**SAE FOUNDATION
ANNUAL REPORT**

**LEADERSHIP
& SERVICE**

GREETINGS BROTHERS,

It was a great Summer, and Fall is looking even better. There is so much to learn in this issue of *The Record*, and I'm excited to talk about the amazing things happening across the country in our Fraternity.

The Levere Memorial Temple (LMT) is a true gem of the Greek world, and it was alive and thriving at the annual Ritual Academy. Members who engage with our Ritual are better connected to Sigma Alpha Epsilon. This year's Academy had record attendance with 330 undergraduates and 25 alumni in attendance. It was great to see everyone in person and an even better experience. Nothing fills me with a sense of pride in our Fraternity more than experiencing Brotherhood in action and hearing our songs in the LMT. If you have not had the chance to attend Ritual Academy, I encourage you to participate next year.

Congratulations to Kansas State University on being named Zeal Chapter for 2024, and to Grant Rebscok (Nicholls State '25) for being named True Gentleman of the Year! If you are looking to improve your Chapter or yourself, connect with the brothers at Kansas State or Grant. More congratulations to Rick Shipley (Evansville '79) on receiving the Distinguished Service

Award at Ritual Academy, the highest honor bestowed to an SAE alumnus. Additional awards within the Fraternity were handed out to many Chapters and individuals across the Realm and are listed later in this issue.

We also unveiled a new award to our service recognition level called the Shield of Brotherhood. It is critical to recognize people who sacrifice time, talent, and treasure to ensure they know how much we appreciate them helping keep SAE on top. So far in 2024, we have recognized 273 collegians and alumni with one of our six service awards. Take some time to look over our recognition program and who you'd like to nominate for one of our six awards on sae.net/resources/recognition-awards.

As an organization, growth is always the goal. In the past few months, we have installed chapters at the University of Southern California, Vanderbilt University, and California State University, Fullerton! We currently have eleven emerging chapters, and we anticipate two more joining us in the spring. So great to see the SAE footprint growing on campuses across the Realm!

I would be remiss if I didn't recognize our amazing staff, and most recent Eminent Supreme Recorder, Chris Hancock (Indiana State '96), for their hard work and our campus expansion. Serving as our CEO/ESR, Brother Hancock guided SAE out from under COVID restrictions stronger than we were before and returned us to dozens of campuses. Chris has been a great example of a Brother, a leader, and a friend during his time as CEO. Thank you, Chris, for all the hard work you put into making SAE better.

Next, I'd like to formally welcome and congratulate Steve Mitchell (Indiana '83) as our new Eminent Supreme Recorder and Chief Executive Officer. Steve brings a wealth of experience both outside and inside the Fraternity world, having recently served as the CEO of the SAE Foundation. Steve has been tremendous to work with in his first few months in the role, and I am excited to see where he will take our

organization under his leadership. The future is bright for the Fraternity!

In the last issue of the *Record*, I made a call to action for alumni to step up and take on a role within SAE, as a volunteer, an advisor, or a donor. Over the 2023-24 timeframe, the Alumni team has worked through several recruitment campaigns with great results. Over this time, volunteer participation has increased by 24%. Our Chapters thrive when they're surrounded with good alumni and strong leadership. In the most recent ESR letter, Brother Mitchell called for folks to step up and offer themselves to support our men. This resulted in a great response and further expands on his goals for the organization. If you can help, step up and let us know on sae.net/resources/volunteer-interest-form.

The final item I would like to cover this issue is the Supreme Council's unanimous and complete commitment to providing a safe atmosphere for our members and guests. We are committed to supporting our staff to develop elite programming that will educate our members on the right thing to do, and promote health and wellness on college campuses. This commitment harkens back nearly 40 years when SAE adopted the first official set of Risk Management policies, through the creation of Miveriva's Shield. Our renewed commitment to the best Risk Management program in the world will include four key elements, summarized: establish a mindset of prevention, fostering a health and wellness culture, directly addressing root causes of issues and paving a way to a more secure and prosperous future for SAE. Our official statement can be read on sae.net/about/mission-vision. Join me in welcoming a new future for a safe and excellent experience for our members!

Faternally,

Mark W. McDonough (Youngstown State '98)
Eminent Supreme Archon

FEATURE STORY

MINERVA'S DEVOTED SON

Dedication is often a relative concept, and one that can be hard to gauge when looked at objectively. What might seem like a trivial pursuit to some can mean the world to others, and changemakers throughout history have had different definitions of what dedication looks like and where it is best applied. Something that is being supported and fully embraced will reward the individual ten times over, and there is no better example of this philosophy than brother Clarke Houston (Colorado State '66) and his contributions to Sigma Alpha Epsilon.

NEWS FROM HQ

VOICE OF THE ESR

It is an honor to serve as Sigma Alpha Epsilon's sixteenth Eminent Supreme Recorder; I have so much reverence for this office and am fully aware of the responsibility associated with this role.

The True Gentleman has guided me from my time as the Eminent Archon of SAE's Indiana Gamma chapter to my most recent role as President & CEO of the SAE Foundation. Like many members, my life and career trajectory would have been very different without SAE. I would not be who I am today had it not been for this organization and its tremendous influence on my life.

When I met with the Supreme Council, I shared that I want to focus on four things:

- Collegiate membership and retention
- Risk management
- Leadership development and educational programming
- Alumni engagement

Moving forward, we plan to run the organization more like a business. My professional background has primarily been in sales leadership roles. Prior to serving as the President & CEO of the SAE Foundation, I served in multiple Vice President of Sales roles for AT&T, responsible for billions in both sales and service revenue.

At the Fraternity Service Center, we have already started this process by realigning our undergraduate Chapter coverage model to focus on chapter size versus geography. This new model allows us to place our most experienced consultants with our largest chapters. Four consultants will support SAE's large chapters, and our most experienced leader, Kevin Gath (Western Carolina '14), will lead this team.

Now, these Chapter Consultants will have fewer chapters, making it possible for them to visit their chapters proactively multiple times a year versus once a year, providing more guidance and support while better addressing health and safety concerns.

Additionally, we moved two Consultants from the Expansion Team to provide better coverage for the medium and smaller chapters, increasing the number of Consultants by 25 percent. Doing so reduces the number of Chapters that each Consultant supports, enabling them to call on their Chapters more often. Jake Harris (Central Oklahoma '20) will manage this team.

Theoretically, we now have a model that better supports our undergraduates, provides a career path for our Consultants, and enables our newer staff to learn and grow with smaller Chapters.

We have also embarked on a proactive Health & Safety plan to protect our undergraduate members better. Working hand in hand with Favor, our insurance carrier, we continue to enhance our current program. As part of the plan, we have proactively reached out to each Chapter to conduct virtual meetings emphasizing the importance of making good choices and being our brother's keeper.

Steadman Boston (Winthrop '17) and Layne Smith (Winthrop '19) have done a remarkable job enhancing our Health & Safety program, but we continue striving to improve. A key to this team's success will be the addition of John Hatfield (Kansas State '77). John will visit chapters to proactively promote cultural change, preventing incidents instead of just responding to incidents.

I've used a Plan-Do-Check-Act cycle throughout my career to ensure continuous learning and growth. This constant process improvement cycle will drive our success at the Fraternity Service Center, ensuring we continue to learn and grow from our work and make the best decisions using the available data.

While we have taken steps to support our undergraduate Chapters better, long gone are the days when one person, or even two, can successfully provide the guidance required for a Chapter to be successful. It takes a TEAM.

We all hold a special place in our hearts for our Chapter because it often shaped who we are today, providing us opportunities to learn, grow, and develop important life skills.

My ask is that you re-engage with your Chapter by providing your time, treasure, and talent.

By enhancing our support structure, cadence, and the expectations of our team and Chapters, we are poised as an organization to leverage the good work that Past Eminent Supreme Recorder Chris Hancock (Indiana State '96) started.

Thanks in advance for all you do on our behalf.

Steve Mitchell (Indiana '83)
Eminent Supreme Recorder & Chief Executive Officer

SAE FINANCIAL & HOUSING ADDS LEVERE MEMORIAL TEMPLE TO MANAGEMENT PORTFOLIO

Beginning in July 2024, SAE Financial & Housing Corporation (F&H) has partnered with the SAE Foundation to assume facilities management of the Levere Memorial Temple. This relationship will allow F&H to implement many of the best in class facilities management and capital project planning/forecasting practices that have been fine tuned over the past two decades at the chapter house level with House Corporations and Chapters across the realm. From a Foundation perspective, the new partnership will help to formalize the operation, management and on-going care of the priceless SAE headquarters, museum and memorial which turns 100 at the end of the decade.

NEW ALUMNI AFFILIATE GROUP: SAE HISTORICAL SOCIETY

The SAE Historical Society is dedicated to celebrating and preserving the rich history of Sigma Alpha Epsilon, focusing on both local chapters and the fraternity's broader legacy. The Society engages in initiatives such as archiving historical documents, organizing educational events, and sharing the stories of notable SAE alumni. By highlighting the contributions of its members past and present and fostering a sense of community, the SAE Historical Society ensures that the fraternity's legacy continues to inspire future generations while deepening their connection to its storied past. Visit Facebook to join the SAE Historical Society affiliate group.

STAFF UPDATES

The SAE Foundation is pleased to announce Thomas J. Kilian, Jr. (Indiana State '99) as the new Chief Executive Officer and President of the Foundation.

The Fraternity Service Center welcomed Emmett Schwab (Drake '24), Carson Cole (Millikin '24), Derek Demers (South Dakota State '24), and Noah Muszall (Georgia Southern '18) as Chapter Services Consultants. Jake Harris (Central Oklahoma '19) and Kevin Gath (Western Carolina '14) have been promoted to Co-Directors of Chapter Services. Cullen Kerigan (Western Carolina '22) and Noah Haddaway (Frostburg State '21) have accepted new positions as Chapter Services Consultants, Pete Engle (Millikin '00) as the Emerging Chapter Services Consultant, and John Hatfield (Kansas State '77) as the Risk Management Consultant. **To view the full SAE staff visit sae.net/about/team.**

FOUNDERS ROOM RENOVATION LEAD BY SAE FINANCIAL & HOUSING

As a kick-off to the newly formed building management partnership of the Levere Memorial Temple, SAE Financial & Housing funded and completed a project to replace the Founders Room floor in the Levere Memorial Temple. Used for countless Supreme Council, Tri-Board, staff and volunteer meetings in the over 90 years of the buildings history, the Founders Room continues to serve as a premiere meeting room for meetings of up to 16 attendees.

A radiator leak had caused damage to the original wooden parquet flooring. Porcelain plank tile was chosen as the replacement material due to the modern products durability and astetic appearance.

SAE FOUNDATION RECEIVES AWARD

The Foundation for Fraternal Excellence recognized the SAE Foundation's March to the Madness campaign with the award for Best Development Effort in Annual Campaign at its annual meeting in August. March to the Madness is a multi-week, bracket-style fundraiser modeled after the NCAA March Madness Tournament, where different SAE Chapters compete to see who can raise the most money in their match-up in each round. Since its start in 2019, March to the Madness has grown from raising \$28,000 toward the Annual Loyalty Fund to \$149,017 in 2024 - an over 432% increase in six years.

IN THEIR WORDS

Beginning with four men in the Spring of 2023, the California Sigma-Lambda chapter of Sigma Alpha Epsilon faced an uphill battle towards establishing their chapter on a lively and social campus where fraternity is everything. The brothers fought fiercely for our seat at the table, working hard to expand our numbers and pursue our goals on the path to receiving a charter. Approximately one year later, our dreams were realized during the installation ceremony on April 12, 2024. It was an honor and privilege to grow and share this experience with such fine gentlemen. We created an environment in which men can grow and prosper without the threat of being someone we are not. At California Sigma-Lambda, brotherhood comes first. As we pursue the values designed by our founders, we also excel athletically, socially, and academically. We have risen above the adversities we have faced, but there is still much work to continue to improve our chapter. But this experience will stay with us for the rest of our lives. We are beyond proud to be SAEs.

INSTALLATION: APRIL 13, 2024

ABOUT THE CAMPUS

The campus stands on the traditional lands of the Mechoopda people, who have contributed to Chico and the University for generations and provide today's students with an opportunity to pursue education in this beautiful place. The campus is an extremely social environment, and with little-to-no sport culture, fraternity is an essential part of student life.

NORTHERN IOWA GOLF OUTING

Brothers from the Northern Iowa (Iowa Chi) chapter organized a golf outing on June 21, 2024.

CREIGHTON CHAPTER WINS BIG

The brothers of the Creighton (Nebraska Iota) chapter were recognized with the Excellence in Recruitment and Excellence in Risk Management awards at Creighton's FSL Awards this past spring.

JUDGE TIM MCCARTHY RECEIVES MEDAL OF HONOR AWARD

Brother Tim McCarthy (Kansas '79) was awarded the Daughters of the American Revolution Medal of Honor on Monday, July 22, at a ceremony attended by several Brothers. This is their most prestigious award and is rarely presented. Judge McCarthy was recognized for his creation in Kansas of a special court to handle Veterans cases dealing with alcohol, drug treatment, and mental health services. Judge McCarthy and his team have produced success – so much so that other states and jurisdictions are calling on Judge McCarthy to help replicate his program.

FANTONE FAMILY IN FLORIDA

Generations of the Fantone family attended the installation of the University of Tampa (Florida Chi) Emerging Chapter, where Ryan Fantone is a member. Ryan celebrated with his father Marc (Central Florida '01), uncle Jeff (West Florida '94) and grandfather John Fantone (South Florida '69), DSA #153.

A wooden plaque with a carved crest featuring a crown and a shield with red and white stripes. Below the crest is a blue banner with white Greek letters. The text "2023-2024 FRATERNITY AWARDS COMPETITION" is overlaid in large white font.

2023-2024 FRATERNITY AWARDS COMPETITION

TRUE GENTLEMAN OF THE YEAR

GRANT REBSTOCK, CLASS OF 2025, IS A PROUD BROTHER OF SIGMA ALPHA EPSILON, HAILING FROM THE NICHOLLS STATE (LOUISIANA CHI) CHAPTER.

The True Gentleman of the Year Award is the highest honor the Fraternity can bestow on a collegiate brother. The award, first given in 2000, is presented annually to an undergraduate who has been determined to be the most outstanding collegiate in Sigma Alpha Epsilon, considering scholastic achievement, fraternity involvement, university leadership, and community service. The True Gentleman of the Year receives a \$5,000 scholarship award, endowed by Warren P. Poslunsy (Kettering '69) to recognize brothers who have demonstrated outstanding leadership and service in the Fraternity.

THE JOHN O. MOSELEY AWARD FOR FRATERNITY ZEAL

recognizes the chapters that best exemplify model chapters in Sigma Alpha Epsilon. Zeal chapters excel in their operations and brotherhood, fulfilling the vision of our Founding Fathers and their members and by living the lives of true gentlemen. These chapters go above and beyond expectations and demonstrate true zeal and excitement for the Fraternity, exhibiting strong bonds of brotherhood. Winning chapters receive a \$5,000 donation to their Chapter Education Funds, endowed by Warren P. Poslusny (Kettering '69) to recognize chapters who have demonstrated outstanding leadership and service in the Fraternity.

Sigma Alpha Epsilon

DISTINGUISHED SERVICE AWARD RECIPIENT

Recognizing a lifetime of service and loyalty to the Fraternity, The Distinguished Service Award is the highest individual award a member of Sigma Alpha Epsilon may receive. Their actions exhibit their understanding of the Fraternity's teachings, adherence to Fraternity Laws, attention to the promotion of its welfare, and exemplary conduct that guards well its honor and high standing.

RICHARD L. SHIPLEY (EVANSVILLE '79) WAS RECOGNIZED WITH THE 162ND DISTINGUISHED SERVICE AWARD.

For more than 40 years, Richard L. "Rick" Shipley (Evansville '79) has served the Indiana Epsilon Chapter and has continuously ushered in generation after generation of True Gentlemen. Brother Shipley never strayed far from the Fraternity after graduation, immediately becoming a Chapter Advisor and joining the Indiana Epsilon House Corporation Board. He still serves as both, in addition to being the Chapter's Alumni Association president and co-chairman of its Alumni Advisory Board. By way of his leadership and guidance, Indiana Epsilon has transformed into one of the most exemplary Chapters in the Realm, recognized by it being a three-time recipient of the John O. Moseley Award for Fraternity Zeal. Most impressively, Brother Shipley has had an unwavering commitment to share his wisdom and knowledge as a Leadership School and Executives Academy facilitator, as well as co-editor of the 2024 edition of *The Phoenix*. The history of Sigma Alpha Epsilon is a deep passion of Brother Shipley, and his collective of artifacts, jewelry and other ΣΑΕ memorabilia is second to none. Honoring that passion, he is chairman of the Fraternity's History and Heritage Committee.

IN THEIR WORDS

Our chapter began in the spring of 2023 with a small group of 16 men who were determined to achieve growth and recognition. One year later we grew to 38 men who have all put incredible effort towards our goal of receiving our charter. We faced many obstacles in the pursuit of our goal, but have great pride in officially receiving our charter and will continue building our chapter no matter the adversity we face. During our chartering weekend this past April, the men of California Eta had a wonderful experience networking with our chapter alumni and staff from the Fraternity Service Center. The weekend began with a barbecue on Friday night, followed by the initiation ceremony and an installation banquet dinner on Saturday, where our charter was presented. We enjoyed the change to meet more alumni and talk about the value our fraternity brings to each of our lives. On Sunday, we wrapped up with our Insignia and all had a great lunch together. It was a rewarding weekend celebrating all of our hard work. Having now more than doubled in member count since the start, we have established ourselves as a positive organization in the community that continues to give back and host meaningful events.

MARCH TO THE MADNESS

SIX WEEKS, 64 CHAPTERS, AND A WHOLE LOT OF COMPETITION

BY TABITHA PARENT

In Spring 2024, Sigma Alpha Epsilon hosted its Sixth Annual March to the Madness, a fundraising competition modeled after the NCAA March Madness basketball tournament. In a bracket-style matchup, 64 Chapters competed to see who could raise the most money for the Annual Loyalty Fund. The Annual Loyalty Fund supports leadership training, educational programs, scholarships, and the upkeep of the Levere Memorial Temple, allocating funding to the areas of greatest need.

“THIS YEAR, CHAPTERS RAISED \$149,017 OVERALL FOR THE ANNUAL LOYALTY FUND, SETTING A NEW FOUNDATION RECORD AND MARKING AN ALMOST 8% INCREASE FROM LAST YEAR’S TOTAL.”

This year, Chapters raised \$149,017 overall for the Annual Loyalty Fund, setting a new Foundation record and marking an almost 8% increase from last year’s total. The total is also a 432% increase since the tournament’s inception in 2019. Since its beginning, hype from the tournament has also helped to bring 815 new donors to the Foundation.

This year’s champion was no surprise, with the No. 1 seeded Oklahoma taking the first place spot, raising \$19,710 in the championship round and \$47,506 throughout the competition overall. Oklahoma is no stranger to the title of Tournament Champion — having taken the first place title for five out of the tournament’s

six-year existence. Oklahoma’s name has been added once again to the M2M trophy displayed at the Levere Memorial Temple in Evanston, IL.

Three other categories allowed opportunities for other Chapters to earn a place on the M2M trophy, including awards for the Tournament Runner-up, Most Unique Donors, and Overall Most Dollars Raised. This year, overall champion Oklahoma took titles for both the Most Unique Donors and Overall Most Dollars Raised. The No. 3 seeded Mount Union claimed the title of Tournament Runner-Up.

Thirty-six winning Chapters also received a percentage of the money they raised for their own Chapter Education Fund. In total, the SAE Foundation awarded \$11,625.50 to Chapter Education Funds, which provide a wide array of educational support to the Chapter, including paying for Leadership School registration costs and awarding academic scholarships.

“IN TOTAL, THE SAE FOUNDATION AWARDED \$11,625.50 TO CHAPTER EDUCATION FUNDS.”

The challenge spurs friendly competition and fraternity engagement between Chapters and alumni, spurred largely by the competition’s spirit of brotherhood and philanthropy.

The SAE Foundation extends a heartfelt thank you and congratulations to all of the Chapters who participated in this year’s March to the Madness. Your generosity and support go a long way toward supporting undergraduate members by providing educational programming and scholarships.

CALL TO ACTION - MARCH TO THE MADNESS NEEDS CAPTAINS!

THE SAE FOUNDATION NEEDS PASSIONATE LEADERS LIKE YOU TO GUIDE YOUR CHAPTER TO VICTORY IN THE MARCH TO THE MADNESS TOURNAMENT. CHAPTERS THAT HAVE A DEDICATED CAPTAIN HAVE A PROVEN TRACK RECORD OF ADVANCING FURTHER IN THE COMPETITION THAN CHAPTERS WITHOUT.

Why Become a Captain?

- **Lead Your Chapter:** Serve as your Chapter's team leader and be the key to their success
- **Spark Enthusiasm:** Rally your Chapter Brothers through emails, texts, calls, and social media
- **Reconnect with Chapter Brothers:** This is a fantastic opportunity to strengthen bonds with your fellow alumni
- **Make an Impact:** Help raise money for educational programming, academic scholarships, and career development opportunities

Get Involved!

If you are ready to get involved and make a meaningful impact, contact us at foundation@sae.net. The SAE Foundation will provide plenty of help and resources to successfully rally your Chapter – **SIGN UP TODAY!**

GARY GARNAND (IDAHO '70)

UNIVERSITY OF IDAHO CAPTAIN, ALONGSIDE DAN ALSAKER (IDHAO '72) & BILL MCCANN (IDAHO '66)

"March to the Madness has been a ton of fun for the Brothers of Idaho Alpha. It has given us a way to engage more people in our chapter and we have actually done some real good for the CEF and the annual fund. As Captain, it's given me a way to reach out to Brothers I haven't talked to for years. Great idea and we look forward to continuing moving up in the future!"

GRANT GIER (NEBRASKA '84)

UNIVERSITY OF NEBRASKA CAPTAIN

"As a Captain for the past five years, it has been exciting to connect with Chapter Brothers from several different decades and feel their competitive enthusiasm as they help financially support the Foundation and our individual chapter as we advance through the brackets. This tourney is a fantastic, creative way to raise much needed funds for our beloved Fraternity through our Foundation."

STEVE MITCHELL (INDIANA '83)

INDIANA UNIVERSITY CAPTAIN, ALONGSIDE DAN ARON (INDIANA '82) & DAVE BARRICK (INDIANA '79)

"March to the Madness is one of my favorite times of the year. It's not just about the competition itself; it's about rekindling friendships that may have been dormant for years. When I reconnect, it feels like no time has passed — a true testament to the unbreakable bond of our brotherhood. Serving as Indiana's captain alongside Dan Aron and Dave Barrick has been an incredible honor. Together, we've shared six unforgettable years leading our Chapter, and that experience has revealed a new layer of M2M. I see firsthand how much pride everyone has in our Chapter, and I'm fueled by that pride, dedicated to supporting the Foundation and bringing home a win together."

IN THEIR WORDS

After reforming in the Fall of 2023, the California Gamma chapter was successfully able to take all necessary steps to receive our charter. Starting with 5 members, our chapter grew to 39 members by the end of our first year on campus. Our highest recruitment priority was bringing in quality and dedicated individuals, and as a product, we have one of the best brotherhoods on the row. During our time as an emerging chapter, we were commended for our performance by USC with awards for Leadership Excellence and Outstanding Chapter President. In addition, our chapter was also presented with the 2023-2024 Henry S. Bunting Emerging Chapter of the Year Award from the Fraternity Awards Competition. As of Fall 2024, we have re-occupied our iconic chapter house on Greek Row, and have already made an impact on USC's fraternity culture. The chartering ceremony and banquet was the culmination of all the hard work put in by our chapter. We were honored to share that experience with the California Gamma alumni, Fraternity Service Center staff members, USC school officials, and friends & family who joined us. We are excited to continue our growth and re-establishment, as we work towards bringing California Gamma back better than ever.

ABOUT THE CAMPUS

The University of Southern California has a rich tradition of excellence. Located in downtown Los Angeles, USC has been Southern California's premier university since 1880. Institutions such as the Marshall School of Business, Dornsife Program, and School of Cinematic Arts are recognized as some of the best, in their respective fields, in the world. In addition, USC students & alumni are connected through the Trojan Family, which stands as one of the strongest collegiate alumni networks. USC's combination of academics, athletics, student life, and career development has solidified it as one of the top Universities in the country.

27TH ANNUAL SOUTHERN MISSISSIPPI REUNION

The 27th Annual SAE Reunion Classic Weekend occurred in Biloxi, Mississippi from May 31 to June 1, 2024. The event brought together a mix of young and older SAE brothers and their wives and friends who gathered for a social evening at Wahoo's Pool Bar in The Palace Casino Hotel. The weekend also featured a round of golf at Shell Landing, followed by a buffet at The Biloxi Yacht Club.

SAN JOSE CLASS OF 2024

These men have done a phenomenal job in their college education, as well as within the fraternity. The brothers of Cal-Zeta would like to acknowledge them for their hard work and dedication!

LOUIS BROWN WINS U.S.G.A. SENIOR AMATEUR

Louis Brown (Georgia '85), became the fifth Georgian to win this prestigious title. He won the 18-hole final at the Honors course in Tennessee on August 29. Louis was varsity golf letterman 1982-85 and team captain in 1985. He was a touring golf professional, achieving tournament victories in three different countries. He was named the 1989 Australian Tour "Rookie of the Year", was a top money winner on the Canadian PGA Tour, and played extensively on the U.S. PGA and Nike Tours.

SAE FOUNDATION ANNUAL REPORT

MISSION STATEMENT

THE SIGMA ALPHA EPSILON FOUNDATION'S MISSION IS TO SUPPORT PHILANTHROPIC EFFORTS THAT LET THOSE WHO RISE ABOVE BECOME THE TRUE GENTLEMEN THEY STRIVE TO BE.

DEAR BROTHERS,

Greetings from the Sigma Alpha Epsilon Foundation. By way of introduction, my name is Tom Kilian. I am a member of the Indiana Sigma Chapter at Indiana State University, Class of 1999.

Over the last twenty years, I have focused my career on fundraising, strategic planning, and foundation infrastructure. In my previous role as the President of the Hamilton County Community Foundation, I oversaw the creation and implementation of two strategic plans, launched a non-profit collaboration Hub in Hamilton County, and increased assets from \$46 million to \$133 million. In addition, I was also the co-creator and President of IMPACT Central Indiana, an organization dedicated to deploying philanthropic capital throughout Central Indiana to address economic development throughout the region.

Currently, I reside in Noblesville, Indiana, with my wife, Jennifer, and girls, Samantha and Ellison.

To the Realm, I am humbled and honored to serve as your President & CEO of the Sigma Alpha Epsilon Foundation. Throughout my undergraduate, graduate, and alumni experience, I have held various leadership roles within the Fraternity and Greek Life eco-system. All of these experiences have played a vital role in my excitement and readiness to lead our Foundation into the future.

This position is an opportunity to give back to an organization that has given so much to me. It allows me to continue positively affecting young men's lives through scholarship, educational leadership, and life-long friendships and networks. In 1995, I was recruited to SAE by a man I still call one of my best friends, and while my college experience involved a lot of different sports and activities, without SAE, I'm not sure when or even if I would have graduated. One thing I am sure of is that I certainly wouldn't have access to the friends and networks that have made me the man I am today.

The SAE Foundation exists to support the educational initiatives of the Fraternity as well as the upkeep and operation of the Levere Memorial Temple. We do this through generous donors like yourself by supporting scholarships, leadership school, and other programs and services focused on making the collegiate experience as fulfilling and rewarding as possible for the men of Sigma Alpha Epsilon. And what better expresses our unity of brotherhood and ritual than the Levere Memorial Temple?

So, what's next for the Foundation? In the coming months, I will work with the Foundation's Board of Trustees to develop a comprehensive strategic plan for the organization. This plan will include strategies to continue providing excellence over the next twenty years of brotherhood. Additionally, we will look at how to sustain and honor the Levere Memorial Temple over the next 100 years, as 2030 will officially represent 100 years of brilliance and brotherhood within its walls.

I encourage each of you to participate in this journey with us. Your time, talent, and treasure are critical to the long-term success of our chapters and the ability to affect positive change at a national level. Change that will allow all young men to experience the life-changing benefits of membership in the network of True Gentlemen, including friendship, educational programs, and leadership skills.

In the Bonds,

A handwritten signature in black ink, appearing to read 'Tom Kilian', with a stylized flourish extending from the end.

Thomas J. Kilian, Jr. (Indiana State '99)

WILLIAM J. MCGARRIGLE (CENTRE '18)
RECIPIENT OF THE W. EMIL FORMAN
AWARD

"This scholarship represents an immense support as I continue to work toward my doctoral degree. As an SAE alum of nearly six years, I feel grateful knowing that SAE continues to invest in my professional development."

ANDREW MILLER (MICHIGAN)
RECIPIENT OF THE WARREN P. POSLUSNY
AWARD

"In just under two years, Sigma Alpha Epsilon has already made me a far better man, given me the opportunity to positively influence my peers, and palpably connected me to a variety of local and national communities. Winning this scholarship validates many hours of hard work and tough decisions on behalf of my chapter. I cannot thank the Foundation enough... it is truly humbling... I have given my heart and soul to SAE, and I have been repaid tenfold, more than I could ever have imagined."

JONATHAN J. NEVENHOVEN (IOWA STATE)
RECIPIENT OF THE WARREN P. POSLUSNY
AWARD

"It is an incredible honor to be selected for this award, which acknowledges my commitment to the highest ideals expressed in 'The True Gentleman.' This creed is not just a guideline but a way of life for me, shaping my actions and decisions daily. Striving to embody these principles has been a significant part of my personal and academic journey. Your investment will significantly support my educational and leadership endeavors, allowing me to focus more on my studies and fraternal responsibilities. I am committed to making the most of this opportunity."

GIVING TUESDAY INTERFRATERNAL CHALLENGE

BIGGER AND BETTER THAN EVER!

Since its inception in 2020, the Giving Tuesday Interfraternal Challenge quickly evolved into an annual competition between Greek-letter organizations to encourage them to raise money for their annual funds. Last year, SAE competed against Alpha Gamma Rho, Kappa Delta Rho, Phi Delta Theta, Phi Kappa Psi, Pi Kappa Alpha, Sigma Chi, and Theta Chi, raising **\$223,136 by 864 generous donors**. This year's competition is fast approaching, see more details below!

2024
MARCH TO THE MADNESS

ANOTHER RECORD-BREAKING YEAR!

This year, Chapters raised **\$149,017 overall for the Annual Loyalty Fund**, setting a new Foundation record and marking an almost **8% increase** from last year's total. Hype from the tournament brought **447 donors** for this year's competition, 81 of which were new this year. For more information, check out the event recap on page 16!

GIVING TUESDAY CHALLENGE

HELP SAE TAKE THE TOP SPOT!

It's back, and it's bigger and better than ever! On **Tuesday, December 3, 2024**, SAE will compete in the fourth annual Interfraternal Giving Tuesday Challenge.

Last year, SAE set a new giving record with \$223,136 raised for the Annual Loyalty Fund, landing us in third place. But this year, we're aiming higher. With all eight of last year's competitors vying for the top spot and new Greek letter challengers ready to shake things up, the competition will be fierce.

Let's seize this moment to help SAE set a new giving record and claim the title of challenge winner —
DONATE NOW!

FY24 ANNUAL REPORT

SIGMA ALPHA EPSILON FOUNDATION

BOARD OF TRUSTEES

Les Ireland (Towson '86)

Les joined the Board of Trustees in November 2019 and is the Chairman. He is a Strategic Consultant.

Dan Alsaker (Idaho '72)

Dan joined the Board of Trustees in January 2022 and is the Vice Chairman. He is the President of Broadway Group.

Scott Pointner (Indiana '90)

Scott joined the Board of Trustees in April 2021 and is the Secretary and General Counsel. He is a partner at Rathje Woodward LLC.

Henry Beattie (Mississippi State '77)

Henry joined the Board of Trustees in September 2022 and is the Scholarship Commission Chair. He worked as a Certified Public Accountant, was the CEO of a 100-location drug store chain, and was President of Baker/Automated Prescription Systems, Inc. He is now enjoying retirement.

Stephen Burt (Indiana '87)

Steve joined the Board of Trustees in May 2021 and is the Investment Commission Chair. He is the Managing Director and Global Head of M&A Advisory Practice for Kroll and the President of Kroll Securities, LLC.

Debashis Chowdhury (Minnesota '98)

Debashis joined the Board of Trustees in August 2020 and is the Nominating Committee Chair. He is the President of Canterbury Consulting.

Jack Counts (Oklahoma '68)

Jack joined the Board of Trustees in October 2019. He is the Founder and CEO of Candid Color Systems.

Grant Gier (Nebraska '84)

Grant joined the Board of Trustees in July 2019 and is the Audit Committee Chair. He works as a Business, Estate and Wealth Management Advisor with Northwestern Mutual.

Graham Hill (Texas-Austin '68)

Graham joined the Board of Trustees in September 2022. He practiced civil trial law for almost 40 years and is now enjoying retirement.

Thomas C. LaMantia (Arizona '87)

Tom joined the Board of Trustees in September 2017. He is an entrepreneur and Certified Information Security Professional.

Bo Sederstrom (Northern Arizona '83)

Bo joined the Board of Trustees in April 2021. He is the Senior Vice President of Citywide Commercial Real Estate.

Matthew Weinstein (Northern Iowa '94)

Matt joined the Board of Trustees in September 2022 and is the Alumni Association Committee Chair. He is the National Sales Director for Abbott.

HONORARY TRUSTEES

Joe Anderson (Kentucky '81)

Joe became an Honorary Trustee in May 2024.

John Perry (DePauw '85)

John became an Honorary Trustee in May 2024. He is the President and Principal Consultant for Engaged Generosity - Advisers in Philanthropy.

TRUSTEES EMERITI

Gregory D. Beltran (UC-Berkeley '78)

Greg joined the Board of Trustees in July 2013 and became a Trustee Emeritus in June 2021. He was a General Partner and a management and technology consultant for Accenture.

M. Todd Buchanan (Southern Mississippi '90)

Todd joined the Board of Trustees in July 2011 and became a Trustee Emeritus in June 2021. He is the CEO of World Financial Group.

Robert Dickinson (Stanford '86)

Bob served on the Board of Trustees from 2001-2005 and became a Trustee Emeritus in July 2022. He is a Managing Director for BDC Advisors.

Lloyd Everson (North Dakota '65)

Dr. Everson served on the Board of Trustees from 2007-2020 and became a Trustee Emeritus in July 2022. He is an accomplished Oncologist and Hematologist.

Curtis R. Fraiser (Arizona State '77)

Curtis joined the Board of Trustees in July 2013 and became a Trustee Emeritus in June 2021. He spent 30 years with Shell Oil Company in a variety of positions, including Executive Vice President & General Counsel. He is now enjoying retirement.

Edwin D. Fuller (Boston '68)

Ed joined the Board of Trustees in 2011 and became a Trustee Emeritus in June 2021. He is the co-founder and President of Laguna Strategic Advisors.

Gary L. Garnand (Idaho '70)

Gary served on the Board of Trustees from 1995-1999 and became a Trustee Emeritus in July 2022. He is the President & CEO of Garnand Marketing.

Tom Hayward (Northwestern '62)

Tom served on the Board of Trustees from 2004-2013 and became a Trustee Emeritus in July 2022. He is also a Northwestern Life Trustee and a retired attorney.

Fred Kleisner (Michigan State '66)

Fred joined the Board of Trustees in October 2017 and became a Trustee Emeritus in July 2024. He is an Independent Director of several public and private equity companies, including Ashford Hospitality Trust, Athora Holdings LTD, Bermuda, and NR International.

Dean K. Morell (Oregon '79)

Dean joined the Board of Trustees in 2013 and became a Trustee Emeritus in June 2021. He is a Market Director for JP Morgan.

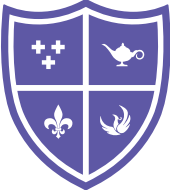

James R. Mountain (Montana '81)

Jim joined the Board of Trustees in 2014 and became a Trustee Emeritus in July 2022. He is the Chief Financial Officer for ARMOUR Residential REIT, Inc.

Robert H. Watts (Boston '68)

Bob joined the Board of Trustees in 2014 and became a Trustee Emeritus in July 2022. After 38 years with John Hancock Financial, Bob started his own consulting business. He is now enjoying retirement.

SAE FOUNDATION

SCHOLARSHIP PROGRAM

The SAE Foundation awards merit-based scholarships to undergraduate and graduate students. These scholarships recognize the highest standards of the Fraternity's values: Friendship, Scholarship, Leadership, and Service.

The SAE Foundation Board of Trustees and Scholarship Commission proudly announce the 2024 merit-based scholarship recipients. These students excel in their academic pursuits and their accomplishments earn recognition among their peers. We thank our generous donors who make these scholarships possible!

ARYAN GARUBACHARYA
DEPAUW UNIVERSITY
RECIPIENT OF THE CHARLES COLLINS AWARD
Majors: Computer Science & Economics
Hometown: Kathmandu, Nepal
Hobbies: Soccer & Stock Market Analysis

“

I was drawn to Sigma Alpha Epsilon because of its strong sense of brotherhood and its emphasis on leadership and personal development. Receiving the scholarship for two consecutive years has been incredibly impactful as it allowed me to focus on my academic endeavors and leadership commitments without the constant worry of finances.

After graduation, I plan to pursue a career in a finance-tech company, leveraging my skills in economics and computer science to drive innovation and solve complex financial problems. Sigma Alpha Epsilon has not only supported my academic and career endeavors but has also instilled in me a sense of commitment to service and leadership through philanthropy commitments like Paddy Murphy Week that I plan to carry forward in the future.

MARCUS SANTAMARIA
UNIVERSITY OF HARTFORD
RECIPIENT OF THE RICHARD GENERALLY LEADERSHIP AWARD
Majors: Exercise Science - Pre-Physical Therapy Track
Hometown: Deep River, CT
Hobbies: Golf, Basketball & Weightlifting

“

My interest in joining Sigma Alpha Epsilon stemmed from the close-knit brotherhood that I observed as a potential new member. While at school, this brotherhood began to feel like a family I could rely on and grow with. While in the chapter, I have proudly been able to contribute as Recruitment Chairman, Eminent Treasurer, and our IFC Representative.

Being able to receive this scholarship has been instrumental in financing my education and relieved a significant burden. Following my undergraduate degree, I plan on attending the University of Hartford for their Doctor of Physical Therapy program.

CHASE KELLEY
UNIVERSITY OF PENNSYLVANIA
RECIPIENT OF THE G. ROBERT HAMRDLA AWARD
Majors: Political Science & History
Hometown: Mattawan, MI
Hobbies: Soccer, Tennis, & Photography

“

I joined Sigma Alpha Epsilon to cultivate a sense of community on campus. As a triplet, I grew up surrounded by two built-in best friends, and starting university was my first experience of being on my own. After meeting the members of SAE, I instantly recognized it as a welcoming and dynamic community.

The influence of SAE will extend well beyond my university years. The relationships I've built through this Fraternity have been transformative; I've formed some of my closest friendships here. Moreover, the moral foundation instilled in me as an SAE Brother is something I will carry with me throughout my life.

ARE YOU ATTENDING COLLEGE OR GRADUATE SCHOOL IN FALL 2025?

APPLY FOR AN SAE FOUNDATION SCHOLARSHIP BY FEBRUARY 1, 2025!

\$114,300 will be awarded. Scholarships range from \$1,000 - \$10,000.

Requirements:

- Be an SAE member in good standing
- Attend college or graduate school in the **2025-2026** Academic Year
- Have a **3.0 cumulative GPA** or higher

For more information, visit sae.net/foundation/scholarship-program/

WELCOME BACK TO THE REALM, VANDERBILT UNIVERSITY (TENNESSEE NU)!

IN THEIR WORDS

The Emerging Chapter of Sigma Alpha Epsilon at Vanderbilt University was founded in January 2023 by 42 dedicated men united by a shared vision and commitment to brotherhood and tradition. The chapter continued to grow with the successful addition of 35 new brothers in January 2024, bringing membership to 72 by the time of Chartering. Our chapter takes pride in our philanthropic, academic, and social initiatives. We partnered with a stand-up comedy group for a performance at our Chapter House in March 2024, donating all proceeds to Children's Miracle Network Hospital. Additionally, our members actively volunteer at Second Harvest Food Bank, and one brother matched with a patient through the National Marrow Donor Program (NMDP). Academically, we take pride in holding the highest GPA among all Greek organizations at Vanderbilt. Receiving the official charter after 20 months of relentless effort was an unforgettable experience. Holding the charter in our hands symbolized more than just membership; it was a testament to our resilience and shared vision. It affirmed our dedication and marked the beginning of a new chapter in our legacy, knowing we had created something truly meaningful.

ABOUT THE CAMPUS

Vanderbilt University, located in Nashville, Tennessee, is a top private research institution ranked 14 by U.S. News & World Report in 2024. Vanderbilt University's campus spans 333 acres in the heart of Nashville, Tennessee, featuring a blend of historic and modern architecture, green spaces, and is also designated as a national arboretum due to its extensive tree collection. With around 7,000 undergraduates, Vanderbilt offers strong academic programs across 10 schools and is known for its research, interdisciplinary focus, and vibrant campus life.

FROM BROTHERHOOD TO FATHERHOOD

Alumni brothers from Nevada-Reno gather to share in the joys of fatherhood and celebrate Adam Simpson's daughter's first birthday in Las Vegas. Pictured left to right: Scott Apple '10, Adam Simpson '10, Phil Lee '09, Dustin Jones '09, and Stephen Pickering '10.

USC CHAPTER AWARDS

After a successful first year back on campus as an Emerging Chapter at the University of Southern California, the brothers of California Gamma were recognized with the Outstanding Chapter President and Leadership Excellence awards from the FSLD.

BILETNIKOFF AWARD

Biletnikoff Award Founder and Chairman Walter Manley II (Florida Southern '69) presents the most beautiful trophy in college sports to 2023 Biletnikoff Award winner & unanimous first-team All-America receiver Marvin Harrison, Jr., of Ohio State, as keynoter and 1996 Heisman Trophy winner Danny Wuerffel looks on, at the 30th Annual Biletnikoff Award Banquet. The black tie celebration with 600 patrons was held on March 9 at the Dunlap Champions Club at Tallahassee's Doak Campbell Stadium. The Foundation, the only all-volunteer college football award, has provided over five million dollars in college scholarships to 310 North Florida high school seniors who have overcome significant challenges to achieve at the highest academic and extracurricular levels since its founding by Walter in 1994.

THREE GENERATIONS OF MISSOURI EMINENT ARCHONS

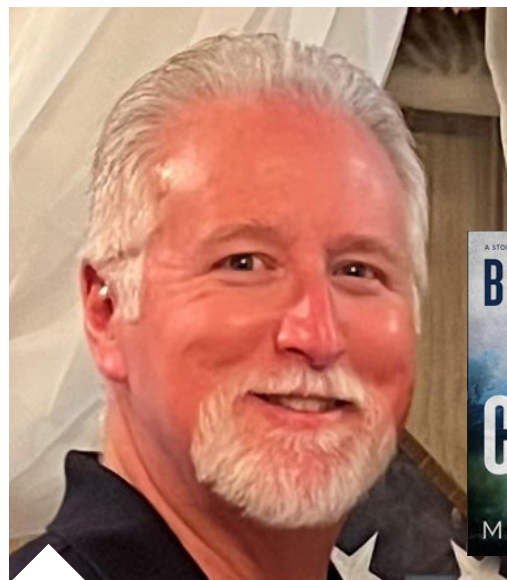

In the almost 170 years of our Order, there have been many family members join their brothers and their cousins in the Fraternity. While we know sons have followed their fathers, at one Chapter, this goes even further as we found a father, son, and grandson as members... and they all served as Eminent Archon.

Missouri Alpha at the University of Missouri in Columbia was chartered on May 27, 1884. Fast forward 36 years, and Kansas City native, Joseph W. Kessinger (Missouri-Columbia 1920), was there, serving as Eminent Archon. Joseph proudly watched his son, William "Bucky" Kessinger (Missouri-Columbia '56), join the Chapter and also serve as Eminent Archon prior to his graduation. These two joined multiple father/son legacies, but legacies whom also served as Eminent Archons are seldom found. Further, when Joseph M. Kessinger (Missouri-Columbia '81) enters Missouri-Columbia and joins SAE, a three-generation legacy is established. Joseph Jr. is also elected Eminent Archon, and established the truly unique legacy of three generations of Eminent Archons in one family.

DEPAUL INITIATION

Congratulations to these men on being initiated into Sigma Alpha Epsilon! We see a bright in each of these gentlemen and are excited to see how they will contribute to our chapter.

MIKE BERTOK RELEASES DEBUT NOVEL

Brother Mike Bertok (Bradley '85), author and columnist (mikebertok.com), has published his first novel, *Breaking The Chain*—a story about friendship, life, and football. While the book is not about a fraternity, the SAE values, such as a lifelong commitment to friendship, are infused throughout the story.

MINERVA'S DEVOTED SON

THE STORY OF J. CLARKE HOUSTON III

BY HOLCOMBE ROLADER (LOUISIANA STATE '21)

MINERVA'S DEVOTED SON

Dedication is often a relative concept, and one that can be hard to gauge when looked at objectively. What might seem like a trivial pursuit to some can mean the world to others, and changemakers throughout history have had different definitions of what dedication looks like and where it is best applied. Yet, when judged simply, dedication is measured by the age-old mantra of "you get out what you put in". Something that is being supported and fully embraced will reward the individual ten times over, and there is no better example of this philosophy than brother J. Clarke Houston III (Colorado State '66) and his contributions to Sigma Alpha Epsilon.

FROM OBSCURITY TO BRIGHTNESS

Clarke is a native Coloradan, and even in his youth was inclined to dedicate himself wholeheartedly to worthwhile causes. Through the guidance and example of his brother, Clarke was shaped by a sense of duty early in his life. Ten years his senior, his brother had joined SAE and performed well during his time in Fort Collins, eventually serving in the United States Marine Corps with distinction. Seeing the strong example in front of him, Clarke chose to follow the same path, though it would take him in a different direction.

Colorado
State
(Colorado
Delta)
Chapter
House.

After joining Colorado Delta at Colorado State University in 1962, Clarke quickly engrossed himself in the brotherhood and its offerings. Clarke served on the executive council of his chapter in multiple roles, including Eminent Recorder and Preceptor. He was also an advocate for military service, planning to follow his brother to Officer Candidates School (OCS), and encouraged others to do the same. This was an incredibly bold stance at the time, considering the looming Vietnam war and the uncertainty the American public felt about it. Yet, despite walking alone, Clarke marched onward, setting a good example for his peers and demonstrating his character all the while.

Upon reflection of his time at CSU, there are certain memories that frequently come to mind. Clarke fondly remembers his time in the Chapter House, living with almost 30 other brothers under the same roof. More notably, the chapter house had a unique layout for residents, with the vast majority of the brotherhood sleeping in a large, bunk style room that housed the majority of residents. This room was also not well insulated, resulting in the windows being constantly open in both summer and winter. Resembling a barracks he would one day live in, Clarke loved being that close with his brothers and spending time together, no matter the activity. He also enjoyed seeing the 90 man brotherhood come together each Monday night for chapter, discussing the business of the day and planning out the good times ahead. He would also meet his lovely wife there, but there's more to that story later.

In following his brother's footsteps, Clarke was molded much the same way and held similar beliefs. By the time his next great calling arrived, Clarke was a grown man and a college graduate, ready to take on the world. Little did he realize that his next great undertaking would happen thousands of miles away, in a place called Vietnam.

FROM FORT COLLINS TO SOUTHEAST ASIA

Clarke wasted no time between his undergraduate days and the genesis of his career. From Fort Collins he went directly to Quantico, where he would begin his OCS courses and prepare for military life. Clarke excelled in his duties and found himself well adapted for military life, harking back to his brother's strong example of leadership and dedication.

Before long Clarke was in the communication school, a specific concentration within OCS focused on long distance radios and general organization of large numbers of troops. Like in school, Clarke did well here too, and before long he had completed his studies and prepared for assignment within the USMC. He was assigned to the Marine Force Pacific, which almost certainly meant going to Vietnam and being near the action. While many might have hesitations about such a dangerous undertaking thousands of miles from home, Clarke did not share these. Before long, he was on the ground, ready to demonstrate his zeal for yet another worthy cause.

While in Vietnam, Clarke started off as a watch officer, but quickly worked his way up to managing a Radio Relay Platoon. His core duties in this position focused on organizing large numbers of men, specifically operators, fixers, and general support, as well field radios assigned to regular infantry. This is no easy task, especially as the chain of communication could be easily broken, or potentially intercepted by the enemy. He also had to deal with the high price that comes with combat, including losing friends and colleagues frequently. Despite the hardship, Clarke managed well and served with distinction and eventually rotated back to the US. After 395 days in South Vietnam, Clarke had managed to come back alive and richer

in his experience, ready to take any challenges ahead of him. He promptly married his college sweetheart in San Francisco, and served out the remainder of his term with the Marines in San Diego. Following an honorable discharge, Clarke and his wife returned to their native Colorado, ready for their next adventure together.

Clarke and his wife, Linda, at the 167th Anniversary Convention in St. Louis, Missouri in 2023.

A NEW CHAPTER: BUSINESS AND FAMILY

Back in Colorado, Clarke entered the insurance industry, following his brother's career path. He quickly found success,

eventually purchasing and expanding a thriving insurance practice with his brother. Over nearly 30 years in the business, Clarke demonstrated the same dedication to his work and growing family that he had shown in his earlier endeavors. Despite his busy life, Clarke never forgot his connection to SAE.

BACK INTO THE FOLD: THE RISE OF A NEW LEADER WITHIN SAE

Clarke's reintroduction to the brotherhood happened somewhat by accident, but this happy coincidence would end up being a pivotal moment in his life. At the time, Clarke was back in Colorado working in insurance, the year was 1979. Clarke was serving on his province council as Deputy Province Archon for Province Eta, yet internally he felt there was more he could do. When the Province Archon had a conflict and was unable to attend a meeting at the Temple in Evanston, Clarke quickly volunteered. And so, almost by accident, Clarke was back amongst the leaders of SAE, but this time on a much grander scale. Just like in the chapter house, Clarke felt everything just "click", and this sense of belonging and dedication would propel him to new heights.

After some time, and with the encouragement and blessing of both his family and friends, Clarke decided to run for the Supreme Council. This is by no means a small undertaking, and would take up much of his spare time with travel, meetings, training, leadership school, and so much more. Yet, despite the requirement, Clarke felt called to again dedicate himself to the brotherhood and the cause in which he believed. He would go on to win his seat on the council that year, kicking off over four decades of service to the fraternity, including the lofty title of Eminent Supreme Archon.

Upon his election to ESA, Clarke went to visit the previous ESA at his home to swap ideas and advice. While there, he noticed that the previous ESA had a board with pins showing the many schools and

1985 Supreme Council

chapters he had visited during his term. This inspired Clarke, and he resolved to do something similar for himself in marking the places he had been. He settled on university branded beer mugs, as they were unique to each school and a fun novelty keepsake. Little did he know it, but this would be the first of many gifts that SAE would give to him, and that he was currently returning to the brotherhood.

A GROUNDSWELL OF MOMENTUM: LEADERSHIP AND COLLECTING

Clarke's service to SAE reached new heights upon his election to ESA. Not only was he an active leader and a noteworthy innovator during his Service, he was also known to be very approachable and involved with the brotherhood. He attended conventions, National Leadership Schools, province leadership schools, the openings of chapter houses, and a litany of other events as the penultimate representative of the brotherhood. He particularly reflects fondly on the installations of new chapters, and relished in his role of leader and steward of the order. He led the Fraternity through it's celebration of the 75th year of leadership school. He was a favorite of the brothers as well, and this would go on to show itself in a number of ways even after his term as ESA ended.

Clarke and Father Bob Hedges (Drake '53).

MINERVA'S DEVOTED SON

For one, the legend of his collecting mugs had spread within the brotherhood, and brothers, chapters, and alumni from universities around the country gave him these mugs upon either his visit or through the mail. Over time, they swelled into the hundreds, and could be displayed like books on shelves taking up entire walls. He collected a variety of different universities and styles, including a great number of the rare and extremely ornate Eric P Mihan Beer Steins. These were only made by hand and by order, and Clarke likely ended up with a large share of the extant number of Mihan beer steins. This secondary collection spawned during the installation of the Princeton SAE in 1983, in a rare and fun synergy of both his collection and his love of the brotherhood.

Houston Family: Linda, Jason, Clarke, brother Bill, and Gregory

Past ESA Houston and Past ESA Ben Allen (Miami [OH]'60) during dedication.

Secondly, and much more importantly, the Fraternity has begun to correctly recognize and reward Clarke for his lifetime of dedication to the brotherhood. He was the model for the Vietnam War Memorial bust, dedicated to brothers who made the ultimate sacrifice during that war. He was recognized at a number of conventions, and was even got to watch his two

sons join the brotherhood as well. After a lifetime of dedication and service, the Fraternity could only begin to repay Clarke for his contributions. Yet, Clarke never asked for this, and even still tries to live by the motto of "If you are good to SAE, it'll be good to you". This phrase and his embrace of the concept are exemplary, and Clarke continues to demonstrate it.

Initiation group for Greg and Jason.

Photo credit: Stan Strom (Arizona State '82).

Clarke has recently gifted his entire collection of both Steins and mugs to the fraternity, and they are now all located (and soon to be displayed) in the Levere Memorial Temple.

"IF YOU ARE GOOD TO SAE, IT'LL BE GOOD TO YOU."

Clarke speaks during the 167th Anniversary Convention in St. Louis, Missouri in 2023.

INNER CIRCLE 2024

In April 2024, the SAE Inner Circle was a transformative all-expense-paid weekend at Running Hare Vineyard, bringing together 30 collegiate leaders with influential mentors, including four Supreme Council members, two Past Eminent Supreme Archons, and more. It was a valuable opportunity for growth and networking!

OLE MISS SAE RECEIVES LIFETIME ACHIEVEMENT AWARD

Curtis Wilkie (Mississippi '62) and his daughter, Leighton, after he received the Lifetime Achievement Award from the Mississippi Institute of Arts and Letters in Jackson, Mississippi.

ALUMNI CLUB OF NAPLES END-OF-SEASON GATHERING

On March 27, the SAE Alumni Club of Naples held its annual End of Season gathering, a picnic hosted by Frank Ginocchio (Northwestern '66) at Moorings Beach Chickee Hut.

DONOR HONOR ROLL

THIS LIST REFLECTS DONATIONS RECEIVED BETWEEN JANUARY 1 AND JUNE 30, 2024, AND ALL LIVING FOUNDERS' CIRCLE AND HERITAGE SOCIETY DONORS.

The Sigma Alpha Epsilon Foundation recognizes individuals who show their support by making a financial gift to the Fraternity. With support from our generous donors, SAE provides educational and leadership opportunities to undergraduate members and academic scholarships to students across the Realm. This list is organized alphabetically by collegiate institution.

For more information about the SAE Foundation and a complete list of donors, visit: sae.net/foundation/

FOUNDERS' CIRCLE

Donors with these icons are members of the Founders' Circle, a cumulative giving society to acknowledge donors who have made significant contributions throughout their lives. The Foundation is honored to recognize our time-honored donors through the following Founders' Circle levels:

- Silver: \$5,000-\$9,999
- Gold: \$10,000-\$24,999
- Pearl: \$25,000-\$49,999
- Amethyst: \$50,000-\$74,999
- Onyx: \$75,000-\$99,999
- Ruby: \$100,000-\$149,999
- Aquamarine: \$150,000-\$249,999
- Emerald: \$250,000-\$499,999
- Sapphire: \$500,000-\$999,999
- Diamond: \$1,000,000+

ARCHON CIRCLE

Donors with these icons are members of the Archon Circle, which recognizes individuals who give \$500 or more to the Annual Loyalty Fund each fiscal year. The SAE Foundation is honored to recognize these donors through the following Archon Circle levels:

- Chronicler: \$500-\$999
- Herald: \$1,000-\$2,499
- Warden: \$2,500-\$4,999
- Archon: \$5,000-\$9,999
- Minerva: \$10,000-\$24,999
- Phi Alpha: \$25,000+

PHOENIX CIRCLE

Donors with these icons are members of the Phoenix Circle, a giving society for recurring donors. Donors with the gold icon are Phoenix Level members of the Phoenix Circle, donating \$1,856.00 or more each year.

PHI ALPHA CLUB

Donors with this icon are members of the Phi Alpha Club, an exclusive giving society for undergraduate members.

HERITAGE SOCIETY

Donors with this icon are members of the Heritage Society, a giving society to acknowledge donors who have included the SAE Foundation in their estate plans.

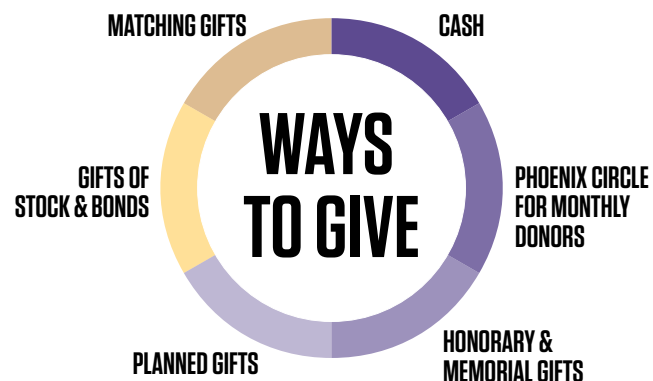

DECEASED DONOR

Donors with this icon contributed to the SAE Foundation between January 1 and June 30, 2024, and have since joined Chapter Eternal. We are forever grateful for their support and dedication to Sigma Alpha Epsilon.

FIRST-TIME DONOR

Donors with this icon made their first charitable contribution to the SAE Foundation between January 1 and June 30, 2024. We welcome them to the distinguished community of SAE Foundation Donors.

Each giving society comes with special recognition and perks! For more information, please visit sae.net/foundation/.

ΣAE SILENT AUCTION

The SAE Foundation hosted their second Virtual Silent Auction in June 2024. Thanks to the generosity of our alumni, over \$33,500 was raised for the Annual Loyalty Fund, which supports educational programs, scholarships, professional development opportunities, and the preservation of the Levere Memorial Temple.

CALL FOR AUCTION ITEMS

Help make the next auction a success! Consider donating an auction item or experience. Donors of items will receive an in-kind donation towards their lifetime giving equal to the fair market value of the item donated. To donate, contact foundation@sae.net.

Suggested Ideas:

- Rounds of Golf
- Vacation homes
- Sports tickets
- Wine tastings
- SAE keepsakes
- Autographed memorabilia

ORDER OF THE PHOENIX RECIPIENT

Congratulations to Brother Jacob Warner (Frostburg State) for receiving The Order of the Phoenix in recognition of his stem cell donation in partnership with NMDP. The Order of the Phoenix is the highest level of recognition that a collegiate member can receive!

NICHOLLS STATE BID DAY

Making memories, one bid at a time.

OKLAHOMA ALUMNI REUNION

On September 20, 2024, more than 60 alumni members of the University of Oklahoma (Oklahoma Kappa) and their wives met for a reunion. Classes represented were from 1965 to 1973.

**"SIGMA ALPHA EPSILON IS PROUD IT DID ITS SHARE IN
THIS ATHLETIC FESTIVAL OF WORLD CONSEQUENCE."**

[The writer of this article, Brother Macdonald, is too modest to tell of the wonderful work, he himself did, as a member of the 1,600 meter relay race, which won for America, the world's record time. After the Olympics were over the American team was divided into smaller teams, going to London, Paris, and Budapest. Brother Macdonald went to London and ran the 1,400 meter races and

The following will furnish the necessary data:

1—J. Alfred LeConey of the Sigma Alpha Epsilon chapter at Lafayette College, member of the four hundred meter relay team which won the world's championship.

2—Merwin Graham of the Sigma Alpha Epsilon chapter at the University of Kansas, competitor in the hop, step and jump.

2—Merwin Graham of the Sigma Alpha Epsilon chapter at Pennsylvania State University, Allentown, Pa., is the light heavyweight boxer.

From the Archives: SAES AT THE PARIS 1924 OLYMPICS

BY J. OLIVER MACDONALD (LAFAYETTE 1926)

[The writer of this article, Brother Macdonald, is too modest to tell of the wonderful work, he himself did, as a member of the 1,600 meter relay race, which won for America, the world's record time. After the Olympics were over, the American team was divided into smaller teams, going to London, Brussels, Vienna and Budapest. Brother Macdonald went to Vienna and Budapest. In Vienna he won the 100 and 400 meter races and was on the two winning relay teams. Sigma Alpha Epsilon is proud it did its share in this athletic festival of world consequence.—Editor William C. Levere.]

Sigma Alpha Epsilon was in the Olympian games at Paris as this good old fraternity is in everything great and important and the sons of the goddess Minerva did their best to acquit themselves with credit. We have just arrived back in America in these late August days and the editor has asked me to make a statement of S. A. E.'s participation in the great world games.

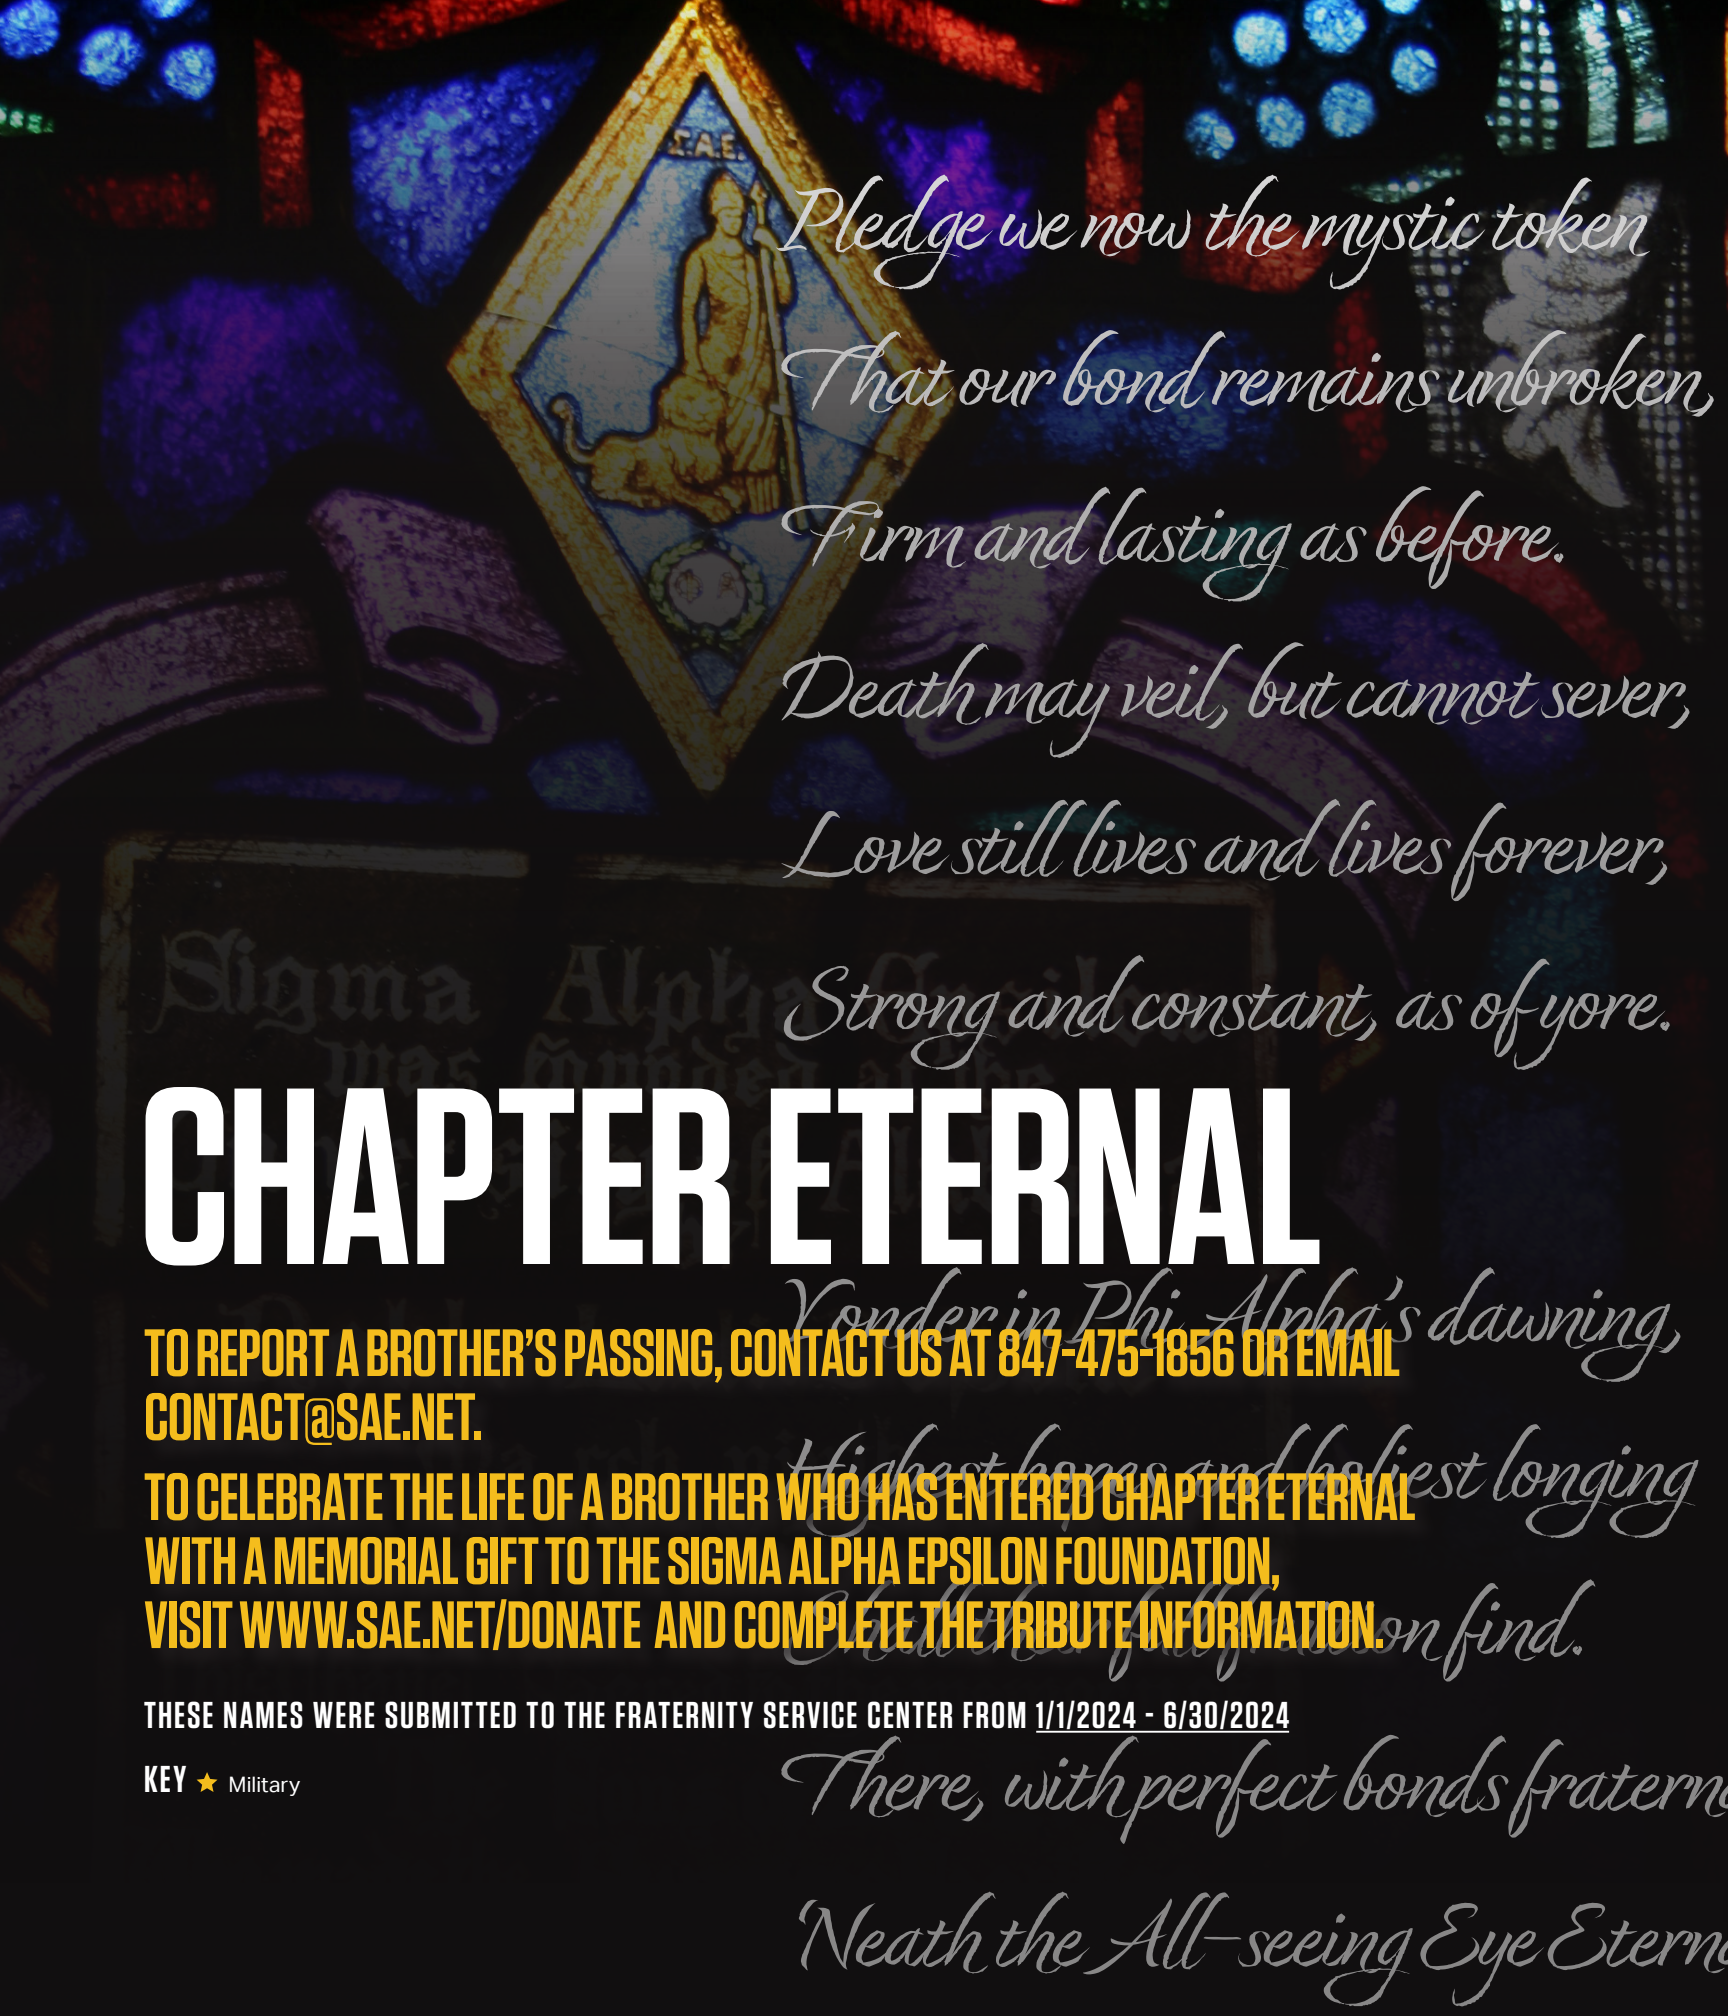

The following will furnish the necessary data:

1. J. Alfred LeConey of the Sigma Alpha Epsilon chapter at Lafayette College, member of the four hundred meter relay team which won the world's championship.
2. Merwin Graham of the Sigma Alpha Epsilon chapter at the University of Kansas, competitor in the hop, step and jump.
3. Carl Madera, of the Sigma Alpha Epsilon chapter at Pennsylvania State College, heavyweight boxer.

4. J. Oliver Macdonald, of the Sigma Alpha Epsilon chapter at Lafayette College, now of the University of Pennsylvania, member of the sixteen hundred meter relay team which won the world's championship, setting a new world's record.
5. Earle Wilson of the Sigma Alpha Epsilon chapter at the University of Southern California, competitor in the hop, step and jump.
6. Oliver Horn of the Sigma Alpha Epsilon chapter at Washington University, St. Louis, competitor in water polo.

We were all wonderfully proud of the great showing made by Brother "Al" LeConey, who ran anchor man on the four hundred meter relay, which broke the world's record, negotiating the distance in 41 seconds as against the previous record of 42 2-5 seconds. In England, LeConey also ran on the relay team, which broke the world's record for 400 yards in the time of 37 4-5 seconds, the previous time being 39 seconds. In France it was LeConey's great running that practically won the race. Lanson Robertson, head Olympic coach, said, "LeConey ran so fast, the timers could not time him accurately."

Many times after we finished training, the S. A. E.'s could be seen at a table in congenial fellowship, and it was also our good fortune to see some of France together.

*Pledge we now the mystic token
That our bond remains unbroken,
Firm and lasting as before.
Death may veil, but cannot sever,
Love still lives and lives forever,
Strong and constant, as of yore.*

*Vonder in Phi Alpha's dawning,
Highest hopes and holiest longing
Children full of faith and find.
There, with perfect bonds fratern
'Neath the All-seeing Eye Etern*

LOREN JAMES BOONE (SOUTH DAKOTA STATE '72)

Loren Boone entered the Chapter Eternal on May 4, 2024, at the age of 74. Brother Boone was a February 27, 1971, Charter Initiate of the South Dakota Theta Chapter, and wrote the chapter newsletter as a collegiate member.

After graduating, he served as South Dakota Theta's Chapter Advisor from 1973 to 1989, during which he created the Chapter's Dollar-A-Year Club, chartered its Alumni Association, and served two terms as House Corporation President. Boone served 15 years on Province Tau's Council and 10 years as Province Archon. He was a faculty member for eight Leadership Schools and served as chairman of SAE's Member Education Committee.

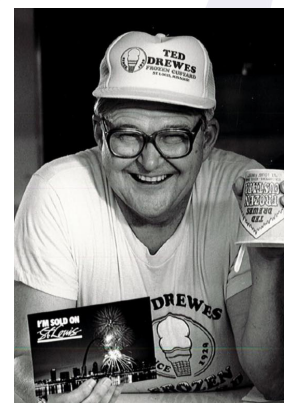

At Sigma Alpha Epsilon's 165th Anniversary Convention on July 17, 2021, Boone was presented with SAE's highest recognition, the Distinguished Service Award, for his commitment and service to the Fraternity. He previously was recognized with the Merit Key Award and was a True Gentleman to his core.

THEODORE R. "TED" DREWES, JR. (WASHINGTON [MO] '50)

Theodore R. "Ted" Drewes, Jr. entered the Chapter Eternal on August 26, 2024 at the age of 96.

For more than 90 years, Ted Drewes Frozen Custard has been St. Louis's standard bearer for frozen custard, since Ted Sr. opened his first store in 1929. In 1985, Ted Drewes, Jr. expanded the size of the Chippewa location from five serving windows to twelve. By using the motto, "Our Business Is Service", he continues to inspire four generations of family members and employees to work hard and pay close attention to the details of the business. For St. Louis natives as well as tourists passing through the "Gateway to the West," the appeal of Ted Drewes Frozen Custard's bright yellow cup, cheekily placed upside-down with its spoon suspended in midair continues to flourish and be celebrated.

At the 167th Anniversary Convention held in St. Louis in June 2023, Ted Drewe's famous frozen custard was donated to the convention and enjoyed as dessert during the Closing Banquet. In recognition of his generous support of the convention and his achievements in the restaurant and hospitality industry, Ted was presented with The Highest Effort Award and a Certificate of Appreciation.

WILLIAM F. "BILL" LOHRER (OHIO '61)

William F. "Bill" Lohrer joined the Chapter Eternal on February 19, 2024 at the age of 84. He spent his entire career in journalism, including news reporting and public relations, and served 21 years as manager of advertising at Hobart Corporation in Troy, Ohio. In advance of the August 1965 issue of *The Record*, Brother Lohrer became Associate Editor, and at that time he also was the Managing Editor of *The Ohio University Alumnus* magazine. He was Associate Editor of *The Record* for seven years, ending his tenure with the Spring 1972 issue. After stepping down as Associate Editor, he became the Province Delta Archon. Brother Lohrer had a prolific volunteer résumé serving a number of nonprofit and community organizations in Troy, Ohio.

In the November 1972 issue of *The Record*, the late Jack R. Hotaling (Syracuse '53), Eminent Supreme Recorder at that time, wrote, "Beginning with this number, editorial responsibility is being moved to the National Office. We gratefully acknowledge the fine work of Associate Editor William F. Lohrer, Ohio University '61 (Ohio Gamma), for his untiring efforts on behalf of *The Record* for the past seven years. An often-times thankless job and one that required almost all of his spare time, Brother Lohrer edited the magazine with skill and sensitivity."

DAVID H. PRYOR (ARKANSAS '56)

Former U.S. Senator David H. Pryor entered the Chapter Eternal on April 20, 2024, at his home in Little Rock, Arkansas, at the age of 89.

After earning his degree from the University of Arkansas, Pryor married Barbara Jean Lunsford and moved to Camden. The couple formed a dynamic duo, acting as a single force that would serve as the blueprint throughout their rise in Arkansas and national politics. Pryor earned his law degree from the University of Arkansas in 1964.

At the age of 26, Pryor won a seat in the Arkansas House of Representatives, marking the beginning of a political career that spanned over three decades. His journey was marked by various offices, including State Representative, U.S. Congressman, 39th Arkansas Governor (1974-1978), and U.S. Senator. He lost only one of 13 elections for public office. This remarkable achievement is a testament to his popularity and unwavering dedication to public service, leaving an indelible mark on Arkansas politics.

LEADERSHIP & SERVICE

SAE'S COMMITMENT TO SAVING LIVES WITH NMDP

Brothers at SAE chapters across the country are showing how good can go a long way in the lives of people with blood cancers, like leukemia, and blood disorders, like sickle cell disease. Just three years ago, in July 2021, SAE launched a national partnership with NMDPSM. Since then, the good that SAE brothers have done has continued to multiply.

GROWING AWARENESS—AND THE DONOR REGISTRY

NMDP is a global nonprofit leader in cell therapy that helps find cures and save lives for people with blood cancers and disorders. For many of these patients, a blood stem cell transplant using cells from a donor is their best chance for a life-saving cure.

Doctors use genetic markers called human leukocyte antigens (HLA) to match patients with suitable donors. People inherit HLA from their biological parents, but not all siblings always have the same HLA. That means patients often don't have a suitable matching donor in their family.

That's where NMDP—and SAE—come in. Through its registry, NMDP connects patients to potential blood stem cell donors. SAE leaders and chapters around the United States have dedicated themselves to growing the NMDP RegistrySM of potential donors by recruiting more young people.

Getting younger people to join the registry is important because doctors request younger donors most often. That's because research has shown that using blood stem cells from younger donors leads to more successful outcomes for patients. Young men produce a higher volume of cells for transplant, which can also contribute to a transplant's success.

SAE chapters are increasing awareness among people who are 18 to 24 years old by organizing donor registration events for their campuses and communities. Our brothers' efforts have led to more than 17,000 new registry members. More than 50 people have gone on to donate blood stem cells for a patient in need.

DEMONSTRATING LEADERSHIP AND SERVICE

Since launching our national partnership with NMDP, SAE members have shown our standards of leadership and service in other ways, too.

During an Executives Academy event in 2023, more than 250 attendees helped prep and label more than 4,800 swab kits for NMDP. A simple cheek swab is one of the first steps on the path to joining the registry.

At the Ritual Academy in 2024, two SAE members and NMDP blood stem cells donors—Richie Price from Ole Miss and Ethan Moore from the University of Idaho—received the SAE Order of the Phoenix award for their service to NMDP and dedication to being donors. NMDP recognized all of SAE's efforts by honoring our fraternity with its Grow Award during The ONE Forum[®] by NMDP in 2023. NMDP gives this award to an individual or group who has grown the organization's presence within the community.

FINDING LIMITLESS OPPORTUNITIES FOR GOOD

All SAE members can help make a difference in the lives of patients—even those for whom college is in the rearview mirror. That's because NMDP is more than a donor registry.

NMDP and its advocacy volunteers and ambassadors work for patients at the state and national level to secure legislative victories so patients can have better coverage for treatment. The organization studies treatment outcomes and pursues clinical trials to create a world where every patient will be able to receive their life-saving cell therapy.

NMDP also helps patients navigate treatment and overcome challenges before and after transplant. Finding a suitably matched donor is critical for patients who need a blood stem cell transplant—but it's not the only challenge they face.

Financial costs are the number one burden or barrier to treatment that patients report to NMDP. Even if insurance covers the procedure, the cost of medicines, copays, temporary housing and transportation stack up over time as patients work to heal.

NMDP uses money raised through fundraising to help patients cover these costs, to add more potential donors to the registry and to fund groundbreaking research.

For our SAE brothers, there are limitless opportunities for good to help ensure every patient can look forward to the future—and the chance for a cure. Discover how at nmdp.org/sae.

SAE BROTHERS ARE HELPING SAVE MORE LIVES!

- 17,000+ new NMDP Registry members recruited
- Recruitment efforts led to 50+ blood stem cell donors for matching patients
- Increased awareness with continued social media posts

"[IT WAS] A SUPER AWESOME EXPERIENCE."
RICHIE PRICE (MISSISSIPPI)

Richard "Richie" Price is a SAE Ole Miss member and NMDP blood stem cell donor. Richie serves his chapter as the Eminent Deputy Archon and was a House Manager. He is president of the Old Miss Hockey team.

SAE members Ethan Moore from the University of Idaho (left) and Richie Price from Ole Miss were both matches for a patient who needed a blood stem cell transplant. The two NMDP blood stem cell donors received the SAE Order of the Phoenix award for their philanthropic spirit.

Matthew Kroeger, senior manager of Partnerships at NMDP, (left) with SAE member and NMDP blood stem cell donor, Richie Price, during the 2024 SAE Ritual Academy. SAE members had the opportunity to learn more about NMDP and swab—the first step to joining the NMDP Registry.

WELCOME BACK TO THE REALM, CALIFORNIA STATE UNIVERSITY, FULLERTON (CALIFORNIA PI)!

IN THEIR WORDS

The California Pi Chapter at California State University, Fullerton, returned to campus in the fall of 2023. From the start, our chapter was guided by key Fraternity Service Center staff members and the dedicated Chapter Alumni Steering Committee, who led us to become a successful chapter. Through this support and the countless work from the Founding Fathers, we built the foundation of a successful chartered chapter. Since then, it has been an experience unlike any other. It has been very remarkable to watch the California Pi Chapter grow from its inception to its excellent successes a year later. The True Gentlemen who started this chapter have worked day in and day out to see the fruits of their labor. This year in particular, the brothers of California Pi worked diligently towards earning our chapter carter, which culminated in an incredible weekend of celebration and fraternity, when we earned our charter on September 28, 2024.

INSTALLATION: SEPT. 28, 2024

ABOUT THE CAMPUS

California State University, Fullerton, is the largest public university institution in the state of California. Located in Fullerton, California, is one of the most popular destinations for students who wish to study in sunny Southern California. Cal State Fullerton ranks #1 in social mobility in the nation and has one of the most diverse networks of students..

CLEMSON HOMECOMING VICTORS

We are so honored to have come in first place for the best non-moving float this year's homecoming with Beta Upsilon Chi, Kappa Delta, the Multicultural Greek Council, and NPHC. As an award, we won \$1,500 to put toward our philanthropy this year. The float came out looking amazing!

TRUE GENTLEMEN IN ACTION

Brothers from the Florida State (Florida Beta) chapter volunteered to help with Hurricane Helene recovery efforts at Blue Creek Baptist Church in Perry, Florida, which was flooded with eight feet of water.

ORDER OF THE VIOLET RECIPIENT

On Friday, October 4, 2024, the North Carolina-Chapel Hill Chapter hosted a parents event at the chapter house, where the Chapter and Alumni Council recognized Mrs. Karen Weatherly with the Order of the Violet. Karen created a thriving parent's group for the North Carolina Xi Chapter, and organized the chapter parents in a first rate and productive manner. Pictured alongside Karen is Eminent Archon Steve Draughn, her husband Bo Weatherly (North Carolina-Chapel Hill '88), and Chapter Advisor James Tatum Jr. (North Carolina-Chapel Hill '68). Her son Will Weatherly is a senior in the chapter.

SIGMA ALPHA EPSILON
1856 SHERIDAN RD
EVANSTON, IL 60201

Celebrate the Season with TG Napa Valley!

Join the 1856 Club or gift our wines this season, and not only will you share exceptional wines, but you'll also give back to Sigma Alpha Epsilon. Together, we can help develop future leaders and ensure the continued success of SAE.

We're excited to introduce Kerr, our latest 2021 Cabernet Sauvignon, crafted in honor of Founder John Webb Kerr. Don't miss this exclusive release!
