March, 1975

Dear Brothers:

Enclosed with this Convention announcement is material of great importance to all planning to be in Denver on June 15-17 for SAE's 119th Anniversary gathering. It includes:

1. Five registration forms. One form should be completed for every person planning to attend, including official delegates, alternates and ladies. Complete this form carefully and please return a check for the registration fee when required. Extra forms are available from the National Office.
2. Three hotel registration cards. These should be filled out early and mailed directly to the Marriott. Do not return them to the National Office.
3. An airline reservation form. Continental Airlines has been designated as our official Convention airline. This simply means that if you desire transportation assistance, fill out the form and return it to them. They will route you the most economical way and arrange groupings for greater economy when possible. If your area is not served by Continental, this makes no difference; they will make arrangements on all airlines or on any for which you have preference.
4. An information brochure about the city of Denver.

The above information is not included for those receiving Phi Alpha on the general mailing list. If registration or reservation forms are desired, contact the National Office.

Sincerely and fraternally,

A handwritten signature in cursive script that reads "Jack Hotaling".
