VIET NAM MEMORIAL

Portland Alumni Present Memorial At Convention

The year is 1967. American involvement in the growing conflict in southeast Asia is escalating. American men, for the most part men the age of today's undergraduate college students, are learning about "the lottery," and "the draft," and, for some, the horrors of war in a distant land called Vietnam. Some of those men are ΣAEs, brothers. And many never return.

Today, twenty years later, through a gift of the Portland Host Committee of this summer's 131st Anniversary National Convention, a new generation of ΣAEs will be able to look to the Levere Memorial Temple finally as a structure dedicated to the memory of all of those who died for their country in this most recent war, and as the home of the ΣAE Vietnam Memorial, remembering those brothers who lost their lives in Southeast Asia.

The final banquet of the biennial National Convention of ΣAE has traditionally been a time to induct a new Supreme Council, and to thank and say farewell to the outgoing Eminent Supreme Archon. Speeches are made, gifts exchanged, toasts offered.

But no one expected the level of emotion that would be reached that night in Portland. Outgoing Eminent Supreme Archon J. Clarke Houston III delivered a farewell address to the convention, thanking the fraternity and his family, that touched every heart in the room. The assemblage responded with a standing ovation. Then, when it looked like the level could go no higher, Portland host committee member Gary Garnand hushed the assembled brothers to make an important announcement.

Garnand dedicated the ΣAE Viet Nam Memorial to the memory of those who died. The memorial taking the form of a bronze bust in the likeness of immediate past Eminent Supreme Archon J. Clarke Houston, III, will be inscribed at the base with the names of all of those brothers who died as a result of the war. ESA Houston served as a Marine Corps Captain in Vietnam. "Billy Levere had a dream to remember our brothers who fought and died for their country," said Garnand, "however, there is a gap for Vietnam. We wanted to do something special for Clarke, and to remember them."

The clay mold for the bust, executed by a local artist from pic-

Memorial Likeness of Captain J. Clarke Houston III

tures lent by Houston's wife, Linda, was then unveiled by a Marine Corps Honor Guard. It will be on permanent display in the Levere Memorial Temple.

The sculpture, however, was only a part of the full concept of the memorial. Organizers hope to collect the names of all of the brothers that Sigma Alpha Epsilon lost to the war, so that they may be inscribed on the side panels of the pedestal. A survey of "Chapter Eternal" listings from the 1965 to 1975 volumes of the *Record* yielded forty-nine names. And an additional search of personal correspondence on file in Evanston added four to the list.

This issue of *The Record* contains the preliminary list, as well as an appeal for information about those who were and were not listed. Please take the time to read over the list, and to let brothers who may not receive *The Record* know about the plans for the memorial.

ΣAE Receives Viet Nam Memorial from the Portland Alumni Association... ...Inside Front Cover

The Levere Memorial Temple was built and dedicated as a memorial to those who gave their lives for their country as members of the armed services. All throughout the building there are reminders of this theme such as the wood carved busts of men in the various uniforms, service branches, and wars and plaques bearing the names of the gold stars of the War Between the States and the Great World War.

Now we have a memorial to the dead of the Viet Nam conflict due to the inspiration and forethought of the alumni of Portland, Oregon. In a very emotion filled convention banquet last June, the Portland Alumni unveiled the memorial, which is in the form of a Marine Captain in Viet Nam era fatigues. The bust is in the likeness of the outgoing Eminent Supreme Archon, J. Clarke Houston III who served as a captain in the United States Marine Corp during the Viet Nam War. On the right is the historic photo from that event. The bust was unveiled as part of the convention banquet by members of the U.S. Marine Corp in front of Brother Clarke and his family.

Living with Dry Rush

How One Chapter Met the Challenge of Adapting to the New Rules

by Tom Hauser and Stephen P. Esmond, Dickinson

TO AN INCOMING FRESHMAN, college is a new and confusing experience. Confronted with unfamiliar surroundings and a heavy academic work load, most new students have a hard time acclimating to their new environments. One added pressure that freshmen face is the pressure to be accepted socially. With most fraternities, rush revolves around alcohol and they base their judgments on the rushee's ability to "party." The consumption of alcohol and pressures associated with it need not be a part of the fraternity rush environment. We, the Pennsylvania Sigma Phi Chapter of Sigma Alpha Epsilon, are taking strides to alleviate the burdensome pressure of alcohol.

Dickinson is a small liberal arts college located in the rural town of Carlisle, Pennsylvania. With an enrollment just under 2000 students, more than fifty percent of the campus has chosen to go Greek. Because of their large involvement, the Greek system serves as an instrumental part of campus life. Being as highly visible as we are, the fraternities regard rush as one of the most important periods of the year.

Last fall we were well into our rush program when we received the newly adopted alcohol-related policies from the National Supreme Council. These new regulations forbade the use of alcohol at any rush function and were negatively received by our chapter at first. This was due to the fact that, not only were we in the middle of our program but we were to be the only fraternity on campus to follow a dry rush format.

To clarify our situation, we distributed a campus-wide statement explaining to the student body what exactly dry rush entailed and why we implemented the change. Even though we turned dry in the middle of our program, we still were able to attract thirteen quality "true gentlemen." Our new dry rush program gave us the opportunity to attract

those individuals whose lives did not revolve around the false pretenses of alcohol.

More importantly, dry rush helped

distinguished us as leaders and innovators on campus. Last spring, following the regulations given to us by National, we as a fraternity formulated a campus wide dry rush policy. We submitted our proposed policy to the Administration and the Interfraternity Council and it was subsequently adopted by both.

At the beginning of this fall semester, leaders of our chapter and members of IFC met and ironed out the details for dry rush. What this entailed was a six-week period of a formal dry rush in which from Sunday through Thursday evenings alcohol was prohibited from any rush function. To ensure that the regulations were being adhered to, a supervisory patrol was established to circulate around to all of the fraternities and monitor rush activities. Strict monetary fines and a loss of social privileges also served as deterrents against violating the policy.

Rush at Dickinson is different from most campuses because the entire fall semester is designated for rush. A six week formal dry rush period enables the

brotherhood to become well acquainted with the rushees. Having a six-week dry rush period also calls for creativity and ingenuity in planning rush functions and activities. Brothers Jay Lind and Bill Smith headed up the Rush Program by serving as co-directors. Through their supervision, we had one of the most successful rushes on campus.

We kicked off our formal rush with a trip to a professional baseball game. With the chapter picking up the cost of transportation and tickets, we traveled to Baltimore's Memorial Stadium and watched a game between the Boston Red Sox and Baltimore Orioles. This event was a tremendous success; every brother and rushee had a great time.

Throughout the six week period we held various rush activities and events. We publicized our events by putting up posters and taking out advertisements in the school newspaper. Well-publicized

events were a key element in attracting a good variety of rushees.

One very successful event we held was Casino Night. Different tables were set up around the social floor with each table providing a different game. Poker, Blackjack, Acey Deucey and Craps were a few of the different games offered. Each rushee was given 100 points worth of poker chips in the beginning of the evening, and at the end of the evening the top three-point winners were awarded prizes. A great turnout provided fun for everyone. According to Smith, "The brotherhood enjoyed this evening al-

most more than the people we were rushing."

Casino night, as well as other events, were very successful through the help of Domino's Pizza. Domino's was our official sponsor of dry rush. Besides giving us a discount on food purchases, they contributed several hundred dollars worth of free pizza. Lind stated that, "With the sponsorship of a major pizza chain, our overall costs were kept to a minimum and we even were under our allotted budget." The money saved, which in previous years would have been spent on wet social events, is being

allocated into the House Improvement Fund.

Positive feedback has come from the Administration, professors and other fraternities. Our pledge class from last year, who experienced the implementation of dry rush, are very positive about the way rush is going. Brother Mark Landini feels, "The best thing about dry rush is that it works; it is much easier to meet and get to know people."

Rush without alcohol gives the chapter the opportunity to meet people in a sober state of mind. This is important because our judgment is not based on how many beers one can drink, or how wild they get when drunk. Brotherhood involvement and commitment is the only way dry rush can be successful.

For our chapter, dry rush has been a great time for everyone. We recognized a challenge last year, responded to that challenge, and set a goal of having a successful rush. As our program comes to an end, we can confidently say that we have had the most successful rush in years. Our program will only continue to improve and attract the type of men that fit the ideals of ΣΑΕ.

Chapter News Briefs

CALIFORNIA STATE AT FULLERTON: Dez Chattleton transferred to Cal State Fullerton to finish graduating requirements after attending San Jose State. He played intramural sports for Cal Pi, including participation on the championship teams of Flag Football, Ultimate Frisbee, SuperStars, 100 yard dash and 220 yard dash. He was on the Lengeno team of Italian football and was quoted in *The Register* as having a grasp of the game far exceeding Italian natives raised on European football or soccer.

UNIVERSITY OF LA VERNE: This chapter in Spring 1987 won Highest GPA Award for All Greek CPA competition, won Greek Award with a clean sweep for the third consecutive year, capturing first place in all events; won the All Campus Blood Drive for the 4th consecutive year and the Red Cross Trophy.

UNIVERSITY OF WEST FLORIDA: Six brothers hold leadership positions: Frank Davis, parliamentarian for the Inter-Greek Council; Brian Haugen serves on the IGC as secretary; Kiley Evans, Senator in Student Government; Brian Rogers, Battalion Commander for ROTC; and Dave Murzin, President of campus BACCHUS chapter. Robert Lee anchors the campus television news.

UNIVERSITY OF NORTHERN IOWA: Iowa Chi is now the proud new owner of land adjoining their current fraternity house, which will be used for their future and first "real" fraternity house. For nearly two decades a modern colonial style brick house has been their dream. This chapter is expanding with leaps and bounds, and is already three times as large as the second biggest fraternity on campus!

UNIVERSITY OF KANSAS: A 128-page spiral-bound cookbook from the Mothers' Club of this chapter has been compiled from recipes from active fraternity members and their families, plus alumni, faculty members, housemothers, etc. The book is available by mail for \$10 plus \$1 postage from the Mothers' Club, Sigma Alpha Epsilon Fraternity, 1301 West Campus Road, Lawrence, Kansas 66045. It is also available at some Kansas City area gift shops.

GENERAL MOTORS INSTITUTE — B-SECTION: In Spring 1987 this chapter captured the softball championship, the indoor soccer championship for the second straight year, and finished third in volleyball. Senior Wes Dejong won the golf tournament and the chapter finished first in the recreation softball tournament and volleyball tournament. They captured six events in track and field. They not only won the Greek Cup again (this makes five times in the last seven years), but set a record at GMI for the highest number of Greek Cup points in one season with 49 points.

TOWSON STATE: Rush week was sponsored this Fall by Pepsi and Domino's Pizza replacing the former chips and beer fare. This dry rush was their largest class ever, resulting in 24 quality pledges. Their thanks go to John Ermatinger's leadership as Rush Chairman.

NORTH CAROLINA — WILMINGTON: The brothers celebrated their 10th anniversary on September 25 and 26 at annual Alumni Weekend. Activities included the annual E'lympics (featuring golf, fishing, croquet and horseshoes) with Pledge Class Zeta this year's champion. Highlight of the weekend was Saturday night's party cruise off Wrightsville Beach with 200 brothers, wives and dates attending.

BIRMINGHAM-SOUTHERN: Community service is not just raising money for charity, reports Kinnon Phillips of Birmingham-Southern, but assisting personally those in the community who need our help. In an effort to add more meaning to community service projects, brothers and pledges have volunteered as "hosts" at a local homeless men's shelter. One evening a week, two brothers go to the shelter to help admit the men, assist with the washing of clothes and cooking of dinner. After dinner, time is spent with the men talking and playing games. The "hosts" spend the night and help prepare breakfast for the men the following morning. This project has also been implemented into the Big Brother/Little Brother program and the relationships are strengthened by this meaningful experience.

Dinah comes to Birmingham

Dinah Shore was one of 12 women recognized May 8 at Gala VIII, a program originated by Birmingham-Southern's president, **Dr. Neal Berte, Cincinnati '62 (Ohio Epsilon)**. During the evening, Ms. Shore's escort, Brother **Trey Granger** and Assistant to the President **Russell Levenson (Alabama Iota '84)** offered Ms. Shore an honorary Little Sister bid. Ms. Shore accepted, saying, "It would be an honor."

THE UNIVERSITY OF FLORIDA: ΣAEs stand head and shoulders above the 33 fraternities and over 2500 men involved in the Greek system at the University of Florida, having won the Cup for the best intramural sports record for two consecutive years in football, tennis, soccer, basketball, golf, softball and racquetball. They, in fact, won the tennis championship five years in a row! However, sports is not the only area where Florida Upsilon has excelled. The school year 1986-87 found them #1 in academics with the fraternity's GPA slightly higher than a 2.92. **Allan Pickett, EA**, attributes the #1 ranking to three factors: Mandatory study halls supervised by brothers; a library located in the fraternity house with tutors available in such subjects as calculus and economics, and just plain old-fashioned hard work!

Florida ΣAEs with trophies

SYRACUSE UNIVERSITY: Approximately 300 people attended New York Delta's Rush on September 14, 15, 17, 21, 22 and 24, and 14 carefully-selected members are now in the pledge class. Pledge Educator, Joe D'Agostino, was formally pinned on September 28. A semi-formal party with Alpha Chi Omega on September 20th welcomed new members into the Greek System. It was organized very efficiently by Social Director, Bob Jenak. So far this semester, they have held a blood drive and spent a day with a group of children from the community. They plan to make improvements on their educational center. Bob Miller, EH, has seven events planned for the semester and the brothers are enjoying knowing that they are helping others.

TEXAS A & M: By coordinating an all-university "Aggie Dating Game," the chapter raised \$2500 for Muscular Dystrophy, and a check was presented by Brother Brian Davis, Philanthropy Chairman on local television. The fundraiser will be repeated in the Spring semester. The chapter now consists of 85 active members and 18 (chosen from 150 applicants) new pledges.

MIAMI UNIVERSITY (OHIO): Last Spring the brothers were recipients of the Oxford Mile Square Neighborhood Association's Annual Citizenship Award, as a result of their great involvement in the Oxford Community. They also worked on the Oxford cemetery where many of Miami's earliest students were buried, repairing tombstones, repainting fences and removing dead leaves and branches. Their award-winning activity was a tremendous Christmas party for orphans in the Cincinnati area. Members purchased gifts and entertained the orphans.

Long Beach Brothers host volleyball tourney

CALIFORNIA STATE — LONG BEACH: Brother Tim Casinelli appeared in the October 5th issue of **Sports Illustrated** magazine. Tim, who won his second World Bodysurfing Championship within five years, was honored in the "faces in the crowd" section and received hearty congrats from his brothers.

The Brothers held their 12th Annual Beach Volleyball Classic with more than 30 sororities throughout California competing in a weekend of volleyball. The chapter raised over \$5,000 for MDA.

RHODE ISLAND: Sigma Alpha Epsilon is on the rise and making the best better, according to Alex Dunn and Daryl Rewter. Twenty-four new pledges were initiated on September 30. Province Alpha Archon Dick Booth and Alumni Advisor Bill English were in attendance to lend a helping hand.

FLORIDA SOUTHERN: ΣAEs took part last May in Florida Southern's Study Abroad program called May Option at Harloxtton College in Grantham, Lincolnshire County, England. Pictured are (L to R) Florida Gamma Chapter Sweetheart, Beth Petterson, Brother Joe Tisco, Brother Drew Marszal and Little Sister Darcy McKinnon.

ALMA COLLEGE: Brothers Chip Hardwick and Jim Barresi have been elected president and vice-president of the Student Congress. The senior class will be led by brothers Gary Garner and Scott Campbell, as president and treasurer, while brother Barresi will serve as an associate trustee on the College Board of Trustees. Brothers Suresh Rajagopal and Tony Nellis will represent the junior and sophomore classes respectively as associate trustees. Brother Emerson Green, III has been named winner of Jerry G. Smith Africa Fellowship, which allows him to teach in the Mayflower School in Lagos, Nigeria in Africa.

Brothers of ALMA COLLEGE are back in their restored house after a fire which occurred in 1986 left them homeless. With the help of their generous alumni and the tireless work of chapter advisor, Mr. Arthur Rathjen, they are happy to be back "home." In spite of the handicap, the chapter was able to bring in the largest pledge class of the five fraternities on campus and initiated seventeen new brothers in the winter.

BELOIT COLLEGE: The brothers have a high rate of involvement on the campus of Beloit College and in the community, assisting local projects such as Special Olympics, Big Brother and Big Sister programs and the Beloit Area Shelter for the Homeless. Seniors **JOE GABRIEL** and **BEN FLEGEL** serve as IFC president and treasurer, respectively. Sophomore Stiles Yates is currently serving as president of the college's student government association.

The Pope comes to San Francisco

SAN FRANCISCO: Brothers at the University of San Francisco held a Joe Mancini Day to pay tribute to the generosity and guidance he has given them at a Mass held on October 18. In attendance, along with Mr. Mancini, were Fraser Mills, President of the House Corporation, alumni and parents. Mr. Mancini and Mr. Mills were presented with appreciation plaques for their invaluable services by Steve Abreu, Eminent Archon. A tour of the house renovation accomplished over the summer was another highlight of the day.

San Francisco Brothers honor Joe Mancini

THE UNIVERSITY OF WASHINGTON: HUSTLE FOR MUSCLE! Brother Hoyt Bonar took the honor of receiving the opening handoff from Head Coach Don James in Husky Stadium for the biannual philanthropy run for Muscular Dystrophy, after receiving the largest sum of pledges over \$200 (see photo of brothers). The run was from Husky Stadium (Seattle, WA) 350 miles down to Oregon Beta's Autzen Stadium, non-stop. This was accomplished by running teams of six men who each contributed two miles per shift and switching crews every 12 miles. The crew on duty would ride with the chaser van alongside the runner, reaching their destination 41½ hours later with everyone joining in the last half-mile. Over \$5000 was raised this year for MDA, with special thanks to Mike Gilroy, Philanthropy Chairman.

2

ΣAEs fill Husky Stadium

SOUTH ALABAMA: In 1984, there were only 12 actives in the chapter. In four years, those 12 turned the chapter around. Five went on to become Eminent Archons. This year the chapter received the **John B. Warren** Award given to the most improved chapter in Province Epsilon.

CAL STATE-FULLERTON: On March 7-8, 11 ΣAE chapters from California and Nevada participated in the First All-ΣAE Flag Football Tournament. More than 300 ΣAEs participated in the tournament, making it one of the largest gatherings of ΣAEs outside of the National Convention and Leadership School. Proceeds were donated to the American Heart Association in the memory of **Nathan Jack Miller**, a Cal Pi pledge who died of congenital heart disease in January. The host team won the tournament.

WASHINGTON UNIVERSITY: The chapter won the Maurice Chambers Philanthropy Award and the Sigma Phi Epsilon Fraternity Overall Excellence Award. They've won the philanthropy award three of the five years awarded, and the excellence award three of the four years awarded. On March 28-29, 30 brothers participated in an MDA Dance-a-Thon.

UNIVERSITY OF SOUTHERN MISSISSIPPI: The brothers raised \$550 for Muscular Dystrophy through proceeds from a full-contact football game against Kappa Sigma. The brothers won the game 14-0 behind the efforts of team captains **David Sullivan** and **Chuck Davis** and quarterback **David Cuevas**...Brother **Don Diboll** was selected "Greek of the Year," **Chuck Donlin** was elected president of the Associated Student Government and **Todd Buchanan** was elected Attorney General of the ASG.

NORTH CAROLINA-WILMINGTON: ΣAEs were honored for having the highest grade point average on campus. This was the third consecutive semester they have won the award...Brother **Thomas Holben** was elected president of the Interfraternity Council, making it the fourth year in a row that an ΣAE has been president.

FERRIS STATE: The chapter assisted with the Big Rapids Area Sexual Assault Awareness Seminar on March 24.

Maryland Omicron-Pi installed at UMBC

by Bob Caplan, Towson State '87

THE UMBC EARLY DAYS

University of Maryland-Baltimore County was founded in 1966 in suburban Baltimore, six miles from downtown. It has a liberal arts and science emphasis with 27 majors. Ninety-six percent of the faculty are Ph.D.s, or the highest degree in their fields. There are 5,781 full time undergrads, with almost thirty-three percent living on campus.

When Σ AE colonized in Fall 1985, there was only one national fraternity and two national sororities on campus. Today the system is flourishing and, under the leadership of Σ AE, has established a Greek council and an Interfraternity Council.

Maryland Omicron-Pi began with a Maryland Beta alumnus, George Parma, who was enrolled at UMBC. He saw the need for a stronger Greek system. It was through the friendship of Parma and Michael O'Keefe that a local Σ AE fraternity was formed on October 28, 1986. Woody Wood, **Emory '83** (*Georgia Epsilon*), met with the group to explain what Σ AE was all about.

During the Spring of 1985 the local held its first rush, and by the time it was over the group was 25 men strong.

On April 13, 1985 the Eminent Archon attended the Province Nu convention at Rensselaer Polytechnic Institute, where they received unanimous approval to become a colony. On September 29, 1985 they became an official colony of Sigma Alpha Epsilon.

Installation festivities were held on Baltimore's beautiful Inner Harbor

The colony began laying its solid foundation. Besides developing rush, pledge programming and by-laws, the group has been extensively involved in fundraising. More imaginative and diverse events have replaced the common open party as a primary source of revenue. These events included raffles, car washes, produce sales and concession work at major areas in the vicinity. The colony built up a fund of almost \$6,000 in a year and a half.

Jim Lotfi, Toby Belloff, Matt Tormollen, and Scott Parker preparing to depart for Leadership School

Prospective members congregate around colony's rush booth

On December 1, 1986 the colony sent its petition to the national fraternity for a charter. An out-of-province investigation was conducted for the group and a very favorable response was received, thus allowing the colony to petition at the Portland Convention. On June 20, 1987 the UMBC colony was informed before the National Convention that they had unanimously been approved to receive a charter from Sigma Alpha Epsilon.

THE INSTALLATION

A tremendous applause overtook the ballroom at the Baltimore Marriott as ESA Ben Allen handed Matt Tormollen a very special gift, a scroll that was rolled and tied, giving it the appearance of a diploma. This gift, in many ways, is a diploma. It is a charter, the final step in a four-year quest to become a chapter.

On October 10, 1987, forty-five men from the University of Maryland Baltimore County (UMBC) became Maryland Omicron-Pi, officially joining the University's young and rapidly growing Greek community.

This group has already established themselves as campus leaders. Through unyielding drive and dedication this colony, which was established in the spring of 1984, was able to prove their worth to the University and the fraternity. Their hard work finally paid off in a festive weekend that was highlighted by their own initiations.

The initiation setting was perfect for this proud occasion. The light gleamed through the clear windows atop the Old Ottebein Church, a 202 year old structure which is the oldest church on the

east coast. The ceremony, which was performed completely from memory, was lead by the ESA along with Maryland Beta EA Greg Drohat. Other parts were performed by both National and Province officers along with members of Maryland Alpha and Maryland Beta. There was also a talented choir which was led by Dan Gladding (Maryland Sigma).

"It was an honor to take part in the initiation of an entire chapter," said Mitch Wolf (Maryland Alpha), who performed the part of Herald of the initiation. "The whole event was extraordinary."

The evening affair, which took place at the Baltimore Marriott, was equally as impressive as the initiation. Honored guests from National included ESA Ben Allen, ESR Ken Tracey and Extension Director Brad Cohen. Also in attendance were Province Officers Jim Sakers, Mike Aquino and Ray Sewell, as well as several University officials.

Maryland Omicron-Pi EA Matt Tormollen accepted several other gifts for the chapter in the banquet program. Ben Allen presented the charter and gavel, Ken Tracey presented the ritual

equipment, Brad Cohen presented the EA badge and Province Archon Jim Sakers gave the chapter the fraternity flag.

The credit of organizing the banquet goes to Omicron-Pi's EDA Mike Hurst and his committee, who arranged an affair that truly captured the spirit of the occasion. The other three chapters in the state were well represented, as well as other chapters from around the country. There were also representatives from the other Greek organizations at UMBC.

Since their initiation, the chapter has been hard at work upholding the commitment they made as a colony to fraternity, university and community excellence. They have established their goals and are devoting time to executing their completion.

"I don't think we have had any transitional problems in going from a colony to a chapter," Tormollen said. "Most of our time in the past was spent working toward our goal of becoming a chapter. Now that is completed, we have set new goals that we have started working on."

The main objective of the chapter is getting a house. There is no established

Greek housing system at UMBC and, along with other Greeks, they are trying to create some type of situation. There are currently six national organizations on campus and four local groups.

"We are shooting for a house with ten or more brothers in the fall of 1988," said Tormollen "We don't want to jump in too fast because we want to strengthen ourselves as a chapter before getting involved in something like this."

In preparation for obtaining a chapter house, the group has helped the establishment of Catonsville Alumni Association. With the help group, they hope to form a House Corporation. Much of the success of this endeavor is due to the work of Jim Sakers, who helped to establish the House Corporation at Maryland Alpha.

The UMBC chapter also set up the Interfraternity Council on their campus when they were still a colony. Mark Bohanan, a transfer student from Towson State, was a big influence in creating the IFC and is the current president.

"Now the IFC is set, we want to keep some of the brothers in the top office and continue to serve as leaders of the group," Hurst said.

Other goals the chapter has set include philanthropic endeavors such as their work with the elderly and area orphans. Through the guidance they have received from chapter advisor Mike Aquino, they have been able to channel their positive energy.

"These guys have a lot of pride and enthusiasm," Aquino said. "I know that if they apply themselves the way they are capable, which they have, they can be not only leaders on campus, but leaders in ΣAE."

The members of the first initiation team

Winthrop school

In one of the more imaginative community service projects undertaken by an ΣAE chapter, South Carolina Sigma at **Winthrop College** conducted a leadership school for high school juniors and seniors.

Community service chairman **Chris Hanlon** was responsible for the idea, and the chapter backed the proposal fully. When Hanlon and Eminent Archon **Mark Rodman** visited the five high schools in the area, they found school administrators to be totally supportive as well.

On Friday, March 27, Rock Hill, S.C., Mayor Elizabeth Rhea and Winthrop College President Martha Kime Piper introduced the program. Chapter Advisor Dr. Benjamin Hawkins then led a discussion "Leadership by C-L-A-S-S." On Saturday, the students took on the challenge of the Outdoor Development Center, a course designed to bring out group unity and promote leadership styles and skills. Afterwards, the brothers treated the students to a cookout at the house.

The final day consisted of seminars on "The College Search Process" and "How to Survive Your First Year of College." **Johnny Harp**, a past chapter president, led a discussion in Assertiveness Training. That evening a banquet was held in the students honor, and diplomas and t-shirts were distributed.

MTSU Pageant

In a preliminary event to the Miss Tennessee and Miss America pageants, the Tennessee Beta chapter at **Middle Tennessee State** sponsored the Miss MTSU pageant on April 9.

The brothers are responsible for the majority of the preparations for the pageant, which has a \$10,000 budget. This budget is funded through ad sales for the program, printing, ticket sales, program sales, a student government endowment, entry fees and donations.

The director of the 11th annual event this year was **Brother John Waldrop**. Waldrop worked for a year with several other committee chairmen formulating general guidelines, planning the theme of the pageant, selecting the accompanying musical production numbers and performers, constructing a budget, conducting contestant meetings, reserving facilities and appointing committee chairmen.

More than 900 people attended this year's pageant, won by Dar Ann Tarbuk of Nashville. A surprise for the audience was the appearance of 1986 Miss America Kellye Cash, who performed for the crowd for 20 minutes. Miss Cash told the brothers that the pageant was one of the best she had seen while touring the country.

THE FRATERNITY IN 1987

By *Kenneth D. Tracey*
Eminent Supreme Recorder

1987 has been marked by the prosperity of our beloved Fraternity. Our position in the fraternity world is extremely strong and ΣAE continues to provide leadership to our fellow Greeks in many areas. In the last two years we have taken a special interest in providing leadership in the area of risk management and men's health issues.

Our growth in numbers of members and chapters continues steady and sure. We have made significant progress on our five-year administrative plan, now in its fourth year. We continue to strive to provide quality programs and timely service to our members with enthusiasm, pride and love.

Our financial position has been solidified, especially in light of the reinstatement of annual undergraduate dues by the National Convention last June. Annual dues had been consolidated into one fee (an initiation fee) in 1963.

Most other fraternities had gone to a dues system. Even though our initiation fee had become one of the highest in the fraternity world, the total four-year cost was one of the lowest. With the dues system, our undergraduate membership cost will now be spread out over the four-year collegiate experience, and still only put us in the middle of the pack regarding four-year costs among all fraternities.

Part of the dues, about one-third, will be put away for the future (in the National Endowment Fund), a practice that had ceased in 1971.

Chapter Affairs

Although the statistics are impressive, what is important is that the quality of our chapters is the best it has been in many years. Our undergraduates today are among the most generous and cooperative. There are exceptions to be noted as there have always been but, by and large, most chapters today are made up of men of excellent character and deportment. We are extremely proud of our chapters and confident of their ability to continue this trend in years to come. We are working with the chapters that need help and direction.

Our staff and hundreds of volunteers across the country are dedicated to making the ΣAE experience a wholesome and healthy one for all of our brothers.

By November of 1987 we had 198 active chapters, the highest number in our history.

Unfortunately, three charters were forfeited in the past year for a variety of serious disciplinary reasons — California Gamma at the University of Southern California, Georgia Psi at Mercer University, and Alabama Mu at the University of Alabama. All three chapters are now undergoing reorganization by local alumni with the assistance of national staff. Rechartering should occur some time in 1988.

Work continues on improving chapter standards, and the staff and volunteers charged with this responsibility appear to be doing an increasingly effective job. Many chapters were assisted lovingly by the staff with their disciplinary problems. As of November 1987, there were only five active chapters under alumni commission and five chapters on probation.

Risk Management situations, especially those caused by hazing and alcohol abuse, continue to be our

Chapter Development Staff On Annual Retreat

leading problem. The National Fraternity is aggressively pursuing these problems.

The field staff, under the direction of Scott Haggard, has done outstanding work in the area of chapter development. The current field staff consists of Mike Sopher, **Nebraska '86**, Jay DeWitt, **New Hampshire '86**, Fritz Kruger, **Puget Sound '87**, Todd Mullins, **Cal Poly - San Luis Obispo '87** and Steve Cady, **Central Florida '87**. Steve Brister and David Schott left the staff last summer.

All chapters received visits by our consulting staff within the last year. In addition to their direct work with chapters, they revised the Minimum Standards Guidelines and helped to develop position statements on issues facing chapters today such as hazing, alcohol abuse, treatment of legacies, sexual abuse and others.

The average chapter size reached 68.4 members, the highest number since the post-World War Two era when returning veterans boosted our numbers dramatically. This is also the highest number for any fraternity.

New publications of the Chapter Development group include "The Gold Book," a comprehensive chapter management resource manual, a "House Manager's Manual," and a "Fund Raising Manual."

We appreciate the work of the province officers in the area of chapter development. Several provinces held outstanding leadership schools during the biennium and reached hundreds of ΣAE undergraduates with a leadership training experience.

Extension

Under the able direction of Extension Director Brad Cohen, eight chapters were installed in the last year including:

- California Phi (Santa Clara University)
- New York Omega (SUNY-Binghamton)
- South Carolina Sigma (Winthrop)
- New York Delta (Syracuse)
- Wisconsin Phi (Beloit)
- Texas Beta (Texas Christian University)
- Maryland Omicron-Pi (University of Maryland - Baltimore County)
- California Chi (University of California - San Diego)

California Psi (University of California - Irvine)

Present colonies include:

North Texas State University
 Eastern Washington University
 Yale University
 Millsaps College in Mississippi
 North Alabama State University
 Illinois State University
 University of California - Santa Cruz

We have seven colonies, giving us a total of 205 campus groups. To be a dynamic organization, we must continue to grow. Several new institutions have been targeted for colonization. Targets include: Marshall University and the University of Massachusetts, University of California - Riverside, Sonoma State, University of Tennessee - Chattanooga, and East Carolina University.

Alumni Affairs

The Director of Alumni Services/Housing position was filled by John Edwards until June 1987 and he was replaced by Tom McCarthy, **Northern Arizona '82**.

24 Chapter Advisors participated in the 52nd Leadership School Advisors Program. Since its inception in 1978 over 150 advisors have participated in this training program.

A healthy number of Alumni Associations sent delegates to the 131st Anniversary National Convention in Portland, Oregon last June.

Alumni activity was very high this year as over 100 Alumni Associations reported successful activities in 1987.

We have provided a consulting service for alumni association and house corporation officers through the Permanent Committees on Alumni Services and the Permanent Committee on Chapter Housing respectively. A liability insurance program is provided to all chapters and house corporations.

Several issues of ΣAE HOUSE and ΣAE ALUMNUS have been published. In addition, the *Fraternal Law* publication is now being distributed to all House Corporation Presidents, Chapter Advisors and Eminent Archons. New Alumni Association and House Corporation Manuals were recently published.

An Alumni Newsletter Service was organized through the University Publishing Company in Bloomington,

Indiana. Approximately 50 chapters are involved in this service. The National ΣAE Alumni Directory was distributed last winter.

Other programs include the T.H.E. Awards program, all alumni awards, promotion of Founder's Day activities, the 50-year certificate program, and help with Year of The Alumnus information for *The Record*.

ΣAE started a new national training program for House Corporation Officers at the 51st Leadership School with 23 alumni brothers participating in this first workshop, and 13 more at the 1987 Leadership School. We believe that this program along with existing training programs for Chapter Advisors and province officers, will have a far-reaching effect on the quality of chapters in the future.

We have also worked with a number of individual House Corporations this year on fundraising plans for house renovations. This continues a stance that recognizes that many chapters need major renovations or house replacement, and that we should aid them in their fundraising efforts.

SPECIAL PROGRAMS

The Leadership School

The 52nd Leadership School was held last August 2-5 for 662 delegates from 163 chapters and 12 colonies. Darrell Gibson, Director of Leadership Training, conducted a meeting of the Leadership School Planning Committee in October 1987. Although few changes were made to the program, many new faculty were selected. Many alumni made special gifts to their chapters to help their delegates with Leadership School tuition and travel expenses.

Risk Management Program

The event of significance for 1986 had to be the near loss of our liability insurance coverage and the implementation of the new risk management system and policies.

A crisis was deftly averted when we adopted the new risk management policies in September. I am convinced that this action helped us to retain our liability insurance coverage.

Hopefully it will have that effect in the future. The action was a bold move and seems to have been accepted fairly well.

Establishment of a Risk Management System for reducing risk and handling claims and lawsuits as they are reported to the fraternity includes arranging for liability insurance coverage for all chapters and colonies. This program also provides resource materials on chapter risk management in the form of written materials, speakers, and videotapes.

In addition to instituting the risk management program, we continue to provide a *liability insurance program* to chapters and house corporations across the country. We do this because very few chapters have had any luck at procuring liability insurance on their own. A recent survey revealed that \$1 million coverage is more than most chapters had before the program went into effect. We are convinced, therefore, that the program is still essential. We may, however, have difficulty placing the coverage in the future. If this happens, chapters must be prepared to seek their own liability coverage.

Alcohol Abuse Prevention Program

This committee has made a significant contribution to the entire fraternity and college world in the area of alcohol abuse prevention programming. The scope of the committee was broadened to include other health problems and we are excited by the goals set by the new ad hoc committee on Men's Health Issues to be chaired by Rev. Robert Hedges, **Drake '51**.

Awards Program

Several new awards were recently created. The rush programming award was created and named for Robert L. Cousins. A new award was created to honor selected Eminent Archons who have provided outstanding leadership for their respective chapters. A cash prize of \$500.00 was added to the National Scholarship Award and is supported through a bequest of Francis ImMache. A Most Improved Chapter Award was also instituted. A

full listing of awards is provided elsewhere in this issue of *The Record*.

The National Office

The day-to-day functioning of the National Office is under the able direction of Assistant Executive Director Jeff Arnold. Jeff also directs the maintenance of the buildings, the financial administration of the fraternity and foundation, oversees the Risk Management Program, and he serves as staff liaison for the Board of Trustees of the National Endowment Fund, the Advisory Council of the Foundation, the Temple Building Committee, and the National Laws Committee.

During the 1986-87 academic year the majority of our merchandise program was placed "out of house" to the Ihling Brothers Everard Company and Balfour Company. This has allowed us to expand the amount of merchandise and paraphernalia available to our membership and to avoid costly overhead internally. It should be noted that the increased royalties from these companies have provided further support to the Charitable and Educational Fund, thereby increasing funding of Leadership School and the Educational & Leadership Consultant Program.

During the past year Jeff reorganized the office administrative staff for increased efficiency and timely response to member requests. The first full year of the computerization of our accounting records went very smoothly.

Many publications such as *The Record*, were produced by the National Staff under the direction of Tracey Stoll, who departed tearfully last July to seek her fortune in California.

The national office is staffed by a very dedicated and loyal group of 17 full-time employees and several students who work part-time.

General Comments

The fraternity gets larger every day, and the risk management situation has created an enormous workload for everyone this year. We have been fortunate to have a staff that has unselfishly put in an inordinate number of extra hours in order to get everything accomplished.

The realignment of the administrative staff has helped a good deal, especially farming out the merchandise program. We are constantly exploring new ways to cut costs and streamline operations.

Our gratitude goes to Legal Counsel John Snyder, Bob Hamrdla, Joe Walt and all of the Permanent and Ad Hoc Committee chairmen and members, whose support and guidance are of tremendous importance to the progress of Sigma Alpha Epsilon.

We are especially grateful for the hard work of the entire National Staff, their genuine concern for those they serve and their dedication to the cause of quality. On behalf of the National Staff, I express our sincere appreciation for the opportunity to serve you, the brotherhood of ΣΑΕ.

Message From The ESA

The 1986-1987 school year was good to ΣAE. During the year, we installed three new chapters and revitalized three others. As a result, at the end of fiscal 1987, ΣAE had a total of 195 active chapters, and the 1987 national convention authorized the installation of three more new chapters in the fall of 1987.

Also during fiscal 1987, ΣAE initiated 4,244 new brothers. This number is second only to the record number of 4,267 new brothers initiated during fiscal 1968. This near record number of initiates in fiscal 1987 brought our total number of initiates since our founding in 1856 to well over the 206,000 mark, keeping ΣAE well ahead of its nearest competitor in total number of initiates.

One of our objectives as ΣAE's has always been to provide our unique ΣAE experience to as many young men as is realistically possible. The Supreme Council firmly supports this philosophy and encourages aggressive extension and rush programs, but with continued emphasis on quality rather than on quantity.

Another objective of every ΣAE is to provide the best undergraduate experience possible.

SUPREME COUNCIL: (top row) ESDA David M. Lance, ESA Ben Allen, ESR Ken Tracey, (bottom row) ESW William Chapman, ESH M. Ronald Doleac and ESCh Marc Franson

Toward this end, as attested to by the data contained in this, the annual report for 1987, the Fraternity has continued to place emphasis on the ways by which the quality of undergraduate life can be improved; e.g., improved chapter housing, risk management education, leadership training and the men's health issues. And, as is true to form, ΣAE has emerged as the leader among Greek letter organizations in these important issues.

The Campaign for ΣAE entered its second year in fiscal 1987 with, thanks to a significant number of loyal ΣAEs, a successful end to the campaign now in sight.

If it's possible, our already exemplary national

office staff improved in professionalism and quality over this past year. Under Ken Tracey's leadership, the staff has matured and become even more productive.

Fiscal 1987 was indeed a good year for ΣAE ... and we expect another banner year in 1988. On behalf of the Supreme Council and the national office staff, we thank you for your support of ΣAE and the efforts of all ΣAEs everywhere for helping to keep ΣAE atop the fraternity world.

The Distinguished Service Award

was bestowed on four brothers
at the 131st Anniversary
Convention last June**

Citation for Distinguished Service **FRED DUNCAN PHELPS, PH.D.**

**New Mexico Alpha 1964,
Eastern New Mexico University**

As Eminent Archon of his chapter at the time of its chartering, he was a stalwart Son of Minerva, giving his oath of loyalty to friendship and fraternity. Never wavering or fickle, he has continued to serve ΣAE in countless and self-sacrificing ways.

He has sought neither office nor honors, but has performed wherever needed and whenever called upon. He willingly served as advisor to Illinois Psi-Omega while completing his doctorate at Northwestern University. He was a two-term Archon of Province Beta, and once volunteered to serve as Archon of Province Nu when a vacancy arose which demanded a knowledgeable replacement.

As an educator, his teaching skills have made him a central part of the ΣAE Leadership School and its planning committees for more than twenty-five years. His musical abilities have brought warmth and spirit to conventions and special occasions.

He is a scholarly member of our brotherhood, an outstanding educator and administrator. As a counselor and mentor, he has assisted many brothers in coping more effectively with their personal problems and challenges, both in their chapters and their educational and professional skills.

The measure of his brotherly quality is the unswerving devotion and friendship of a host of ΣAEs who have worked with him, studied with him, laughed with him. It is with gratitude and affection that the fraternity, stronger and more united because of his efforts, presented evidence of its sincere appreciation with this Distinguished Service Award.

Citation for Distinguished Service EDWIN LEROY KNOWLES

Ohio Sigma 1924, Mount Union College

Sixty-three years of dedicated service to Sigma Alpha Epsilon began when Edwin Leroy Knowles was initiated by the Ohio Sigma chapter at Mount Union College on March 23, 1924. Since that day, he made the fraternity an important part of his life.

As an alumnus, he served his chapter for many decades in various capacities, beginning as chapter advisor and house corporation officer in the late 1940s, and later as president of the Ohio Sigma Alumni Association.

In the 1950s and 1960s, he served Province Pi (and its predecessor, Province Delta) in every office. Thru his leadership, the provinces grew in financial resources, in extension and in the personal growth of those who had the privilege of working with him.

In 1965, Sigma Alpha Epsilon presented him with the Merit Key Award for his faithfulness and continuing fraternity involvement. Two decades later, the brothers of Ohio Sigma presented him the chapter's first Order of the Lion award at a special ceremony.

In 1985, single-handedly he organized the chapter's centennial celebration. He continues to be a much-loved advisor and source of inspiration to the brothers of Ohio Sigma.

He has proven himself true to the ideals of the fraternity to all those who have had the pleasure of knowing him as a brother. Because he is such a thoughtful man and a devoted brother, he has been chosen to receive the highest honor the fraternity can bestow — The Distinguished Service Award.

Citation for Distinguished Service JAMES D. PETERSON

Minnesota Alpha 1957, University of Minnesota

In his lifetime, he was one of Sigma Alpha Epsilon's most enthusiastic brothers and leaders.

His association with the fraternity began with his initiation at Minnesota Alpha on January 20, 1955. As an alumnus, he demonstrated a zealous love for the brotherhood in his work as his chapter's advisor and house corporation president, and later as president of the Twin Cities Alumni Association in Minneapolis.

His dedicated leadership continued through the turbulent years from 1965 to 1975, when he held every office in Province Rho. He also served on the ΣAE Leadership School Planning Committee, and as a faculty member.

In 1975, the entire fraternity showed confidence in his leadership and guidance by electing him to the fraternity's Supreme Council. His diligence was evident in the many ways he led the fraternity from 1975 until his tenure as Eminent Supreme Archon ended in 1983. As ESA, he had the vision to appoint several special committees, including one charged with investigating ΣAE in the year 2000.

His commitment to the fraternity continued as he entered the Chapter Eternal. He left a loving legacy to many brothers who had touched his life by making them society level Founder Members of The Levere Memorial Foundation. In addition, he bequeathed more than \$200,000 to various funds to provide for ΣAE brothers in future generations.

He was a rare brother, personifying what ΣAE wants each brother to become — a gentleman. For his many years of devotion and achievement, given in the name of love for ΣAE, we posthumously salute him with our highest honor, the Citation and Medal for Distinguished Service.

Citation for Distinguished Service G. ROBERT HAMRDLA

California Alpha 1960, Stanford University

Once in a great while a chapter of Sigma Alpha Epsilon is so inspired by a man's devotion, guidance, leadership or friendship, that its members ask him to become a brother. Such was the case when the brotherhood of California Alpha welcomed G. Robert Hamrdla into the bonds on May 4, 1969 — nine years after his graduation from Stanford University.

Today he is a respected member of our fraternity who has enriched the education of many brothers across the land.

A firm believer in higher education, his own academic career is exemplary. He was graduated from Stanford University with distinction and later earned his master's degree there. He served as an instructor in Germany with Stanford's Overseas Campuses program and later as Director of the University's Academic Information Center. Today he is the Assistant to the President of the University, and continues to serve students as an instructor and lecturer in German studies.

He has served for many years as California Alpha's Chapter Advisor. In 1971, he was asked by the Supreme Council to serve as the Fraternity's Educational Advisor. He worked diligently in this capacity for fifteen years. His unceasing dedication to our Resident Educational Advisors helped many chapters nationwide to realize academic excellence.

He spent many summer weeks in Evanston to further the education of ΣAE brothers. Not only did he single-handedly prepare the Resident Educational Advisors for their responsibilities, he served as a faculty member to the delegates of fifteen ΣAE Leadership Schools. He also served as Treasurer of Province Kappa for two years.

Because of his commitment to his brothers, and to their outstanding academic performance, he has left an indelible mark on Sigma Alpha Epsilon. His many friends and brothers now pay tribute to him with their highest honor, the Distinguished Service Award.

THE FOUNDATION IN 1987

By *Kenneth D. Tracey*
Executive Director

The Sigma Alpha Epsilon Foundation is a public not-for-profit corporation, chartered by the State of Illinois to provide for educational programming for the benefit of members of the Sigma Alpha Epsilon Fraternity.

Purposes & Functions

Maintain the Levere Memorial Temple

Hold funds in trust for individual chapters

Provide student loans, various scholarships, fellowships, internships

Funding of Leadership School

Provide Men's Health Programs

In order to continue to qualify as a public foundation it is necessary to increase the dollar amount of public gifts we receive each year. At least one-third of the Foundation's income must come from public gifts. Therefore, all alumni contributions go to the foundation so that we can meet this obligation and remain a public foundation. An added benefit is that we can earn more from our investments without upsetting the ratio.

If we were to lose our public status and become a private foundation, the results would be catastrophic. A tax is imposed on a private foundation and it must dispose of its assets on a very strict schedule of percentages that would place the foundation in an impossible situation. Our continued ownership of the Levere Memorial Temple would be placed in severe jeopardy.

Gifts to the Foundation are fully tax deductible for income tax purposes (gifts to the fraternity are not tax deductible). The Foundation may receive gifts of stock and property which are then sold at their appreciated value. Such a gift may represent an advantage to the donor.

The Sigma Alpha Epsilon Foundation is under the direction of a board of trustees comprised of the members of the Supreme Council, the

Eminent Supreme Recorder, who serves as the chief executive officer of the Foundation, and five members-at-large who are selected by the Supreme Council. All of the Foundation's activities are administered by the National Office.

Many events have taken place since the 1985 National Convention which are of great significance to the Sigma Alpha Epsilon Foundation. Perhaps the most significant is the change in its name and expansion of the board of directors from six to eleven members.

Several other changes were made through the National Laws that effect the various funds and operational procedures of the Foundation. In addition, the Σ AE Leadership Foundation was merged with the Sigma Alpha Epsilon Foundation and the assets (approximately \$75,000) were isolated in the Σ AE Leadership Fund. Furthermore, The trustees publicly announced the *Campaign for Σ AE: The Path To Leadership*, the goal of which is to raise \$7.5 million.

Foundation Finances & Operations

The financial position of the Foundation is stable. However, even though revenues continue to increase expenses seem to be increasing even faster. Demands on the Foundation's funds have been intense, especially for building maintenance and the funding of the capital campaign. We have been fortunate that our endowment fund has produced terrific gains, some of which we have taken in order to pay our operating costs and conduct the necessary renovations. Recent stock market gyrations will put an end to that practice.

The recent stock market crash has certainly created some paper losses for the Foundation but we are confident that our income level from dividends and interest will hold up.

Although we have now retained an

architect for the Levere Memorial Temple, we do not have the funds that are required for him to embark on the many projects that need to be undertaken. Much of this expense will have to be deferred until a sufficient number of capital campaign pledges are honored.

Our data processing staff acquired a new central processing unit (CPU) in the fall of 1985 and it has had a dramatic effect on the processing speed of information. Information is handled much faster and with increased efficiency. This improvement has enabled us to effectively tackle the increased number of appeals that we generate from our office, and has enabled us to add the financial software and pledge processing packages. The word processing function is considerably faster and is now used by almost all employees.

The data processing staff has embarked on an aggressive campaign to find lost brothers. We now communicate with every college where we have a chapter, as well as with chapters, alumni associations and house corporations. All members are urged to send us address changes as they are received.

The Levere Memorial Temple

We have been plagued by leaks in the gutters for several years. As a result, the Temple suffered interior damage in the chapel and museum. Because of this we filed suit against the roofing company. We are optimistic about reaching a favorable out-of-court settlement. In the meantime we contracted with another roofing company to replace the gutters. The roof work and the interior paint work in the museum has now been completed. The tower room was restored in the summer of 1985. The chapel will be restored as funds become available.

FOUNDATION TRUSTEES: George Ilse, Joseph A. Mancini, John Dillingham, Phillip Knox, Ken Tracey (bottom); Ben Allen, William Chapman, David M. Lance, M. Ronald Doleac, and Marc Franson. (Not pictured: Neal Berte, Charles Harmon.)

We have now retained an architect to advise the Building Committee on conditions and concerns. The position of Artist of the Temple has been filled by John March.

We have installed an ADT fire and security alarm system in the Levere Memorial Temple, as well as emergency lighting. Other minor work involved upgrading of some of the electrical and plumbing fixtures and repairs in the business areas of the building.

The Foundation purchased the boarding house adjacent to the Temple in March 1985. The purchase was made in order to acquire the property to serve as a buffer against further encroachment by Northwestern University and to provide land for a future Σ AE office building. At the time of the purchase it was decided to continue the lease with the current occupants, the Chi Omega Rho Fraternity, until the building became a financial burden.

Last spring we had our architects survey the building and they determined that we would need to spend a substantial sum of money to keep the building operable and recommended demolition of the structure. The building committee recommended and the trustees then voted to have the building demolished this summer, rather than to spend any more money on it. The

garden and parking lot areas will be expanded.

Foundation Programs

Since June 1985, Tom Hume has served as Director of Foundation Programs. Tom has done a tremendous job but has now moved on to graduate studies at the Annenberg School of Communications (USC) in Los Angeles.

Programs include: scholarships, resident educational advisors, career planning, men's health issues, and video productions. Tom served as liaison with Tom Goodale, Educational Advisor; Darrell Gibson, Director of Leadership Training; and Father Bob Hedges, Chairman of the Men's Health Issues Committee.

Over \$19,500 in fiscal '87 was allocated toward *Chapter House Library Grants* to assist in the building or renovation of chapter library and/or study facilities. A temporary freeze was put on this program until the IRS clarified its stand on such building fund allocations. The program, with some modifications, is now back in operation.

The first *Scholarship Newsletter* was published in the fall of 1986 by Tom Goodale and Tom Hume. "Quick Study" will be a regular publication of the Foundation to be distributed to all scholarship chairmen, Resident Educational

Advisors, chapter advisors, and official family members.

We are especially excited about the plans of the *Men's Health Issues Committee* chaired by Father Robert Hedges, **Drake '51 (Iowa Delta)**. The committee met for the first time last January to begin work on a plan to provide assistance to chapters of Sigma Alpha Epsilon on a broad range of health problems affecting college men. The committee will provide resources such as speakers, written materials and videotape productions. Videotape programs are already available, including such topics as Young Men's Sexual Responsibility, Reproductive Health, Cancer, A.I.D.S., and Legal Liability. More tapes are being planned.

An \$80,000 grant was provided to support the Σ AE *National Leadership School*.

\$2,000 grants were provided to thirteen *Resident Educational Advisors* who were sponsored by thirteen chapters of Sigma Alpha Epsilon Fraternity.

Seventy-four *student loans* of approximately \$109,000 were provided to undergraduate and graduate student members of the Sigma Alpha Epsilon Fraternity.

We provided \$4,500 in *scholarship grants* to the outstanding scholars of the Sigma Alpha Epsilon Fraternity. An additional \$7,000 was awarded by various chapter scholarship funds held in trust by the Foundation. The *Walter B. Jones Award for the Outstanding Scholar* in Σ AE was given to Russ Cohen, **Arizona '87**, who received a \$3,500 scholarship. Runners-up included William Sullivan, **Southern Mississippi '86**, and Robert Newkirk, **Illinois '86**. Each received a \$500 scholarship.

The Foundation produced a very fine videotape program, "Passing the Torch," on the Levere Memorial Temple in 1985. The one-hour tape is on sale for \$39.00.

Other programs in the works are a program to help chapters acquire their own computers and software programs, and new components for the Men's Health Issues Program. We are also developing videotape productions on various topics for use by chapters of Sigma Alpha Epsilon.

Annual Fund

We have now completed our third campaign in which all annual giving is directed toward the Foundation. The program has worked extremely well. The Foundation is receiving more gifts which are needed in order for it to maintain its Public Foundation status, and the fraternity has been relieved of the burden of financing the annual giving campaign and from having to support the general expenses of the Foundation such as staffing, data processing, printing, and several program areas.

Jeff Kinzler will be departing the staff this winter and is to be commended for doing a terrific job as Director of Annual Giving for the past three years. While on staff Jeff brought the annual giving process in-house, which resulted in a more cost-effective, controllable and higher quality program. Jeff did an outstanding job in organizing the increased work load.

\$512,804 in contributions were received in the 1987 campaign year from 11,009 donors including 400 first-time donors, to set an all time record for the Annual Giving program. Contributions for this year are already running ahead of last year.

We added 155 new Founder Members of the ΣAE Foundation in fiscal 1987. Founder Membership number 1500 was assigned in May 1987, to Charles Zuber, **Southern Methodist '40 (Texas Delta)**.

WE MUST NOT PERMIT THE CAPITAL CAMPAIGN TO DIMINISH THE IMPORTANCE OF THE ANNUAL FUND AS THE FOUNDATION IS VERY DEPENDENT ON ITS ANNUAL FUND INCOME.

It is important that, as we conduct the capital campaign and realize the actual gifts, we continue to do well on Gifts to the Annual Fund.

Development

In addition to the capital campaign, Dave Arendt has been working on promotion of planned giving to the Foundation, promotion of the society levels and creation of recognition devices for the new levels. Dave has been doing a great job in expanding the development concept for the Foundation.

Through an anonymous gift received in May 1987, so far \$50,000 has been received of a \$100,000 anonymous gift pledged toward the construction of a *video studio* which is now under construction in the Levere Memorial Temple.

One of the principal services of the Foundation is to act as trustee for chapter funds which are created through the generosity of a chapter's alumni. New *Chapter Scholarship Endowment funds* were created for chapters at Denver University and Bucknell University. A *Student Loan Fund* was created for the Kansas University Chapter.

The concept of *Chapter Leadership School Tuition Endowment Funds* was invented by Richard Koella, **Tennessee '44**. Such funds have a minimum funding requirement of \$5,000 before they can begin granting scholarships for attendance at the national or regional Leadership Schools.

Several chapters and alumni associations are now planning to establish such funds. Incidentally, house corporations will be able to borrow from the principal of such funds for the purpose of chapter house improvements. The interest they pay on the loans will provide scholarships to Leadership School for their chapter delegates. Such Funds have now been set up for chapters at Tennessee, Troy State, Southern Mississippi, Simpson College, Ohio State, Oklahoma, and Eastern New Mexico University.

\$16,756, was received from donors for tuition scholarships to individual delegates to attend the ΣAE Leadership School.

The Foundation continues to be the beneficiary of a number of bequests each year. See chart for list of specific gifts.

Capital Campaign

As we prepare the copy for this issue of *The Record* (November 30, 1987), \$6.3 million has been pledged to the *Campaign for ΣAE: The Path to Leadership*.

A Phone/Mail campaign to all donors commenced in May 1987, and is going extremely well. By the

time this issue reaches you we clearly expect to go over our \$7.5 million goal. Look for the announcement in the Spring issue of *The Record*.

THE CAPITAL CAMPAIGN HAS PRODUCED PLEDGES OF FUTURE GIFTS AND BEQUESTS AND VERY LITTLE CASH TO DATE.

The response has been overwhelming. A very large portion of the \$6.3 million has been pledged by a handful of generous and supportive alumni brothers. We are deeply touched by the faith our key alumni have in the ability of ΣAE to contribute to the leadership development of our undergraduate members.

Most alumni are only hearing about the effort for the first time and several have made a pledge without even being asked to do so. We are grateful.

It is our hope that a successful capital campaign will sufficiently increase our endowment funds so that we can meet future challenges through effective leadership development programs, by having the ability to make loans to house corporations for building acquisition and improvements, and by being able to properly care for the Levere Memorial Temple.

General Remarks

There is a feeling of frustration within the Foundation, caused in part by an inability to fund all of the projects we wish to accomplish. We need to wait for the proper funding to materialize. In the meantime, we have suspended the implementation of new programs. However, we are very excited about the future and the promise of many exciting new programs and services as a result of the generous gifts and bequests that will be generated by the capital campaign.

AFTER THE CAPITAL CAMPAIGN, THE FOUNDATION WILL TURN ITS EFFORTS TOWARD HELPING CHAPTERS WITH THEIR FUND RAISING.

Once the capital campaign is over, the Trustees have determined that our thrust will be to assist chapters in the development of fund raising campaigns for scholarships and housing purposes.

House Corporation Officers Training Goes on the Road

Reprinted from Jan. '88 Phi Alpha

On Saturday, October 24, 1987, the first House Corporation Officers Regional Workshop took place in Denver, Colorado. The program which was coordinated by Sigma Alpha Epsilon, was a tremendous success due largely to the efforts of Tom Devine (*Minnesota Alpha*), the program facilitator. Attendance was good with over 30 individuals present representing 21 different organizations; the result being a highly productive and informative program.

The purpose of these workshops is to bring together House Corporation officers from Sigma Alpha Epsilon, as well as officers from other national fraternal organizations, to discuss and resolve the housing problems in a given geographical location. The program is thorough in content. Topics include House Corporation objectives, goal setting, budgeting, tax filings considerations, financing and risk management, to name a few. The success of a program such as this is dependent upon the active participation of as many individuals as possible. Just as having problems in different parts of the country fluctuate, so does the program, with emphasis placed on the problems of a given area.

As a result of the success of our first workshop, the National Interfraternity Conference (NIC) has decided to take this on as one of their regular programs. In the future, Sigma Alpha Epsilon will work in conjunction with the NIC on these workshops. The NIC has scheduled four more of these workshops. They are as follows:

- Atlanta, Georgia —
February 27, 1988
- Baltimore, Maryland —
March 5, 1988
- Anaheim, California —
April 9, 1988
- Cincinnati, Ohio —
May 7, 1988

This is an extremely well thought out program and we strongly recommend all of our House Corporation officers attend the workshop when it is scheduled for your area. If you have any further questions, please address them to Mr. Jonathan Brant, National Interfraternity Conference Inc., 3901 West 86th Street, Suite #390, Indianapolis, Indiana 46268. Phone (317) 782-1120.

Joseph R. Savage

Joseph Richard Savage (*University of Alabama '41*), passed away July 25, 1987 at age 69, at his home on Timberlane near Meridian, Mississippi. After recovering from extremely arduous surgery the month before, he was mercifully vouchsafed an apparently painless death while sleeping. He had only recently been presented with his 50-year service certificate from ΣAE.

Dick Savage was raised in Mobile, Alabama. After graduation he served in the Philippines in WW2 in the Military Police, U.S. Army and honorably discharged as Captain in 1946. From 1955-1972 he was Vice President/General Manager of Meridian Woodworking Company and later owner and President of Meridian Wood Products Company. He served three terms as Vice President of the Mississippi Manufacturers' Association and as vestryman and choir member of St. Paul's Episcopal Church.

His wife, Lois Wiley Savage, served as President of Alpha Gamma Delta Sorority at Alabama. Her family, by the way, is solid ΣAE: father, **James M. Wiley** (*University of Alabama '05*); uncle, **Fletcher Bailey** (*University of North Carolina '93*); brother, **O. C. Wiley** (*Auburn '34*); and at least four cousins, **Dr. James A. Brantley**, **O. Wiley Folmar**, **James M. Folmar**, and **J. Brantley Wiley**, natives of Troy.

He is survived by his wife, three children and three grandchildren.

William W. Knox

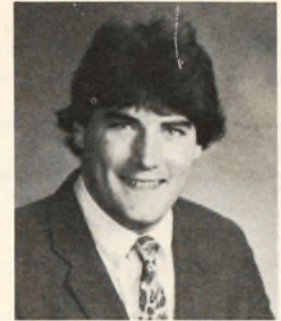

William W. Knox (*West Florida '70*), passed away on September 7, 1987 in Clearwater, Florida, after a bout with cancer. Born on October 20, 1948 in Cherry Point, North Carolina, he received his bachelor's degree in system science from the University of West Florida and later entered the U.S. Air Force. After discharge, Bill worked for the Federal Reserve Bank in Jacksonville, and for the 12 years before his death as a systems analyst for Pinellas County, Florida. To fill his spare time, he served as the secretary-treasurer of the Association of Information Systems Professionals. While an undergraduate, he served as the Omega College's senator and as president of Phi Alpha Epsilon (the colony of ΣAE). Bill is listed among the 73 charter brothers of Florida Sigma and recognized as one of the great leaders in the early history of the chapter. Memorial donations may be made to Hospice, Incorporated, 3400 70th Avenue North, Pinellas Park, Florida 34665.

Sean P. Avery

Sean Patrick Avery, **Towson State '87** (*Maryland Alpha*), died October 27, as a result of injuries and other complications caused by an automobile accident. The accident occurred October 15, and Sean remained in a medically induced paralysis up until the day he died.

While in the Shock Trauma Critical Care Unit at the University of Maryland Hospital, donations of blood in Sean's name by the Towson State Greek community and brothers of Maryland Omicron-Pi (UMBC) exceeded 40 pints. Sean turned 22 years old while in the hospital on October 24.

Sean was scheduled for graduation in December '87 as a Secondary Education/Math major. His gift for math was extraordinary, and he loved to teach and tutor others. In his final semester, he

was living his dream by student-teaching at an area elementary school.

Sean served as Pledge Educator this past Spring and was a highly loved and respected Brother. His trademark was his strong lungs and powerful voice which he used to say goodnight to everyone on all three floors of the chapter house while he was in his bed. He was a strong leader and his presence will be missed in the Fraternity and on campus.

H. Wallace Evans

H. Wallace Evans (*Indiana University '30*), passed away from complications of a stroke on October 1, 1987. A resident of Westover Hills, Indiana, he was treasurer of the DuPont Co. where he was employed in various capacities since 1934. Mr. Evans received a bachelor's degree in commerce and finance. He was a former president of Indiana Gamma Chapter of ΣAE and Alpha Kappa Psi. Mr. Evans is survived by his wife of nearly 56 years, Anne Elizabeth Richman Evans, two daughters and five grandchildren.

Alan D. "Wally" Kashare

Alan D. "Wally" Kashare (*University of LaVerne '87*), was killed in an automobile collision on October 10, 1987. He had served his chapter as House Manager and Eminent Archon, and graduated with a BS in political science. Having been elected alumni secretary, he was to be the primary liaison between the 1856 Club and the undergraduate chapter. He was employed as a sales representative for Temple Products in Chino. Having just turned 22 years of age in October, he was the youngest officer to be elected.

A remarkable and responsible young man, he had a ready smile and was always enthusiastic about being an ΣAE. Wally, as he was known by his brothers, was nick-

named for Wally Cleaver of the "Leave it to Beaver" television series for being a guy whom you could look up to and respect as an older brother, and his loss is exceptionally great for all of them.

Francis J. Morrissey, III

Francis J. Morrissey, III (*The College of Charleston '90*), died of head injuries sustained in a freak accident which occurred at a campus party on October 4, 1987. Fran was a pledge of ΣAE in the fall of 1986. A good athlete, he played first line defense on the ice hockey team.

He will be dearly missed by his many friends who have put together the following words:

A Memoriam ... to Francis J. Morrissey III

Some time has come
Some time has passed
But nothing seems the same.
Is heaven all above and
paradise below and the
questions all still remain.
Are we near you?
Can we hear you?
How could you disappear from here?
I wish for something -
I wish you were here.

Love and Phi Alpha!

"The boys from South Carolina Upsilon and Ocean City"

Dr. Charles Stark Draper

Dr. Charles Stark Draper (*University of Missouri '18*), died at age 85 on July 25, 1987. He stood among the pioneer members of the first group of aircraft engineers. Dr. Draper's contributions to inertial technology earned him the title of "Father of Inertial Navigation," having evolved the theory, invented and developed the technology and led the effort which brought inertial navigation to operational usage in aircraft, submarines, missiles and space vehicles. His later research resulted in the development of a complete navigation system for manned and unmanned vehicles, regardless of the weather, and without reliance on information from external sources. Such monumental efforts as the Apollo landing on the moon and the guidance systems for all strategic missiles in the U.S. inventory, both land and sea-based, bear the stamp of his genius. His work created an industry which has produced multibillions of dollars in sales.

Among the prestigious awards he re-

ceived are the National Medal of Science from President Lyndon Johnson, the Langley Medal of the Smithsonian Institute, the NASA Public Service Award, and the Goddard Trophy of the National Space Club.

In 1978, MIT established the Charles Stark Draper Professorship of Aeronautics and Astronautics in his honor. (Dr. Draper was chairman of the MIT Department of Aeronautics and Astronautics from 1951-1966.) In 1984, the National Society of Professional Engineers awarded him its Engineering Gold Award, citing his work in inertial guidance systems as one of the 10 outstanding engineering achievements of the past 50 years.

Dr. Draper is survived by his wife, Ivy Hurd Willard, four children, and six grandchildren.

A private funeral was held for the family and a memorial service at MIT for employees and friends.

BEQUESTS

The following brothers left bequests to the Sigma Alpha Epsilon Foundation, or the Fraternity, in their wills. These bequests were received from July 1, 1986 to June 30, 1987.

Brothers interested in including the Foundation in their will should contact David Arendt, Director of Development, at the Sigma Alpha Epsilon Foundation office in Evanston, Illinois.

Remember Σ AE In Your Estate Planning

"The best use of life is to invest it in something which will outlast life."

—William James

Your legacy can live on through the benefits of the Sigma Alpha Epsilon Foundation. A bequest in your will can help to ensure the continuance of our foundation's cause in giving scholarships, student loans, internships, educational & leadership programs and other services to worthy students. For further information contact the national fraternity office in Evanston, Illinois.

CHAPTER ETERNAL

This list is published in each issue of The Record to identify brothers who have joined the ΣAE Chapter Eternal. The list includes the names of all brothers for whom obituaries have been received at the national fraternity office as of November 15, 1987, since the last issue was published. If a chapter is not listed, it is because no death notices have been received on members of that chapter. Obituaries and death notices about ΣAE brothers should be sent, bearing the name, address and telephone number of the sender, to the national fraternity office.

THE O'KANES

Brother James P. O'Hara (Indiana '72) is half of the hot country duo, known as The O'Kanes. James O'Hara, and Kieran Kane (their name evolved from the O in O'Hara and Kane's last name) a native of Toledo, staged a homecoming last August as the warmup for Willie Nelson's concert at the University of Toledo's Centennial Hall. The people in Toledo remembered O'Hara, however, not as one of Nashville's most successful songwriters but as a talented Ottawa Hills High School football player who went on to play college football at Indiana University. A severe knee injury in his junior year ended his hopes of playing professional football, and he turned to music. "My family was always encouraging me one way or another," O'Hara reported. "When my father realized that I could no longer follow my first love, he gave me a guitar and told me to make it in music then." The gift was on his 21st birthday. Three months later, James O'Hara, Sr., an attorney and founder of the Louisville Title Insurance Co., died suddenly. His mother, Lindy, now lives in Palm Harbor, Florida.

Young Jamie returned to Indiana and graduated with a teaching degree. He came back to Toledo and tried several odd jobs — substitute teacher, railroad plant worker, factory worker, after which he was convinced he was "not cut out for the civilized world" and began honing his song writing skills and playing his guitar in nightclubs, like the Coach House where he played with a group headed by Bruce Lang. His break came when he and former wife, Meredith, were invited to an international folk festival in Ireland. He wrote songs and she sang them, and the contacts they made further cemented his desire to write full time. The couple moved to Nashville where O'Hara started making the rounds of music publishing houses with his guitar, tapes and material. The marriage ended a few years later, but O'Hara continued to play his guitar around Nashville, fine-tuning his skills.

After a couple of winners, **Older Women and Wandering Eyes**, he was hired by Tree Music Co. and teamed with Kane, 37, the son of a Queens,

New York merchant. Kane began playing drums in his brother's rock band at age 9, and by the time he landed in Nashville he had accumulated many years of road experience playing a guitar and mandolin with West Coast bands.

The teaming up of O'Hara and Kane was money in the bank for Tree Music. The duo seemed to grind out hits, working mostly by themselves in the attic of Kane's home. The two men, presuming that an album of their music wouldn't go anywhere without financial help, were preparing to go to Norway to seek money when CBS/Nashville Senior V.P. Rich Blackburn listened to **Oh Darlin'**, the first song on an album they planned for release. His reaction after listening to the first minute of the song, according to Kane, was "Sign 'em. And don't let anybody mess with 'em." That song and another cut, **Can't Stop My Heart From Lovin' You** made it into the top 10 on the country charts, and the pair suddenly found themselves the

hottest new performers in Nashville.

According to O'Hara, their music puts the vocals out front and the muted instrumentation is unobtrusive and doesn't detract from the lyrics. Some of the duets bring back memories of the Louvin Brothers, a gospel/country duo who came out of West Tennessee in the early 50's to become regulars on the Grand Ole Opry. Their razor sharp harmonies are yet to be duplicated, but the O'Kanes come close.

O'Hara gives much of the credit for their album's success to the selection of the instruments and musicians. The current road band features, beside O'Hara on acoustic guitar and Kane on mandolin, Richard Kane (Kieran's brother) on fiddle, Jay Spell on accordion, Roy Yeager on drums and Henry Strzelicki on acoustic bass.

1988 NEW ORLEANS

RODNEY KEITH FERGUSON, **Birmingham-Southern '86**, has been selected by The Rotary Foundation as a 1987-88 Rotary Foundation Scholar. Rodney, a past president of Alabama Iota, will be studying next year at the University of St. Andrews, Scotland, where he will pursue a master's degree in political science. Selection of a student for this award is based on the student's interest in promoting the ideals of the Rotary Foundation and their willingness to serve as goodwill ambassadors for their native country and region. Rodney was sponsored by the Birmingham Sunrise Rotary Club. He was the college roommate of Brother Scott McCary, the recipient of last year's Jones-Laurence Fraternity Scholarship Award; they remain close friends. Rodney maintained a 3.9 grade point average at Birmingham Southern and says that "the ideals of ΣAE, and the leadership skills I developed while a member of Alabama Iota, have been instrumental in my selection as a Rotary Schol-

ar. The insistence on excellence that was such an integral part of our chapter continues to compel us to achieve individual goals beyond our greatest expectations." After returning from St. Andrews, Rodney plans to pursue a career in higher education or public service. (See photo).

STEPHEN A. STITLE, **Indiana University '67**, president of Eli Lilly and Company becomes vice president of human resources, effective January 1, 1988.

COLORADO ZETA '50 REUNION. Continuing what is thought to be the best attended and longest series of regularly scheduled reunions in the annals of the fraternal world, nine brothers from Colorado Zeta '50 class met for the 11th time in September. (See photo). The series began shortly after graduation and has been held every five years since. Doug Timberlake, a

suburban Chicago resident who planned the September meeting, said some 25 to 35 of this group and their wives have attended all the reunions, traditionally held in Colorado where most of them live. Highlight of the meeting held this year in Chicago was a tour of the Levere Memorial Temple, followed by a catered brunch in Nippert Hall.

Nine brothers from Colorado Zeta's graduating class of 1950 toured Levere Memorial Temple as a highlight of their Chicago reunion. Left to Right are Doug Timberlake, Prospect Heights, Ill.; Paul D. Renner, Denver, Colo.; Homer P. Powers, Richmond, Va.; Dr. John Humphreys, Englewood, Colo.; Dr. Dale Poppert, Denver, Colo.; Lester Curl, Denver, Colo.; Doug Krouse, Covington, La.; Gene Fortier, Lakewood, Colo.; and George Wale, Fairfax, Va.

The Greatest Golf Tournament in Fraternity History

THAT IS HOW THE 10TH ANNIVERSARY of the ΣAE National Amateur is being billed. After nine years of a great tournament, how do you top what has already been done? According to tournament chairman Bob England, "There is something special about an anniversary event. We looked at every aspect of the tournament and made a commitment to make every social event, prize, souvenir and competition special." The tournament will be providing big social events every night with delicious Southern cooking and fresh Gulf seafood. Each party will also have a special theme, such as a Hawaiian Luau.

The tournament will be held at the beautiful 36-hole Tiger Point Country Club in Pensacola. The condition of the golf courses has never been better. The west course has been overseeded with bent grass this winter and that should provide an interesting putting challenge for the best of putters. The east course, under the ownership of Jerry Pate, has been recognized as one of the top championship golf courses in Florida.

As for the competition, there will be individual competition, partnership competition and also chapter competition between the schools. There may also be an optional Florida scramble for the avid golfers that want more than 3 days of golf.

The committee is also hard at work

on securing one or more of our celebrity brothers. Who knows, you just might be teeing up with Fran Tarkenton or T. Boone Pickens.

The dates for the 10th Anniversary tournament are May 18 thru May 21, 1988. May 18th is early registration. The practice round and two-man team tournament is held on May 19th and the tournament action takes place on May 20th and 21st. If you are not already on the mailing list, write now for information or call tournament chairman Bob England (904 479-3211). The address is ΣAE National Amateur, P.O. 12281, Pensacola, FL 32573. The tournament will be capped at 150 brothers, so make your plans early.

Downing Gray, Florida Beta, took the top spot in the 1987 event. He won by one shot over brother Mark Ingebrigton, Texas Alpha. This was Downing's 5th victory in the National Amateur. It is not unusual for brother Downing to be in the winner's circle, as he has many credits including runner-up in the U.S. Amateur, low amateur in the Masters and former member of the U.S. Walker Cup. Brother Steve Short of Burr Patterson presented the collegiate winner, Mark Ingebrigton, with a custom golf ring that is traditionally given to the collegiate winner by Steve's company.

Following is a list of the other winners in the 1987 event.

Chapter News Briefs

Kentucky Brothers at the Falls

UNIVERSITY OF KENTUCKY: Rush week was sponsored this Fall by Pepsi Corporation, providing Σ AE with free Pepsi and other gifts. President Mark Fulcher reported the decision to seek the company's sponsorship was an attempt to "tear down the association of alcohol and fraternities." **Walt Gross, III** (Miami '72) Pepsi Cola President helped to arrange the deal. Various door prizes, including t-shirts, six-pack coolers, glass pitchers and a two-man life boat, were included in the Saturday night festivities.

OGLETHORPE: The brothers moved into a new chapter house on September 1st and will host the Province Epsilon Convention in January 1988 and conduct their 5th Annual March-to-Macon for the benefit of the American Cancer Society very soon. The chapter held a summer rush barbecue at the home of Chapter Advisor Johnny Warren and have pledged 12 new members.

Dave & Judy, Ben & Carol

UNIVERSITY OF CINCINNATI — UNIVERSITY OF MIAMI (Ohio): The rivalry of the Thanksgiving Day 1923 game for which Jimmy Nippert paid with his life, was relived once again this year and Σ AE was honoring the game in a special way. Our Eminent Supreme Archon, **Ben Allen** ('60 Ohio Tau) and our Eminent Supreme Deputy Archon, **Dave Lance** ('56 Ohio Epsilon) were both present. The game was held in Nippert Stadium at the University of Cincinnati, donated by the grandparents of Jimmy Nippert. The Bearcats of U.C. came back in the fourth quarter to defeat the Redskins by a 31-26 score. After the game, with no apparent hard feelings between the two, Ben Allen and David Lance returned to the chapter house accompanied by members of their chapters. It is clear that this rivalry is much more than a football game to Σ AE. It marked the beginning of the Nippert Memorial Temple.

WYOMING: Brother Greg Erramouspe took first runner-up in the Homecoming King competition. With a 52-10 Wyoming victory over San Diego State, it was an enjoyable weekend for all. Public Relations Officer Chris Reyburn amazed all with his collections for United Way by organizing a football game for charity.

INDIANA STATE: Parents and Alumni Day was a great success. From coffee and doughnuts to football to formal pledging of the fall pledge class at the United Ministries, it was a day to remember with the total number of actives and pledges adding up to 43.

BROTHERHOOD CROSSES STATE LINES: Following the road of tradition, a contingent of brothers drove from the University of Iowa to the Kansas University chapter house for the 3rd annual Intra-Chapter Brotherhood assembly between the two chapters of Sigma Alpha Epsilon Fraternity. Iowa Rush Captain Dan Schrock, Jr. praises the assembly as "a positive experience that helps to foster brotherhood between Σ AEs of different schools, states and provinces ..." "Without the exchange of rush materials my chapter received from the Kansas Σ AEs, it would have been difficult to have had the successful fall rush that I organized."

Initiation at Rhode Island

OHIO UNIVERSITY: The Brothers celebrated a true homecoming by moving back into the traditional Ohio Gamma Chapter house at 57 East State Street. Σ AE actives and alumni gathered at the house during the weekend of August 21-23 for "Help Weekend." Grabbing brooms, mops, hammer, saws and all other required tools, the chapter engaged in a work party that included fixing, cleaning and pure brotherhood. The official Homecoming '87 took place October 23-25. Beginning with the Homecoming parade in downtown Athens, the festivities included a lunch at the University Alumni Center, the Bobcats vs. Kent State Golden Flashes at Peden Stadium, a reunion of former varsity athletes and coaches, it closed with the Performing Arts Series presenting the Preservation Hall Jazz Band from the jazz capital of the world, New Orleans.

ALLEGHENY COLLEGE: The fourth Σ AE chapter to be chartered north of the Mason-Dixon line (March 5, 1887) celebrated its 100th birthday during the weekend of May 8-10, 1987. Nearly 100 alums participated with some returning from as far away as Kansas City, Denver, Dallas, San Francisco and Toronto. Among the attendees were ESA Ben Allen, Todd Dickinson '74, Marty Goldberg, Alumni Affairs coordinator at Allegheny College, and Eminent Archon John Graziano.

ADRIAN COLLEGE: This chapter is celebrating their 100th anniversary. Brothers are reminded to reserve June 18, 1988 for their Third Annual Golf Outing. Organizers of this year's golf outing held June 20th at the Woodlawn Golf Club in Adrian, Mike Ayre ('82) and Tom Yakel ('82) report this year's outing was better than the inaugural event, as 25 brothers traveled from Pennsylvania, Ohio, Indiana and many parts of Michigan

UNIVERSITY OF ARIZONA: Boomer Gibson earned the Wildcats' Special Teams Player of the Week Award for his special teams play, as reported in the Arizona Daily Star. "Gibson, a fifth-year senior from Orange, California, is in his second year as a starter at linebacker, a position that has been built into a traditionally strong one at the University of Arizona with such alumni as **Ricky** and **Lamonte Hunley** and **Bryon Evans**," per Jay Gonzales of the newspaper. Brother **Joe Buschon** was the 1987 Homecoming King at the U of A.

WICHITA STATE: Brother **Karl Hesse** was crowned Homecoming King at October 9th's Homecoming festivities. Hesse, who has served the chapter as social chairman, and EA, was the Interfraternity Council vice president in 1986 and president in 1987. He has been selected as a member of the Mortar Board and was recently named as one of the five Senior Honor Men for 1988.

BOSTON UNIVERSITY: Last Spring, the brothers walked the Marathon route for their second annual "Walk-for-Cure," a fundraising event to benefit the Spinal Cord Society — an international society dedicated to the cure, research and treatment of spinal cord injury and related problems. The chapter became involved with SCS after one of their brothers, 1984 School of Management graduate Dennis Heaphy, was paralyzed in a diving accident while working for the Jesuits in Central America. Nine members completed the 26-mile course.

CREIGHTON UNIVERSITY: Brother Regan won a local keg throw to benefit children with MS. Others in the competition were brothers Blair, Kanatzar, Silvias and Spurgeon, who took 1st place. Brothers who gave 20 or more hours of their time to help children in local hospitals and centers were Brothers Forbes, Kwapiszeski, Barnes and Pusanik. Brothers Elson and Fry helped install air conditioning in a local convent. This was all topped by their first annual retreat organized by Chaplain Brother Plunkett.

MIDDLE TENNESSEE: The ΣAE Chapter at Middle Tennessee has nominated John H. Baugh, Jr. the award for Outstanding Pledge Programming. Spring Semester 1987 accomplishments: (a) 2nd highest GPA out of ten fraternities, (b) Intramural Greek Basketball Champions All-Campus runner-up, (c) 2nd place, All-Sing, and (d) Helped renovate **The Dry Dock**, a teen club where alcohol is prohibited.

Toledo Brothers on Temple Pilgrimage

UNIVERSITY OF TOLEDO: Brothers held an Active/Alumni parents tailgate party for their Homecoming game vs. Miami University. Proceeds from the chicken dinner, organized by **Chuck Hodge**, '64, benefitted alumni **Bill Spencer** (known around Toledo as Uncle Ben from WTVG TV-13). Brother Spencer is in need of special out-of-country cancer treatments. The party, dubbed the "Redskin Roast," also helped the chapter organize a Parents Association.

UNIVERSITY OF TENNESSEE: The brothers sponsored a full-contact football tournament that raised \$4,600 for the Emergency Student Loan Fund at UT. The amount represents the biggest single contribution by a student organization in UT history...Held the seventh annual boxing tournament, which raised \$3,500 for Cystic Fibrosis and Golden Glove charities. Brothers won five weight class championships, as well as the team championship...The chapter presented U.S. Circuit Judge Porter with ΣAE's T.H.E. Award in law for 1986...Brother **Matthew Daniel** was elected vice president of IFC.

COLORADO STATE: At the "Greek Night Out," the chapter won awards in nine of 12 categories. Their major awards included Most Outstanding Chapter, Best Pledge Program, Best Greek Supplemental Programming, All-Greek, All-Campus Soccer and All-Greek Athletics. They retired the Most Improved Scholarship Award trophy.

COLORADO: Brother James Spitzer, president of the University's Interfraternity Council, was honored at the Greek Awards Banquet as the Outstanding Greek Man for 1986.

CONNECTICUT: Held a benefit softball tournament to raise money for a local youth services organization ... Raised \$1300 from a campus band party. The money was donated to several area charities.

SAN JOSE STATE: After five years of non-participation, the chapter won the Greek Week competition by a landslide ... The Chapter also staged an alumni/active golf tournament. There were 40 alumni in attendance for the golf and barbecue that followed.

Santa comes to Santa Clara

SANTA CLARA UNIVERSITY: Last Christmas the brothers held a Christmas party and gave gifts to 30 children whose parent(s) are in prison ... After barely making it to the playoffs as the last seed, the Cal Phi soccer team won the intramural soccer title.

WILLAMETTE: Hosted the Province Lambda leadership school which focused on dry rush and alcohol policy development. Province Mu Archon **Marc Franson** said of the seminar on dry rush activities: "Everyone was surprised at how many things could be done."

A visit to the California Tau chapter at Cal Poly-San Luis Obispo will surely have you seeing double. The chapter has four sets of twins, (l. to r.) Ken and Bruce Grablin, Brad and Mark Reuling, John and Ed Attala and Greg and Jeff Baker.

DENISON: Brother **Dave Fonkalsrud** is president of campus government and a member of the varsity track team... **Tom Anderson** and **Michael Williams** qualified for the national swimming championships. Tom is a former national champion in the breaststroke.

MOUNT UNION: Brothers raised \$1,500 for a local children's hospital by sponsoring a volleyball marathon, which lasted three days ... Brothers **Steven Wood**, **Joel Nowicki** and All-American **Sean Malottke** all won honors at the NCAA swimming championships.

YOUNGSTOWN STATE: Brother **Phil Commins** has been elected president of IFC, and Brother **Sam McKinney** was elected IFC rush chairman.

OHIO WESLEYAN: Brother **Jeff Kaplan**, a past EA, was named co-captain of the varsity soccer team, named an Academic All-American, nominated for both the Marshall Scholarship and a Rhodes Scholarship and elected to the Mortar Board Honor Society.

MILLIKIN: Brother **Rodney Miller** was named to the Division III swimming All-American team for the second straight year. He was also named the College Male Swimmer-of-the-Year by the Illinois Swimming Association... The chapter sponsored two non-alcoholic dances with proceeds going to the American Cancer Society and the Decatur Alcohol Council.

EVANSVILLE: In pouring rain, the chapter raised \$1200 in a Bike-a-Thon for the American Heart Association ... Brother **Forrest Brumbaugh** was elected president of the Student Association.

DEPAUW: Raised over \$800 for the Muscular Dystrophy Association during a "Quarter Mile of Quarters."

INDIANA: The team of **Jim Homrighausen**, **Rod Jette**, **Jim Kiernan** and **Marc Mueller** captured the pole for the 37th annual Little 500 Bicycle Race.

Indiana Biker races in Little 500

MEMPHIS STATE: Four brothers hold leadership positions at MSU. **Chip Crump** and **Patrick Harlan** are senators in the student government, while **Jody Lawrence** and **Matt Morice** serve as chief justice and vice president of public relations for IFC.

WESTERN KENTUCKY: The chapter won the campus intramural championship for the second year in a row by a record margin... The brothers won the "Midnight Mania" spirit competition signaling the start of basketball season for the second year in a row... Had a cookout and dance in honor of graduating seniors. Of those seniors, Brother **Shawn Barkley** was accepted to Columbia Theological Seminary, and Brother **Matt Fones** is attending Chase Law School at Northern Kentucky... Annual parents day had more than 200 in attendance.

Dear Brothers:

This year we write to you with great enthusiasm and appreciation. So many of you have met the challenge when called upon to support The Campaign for SAE. We are pleased to inform you that we now have in commitments to the Campaign \$6,191,744.15.

We have been using a three-prong approach to reach our goal of \$7,500,000. You will read in more detail about them later, but we have personally met with many individuals, we have held campaign luncheons in 24 cities across the country, and we are conducting a nationwide telephone campaign to reach even more brothers.

We are enthusiastic not only because of the support so many of you have given to the Campaign, but also because of the desire of so many brothers to help us raise this much-needed endowment. Many of you have offered to contact brothers from your chapter. Our chapter at the University of Missouri, as well as some brothers living in St. Louis from numerous other chapters, have committed their time and energies to making the phone calls to alumni across the country.

As trustees, it is rewarding to know that so many of you value your SAE experience and are willing to help ensure that future generations of SAE find their experience as rewarding.

We are optimistic about exceeding our goal in 1988. Therefore, if you have not yet been contacted, we hope that when you are, you will join the ranks of brothers who have stepped forward and help SAE achieve this important milestone.

Fraternally,

David M. Lance

EARLY THANK YOU AND PHI ALPHA!

On behalf of all 14,000 undergraduates, we, the Leadership School Class of 1987, would like to thank all of you alumni who have so generously supported the Leadership School and the other programs of the Sigma Alpha Epsilon Foundation.

We realize that were it not for your support each year, many of the offerings of Σ AE would not be available to us.

With your help, we will strive to continue the great traditions of our Fraternity, which you helped establish and maintain.

Join us on The Path to Leadership. When you're asked to meet The Campaign challenge, remember you can touch a brother's life.

For information on The Campaign for Σ AE, contact David Arendt, director of development, Σ AE Foundation, P.O. Box 1856, Evanston, IL 60204; (312) 475-1856.

THE CAMPAIGN FOR Σ AE seeks \$7.5 million over a three-year period to reinforce existing strengths by endowing leadership development and educational and financial aid programs for undergraduates. The fundamental commitments of The Campaign are to preserve and perpetuate the fraternity's rich heritage of leadership, scholarship and fellowship.
