brother Bob Cousins, a man who has dedicated his life to SAE.

Then I would introduce him to Neal Berte, Russell Heuer, Joe Mancini, and Bob van Blaricom, all men who in my mind SAE owes so much.

Then I would mention to him about Jack Hotaling, Rex Smith, Bill Flourney, John Baugh, Bill Stovall, Ken Tracey, Monty Podva, and Charlie Witzlaben professionals with a capital P.

Then I would introduce him to a man whose love for this fraternity has inspired me; a man who in the face of conflict has made us feel oneness again; a man to whom SAE can look back on with pride, ESA Paul B. Jacob.

Then I think delegate DeVotie, using this measuring device, would be proud of his fraternity, Sigma Alpha Epsilon.

William Smith

ABOUT THE AUTHOR

William L. Smith, Mississippi State '72 (Theta) is Chairman of the Collegiate Council, having been elected to that position at the 1970 Leadership School. He has attended all meetings of the Supreme Council during the last year, representing the undergraduate viewpoint. His term of office ends this month.

When John Baugh became an Assistant Chapter Supervisor in 1946, there were 111 Chapters in the Realm of Minerva. Now there are 176, and six more soon to be granted charters. This picture of Brother Baugh was taken last May at the installation ceremonies for Alabama Chi at the University of South Alabama.

JOHN BAUGH: A Grateful Fraternity Says Farewell!

A VETERAN OF 25 YEARS "ON THE ROAD" FOR SAE RETIRES JULY 1; RECEIVES FRATERNITY PLAUDITS

s John Baugh still visiting chapters?

Thousands of Sig Alphs from all points of the country could ask this question, and rightfully so. For up until July 1 that is precisely what Brother John Baugh, Oklahoma State '35 (Mu) did during his 25 years of active service to the Fraternity.

Despite the cold potatoes, lumpy motel beds, icy roads and washed out bridges, Brother Baugh would tell you he wouldn't have traded his job as Chapter Consultant (known in the early days as Visitation Officer) for anything in the world.

"I've met a lot of wonderful people over the years," John told me at the 115th Anniversary National Convention in Richmond in June. "It has been a great source of pride to see many of the Chapters I worked closely with in their early beginning doing so nicely now."

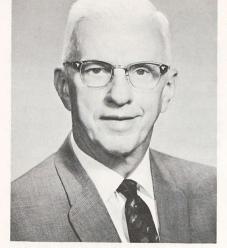

Despite the fact that retirement was only two weeks away, Brother Baugh's room in the John Marshall Hotel was overflowing with briefcases filled with old reports and personal correspondence. He ran from meeting to meeting.

"It never ceases to amaze me," one alumni delegate told me in the elevator. "John knew my name, my chapter, what offices I held, almost everything about me, and I hadn't seen him in years."

That's the John Baugh everyone knows, and everyone will miss.

Several months before the National Convention, ESR Jack Hotaling wrote a letter to everyone who had known John on a personal basis over the years, asking them to write John a letter on his retirement to be presented at an appropriate occasion at the Convention.

The letter-filled book was given to John at an "official family gathering" the day before the Convention opened. "I haven't had the time yet to read them all closely," John told me during our conversation, "but you know I will when I get home to Meeker."

John H. Baugh, Jr.

John Baugh was the youngest of seven children born to Dr. and Mrs. John H. Baugh, early residents of the then Oklahoma Territory. He was reared and educated through high school in Meeker.

John chose Oklahoma A&M (now Oklahoma State) to continue his education. It was there that he was pledged to Chi Beta Fraternity, a local that was granted an SAE charter at the 1930 National Convention in Evanston. The Chapter was named Mu, in honor of Brother John O. Moseley, and John was initiated on Feb. 14, 1931.

"John O. Moseley was the greatest SAE I ever knew," John said without pause. "He was exciting, dynamic, an exceptional man. He was tough to work for. No two days were ever the same, but when the chips were down he stood by you."

During his undergraduate years at Mu, one of Brother Baugh's favorite jobs was that of Pledge Trainer. He also liked to sing. Over the years, he became famous for both.

In 1949, three years after John began his active service to the fraternity, Brother Moseley tapped John for a special job; making the Leadership School more meaningful to the pledges who attended.

"John, you'd better work out something for the pledges," was the way Brother Moseley put it. "I've been the Leadership School Pledge Trainer ever since, and I've enjoyed every minute of it."

Delegates Elect John Baugh To Honorary ESA Position

John Baugh just thought he was retiring from active service to Sigma Alpha Epsilon.

Delegates to the 115th Anniversary National Convention in Richmond, Va., June 20-23 unanimously elected Brother Baugh Honorary Eminent Supreme Archon. He will hold the position until the 117th Anniversary Convention in New Orleans, La., in 1973.

"I am honored and flattered by this honored position," Brother Baugh told the standing, wildly applauding delegates.

John, there's just no way you can leave Minerva's service. "Your boys" just won't let you go.

Miss Ruth O'Malley, a long-time member of the National Office staff, wrote:

"I first met John Baugh at the 1940 Leadership School. I was immediately impressed with his warmth and friendliness. Mr. Foreman was ESR at that time. John and I became very good friends and could always find something of mutual interest to talk about.

"When John was traveling he often sent me cards along the way which showed he was always thinking about the Staff and wanted to keep in contact.

"I can truthfully say that John Baugh wears the pin of SAE with a true love for his fraternity, and the fraternity is much richer for having had a member like John Baugh."

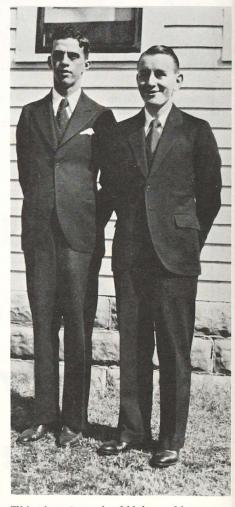

John Baugh has devoted almost his entire life to young people. Before joining the Fraternity in 1946 and serving three years in the U.S. Army during World War II, John taught 11 years in various public schools in Oklahoma.

The "Dean of Chapter Consultants" has packed his suitcase for the last time. "Oh, I'll attend functions when I'm asked," said John, "but I think I'll be spending much of my time in Meeker."

SAE will miss you John. Your dedication can never be matched.

Perhaps Past ESA Fred Turner summed it up best when he wrote:

". . . You have bridged the gap between what is—and will be."

This photo from the Oklahoma Mu scrapbook in the Levere Memorial Temple shows Brother Baugh, left, and Brother Louis Morton when they were members of the Oklahoma A&M quartet. Brother Baugh has never lost his zest for singing, as delegates to Leadership School can readily attest.

PHIALPHA CHI IS NOW SIGMA ALPHA EPSILON CAWARD

ALABAMA CHI JOINS REALM OF MINERVA

Installation ceremonies for the first Chapter in Alabama to receive a charter in nearly 94 years were held May 8 in Mobile when Alabama Chi at the University of South Alabama became the 176th jewel in Minerva's crown.

Brothers from throughout Province Epsilon, including Alabama (Mu), Auburn (Alpha Mu), and Birmingham-Southern (Iota), were on hand as the local, Phi Alpha Chi, became the newest member of Minerva's ever-expanding Realm.

Activities and events leading to the Chapter's installation began earlier in the week when Phi Alpha Chi conducted its final meeting and the following night the Brothers were all formally pledged to Sigma Alpha Epsilon.

The customary indoctrination session was held Friday evening May 7 in one of the lecture rooms on the beautiful South Alabama campus. Three members of the Supreme Council, the Collegiate Council Chairman, the National Educational Adviser, the Province Archon, a Past Honorary Supreme Archon, and two Chapter Consultants presented talks to an enthusiastic audience.

Among the 47 actives of the local and alumni that were initiated Saturday afternoon in the Brookley Conference Center was Dr. Frederick P. Whiddon, President of the University of South Alabama.

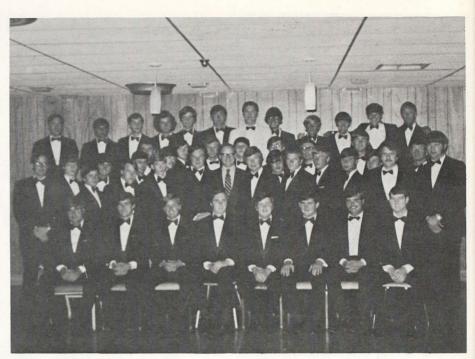

Members of the initiation team included Hootie Johnson, Ala. Mu; John Robinson, Ala. Iota; Al Pearson, Ga. Beta; Pete Bertorello, Fla. Delta; Mike Zieman, Ala. AlphaMu; Charles Gheen, Fla. Upsilon; Jack Couch, Ga. Phi; Bill Rumer, Ga. Epsilon, Charles Sorenson, Ga. Psi; Gordon Taylor, Ga. Phi; Tom Pespess, Ga. Phi; Popsy Miller, Ala. Mu; Hal Brown, Fla. Upsilon; John Thompson, Ala. Mu; Bill Johnson, Fla. Delta; and Chapter Consultants John H. Baugh, Jr., and William Stovall.

Past ESA Paul B. Jacob, Jr., served as the installing officer, assisted by ESW Russell P. Heuer, Jr., and Past ESCh. Dr. Neal R. Berte.

The installation banquet was held at the Mobile Country Club. Brother John M. Tyson, Alabama '46 (Mu), served as master of ceremonies. Brother Tyson, whose son was initiated into Ala. Chi, was one of the prime movers in the establishment of the University of South Alabama.

Pictured with a replica of the SAE Badge are, left to right, Mike Brooks, Bill Mc-Rudy, Mike Derieg, John Tyson, Jr., Sam Covert, and John Tyson, Sr.

The Brothers of Alabama Chi at the University of South Alabama pose for this formal portrait following the formal initiation ceremony.

Past ESA Paul B. Jacob, Jr., presented the charter to Chapter EA John W. Wharton, and after ESW Heuer read the names of the officers, they were duly installed by Past ESCh. Berte.

Among the guests introduced were Robert J. Milling, III, Tulane '67 (Tau-Upsilon), the founding father of the local; and S. Palmer Gaillard, Alabama '17 (Mu), a supporter of both the Chapter and University. Both were presented the Merit Key Award and citation.

Sunday morning found the Brothers attending church services at the First Baptist Church. An afternoon open house was conducted for friends, students and faculty. The first official chapter meeting of Ala. Chi was conducted Monday evening, and was followed by the first formal pledging ceremony for Chi's first pledges.

In his chapter report, Chapter Consultant Baugh wrote, "The entire weekend was enjoyable in every respect and it is hoped that this new chapter in our Mother State will become and remain a bright star in Minerva's crown.

It was a happy occasion at the installation banquet at the Mobile Country Club. That's Brother John M. Tyson, Sr., at the microphone serving as master of ceremonies. National officers in attendance were Past ESA Paul B. Jacob, Jr., ESW Russell P. Heuer, Jr., and Past ESCh. Neal R. Berte. Past Honorary ESA Robert Cousins was an honored guest.

Bill McLaughlin, Missouri '72 (Alpha), relaxes as Dr. William Miller, Director of the University Medical Center, adjusts the saline infusion which is used to keep his vein open while the blood he has just given is separated into red cells and other blood products. The red cells are returned to the donor's body, while the remaining components are retained to treat patients like 14-year-old John Sickman of Glasgow, Mo., third from left, who is suffering from hemophilia. Missouri Alpha "adopted" John, agreeing to meet his entire blood needs. At left is Mrs. Margaret Philips, administrative assistant in the UMC Blood Bank, displaying the Missouri Student Association Blood Plaque won by Missouri Alpha the last three years for its 100 percent participation in blood drives.

CHAPTER WITH A HEART

Physicians of the University of Missouri Medical Center have nominated Missouri Alpha for the American Association of Blood Banks' Award of Merit for its contribution to the Medical Center's Blood Bank.

Dr. Donald Senhauser and Dr. William V. Miller, members of the UMC pathology faculty, said that never in the history of the University has one group been so consistent in contributions of time, interest and actual blood donations.

During the last seven semi-annual blood drives on campus, Missouri Alpha has had 100 per cent of its members participating in giving blood—totaling over 500 pints. In addition, the Chapter has "adopted" a 14-year-old boy being treated at the Medical Center for hemophilia (improper blood clotting) and has agreed to meet the youth's entire blood needs, which is currently 200 pints a year.

The two doctors said that the Chapter set an example and their support was instrumental in the success of the fall student blood drive in which a campus record of more than 930 pints were donated.

Brother Bill McLaughlin, Missouri '72, who is student blood drive chairman, attributes Alpha's success to a group of Brothers who took the initiative to invite Dr. Miller to talk to the Brothers about the importance of blood and blood products.

"We had Dr. Miller over to talk with us because we felt if we knew more about blood, the fraternity would be more willing to donate. Having won the annual student blood drive award three times in a row, we were afraid of a letdown. We wanted all the Brothers to become more informed and increase our enthusiasm," said Brother McLaughlin.

The Chapter's reaction was typical. Increased interest was evi-

denced by the number of questions asked. During these discussions with Dr. Miller, Brothers asked how the entire Chapter might be helpful in easing a particular blood situation or patient need. This led to the later decision to "adopt" the hemophiliac patient.

Brothers believe their activities regarding blood needs, particularly the "adoption" of the young 14-year-old hemophiliac patient, is a more effective form of community service than many other service activities such as money donations.

"We don't have much money," said Chapter EA Bill Cloud, "but by giving something that takes time and takes more to give, especially in the case of the needs of the hemophilic patient, we're involving more than just a few people that are usually involved in fund-raising campaigns. Our whole group is contributing to the blood effort."

Brothers Of Colorado Lambda

In keeping with the traditional excellence that SAE chapters throughout Minerva's realm exhibit, Colorado Lambda stands out as the best fraternity on its campus. Located at the world's foremost school of mineral engineering, Colorado School of Mines in Golden, Colo., this chapter has enjoyed a position of prominence since its installation in 1903.

The chapter was founded as a local known as the Lofters on Nov. 14, 1901 with one goal in mind—to become a chapter of Sigma Alpha Epsilon. William H. Lanagan, brother of the great Stanford coach, James F. Lanagan of California Alpha, saw that a great love of SAE had developed in his brother and he resolved to start a chapter at Mines.

After the initial step of forming a local, the younger Lanagan transferred to Stanford where he joined his brother as a member of Cal. Alpha. However, the desire for continued association with the men of SAE remained with the members of the local and they worked to achieve the honor of affiliating with the national fraternity.

During the year of 1902, the chapter was visited by George H. Bunting, who offered his support and experience in securing the coveted charter. After 15 months of diligent work by all involved, the Lofters became men of SAE.

From the beginning of its association with the national fraternity, the chapter has strived to be the best on campus in all aspects of college life and the results have been representative of the reputation of SAE. Scholarship, sports, student government involvement, and social excellence have been stressed.

Discussing plans for the Province Eta Convention are, left to right, Rod Morris, Province Eta Archon; John Brockardt, Colo. Lambda EA; Rob Riecken, President of the Colo. Lambda Alumni Association; and John Ellis '74.

As a school which offers only engineering degrees, scholarship is emphasized to a greater extent at Mines than would be imagined. In this porition of student life, Colo. Lambda has recently regained the stature that the chapter once maintained For three consecutive semesters it has been first in scholarship with a grade point average well above the all-school average. The chapter initiated twenty men at the end of the first semester and 14 of the 20 had grades better than the all-school average. Proportionately, SAE's placed more men on the Deans List than any other fraternity. The Brothers are proud that Colo. Lambda is one of only eight SAE chapters that is first in scholarship on their campus.

To accompany the scholastic record of the house, the Brothers are active in student government on the campus. SAEs have held many offices this year including the presidencies of Tau Beta Pi and the sophomore class, the vice-presidency of IFC, along with the treasurer's position of IFC, and other Brothers have worked on committes that run the everyday business of the school.

Sports and intramurals have provided the Brothers of SAE with yet another opportunity to establish their supremacy in other aspects of Miner's life. Reviewing this year's activities shows that achievements came in many areas of sports. Four members of the chapter were starters on the football team, and one received recognition for gaining over

chapter won the intramural sports trophy, emblematic of campus athletic supremacy.

one hundred yards a game. The chapter also has Brothers playing varsity tennis (3), baseball (4), swimming (2), and basketball (2).

The chapter's dominance of sports did not end with varsity sports, but carried over into intramurals. The SAEs won the intramural trophy for overall competition with first place finishes in four of ten sports. Championships came in swimming, volleyball, track, and softball. To support the effort by these teams, the basketball and skiing teams added second place finishes to boost the point total. The basketball team had a winning streak of 17 games broken at the end of the season to knock them out of first place; otherwise the SAEs would have added another first place to the achievements. A significant factor which contributed to the success was the house support. Even when the Sig Alphs didn't win (which was rare), they always had more vocal support than anyone else.

The social aspect of college life is not ignored at Mines either. SAEs have the reputation of having the best parties on campus. Parties that have been particularly good recently have been the casino party, styled after the gambling houses of Las Vegas, the oldies-but-goodies party, reminescent of the old bandstand shows on TV, and the latest, the

beach party, complete with nine tons of sand in the basement.

It has been said that one purpose of a fraternity is to produce well-rounded men. SAE has been the best at this also. The men of Colo. Lambda have represented SAE in a manner fitting with the reputation of SAE and Mines. Brothers associated with Colo. Lambda include Past Eminent Supreme Archon Gurnett Steinhauer (1965-1967), who is currently the Vice President of Business

Affairs for the school; Ted Stockmar and Leo Bradley, both members of the Board of Trustees at Mines; Bill Erickson, Colorado Supreme Court Justice; Buck Weaver, well known in the Potash industry; and Rod Morris, current Province Eta Archon.

It is not a coincidence that the best men at the best mineral engineering school are SAEs, and it appears that this trend will continue in the future.

Province Eta Archon Rod Morris, left, presents the IFC Scholarship Award to Colo. Lambda EA John Brockardt '71. It marked the third consecutive semester the Chapter finished with the top scholastic average on campus.

RESCUE MISSIONS EARN SIG ALPHS MEDALS

Lt. Col. James E. Cowan

Lt. James J. Guidone

Actions In South Vietnam By Brothers Save Lives Daring and successful rescue actions in different areas of Vietnam have won heroism awards for two Brothers of Sigma Alpha Epsilon.

Lt. Col. James E. Cowan, Tennessee '53 (Kappa), was awarded the Silver Star and the Distinguished Flying Cross with first and second oak leaf clusters.

First Lt. James J. Guidone, Youngstown '69 (Ohio Alpha), was awarded the Distinguished Flying Cross.

Colonel Cowan, commander of the 21st Special Operations Squadron, led a flight of helicopters deep into hostile territory on an emergency rescue mission Nov. 25, 1970.

Realizing that a friendly indigenous team would be annihilated unless a rescue was made, Brother Cowan brought his unarmed helicopter to a landing in a zone that was surrounded by hostile forces.

"Due to his aggressive action, a highly trained team was saved from certain death or capture," the citation reads.

Lieutenant Guidone was cited for rescuing the crew of a reconnaissance plane downed by enemy fire Jan. 29, 1971.

According to his U.S. Army citation:

"Realizing the urgency of immediate extraction of the downed crew, First Lieutenant Guidone, with complete disregard for his own safety, maneuvered his aircraft into the intense fire zone.

"Despite the heavy enemy fire, Lt. Guidone successfully extracted the downed crew and flew them to safety."

Brother Guidone, a native of Jeannette, Pa., entered the Army under the Reserve Officers Training Corps program following graduation. He was sent to Vietnam Oct. 25, 1970.

As an undergraduate, Brother Guidone served Ohio Alpha as Eminent Archon, Eminent Deputy Archon, and Eminent Recorder.

The three Distinguished Flying Crosses won by Col. Cowan were given for successful rescues in hostile territory in September, October and November, 1970.

BLAZE DESTROYS TENN. BETA HOUSE

A fire blamed on faulty wiring completely destroyed the Tennessee Beta Chapter house at Middle Tennessee State University May 1. There were no injuries, but the fire burned so quickly virtually nothing was saved.

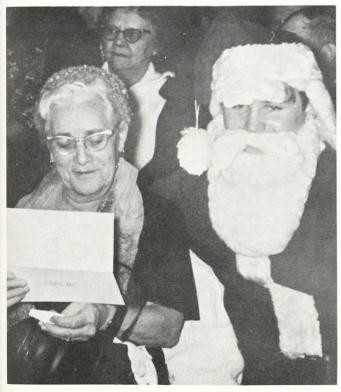

The University and community responded quickly to the needs of the Brothers.

An interesting note it that the Chapter was denied insurance because of the faulty wiring, and the individual from whom the Chapter leased the house had refused to correct the problem.

Five Eminent Archons, representing the five Michigan Chapters, pose with Bill Fiscus, Michigan State '50, at the Detroit Alumni Association's Founders Day banquet. It marked the first time the Detroit AA has had all five EA's present for its Founders Day festivities. Left to right are Tim Petersen, General Motors Institute '72 (Epsilon); David Eick, Western Michigan '71 (Delta); Larry Ulrey, Michigan State '71 (Gamma); Brother Fiscus; Tom Freed, Michigan '71 (Iota-Beta); and Dave Tinney, Adrian '72 (Alpha).

Wisconsin Alpha Entertains Senior Citizens

That's Brother John Ryan of Wisconsin Alpha behind the white whiskers, performing the happy task of giving out gift certificates to many of Madison's senior citizens.

"This is a wonderful party," the old, white-haired gentleman said in a soft voice.

His comments came during a Christmas party for about 250 senior citizens at the Madison Community Center by the Brothers of Wisconsin Alpha at the University of Wisconsin and the student nurses at Madison General Hospital.

Reporter Joseph McBride of the Madison State Journal staff wrote:

"The old people listened quietly to youthful folk singers whose faces were flecked with mustaches and goatees that looked straight out of an 1800's daguerreotype.

"Today is my moment,' the kids sang. 'I can't be content with yesterday's glory.' (A sentiment clear to both generations, both nodding with equal assent.)

"The solemnity melted away, and the party really began to swing, when an old timer who identified himself only as 'Toledo Slim' mounted the makeshift stage, guitar in hand, and belted out 'Frankie and Johnnie' in a quavering baritone.

"The fraternity man playing Santa Claus plummeted off the stage, landed on his back, and was helped into a wheelchair. The old timers loved it."

A good time was had by all.

CHAPTER COLLECTS POP BOTTLES FOR CITY RECREATION COMPLEX

Community service projects are well worth the effort, especially when they bring about a better understanding between the local citizenry and the college community. Such is the reward of the Brotthers of Pennsylvania Omega at Allegheny College, Meadville, Pa.

It all started last January 31 when the Brothers kicked off their campaign to improve community relations by sponsoring a pop bottle drive for the benefit of a proposed recreation complex in Meadville. Through hard work, \$220.00 was raised.

A dinner was held in February at

the Chapter house, at which time the money was presented to the Recreation Park Board. On hand was the mayor, members of the city council, and other city officials.

In the spring, the Brothers participated in the United Heart Fund Drive, collecting \$150.00 in support of that cause. They also participated in a program at the Meadville YMCA, volunteering to serve as instructors in basketball, wrestling and swimming.

The Brothers of Pennsylvania Omega truly have a right to be proud of their accomplishments. The bonds of brotherhood grow stronger through such efforts.

Mrs. H. W. "Mom" Jenkins

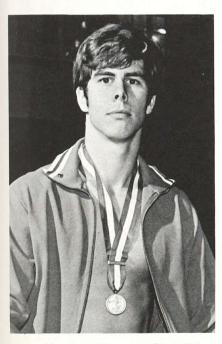

Mrs. H. W. "Mom" Jenkins, Golden Daughter of Minerva No. 42 and the Dean of Housemothers at the University of Kansas, is completing her twentieth year as Housemother to the Brothers of Kansas Alpha.

"Mom is a lady in every sense of the word," writes Brother Joe H. Vaughn, Jr. "In addition to her duties of running the kitchen and being a gracious hostess for the Chapter, she is always available to discuss problems with the Brothers."

Mrs. Jenkins was honored by the Chapter during dedication ceremonies of the newly remodeled Chapter house last November.

Would you believe 120 wins and no losses in the last nine years? That's the record posted by the Michigan Alpha intramural basketball team at Adrian College. This year's squad was no exception, posting nine straight wins. Kneeling, left to right, are Jim Pyle '71, Steve Held '73, and Cliff Mt. Joy '71. Second row, left to right, are Ron Labadie '71, Don Lambright '72, and Mike Dick '71. Not shown are Jim Groves '72, and Craig Marlow '73.

Craig Lincoln, Minnesota '72 (Alpha), participated last month in the Pan American Games in Cali, Colombia. Brother Lincoln is confident he can make the 1972 U.S. Olympic Team. He is the current AAU outdoor diving champion in the three meter. Other major championships held by Brother Lincoln are the Canadian National, two American Nationals and the Big Ten.

ROBERT W. GARRISON, Dension '72 (Ohio Mu), of Cincinnati, has been tapped for Phi Beta Kappa, one of 33 students so honored. . . MARK ESTES, Case-Western Reserve '71 (Ohio Rho), of Rye Neck, N.Y., has been awarded a coveted NCAA scholastic scholarship. Mark posted a 3.4 acum while lettering four years in basketball and golf. He plans to use his scholarship for graduate study at CWRU. . . Georgia Epsilon at Emory University entertained alumni members of the Georgia Epsilon Association and their wives at a dinner following the April meeting held for the purpose of electing officers, receiving the financial report and general business. . . DALE TUDOR, Maine '72 (Alpha), is the new First Vice President of the University of Maine Fraternity Board. The outgoing President is another Sig Alph, DENNIS KING '71. . . Ohio Rho at Case-Western Reserve won the intramural basketball championship for the second straight year. . . Maine Alpha at the University of Maine is involved in a number of community projects, including visiting elderly patients at a nearby hospital, a "Big Brother" project with fatherless and poverty-stricken children, a blood donor program, and a spring cleanup of the Orono-Old Town area. . . Nine Brothers of California Gamma at the University of Southern California are sporting swagger badges, compliments of the Minerva Club for attaining a 3.0 or above average for the fall of 1970-71. Winners were Chris Call '73, Robert Malcolm '74, JOHN BUCKLEY '72, TOM CHRISTENSEN '72, TOM WILSON '73, BILL Hoge '73, Tom Courtney '74, Bob Kloepfer '72, and Craig Dennis '71. . Frank G. Clement, Jr., Memphis State '72 (Tenn. Sigma), received the Dr. Carlisle Award for his generally high conduct during the Tennessee Intercollegiate State Legislature mock session at the State Capitol. Brother Clement was elected governor. . Peter J. KIEDROWSKI, Minnesota '71 (Minn. Alpha), guard on the Gophers basketball team, was named recipient of the Donald (Red) Mattson Memorial Basketball Scholarship. Past EA of this Chapter, he is the first recipient of the award. . . Georgia Beta at the University of Georgia has won first place in the IFC Leukemia drive for the second straight year. They collected more the \$2,000 of the \$2,900 collected by all campus fraternities. . . Thanks to a combined effort of alumni, actives and college officials, Michigan Alpha at Adrian College is nearing ground-breaking ceremonies on a new chapter house. The old house was destroyed by fire in October 1968. . . Chris Morris, Indiana '71 (Gamma), was named the Most Valuable Player of the IU football team, as well as the most efficient offensive lineman. Two other Sig Alphs, fullback Hank Pogue '71, and linebacker Chuck Thompson '72, were also singled out for special honors. . . Four Tennessee Zeta Brothers at Southwestern have been tapped for Omicron Delta Kappa. They are John Churchill '71, Bobby Doolittle '71, Jeff Carter '71, and JACKIE RUTLEDGE '72. Brothers Churchill, Doolittle and Carter also hold membership in Who's Who in American Colleges and Universities.

KENTUCKY EPSILON RAISES \$6,800 FOR MARSHALL PLANE CRASH FUND

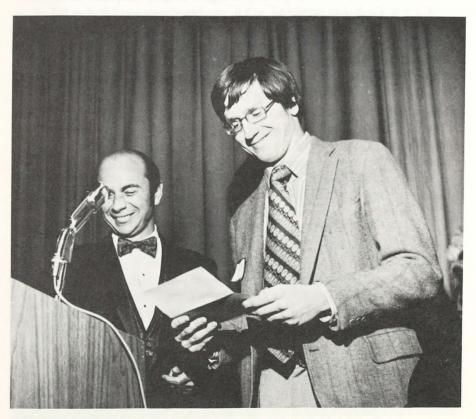

Kentucky Epsilon at the University of Kentucky has made a contribution of more than \$6,500 to the Marshall University Memorial Fund.

A check for \$6,804.06, collected by the Brothers through a door-to-door campaign in Lexington and letters to alumni, was presented to John Henry Stone, Marshall '59, who was in Lexington March 7 to address the Chapter's Founders Day banquet. Brother Stone is personnel director for the First Huntington National Bank.

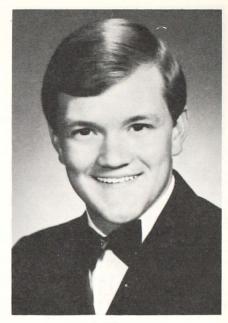

The donation by the Chapter was designated to benefit the 80 youngsters who lost one or both parents in the November 14 plane crash which killed 75 persons, including most of the Marshall football team and coaching staff.

According to Brother Stone, Kentucky Epsilon felt "especially close" to the tragedy because that very night there was a plane crash at Blue Grass Field in Lexington and at first it was thought that the plane involved was the one carrying the UK football team.

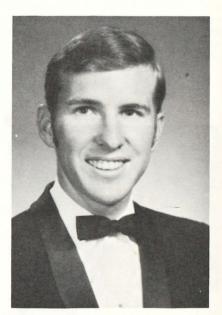

The campaign drive was headed by Brother R. Haskell Gibson '71, but the credit for the fund drive's success belongs to all the Brothers. Kentucky Epsilon is a two-time winner of the Fraternity's Community Service Award, given to the Chapter whose community service programs best exemplify the goals and ideals of Sigma Alpha Epsilon.

The Twin Cities Alumni Association awarded its Phi Alpha Scholarship Ring to Dick Kuyath, Minnesota '71 (Alpha), right, at Founders Day festivities in Minneapolis. The presentation was made by Robert M. Skare, Minnesota '54 (Alpha).

Smith, Executive Secretary of The Levere Memorial Foundation at the 115th Anniversary National Convention in Richmond, Va. He said: "At this time it affords me much happiness to announce the completion of a worthy project, initiated by Brothers Edley Jones and Steve Walker, neither of whom can be here tonight. That project was to show to Brother Paul B. Jacob, Jr., the present Eminent Supreme Archon, the great affection and everlasting gratitude of our membership for his service, in many capacities, to our beloved SAE. From all over the Realm of Minerva, the response was spontaneous, to provide for him a Founder Membership in The Levere Memorial Foundation." HEARD NEARING GOLF STARDOM

Another Sig Alph is making it big on the professional golf circuit.

He is Jerry Heard, Fresno State '69 (Calif. Iota), who seems destined to attain fame and fortune at a job he finds relaxing and fun. He has already surpassed his 1970 official earnings of \$44,000.

Jerry grew up in Visalia, Calif., and like most kids in the neighborhood played all sports. But when he was 11 he gave up Little League baseball for golf, getting instructions from his dad, himself a former professional baseball player. In high school, a knee injury helped him to make another decision. A star halfback, he gave up football, too, and only golf was left.

"He's a helluva player," says Jack Tuthill, the PGA's tournament director. "You watch him swing and you're not impressed. Then you say, wait a minute; the kid's good. He can't miss; he'll make a lot of money."

What sets Brother Heard apart from the other young players on the tour. "He's relaxed; nothing bothers him," replied Tuthill. "And he has a good, compact swing."

Jerry Heard

Far from being brash and cocky, Jerry is the first to admit that he loves the sport and expects to do well.

"My strong suits are my wedge and putting," said Brother Heard. "And I drive it pretty good too."

Many a golf pro has found the tour tough on the nerves. Not so, Brother Heard. "Too many young golfers get uptight about the game," he said. "They fight it. I just try to enjoy it as much as I can. I'm eager to get up in the morning and go to work."

California Iota has a habit of turning out some pretty fair golfers. Along with Brother Heard on the play for pay tour, there are at least a half dozen other Brothers who are either head pro or assistant pro at some of California's finest courses.

Among them are Rolly Allen '57, head pro at the Stockdale Country Club in Bakersfield, Calif.; Bruce A. Sanders '69, assistant pro at the Visalia Country Club; Reese Walker '62, assistant pro at the Island Country Club in Visalia; and Tim Macy '69, assistant pro at Sunnyside Country Club in Fresno.

Stamp Honoring Ernie Pyle Issued By Postal Service

A 16-cent stamp honoring famed war correspondent Ernie Pyle, Indiana '23 (Gamma), was issued May 7 by the U.S. Postal Service in ceremonies at the National Press Club in Washington, D.C.

Brother Pyle, who received the Pulitizer Prize in 1943, was killed by Japanese gunfire on the Island of Iwo Jima April 19, 1945. A native of Dana, Ind., he was more inter-

ested in the privations of privates rather than the communications of generals. His columns from the front were read by millions.

The stamp consists of a portrait of Brother Pyle in brown ink. It is based on a 1944 Life Magazine photograph.

Michael D. "Mike" Keck, Oregon State '72 (Alpha), was killed January 30 when the car he was driving failed to negotiate a curve on U.S. 395 north of Susanville, Calif. Two other students, including Donald F. Williams, Oregon State '71, were injured.

Brother Keck was a two sport star for the Oregon State Beavers. He was a starting guard on the basketball team, and played third base and pitcher on the baseball team. It is interesting to note that he was signed to an Oregon State athletic scholarship by football coach Dee Andros. He was a quarterback.

Many tributes were written about Brother Keck. Basketball coach Ralph Miller said of Mike: "He was the type boy you would hope your own son could grow up to be like." Baseball coach Gene Tanselli said, "Mike Keck was the epitome of a coach's dream, not only was he a fine athlete, but a student dedicated to a cause of excellence."

In 1968, Brother Keck was named Oregon's Outstanding Prep Athlete. As a student at Klamath Falls high school, he was named All-State in football and baseball, and was twice named to the state all-tournament basketball squad.

MRS. JOREE McFARLIN, FORMER HOUSEMOTHER, DIES IN GAINESVILLE

Mrs. Joree McFarlin, Housemother for Florida Upsilon at the University of Florida for more than 35 years, died March 12. She was 76 years old.

Brother Kevin Davey '70, wrote:

"Known and loved by hundreds of SAE's, she was a hallmark and an institution for the Chapter and the University community. She became a housemother in 1935 and is best remembered for her active correspondence with 'her boys' overseas.

"Blessed with a remarkable memory, Joree could address returning alumni by name, even after 10 or 20 years apart from them.

"Though she was forced to live in her own home in 1964 because she could not negotiate the many steps of the new Chapter house, she still played an active role in rush, alumni relations, and other functions. The Chapter was deeply honored that she returned to the house to serve as Housemother this fall, when an automobile accident prevented the present Housemother from assuming her duties.

"This example of devotion to SAE is only one in a lifetime of service to Florida Upsilon. It was indeed fitting that there were over 100 Brothers present at her funeral.

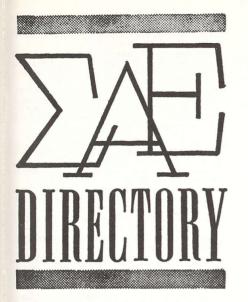

RESCUE MISSIONS EARN MEDALS

(Continued From Page 100)

In his first action, he was credited with the rescue of a highly trained team of indigenous troops after a long and hazardous search. To rescue them he held his aircraft in a steady hover for 12 minutes while the entire team was lifted by jungle penetrator from certain death or capture.

In winning the second DFC, Brother Cowan voluntarily led a flight of aircraft on an emergency mission to rescue forces surrounded by a vastly superior hostile force. Working beneath deteriorating weather and within a small arms and automatic weapon high threat area, he braved frequent ground fire while holding his helicopter in a half-hover, half-landing position to save the entire team.

Brother Cowan's third DFC was given for the emergency extraction of a forward reconnaissance team surrounded by a superior force deep in hostile territory. Despite repeated ground fire that scored hits on both his escort aircraft, he held his helicopter in a steady hover for more than 10 minutes while a jungle penetrator was lowered to rescue the team.

THE LEVERE MEMORIAL FOUNDATION

Up until a short time ago, the Fraternity paid all costs of The Levere Memorial Foundation in excess of its income. This has become a considerable burden, as the cost of operating the Fraternity has necessarily increased greatly. Yet in these days of student unrest, the work of the Foundation becomes increasingly important, and should be supplemented, rather than reduced, if adequate financing for it can be secured.

It is estimated by the Trustees that for the Foundation to be self-sustaining and able to operate on income from its own funds, its sustaining fund must be increased by at least a HALF MILLION DOLLARS. It is very much hoped that a sufficient number of Brothers will make tax deductible capital gifts to the Foundation during the next three years, so that this goal will be attained.

General Objectives Of The Foundation

- To support and strengthen the American System of higher education.
- To assist deserving undergraduate members of Sigma Alpha Epsilon to complete their education.
- To recognize and stimulate academic excellence through a tutorial program, student loans, scholar-ships and awards.
- To enhance intellectual development through the establishment of adequate chapter house libraries.
- To instill an appreciation of and dedication to the traditional and social and economic freedoms that make our nation great.
- To encourage responsible participation and leadership in educational, civic and religious activities.
- To maintain and preserve our Memorial Temple so that we will ever honor our Brothers who made the supreme sacrifice in the wars of our nation.

Gifts should be regarded as educational and as an investment that will contribute significantly to the future welfare of our country and of the present and future membership of Sigma Alpha Epsilon.

The easiest and most convenient way to remember your Fraternity is through a bequest in your will. Many Brothers have done so already.

For additional information, write to: Rex A. Smith, Executive Secretary The Levere Memorial Foundation P. O. On the top floor of the
Levere Memorial Temple in Evanston, Illinois,
is the newly remodeled Museum.
Funds were set aside and with the help
of Past ESA Emmett B. Moore,
the Museum is filled with valuable and
interesting memorabilia from the
Fraternity's earliest days up to the present.
The "new" Museum is a must for history buffs.
