BUCKNELL ΣΑΕ TAKES ZEAL AWARD FOR SECOND TIME

ON THE MISSION OF ΣΑΕ

By David M. Lance

What is the mission of Sigma Alpha Epsilon as we enter the 90s? The leadership of Σ AE addressed this issue at their recent Strategic Planning Conference, held on the campus of Northwestern University at the James Allen Conference Center.

Fraternity leadership, comprised of volunteer and paid staff, gathered together for the first time to openly discuss the major issues confronting our organization and to come to a mutual resolve on our direction.

What is our mission? What are the specific principles in support of our mission statement? What are the current agreed-upon objectives for which specific action plans are necessary?

Over 40 individuals participated in the two day conference, which produced the following documents:

THE MISSION

The mission of Sigma Alpha Epsilon is to promote the highest standards of friendship, scholarship and service for our members based upon the ideals set forth by our Founders and as specifically enunciated in the True Gentleman.

THE PRINCIPLES

- 1. To develop in our members the skills which will facilitate their making deep and meaningful friendships throughout their lives.
- 2. To provide our undergraduate members with a physical and organizational environment conducive to their pursuit of academic excellence.
- 3. To help our members better understand and experience diversity and change and to enhance their respect for individuality and personal integrity.
- 4. To foster personal development of our members including leadership, scholarship, citizenship and social responsibility.
- 5. To develop in our members a sense of duty for individual and group involvement in social interactions, service and community outreach.
- 6. To provide our members with guidance, support and standards based upon the ideals embodied in our Ritual.
- 7. To develop, maintain and enforce standards and expectations for the conduct of our members within and outside of the fraternity.
- 8. To provide our members with life-long fraternal experiences that are productive, rewarding, and enjoyable.

THE PRIMARY OBJECTIVES

- 1. To reach out to more of our members by sponsoring well-attended province and regional leadership schools, and to consider possible conferences during the summer for various constituencies or groups.
- 2. To identify, recruit, train, maintain, and replace alumni volunteers to serve as: chapter advisors, house

corporation members, province officers, committee members and Supreme Council members.

- 3. To increase the appropriate use of our programs by improving the program content and the marketing and delivery efforts to our constituencies.
- 4. To obtain the appropriate professional staffing levels and financial resources to meet member needs and continually strive to improve programs and services.
- 5. To improve the quality, quantity, and methodology of our communication between the National Office and the Supreme Council, provinces, chapters, national committees, chapter advisors, house corporations, alumni associations, the general alumni membership, universities, the Greek community, parents, and the general public.
- 6. To expand our membership by selectively monitoring the size of existing chapters consistent with quality objectives.
- 7. To expand to new institutions consistent with our quality objectives.
- 8. To be driven by the concept of quality in all our programs and services; to establish, monitor and enforce standards of quality.
- 9. To increase our commitment to scholarship by establishing an objective for undergraduate members and chapters to maintain scholastic averages exceeding university norms.
- 10. To expand our efforts to foster increased alumni interaction at both the local and national levels.

Now that we have established all of the above, it now becomes our responsibility to address the primary objectives. Each has been assigned by the Supreme Council to an individual or committee whose responsibility is to develop an action plan. Once these plans are in place, we can begin directing our collective efforts towards achieving our objectives. Obviously, some objectives will take longer than others to realize accomplishment.

This procedure has given us a direction, with a detailed map, which can be charted to display our position at any given time. By having this map to follow, we will be more prone to stay on course as we move toward the satisfaction of the objectives.

FROM THE EDITOR

The Winter issue of The Record has traditionally contained the annual report of the Fraternity and Foundation to our "stockholders." It goes to every living member of ΣAE for whom we have a good address. This issue follows the tradition and is presented with pride and satisfaction.

The 1988-1989 fiscal year has been an excellent one, not only financially, but in the overall performance and operations of the fraternity. In addition to a look back at 1989, we will reflect on progress over the past ten years, the 80s.

A lot has gone down in the past ten years, but for as much as things change they seem to stay the same. With the possible exception of the growing concern for sexual abuse - hazing, and drug and alcohol abuse are still our major problems. Lance Oaas, Colorado State '82, died of acute overdose of alcohol in December 1979 before the commencement of the decade. Lance missed the 80s. He would have been 29 years old today. Although such tragedies have diminished, they continue. Who will miss the

ΣAE alumni continue to make their mark on the world. We share the pride in accomplishment of the 1989 recipients of the T.H.E. (The Highest Effort) Awards. And we also honor alumni who have made their mark on ΣAE , this year's recipients of the Citation and Medal for Distinguished Serv-

ESA David M. Lance uses his space to report on the work of the fraternity's Strategic Planners. The fraternity is grateful to all those brothers who have taken the time to react to the plan and provide suggestions that will enhance the plan and the work of the staff and committees in implementing

Sometimes you have to swim against the stream of adversity to come out on top, and

that's exactly what this year's Zeal chapter had to do. Our cover features the ΣAEs from Bucknell University, the 1989 winners of the John O. Moselev Leadership School Award for Fraternity Zeal. We congratulate them on this significant achievement as the Greek System at Bucknell struggles for

It's plain to see from the numerous lists of alumni contributors that we could not survive as a fraternal organization without such generous support. We are grateful!

Four Brothers Honored for Distinguished Service

At the 133rd National Convention of Σ AE in June, four outstanding alumni brothers were honored with the Citation and Medal for Distinguished Service. This is the highest honor Sigma Alpha Epsilon bestows upon brothers for their service to the fraternity. Following are the words printed on the Citations for Distinguished Service given this year to Carlton J. Delbridge, Carl Robert Simon, John B. Warren, and Richard G. Wilkinson.

CARLTON J. DELBRIDGE SOUTH DAKOTA SIGMA 1923 UNIVERSITY OF SOUTH DAKOTA

His association with the fraternity began with his initiation on April 25, 1920. Few have been so enthusiastic about their participation as he has been for the past sixty-eight years. His qualities of intellect, character and community spirit have earned the respect and admiration of all those who have known him. He is noted for his persistence and ability to follow through on his ideas. For instance, he was one of two Alumni Founders of the Theta Chapter, chartered in 1971, at South Dakota State University. He continued his support of South Dakota Theta by establishing three C.J. Delbridge Awards. Given each year, they acknowledge the outstanding scholar, outstanding active and outstanding alumnus. In acknowledgement of his belief that SAE is a lifelong experience, the fraternity has presented him with many awards which reflect his remarkable contributions. In 1984, South Dakota Theta presented him with the Order of the Lion Award. He then received an Award of Merit from Province Tau in the mid-1980s. In April 1985, he received the Merit Key Award. In 1986 he received The Highest Effort Award for Philanthropy. As a brother who has shown a long and dedicated service to SAE, he was named a founder member in 1988. He is a "True Gentleman" whose love of family, enthusiasm, cooperation, and superior leadership challenges us to help create a more interesting and better community. We now pay tribute to him with our highest honor, the Distinguished Service Award.

Clark Schoening (Photo Credit)

Past Eminent Supreme Archon Ben Allen presented the DSA award to C. J. Delbridge, University of South Dakota '23 (Sigma). Pictured also are C. J.'s wife, Alene and Province Tau Archon Loren Boone.

CARL ROBERT SIMONPENNSYLVANIA DELTA 1923 GETTYSBURG COLLEGE

One of Sigma Alpha Epsilon's most remarkable brothers, he was initiated by the Pennsylvania Delta Chapter on October 23, 1919. For the past seventy years he has served his fraternity with unfailing dedication. As an alumnus he was very prominent in the activities of the Washington D.C. Alumni Association and served as Chaplain and Installation Ritualist. He was very involved with Province Gamma in the 1950s and 1960s. He served as the Deputy Archon from 1950-1952 and Archon during 1952-1954. He also acted as Eminent Archon at several formal initiations of ΣAE.

His leadership continued to grow as the fraternity celebrated its 100th Anniversary Convention in Tuscaloosa on March 9, 1956. His commitment to the fraternity continued as he was the guest speaker at the 1961 Yellowstone Convention. The brothers showed their deep regard for him by electing him Honorary Eminent Supreme Archon for the years 1961-1963. The fraternity relied on him to negotiate with the Lu-

Geoff Simon, Robert Simon, Ed Crump, Glen T. Nygreen, with Dr. Carl Simon.

theran governing body to allow Lutheran men to join a fraternity. He was given the responsibility of representing Σ AE, and the Lutheran governing body withdrew their objections. Because of his input, all neophytes are fully informed of their oaths before they take them. The spiritual quality of his presence during many crucial times in the fraternity helped us remain calm. He was a voice of reason and a force of unity

when disruption threatened. He received the Merit Key on December 25, 1980. Now we would like to honor him, a true son of Minerva, by bestowing the highest accolade — the Distinguished Service Award.

ciation. He was named founder member on October 5, 1988. Now we would like to extend our appreciation for all of his efforts and accomplishments by presenting him the Citation and Medal for Distinguished Service.

Johnny Warren, Ben Allen, and Col. Wilkinson.

JOHN B. WARRENGEORGIA EPSILON 1959 EMORY UNIVERSITY

His qualities of leadership have shown him ideally suited for a fraternity as strong and diverse as Sigma Alpha Epsilon. He led the fraternity in its highest position by serving as Eminent Supreme Archon from June 1983-June 1985. His unceasing devotion to ΣΑΕ was evident from the beginning. As an undergraduate, he held the office of Treasurer before being elected Eminent Archon. After graduation, his ties to his chapter remained strong. In fact, he knows every man by name who has pledged SAE at Emory since 1955. He has made many noteworthy contributions to the Fraternity. During his term as Province Epsilon's Archon, between 1970-1974, he urged the creation of a separate Nu-Epsilon Province. This new province consists of the SAE chapters in Florida and revitalized recolonization efforts in that region. Because he was such a dynamic and affable leader, he was able to contain controversy in a sensitive transition. His service has been rare in its consistency. He was elected Eminent Supreme Herald at the 1977 National Convention. Showing further confidence in his abilities, the Fraternity elected him Eminent Supreme Deputy Archon for the 1981-1983 term. He was also an advisor to Georgia Epsilon and President of the Atlanta Alumni Asso-

RICHARD G. WILKINSON MISSISSIPPI GAMMA 1940 UNIVERSITY OF MISSISSIPPI

During his lifetime, he has been one of the fraternity's most enthusiastic supporters. As more than one fellow ΣΑΕ has observed, he is a go-getter, one who voices his opinions and strives to realize his goals. His devotion to ΣAE is so great that he has single-handedly made certain that every fifty-year alumnus of ΣAE in Mississippi receives a certificate of recognition. He has served the Fraternity in several important positions. As an undergraduate, he served as Eminent Archon. Later he maintained his strong relationship with ΣAE; he has been president of the Mississippi Gamma House Association for more than fifteen years. He is also president of the Central Mississippi ΣΑΕ Alumni Association and has been for over thirty years. He has served Province Theta with a dedication and determination that is rare. He was their Alumni Secretary and Honorary Province Archon. He continues his commitment to collegiate ΣAEs by serving as the advisor for the Milsaps colony. In recognition of his contributions, he was made a founder member in May 1981. Now he has been chosen to receive the highest honor the fraternity can bestow, the Distinguished Service Award.

Alumni Association News

A fall cocktail and dinner party was held for the **Detroit Alumni Association** on November 3, 1989. The party began with cocktails at President Gary Corbin's new house in Grosse Point Shores. Entertainment was provided by a male cappella vocal jazz group, the Grunyons. An elegant dinner followed at the Country Club of Detroit.

THE INDIANAPOLIS BROTHERS held an organizational meeting to reestablish their alumni association on September 21, 1989. New officers were elected. Please contact Tom Atz, President, at (317) 634-5544, if you are interested in joining the association.

California Tau/Central Coast Alumni Association held a Homecoming Tailgate party October 28, 1989, in San Luis Obispo. The festivities included a BBQ, dancing, and of course, football! The party was a "victors" reward for winning the Chapter-Alumni fundraising challenge. Alumni in the area, who would like to contact the group, should write: P.O. Box 15257, San Luis Obispo, CA 93401.

Alumni from Kentucky Kappa joined one another for a homecoming cocktail party on Friday October 27, 1989 and a football game the following day. A brief meeting was held on Saturday, and new officers for the year were elected. The **Kentucky Kappa Alumni Association** would love to hear from any and all interested alumni living in the area. Brothers interested in joining should contact **KY Kappa Alumni Association** at Box 738, Centre College, Danville, KY 40422.

ΣAE BROTHERS IN CHICAGO are still trying to get their alumni association "off the ground." We know that there are many of you out there, so why not get together? As AT&T so aptly puts it, "just call" Lynne Cantin at the National office 708-475-1856.

THE FRATERNITY IN 1989 THE 80s: SOME KIND OF DECADE!

By Ken Tracey Eminent Supreme Recorder

The 80s: a decade of prosperity for **\(\Sigma AE!\)**

Great progress marked many areas of fraternity programming and management over the last ten years. It was a decade to make up for lost time, pack prosperity away for future days and break new ground. This year's annual report will reflect on the entire decade of the eighties. (We thought this would be more interesting anyway.)

In 1989, ZAE set a new all-time record for new initiates with 4,433. The old record was set last year with 4,288. We now have 201 active chapters; the highest in our history.

Here are the highlights of the 1989 ΣΑΕ year by major category.

Leadership Training Stays Top Priority

The Leadership School continues to be a driving force of motivation and enthusiasm for ΣAE chapters. The 54th School, held last August, was without question one of the best. The commitment of those in attendance to the ideals of ΣAE set an example for all to follow.

The school was again directed by Darrell Gibson, **Ball State** '74. Attending the 54th were 489 delegates from 178 chapters and 9 colonies. The House Corporation and Chapter Advisor Programs welcomed 12 and 9 participants. Consistent with the theme, each delegate shared a one-of-a-kind experience. The dates for the 55th Leadership School will be August 5-8, 1990.

Leadership School workshop.

Topnotch Services And Balanced Budgets

Under Assistant Executive Director Jeff Arnold, the administrative staff continues to make important internal operating changes each year. The goal is to reduce the response time for member requests without increasing our costs. Not an easy goal to achieve as we try to keep personnel at a minimal level. The National Fraternity employs 21 very loyal and dedicated people. The finances of the fraternity are excellent as we continue to maintain a balanced budget. Annual dues were raised from \$25 to \$30 per year per active member. (See financial chart.)

Alumni Activity Rebounds In The 80s

Alumni activity was very high this year, as roughly 100 Alumni Associations reported successful events. (119 dues-paying associations in 1989.) Charters were issued to seven new Alumni Associations: Southeastern Georgia, Tri-Cities Tennessee, New York Omega, Texas Alpha, Missouri Gamma, Central Louisiana, and Jackson, Tennessee. Forty-five alumni associations sent delegates to the National Convention in Cincinnati last summer.

The Permanent Committee on Alumni Services provides a consulting service for Alumni Associations under the chairmanship of Richard Hopple, **Cincinnati** '70. Other programs include the T.H.E. Awards program,

Bucknell SAEs Take Zeal

Pennsylvania Zeta at **Bucknell University** won the John O. Moseley Leadership School Award for Fraternity Zeal for the second time (1982). The award is considered by many to be the top recognition of achievement that can be bestowed on a chapter of Sigma Alpha Epsilon. Since its inception in 1956, only 32 chapters have entered the "Zeal" club. Chapters at **Penn State** and **Bucknell** have won the award twice, and the chapter at **Birmingham-Southern** has won three times.

Alumni Services Chairman Richard Hopple.

alumni awards, promotion of Founder's Day activities, the 50-year Certificate program, and the Alumni News section of *The Record*. For information on how to organize, operate and maintain an alumni association, contact Lynne Cantin, Alumni Services Manager, at the National Office (708) 475-1856.

Growth And Reorder Mark Chapter Affairs

Statistics may be impressive but more important is the quality experience our chapters provide. Our members confront themselves and each other to move onward. Today's fraternity world presents many challenges, but the experience of dealing with problems is what makes fraternity meaningful. Most chapters today have men of excellent character. They remain dedicated to scholarship, community involvement and quality interaction with peers and alumni.

Growth was cautious and conservative in the 80s. ΣAE had six colonies in 1980 and there are eight today. Since 1980, 24 new charters were granted and nine charters were reissued. There were losses as well. The venerable Harvard chapter died in 1979. Since then chapters have closed and not yet been revived at 13 other institutions. Net growth: 20 chapters. George Ilse, **Syracuse** '49, has chaired the Extension Advisory Committee since 1982.

Under Extension Director Brian McRae, four new chapters were installed in 1989: Alabama Nu (North Alabama), California Omega (Santa Cruz), Tennessee Rho (Christian Brothers College), and Utah Sigma (recharter) (Weber State). Present Colonies include: Millsaps College, Illinois State University, Sonoma State College, University of California -Riverside, State University of New York - Albany, University of Western Ontario, Frostburg State University, and Georgia Southern University. These eight colonies give us a total of 209 campus groups. To be a dynamic organization, we must continue to grow. Our first Canadian colony is at the University of Western Ontario.

Sadly, three charters were suspended recently for a variety of reasons—Utah Upsilon at Utah State University and California Kappa at the University of California - Davis, and Oklahoma Kappa at the University of Oklahoma. Also, recognition of the interest group at Mercer University stopped after they did not meet the expectations set forth by the Fraternity. This happened despite the many efforts by local alumni, University officials, and Province and National Staff. We hope to return to all five campuses within three to four vears.

On the bright side, several chapters, earlier in a questionable position, made excellent strides to regain their status as chapters in good standing. (Seventeen chapters are on Alumni Commission.) One of our greatest needs is that of more volunteers, chiefly to fulfill roles such as chapter advisors and house corporation members. Problems most often develop in chapters without alumni help. The chapter development staff is under the direction of Mike Sophir, **Nebraska** '85, who succeeded Scott Haggard.

Risk Management Made Permanent

In 1980, only a few obscure

insurance gurus had heard of "risk management." By the end of the decade, ΣΑΕ had made it a permanent part of its structure. The Fraternity hired John Perkins, Western Kentucky '80, as its full-time Risk Manager with a full-time assistant. We even created a risk management database for evaluating the risk presented by each chapter. It includes checklists and photographs of chapter houses. The 1989 convention voted to make the ad hoc committee on Risk Management a permanent committee.

ΣAE chapters have added a new office, that of Risk Manager (The ERM). ΣAE members lead many campus Interfraternity Councils in establishing and enforcing risk management policies.

When most chapters found themselves unable to buy liability insurance, the need was filled by establishing a national liability insurance program. We continue to offer an outstanding liability insurance program to chapters, house corporations, and advisors across the country. The program provides the best multi-million first dollar insurance coverage available to college

Chapter Development Staff: (from left to right) (top row) Mike Betts, Ferris State '89; Gary Root, Bucknell '89; (bottom row) Michael Tarbet, North Texas '88; Tyler Terry, Arizona '88; Chris Garn, Puget Sound '89; Brian McRae, New Mexico State '88; John Perkins, Risk Manager; Mike Sophir, Director of Chapter Development; Mike Arthur, Colorado State '89, with ESR Ken Tracey.

fraternities and at a highly competitive rate.

ΣAE, long priding itself on having few rules, preferring to give autonomy to its chapters, suddenly found it important to establish "risk management" policies. These measures meant survival for the entire organization.

Tom Devine.

Risk management situations, especially those made by hazing and alcohol abuse, continue to be our concern. Although most chapters implement positive programs, those who continue negative practices are a threat to all Σ AEs. We are indebted to the volunteers and staff charged with educating chapters. It is with their help that these situations get corrected.

Tom Devine, **Minnesota** '74, serves as the very creative chairman of the Risk Management Committee. The committee issued the first manual dealing with risk management and distributed them to chapters, house corporations, advisors, and university officials. "ΣΑΕ at Risk," a new quarterly newsletter, deals with current issues and offers ideas for chapters and alumni.

Tennessee Beta at Middle
Tennessee State University
received the first annual Award for
Risk Management. For their efforts at
loss control and life safety, they got a
reduction in their liability insurance
premium.

Rick Sackbauer.

Housing To Have Major Thrust In 90s

The 54th Leadership School brought with it the fourth annual House Corporation Officer's Training Program. This excellent program served to educate 12 alumni in aspects of being on a house corporation board. Rick Sackbauer, Kansas State '74. succeeded Dave Covert as chairman of the Permanent Committee on Chapter Housing. Its members are dedicated to the improvement of chapter housing throughout SAE. During the past year, many house corporations began major fundraising drives. Others saw the finish of their campaigns lead to major renovations of their chapter houses.

Adopted from a program he started for ΣAE , Tom Devine continues an excellent job of leading the National Interfraternity Conference Regional House Corporation Officer's Training Program. These seminars help the alumni of all fraternities and sororities run their House Corporations.

A new house was dedicated in October at **Ole Miss** and houses were rebuilt at **Randolph-Macon** and **North Carolina.** Fires destroyed houses at **Vermont** and **Georgia Tech** this year. Plans are to rebuild.

Thanks!

We appreciate the hard work of hundreds of volunteers on National Committees and Province Councils. Your support and guidance are essential to the progress of our beloved order. Kudos to the members of the National Staff for their genuine concern for those they serve and their dedication to the aim of quality. We express our sincere gratitude for the chance to serve you — the brotherhood of ΣAE .

Ritual Chairman Todd Dickinson.

THE 1990s: What about the next ten years . . .

Optimists see the 90s decade as one of great progress for humanity. They predict that democracy will come to many countries, especially in Eastern Europe. The 90s will be a turnaround decade for the environment as scientists convince politicians and industry leaders to change their ways. The economy should continue its steady growth; prosperity will reach more of the world's people. Medicine will see genetic tools used to combat disease; surgeons will transplant virtually any organ in the body. Superconductors will be developed. Silicon chips will find their way into appliances and tools: computer simulation will further scientists' understanding of nature.

Two areas for which there is less optimism is A.I.D.S. and drug abuse. The effect on the fraternity is hard to predict but you can bet that Σ AEs will be doing something to solve the problems. Things don't change until you care.

As A.I.D.S. reaches into the heterosexual community, our youth will be infected in dramatic, epidemic numbers. This may have a huge effect on Σ AE. Prevention is the answer, but many of our members will be infected before they reach college. We will deal with brothers getting sick and dying in our chapters. Things don't change until you care.

Drug use may be easier to deal with since many young people will have been through it by the time they graduate from high school. For many, drugs will be passé. Σ AEs may not have to deal directly with drug abuse, but will help lick the problem by working with teens in community projects. Things don't change until you care.

Sigma Alpha Epsilon's challenge for the 90s will continue to be our inherent problems of HAZING AND ALCOHOL ABUSE. As long as parent's abuse their children, we will have to contend with hazing. While America is plagued with alcohol abuse, we will have to deal with alcohol-related problems. Our eternal hope is that Σ AE can overcome these problems and beat out the rest of the world. We must never stop trying. Things don't change until you care.

The Decade of the 80's: How have we changed?

News from 1980:

- ΣAE installed a Hewlett-Packard Main Frame Computer (it's still on the job). All earlier data processing was out-of-house. Functions computerized included: membership data base, finances, word processing, publications preparation.
- A National Alumni Directory was published for the first time in 50 years. (The directory was published again in 1986 and will be published again in 1991.)
- Commemorations: The Fraternity celebrated the 50th Anniversary of the Levere Memorial Temple and prepared for the 1981 celebrations of the 125th Anniversary of the Fraternity and the 100th Anniversary of *The Record*.
- Highlights from the 1980 Annual Report: "Times are stable but uncertain, because of high inflation and the energy crisis. The financial support of alumni and our endowment money saved ΣAE ." Dick Generelly, then ESA, joined the chapter eternal in 1988.
- In 1980, three endowment funds were held in trust for chapters when ΣAE took initiative to start more such funds. (Today there are 38 funds.)
- In 1980, the Fraternity employed 20 persons, of which only two are still employed. (Now there are 30 people employed full time by both the Fraternity [21] and the Foundation [9]).
- In 1980, Σ AE had only three major awards that recognized outstanding chapter programming, Over the decade new awards were created to recognize achievement in every possible area. There are now 15 major awards. The newest include Risk Management and Chapter Singing. Recognition of achievement is an Σ AE tradition.

Other 90s efforts and challenges

 Membership Diversity: As our culture becomes more diverse as reflected by changing college populations, we must encourage chapters to diversify their memberships.

• Regional Leadership Schools: To extend the 55-year-tradition of a national leadership training school to various regions of the country so that more ΣAEs can enjoy the experience.

 Recruitment and training of more alumni volunteers to serve as Province Officers, Chapter Advisors and House Corporation Officers.

• Making Σ AE chapters stronger, healthier and safer through innovative educational programs and enforcement of strong policies.

 Chapter house fund drives; many chapter houses are in need of extensive repair or replacement. A fraternity-wide systematic approach needs to be undertaken. Local initiative is not always present.

 Province restructuring: To make the provinces more responsive to the needs of their chapters. The current system is inadequate in most of ΣAE's 28 provinces.

 Ritual Counselors: Creating a network of ritual experts around the realm to help members understand and live the ritual.

 Enhancing the importance of academic achievement by raising of scholarship requirements above the average in each college; by creating more effective programming to enhance scholastic achievement; and by using chapter house computers.

 Revamping of Pledge Training into Member Education. There is a real need to decrease hazing and alcohol abuse in pledge education by better monitoring and controlling the orientation and assimilation of new members into the fraternity.
 Fortunately, there is growing intolerance for hazing both in and outside the college community.

 Completion of The Dream; building a much-needed administrative office center next to the Levere Memorial Temple.

Challenges are a natural part of living and ΣAE is full of life. It will take real leadership to meet the challenges of the 90s. ΣAE must be willing to take strong positions on the issues that affect us, such as coedity

The Supremes Bill Chapman, Dave Lance, Ron Doleac (seated), Bill Dowell, Ken Tracey, and Marc Franson (standing).

Strategic Planning Conferees chart the future.

and human abuse. We must continue to become more culturally diverse in our membership. We must continue to seek out men who have the courage to live Σ AE ideals no matter what their color or creed or background. Men who are willing to be of use in making the world a better place for all its people because we are the world. We have faith that this will happen. We are guided by Phi Alpha! Onward to the year 2000!

Major Programs of the Fraternity in 1980 and 1990:

- The Leadership School
- The E & L Consultant Program
- Alumni Volunteer Training Programs
- Alcohol Abuse Prevention
- Publications: The Record, Phi Alpha, The Phoenix, Officer's Manuals

Important events of the 80s:

- The merger of the old Levere Memorial Foundation and the ΣAE Leadership Foundation forming the ΣAE Foundation.
- The establishment of the National Amateur Golf Tournament in 1980 has spawned other events like SKIFEST and The Σ AE BASEBALL WORLD SERIES.
- The T.H.E. Awards, the brainchild of the New York Alumni Association, was given to the National Fraternity to recognize those alumni who make an important mark on our world in areas such as Government, Athletics, Education, Religion, Science and Technology.
- 24 brand-new charters were issued in the 1980s. Also, nine tombstone chapters were re-chartered: Iowa, Syracuse, Beloit, Arizona, Texas Christian University, Connecticut, Charleston, William & Mary, and Gettysburg.
- Unfortunately, 14 charters were removed and they are at: Massachusetts, Indiana State-Evansville, Monmouth, Ripon, Mercer, Oklahoma, Utah State, Northern Illinois, East Tennessee State, Marshall, Bethany, Oklahoma City, University of California-Davis, and Arkansas-Little Rock. Our sincere hope is to have chapters returned to many of these colleges during the 90s.

The Highest Effort Award honors exceptional alumni

By Tracey Stoll

The Highest Effort Award, also known as the T.H.E. Award, recognizes alumni of Sigma Alpha Epsilon who, throughout their professional lives, have made a significant contribution to society, thus advancing the good name of the fraternity. Brothers are chosen to receive the T.H.E. Award for demonstrating the ideals of The True Gentleman; performing a service that betters the human condition and furthers man's knowledge; and serving as a model for those who follow.

In the past, The Highest Effort award has been bestowed upon such notable ΣΑΕ brothers as pollster George Gallop, actor Robert Young, Michigan football coach Bo Schembechler, Johns Hopkins University president Dr. Milton Eisenhower, Iowa Governor Robert D. Ray, columnist James Kilpatrick, news commentator John Palmer, U.S. Senator Peter Domenici, *Titanic* exploration scientist Robert Ballard and actor, writer and director Terry Gilliam.

Nominations for the T.H.E. Award are solicited in *The Record*. Recipients are honored by undergraduate chapters and alumni at local events across the country.

Athletics: Walt Terrell

In the field of Athletics, The Highest Effort Award goes to Charles Walter "Walt" Terrell, Morehead State '80 (Kentucky Gamma), who pitched for the Detroit Tigers until he was traded last fall to the San Diego Padres. Last season, Terrell totalled over 200 innings for the sixth consecutive season and finished tied for 6th in the American League in complete games with 11. In 1987, he established career bests in wins (17), strikeouts (143), starts (35) and innings pitched (244.2). A year earlier, Brother Terrell "flirted with the record book by holding California hitless for 8.2 innings on August 20, before Wally

Walt Terrell

Joyner broke up the no-hit bid with a double," according to a press guide. Prior to donning the Tigers uniform, he pitched for the New York Mets, and became the first Mets pitcher to hit two homers in a game in 1983. Terrell spent a few years in minor leagues and won the International League Most Valuable Pitcher award for his efforts. Brother Terrell is married and has two sons and a daughter.

Government: Ken James

Winning the T.H.E. Award for Government is Brother Ken James, Michigan State '58 (Michigan Gamma), who is a member of the Canadian Parliament. James, who entered Michigan State with a hockey scholarship, attributes his entry into politics to his successful bid for Eminent Archon when he was a senior in college. Re-elected to a second term in Parliament last fall, Brother James has been active in policymaking on regional development, small business, tourism, international trade and the environment. In March of this year, the Prime Minister appointed him

Parliamentary Secretary to the Minister for Supply and Services. In 1986 and 1987, Brother James served as chairman of the Ontario Caucus, the largest of the regional caucuses. When he first began his parliamentary service in 1984, James was asked by the Prime Minister to deliver the Address in Reply to the Speech from the Throne on the opening day of Parliament, In Parliament, he represents Sarnia-Lambton, which is in southwestern Ontario. He is involved with small business, agriculture and sales and marketing management in Sarnia-Lambton. Brother James is married and has four children.

Ken James

Business: Skip LeFauve

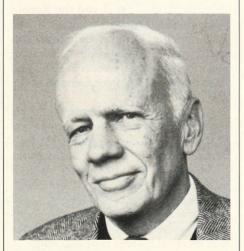

In Business, The Highest Effort Award goes to Richard "Skip" LeFauve, Case Institute of Technology '56 (Ohio Rho), president of Saturn Corporation and vice president of General Motors Corporation. After earning his bachelor's degree in mechanical engineering, Brother LeFauve began his GM career in 1956 as an industrial engineer. He had a five-year hiatus in the U.S. Navy and returned to a GM division in 1962. LeFauve rose steadily in the engineering

Skip LeFauve

and manufacturing management ranks of various divisions of the corporation. Prior to his current appointment, he served as group director of operations for the Buick-Oldsmobile-Cadillac Group. Brother LeFauve has continued his involvement with the fraternity through the years. As an active, he was house manager at Ohio Rho. Today, he is a Sustaining Member of the Detroit Alumni Association and is a Founder Member of The Sigma Alpha Epsilon Foundation.

Arts & Literature: Walker Percy

Walker Percy

The Highest Effort Award in Arts and Literature is awarded to Walker Percy, North Carolina '37 (North Carolina Xi), author of six novels. Brother Percy's career goal was originally to be a physician. After graduation from Columbia University's Medical School, he

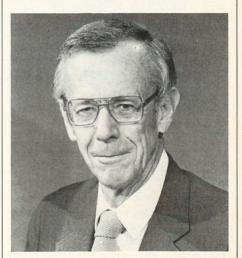

Jim Puffer and family.

began serving his internship at Bellevue Hospital in New York City. As an intern, he developed health difficulties and gave up his medical career to pursue writing. Author of The Thanatos Syndrome and five other novels, Brother Percy's writing has been compared to that of Brother William Faulkner. Percy denies influence from Southern literary tradition, though, and declares indebtedness to philosophers and French and Russian novelists. He has been quoted as saying, "the more science progressed, and even as it benefitted man, the less it said about what it is like to be a man living in the world." Brother Percy writes daily from 9 a.m. until noon, and enjoys walks with his wife. His two daughters and grandchildren live nearby, so he spends a "good deal" of time with them.

Education: Jim Puffer

For the field of Education, The Highest Effort Award goes to James C. Puffer, M.D., UCLA '72 (California Delta), who is chief of Family Medicine at the UCLA School of Medicine. Puffer was appointed to the Family Medicine faculty upon completion of his residency training at UCLA in 1979. He became chief of the Division in 1983. Brother Puffer is nationally renowned for his expertise in sports medicine; he served as the head physician for the U.S. Olympic team in Seoul in 1988; he has been involved with many national sports boards and is associate team physician for UCLA athletics. As a family physician in sports medicine, Puffer provides comprehensive care to athletes — including health promotion and preventive medicine - going beyond just treating injuries. He is involved in many university endeavors on boards and committees and this year serves as president of the Association of Departments of Family Medicine. Brother Puffer served his chapter as Eminent Archon as an undergraduate and was active as an alumnus with Cal Delta's house corporation board and on the national Leadership School faculty. He and his wife, Sheridan, have two sons and one daughter.

Communications: Frank Meek

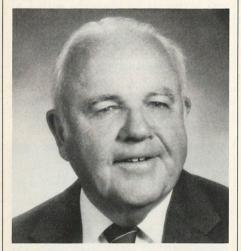

Frank Meek

Winning the T.H.E. Award for Communications is Colonel Frank E. Meek, Oregon '41 (Beta), manager of Meridian Telecommunications Services and retired president and general manager of its parent company, Metropolitan Indianapolis Public Broadcasting Inc. Meek took on the challenges of public broadcasting 17 years ago, after retiring from a 31-year career in the Air Force. (His last assignment was at Fort Harrison's defense information school,

where he trained soldiers in radio and television.) In 1972, Brother Meek learned that the company for which he was responsible had just enough funding to last three or four months, and its television station wasn't even listed in local newspapers' TV schedules. Today, Metropolitan Indianapolis Public Broadcasting produces a variety of local programs, several of which are picked up regionally and by PBS nationwide. Viewers contribute about \$1.2 million a year to the company's \$3.2 million annual budget. Its subsidiaries, including Meridan Telecommunications Services, contribute profits to the parent company. In his new role with Meridian, Meek is involved in producing television programs for national syndication.

Finance: Jack Schiff

Jack Schiff

In the field of Finance, Brother John I. "Jack" Schiff, Ohio State '38 (Theta). receives The Highest Effort Award for his business and community contributions. A founder of The Cincinnati Insurance Company, he had been impressed as a young man with the need for fire insurance when the Ohio Theta chapter house burned and he had to move into another fraternity's house. After graduation and prior to World War II, Brother Schiff worked for an insurance company. He served in the U.S. Navy for several years and returned to civilian life and the insurance business. In 1950, he and his younger brother Bob formed the Cincinnati Insurance Company. In 1968, its holding company, the Cincinnati Financial Corporation, was organized. Cincinnati Financial Corporation, which Brother

Schiff serves as chairman of the board and chief executive officer for, has posted net income after taxes and gains of \$93.5 million, and employs more than 1,000 people. The company has been ranked as the third most profitable diversified insurance company in the nation and has been included in *Forbes'* Market Value 500 and Net Profits 500. Brother Schiff is active in community affairs, serving on the boards of the Cincinnati Art Museum and Deaconness Hospital and participating in the Commercial Club.

Medicine: Thomas Frist

The Highest Effort Award in the field of Medicine goes to Thomas F. Frist, M.D., Southwestern (Rhoades) '31 (Tennessee Zeta), a founder and former chief excutive officer of Hospital Corporation of America (HCA). Brother Frist was initiated at Tennessee Zeta, and later served as Eminent Archon of Mississippi Gamma while a student at the University of Mississippi. He earned his

Thomas Frist

M.D. degree from Vanderbilt University Medical School in 1933. Frist was founder of Nashville's Park View Hospital in 1960 and served as its chief executive until it became part of HCA in 1968. He became president of HCA, and in 1970, was named chief medical officer of this largest operator/owner of hospitals in the world. A nationally-known cardiologist and internist, Brother Frist has been involved with the establishment of an apartment park for the elderly, the Medical Benevolence Foundation for Presbyterian Medical Missionaries, the board of American

Retirement Corporation, an advisory committee on older Americans for Health, Education and Welfare, and as an associate professor of Clinical Medicine at Vanderbilt University Medical School.

Law: Fred Daugherty

Fred Daugherty

The T.H.E. Award for Law is given to the Honorable Frederick A. Daugherty, Cumberland University '34 (Tennessee Lambda). Currently a senior Federal District Judge in Oklahoma, Fred began his career in 1937 with his admission to the Oklahoma City Bar. In 1940, he was called to active military duty and served the 45th Infantry Division for 30 years through World War II and the Korean War. Rising through the ranks in the Asian-Pacific Theater, Daugherty was designated Commanding General of the 45th Infantry Division in 1960 and later promoted to Major General of the line.

In 1955 Daugherty returned to his native Oklahoma and was appointed District Court Judge. Judge Daugherty's commitment to his community has been extensive. The American Red Cross, United Way Fund, the Oklahoma City Council on Alcoholism, and the Oklahoma Medical Research Foundation are but a few of the organizations that received his able time and effort. A recipient of the Oklahoma City Outstanding Citizen Award and the Sertoma Club's "Award to Mankind", he is a 33° Mason of the Scottish Gutherie Rite, and a member of the Oklahoma Hall of Fame.

Fred has been an ΣAE since his days at Cumberland and joined the ranks of Founder Member in 1985.

STATE OF THE CHAPTERS

Compiled by Stewart Smith, Scott Haggard & Dr. Joseph Walt

The following chart provides statistical information for each chapter; it does not tell the full story of each chapter's condition. Only those chapters in active status as of November 1, 1989 are listed. All information was taken from the Form B semi-annual

reports for spring 1989 and badge assignment records at the National Fraternity office. If any information is incorrect, please notify the National Fraternity office.

The Magic Black Box

The Latest in Electronics Adds Full Featured Remote Capability, Cable Compatibility and Stereo Sound to Any Television.

High Tech Performance

You may be like many others who own an older TV or new TV that lacks some of the capabilities found in those expensive models. However, there is a low cost alternative to scrapping your TV by adding what we call 'The Magic Black Box'. This electronic marvel adds high tech performance to any TV without the cost!

The Universal V-7472 remote control stereo tv/cable converter adds full featured wireless remote which includes 72 channel selection, fine tuning, volume control, power on/off and full rich stereo sound to any television. There is no need to scrap your television, now you can enjoy the ease, comfort and performance of those high tech TV's by adding the Universal V-7472. The Universal V-7472 even comes with an added feature of a 90 minute sleep timer and installation of this step saver is a simple five minute do-it-yourself process.

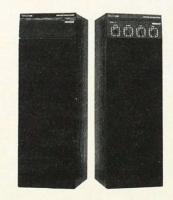

Cable Possibilities Increased

Cable subscribers take note! By making your television set cable-ready, your system can easily tune to VHF, Mid, Super and Hyperbands. This feature means you can maximize to 72 channel possibilities. As a cable subscriber you are obviously aware of the frustration of being limited to an average of 14 preset stations because your TV or VCR can't tune them all in. This dilemma will be no more. This is not the illegal device that can decode pay television signals. The V-7472 can search out and accept all unscrambled cable channels being fed into your television. Tune in and enjoy multiple movie channels, don't miss a sports spectacular and relive the oldies but goodies. Enrich your life with a documentary or a health and fitness show and with all of the possibilities of arts and entertainment and special programming you can bring the family together. Now vou won't miss any of the great choices your present system may not be picking up on.

Full-Featured Remote Control

The V-7472 is a channel-changers dream come true! With yet another amazing feature, unlimited favorite channel memory, you can easily browse through as many other channels as you wish during a commercial or while you are waiting for a particular program. Now you can catch both ball games at once, follow two soap operas or keep tabs on more than one movie. When one show takes a break, you can effortlessly update yourself on what is happening on any other channel.

You may be like many others and own a television that you can't control by remote or perhaps there are certain functions you are unable to control remotely. Are you having to get up and down to adjust the volume of your set countless times? This 'magic black box' ends all that by giving you not only full stereo sound, but also remote volume control!

Stereo Television

Make yours a stereo TV! With a built-in MTS stereo decoder and SAP (secondary audio programming), you can attach your own stereo system and make the shows you watch come alive. Feel a part of the action as you watch the screen and surround yourself with the sounds of everything from gunfights and spacewars to the symphony.

If you don't have stereo components you will want to consider our Universal Amplified Speaker System. With built in stereo amplifiers. This pair generates sound from any audio source. Not only do they make the stereo tv/cable package complete, they also work with portable cassette and CD players, your VCR, tapedecks and radios. The Universal V-7472 Tuner and the Universal Amplified Speakers carry a retail value of \$229 and \$129 respectively. We however can offer you the tuner at \$119 and the speakers for \$67 or buy both and pay only \$176!

Act now and take advantage of this offer to quickly and simply re-adjust your set for full wireless remote control, cable compatability and stereo sound. Within 72 hours of receipt, your order will be processed and satisfaction is guaranteed or just return for a full refund.

Your existing system will become a brand new system and you will be in control with your stylish state-of-the-art remote control stereo ty/cable tuner.

How to Order

For the fastest service, order by phone and use your VISA or MasterCard. Call toll free, 24 hours a day:

1-800-992-2966

VA (804) 379-2192

To order by mail, send a check or money order for \$119 plus (\$6 for S&H) for the V7472, \$67 plus (\$8 for S&H) for a pair of Amplified Speakers, or buy both and send only \$176 plus (\$14 for S&H). (Virginia residents add 4.5% sales tax. Sorry no COD orders.) Or charge it to VISA or MasterCard, enclosing your account number and the expiration date. When ordering, please mention promotional order code MB 1001.

Send the above with your name, address and telephone number to:

THE SIGMA ALPHA EPSILON FOUNDATION

By Ken Tracey Executive Director

The Sigma Alpha Epsilon
Foundation is a public not-for-profit
corporation, chartered by the State of
Illinois to provide educational
programming for the benefit of
members of the Sigma Alpha Epsilon
Fraternity.

Purposes & Functions

- To maintain the Levere Memorial Temple
- To hold funds in trust for individual chapters
- To provide student loans, various scholarships, fellowships, internships
- To provide funding of Leadership School
- To provide Men's Health Programs, such as Alcohol & Drug Abuse

Foundation Finances & Operations

The financial position of the Foundation is stable. The number of funds held in trust for chapters has increased from three in 1980 to 38 today. Earnings from the funds may be used for scholarships for undergraduate members and Leadership School tuition grants. Chapter House Corporations may borrow from the principle of the trust funds for house renovations and improvements. Over \$34,183 in fiscal '88 was allocated toward Chapter House Library Grants to assist in the building or renovation of chapter library and/or study facilities.

The data processing staff has embarked on an aggressive campaign to find lost brothers. We now communicate with every college where we have a chapter, as well as with the chapters, alumni associations and house corporations. All members are urged to send us address changes as they are received.

The Foundations newest Trustee John Miltner, Bowling Green '68 (Ohio Kappa).

Miltner Elected Trustee

IOHN R. MILTNER

At the Cincinnati National Convention in June of 1989, John R. Miltner, Bowling Green State '68, was elected to the Board of Trustees for the Sigma Alpha Epsilon Foundation. Currently Vice-Chancellor of University Advancement for the University of California at Irvine, John was responsible for raising more than 15 million dollars in private support in his first year at Irvine. In 1984-1985, 19 million was pledged to Irvine, which made the University the largest fundraising entity in Orange County that year. Before his stay at the University of California, John was Director of Development at Memorial Sloan-Kettering Cancer Center in New York City, where John brought in over 34 million for research and development. Previous to that, Brother Miltner was Director of Development and Communications for the Boy Scouts of America and saw public support for the Boy Scout programs rise 102% in four years. For all of his outstanding efforts and contributions, Brother Miltner was awarded Sigma Alpha Epsilon's T.H.E. award for Business in 1985.

The Levere Memorial Temple

We have now retained an architect to advise the Building Committee on conditions and concerns. Restoration of the Chapel, which was extensively damaged because of inadequate roof gutters, will commence in late January and should be completed in May 1990. This will include replastering of damaged areas; better lighting for the pulpit area; and cleaning of the stone, ceiling and the artwork. All other repair projects have been completed. John March continues to serve as Artist of the Temple. The Temple was the recipient of a very fine portrait of the late Past ESA Richard F. Generelly.

Foundation Programs

Jay B. DeWitt, Director of Educational Programs, supervises all of the programs of the Foundation including: scholarships, resident educational advisors, career planning, men's health issues, and video productions. Jay serves as liaison with Dr. Tom Goodale, Educational Advisor; with Darrell Gibson, Director of Leadership Training; and with Father Bob Hedges, Chairman of the Men's Health Issues Committee.

The Men's Health Issues Committee

The Men's Health Issues Committee, sponsored by the Σ AE Foundation, met last January to set a course for 1989. The Committee finalized revisions on teaching modules in the areas of alcohol and substance abuse and sexual responsibility. The Committee is currently building a library of educational video tapes covering racism, acquaintance rape, AIDS, and fraternal ethics and values. These tapes will be available for loan to our chapters in the spring of 1990.

A survey was created to begin collecting data on undergraduate attitudes concerning sexual practices and chemical use. The information gathered from this survey will help the Committee pinpoint the specific issues currently facing today's college men.

In 1990 the Men's Health Issues Committee plans to increase its exposure around the realm by providing speakers for province and regional leadership schools, as well as for other university groups. The Committee is also exploring the possibility of enlisting the help of recovering brothers in dealing with the problem of alcoholism. For more information about the Committee and to schedule a speaker, please contact Jay B. DeWitt, Director of Educational Programs, at the National Office.

Other Programs

- \$2,000 grants were provided to six Resident Educational Advisors, who were sponsored by six chapters of Sigma Alpha Epsilon Fraternity.
- Nineteen student loans of approximately \$38,000 were provided to undergraduate and graduate student members of the Sigma Alpha Epsilon Fraternity.
- We provided \$8,000 in scholarship grants to the outstanding scholars of the Sigma Alpha Epsilon Fraternity. All scholarships are described in a related article.
- The Foundation has available a very fine video tape program, "Passing the Torch," on the Levere Memorial Temple in 1985. The one-hour tape is on sale for \$39.00.
- Other programs include an instructional notebook for Province Leadership Schools and the production of educational video tapes, created in the recently completed video studio.

Video Plans

Through an anonymous gift received in May 1987, a video studio, now complete, was constructed in the Levere Memorial Temple. The Foundation is working, in conjunction with the Fraternity Executives

Association, to produce a video on fraternal values and ethics. Work will begin this spring, and the video will be out in late 1990. The Foundation is also planning to produce a video on risk management this year.

The Foundation is here to help YOU! We have ways to help you meet educational costs. If you are interested in becoming a RESIDENT EDUCATIONAL ADVISOR, or if you need a STUDENT LOAN, we can help. Please contact Jay B. DeWitt, Director of Educational Programs, for more information at 1-708-475-1856.

1980

In 1980, the Foundation embarked on a successful \$300,000 campaign to refurbish the Temple, including roof repairs, stained glass windows, stone tuckpointing, interior artwork and furnishings. Many areas which had been bastardized over the years were renovated to their original look. For example, obnoxious fluorescent lighting in the library was replaced with chandeliers.

Annual Fund

For the 1988-89 Annual Fund Year, we received \$437,081 in contributions from 7,975 donors. We had over 600 first-time donors for this year. The 1988-89 Annual Fund Year is just beginning, and the Founder and Society Members' responses are extremely encouraging and very generous. In the past fiscal year, 228 brothers became new Founder Members. Founder Membership #1856 was assigned in August to Daniel H. Gladding, Salisbury State '78 (Maryland Sigma). James M. Cavender III, Texas '52 (Texas Rho), received Founder Membership #2000 in September.

THE ANNUAL FUND PROVIDES ABOUT 50% OF OUR OPERATING COSTS; THEREFORE, THE SURVIVAL OF THE FOUNDATION IS DEPENDENT UPON THE ANNUAL FUND. THE CAMPAIGN FOR Σ AE MUST NOT DIMINISH THE IMPORTANCE OF THE ANNUAL FUND.

Support of the Annual Fund was up 9.5% this past year. We thank all our generous alumni who continue to support the Annual Fund as well as all the vital programs the Foundation sponsors. Each year it is the alumni support to the Annual Fund that allows the Foundation to conduct the current year's programs in the areas of alcohol and substance abuse education, and resident educational advisors. We are excited about the future and the promise of many exciting new programs and services that will come to fruition as a result of the generous gifts and beguests to The Campaign for ΣAE , but we still need alumni support of the Annual Fund for today's efforts.

Development

As of November 1989, alumni have pledged \$7.5 million to The Campaign for ΣAE : The Path to Leadership. Several thousand alumni made generous commitments when they were called during the phone/mail campaign. The Capital Campaign was extremely successful, and we are indeed grateful to our alumni for their magnificent support. The Campaign for ΣAE created endowment funds to ensure the future of programs, such as Leadership School, student loans and scholarships, loans to house corporations, and the preservation of the Levere Memorial Temple.

Scholarship Funds

Part of the efforts of the Foundation Development Staff is to encourage the creation of endowed scholarships for chapters or professions. Dr. Charles Preuss has created an endowed scholarship for medical school students. Several chapters have been the beneficiaries of generous gifts to the Foundation for the creation of endowed scholarship funds to reward and recognize individuals who have shown excellence in leadership and academic efforts. These scholarship funds are a great way to support your chapter and help undergraduates achieve their dreams. One of the principal services of the Foundation is to act as trustee

for chapter funds which are created through the generosity of a chapter's alumni.

Chapter scholarship endowment funds were created for chapters at the following institutions: William and Mary College, Fresno State, Province Zeta, Kansas State, University of Minnesota, Cal State - Fullerton, Denver University, Ohio Wesleyan College, Dartmouth University, University of Tennessee, Bucknell University, Kansas University, University of Illinois, University of Southern California, and Cal Poly -San Luis Obispo. Incidentally, house corporations will be able to borrow from the principal of such funds for the purpose of chapters house improvements. If you are interested in how you can create an endowed scholarship fund with a cash gift or beguest, contact the Development Office at the Levere Memorial Temple.

Leadership School Endowment Funds

In the belief that the Leadership School experience is a valuable opportunity for undergraduates, some alumni have created endowed scholarships which will provide funds to pay the registration fees for brothers from their chapter. A Leadership School Endowment Fund can start providing grants once it reaches \$5,000.

Funds have been created for chapters at the following institutions: Troy State, Miami, Simpson College,

1980 SAE Presidential Straw Poll

Ronald Reagan (Republican) 58.1% John Anderson (Independent) 31.5% Jimmy Carter (Democrat) 10.4% Idaho, Kansas State, Southern Mississippi, Washington University, Eastern New Mexico University, Bowling Green, Oklahoma, South Dakota, Tennessee, Washington, MIT, Pennsylvania, Rensselaer, Puget Sound, Province Eta, Central Florida Alumni Association, and the San Francisco Alumni Association.

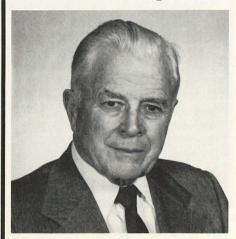

\$29,540 was received from donors for tuition scholarships to individual delegates to attend the 54th Leadership School.

Bequests

The Foundation continues to be the beneficiary of a number of bequests each year. See chart for list of specific gifts.

Now that the Capital Campaign is over, the Trustees have determined that our thrust will be to assist chapters in the development of fund raising campaigns for scholarships and housing purposes.

Nippert Elected Honorary Eminent Supreme Archon

LOUIS NIPPERT

No greater accolade could be shown by a brother's peers than to be chosen as their honorary Eminent Supreme Archon. On June 30, 1989, the collective brotherhood of Sigma Alpha Epsilon voted that Louis Nippert be given this distinguished honor.

A man who has given of himself over the years and, in doing so, has not only enriched the fraternity with his time and effort but has also given the fraternity much more — a role model, a walking "flesh and blood" example of a "True Gentleman."

A graduate of the University of Cincinnati Law School in 1928, Louis politically distinguished himself by representing Republican interests in the Ohio State Legislature. As a lawyer, he practiced law for Nippert and Nippert, one of the oldest and most respected law firms in the state of Ohio. As a business man, he owned baseball's Cincinnati Reds and held a part interest in profootball's Cincinnati Bengals. As a son, Louis was heir to a tradition of service, community, and fraternity involvement made legend by his father, Judge Albert K. Nippert. As a fraternity brother, Louis Nippert was Province Archon of Delta, co-chairman of the Levere Memorial Temple's 50th Anniversary Campaign, Merit Key recipient, and DeVotie Society member of giving.

Perhaps Brother Louis' attributes are best summed up in the words his younger brother Alfred Jr., so aptly stated in Ray Artigue's 1980 profile of Louis Nippert in *The Record*, "He has accomplished so much for so many over the years, and he has done it very quietly. As a friend, co-worker, and a brother, Louis is a man whom you can model your life after."

Total amount given by chapter

Total amount given by chapter: shows the dollar amount of all contributions from alumni to the Annual Fund in Fiscal Year 1989.

1.	Ohio Epsilon	(3)	Cincinnati	\$10,830
	California Alpha	(14)	Stanford	8,792
3.	Illinios Psi-Omega	(1)	Northwestern	7,685
	Georgia Epsilon	(16)	Emory	7,595
5.	Oklahoma Kappa	(15)	Oklahoma	7,122
6.	Georgia Phi	(6)	Georgia Tech	6,929
7.	Indiana Beta	(24)	Purdue	6,809
8.	Iowa Delta	(5)	Drake	6,259
9.	California Delta	(18)	UCLA	6,200
10.	Tennessee Kappa	(8)	Tennessee	6,093
11.	Minnesota Alpha	(19)	Minnesota	6,030
12.	California Gamma	_	Southern California	6,027
13.	Kansas Beta	(12)	Kansas State	5,924
14.	Ohio Tau	(9)	Miami	5,665
15.	Washington Alpha	(25)	Washington	5,655
16.	Oklahoma Mu	_	Oklahoma State	5,640
17.	Missouri Alpha	_	Missouri	5,595
18.	Arizona Alpha	(4)	Arizona	5,565
19.	Iowa Gamma	_	Iowa State	5,476
20.	Wisconsin Alpha	(10)	Wisconsin	5,302
21.	Ohio Rho	(7)	Case-Western Reserve	5,020
22.	Missouri Beta	_	Washington U.	5,015
23.	Florida Upsilon	(23)	Florida	4,935
24.	Washington City Rho	(17)	George Washington	4,893
25.	Ohio Lambda	(11)	Kent State	4,775

...we can easily say that 1989 was a terrific year for the Foundation. Our investments did well, annual giving results were at an all-time high, and the capital campaign results, to date, bode well for the future.

Percentage of respondents by chapter

Percentage of respondents by chapter: reveals the percentage of all alumni from the chapter who responded to the Annual Fund in Fiscal Year 1989.

1.	Ohio Epsilon	(4)	Cincinnati	11.80%
2.	Washington City Rho	(3)	George Washington	10.93

			THE RESIDENCE OF THE PARTY OF T	

*NOTES:

- The above Top 25 rankings include only gifts received by the Foundation and the Fraternity from July 1, 1988 August 31, 1989.
- Special gifts and bequests are not included in Annual Fund figures.
- · Numbers in parentheses designate 1988 ranking.
- In % of Respondents Top 25, audience was minimum of 100.
- · In rank number, a space signifies a tie.

NEW FOUNDER MEMBERS OF THE SIGMA ALPHA EPSILON FOUNDATION

(based on gifts received July 1, 1988 to August 31, 1989)

Founder Members have contributed, or have had contributed in their names, \$1,000 to the foundation. The contributed funds are used to provide programs of financial aid, leadership development, scholarship and health education.

The following brothers were designated as Founder Members of the Sigma Alpha Epsilon Foundation **from July 1, 1988 to August 31, 1989.** Brothers who have since become Founder Members will be listed in the 1990 Annual Report. An asterisk (*) by the name of the Founder Member indicates he is deceased.

FOUNDER MEMBERS

New Founder Members of ZAE Foundation Named

Elsewhere in this issue of <u>The Record</u> are articles about some of the many programs sponsored by the Sigma Alpha Epsilon Foundation. These programs would not be possible without the generosity of the many brothers who support the foundation.

A Founder Member has contributed, or has had contributed in his name, \$1,000 or more in total giving to the foundation. New Founder Members are featured in <u>The Record</u> as their biographies are received at the national fraternity office.

J. Wesley Huss, Jr.

Illinois '31 (Beta); FM 1883. Brother Huss is a Certified Public Accountant and Senior Partner with Coopers & Lybrand. He and his wife, Sina, have two children and three grandchildren and live in San Mateo, California. Brother Huss' father, James, was also a member of Illinois Beta.

Robert H. Caldwell

Illinois '47 (Beta); FM 1832. Brother Caldwell has been President of Teksonics, Inc., telephone manufacturing since 1983. Active in the Jacksonville, Illinois Rotary Club, he was named its "Man of the Year" in 1982. Brother Caldwell and his wife, Joan, have three children.

Jack G. Lukens

Northwestern '45 (Illinois Psi-Omega); FM 1551. Brother Lukens is a physician and President of Kent Medical Specialists. He and his wife, Katherine, have five children and nine grandchildren and live in Grand Rapids, Michigan.

James G. Ellis

New Mexico '68 (*Tau*); FM 1906. Brother Ellis is President and C.E.O. of Porsche Design as well as Chairman and C.E.O. of Socks du Jour. He and his wife, Gail, have five children and live in San Marino, California.

Ken R. Johnson

Fresno State '83 (California Iota);

FM 1952. Brother Johnson is a General Partner with R. J. Associates, a business consulting firm. He and his wife, Susan, live in Campbell, California, and are expecting their first child in early 1990.

John W. Fremdling

U.C.L.A. '64 (California Delta); FM 1855. Brother Fremdling is the Founder and President of John Fremdling Inc., an interior design firm. He and his wife, Cheryl, have three children and live in South Pasadena, California.

Robert D. Orton

Texas-El Paso '61 (Gamma); FM 1876. Brother Orton is a Brigadier General currently serving as the Deputy Commander for the U.S. Army Test and Evaluation Command. He and his wife, Sylvia, live in Aberdeen Proving Ground, Maryland.

Richard V. Wells

San Diego State '69 (California Theta); FM 1796. Brother Wells is President of Wells Properties. He and his wife, Lynn, have three children and live in Mission Viejo, California.

Benjamin G. McDaniel

Auburn '59 (Alabama Alpha-Mu); FM 1805. Brother McDaniel is Executive Vice President with the Goldome Credit Corporation, a mortgage banking firm. He and his wife, Lynn, have two daughters and an Σ AE son and live in Birmingham, Alabama.

William E. Ludwick

Nebraska '39 (Lambda-Pi); FM 1804. Brother Ludwick was a Dentist and Captain in the U.S. Navy from 1941-1972, but more recently was elected President of the Deep-Portage Conservation Foundation, supporting development of a large Reserve in Cass County, Minnesota. He and his wife, Harriet, live in Plymouth, Minnesota.

D. Stephen Parsons

Randolph Macon '75 (Virginia Alpha); FM 1931. Brother Parsons is an attorney with offices in Frankford and Ocean View, Delaware. He and his wife, Valerie, have three sons and live in Dogsboro, Delaware.

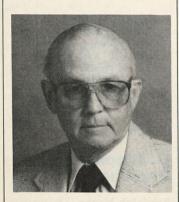

Hal S. Huskinson

Colorado State '50 (Delta); FM 1919. Brother Huskinson was President and Owner of the Auto Leasing Company of Washington from 1952 until his recent retirement. He and his wife, Dede, have two sons and two grandchildren and live in Issaquah, Washington.

Robert K. Spicker

Oregon '67 (Beta); FM 1932. Brother Spicker is General Manager of Equitable Real Estate Investment Management, Inc., in San Francisco. He has three children and lives in Moraga, California.

Francis L. Senseney

Illinois '39 (Beta); FM 1997. Brother Senseney was Senior Vice President, Administration Secretary, and Treasurer of Fearn International, Inc., before retiring in 1985. He and his wife, Frances, have two children and three grandchildren and live in Fountain Hills, Arizona.

E. Hill Brannon

Florida '53 (Upsilon); FM 1938. Brother Brannon is President of Hill Brannon and Associates, Inc., a manufacturer's representative for auto parts and accessories. He and his wife, Carolyn, have two children and a granddaughter and live in Keystone Heights, Florida.

Edward L. Brown

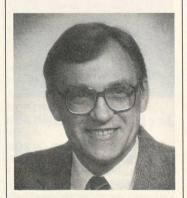

Case Western Reserve '28 (Ohio Rho); FM 1793. Brother Brown was Supervising Product Engineer with Armco Steel Corporation before retiring. He and his wife, Doris, live in Middletown, Ohio. They have two daughters and an Ohio Rho son, as well as eight grandchildren, one of whom is an ΣΑΕ pledge.

Daniel H. Gladding

Salisbury State '78 (Maryland Sigma); FM 1856. Brother Gladding, as a Founder and Charter Member of Maryland Sigma and recipient of the Outstanding Brother, Outstanding Alumni, Order of the Lion, and various other awards, fittingly has been designated Founder Member 1856. In addition to his work with ΣΑΕ, Brother

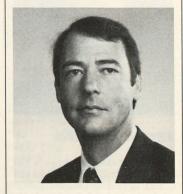

Gladding is Senior Training Specialist with the State of Maryland Office of Telecommunications Management. He also is a radio personality and disc jockey with WKHI Radio, Ocean City, Maryland. Brother Gladding lives in Salisbury, Maryland.

Walter G. Roberts

Minnesota '56 (Alpha); FM 1920. Brother Roberts is President of Roberts Automatic Products, Inc. He and his wife, Mary Jo, have six children and live in Excelsior, Minnesota.

John F. Sullivan

Westminster '70 (Missouri Gamma); FM 1937. Brother Sullivan is President of the Sullivan Insurance Agency. He and his wife, Marcella, have two children and live in Ardmore, Oklahoma.

S. Reed Jackson

Mercer '71 (Georgia Psi); FM 1923. Brother Jackson is Vice President of Medley Hotel and Restaurant Supply, Inc. He and his wife, Cindy, have three children and live in Albany, Georgia.

William H. Mills, Jr.

Florida '62 (Upsilon); FM 1957. Brother Mills is Vice Chairman of the Federal Construction Company in St. Petersburg, Florida, where he also resides. He has three children.

Gaze E. Lukas

Illinois '30 (Beta); FM 1945. Brother Lukas is a Professor Emeritus of Accountancy at his alma mater. He and his wife, Adelaide, have a son and two grandchildren and live in Palm Springs, Florida.

CHAPTER ETERNAL

This list is published in each issue of The Record to identify brothers who have joined the SAE Chapter Eternal. The list includes the names of all brothers for whom obituaries have been received at the national fraternity office as of October 15, 1989, since the last issue was published. If a chapter is not listed, it is because no death notices have been received for members of that chapter. Obituaries and death notices about SAE brothers should be sent, bearing the name, address and telephone number of the sender, to the national fraternity office.

ALABAMA ALPHA-MU (Auburn)
Richard W. Lightfoot, II, '51, of Montgomery, Alabama, on April 28,

UTAH PHI CHAPTER 1474 FEDERAL WAY SALT LAKE CITY, UTAH 84102 ATTN: BRAD HUDSON

Come join the brothers for a weekend of jumps, bumps, and the "Greatest Show On Earth."

This year will include three days of great skiing, a banquet with a special guest speaker and many other brother oriented events.

Last year was a great success with over 150 ΣΑΕ's traveling from all over the country to participate this year. We hope this year will prove to be the best yet.

As skifest grows so does our sponsorship which now includes EVOLUTION SKI COM-PANY and BOLLE' SPORTS AND EYE WEAR.

GOING TO GREAT LENGTHS TO... "STAY IN TOUCH" THESE DAYS?

It won't take complicated electronics to track lost friends and chapter brothers especially if we can have your help!

In early Spring of 1991, the all-new Sigma Alpha Epsilon Alumni Directory will be published. All living brothers within the realm will be listed alphabetically, geographically and by chapter.

and this is where we need you...

A survey form will be sent to each of you in January. We ask that you carefully review it, correct any outdated information, and return the form in the enclosed reply envelope.

With your help, we know this will be the most successful directory ever, and best of all we'll all "stay in touch."

Alumni News Briefs

WALLY RIS, University of Iowa '47, was one of twenty-one charter members inducted into Iowa's Letterman's Club Athletic Hall of Fame this past fall. A six year All-American swimmer and five year A.A.U. champion, with two Olympic golds to his name, Ris was nominated for his outstanding sports performance during his 1947-1949 years at Iowa.

H. ROSS PEROT, IR., Vanderbilt '81. and CHARLES H. PRICE II, University of Missouri '52, a former U.S. ambassador to Belgium and Great Britain, were honored recently by the Greater Kansas City Alumni Association. Perot, a key figure in the proposed downtown Kansas City development, spoke at the dinner which the association gave at the Carriage Club in Kansas City.

EDWIN T. FUNK, University of Michigan '59, was admitted September 25, 1989, to the Quarter Century Club of Merrill, Lynch, Pierce, Fenner and Smith Inc., the nation's largest securities company. Mr. Funk is a vice-president and senior financial consultant in the downtown Detroit office. A native of Detroit, Edwin received a BBA and MBA degree from the Graduate School of Business Administration at the University of Michigan.

AIR FORCE LT. GENERAL JAMES P. MCCARTHY, **Kent State** '57, has been nominated by President Bush to receive his Fourth Star. General McCarthy, a member of the first ΣAE pledge class at Kent State, currently is Deputy Commanderin-Chief of the European Command in Stuttgart, West Germany.

HAVILAND. DAVID Rensselaer '65, recently stepped down from his post as Dean of the School of Architecture at Rensselaer. He held the position for ten years. Haviland will remain on the architectural staff and plans to pursue his work in research after a brief sabbatical. Haviland was originally hired as a research associate when he graduated from the School of Architecture. In 1972, he was appointed Associate Dean, and in 1980. Dean.

IERRY OSTERGAARD. University of Utah '81, recently was appointed Manager of Media Relations at Loyola University in Chicago. In his new position, Ostergaard will be responsible for all University press contacts, the publication of special events, and the promotion in general of the University through national and local media. Before joining Loyola, Ostergaard was a senior account executive with the Chicago office of Porter/Novelli, part of the Omicron PR Network and the sixth largest public relations agency in the U.S. Currently, Ostergaard is a member of the International Association of Business Communicators (IABC) and the Publicity Club of Chicago.

A group from THE UNIVER-SITY OF CALIFORNIA-BERKELEY, has been meeting every four or five months for lunch in the Walnut Creek area of California.

J. B. FUQUA, Hampden-Sydney College, senior chairman of Fugua Industries Inc., an Atlanta-based consumer products and services company, was recently elected to the 1989-1990 Horatio Alger Association of Distinguished Americans Board of Directors. The association is an educational organization of prominent leaders in American business, education, the arts, politics, and sports, established to advance the concepts of private enterprise, professional excellence, and individual initiative and patriotism. Each year ten new members, self-made leaders in their fields, are inducted.

WILLIAM C. COLEMAN, Northwestern University '49, an Orlando real estate broker for the past forty years, was recently appointed by President Bush as Commissioner of Public Building Services. A former secretary of the state's Department of Transportation, his current job is managing 236 million square feet of work space for over 1 million federal employees across the country.

MARK W. GLICKMAN, University of Central Florida '75, was recognized in November as the 1989 Outstanding Professional Fundraiser by the Central Florida Chapter of the National Society of Fundraising Executives. Mark is currently House Corporation President and Chapter Advisor to Florida Epsilon.

CORNELL UNIVERSITY ALUMNI report a great summer of activity. The Reunion Weekend Cocktail Party was held this summer on June 10th. Over sixty brothers from classes as early as 1924 and as recently as 1989 attended with their families. The house itself was the main attraction over the weekend, thanks to alumni donations. The condition of Hillcrest has improved dramatically over the years. Alumni could lounge on the new leather couches or relax in the beautifully restored library. This summer was also one for new programs. The Alumni at Cornell have instigated the Sigma Alpha Epsilon Summer Network. Through this program, an SAE alumnus can help active brothers find employment in their fields of work. Participation is simple, and with the help of a database system, skills can be easily matched with

Hermit, Lava, Unkar

Names of fraternity brothers?
No, just three of the wildest river rapids you could be enjoying next summer on the Colorado River. Join brothers of the Utah Phi Chapter of Sigma Alpha Epsilon for a 6 1/2 day journey through the Grand Canyon and experience first hand some of the most exciting white water in the world.

Your journey will carry you through 200 miles of the worlds most magnificent scenery. At trip's end, below Lava Falls, you will ascend to the canyon rim by either helicopter or on horseback. A scenic airplane ride will return you to your point of departure.

Please don't hesitate to book your individual, family, chapter or group trip. Call Ted Hatch at (800) 433-8966 or the Utah Phi Eminent Archon Steve Hatch at (801) 581-5911 for complete information and a free brochure. All proceeds from the trip will go to the Utah Phi Chapters fund raising effort.

OHIO E CELEBRATES CENTENNIAL

ESA Dave Lance presents a plaque commemorating Ohio Epsilon's 100 years to current EA Todd Siefried.

On Saturday, October 14, 1989. THE GREATER CINCINNATI **ALUMNI ASSOCIATION** of Sigma Alpha Epsilon hosted the Centennial Celebration of Ohio Epsilon. Approximately 100 guests gathered at the Omni Netherland Plaza in Cincinnati, Ohio to celebrate the 100th anniversary of ΣAE's presence on the campus of the University of Cincinnati. The evening began with remarks from Eminent Supreme Archon David M. Lance, Cincinnati '56, and former Eminent Supreme Archon Joseph A. Mancini. Cincinnati '35. The highlight of the event was a wonderful presentation of the history of Ohio Epsilon by the fraternity's National historian, Dr. Joseph W. Walt, Tennessee '47. Brother Walt described some of the more notable brothers who passed through the halls of Ohio Epsilon. They are:

Judge Alfred K. Nippert, Cincinnati 1894, earned notable distinction for his marvelous work as chairman of the Building Committee, in bringing to completion the Levere Memorial Temple. While a member of the Supreme Council and Eminent Supreme Archon of the Fraternity, he continued to beautify this edifice. Judge Nippert was the co-author of the fraternity song "Sing, Brother, Sing" and financed construction of the James Gamble Nippert Memorial Lodge, Ohio Epsilon's Chapter House, in memory of his son.

G.A. ("Dolph") Ginter, **Cincinnati** 1897, was elected to the Supreme Council in 1939 and was the first Σ AE to serve in all five Supreme Council offices. He was elected Eminent Supreme Archon in 1947. In 1968, Dolph Ginter received from the Fraternity a testimonial and a painting, which now hangs in the Library of the James Gamble Nippert Memorial Lodge, in honor of

his attendance at 75 consecutive Founders Days.

George H. Kress, Cincinnati 1896, a noted California physician, was editor of the First Pledge Manual for the Fraternity in 1904. In addition, he was also associate editor for The Record and contributed articles to the Phi Alpha. Kress was president of the Ohio State Association of SAE and of the Ohio and California Medical Associations. He was the prime spokesman for the "Big Brother Movement" in 1946 and was the coauthor, with Judge Nippert, of the fraternity song "Sing, Brother, Sing". Kress received the Distinguished Service Award in 1953 and joined Chapter Eternal in 1954. In his memory, the George H. Kress Memorial Library was added to the Ohio Epsilon Chapter Lodge in 1956. A painting of Brother Kress now hangs in the library.

Joseph A. Mancini enrolled in the University of Cincinnati College of Engineering and participated in the co-op program in order to defray the cost of his college education. In order to afford lodging, Joe fired the furnace for the apartment building adjacent to the fraternity house, in exchange for an attic room. In order to pay for his meals, Joe worked at the Student Union. Brother Mancini held all of the offices within the San Francisco Alumni Association and gave twelve years of service to Province Kappa. He was elected to the Supreme Council and served as ESA from 1973-1975. Brother Mancini was responsible for the origination of the ΣAE Leadership Foundation, which helps to develop leadership among young men. He also generously donated capital for the building of the George H. Kress Memorial Library and purchased the bronze lions and baby grand piano for Ohio Epsilon's Chapter House. Brother Mancini was honored at Ohio Epsilon's 123rd Founders Day Banquet in 1979 with a painting, which now hangs in the living room of the James Gamble Nippert Memorial Lodge.

David M. Lance served as Province Delta's Archon for three terms and was also President and Treasurer of the Greater Cincinnati Alumni Association. In addition, he was President of the DeVotie Hall Association and served as Ohio Epsilon's Chapter Advisor. Brother Lance was elected to the Supreme Council in 1981 and was most recently elected Eminent Supreme Archon at the 1989 Cincinnati National Convention. Brother Lance serves on the National Steering Committee for the Capital Campaign for Sigma Alpha Epsilon and continues to work tirelessly for the Fraternity as he has since the day he joined the ranks of the Sons of Minerva.

ΣΑΕ's in Washington

PAUL E. GILLMORE

Congressman Paul E. Gillmore, Ohio Wesleyan University '61, is currently serving his first term in the United States House of Representatives. He is a member of the House Committee on Banking, Finance, and Urban Affairs and of the Committee on House Administration. In addition to his official duties, Mr. Gillmore is secretary-treasurer of the Ohio Republican congressional delegation. Paul has been highly visible in Ohio politics for many years. Prior to his congressional election, he served the Ohio Senate for twenty-two years. As state senator, he was unanimously elected Republican leader five times and elected as President of the Ohio Senate for three terms. The National Republican Legislators Association selected him as one of ten outstanding legislators in the United States. Paul received his undergraduate degree from Ohio Wesleyan and his law degree from the University of Michigan. Senator Gillmore served with the U.S. Air Force and received Distinguished Service Awards from the Disabled American Veterans, the Catholic War Veterans of the USA, the Ohio Civil Service Employees Association, the Medical College of Ohio at Toledo, and the Ohio Department of Aging, Paul, a member of the Ohio State Fair Hall of Fame, is the proud possessor of the prestigious Governor's Award and the Phillips Medal of Public Service.

SENATOR CONNIE MACK

Senator Connie Mack, University of Florida '66, has been identified by U.S. News and World Report as one of the nation's newest and most effective political stars. He has served three terms as a member of the U.S. House of Representatives from the 13th District of Florida and is currently serving a six-year term in the U.S. Senate. Known as a champion of policies to promote higher levels of economic growth, Senator Mack has been appointed to the Banking and Foreign Relations Committees in the Senate. Co-author of the landmark Gramm-Rudman deficit reduction law, he was instrumental in his support of the economic policies of President Reagan, during the 98th, 99th and 100th Congresses. Mr. Mack's interest in economic affairs stems from his 16 years of experience in banking, including his presidency of the Florida National Bank of Lee County. Educated at the University of Florida, Senator Mack holds a degree in Marketing and Business and has long been a supporter of Florida's interests. Recently, he introduced legislation that requires federal agencies to use updated census figures when calculating grant allocations to states."Many federal agencies simply have ignored our growing population, robbing Florida of millions of dollars," Mack is quoted as saying in the Senator's Newsletter "Connie Mack Reports". No stranger to the political scene, the Senator is the grandson of the legendary baseball manager and owner of the Philadelphia Athletics, Connie Mack. In addition, the Senator's great-grandfather and maternal grandfather represented Texas in the U.S. House of Representatives.

Pensacola Alumni Association Hosts 1989 National Golf Tournament

The eleventh annual ΣΑΕ National was played under sunny Florida skies at the beautiful Sandestin Resort in Destin, Florida, during May of 1989. It should come as no surprise that Florida Beta Brother Downing Grav captured the title with a three shot victory over runner-up Bob Leopold. This was Brother Downing's sixth victory in this annual event. Among other honors, Downing has played on the U.S. Walker Cup Team and competed at the Masters several times. The '89 Tourney offered the traditional parties and prizes, in addition to three days of golf on two beautiful courses at a first-class recreation re-

The 1990 Tourney will offer more of the same excitement. The twelfth happening of this event will take place on May 9-12,1990. Early registration is May 9, and the optional practice round is May 10th. By popular demand, the Tourney will return to the Sandestin Resort. Sandestin is a premiere resort hotel, with a full range of amenities. Individuals can choose from villas, condos, or standard motel rooms for their accommodations. Again, great parties are planned, along with several different types of golf competition, to make this event memorable. Young or old, high or low handicap, the Tourney offers a great time for all. Make your plans now to attend. If you are not already on the mailing list, please call **Bob England** at (904-476-4960) or write 3. Josh Poe

Tournament participants head out to the links.

P.O. 12281, Pensacola, Florida 32581. If you would like information on the Sandestin Resort, or reservations, call (800) 327-7261. In Florida, call (904) 267-7797.

The Greater Atlanta Alumni **Association plays golf**

The Greater Atlanta Alumni Golf Tournament was held September 18, at the Pinetree Country Club. About eighty brothers participated in the annual golf extravaganza. Immediate past Alumni Association President, Dick Leversee, UNIVERSITY OF MINNE-SOTA '45 was presented with a "True Gentleman" plaque for his dedicated and continued support of the Atlanta Alumni Association.

Dick Leversee past president of the Atlanta Alumni Association and George Bartelme 1989-90 golf chairman.

Chapter News Briefs

WICHITA STATE: Sam Cohlmia '89, was one of eight fraternity and sorority members to receive a L. G. Balfour Fellowship award from the National Interfraternity Foundation. Upon being presented with the \$5,000 grant, Sam remarked, "My fraternity experience has definitely played an important role in my collegiate success. Furthermore, I expect all of the skills that I have developed, namely leadership. time management, enthusiasm, determination, and verbal communication to benefit me further in my future success and profession. My fraternity experience has heightened my interaction with diverse populations of people." Sam currently attends the University of Kansas School of Medicine. On the community service front, the brothers of Wichita State raised \$1,200 at this year's Sig Alph 500, an inter-Greek tricycle relay. Proceeds went to the local Big Brother/ Big Sister organization.

WASHINGTON UNIVERSITY: Kevin Lapidus was recently awarded the Province Zeta Scholarship Award. A sophomore, Kevin was also elected this fall as Publicity Chairman for the "Lock and Chain," a sophomore honorary society.

RANDOLPH-MACON COLLEGE: The chapter moved into its newly-constructed fraternity house October 1, 1989. The new structure replaces the original house, which was destroyed by an electrical fire last December. The thirteenbedroom house accommodates twenty-five brothers. A ribbon-cutting ceremony and presentation of keys was made by the Mayor of Ashland to Eminent Archon Stephan Michaels. Following the ceremony, the chapter hosted a small celebration to commemorate this milestone in Virginia Alpha's history.

WORCESTER POLYTECHNIC INSTITUTE: Keith Wolosz '89, a three year song leader at the chapter, was invited onstage during a recent Livingston Taylor concert, which the brothers attended. Wolosz joined Livingston, a popular folk and pop singer, in a duet. On the community front, members spend weekday evenings at the Mustard Seed, a Worcester-area soup kitchen. Brothers serve meals, clean dining areas, and generally "give those less fortunate than us some sense of personal worth."

(L to R) Brothers Jim O'Connor, Gene Goldman, and Ray Vincent donate time to help an area soup kitchen.

Durham, N.C. 27706

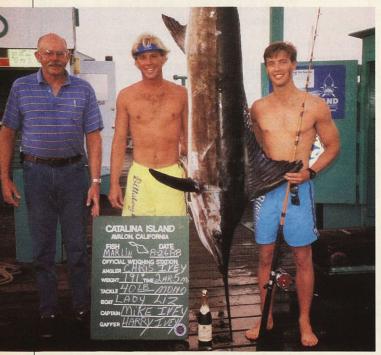

"We're dedicated to building the better boxer."

PLEASE ALLOW 3-4 WEEKS FOR DELIVERY THANK YOU

CLEMSON UNIVERSITY: When chapter members returned this fall, they found their house in a sorry state. Although the chapter house is a university-owned building, the brothers decided to take it upon themselves to clean their house. A Saturday morning was picked, the turnout was excellent, and the brothers got a lot done. They painted and scraped their first floor, and mowed and trimmed their lawn, while they caught up with each other on everyone's long summer. The brothers felt that this day of group work brought them much closer and set a positive mood for rush and the semester to come.

NORTH CAROLINA STATE UNIVERSITY: The brothers at North Carolina are extremely proud of their new rush and bid programs this year. The chapter presently has 36 active brothers and eighteen pledges. Rush has always been dry at this chapter, and the chapter feels more enthusiastic and closer as a group than ever before. North Carolina State was one of six chapters that received the Most Improved Chapter Award at Leadership School this past August.

CALIFORNIA STATE-LONG BEACH: Roger Gonzales '90, former sports chairman and Eminent Correspondent was the first winner of the George A. "Gap" Powell Scholarship award for Education and Scholarship. The award of \$500 was presented at Alumni Night September 12 during Fall Rush. Cal State brothers, Chris and Mike Ivey, prove to be leaders at sea as well as on land. While on a fishing trip just off the coast of Catalina Island, Mike navigated, while Chris battled two hours with an extremely large fish before finally reeling it in. "It" turned out to be a 191 lb. Marlin which was recorded as the largest catch of the year. Brothers Chris and Mike are top students at Cal State - Long Beach, as well as respected leaders. Chris, a senior, has, in the past, served as Social Chairman and Eminent Treasurer, and is currently Eminent Archon. Mike Ivey '89, has served as Eminent Deputy Archon and is currently Social Chairman.

The Ivey family stands with the "big one." (L to R) father, Harry, and brothers Mike and Chris Ivey.

Western Kentucky brothers (L to R) David Pittman and Mark Johns, make the "BIG RED TREK."

WESTERN KENTUCKY UNIVERSITY: The fall semester has been one filled with many honors for the brothers of Kentucky Beta. Amos Gott '90, a major in Advertising/ Public Relations, was elected Student Government President. Four chapter brothers were selected from some of Western Kentucky's best students to act as "Spirit Masters." After many questionnaires and interviews, these young men were chosen to be all-round campus leaders assisting the University with various administrative tasks, as well as maintaining contact with Western Kentucky Alumni. Congratulations to Daryl Pepper, Eddie Smith, Dwight Adkins, and Amos Gott. On the service front, the brothers inaugurated the "Big Red Trek" between Eastern and Western Kentucky State Universities. On Friday night before the anticipated football game, the chapter ran 165 miles with the football to Richmond, the site of the Saturday night game. Pledges were raised and over \$1,000 was donated to the United Way and to the Western Kentucky Athletic Foundation. The chapter is working toward its goal as outstanding fraternity on campus. The Kentucky Beta house itself underwent extensive home improvements this summer, all contributing to ΣAE's "new look" this fall. Congratulations are in order to Community Service chairman Mark Shoemake and to all the brothers who helped make the Bowling Green - Western Symphony Orchestra's Annual Book Fair a success.

UNIVERSITY OF THE PACIFIC: At the beginning of this school year, brothers participated in an all-house retreat at alumnus David Morrissey's ranch in Northern California. The chapter evaluated house administration and their current pledge program and adopted a "Campus Domination Policy" at the end of their retreat. On campus, the ΣAE house won the University of the Pacific "Spirit Night" accolade at the opening night football game. In addition, the house was also the winner of Delta Gamma's Anchor Splash and second place holders in UOP's Greek Week Competition. Brother Kevin Tucker has distinguished himself this year. Kevin was elected student representative to the University Judiciary Committee and to the Student Government of the Business School. In addition, he holds an office in the Delta Sigma Professional Business Fraternity and has been appointed Freshman Orientation Coordinator for the 1990-91 academic year. Kevin is the Interfraternity Council Greek Week chairman and was recently elected as UP's Homecoming King. Nice job, Kevin!

SYRACUSE UNIVERSITY: With the September initiation of 13 new brothers. New York Delta has entered what the brothers believe to be the strongest of its five years on the SU campus. EA Steve Miller leads a team of more than 60 brothers as it pushes for much needed restoration and expansion to their deteriorating 120-year-old chapter house. New York Delta continues its dedication to the SU community both in academics, where the brothers' cumulative average is second on campus and in involvement to the Greek Council and IFC, where ΣAE representation is quick growing. In terms of community relations and philanthropy, NY Delta remained tops among the 26 fraternities on campus. Activities included sponsorship of the SU Red Cross Blood Drive. working with youngsters at the Ed Smith Elementary School, events with the elderly at St. Joseph's Hospital, and activities with the local Ronald McDonald House. In February, ΣΑΕ was the only SU representative at the City of Syracuse Thoriden Park Winterfest. In terms of rush, the brothers have been extremely pleased with the enormous showing of potential members with numbers ranking in the top one or two on campus.

BALL STATE UNIVERSITY: For the last three years. ΣAEs on campus have won not only the Campus Blood Drive, but the Philanthropic Award as well. This year the brothers' work with a local church group, supplying relief donations for victims of Hurricane Hugo, won them recognition. In addition, the chapter is actively involved with the Muncie Big Brothers/Big Sisters program. In sports, Sigma Alpha Epsilon has held the Intramural All-Sports trophy in the fraternity division for the past seven years. Brother lim Langfeldt placed fifth overall in the Coors Light Biathlon. On September 18, 1989, Langfeldt swam five kilometers, rode 30 kilometers on a bike, and ran 5 kilometers. He took first over-all in the Indianapolis Biathlon on October 7. On September 30th, Ball State traveled to Evanston, Illinois and held its chapter retreat at the temple, where fifteen brothers were initiated into the bonds. Brothers Jerre McManama '90 and Lee McCallister '90, were part of a cultural exchange that Ball State maintains with Universities in Korea, Hong Kong, China, and Japan. The Indiana delegation, comprised of nine students and six professors, traveled through China during the weeks of political unrest in Beijing. The Ball State delegation was in Shanghai when the shootings occurred. Traffic came to a halt, workers struck, students protested, and public transportation ceased to exist during their stay.

The Ball State contingent and some of their Chinese hosts give the **PHI ALPHA** Salute.

The University of San Francisco Chapter House prepares for its anniversary celebration.

UNIVERSITY OF SAN FRANCISCO: September 20th marked Cal Sigma's twentieth anniversary as a chapter of Sigma Alpha Epsilon. The chapter will be host to the 1990 Province Kappa Convention which will take place April 27th, 28th, and 29th. The Cal Sigma brothers have worked hard with House Manager Steve Kirsch and Province Archon Frasier Mills to prepare the house for the Twentieth Anniversary Alumni Weekend and Province Convention, which will be highlighted by Paddy Murphy's "Burial at Sea" on the San Francisco Bay.

UNIVERSITY OF NORTHERN IOWA: The Σ AEs of Northern Iowa capped off a perfect 10-0 season with a 12-7 victory in the championship game of the campus-wide intramural softball league. The 12-7 victory marked the second consecutive year Σ AE has captured the softball crown. During the past two years, Σ AE has compiled an 18-1 record in intramural softball. Congratulations for two great seasons and we'll be looking for number three next year!

UNIVERSITY OF MICHIGAN: Dave Fulkerson and Brian Reilly recently ran their first 10k race, the Tuuri 10,000, to raise money for the wish fund at Hurley Medical Center. The wish fund is for seriously-ill children in Genesse County who cannot afford insurance. Brothers Fulkerson and Reilly raised \$309 from pledged donations.

OREGON STATE UNIVERSITY: The brothers at Oregon State got a little taste of the "real" cops and robbers October 2, when their scanner picked up a police report that an armed robbery had been reported at a local gas station in Corvallis. The watchful brothers sighted the get-away vehicle and were able to direct Corvallis police toward the suspects which led to the arrest of the two robbers. This fall saw the completion of Oregon's newly remodeled house. A new living room, dining room, living quarters and hallway greeted returning members, and the pride was back for the start of a new generation of ΣAEs .

UNIVERSITY OF PUGET SOUND: On September 13 and 14th this Washington chapter held its first annaul "ΣΑΕ Football Run Against Cancer." The brothers raised \$1,000 for the American Cancer Society by running a football around the University campus for 24 hours. On September 9, the chapter initiated its first class under the deferred rush plan. Two triple legacies were in that group; Hunter Hodge and Brian Avery, whose brothers also attended the University of Puget Sound.

MS-150 Bike Riders (L to R) Mike Ingram, Jeff Wissell and Bob Ingram.

ROCKHURST COLLEGE: Brothers Mark Stinson '90, and Brother Joe Agnello '89 tried a "hands on" approach to raising money for their favorite charity. The two Kansas City brothers "duked" it out at a charity boxing party. Eight matches delighted friends and spectators, and the proceeds went to a club for underpriviledged boys. Mike Ingram, Jeff Wissel, and Bob Ingram participated in the MS-150 Bike Race. 150 miles long, this twenty-four-hour race this past September netted \$1,500, which was given to the Multiple Sclerosis Foundation. The chapter is back in the intramurals again! ΣΑΕ's exciting victory over the TKEs in an overtime shoot-out put the Missouri Delta Chapter over the top in intramural points and won them the trophy for the fifth time in six years.

The **UNIVERSITY OF SOUTH CAROLINA'S** Collin Mackie '91, place-kicker extraordinaire and all-American candidate, has received national attention as one of the premiere kicking specialists in the country. He holds the University's record for points and has a career record of 44 field goals on 57 attempts. Collin joined the Σ AE team in 1988.

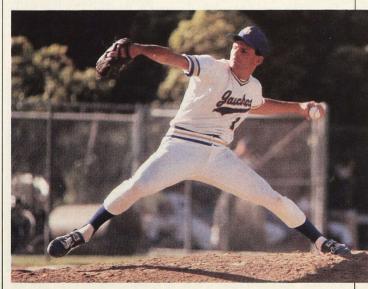

ADRIAN COLLEGE: Over the last two semesters, the brothers scholastically have risen above the all-men's GPA and the all-Greek GPA, finishing second out of five fraternities. In athletics, senior Dick Strong received the trophy for the men's individual intramural championships, bringing ΣAE's wins to 19 out of the past 29 years.

UNIVERSITY OF NEVADA-RENO: This chapter started their year full of zeal. Scott McAdams, an alumnus of the house, presented a plan that will help the house identify its strengths and improve upon its weaknesses. In addition, the members revamped their pledge program. The brothers have high hopes for the new program which is designed to bring out the best in each pledge via a point system. Brother Glen Krutz, Student Body President, has pleaded the student cause, asking for more student input with regards to the distribution of athletic funds and for a change in the course repeat policy. Athletically, the house is attempting to maintain its hold on the campus intramural sports trophy for the sixth straight year. Last but not least, the brothers would like to congratulate alumnus Sig Rogich, who was recently appointed George Bush's Presidential Assistant in charge of Special Events. Sig plans news media coverage for the President's travels, domestic and international.

DAVIDSON COLLEGE: The Library of Administration Digest carried the following article in their September newsletter regarding the Davidson College ΣAEs. "Davidson College Library (North Carolina) now has more than one million in its endowed book funds, thanks to a recent boost from Sigma Alpha Epsilon Fraternity. ΣΑΕ's gift of \$5,200 raises the fraternity's book endowment to \$25,800. The fund will be used to purchase 51 books a year, or two shelves of books forever," said Library Director Leland M. Park. The director went on to say that it was unusual for a student or Greek organization to give such an endowment, but that, "...it should give other college libraries an example to shoot at." Members of the Davidson chapter house also offered to help people clean up their vards after Hurricane Hugo's devastation this fall. In addition to their offer in the Mecklenburg Gazette, eight of the brothers went to the James Y. Causey Family (a home for the elderly and handicapped) and worked countless hours with a chain saw clearing the yards of trees and debris.

FLORIDA STATE UNIVERSITY: The gentlemen of this Florida chapter won the Annual Greek Week competition for 1989. They were paired with the ladies of Sigma Kappa. The theme of Greek Week was "Old TV." The show our winners chose to depict was "Bonanza." Chairmen for this special event were Mike Brown, Mike Tschirret, and Mike Dunlop.

UNIVERSITY OF CALIFORNIA-SANTA BARBARA: Jon Gianulias '90, is looking forward to another outstanding year of baseball as UCSB's number one stopper out of the bullpen. In the 1989-1990 season, the left-hander was 6-2 with four saves, while receiving the team's "Outstanding Pitcher Award" in the country's toughest conference (Big West). For the 1989-1990 season, Brother Jon is frontrunner for team captain, in addition to aiming his sights on the 1990 professional baseball draft. Khaled Shahbo '90, a versatile tight-end and wide receiver, recently became UCSB's "All-Time Leading Receiver." Already this season he has broken the NCAA Division II single game reception record with 14 catches. In 1988, he received honors as a member of the "All-Strength All-America Team." Brother Khaled is also gearing up for the future NFL draft.

Left hander Jon Gianulias pitches a great season for UCSB.

Past EA's Robert Mihilich and Frank Melcher help David Weiss cut the ribbon at a ceremony celebrating their new addition.

UNIVERSITY OF HOUSTON: Brothers of Sigma Alpha Epsilon showed the Greek system how to pull off a dry rush with style. Twenty-seven members were installed to an active chapter of forty men. Money was well spent this past year to improve the chapter house and make it more functional for chapter purposes. The brotherhood is, once again, in peak form.

BAYLOR UNIVERSITY: The brothers at Baylor University have started their fall semester with several community service projects: a successful blood drive for the Red Cross, the completion of two community painting projects, a needy citizen's home and the Children's Art Center in Waco, and the Sigma Alpha Epsilon/Kappa Gamma Swim-a-Thon, which raised funds to take thirty YMCA children to the Waco Firefighters Association annual event. In athletics, the brothers at Baylor remain victorious in their football intramural championships. This was their 12th win in four years. This fall, the chapter continued its winning streak, claiming the All-University/Greek Football Tournament Championship.

UNIVERSITY OF TENNESSEE: The brothers of Sigma Alpha Epsilon were saluted as outstanding students with the Chancellor's Citation for Extraordinary Campus Leadership and Service. This was the only time that a Greek organization ever won this award. One of the chapter's major successes is their "Save an E" program. "Save an E" involves the use of a beeper system to combat drinking and driving. When a pledge or a brother has been drinking, he calls the "Save an E" number, leaves a message, and the pledges or brothers on duty pick the caller up and give them a ride home. Program Originator Brett Phillips presented the idea to the Inter-Fraternity Council and, as a result, several more fraternities have started using a similar system.

STATE UNIVERSITY OF NEW YORK-**BINGHAMTON:** The chapter was nominated for the Community Service Award at the 1989 Leadership School and also was the recipient of the 1989 Province NU Chapter Achievement Award. The chapter contributes man hours to the St. Patrick's and Thanksgiving Day Parades, in addition to working with the local Boys' Club and holding an annual softball marathon for the American Cancer Society. Sportswise, New York Omega won the Intramural Softball Championships two years running, while also winning hockey and soccer championships. The New York Chapter would like your assistance in obtaining a chapter house. To date, the chapter has seventy-one members, with approximately one hundred alumni. Donations, no matter how large or small, will help the chapter reach its goal of being the first Fraternity at SUNY-Binghamton to own their own house. Any help alumni can provide (and not just financial help) will be appreciated. Donations can be sent to the N.Y. Omega Alumni Association, SUNY-Binghamton, Binghamton, NY 13901. Donations are not tax-deductible.

SIGMA ALPHA EPSILON FRATERNITY

In conjunction with

CAMPUS CLASSICS

is proud to make this special offer.

Call TOLL FREE (800) 27-GREEK FOR DETAILS/ORDERS!

Roberto and Mickey stand in front of the monument to the Equatorial Line called "Mitad del Mundo" (Middle of the World). Lackenbacher is sitting on the northern hemisphere while Moreno sits on the southern hemisphere.

UNIVERSITY OF CALIFORNIA-SANTA CRUZ: Jose Alberto Moreno '90, past Eminent Archon of our newly-installed California Omega Chapter, sends greetings this past summer from his native Ecuador. Roberto visited his homeland last August with Σ AE brother Mickey Lackembacher '93, a fellow chapter member from Santa Cruz and also a native Ecuadorian. Although there aren't any fraternities in Ecuador, Roberto and Mickey are proud to be brothers "in the bonds" geographically, as well as fraternally. Roberto is currently pursuing a Masters degree at Thunderbird School of Management. Mickey is Scholarship Chairman this year for the chapter.

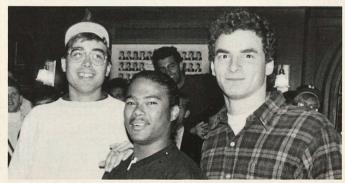

UNIVERSITY OF CALIFORNIA-IRVINE: The brothers of ΣAE , together with the ladies of Kappa Alpha Theta, captured first place in the Tenth Annual Greek Songfest. Benefits from this year's Fest were donated to the Irvine Homeless. The performance received a standing ovation from the crowd of approximately 3,000 which, in turn, helped SAE and KAO capture the Spirit Award. Chapter members received the best Greek Organization Award at this year's Student Recognition Awards Banquet. Brother Brad Holt was selected as Greek Man of the Year, and Charlie Peebles was recognized as Sophomore of the Year. In sports, ΣAE captured the crown of IFC Floor Hockey Champions at Irvine. At this year's National Convention, the brothers of California Psi were awarded a Chapter Achievement Award, while brother Rick Campbell received a \$3,500 Scholarship for medical school. Seven brothers of ΣAE attended this year's UCI All-University Leadership Conference, which was co-chaired by the Director of Student Activities, Brother Randy Lewis (UCSB).

CORNELL UNIVERSITY: The brothers are proud to announce that their President Lance E. Peters '89 was awarded the Outstanding Eminent Archon Award at the ΣΑΕ National Convention in Cincinnati this summer. This fall, the annual ΣΑΕ Volleyball Tournament raised over \$1,000 for Easter Seals. Centennial Celebration Flash: In anticipation of the upcoming event in '91, Eminent Correspondent Ben Richardson and Centennial Chairman Mark Spaulding are updating a new alumni directory to be published this spring. In order to provide the best list, all brothers of New York Alpha who know of recent changes or corrections in the addresses of any fellow brothers are asked to please send those corrections to: Ben Richardson, ΣΑΕ Hillcrest, Cornell University, Ithaca, New York 14850.

UNIVERSITY OF SOUTH FLORIDA: Recipients of the Province Nu-Epsilon Chapter Achievement Award for academics this semester, this chapter places third out of eighteen fraternities on campus this semester scholastically. In sports, the brothers at South Florida are first in golf and the victors of the Province Nu-Epsilon Volleyball Tournament. Brother Mark Wentley of Tampa, Florida, was elected President of the Ambassadors Student Alumni Association, a group responsible for public relation events and campus tours. In addition, Mark received a \$500 scholarship this semester from the National Association for the Self-Employed.

UNIVERSITY OF TAMPA: This University chapter hosted Province Nu-Epsilon's Leadership Weekend and Volleyball Tournament September 29th and 30th. The University of Miami, Florida Southern, the University of South Florida, the University of Florida, the University of Tampa were in attendance. ESA David Lance, E and L Consultant Michael Tarbet, and Province Archon Bill Brady were also in attendance. Seminars were held on alcohol awareness, risk management, and the structure of Σ AE. Three neophytes from the University of Tampa and one from the University of Florida were initiated. The volleyball tournament was won by the brothers of South Florida, with the pledges of the University of Florida and the University of Miami taking second and third places respectively.

NORTHWESTERN UNIVERSITY: The Σ AE brothers extended a helping hand to Hurricane Hugo victim Farrington Cannon this fall. A former resident of St. Croix, the brothers offered him room and board at the house until Cannon could find work. Ben Croce, who had befriended Cannon while on a spring break tour of St. Croix, rallied the house members around the effort.

The brothers of Northwestern University and St. Croix native, Farrington Cannon.

STRATEGIC PLANNING CONFERENCE

SEPTEMBER 7-9, 1989

Participants:

MAKE YOUR PLANS NOW MAY 9-12 AT THE BEAUTIFUL SANDESTIN RESORT

Make your plans now to attend the 12th annual Σ AE National Amateur Golf Tournament. Last year's golfers were very excited about our new home at Sandestin. It is a beautiful first class resort with 36 great holes of golf, wonderful accommodations and a large variety of activities for the whole family. Great prizes, parties, plenty of golf and brotherhood, all make for an unforgettable event. If you are not already on the mailing list, call (904) 476-4960, or write and you will be added to the mailing list.

THE NINE BASIC EXPECTATIONS OF FRATERNITY MEMBERSHIP

In an effort to lessen the disparity between fraternity ideals and individual behavior and to personalize these ideals in the daily undergraduate experience, the following Basic Expectations of fraternity membership have been established.

- 1. I will know and understand the ideals expressed in my fraternity Ritual and will strive to incorporate them in my daily life.
- 2. I will strive for academic achievement and practice academic integrity.
- 3. I will respect the dignity of all persons; therefore, I will not physically, mentally, psychologically or sexually abuse or haze any human being.
 - 4. I will protect the health and safety of all human beings.
- 5. I will respect my property and the property of others; therefore, I will neither abuse nor tolerate the abuse of property.
 - 6. I will meet my financial obligations in a timely manner.
- 7. I will neither use nor support the use of illegal drugs; I will neither abuse nor support the abuse of alcohol.
- 8. I will acknowledge that a clean and attractive environment is essential to both physical and mental health; therefore, I will do all in my power to see that the chapter property is properly cleaned and maintained.
- 9. I will challenge all my fraternity members to abide by these fraternal expectations and will confront those who violate them.

Ethics and Values Commission of the National Interfraternity Conference
