ALABAMA ZEAL

ANNUAL REPORT

Message From The ESA

The 1987-1988 fiscal year was an exciting, record breaking year for Sigma Alpha Epsilon. ...

During the year, five new Σ AE chapters were installed to give the fraternity a total of 200 active chapters for the first time in its long history. And, thanks to an outstanding performance by the fraternity's Extension Advisory Committee, there are yet another ten strong colonies striving to achieve their Σ AE charters.

During the 1987-1988 school year, a record number of 4,360 new brothers were initiated into the bonds of Σ AE. This surpasses the previous record of 4,267 initiates which was set twenty years ago during the 1967-1968 school year. Since our founding in 1856, Σ AE has initiated well over 210,000 brothers; far more total initiates than any of our peers in the fraternity world.

Annual giving to Σ AE during this past year reached an all-time high as 14,000 brothers contributed almost \$1 million to the fraternity. Thanks to the support of these brothers; as attested by the financial

statements contained in this, our annual report; Σ AE ended the fiscal year in an excellent financial position. This outstanding alumni support permits the fraternity to continue and to expand the exemplary programs and projects which continue to keep Σ AE atop of and a recognized leader in the fraternity world.

Yet another record was set when over 600 young men attended the 52nd annual Σ AE Leadership School held in Evanston in August of 1987. The Leadership School continues to broaden and to improve its curriculum to meet the ever changing needs of today's undergraduates, chapter advisors and house corporation members. The Σ AE Leadership School continues to serve as a model for the

leadership training programs of most of our peers in the fraternity world.

The Leadership School, however, is but one example of the many programs in place which reflects the fraternity's commitment to improving the quality of undergraduate life. Emphasis continues to be placed on those programs which strive to improve chapter housing and to educate our brothers in pledge programming, risk management and today's men's health issues.

During this past year, the national fraternity undertook the task of identifying the Σ AE brothers who lost their lives or who are missing in action in the conflict in Viet Nam. To recognize, to remember and to reflect our

fraternal pride in these brothers and in all of the brave brothers who served their country in this conflict, a Viet Nam memorial, an idea conceived by the Portland, Oregon Alumni Association, was dedicated and placed on permanent display in the Levere Memorial Temple during the 1988 Leadership School.

The Supreme Council: Dave Lance, Ron Doleac, Ben Allen, Bill Chapman, and Marc Franson.

We can all take considerable pride in the successes achieved by Sigma Alpha Epsilon and in the positive direction being taken and the leadership role being assumed by the fraternity. The past and the continued successes realized by Σ AE are a direct result of the exemplary efforts being put forth by our National Office staff and by the outstanding and concerned brothers who selflessly give of their time, their energy and their resources to the fraternity. The Supreme Council and the fraternity as a whole sincerely thank these loyal and dedicated employees and volunteers who have given ... and continue to give ... so much of themselves to making Σ AE what it is today.

FROM THE EDITOR

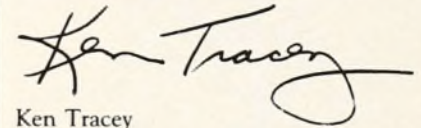

Our cover story, **Alabama Zeal**, tells of that remarkable ΣAE chapter at Birmingham-Southern College. Alabama Iota has won the most coveted award in the fraternity for an unprecedented third time. To win, a chapter must do well in every category of chapter life. They must also possess that indefinable quality, zeal. Alabama Iota brothers have zeal for each other, for others and for life. Their wonderful story is insightfully related by Mike Sophir.

Tragedy hits close to home. Jay Price, of my own New Mexico Alpha chapter, was shot to death by three would-be party crashers. A senseless thing. I didn't know Jay. After talking with his brothers and friends I could see what a fine guy he was. He selflessly shared himself even in his final act. Along with his family and chapter brothers, we share the grief and celebrate his life. You can read about Jay in Chapter Eternal.

This issue contains a good amount of both Chapter and Alumni News. For a long time we had plenty of space for these items but not many contributions. Now we have the opposite problem, more news items are submitted than space allows. We do the best we can to accommodate all the news. Photo submissions have improved greatly in quality. We try not to run photos with alcohol in them so some good pictures have had to be eliminated.

Another great leadership training experience was provided to over 500 chapter leaders last summer at the 53rd Leadership School. The size of the school was deliberately cut by 150 men due to space limitations imposed by Northwestern University. The result was a much higher quality experience for those who attended. We plan to supplement leadership training in the future with quality regional leadership training programs. Read all about the 53rd starting on page 6.

This is our annual report issue. We reflect the highlights of the past year in **Living the Good Old Days** starting on page 9. The report reflects the great pride, human spirit and achievements that exist in our fraternity. We should remember that, above all the facts and figures and statistics, ΣAE is about people. The individual and his growth as a person is paramount. Making and keeping friends is still what it is all about. We are grateful to all of the wonderful men who comprise our brotherhood. We rejoice in all we do for each other and for other people. These are great times. This issue is dedicated to all the brothers of ΣAE.

...A Definition of Zeal

by Michael Saphir

Each year chapters await the announcement of the John O. Moseley Award for Fraternity Zeal. As the days of Leadership School progress the anticipation of the announcement of the winner escalates. On Wednesday, as the Final Banquet of the School nears its conclusion, the Eminent Supreme Archon rises to the podium. As he begins, "Brothers it is now time to present the award you have all been waiting for," a hush falls over the Grand Ballroom of the Orrington Hotel.

"This year's winner in addition to having their name placed on the award plaque displayed in the foyer of the Temple, will receive a plaque for their chapter house and, for the first time, presented by the Portland Alumni association, a bronze statue of the ΣAE lion."

... and the 1988 winner of the John O. Moseley Award for Fraternity Zeal ... for the third time during the past six years ... the only chapter to win it three times ... Alabama Iota of Birmingham-Southern College, Birmingham, Alabama.

As you approach this liberal arts institution you cannot help but be struck by the impressive formal entrance and wrought iron fence and gates which surround the campus. As you circle among the various colonial style buildings you feel a warmth and quaintness about this institution founded ironically in 1856.

Once at the house, you will find a chapter that is today ninety men strong and has been in continuous existence since 1878. This is a group of men who cherish the opportunities of the Fraternity. They place great value on communication and the chance they have been given to work together for common goals, those being the success of the chapter and each individual.

You will find an ΣAE involved in almost every facet of the University, from Student Government to academic honoraries.

Their chapter programs have developed through the years to meet the challenges of the changing campus, Greek system, community and, most importantly, the needs of its members.

Scholarship ranks of the utmost importance, realizing that when you take pride in your education and strive to meet your potential it has a direct influence on the attitude, involvement and dedication of each brother.

Brothers and Friends at Alabama Zeal.

Over the course of the past three years alone, Alabama Iota has been at or near the top of their Greek System academically, ranging from a 3.0 to a 3.2 chapter average. They have well-organized incentive programming, tutoring services, scholastic awards and in addition to minimum initiation requirements, must maintain a 2.5 GPA to run for or hold office.

Each brother has an impeccable knowledge of chapter operations which begins in their pledge education program. Void of hazing they stress total chapter participation, learning everything from history to National Laws, Chapter Bylaws, office responsibilities and issues which affect today's students. It is their desire to teach these new young members everything there is to know about the fraternity, so that upon initiation they are fully prepared to assume a leadership roll. The concentration and purpose of their program is the

development of good brothers, not good pledges.

In the Birmingham Community they have spent countless hours working with groups such as the Muscular Dystrophy Association, the Junior League of Birmingham, local orphanages and various campus programs. Most notably, each Monday evening a team of big and little brothers spends the night at a men's homeless shelter. There they serve food, wash clothes and spend time conversing with these gentlemen in the hopes of offering them simple kindness.

Brothers demonstrate a thorough working knowledge of the Ritual. This past year they invested a great deal of time and effort in the restoration of a room, to be used, both as a safeguard for their equipment and to provide an atmosphere to emphasize the meaning and importance of the ideals of the Fraternity.

In February of each year the chapter conducts its annual initiation ceremony. Early on a Friday evening they travel to the outskirts of Birmingham to the home of an alumnus. A candlelit path through the woods on the land of this brother leads them to a clearing. Here under the stars is where the neophytes of Alabama Iota first learn the meaning of the Fraternity and become initiated brothers.

Yet beyond the daily operations of this chapter and their ability to challenge themselves with new and creative ideas, it is the commitment they have to the Fraternity and one another that emphasizes the cohesiveness and trust among them.

They place extreme value on the time they have to spend together. They are quick to challenge each other to become involved both on campus and in the chapter and are not hesitant about offering advice or constructive criticism. They are never hindered in their ability to offer a helping hand or to express their emotions regarding each other. They simply never take a moment for granted.

At the same time, they are certainly not without frustrations, obstacles or differing opinions, but it is the manner in which they handle these situations that speaks quite highly of them. They have the uncanny ability to find value in others opinions, no matter how far they

may stray from their own. Their ability to learn from their mistakes, and develop and implement ideas to fit their needs is outstanding. They comprise a rare quality to look past the black and white of an issue and discover a full-color picture.

It is important to note that although they have won this award twice before, 1983, 1984, the undergraduates who comprise the chapter today were not yet even enrolled as college students, therefore attesting to the level of communication they have attained and signifying their effectiveness in teaching, organizing and conveying the ideals of ΣΑΕ on a long term basis.

At a recent Province Epsilon Convention, a group of undergraduates from the chapter were asked by another group:

"What is the secret to your success?"

Their response:

"First, we care about one another and we love each other. Additionally, we have learned that we can apply the knowledge we gain in the classroom from courses such as management to the daily operations of our chapter. Yet, most importantly we will not allow ourselves to be caught in tradition. We will not dispute the value of some traditions; however, you must keep them in perspective. The only tradition we have at Alabama Iota is the tradition of change; we will not settle one year for what we know we can do better the next."

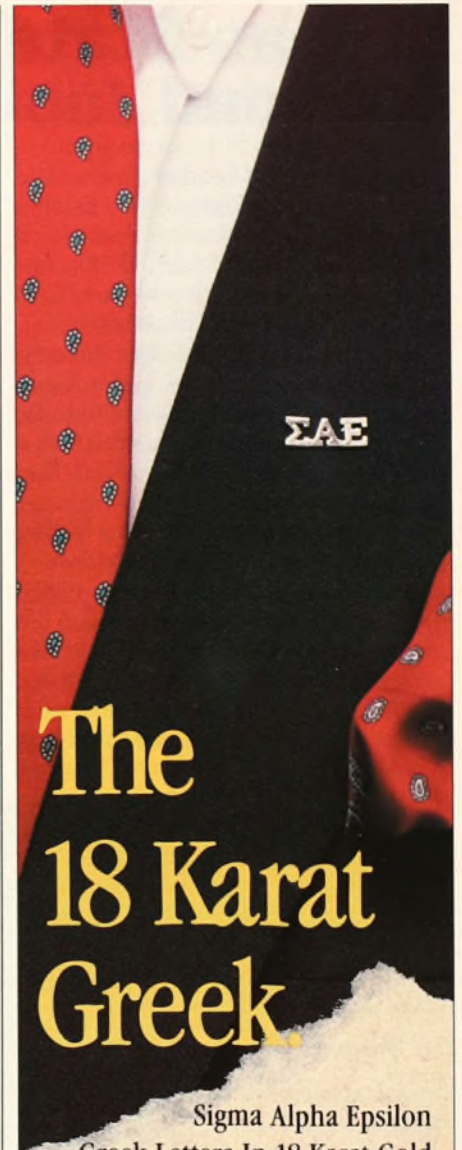

Brothers, Alabama Iota is a chapter of which we all can be proud!

Kansas State Celebrates Diamond Jubilee

"The Epsilons" provided the entertainment for the gathering. Their first reunion in more than twenty years.

More than 450 brothers, wives and active members of Sigma Alpha Epsilon gathered in Manhattan, Kansas for a gala weekend March 25-27, 1988 to observe the 75th Anniversary of their Kansas State chapter. A highlight of the celebration at the Saturday night banquet was the honoring of Byron Taylor, Class of 1916 and the only surviving founder member of Kansas Beta Chapter, with a special plaque presented by ESA Ben Allen.

Brother Taylor and his wife, Nettie, attend almost every alumni function — he even enjoys a few turns on the dance floor, particularly when the Σ AE's "theme song" **Violets** is played. He also freely admits to frequently singing a few bars at home and reminisces, "We had a quartet that could really sing that song; it made your heart swell and you felt mighty proud."

Other items on the agenda were golf, flag football, pledge class reunions, a combined undergraduate/alumni "chapter" meeting, a ladies' fashion show, a dance, and a bus tour of the city and campus with stops at Bramlage Coliseum and Town Center Mall.

75th Anniversary Co-Chairman Alan Stetson '80.

Eminent Supreme Archon Ben L. Allen confers the 75 year membership upon Byron J. Taylor '17.

Since the chartering of Kansas Beta in 1913 with a class of 27, there have been 1,540 inductees. Seventy members now occupy the chapter house.

Many prominent members, now deceased, include Milton Eisenhower, Evan and Tom Griffith, Alvin Hostetler, Vance Washington and the four Wareham brothers, Harry, Blake, Ralph and Everett.

Preliminary plans for an addition to the chapter house were unveiled with fundraising activity scheduled to commence during the 1988-89 school year.

Ralleye Fever

Driving through 8,500 dangerous and barren miles, in which you often must create your own path hardly sounds like a enjoyable undertaking. But to three adventurous brothers from Boston, competing in the Trans-Amazon Road Rallye, it was an exhilarating experience.

The race first captured the interest of Jeff Brand, Boston '87 (Beta-Upsilon), Mark Hughes '87, and Joe Phillips '86, last October, when they noticed an ad for it in a magazine. By December they had already bought a Toyota Land Cruiser for the April 21st-May 6th event.

Straight from the factory, the car was far from ready to take on the world's toughest road rallye course, spanning from Cartagena, Colombia to Buenos Aires, Argentina. The three men had to send the car to get modified in Alabama, the nearest place that could undertake the job of suiting car to course. Roll bars, special seat belts, and an 80-gallon fuel cell were among the equipment added to the Land Cruiser. After driving it to New Orleans, they shipped the car to Colombia.

Their diligent preparation did little to make the race a comfortable experience, though. When a group of competitors drove off a cliff to their deaths on the first night, it served as a reminder that intense concentration was a must. The course would not relent as six of the top ten finishers rolled at least once and, by the end of the race, only 14 out of 88 teams were still running. And by that time, those still left were exhausted.

An average day consisted of driving through trees and ditches from 7:00 AM until midnight, with only an occasional town or city providing a real path

on which to drive. When they reached each night's destination, another hour or two was spent making what repairs they could on their beat-up car. Navigator Hughes had to combat a broken odometer and at least a flat a day to direct the Boston team. Most nights were spent sleeping in tents or downtrodden hotels, but the rest was welcome following the intense days.

The race was not all treachery, however, to which their gratification attests. In a continent where soccer and road rallyes are the two most popular sports, "we were treated like heroes," Hughes said. "We also met a lot of interesting, quality people." Indeed, when their suspension literally was on the ground less than a week into the race, the three Americans thought their journey was over. But a mechanic at the only service station for miles spent hours repairing their car, while the three men were treated to refreshments. Another memorable experience was blasting rock and reggae music to the thousands of appreciative

onlookers that lined the streets of towns and cities. The music was supplied courtesy of Bose Stereo Equipment, one of the team's sponsors.

Lining up sponsors actually proved to be one of their most difficult tasks. Convincing a company to sponsor three first-time competitors in a race that, without definite skill and some luck, could end in a day, is not easy.

But when all was said and done, the sponsors had their money's worth, and Brand, Hughes, and Phillips had surpassed all of their expectations. Finishing 12th in a field of competitors that included several previous champions, and 7th in their class, was a satisfying feeling for the three men.

But though they were happy even to finish, don't expect them to stick with the real estate development business in which they are partners for 365 days a year. "We plan on doing at least one of these a year," Brand proclaimed. "We've got the rallye fever."

Alumni Reminded of *The Record* Circulation Policy

The National Convention of the fraternity voted in 1981 to change the circulation policy of *The Record* due to the high costs of paper, printing and mailing.

The current policy allows a brother to automatically receive each quarterly issue of the magazine until his initiation class has been out of college five years.

Thereafter, an alumnus will receive only the Annual Report issue each winter, unless he contributes a minimum of \$10 annually to the Sigma Alpha Epsilon Foundation. Once a brother's total support reaches \$100, he will receive the magazine quarterly for life.

Brothers who would like to receive the magazine quarterly, may send a contribution of \$10 or more to the Sigma Alpha Epsilon Foundation, P.O. Box 1856, Evanston, IL 60204. All foundation contributions are tax-deductible and will appear on the member's giving record.

Leadership '88

Since the birth of Σ AE's Leadership School in 1935, year after year delegates and faculty alike have praised the program as a driving force in their commitment to the fraternity. Each year seems to bring comments referring to the most recent School as "the best ever." A comparison between the 1st and 53rd Leadership Schools, however, would be difficult to make; although the basic purpose has remained the same, changing times bring new issues and distinct character. While the 498 delegates, 37 faculty members, 25 Province Archons, 23 Chapter Advisors, and 13 House Corporation Officers attending the 1988 Leadership School spent numerous hours discussing the matters of the fraternity, perhaps the most valuable experience was learning about a wide array of men with different backgrounds and lifestyles, but all with a common interest in Σ AE.

A talk with Eminent Supreme Archon Ben Allen, at his 10th School, revealed his thoughts on this class: "These young men comprise the most thoughtful, in attune, devoted group I've ever seen at Leadership School." They had good reason to take a particularly strong interest in the program, as 1988 brought serious issues into the spotlight. Foremost of these is the Risk Management Program. With increasing liability suits being brought against fraternities, a goal of this program is to compel the chapters to use more care when dealing with alcohol. The fundamental message, Allen said, is that the responsibility should lie with "the individual who is drinking. You should be responsible for yourself—not the chapter or national." Although the program is not necessarily looked upon favorably by the undergraduates, "they understand the reasons for it."

On a more broad scale, this year's School dealt with problem-solving methods — "how to identify problems and challenges, and formulate strategies," according to Jay DeWitt, Σ AE's Director of Educational Programs. Working on his 3rd Leadership School, DeWitt said that "this crowd seems more serious about getting the most out of the program. They're really taking advantage of it." The program included group meetings, sing-alongs, awards presentations, ceremonies, seminars,

and other activities aimed not only at strengthening fraternal commitment but encouraging each delegate to explore and gain insight into his own life.

Past ESA Houston and ESA Allen Flank Viet Nam Memorial.

Certainly one of the most moving occasions of the four days was the Dedication of the Viet Nam Memorial, a bust contributed by the Portland Alumni Association in memory of the many Σ AEs who died in the conflict. The Dedication took place in a Chapel overflowing with concerned brothers who listened intently to Father Robert Hedges and Immediate Past ESA J. Clarke Houston, III, despite the suffocating heat and humidity generated by the crowded setting. Pictures of Houston, who himself served as a Company Commander in the USMC in Viet Nam from May 1967 to June 1968, served as the sculptor's model for the bust. The Captain's emotional attachment to those who served in the war was evident in his speech, which described the Viet Nam years as an "intense period of introspection for the United States. These brothers [who served] are just like you, but responded to the ultimate challenge." Following the dedication and unveiling of the bust, Father Hedges invited brothers to take the stand and remember all dead brothers. Delegates then filed out of the Chapel quietly, with the memory of the service having created a contemplative mood.

"The Viet Nam Memorial Dedication and the Model Initiation will definitely

be two of the most memorable events of the week," said Troy Means, **Southern California '90**, and John Harper, **Southern Methodist '89**. Indeed, just the experience of being at the National Office in itself was an important one for the undergraduates. "I've waited four years to get here," said Scott Barrier, **Townson State '89**, "and I'm learning that we have an incredible support structure here at National." Another aspect of the National Headquarters that made the visit so special was the opportunity to "soak up the history of the fraternity."

But the August 14th-17th School did not entirely fill up the days with planned events, and brothers also spent time exploring Lake Michigan, the Northwestern campus, Evanston, and Chicago. Any free time was welcome, particularly since much of the time the delegates and faculty had to endure a 110-degree heat index in coat and tie. Though most of the men agreed that they would miss the School when it ended, they unanimously agreed "we're not gonna miss the heat."

But several brave Σ AEs found themselves at the starting line of Minerva's 8th Annual Highway Run at 7:00 one morning. They were described as "crazy" by those who chose not to participate. Trips to Chicago on the 'El,' of which the air-conditioning system is quite suspect, would have to be extremely rewarding to be worth the ride. One brother said in passing, "I wouldn't get back on that 'El' if you paid me!" Some of the men found it more beneficial just to sit in their dorm rooms and fan themselves while they talked and became better acquainted with other brothers. A few cooled off by visiting dorm counselors and faculty who were lucky enough to stay in an air-conditioned dorm, while others found Lake Michigan to be a welcome relief.

The end of Leadership School brought mixed emotions from most who, excited by what they had learned, were still eager to stay for more. Despite the wide variance of geographical areas represented by the delegates, the common goals shared made this year's group a very close-knit one. Barrier was particularly touched by the tremendous sense of fellowship. "It has been very easy for me to meet many brothers," he said, "but unfortunately, it's such a rare opportunity for so few."

Which brings up another important issue: With the Leadership School Delegates being among the most motivated men in their chapters, how smoothly will their experiences at the School be translated into overall improvement of each chapter? The answers to that question will not come easily, but most agree with ESA Allen — that "those who want to improve their chapters can," and the delegates at the School can show them ways to do so. Hopefully, their newly discovered image of the National fraternity will help to show their chapter members that ΣAE is not limited to their corner of the world. In that way, each individual improvement can be an improvement for thousands of brothers from all over.

Why We Need Your Help — And Why It Will Help Beloit As Well

The goal: \$500,000 in pledges from SAE alumni and other friends of SAE (with approximately 500 alumni that means an average gift of \$1,000 is needed).

What the fund will do: Provide the funds necessary to renovate the current 810 College Building for suitable use as a new home for the SAE Fraternity.

Why now: Between now and 1996, the College will be asking all alumni and friends to help support over \$10 million in residence hall improvements (including fraternity and special-interest houses). This special campaign is a unique opportunity for you to support the College and play a major role in re-establishing SAE Fraternity as a strong College organization.

The rules: All pledges must be above and beyond regular Annual Fund support; All pledges may be paid over a 3-year period; Corporate matching gifts count in totals.

810 COLLEGE BUILDING FUND "A New Home for SAE"

WHAT IS NEEDED TO REACH OUR GOAL

Number of Gifts Needed	Total Pledge (over 3 years)	Annual Payments	Total
1 gift at	\$100,000	\$33,334	\$100,000
2 gifts at	50,000	16,667	\$200,000

THE FRATERNITY IN 1988

LIVING THE GOOD OLD DAYS!

by Ken Tracey

Eminent Supreme Recorder

Remember the good old days when fraternity life was fun. When those twenties were roaring and fifties carefree. We didn't seem to have all the problems we have today. Sure, they were good old days. Σ AE men practiced the fraternity ideal just as they do today. Just what makes for good old days? Is it what we care to remember; the memories of friendships we cherished? Do we forget the wars and depressions that provided the setting for our experiences? Do we forget the charges of bigotry, hazing and boozing encountered since the earliest days of the fraternity movement? (Not all the charges are groundless.)

Today, the headlines seem more prevalent and the public cries more strident.

But as we take a good look at our past and present we have cause to be optimistic about our future. We go through tough times, most recently in the early 1970's. We have come a long way since then. These are good times.

I spoke with a brother in San Francisco last week. The recent bad press about several Σ AE chapters, including his own, upset him greatly. He wondered aloud whether we could survive it all. I tried to reassure him that Σ AE would survive because the fraternity faces its problems head on. His chapter will come out of it stronger and better. We get angry about the headlines and the talk shows and the constant barrage of bad press. But if that's what it takes to make us deal with our problems, then bring on Geraldo and Oprah and Phil. We must get angry enough to do something about the causes.

Fraternities are vulnerable because they are so easily identified. But we are a part of the world and if you look seriously at the world, fraternity, with all its faults, is without question one of its better parts.

This is a good time to reaffirm and celebrate our fraternity ideals!

We see fraternity men who care not only for each other but for people beyond their doors. Our young brothers are becoming true gentlemen in the best sense. They work, study, play and learn to be better people — together! They make mistakes together. They live hard! But the goal is the same as it has always been — to make and keep friends — and that makes us better.

As always, a few perpetrate the bad about Fraternity.

Most Σ AE active brothers are solid citizens who strive to live up to the ideals of our founders. For the few who will not, Σ AE continues to make some hard decisions. Our mission as a fraternity is to provoke thought and careful consideration of what is right. A few don't take to the message too well at first, but they come around when they realize how much better life can be. Some don't ever come around so we go on without them. Decisions are not lightly made. We follow due process. We carry out our mission with compassion. Unfortunately, good and innocent men sometimes get lost in the process. But in the end a quality experience is the reward for those who seek and pursue the truth. Not to be overdramatic, but careers and lives are saved.

1988 was a remarkable year! The emphasis on LIVING OUR IDEALS is perhaps greater than at any other time in our history.

There has been a lot of talk and a lot of action, which we hope to show in this annual report. Statistically, Σ AE has never been in better shape, and the intangible qualities look good too!

Steady growth and prosperity mark 1988. Sigma Alpha Epsilon surpassed its previous high number of new brothers for a given year by initiating 4,288 men. Our growth in number of members and chapters continues steady and sure. Eminent Supreme Archon Ben Allen installed five new chapters. We created eight new colonies. Our financial position is stable despite stock market gyrations. The National Staff was enhanced with the addition of a RISK MANAGER. Many worrisome chapter situations have significantly improved. The 53rd Leadership School was held last August 14-17 for delegates from 169 chapters and 11 colonies. (See related story.)

We have made significant progress on our five-year administrative plan, now in its final year. We continue to strive to provide quality programs and timely service to our members with enthusiasm, pride and care.

SAE established policies designed to safeguard and improve fraternity life.

Chapters may no longer purchase alcoholic beverages with chapter funds, rush must be conducted without booze, and parties must be closed to those without specific invitations. These so-called risk reduction policies appear to be effective. There have been pockets of resistance but the policies get carried out with courage and conviction because, to many undergraduates, they make a lot of sense.

Chapter Development staff works to improve chapter life

By November of 1988, 200 active chapters graced our rolls; the highest number in our history. Sadly, the charter of Illinois Gamma (Northern Illinois University) was surrendered because of a lack of members. Hazing and alcohol abuse continue to be our leading problems. The National Fraternity, through its field staff and volunteers, aggressively aid chapters in dealing with these problems and improving chapter standards. As of November 1988, there were nine active chapters under Alumni Commission and eight chapters on probation.

Under the auspices of a Commission of Alumni, chapters are reorganized without having their charter suspended.

Alabama Mu (University of Alabama): The Alumni Commission at Alabama continues to do a good job reorganizing the mother chapter. We experienced a setback last April when two active members were arrested for drug trafficking. The commission determined that no other members knew of these activities. The chapter decided to have their members submit to drug testing to insure that none of the remaining members are involved with drugs. Despite this decision, the University suspended recognition of the chapter and the brothers had to vacate the chapter house until May of 1990. University officials, parents and alumni are working to rebuild the chapter and improve its programming. We are confident we have the right man to build a fine chapter. The chapter size was cut from near 100 last year to 40 men this Fall.

Mississippi Gamma (University of Mississippi): The University of Mississippi suspended the chapter's recognition as a student organization as a result of many university policy violations. In conjunction, the Supreme Council transferred the charter to a Commission of Alumni in October 1988. Under the leadership of the Alumni Commission and National Staff the chapter will be completely reorganized. Through an interview process, a core group of men from the former chapter will be selected to begin rebuilding immediately.

Several chapters undergo reorganization

Similar rebuilding programs are in progress at California Kappa at the University of California-Davis, Oregon Beta at the University of Oregon, and Colo-

rado Zeta at Denver University.

Two former chapters are being reorganized independent of the National Fraternity. However, members of the national staff are helping the alumni.

California Gamma (University of Southern California): The chapter closed after many serious disciplinary problems in December of 1986. The alumni recruited a new group of students in 1987 and have worked hard to rebuild this once fine chapter. We anticipate restoring the charter in early 1989.

Georgia Psi (Mercer University): Because of conduct unbecoming a true gentleman the chapter closed in the fall of 1986 and is yet to be rechartered. Progress was slow as the alumni worked with the old members. As new men came into the group, progress improved. Although they have many goals yet to achieve, we are confident that they will continue to make positive strides and regain their chapter by the end of 1989 or early 1990.

New chapters and colonies created at breakneck speed

Under the able direction of Extension Director Brad Cohen, chapters installed in the last year include:

Maryland Omicron-Pi (University of Maryland - Baltimore County)

California Chi (University of California - San Diego)

California Psi (University of California - Irvine).

North Texas State University

Yale University

Present colonies include:

Millsaps College in Mississippi

North Alabama State University

Illinois State University

University of California - Santa Cruz

Christian Brothers College

Sonoma State University

East Carolina University

University of Tennessee -

Chattanooga

University of California -

Riverside

Weber State (Utah)

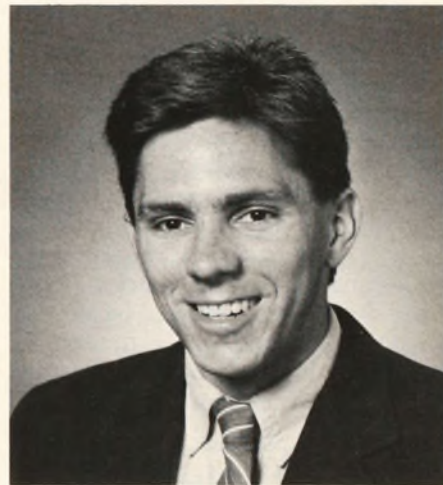

State University of New York -

Albany

We have eleven colonies, giving us a total of 211 campus groups. To be a dynamic organization we must continue to

grow, and several new institutions are targeted for colonization. Brian McCrae recently replaced Brad as Extension Director. George Ilse, Syracuse '50, is Chairman of the Extension Advisory Committee.

Over 100 brothers have served in the field

Steve Matthews, the 100th Consultant.

Since Billy Levere took to the road in 1910, 103 men have served in the field for Σ AE. Last Summer Steve Matthews came on board as Consultant number 100. Although without peer, Billy could only visit about half the chapters in a given year. All chapters received visits by an Educational & Leadership Consultant last year.

The field staff under the direction of Scott Haggard has done outstanding work in the area of Chapter Development. Working with Scott is Mike Sopher, who serves as Assistant Director of Chapter Development. Field staff members include: Fritz Kruger, Puget Sound '87, Stephen W. Matthews, Cal-Irvine '88, Tyler F. Terry, Arizona '88, Christopher J. Littlefield, Arizona '88, Michael R. Tarbet, North Texas '88, and Brian McCrae, New Mexico State '88, who serves as Extension Director. After noteworthy service Brad Cohen, Todd Mullins, and Steve Cady left the staff last summer.

We appreciate the work of the Province officers in the area of chapter development. Several provinces held outstanding leadership schools during the biennium and reached hundreds of Σ AE undergraduates with a leadership training experience.

Service to Alumni receives new emphasis

The Director of Alumni Services is Tom McCarthy, Northern Arizona '82. Richard Hople, Cincinnati '70 serves as chairman of the Alumni Services Committee. In addition to services designed to assist Alumni Associations, several programs that benefit alumni support groups have been conducted. Twenty-three alumni participated in the 53rd Leadership School Chapter Advisors Program. Since its inception in 1978, over 170 advisors have participated in this invaluable training program.

Alumni activity was very high this year as over 100 Alumni Associations reported successful activities. We have provided a consulting service for Alumni Associations through the Permanent Committees on Alumni Services. We published several issues of *ΣAE ALUMNUS*. Other programs include the T.H.E. Awards program, alumni awards, promotion of Founder's Day activities, the 50-year Certificate program, and the Alumni News section of *The Record*.

SAE hires a Risk Manager

John Perkins, Western Kentucky '81, is Risk Manager and Director of Housing. Tom Devine, Minnesota '74, is chairman of the Risk Management Committee and David Covert, West Florida '71, serves as chairman of the Permanent Committee on Chapter Housing. John manages the Risk Management Program, designed to reduce risk and handle claims and suits as reported to the fraternity. We provide risk management help through written materials, consultations, speakers, and video tapes, and by distributing "Fraternal Law" to House Corporation Presidents, Chapter Advisors and Eminent Archons.

Besides the Risk Management Program, we continue to arrange for multi-million first dollar liability insurance coverage to Chapters and House Corporations across the country. We do this because very few chapters have had success in obtaining liability insurance on their own.

We have worked on fundraising plans for house renovations with several indi-

vidual House Corporations. This continues a stance recognizing that many chapters need major renovations or house replacement and that we should aid them in their fundraising efforts.

ΣAE started a new national training program for House Corporation Officers at the 51st Leadership School and over 50 alumni brothers have now participated in this valuable training program including 12 last summer. This program, along with existing training programs for Chapter Advisors and Province Officers, will have a far reaching affect on the quality of chapters in the future.

Beyond training programs at the ΣAE National Leadership School, the fraternity started a regional House Corporation Officers Training Program in 1987. We turned the program over to the National Interfraternity Conference in 1988 and they have conducted seven very well attended regional programs. The program remains under the inspired leadership of ΣAE brother Tom Devine, Minnesota '74.

Administrative staff keep it together

The day-to-day functioning of the National Office is under the able direction of Assistant Executive Director Jeff Arnold. Jeff directs the maintenance of the buildings and the financial administration of the fraternity and foundation. He supervises the Risk Management Program. He serves as staff liaison for the Board of Trustees of the National Endowment Fund, the Advisory Council of the Foundation, the Temple Building Committee, and the National Laws Committee.

The National Office staff consists of 17 very dedicated and loyal full-time employees and several students who work part-time. We produce many publications including *The Record* and the *Phi Alpha*.

If these are the good old days, the future is bright, but who has a crystal ball?

Good ΣAEs build on their glorious past and provide leadership in preparing for the future. We have always looked

ahead and with these good times comes the responsibility to work hard for future success. No one knows when the next "bad times" will come.

In 1989, we will continue to study the province structure in an effort to make it more responsive to the needs of our undergraduates and to the alumni who work with them.

The Province Redistricting Committee chaired by G. Robert Hamrdla, Stanford '60, will report its recommendations. New programs to help our members understand and LIVE the values and purposes of fraternity will be researched and developed. Ritual Committee Chairman Todd Dickinson, Allegheny '72, and his committee have been working on a new printing of The Ritual. A network of ritual counselors will be started throughout the realm next year. Work continues on the Computers in Chapters Program. Future housing needs will be assessed and programs developed to meet those needs. Continued emphasis on academic success will be a top priority. Leadership development will be enhanced through new support for regional leadership training programs to augment the work of the National Leadership School.

Leadership is the key as we continue to study the trends and face the issues that confront us as fraternity men. Loren Boone, South Dakota State '73, chairs a committee to study pledge programming.

SAE will be taking a hard look at the current trend among fraternities to eliminate pledging and little sisters

Many believe that the very status of being a pledge promotes hazing and leads to so many deaths and injuries. Many believe that little sisters groups are sexist and degrading to women. ΣAE has the courage to consider ending pledging and little sisters. As a democratic organization the views of all will be heard and the decision of the majority will prevail.

Our gratitude goes to all permanent and ad hoc committee chairmen and members whose support and guidance are of great importance to the progress of Sigma Alpha Epsilon. The names and

addresses of volunteer leaders can be found in the 1989 Directory printed elsewhere in this issue of *The Record*.

We are especially grateful for the hard work of the entire National Staff, their genuine concern for those they serve and their dedication to the cause of quality. Speaking for the National Staff, I express our sincere appreciation for the opportunity to serve you — the brotherhood of ΣAE.

THE SIGMA ALPHA EPSILON FOUNDATION

By *Kenneth D. Tracey*
Executive Director

The Sigma Alpha Epsilon Foundation is a public not-for-profit corporation, chartered by the State of Illinois to provide for educational programming for the benefit of members of the Sigma Alpha Epsilon Fraternity.

Purposes & Functions

- Maintain the Levere Memorial Temple
- Hold funds in trust for individual chapters
- Provide student loans, various scholarships, fellowships, internships
- Funding of Leadership School
- Provide Men's Health Programs such as Alcohol & Drug Abuse

Foundation Finances & Operations

The financial position of the Foundation is stable. However, even though revenues continue to increase, expenses seem to be increasing even faster. Demands on the Foundation's funds have been intense, especially for building maintenance and the funding of the capital campaign.

The data processing staff has embarked on an aggressive campaign to find lost brothers. We now communicate with every college where we have a chapter, as well as with chapters, alumni associations and house corporations. All members are urged to send us address changes as they are received.

The Levere Memorial Temple

We have now retained an architect to advise the Building Committee on conditions and concerns. The position of Artist of the Temple has been filled by John March.

Foundation Programs

Jay B. DeWitt assumed responsibilities as the Director of Educational Programs in May of 1988, after serving two years as an Educational & Leadership Consultant.

Programs include: scholarships, resident educational advisors, career planning, men's health issues, and video productions. Jay serves as liaison with Dr. Tom Goodale, Educational Advisor; Darrell Gibson, Director of Leadership Training; and Father Bob Hedges, chairman of the Men's Health Issues Committee.

Over \$47,053 in fiscal '88 was allocated toward Chapter House Library Grants to assist in the building or renovation of chapter library and/or study facilities. A temporary freeze was put on this program until the IRS clarified its stand on such building fund allocations. The program, with some modifications, is now back in operation.

We are especially excited about the plans of the Men's Health Issues Committee chaired by Father Robert Hedges, **Drake '51**. The committee provides assistance to chapters of Sigma Alpha Epsilon on a broad range of health problems affecting college men. The committee has created educational modules on subjects such as alcohol and drug abuse, acquaintance rape, and quality of brotherhood. These modules will be available for chapters to use in early 1989. The committee also provides resources such as speakers, written materials and video tape productions. Video tape programs are already available including such topics as Young Men's Sexual responsibility, Reproductive Health, Cancer, A.I.D.S., and Legal Liability. More tapes are being planned.

An \$80,000 grant was provided to support the ΣAE National Leadership School.

\$2,000 grants were provided to eight Resident Educational Advisors

who were sponsored by eight chapters of Sigma Alpha Epsilon Fraternity.

Thirty-three student loans of approximately \$59,700 were provided to undergraduate and graduate student members of the Sigma Alpha Epsilon Fraternity.

We provided \$8,000 in Scholarship grants to the outstanding scholars of the Sigma Alpha Epsilon Fraternity. The Jones-Laurence Award for the Outstanding Scholar in ΣAE was given to David Magilner, **Dartmouth '88**, who received a \$3,500 scholarship. Runners-up included Iain Penny, **Central Florida '89** and Mario Quieroz, **Stanford '88**. Each received a \$500 scholarship.

The first recipient of the Dr. Charles A. Preuss Medical School Scholarship was Hans Carlsson, **Oregon Gamma and Alpha '89**.

The Foundation has available a very fine video tape program, "Passing the Torch," on the Levere Memorial Temple produced in 1985. The one-hour tape is on sale for \$39.00.

Other programs include an instructional notebook for Province Leadership Schools and the production of Educational Video Tapes with the recently completed video studio.

Through an anonymous gift received in May 1987, so far \$50,000 has been received toward a \$100,000 anonymous gift pledge toward the construction of a video studio which is now under construction in the Levere Memorial Temple.

Annual Fund

For the 1987-88 Annual Fund year, we received \$400,200 in contributions, from 8,116 donors. We had over 500 first-time donors for this year. Due to the success of the capital campaign, our numbers are down from last year's all time high;

however, our response and donations from our Founder and Society Members have increased. The 1988-89 Annual Fund year is just beginning and the Founder and Society members response is extremely encouraging and very generous.

In the past fiscal year, 195 brothers became new Founder Members. We are closing in on Founder Member number 1856, and from our projections we anticipate Founder Member number 1856 will be issued in June of 1989. The number will be assigned on a random basis, and will not be held for any individual member.

THE ANNUAL FUND PROVIDES ABOUT 50% OF OUR OPERATING COSTS; THEREFORE THE SURVIVAL OF THE FOUNDATION IS DEPENDENT UPON THE ANNUAL FUND. THE CAMPAIGN FOR ΣAE MUST NOT DIMINISH THE IMPORTANCE OF THE ANNUAL FUND.

At the same time we are planning for the future, current programs need funding. Each year it is the alumni support to the Annual Fund that allows the Foundation to conduct that year's programs in the areas of alcohol and substance abuse education, and resident educational advisors.

Support to the Annual Fund was down 20% this past year, due in part to The Campaign for ΣAE and changes in the tax laws. There has been frustration within the Foundation caused by the inability to fund all of the programs we wish to implement. Until funds are available, some programs will have to wait.

We are excited about the future and the promise of many exciting new programs and services that will come to fruition as a result of the generous gifts and bequests to The Campaign for ΣAE, but we still need alumni support of the Annual Fund for today's efforts.

Development

As of November 1988, alumni have pledged \$6.8 million to The Campaign for ΣAE: The Path to Leadership. A large portion of these commitments have come from a

handful of loyal alumni through cash gifts and bequests.

Several thousand alumni have also made generous commitments when they were called. We will be calling 10,000 more alumni this spring. It is our hope that we can announce the successful conclusion of the Campaign at the Cincinnati National Convention in June.

The Campaign for ΣAE is to create endowment funds to ensure the future of programs such as Leadership School, provide student loans and scholarships, to be able to make loans to house corporations, and to preserve The Levere Memorial Temple.

When called upon, we hope you will join in our efforts to guarantee the long-range future of ΣAE.

Scholarship Funds

Part of the efforts of the Foundation Development Staff is to encourage the creation of endowed scholarships for chapters or professions. Dr. Charles Preuss has created an endowed scholarship for medical school students. Several chapters have been the beneficiaries of generous gifts to the Foundation for the creation of endowed scholarship funds to reward and recognize individuals who have shown excellence in leadership and academic efforts.

These scholarship funds are a great way to support your chapter and help undergraduates achieve their dreams.

One of the principal services of the Foundation is to act as trustee for chapter funds which are created through the generosity of a chapter's alumni. New Chapter Scholarship Endowment funds were created for chapter University and Bucknell University. A Student Loan Fund was created for a Kansas University Chapter.

Incidentally, house corporations will be able to borrow from the principal of such funds for the purpose of a chapter's house improvements.

If you are interested in how you can create an endowed scholarship fund with a cash gift or bequest, contact the Development Office at The Levere Memorial Temple.

Leadership School Endowment Funds

In the belief that the Leadership School experience is a valuable opportunity for undergraduates, some alumni have created endowed scholarships which will provide funds to pay the registration fees for brothers from their chapter. A Leadership School Endowment Fund can start providing grants once it reaches \$5,000.

Within the past year, we have almost doubled the number of chapters that have Leadership School Endowment Funds. The chapters are: Troy State (ALEP), Miami (FLAL), Simpson College (IASI), Idaho (IDAL), Kansas State (KSBE), Southern Mississippi (MSSI), Washington University (MOBE), Eastern New Mexico University (NMAL), Ohio State (OHTH), Oklahoma (OKKA), South Dakota (SDSI), Tennessee (TNKA), Washington (WAAL), Puget Sound (WAGA), Province Eta, Central Florida Alumni Association, and the San Francisco Alumni Association.

\$29,080 was received from donors for tuition scholarships to individual delegates to attend the 53rd Leadership School.

Bequests

The Foundation continues to be the beneficiary of a number of bequests each year. See chart for list of specific gifts.

We are very excited about the future and the promise of many exciting new programs and services as a result of the generous gifts and bequests that will be generated by the capital campaign.

AFTER THE CAPITAL CAMPAIGN, THE FOUNDATION WILL TURN ITS EFFORTS TOWARD HELPING CHAPTERS WITH THEIR FUND RAISING.

Once the capital campaign is over, the Trustees have determined that our thrust will be to assist chapters in the development of fund raising campaigns for scholarships and housing purposes.

Foundation Supports Scholars

Hummel Scholarship

Michael E. Carley and Robert G. Pivarnik are the recipients of the Lt. Fred E. Hummel, Jr. Scholarship for the 1988-89 school year.

Carley, a Junior, is majoring in Biology and Psychology. He is involved extensively in campus activities and in the leadership of The College of William & Mary chapter. Pivarnik is a repeat winner of the scholarship. Robert is majoring in history and hopes to ultimately become a professor of History in tertiary education after graduation this spring.

The Hummel Scholarship is established solely for ΣAEs attending The College of William and Mary. The Hummel Scholarship is awarded annually in memory of Lt. Fred E. Hummel, Jr. of the college's class of '48, who was killed while serving his country. The scholarship awards \$1500.00.

James Peterson Award

This award for achievement in scholarship, named for the late Past Eminent Supreme Archon, James Peterson, **Minnesota '57**, is administered by the Sigma Alpha Epsilon Foundation. The Peterson scholarship, a cash award of \$1,200.00 (per winner), is given directly to the University of Minnesota for designated junior or senior members of the chapter. Recipients of the scholarship are selected for their scholastic achievement as well as their genuine concern for the scholarship of the chapter. This year's recipients are David Docerty, Michael Lehman, Michael Ouyang, Gary Kravetz, and Steve Moore.

Hubert Richert Scholarship

This scholarship is a chapter scholarship for designated junior and senior members of **California State at Fresno**. Each winner receives \$250.00 through the Sigma Alpha Epsilon Foundation's California Iota Fund. Established through the generosity of Hubert Richert, **California State at Fresno '37 (Iota)**, the fund's dividends provide scholarships each year for worthy members of the ΣAE chapter. This year's winners are Ron Lewis and Jim McGonigle.

The Jones-Laurence Award for Outstanding Scholarship

This year's winner of the Jones-Laurence Award for Outstanding Scholarship is David Magilner, **Dartmouth, '87**. David majored in Philosophy and Pre-Med while at Dartmouth and is now attending Harvard Medical School.

This scholarship also provides two Runner-up awards and this year they were won by Mario G. Queiroz of **Stanford**, and Iain Penny of **Central Florida**.

Mario majored in Electrical Engineering and has achieved a very high g.p.a. in one of the most demanding disciplines at Stanford. He has held numerous leadership positions while in the chapter. Iain is majoring in Physics and has received many scholastic and leadership honors from both his chapter and the University.

Charles A. Preuss Medical Scholarship

The Sigma Alpha Epsilon Foundation is proud to announce Hans L. Carlson as the first winner of the Dr. Charles A. Preuss Medical School scholarship. Hans is a 1988 graduate of **Willamette University** and is attending Medical school at the Oregon Health Sciences University in Portland.

Hans outstanding academic record speaks of his dedication to scholarship and passion for the study of medicine. Han's hopes to practice medicine at a clinical level specializing in nutrition and fitness. Han's brother, Nels, graduated from **Oregon State** in 1988 and is also attending the same medical school.

Province Zeta Awards

The Province Zeta Award for Achievement in Scholarship was established to help chapters rush only the brightest students. To date, it is the only nationally endowed scholarship available to ΣAE pledges. Two pledges from Province Zeta (Kansas & Missouri) who maintain a 3.5 g.p.a. or better throughout their pledgeship are qualified to apply for this award. The award offers

\$1,000.00 to the winners for every year they maintain their high g.p.a.

Winners again this year are Andrew Paris at **Washington University** and Mike Wilson at **Kansas State University**. Andrew and Mike are third time winners and have demonstrated their commitment to academics by maintaining their excellent grades.

Last year's winners, Jack Jaeger at the **University of Kansas** and Scott Clark at the **University of Missouri** continue to excel in their respective fields of study and have been named winners again for the 1988-89 school year.

The latest winners of the Province Zeta Scholarship are Roman Bormet at **The University of Missouri** and David Caccamo at **Washington University**.

Roman is from Macomb, Illinois and is majoring in business. He also plays baseball for Missouri. David graduated from Rockhurst High School in Kansas City and is majoring in Psychology. He has devoted a great deal of time to working in the university's peer counseling and resource center. Both brothers currently carry above a 3.4 g.p.a.!

ΣAE Video Suite Now in Operation

The Sigma Alpha Epsilon video suite is now in service. The purchase of the new equipment was made possible by the generous contribution of an anonymous donor. The Panasonic Super-VHS system includes a state of the art camera, an editing system, and post production equipment. This gift will enable the National Office to produce educational videos in areas ranging from Alcohol and Drug abuse to Rush and Risk Management.

The ΣAE Foundation Has Student Loans Available!

The Foundation has funding available to our graduate and undergraduate members in the form of student loans. Each year brothers can apply for one of these loans to help pay for their education. For more information contact Jay DeWitt or Stewart Smith at the National Office. Remember the number ... **1 800 233-1856!**

Our Annual Support

The following special insert section lists all the brothers who generously contributed to the Sigma Alpha Epsilon Foundation or the national fraternity in the 1987 fiscal year. Only those donors whose funds were received from **July 1, 1987 through June 30, 1988** are included in this listing.

Each donor is identified by chapter, last name, first initial, class year, and in some instances, a two-letter giving level code, signifying that brother's total contribution over the years. These codes are: **FM**-Founder Member, total gifts of \$1,000 or more; **LV**-Levere Member, \$500-\$999; **MM**-Moseley Member, \$250-\$499; **CM**-Century Member, \$100-\$249.

**“Can you find the
brothers on financial aid?”**

Across the country, hundreds (thousands) of brothers need assistance in paying for their educational pursuits.

You can help by endowing a scholarship fund for your chapter through the Sigma Alpha Epsilon Foundation.

FOUNDER MEMBERS

New Founder Members of ΣAE Foundation Named

Elsewhere in this issue of *The Record* are articles about some of the many programs sponsored by the Sigma Alpha Epsilon Foundation. These programs would not be possible without the generosity of the many brothers who support the foundation.

A Founder Member has contributed, or has had contributed in his name, \$1,000 or more in total giving to the foundation. New Founder Members are featured in *The Record* as their biographies are received at the national fraternity office.

Guy O. Mabry

Kansas '50 (Alpha); FM 1728. Brother Mabry is the Executive Vice President of Owens Corning Fiberglass. He also was appointed by the President of the U.S. to the Board of the National Institute of Building Sciences. He and his wife, Rosa Lee, live in Toledo, Ohio, and have three children.

William B. Kessinger

Missouri '53 (Alpha); FM 1715. Brother Kessinger is the Chairman of Kessinger-Hunter Co., Inc., a real estate brokerage and development firm. He also holds an MBA from Stanford. He and his wife, Betty, live in Shawnee Mission, Kansas, and have three children.

Jack H. Boggust

California-Los Angeles '48 (Delta); FM 1696. Brother Boggust is a senior partner with the law firm of Boggust, Zimmerman & Altamirano. He specializes in litigation, probate, estate planning, and business. He and his wife, Marilyn, live in Del Mar, California, and have four children.

H. Lee Douty

Texas '55 (Rho); FM 1521. Brother Douty is a manufacturer's representative in partnership with Craig Simmons since 1968. Simmons also is a 1955 Texas graduate and is an ΣAE. Brother Douty and his wife, Linda, live in Irving, Texas. He has two stepsons, one of whom is an ΣAE.

William W. Fobes, II

Indiana '61 (Gamma); FM 1723. Brother Fobes is a general agent for Northwestern Mutual Life Insurance Company. He and his wife, Jane, have three children—son John, an ΣAE, and daughters Susan and Sarah. They live in Sacramento, California.

Pfilip G. Hunt

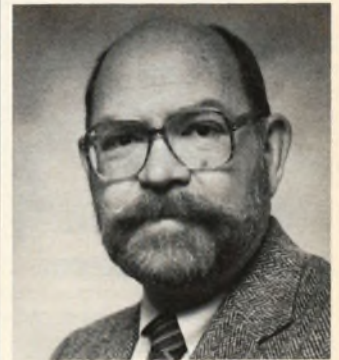

Florida State '60 (Beta); FM 1718. Brother Hunt is the Senior Vice President, Secretary and General Counsel member of Morrison Inc. He is also the Director of the Rotary Club of Mobile, Alabama. He and his wife, Ann have three sons, two of whom are ΣAEs.

Robert E. Scott

California-Berkeley '41 (Beta); FM 1720. Brother Scott, now retired, worked for the federal government and the Bay area county doing probation and parole work for 30 years. He lives in Pleasant Hill, California, and has two children and two grandchildren.

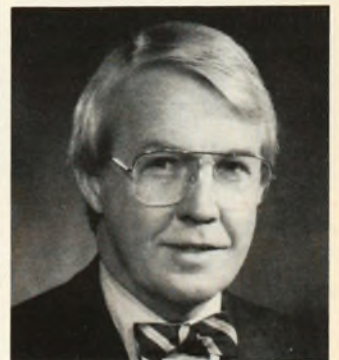

Eldred G. Dickinson

Robert Goralski

Robert Goralski (*Illinois '48*), died March 18, 1988 at age 60 at his home in McLean, Virginia. He served in the Navy from 1945-46 and was a combat correspondent in Korea during the war there. A native of Chicago, Brother Goralski lived in the Washington area since 1956 and joined NBC in 1961, where he continued his notable career as a correspondent and was known for covering the energy beat, receiving numerous awards, and later becoming associated with Gulf Oil and the American Petroleum Institute. Survivors are his wife, Margaret, of McLean, a son, Douglas of Washington, two daughters, Dorothy Wawner of Virginia Beach and Kate Goralski of McLean, his mother, Caroline Rango of McLean, and a grandchild.

Alton E. Allen

Alton E. Allen (*Washington '21*), a retired banker who served 8 turbulent years as an Orange County supervisor, died July 15, 1988 at age 91. Brother Allen was a late-comer to politics, winning his first election as 5th District Supervisor at age 65, shortly before his retirement as a vice president of Security Pacific National Bank. He was a longtime Laguna Beach resident, and is survived by his son, Jack H. Allen, a daughter, Barbara Wells, 5 grandchildren and 3 great-grandchildren.

Katherine C. Woods

Katherine Condon Woods, the Grand Lady of Oklahoma Mu at Oklahoma State University, passed away quietly on Monday, July 4, 1988 after a brief illness.

She became housemother for Chi Beta in 1924 before it was chartered as Oklahoma Mu, a chapter of Sigma Alpha Epsilon. She gave strong encouragement to the chapter in its efforts to affiliate with ΣAE and provided strength and devotion to Oklahoma Mu until the time of her death, a period of time spanning 64 years.

It is doubtful that any chapter of any national fraternity in the United States has reaped the benefit of a long lifetime of commitment and service such as that rendered to Oklahoma Mu by "Mom" Katherine Woods. ΣAE was the focus of her life; she provided a continuity between generations, serving as "Mom" to the sons of her boys, then to their grandsons, and even to their great-grandsons. With her remarkable memory and the obvious love she felt for "her sons," every pledge class up to the spring pledges of 1988 has found pleasure and a deep appreciation of the meaning of fraternity through time spent with her. A day never went by without a visit to her from an active or pledge, and her mailbox was always generously supplied with letters from her many sons who felt her love and influence in their lives and kept in communication with her regularly. One of the side benefits of this mutual affection between Mom Woods and hundreds of Oklahoma Mu alumni was a current report shared by Mom Woods through the chapter newsletter of everyone's news and activities. Oklahoma Mu has grown from the small charter class to a chapter with over 1,400 alumni, and Mom Woods knew and loved them all.

Keeping communications flowing in her ΣAE family was one of the many significant contributions Mom Woods made to Oklahoma Mu. During World War II when the chapter house had to close temporarily, Mom Woods started a newsletter which she continued on a monthly basis throughout the entire war. These letters gave news to the brothers in the service of where other brothers were serving and personal news from each of them. Numerous joyful reunions of the sons of Oklahoma Mu in the far corners of the world were made possible because of Mom Woods' newsletters, and those unable to meet with the brothers were warmed by the news lovingly forwarded to them by Mom Woods.

Chapter history was another major contribution made by Katherine Woods. Her memory was remarkable to the day she died, and she was the chapter's living history book. As the years passed she kept many

chapter treasures and souvenirs of special events which she turned over to alumni interested in compiling the history of Oklahoma Mu.

By far the most significant contribution of Katherine Woods to Sigma Alpha Epsilon, however, was her deep love for the fraternity and for each person with whom she shared her life during those 64 years of fraternity service. The outpouring of love she enjoyed through these many decades from large numbers of actives, alumni and parents lends testimony to the selfless life she lived, centered around Oklahoma Mu. Nowhere was this felt more than at her memorial service when the large numbers of brothers, spanning several generations, joined together in singing "Friends," for Mom, one last time.

We shall miss her.

July 4, 1988 Mom Woods passed away in Stillwater and is interred in the Prairie View Cemetery in Macomb, Oklahoma.

Memorials may be made in your name to the Katherine C. Woods Foundation, 2224 University, Stillwater, Oklahoma 74074, to be used for chapter scholarships or leadership school.

Robert A. Evans

Robert A. Evans (*Syracuse '34*), passed away September 4, 1988 after a brief illness. Brother Evans was currently president of Rich Plan Food Service and several subsidiaries. He is survived by his wife, Dorothy, of Clinton, three sons and daughters-in-law, four daughters and three sons-in-law, 18 grandchildren and 2 great-grandchildren.

JAY COOK PRICE 1963-1988

"He was a brother, a friend and a man who would go out of his way to do anything that was asked of him"... "He was big and burly, but as friendly as anyone you'd ever want to meet"... "When Jay and I would make a trip to the store for a pack of gum, Jay would have to stop and talk to everyone, making that trip an all-day affair"... "Jay was a great asset to the fraternity; any job that needed to get done, Jay did, no questions asked"... "We used to tease him around the house that it wasn't football that hurt his bad knee but it was standing up every time a lady entered the room — that's how mannerly he was"... "If anyone exemplified a true gentleman, it was Jay." These remarks, and many others were expressed as Jay Price's many friends paid him their last respects.

Brother Jay, of Aztec, New Mexico, a junior at Eastern New Mexico University, had come to play football but suffered a knee injury which required surgery and put an end to his dream of playing for the Greyhounds.

Jay died on October 30, 1988 from a

small-caliber bullet wound to his chest after an altercation with three Clovis, New Mexico non-Greeks who were refused entry to a private ΣΑΕ house party. He and his fraternity brother, Kevin Shaughnessy, of Dayton, Ohio, who were checking IDs at the door, advised the intruders that it was a private party but they refused to leave the premises. Other members became involved in the confrontation, and as Jay and Kevin attempted to return the members indoors, they were both shot by the suspects who then fled by car. Although the two injured brothers were rushed to the hospital, Jay was pronounced dead on arrival. Brother Shaughnessy was listed in good condition, after being wounded in the right buttock.

Jay is survived by his parents, Mr. and Mrs. Joe Price of Aztec, who both attended Eastern New Mexico University; a brother, John; and a sister, Jana. A scholarship fund in Jay's name has been established and contributions may be sent to the Office of Development at ENMU.

Robert L. Burns

Robert L. Burns (*Nevada '42*), a retired U.S. Army Colonel and World War II veteran, passed away March 27, 1988 at the age of 72. A resident of Phoenix, Arizona, he was also a Founder Member of Sigma Alpha Epsilon, a member of the Presbyterian Church, Masons of Nevada and Shriners of Reno, Nevada. He is survived by his wife, Helen, two sons, his mother, one brother and three grandchildren. Contributions may be made to the American Cancer Society or Shriners Childrens Hospital.

BEQUESTS

The following brothers left bequests to the Sigma Alpha Epsilon Foundation, or the Fraternity in their wills. These bequests were received from July 1, 1987 to June 30, 1988.

Brothers interested in including the Foundation in their will should contact David Arendt, Director of Development, at the Sigma Alpha Epsilon Foundation office in Evanston, Illinois.

CHAPTER ETERNAL

This list is published in each issue of The Record to identify brothers who have joined the ΣAE Chapter Eternal. The list includes the names of all brothers for whom obituaries have been received at the national fraternity office as of November 15, 1988, since the last issue was published. If a chapter is not listed, it is because no death notices have been received on members of that chapter. Obituaries and death notices about ΣAE brothers should be sent, bearing the name, address and telephone number of the sender, to the national fraternity office.

ΣAE National Amateur Golf Tourney moves to beautiful Sandestin

The location and dates for the 11th annual ΣAE National Amateur Tourney are May 10 through 13, 1989 at Sandestin Beach Resort in Destin, Florida, 50 miles east of Pensacola directly on the beautiful Gulf of Mexico. Early registration is May 10th with the golf starting on the 11th. This renowned area offers something for everyone — sports as well as leisure activities. In addition to golf, enjoy tennis, fishing, water activities, restaurants, tours, shopping and more.

We will be playing both 18-hole courses — **The Links**, Sandestin's original course, nestled within 48 acres of lakes and the lovely Choctawatchee Bay; and **Baytowne**, Sandestin's newest course (6600 yards designed by Tom Jackson) offering a challenging par 72 and a #5 hole, that actually plays parallel to the Gulf of Mexico. In addition to Bayside Inn where most of the brothers will stay, choose from patio homes, villas, cottages — or stay directly on the Gulf. Have a wonderful Spring week with the family — great parties, golf, fun in the sun, and brotherhood — all in beautiful surroundings. Day care facilities and evening sitters available for children.

If you are not on the mailing list, call or write today, Bob England, (904) 479-3211 or P.O. Box 12281, Pensacola, Florida 32581.

Alumni News Briefs

CECIL CARLE, **USC '24**, was honored last April with the award for Distinguished Journalism given to an alumnus for outstanding contribution in print, public relations and broadcasting. Brother Carle's award was made for his work as Director of Publicity at Paramount Studios, a position from which he is retired. During his collegiate years, he was editor of the USC Daily Trojan.

RICHARD J. UDOUJ, **Arkansas '58**, President of Riverside Furniture Corporation in Ft. Smith, Arkansas, was elected president of The American Furniture Hall of Fame, a new organization comprised of about 69 industry leaders whose purpose is to investigate, collect and preserve the cultural, economic and artistic history of the manufactured furniture industry in America.

W. GEDGE GAYLE, **Tulane '60**, a member of the Dick Bower "Bolts" Masters Swim Team, was part of a national record for the 200 meter freestyle relay in a meet last December. The 4-man team was ranked third internationally among Master Swimmers in the event. Brother Gayle is Rector of St. Martin's Episcopal Church, Metairie, Louisiana.

RICHARD AND THOMAS VAN ARSDALE, **Indiana '65**, have been elected to the Indiana Basketball Hall of Fame.

JOHN EVANS BARR, **Pennsylvania State '41**, was inducted into the Sports Hall of Fame for the University in October 1987.

ROBERT J. UMERLEY, JR., **Case Western Reserve '71**, has been elected a principal of the international management consulting firm of A. T. Kearney. Brother Umerley is a resident of Broadview Heights, Ohio.

WILLIAM D. LANNING, JR., **Alabama '51**, was elected to the Board of Directors of Armchair Sailor International. Brother Lanning, who is president of Lanning Enterprises, Inc., has owned the Armchair Sailor International franchise covering the west coast of Florida since 1986 and operates an

Armchair Sailor Marine Book and Navigation Center in Fort Myers, Florida.

LOWELL (JACK) WELLS, **Ohio Wesleyan '53**, received an Alumni Award for service to the University at the Annual Alumni Weekend in May, 1988.

EDWIN M. BAKER, **Oregon '46**, was presented with the 1988 Aubrey R. Watzek Award, which is given annually to those persons who have pioneered in their respective fields of endeavor by the Board of Trustees of Lewis and Clark College.

WILLIAM C. STAPLES, **Duke '69**, vice president and senior banker for First Chicago Corporation in Atlanta, will head their Eastern Real Estate Division of the company. He most recently headed real estate lending in the Atlanta Regional Office. Brother Staples is a member of the National Association of Industrial and Office Parks and of the International Council of Shopping Centers.

UNIVERSITY OF IDAHO: Brothers of Idaho Alpha are planning a reunion of all pledge classes from 1964-1970 at the chapter house late in the summer of 1989. Representatives are needed for classes of '64, '68, '69 and '70. If interested in helping to organize your class, please contact:

MICHAEL F. McFADDEN, **Occidental '61**, has been named president of McFadden & Eddy Associates, a Los Angeles public relations firm, of which he was formerly an account executive. He previously was a correspondent with Newsweek Magazine. In 1967 he was a founder of AirCal (now American Airlines) and publisher of their inflight magazine for 15 years. Brother McFadden has authored numerous magazine articles and two books, *The Jesus Revolution*, **Harper & Row '71**, and *Bachelor Fatherhood*, **Walker & Co. '73**. He

taught at University of Southern California, University of California, Irvine and California State University at Long Beach.

P. HARRIS HINES, **Emory '65**, Cobb County Superior Court Judge, was ranked first in overall performance among Cobb Superior Court judges by metro Atlanta lawyers responding to an Atlanta Bar Association poll of 10,000 lawyers. Brother Hines' 2.6 rating was one of the highest in the survey in all categories of performance, including especially high marks for his courtroom conduct.

VERNON M. SMITH, JR., **Bowling Green State '48**, was inducted into the National Association of Collegiate Directors of Athletics Hall of Fame on June 6, 1988. Brother Smith held the position of athletic director at the University of Toledo for 16 years before retiring last year. He sat on the NACDA Executive Committee for five years, was a member of the NCAA Council and held chairmanships on the All-Star High School Committee and the NCAA Committee on Committees. He underwent heart bypass surgery in St. Vincent Medical Center shortly after his induction into NACDA.

GENE MAC WINBURN, **Georgia '58**, has been voted President-Elect of the State Bar of Georgia. He heads the Athens law firm of Winburn, Lewis & Barrows, P.C. and has practiced law in Athens since 1962. Brother Mac Winburn's other bar-related activities include: Member, American Bar Association and Georgia Trial Lawyers Association, Immediate Past President.

On April 14, 1988, HAROLD C. ARNOLD, **Wofford '68**, was sworn in as Duval County, Jacksonville, Florida's newest County Court Judge. Pictured at Brother Arnold's Investiture are (left to right): Chief Judge John Santora, Doris Arnold, Judge Arnold, Walter Arnold and Judge Don Moran.

PATRICK J. SCHWARTZ, **Cincinnati '77**, has been named Senior Vice President of Huntsman Chemical Corporation, where he is responsible for corporate marketing, materials

management and administration functions. Brother Schwartz has been with Huntsman Chemical since 1977. He and his wife, the former Barbara Katherine Battelle, live in Bountiful, Utah with their five children. In his notification of the appointment to ESR Tracey he remarked, "It has been said that success materializes where preparation meets opportunity. I believe that my experiences as a member of Sigma Alpha Epsilon while attending the University of Cincinnati are, to a large extent, responsible for the preparation that has led to this appointment."

In a ceremony on April 15, 1988, COL. BRONSON W. SWEENEY, **Rhode Island '66**, took command of the Marine Aviation Department (MAD), where previously he was Flight Systems Department Head in the Strike Aircraft Test Directorate. Brother Sweeney was commissioned in 1966 and entered the Marine Corps after graduating with a BS in electrical engineering.

HARRY BLOMGREN, **Beloit '60**, was elected Chairman of the American Advertising Federation Council of Governors at their national conference in Los Angeles, California. The AAF is the largest advertising trade association in the United States and represents all facets of the advertising industry. Brother Blomgren and his wife, Olive, reside in New Berlin, Wisconsin. He is the Senior Vice President of Cramer-Krasselt Advertising.

DAVE KIMBALL, **Drake '77**, was recently promoted to midwest Marketing Programs Administrator for IBM. His responsibilities include generating demand for PS/2 computers marketed through IBM's authorized resellers in 14 states.

At the Las Vegas Invitational last May, GARY KOCH, **Florida '74**, revived his golfing life with a one-shot victory and acquired the sixth victory of his career with a hard-fought 5-under-par 67 over the final 18 holes and a 274 total, 14 shots under par. This victory was worth \$250,000 from the total purse of \$1,288,889. Brother Koch also was #12 in the June 14th PGA Tour's Money Leaders with

\$323,806. Other ΣAE Money Leaders in the tour were #56, TOM PURTZER, **Arizona State** '73, with \$100,035; #89, BUDDY GARDNER, **Auburn** '77, with \$68,690; #100, LARRY RINKER, **Florida** '79, with \$57,704; #104, BOB GILDER, **Arizona State** '73, with \$55,421; and #125, BILL KRATZERT, **Georgia** '74, with \$32,379.

FOUNDER MEMBER #265, THE DETROIT ALUMNI ASSOCIATION, has again this year continued their support of the Sigma Alpha Epsilon Leadership School, making the school's experience possible for seven undergraduates. As they have done for the past ten years, they continued to provide a Leadership School scholarship for one delegate from each of the seven chapters in the province this year.

THE FRESNO ALUMNI ASSOCIATION held a magnificent Founders Day Dinner at the Airport Piccadilly on March 7th. They gathered 174 alumni brothers and pledges together for the "Friendship Circle" and the Singing of "Friends" and had one of the best Founders Day Dinners in memory.

FERRIS STATE ALUMNI and actives held their annual Retreat at the Waterloo Recreation area near Jackson, Michigan over the weekend of April 8-10, 1988. Some of the Detroit Alumni Association members in attendance were Province Omega Archon Ed Maciorowski, Past Province Omega Archon Paul Dittmer, Dave Gillikin, Rocky Richards, Rich. Parents, Tom Buckner, March Fritsch, Mike Walkowski and Active Chapter Advisor Clyde Hardman. Attendance included 20 alumni, 43 actives and 12 pledges.

ROBERT J. KAMERSCHEN, Miami University '57, president of RKO-JIX Flags Entertainment, an affiliate of Wesray Capital Corporation, was named a director of Playboy Enterprises in Chicago.

DANIEL W. GEEDING, Miami University '64, was named Dean of The College of Business Administration at Xavier University in Cincinnati.

KEITH N. BYSTROM, Nebraska '72, has been promoted

to Acting Dean, University of Oklahoma College of Law and Acting Director of the Law Center. A professor of law, Brother Bystrom taught last summer in the OU College of Law program at Oxford University in England. He joined the OU College of Law in 1979 as assistant professor and assistant director of its Clinical Legal Education program.

HARRIS HAPPY TO BE A HERO: Not many people have the opportunity to help save someone's life. Faced with the challenge last September 10th, Chuck Harris, **Davidson '88**, an intern with the development office at Davidson College, put previous medical training to work and administered CPR to a wreck victim in Charlotte. Thanks to the quick action, the man survived, leaving Harris feeling very lucky to have been there and able to help.

The Eugene, Oregon Alumni Association will hold their monthly meetings the 3rd Thursday every month at the Treehouse Restaurant in Eugene. For information call 503-343-3878.

THOMAS J. MAZURAN, Ohio State '54, a retired Air Force Lieutenant Colonel, is listed in the 1988-89 Guinness Sports Record Book for being the fastest solo canoeist in a 24-hour period, without the help of a current. His recent journey across the Lake Erie, a 55-mile trip at the Lake's widest point, was not an easy one, as he was forced to alter his course due to waves and winds of up to 28 mph. Paddling through the night, he relied only on his compass, stars and moonlight filtered by clouds to find his way across Lake Erie from Ashtabula, Ohio to Port Stanley, Ontario. The trip took 18 hours and 11 minutes — about three hours longer than he expected — and included three tumbles into the water. He remarked that falling into the water was a break from paddling and he found it refreshing. The wooden canoe, buoyed by special air bags, was moved at 4.7 mph in the beginning, but slowed during the night hours to 1.5 mph at best. Six weeks previously, he had crossed Lake Ontario at its widest point.

Recent presidents of the Florida Bankers Association, Georgia Bankers Association, and South Carolina Bankers Association at a recent meeting in Washington, D.C. were from left to right: Bill Sutton, University of Miami '61, Florida Bankers Association; George W. Harris, Jr., Georgia Tech '56, Florida Bankers Association; Robert R. Fowler, III, Georgia Tech '60, Georgia Bankers Association; Leon Patterson, Wofford College '61, South Carolina Bankers Association.

Brother Mazuran, age 57, plans included crossing all of the Great Lakes before the end of 1988.

CLIFF MORTENSON, Washington '33, has worked on behalf of the Husky Men's golf team for a number of years. Until 1986, he organized and ran the Husky Heritage Invitational (now the Tye Open), and has given both time and funds to assist athletic programs. To honor his efforts over the years on behalf of Husky golf, a Men's Golf Scholarship Endowment Fund is being named for him. The endowment was funded primarily with proceeds this year from two events with which Cliff has assisted — the April 15 Men's Golf Fundraiser and the June 27 Tye Open, netting approximately \$50,000. The interest on this endowment principal will help finance a scholarship for a Husky Men's Golf Student Athlete.

STEVEN W. BLANKENBERG, Northern Iowa '75, is also known as "Singing Steve Srata" — a name he chose for himself because it sounded light and airy, not to mention shorter.

Steve knew what he wanted at age 12, after viewing The Beatles first performance on the Ed Sullivan Show. He wanted to write music and perform. With a

makeshift drum — actually a milk carton — he taught himself to play drums; later he used a \$30 guitar with plastic strings to teach himself to play guitar. By the time he was in seventh grade he was playing in bands and now, 25 years after being inspired, he is recording his first record album. Brother Steve estimates that he has written hundreds of songs and has copyrighted 60 of them. He will distribute and promote the album on his own. His dream is to make it available through local music stores and to hear it played on local radio stations.

JOHN TYSON, JR., South Alabama '74, Democratic Nominee for Alabama's 1st Congressional District, is currently serving as Vice President of State Board of Education.

NOTICE

Attention ΣAE pledge classes of 1964 through 1970.

A 20-year reunion will be held August 11, 12 and 13, 1989 at the Chapter House, 920 Deakin, Moscow, Idaho 83843. The theme will be: 920 Deakin: Pride of Lions.

For more information contact: Gary Garnand, 320 2nd Avenue, Twin Falls, Idaho 83301, 208/734-6217.

ROBERT I. CHUPP, **Franklin College** '36, was honored at the Hail to Franklin awards dinner held October 14, 1988 during the homecoming weekend festivities. Brother Chupp, former head of the journalism department at Franklin, retired as professor emeritus in 1980. He was the founder of the college's literary magazine.

MICHAEL B. KORMOS, **California State-Fullerton** '83, has joined Market Investment Services Corporation, a discount brokerage subsidiary of Los Angeles-based Union Bank, as assistant vice president and operations manager. Brother Kormos received his bachelor of arts degree from California State University, Fullerton, and is currently pursuing his master of business administration degree at Pepperdine University.

Two ΣAEs from California currently hold prestigious positions in that state's government:

Brother HOWARD GOULD, **San Jose State** '71, was appointed Superintendent of Banks, California State Banking Department, in 1987. He is responsible for the chartering, examination, and supervision of over 280 state chartered banks, and over 150 other financial services licensees.

Brother JOHN GEOGHEGAN, **California-Santa Barbara** '60, was appointed Secretary of the Business, Transportation and Housing Agency in 1985. This Agency includes 14 departments, with over 33,000 employees, and an annual budget of \$4 billion. Mr. Geoghegan also serves as a member of the Governor's Cabinet.

SAMUEL B. WILLIAMSON, JR., **Tulane** '58, was elected the fourteenth vice-chancellor and president of The University of the South on May 5, 1988 by the University's Board of Trustees. Brother Williamson is provost, chief academic officer and professor of history at the University of North Carolina in Chapel Hill, having been selected by a search committee from 240 candidates. He will replace the retiring Robert M. Ayers, Jr.

A native of Springhill, Louisiana, Brother Williamson did post graduate work as a

Fulbright scholar at the University of Edinburgh and received M.A. and Ph.D. degrees from Harvard. His extensive teaching experience includes posts at the U.S. Military Academy at West Point and Harvard, as well as UNC where he has been a member of the faculty since 1972, serving as dean of the College of Arts and Sciences from 1977 to 1985. He became provost in 1984. Williamson has written and edited books and numerous articles and serves on a number of governing boards, including the Board of Directors of the Research Triangle Institute. He and his wife, Joan, have three children.

NORTH CAROLINA WILMINGTON Alumni held their fifth Annual Olympics during the last weekend in September. This is an annual event involving competition among the pledge classes of ΣAE brothers in golf, fishing, croquet and horseshoes. Pledge Class Beta won this year's event. The weekend concluded with the traditional UNC By-the-Sea Cruise on Saturday night, where all of the alumni and actives chartered a boat off Wrightsville Beach and enjoyed dancing under a beautiful Carolina full moon. Also eventful was the chartering of the Wilmington/NC Delta Alumni Association which elected John P. Wright as its first President.

Chapter News Briefs

CALIFORNIA STATE-LOS ANGELES: The Los Angeles Regional Foodbank was the recipient of 92 pounds of canned goods for their food drive from brothers of Sigma Alpha Epsilon to be donated to the needy.

UNIVERSITY OF IOWA: The Sigma Alpha Epsilon chapter held their first annual Billiards Tournament in April. It was a unique event, which included attendance by non-Greek students as well as the Iowa City Community. Over 500 t-shirts were sold as a promotion and the tournament was such a success that its return next year, and hopefully for years to come, is insured. Proceeds were donated to the Ronald McDonald House, a home for families of terminally ill children at the University of Iowa Hospital and Clinics.

BELOIT COLLEGE: Newly-elected Treasurer, of the Interfraternal Panhellenic Council for 1988-89 school year is Jonathan Fisher. Stanford Bjurstrom, Vice President, and Timothy Fischer, Treasurer, are new Senior Class officials and Michael Byren has been elected Phi Beta Kappa. The brothers are all members of Sigma Alpha Epsilon.

UNIVERSITY OF ILLINOIS: With the familiar friendliness of a lion, three ΣAEs who participated in overseas studies got together in Paris. They are: Scott Perez '89, Gordon Reed '89 and Larry Gundrum '89. Brother Reed studied at the University of Exeter during Fall '87 and Spring '88. Brothers Gundrum and Perez were based in France during the same period.

TENNESSEE TECH: Jim Cornelius '88 won both the Eagle Classic and Tennessee Intercollegiate Golf Championships this year, after being named one of 6 OVC Scholar-Athletes. Jim now is attending Cumberland Law School.

IOWA STATE: The men of Sigma Alpha Epsilon and the women of Alpha Delta Pi got together for the 1988 Veishea Festival and won two 1st place trophies — one for best float in the parade and one for the best float in the large division.

VIRGINIA TECH: Four executive officers on the Interfraternity Council last semester were brothers of ΣAE. They were **ERIC RACITI**, Vice President; **MIKE FLANAGAN**, Secretary; **ERIC FALTHZIK**, Rush and **ANTHONY SGRO**, Town/University Relations.

UNION UNIVERSITY brothers of Sigma Alpha Epsilon continued their tradition of community service this year by holding a Bike-a-Thon to benefit the Muscular Dystrophy Association. Brothers rode a round-trip distance of 50 miles to raise over \$1,200. Academic and athletic excellence is a 131-year-old tradition of this chapter. They have been the collegiate intramurals champions for the past five years and placed second in the ΣAE World Series of softball in New Orleans as defending champs this year.

Left to right are some of the brothers who rode for Dystrophy: Front row: Lance Henderson, Shands Orman, Greg Allison and Billy Wolf; Back row: William Pendergrast, Carey Craig, Mike Buchanan, Mike Crouch, Mark Dunaway, Jay Canada and Larry Langlinais; Front row on roof: Kurt Steele, Gregg Clotfelter, Kirk Potter, Rob Willey and Rod Parker; Back row on roof: Carl Blankenship and Randy Wood.

TEXAS A & M: Brother **DWIGHT WARDLAW** was responsible for organizing the Second Annual Texas Aggie Dating Game which raised over \$10,000 for the Gary Wayne Corn Memorial Scholarship. This ΣAE chapter would like to invite any of its active or alumni brothers to visit the local house any time they are in the area. The boxing team won the annual fight night competition — team members were **PHIL GOOCH**, **DUANE NEWSOME**, **JOHN WHITAKER**, **TED PAKES**, **EDDIE PALAZZETTI**, **SLATON SMITH** and **P. J. PATERNO**.

PURDUE: The seven brothers of Sigma Alpha Epsilon, shown left to right, front row: Jake Doyle, Chris McHenry, Rick Moeller, Ed Nichols. Back Row: Mike Madden, Jim Prough, John Dillon, participated in the 1988 Midwest Triathlon of September 11. Steve Reidl did the entire race alone. The first team placed 23rd, and the second team finished 20th out of 40 teams. Steve finished 29th out of 63 competing.

NORTH CAROLINA: Last Fall's inspection by the town of Chapel Hill, led to much rebuilding and repairs to the chapter houses, such as Sigma Alpha Epsilon, Chi Phi and Beta Theta Pi. The ΣAE house's \$680,000 architectural transformation is one of the most noticeable, as it consists of a completely redesigned floor plan. The kitchen was moved from the basement to the first floor to increase the dining area, and the basement redesigned as a party area. Central air conditioning, new walls, new bathrooms and fire alarms were installed, and everything is basically new. Members agree the space is more functional and it's a lot nicer place now.

UNIVERSITY OF NEVADA-RENO: At the University of Nevada-Reno, students take the intramural sports program very seriously. Nowhere is this more true than in the fraternity league. There are eight fraternities on campus competing against one another for points. At the end of the year, the fraternity with the most points is awarded a trophy.

This trophy had been revolving from house to house for decades, and, in May of 1987 ΣAE won the trophy for the third year in a row—an accomplishment unequalled since 1969! They decided to retire that trophy and submit a new one for competition. Then, last May, they won it again.

MISSISSIPPI STATE's Housemother, Mrs. Ann Miller Holder, named Most Outstanding Housemother of the 1987-88 school year (*The Record*, Fall 1988) is shown with Hardy Brumfield, Eminent Archon of the chapter, at the Sigma Alpha Epsilon chapter house on the campus.

At **TEXAS TECH**, five ΣAE brothers (left to right, Bob Ramano, Scott Sitzes, John Searls, Wade Yeaman and David Portoltin) formed a band called "Stranger Than Fiction" two years ago in order to play for chapter functions. They have since played every local nightclub at Texas Tech, as well as some in Dallas and New Mexico. They also play for other fraternities and sororities and for functions benefiting local philanthropies, and their first album came out in September. Their goal is to get a contract with a major record label and to go on the road after each member graduates ... Not so strange!

BARRY PARR ('88), returned last August from Germany, where he performed in concert with the All College Jazz Band composed of top college musicians selected by audition and directed by Ashley Alexander. The concert tour, sponsored and funded by the U.S. International Cultural Education Program, made appearances in Germany, Holland, Belgium and Sweden. The band's personnel were rotated with another college jazz band from Ibbenburen, Germany to promote a cultural and musical exchange between the groups.

Brother Parr is currently pursuing his master's degree in labor relations, law and business management at San Diego University. He earned a bachelor's degree in trumpet performance at California State University-Los Angeles and his previous honors include being named lead trumpet chair in the McDonald's All-American Band at Claremore High School in Pasadena.

EMORY UNIVERSITY: At a recent service project performed for the Davison School of Atlanta, brothers were pictured while painting and doing general clean-up chores to make life brighter for children with learning disabilities and speech disorders. Forty brothers spent seven hours working at various chores including moving books and furniture, yard cleanup and building a trash disposal area. This is part of a continuing philanthropy of the chapter.

NORTH CAROLINA WILMINGTON brothers sponsored the Sigma Alpha Epsilon 5K RUN for the Shriners Crippled Children's Fund and raised over \$500. The winning time was 18:18 turned in by **BRIAN COBB** (GMI '87), who recently moved to Wilmington to work with Corning Glass Works. The successful event concluded with a Pig Pickin' which the Shriners gave for the brothers.

TEXAS A&M brothers **PHIL BOOCH, DUANE NEWSOME, TED PAKES, JOHN WHITAKER** and **EDDIE PALAZETTI**, who make up the ΣΑΕ boxing team, took the All Around Championship Trophy at the annual Texas A&M Fight Night. Kirk Harrison placed third in the NCAA weight lifting competition in the 181 pound division, and Dwight Wardlaw organized the Aggie Dating Game that raised over \$10,000 for the Gary Wayne Corn Memorial Scholarship.

JOSH STERN (*State University of New York at Binghamton '88*) is pictured in Red Square in Moscow, where he backpacked last summer on a trip through Western and Eastern Europe, including the Soviet Union.

UNIVERSITY OF IOWA brothers have been making improvements to their chapter house, such as building a deck, TV room, doghouse for their new puppy mascot, and a sand volleyball court. Participation in intramurals, philanthropies and university functions is strong in the chapter. Finishing first in the Greek Volleyball philanthropy, they went on to win the Sigma Chi Derby Days Volleyball Philanthropy for the third straight year.

SOUTHERN MISSISSIPPI: Chapter brothers are proud that for the second consecutive year they have two of the top Student Body Officers on campus. Todd Buchanan is this year's ASB President and Jon Richard is the ASB Attorney General. Chuck Donlin has received USM's highest student honor for being inducted into its Student Hall of Fame. Glynn Robinson and Todd Buchanan received the University's highest Greek Honor, being inducted into the Order of Omega.

SYRACUSE: The chapter had a busy semester filled with activities in the Syracuse community as well as on campus. Flyers concerning the illegal burning of medical waste were distributed; a CROP Walk for Hunger was held and a fundraiser for Students Against Drunk Driving (S.A.D.D.), M.D.A., The United Way and The Danny Heuman Fund for Spinal Cord Research.

WORCESTER POLYTECHNIC INSTITUTE: Brothers supported the IFC by giving up a Saturday to help clean up an abandoned tower that had been an eyesore to the community.

UNIVERSITY OF TENNESSEE-KNOXVILLE brothers raised \$3,000 during the USFG Flag Football Tournament to benefit the Marc Buoniconti Fund last September.

UNIVERSITY OF THE PACIFIC brothers raised \$3,000 last Spring for the Muscular Dystrophy Association during their annual "Bop Till You Drop" dance marathon. Every brother raised pledges in the name of MDA.

Brothers at the **UNIVERSITY OF ILLINOIS** are proud to announce that this year's Phi Alpha Golf Outing was a huge success, having the largest attendance ever. After a round of golf and an Illini Football game, alumni and undergrads returned to the chapter house for dinner where, to the delight of the wives present, they sang the songs of ΣΑΕ. The evening was capped off with a party for the alumni, where all agreed it will be a tough act to follow.

UNIVERSITY OF MIAMI, FLORIDA chapter highlighted their Spring philanthropies with a Wheelchair-A-Thon to raise money for the Miami Project, an organization trying to cure paralysis by fundraisers. Brad Baker and about 30 other brothers wheelchaired for 15 miles for the cause, which was held for the first time in Miami in 1988 and will become an annual fundraiser for the Miami Project.

BOWLING GREEN STATE: SAE brothers won the annual Sigma Alpha Epsilon Mud Tug. The team defeated four other fraternities in a tug-of-war and came out the 1988 champions. During the Annual Community Service Week, October 16-23, the brothers provided 250 hours of service to Bowling Green area's elderly.

AUBURN UNIVERSITY ΣAEs raised \$2900 with their rock band event, "Walk the West," a fundraiser for the United Way.

NORTH DAKOTA: ΣAE brothers together with Gamma Phi Beta sorority took over the phones during the annual Jerry Lewis Labor Day telethon. They also presented the Muscular Dystrophy Association with a check for \$1200 raised from a 1988 Supper Dance arranged by the chapter together with Delta Delta Delta. Pictured is Brother Bruce Thomas and MDA Posterchild, Drew.

The brothers placed first in the UND intramural Softball Tournament. With an 8-1 record, they won the championship by a score of 6-1. Pictured is the championship Intramural Softball team.

BRADLEY UNIVERSITY's three fraternities, Sigma Alpha Epsilon, Sigma Nu and Pi Kappa Phi sponsored an All-Greek Non-alcoholic After Hours event during Greek Week and proved that the new risk management policies can work. The party, using a soda pop dispenser purchased by the ΣΑΕ chapter, was a huge success. The fraternities met to discuss many issues and are resolved to continue to work together.

Furman brothers proudly show off the "Decade of Dominance" trophy, while relaxing on Paris Mountain.

FURMAN COLLEGE: On May 28, 1988 the brothers cinched the 10th consecutive Intramural Championship.

BOSTON UNIVERSITY: ΣΑΕ brothers led the way during Fall 1988 Rush. Highlighting the dry rush was a day trip to Cape Cod. Accompanied by the girls of Gamma Phi Beta, the brothers and rushees enjoyed a great day on the beach complete with football, volleyball, swimming, and a barbeque. The very successful rush resulted in 35 pledges se-

lected from 130 rushees, giving ΣΑΕ the biggest pledge class on campus.

NORTHERN IOWA ΣΑΕ Brothers "Beat the Heat" event was shaking things up on August 22nd when they successfully helped to create a world-record milkshake. A boat trolling motor was used to mix the shake which was prepared in a dunk tank. After an hour of mixing, the completed shake totaled 325 gallons — topping the previous world record of 282 gallons. The event, sponsored by the University's Greek system, was one of many that welcomed students back to campus for the Fall semester.

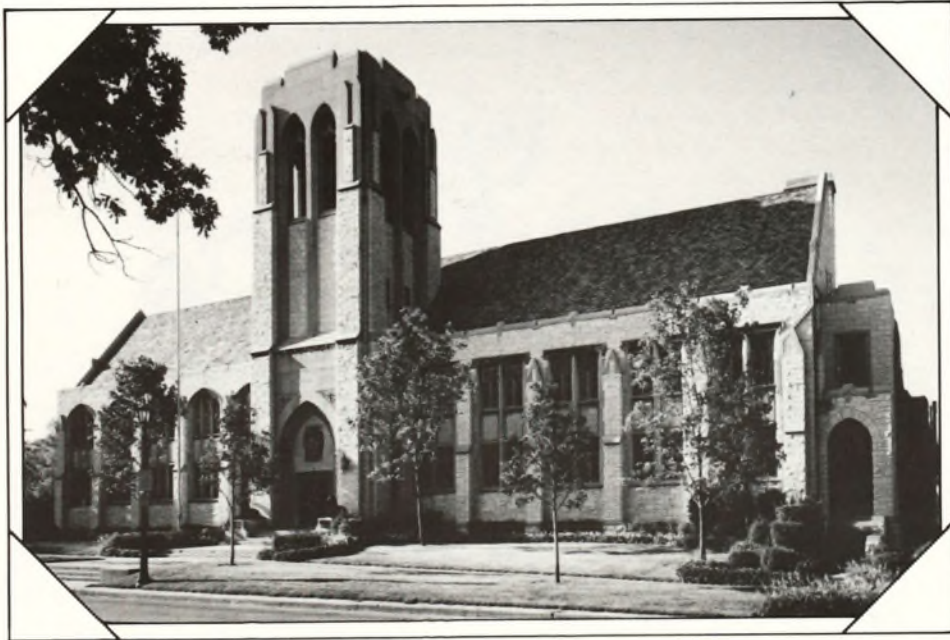

Wilson Jones left (Texas Tech '88) welcomes William Erick Skinner (Texas Tech '88) into Mortar Board.

TEXAS TECHNOLOGICAL UNIVERSITY: William Eric Skinner (Texas Tech '88) was initiated into Mortar Board, a senior honorary, at Texas Tech on April 24, 1988. Mortar Board is composed of the top 35 seniors on campus based upon scholarship, leadership and service, and is one of the highest honors awarded at Texas Tech.

Eric, originally from Nashville Tennessee, transferred to Texas Tech from the University of Alabama and Mother Mu. He was involved in a diving accident in Mobile Bay, while a pledge there and was transferred to Shepherd Spinal Clinic in Atlanta, where he received constant support from the brothers of Alabama Mu. While hospitalized, he was initiated into ΣΑΕ by ESA John Warren with the assistance of Alabama Mu and Georgia Epsilon.

Eric is majoring in Public Relations and is an Arts and Sciences Ambassador, holding the office of publicity chairman. Being an ambassador has given Eric the chance to be involved with Tech functions and to meet and work with many campus leaders and administrators. In addition, he is a member of the Arts and Sciences Council, the Dean's List, and Campus Crusade for Christ, as well as an Alpha Phi Omega Scholarship recipient. The brothers are very proud of Eric; he is an inspiration to not only the members of ΣΑΕ at Texas Tech, but to everyone he comes in contact with at the University.

Our Heritage

We are all a part of Sigma Alpha Epsilon and it is a part of us . . . Almost sixty years ago, the Fraternity built the Levere Memorial Temple to remember those who had gone before us and to pass on their heritage to future generations.

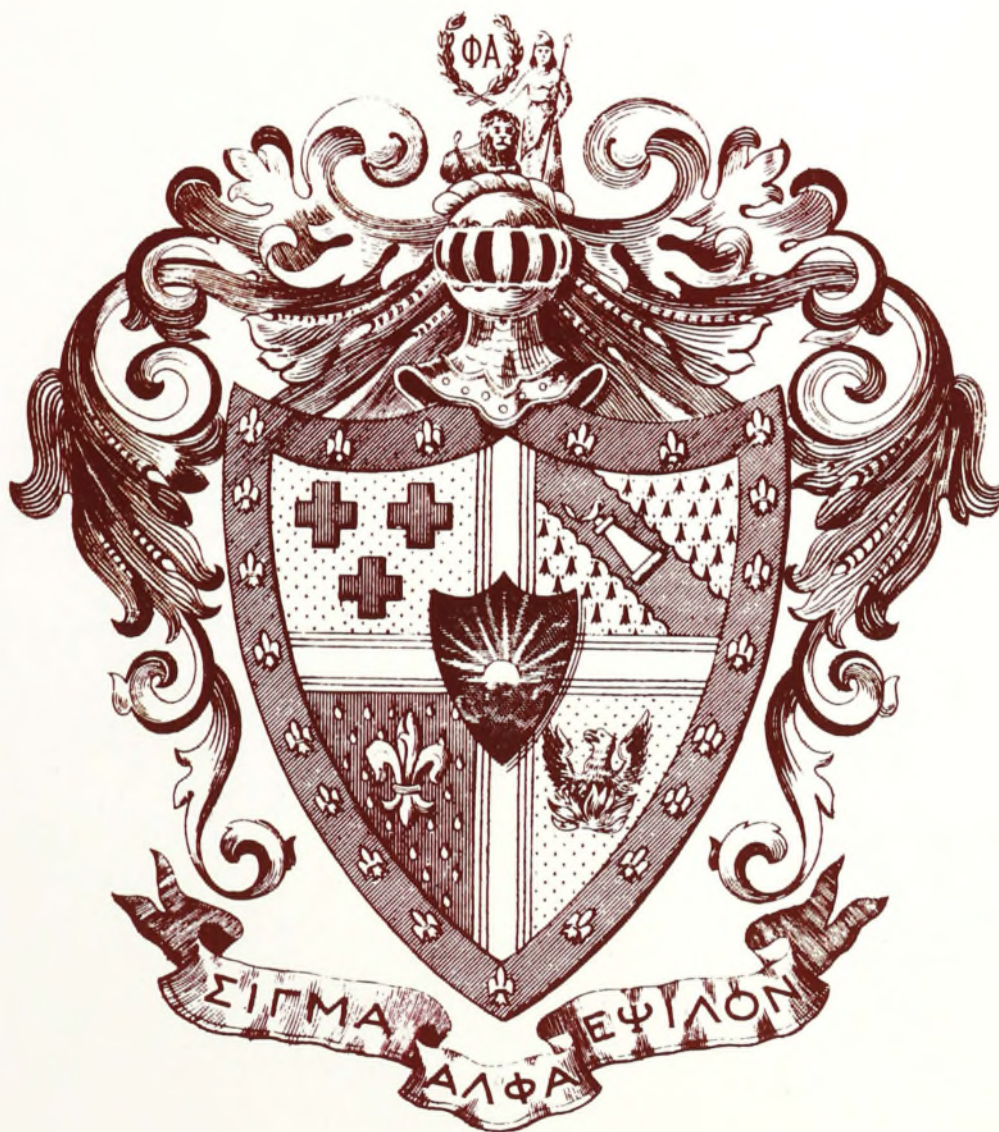

We are still building on that heritage. A bequest gift can serve as a foundation for future Σ AEs and will pass on your Σ AE heritage to others for years to come.

If you would like to know how you or a loved one can be remembered through a planned estate gift, contact:
